

## WHEN YOU LEAVE THE DOOR UNLOCKED...

If you are the only in existence woman with a huge fucking cock and balls and you want to keep it a secret - never leave the doors to your hotel room unlocked. Arryn learned this the hard way.

Claire left and forgot to lock the door. Arryn drifted off into a deep sleep...

A lady from the room service walked down the long hallway of the hotel. Her heels made an audible clack, clack, clack sound as she walked.

She was wearing a tight white dress that was low cut with a very short hem. She had on bright red lipstick and thick makeup, which caused a pair of piercing blue eyes to pop out.

Clack, clack, clack...

The sound of the heels grew louder as the lady walked up to the room and pulled a key card from her bra. Arryn was asleep, not covered by a sheet or blanket.

She knocked a few times and asked, "Room service!"

There was no answer and she put the card in the slot and the door clicked open.

The door opened to reveal a huge penthouse suite with a glass wall that looked over the city of Kitsune. The sun had just begun to rise, bathing the city in a golden light.

The suite was full of high-end furniture and decorations, all the finest items.

There was a large king-sized bed, which is where Arryn was sleeping.

"Sorry, miss, I...OH MY GOD! HOLY FUCKING SHIT!" The room service lady screamed.

She wasn't expecting what she found. A woman sleeping on the bed with a massive cock hanging between her legs.

The lady ran out of the room, locking the door behind her.

"No way! No fucking way!" The room service lady said to herself aloud.

There was no doubt she saw what she just saw. There was a fucking woman in there with an enormous cock.

"I gotta take a pic. No one is ever gonna believe this!" The lady said as she reached into her bag.

She took her phone out and opened the camera app. She turned it around to point it at the door. She started to record a video and slowly unlocked the door, sneaking in. She removed her heels and left them at the entrance, not to make any noise.

Slow and steady she moved toward the bed.

Arryn was still asleep, her hands resting on her muscular thighs. Her nipples were hard from the chilly air in the room.

"This is just so unreal," she said under her breath, filming. "It's leaking some stuff like crazy."

Arryn's balls were swollen with a fresh load of cum ready to shoot from the huge, thick cock that hung between her legs.

"Fuck, just look at those balls! They're huge!" the room service lady whispered.

The video showed the cock dripping with precum, her huge balls.

"I gotta get a better look at that," she said.

Slowly and quietly, she inched closer, holding the camera up so she could get a shot of the heavy sack, then moved it up to her cock.

The thick shaft was much longer than her forearm and thicker than her wrist. Her large, cum-filled balls hung between her legs, their weight pushing the mattress down.

She moved the camera over the fat head of her cock. Precum dripped from the tip, a few drips hitting the bedspread.

"Holy shit. This is too good to be true," she said.

The cock twitched and released another stream of precum.

"Oh my god, it just came again. Just look at it!" the room service lady said.

She slowly ran her finger over the head of the cock. It twitched and the cockhead spit out a long line of precum, almost like a fountain, which dripped over the end of the cock and onto the bedspread.

She licked her precum-covered finger clean and the intoxicating effect of her liquids hit her.

"Mmmmm..." She moaned.

Slowly, the camera moved up from the massive cock toward her face. Arryn's eyes were still closed. Her smooth, pale skin was covered in a thin sheet of sweat. The camera moved over her perfectly-shaped lips and moved up toward her face.

Her brown hair was messy and lay scattered around her face, which was covered in a thin layer of sweat.

"Is she a futanari? No, it's impossible," the room service lady said aloud. "Futanari only exist in manga. Right?...Fuck, I don't care. I gotta wrap my lips around it!"

She was still recording as she leaned in and ran her tongue up Arryn's shaft, coating it in her own saliva.

Arryn's cock throbbed and her balls pulsed, letting out a steady stream of pre. The lady pulled back and licked her lips, then slowly moved back in to lick up more of the thick, sticky precum.

"Mmmmm...It's so good. This has gotta be the best-tasting precum I've ever tasted in my life. It's making me feel so hot," she said aloud.

She continued to lick up the precum, moving from the base of the cock up to the tip. She licked it from all angles, then slowly slid the entire head of her cock into her mouth.

