

1# My great reward

 PATREON | Monarquis

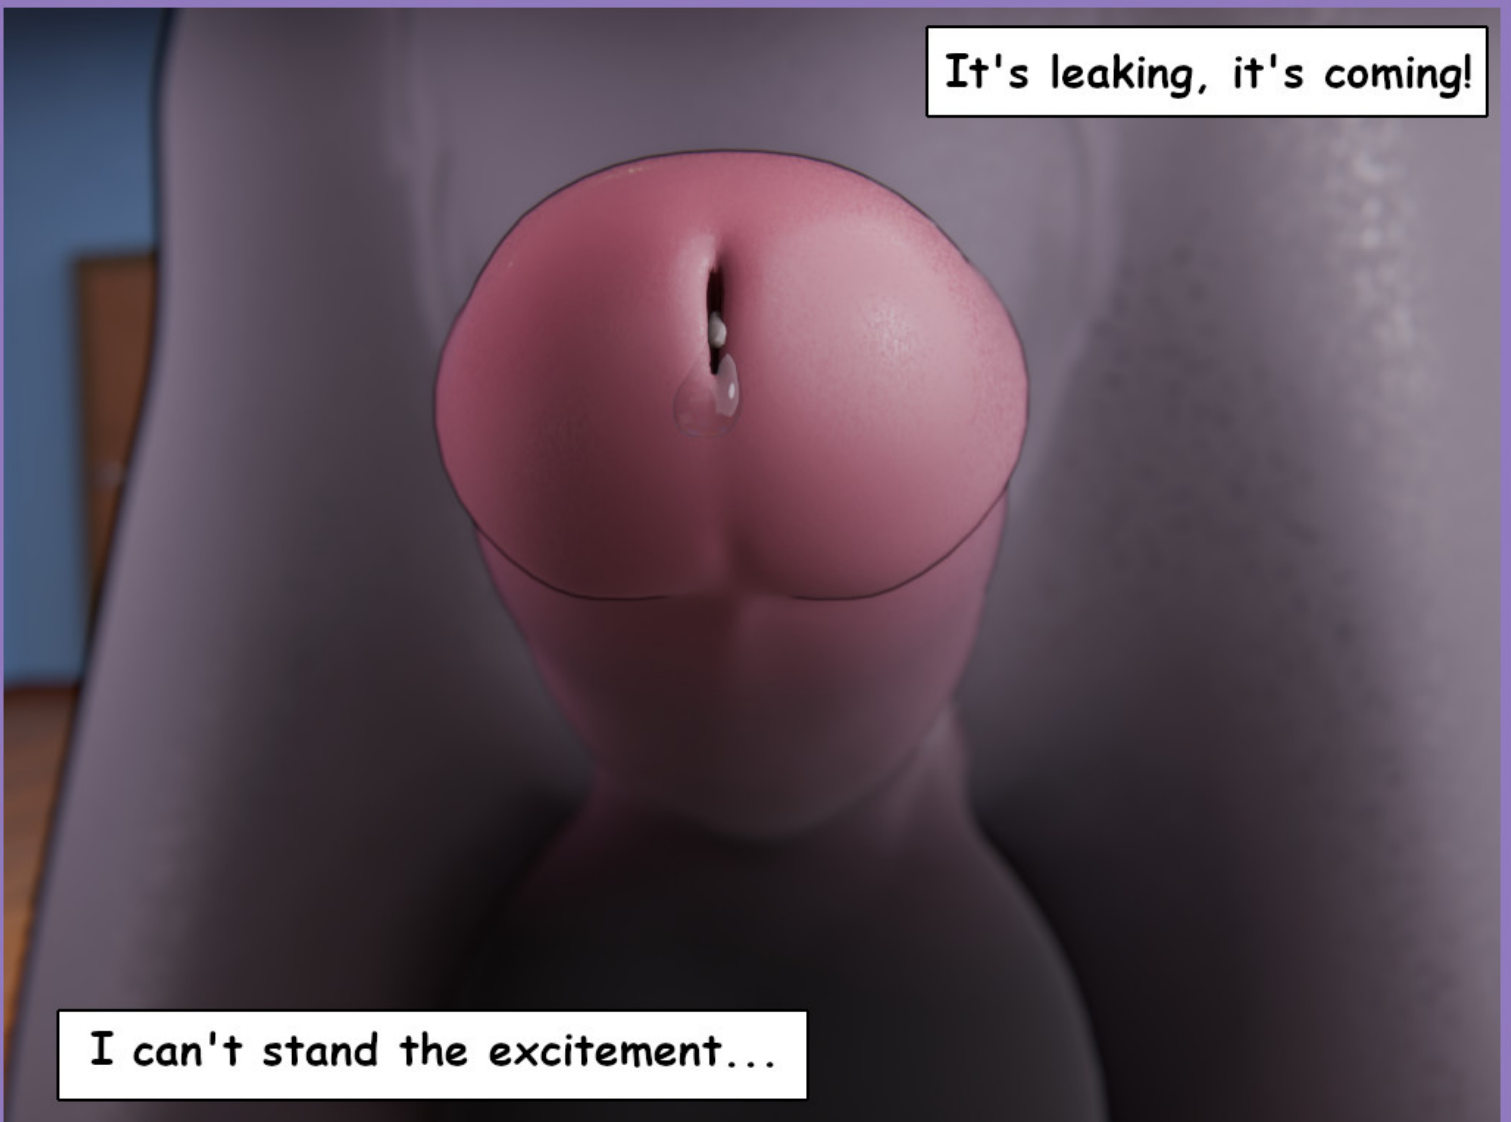

I can see it, big and throbbing...

I can smell the scent, the sweet smell of male...

My heart is on fire, my breathing is altered...

It will happen soon...

It's leaking, it's coming!

I can't stand the excitement...

Come on, give it all to me. I deserve it!

Ufff yes baby, take your milk

It's mine! Mine! Your sweet, juicy, slimy seed!

3# My great reward

All your male seed, your milk,
your nectar in my mouth...

I am excited, I feel the
taste and smell of his seed

Naked, penetrated and covered
in man's milk...

I feel like a dirty
whore...

It was worth it! Of
course it was!