"Mmmmm..." She moaned around Arryn's cock and it throbbed as if in response, and she shot out another line of precum straight into the mouth of the room service lady. She moaned again in ecstasy as the flavorful, intoxicating liquid filled her mouth.

Taking the entire head was a challenge as it was so thick, but she managed to get it most of the way in, sucking on the side to get more precum.

"Mmmmm! Melinda..." Arryn said in her sleep, thrusting her hips a little bit.

The room service lady was too enthralled with the feeling of Arryn's cock in her mouth to notice the young girl in her sleep.

Arryn moaned loudly, her breathing accelerating, "Ohhh...mmmm...mmm...Melinda..."

But the lady was too far gone. She couldn't hear anything but the sound of her own moans. Deepthroating the thick shaft was now the only goal in her mind.

And it was nearly impossible. Her throat was stretched and she was still fighting with the fat head as it forced its way deeper and deeper.

The head popped through her throat and she was now forced to gag around Arryn's thick, throbbing cock.

The sensation of a warm mouth on her cock caused Arryn's balls to pulse and release another large load of precum.

The thick, delicious liquid poured into the room service lady's mouth, going straight into her stomach. She moaned in delight as she felt the potent liquid seep into her, causing her to cum.

"Mmmm...I'm cumming!" the room service lady said, her eyes rolling back, her mouth full of cock.

Arryn slowly opened her eyes and saw the room service lady depthroating her cock.

"Oh my god, what the fuck!" Arryn screamed, yanking her cock from the room service lady's mouth.

Arryn quickly threw the blanket over her body, making sure her cock was covered.

The room service lady backed up, her eyes wide as dinner plates, her mouth still full of precum.

"This...this...this..." The room service lady was at a loss for words. "That...that was the best thing I've ever tasted in my entire life!"

"How did you get in here?" Arryn demanded.

"I'm from room service," she said, her voice weak and weak, unable to form a clear sentence. "I opened the door, and there you were, with your...your..."

"And you just decided to suck my cock?" Arryn asked, her tone accusatory.

The room service lady nodded. "Yeah...I mean...how could I not? It was right there! In my face! The biggest, thickest cock I've ever seen. And I've sucked hundreds of dicks in my life! Dozens of them have been big, but never like this. This was...this was something else," she said, her breathing becoming more erratic.

The room service lady stood up and went to the foot of the bed. She dropped the straps on her dress and it fell to the floor. She was completely naked underneath and Arryn was stunned at what she was seeing.

She was perfect, from head to toe. The room service lady's tits were small, her nipples large and pink, a perfect pair to fit her petite frame. Her stomach was toned and flat. She looked like a model and Arryn couldn't help but stare at her, naked body.

"Whoa..." Arryn said, unable to help herself.

"You like?" the room service lady asked.

Arryn nodded and flexed her cock,

"Are you a futanari, miss?" she gulped, "is that why you have a huge fucking cock?"

Arryn laughed.

"Yes, and I am, one of a kind," Arryn said, pulling the blanket away so the room service lady could get a good look at her thick, dripping cock. "Is this what you want?"

The lady nodded her head up and down frantically.

"What's your name? I'm Arryn," she said.

"I'm...I'm Aya," the room service lady said, staring at the cock.

"Aya, nice to meet you," Arryn said, slowly moving her hand up and down her shaft, feeling the pleasurable sensations move through her body. "Now, let me tell you what's going to happen next."

"Please don't kill me," Aya pleaded.

"Oh, don't worry, I'm not going to kill you," Arryn said. "I'm going to fuck you...hard."

Aya moaned and watched as Arryn slid her hand down her thick shaft.

"The first thing I want you to do is lie down on the bed. On your back," Arryn commanded.

Aya immediately moved and crawled onto the bed, lying on her back with her legs spread.

"Perfect," Arryn said.

She moved closer, crawling onto the bed and straddled Aya's body, her cock poking the side of the small woman's stomach.

"You look like a fucking doll, Aya," Arryn said, then reached out and grabbed Aya's hand and placed it on her shaft.

Aya squeezed Arryn's thick, heavy cock as she wrapped her fingers around it, her tiny hand not even able to completely wrap around the monster.

Arryn moved her cock closer to Aya's mouth, and Aya knew exactly what she wanted.

She opened her mouth and stuck out her tongue, licking the underside of Arryn's shaft. She used both of her hands and started to jerk it off, slowly.

"Ohhh fuck yeah...just like that," Arryn moaned, thrusting her hips.

Aya licked Arryn's shaft from base to tip, leaving no part of her cock untouched. The massive tool pulsed and shot another line of precum, which was greedily devoured by the room service lady. She then took the head into her mouth and started to suck. Her tongue massaged the sensitive area and Arryn was nearly overwhelmed with the feeling.

"Mmmmm! You taste amazing, Arryn!" Aya said as she came up for air, then went back to sucking.

She moved her head further and further down Arryn's cock but taking the whole thing wasn't an option. It was just too big and she had to settle on sucking about halfway down, while her tongue working magic along the underside of the shaft.

"I'm gonna cum if you keep that up," Arryn cried out and let out a loud moan.

Aya didn't stop, her small hands pumping Arryn's shaft as fast as she could manage, her lips firmly locked around the thick cock, her tongue making everything she could to send Arryn over the edge.

Futa grabbed Aya's head and started to thrust her hips back and forth, fucking the room service lady's mouth. Aya gagged as the thick cock nearly filled her throat, but Arryn didn't stop. She thrust faster and faster, her balls swelling up and releasing another shot of precum down her sex toy's throat.

Arryn could feel herself cumming right before Aya pulled away, her mouth hanging open, her tongue sticking out, trying to catch the thick, delicious fluid that was about to leave the tip of her cock.

"Oh my god! Fuck!" Arryn screamed, her orgasm exploding through her.

Her cum shot out of her cock like a hose, hitting Aya in the face and covering her chest. Arryn pulled back, her cock spraying out long lines of cum as she shot one after another.

"Oh god!" Arryn moaned as she rode out her orgasm.

It felt like she came forever and when she finally came back to Earth, the first thing she noticed was that her cum was all over the room service lady, who was still lying there with her legs spread wide, her hands on her pussy, masturbating to the sight of Arryn's massive orgasm.

"That was amazing," Aya moaned as she rubbed her clit, her pussy wet from the sight of the young, attractive futanari woman and her amazing orgasm.

"You know, I'm not surprised at all. No one ever complained after having sex with me. Not once," Arryn said.

Aya moaned, "Mmmmm...I can clearly see why."

She moved her fingers up and down her wet pussy.

"Arryn...please...I want to feel that thing inside me," she moaned.

Arryn smiled and climbed down off of the bed and moved between Aya's legs. She spread them wide and looked down at the small, perfectly shaped pussy of the room service lady.

"You do understand that I'll ruin you, right?" Arryn asked.

Aya nodded, her breathing quick and shallow, her fingers working her pussy up and down.

"That's right. You will never be satisfied with anyone else, Aya. Ever," Arryn said sternly.

"Yes, I understand. Please, I want this so bad," Aya moaned.

Arryn slid two fingers into Aya's tight hole, then pulled them out and licked her own fingers, tasting Aya's sweet nectar.

"You're delicious," Arryn moaned as she licked her fingers.

"I can't take it anymore, please. Put it in me!" Aya moaned.

Arryn grabbed her cock and aimed the tip at Aya's pussy, then slowly pushed the head in. She slid it in inch by inch, slowly filling Aya with her massive cock.

"Oh my god! You're so big!" Aya moaned as Arryn's cock pushed against the inside of her pussy walls, stretching her tiny hole.

"I'm not even halfway in, baby," Arryn moaned as she pushed further, going deeper and deeper.  
"And you're so fucking tight!"

Aya kept screaming as the thick cock pushed further into her pussy. She couldn't hold on any longer, her orgasm exploded through her.

"I'm cumming! I'm cumming! Oh fuck! You're so fucking big!" Aya screamed, her eyes rolling into her head as the feeling consumed her.

"You'll be doing that a lot...that's for sure," Arryn laughed as she slowly slid her cock back out, then pushed it back in.

"Fuck, you're gonna make me cum again!" Aya moaned, her orgasm overtaking her senses. "Ohhh fuuuuck! I'm gonna cum again!"

Another explosion of pleasure wracked Aya's body and she screamed out in ecstasy as Arryn pumped her cock in and out of the small woman's pussy.

"That's it...cum on my cock," Arryn commanded.

Aya screamed again and again as Arryn thrust her cock in and out of her tight hole, filling the room with her moans.

The futa reached forward and grabbed Aya's legs, lifting them and putting them on her shoulders, fucking her harder and harder. She couldn't fit her entire length in Aya without hurting her, so she worked with what she had, fucking the small woman with just a third of her cock.

Aya was screaming like a banshee, cumming over and over again as her pussy was fucked harder and harder by grithy invader.

"You're...so...fucking...good at that...so fucking good!" Aya moaned as her eyes rolled into her head, her mind going blank from the pleasure.

"Oh yeah, baby?" Arryn said with a cocky smile on her face. "I'm not gonna stop fucking you for a long, long time. In fact, maybe I'll just fuck you for the whole day."

"Ooooooooooh!" Aya moaned.

Arryn leaned over and pushed Aya's legs down, so she was resting on the bed, then moved over her, fucking her hard and fast. She watched Aya's face as she fucked her, watching her reactions as her thick cock drove in and out of the small woman's tight pussy.

"You're so fucking tight, baby! I can't get enough of this pussy!" Arryn moaned as she drove into Aya harder and harder.

Aya was screaming at the top of her lungs, her orgasms exploding through her mind one after the other as she was fucked by the gorgeous young woman with the huge cock.

Arryn put her hand on Aya's throat and slowly tightened her grip until her airway was cut off. Aya's eyes opened wide and her mouth hung open as she started to pass out, her eyes rolling into her head.

"Not yet," Arryn said, releasing the grip.

She leaned in and kissed Aya, her tongue slipping into her mouth. Arryn moaned into the kiss, and Aya was unable to kiss back as she was lost in her own mind, trying to remain conscious.

"Arrrrrynnnnnnn! I'm...gonna...cuuuuummmm!" Aya moaned.

Ignoring her screams, Arryn just kept her pace, fucking her hard and fast, her cock working every inch of Aya's pussy, sending shivers of pleasure down her spine.

"Arrrrrynnnnn! Arryn! I'm...cuuuuummmminnnnngggggg!" Aya screamed.

"Oh yeah...cum for me, baby! I wanna hear you cum like the dirty little slut that you are!" Arryn said.

"Ohmygod! Ohmygod! Ohmygod! Ohmygod! I'm cumming so fucking hard!" Aya screamed as her pussy tightened around Arryn's cock. "Fuck! Fuck! Fuck! Oh my god! Arryn! Arryn! Arryn! Arryn! Arryn! Arrrrrrrynnnnnnnnnnnnnnnnnn!"

Aya's eyes rolled back and her back arched as her pussy exploded, her orgasm continuing and continuing, her mind nearly going blank.

At that very moment, the door to the hotel room opened and the room service shift manager stepped in.

"Aya, what's taking you so...what the fuck?" the manager screamed, looking at the sight before him.

Aya's mouth was open, but no sound was coming out, her eyes rolled back into her head and Arryn's cock was still thrusting in and out of her tight, dripping pussy.

"Oh come on...why couldn't you just fucking lock the door behind you, slut! You're just so fucking stupid," Arryn growled, fucking her harder and harder.

The manager just stood there, frozen in place as Arryn pummeled the room service lady.

"Hey, handsome!" Arryn shouted.

The manager snapped out of it and quickly turned around, not wanting to look at what was going on any longer. He heard the distinct sound of wet flesh slapping together and quickly covered his ears with his hands.

"Look at me, asshole," Arryn commanded.

Slowly, the manager turned his head around and opened his eyes. Arryn was still fucking Aya, but looking right at him.

"Don't you dare fucking turn your back on me again! Look at me, asshole," Arryn growled.

"O-o-okay," he stuttered.

"When I'm done with her, I'm gonna want you on your knees, sucking my cock," Arryn said. "You're gonna lick it clean, suck me dry, then give me your asshole, baby."

"Fuck you! I'm not sucking anything!" the manager snapped.

Arryn just smiled, "Oh, you will, sweetheart. You will."

She turned her head to look back at Aya and tightened her grip on Aya's neck, cutting off the room service lady's airway, and sending her over the edge yet again.

The manager tried to leave, but Arryn moved her hand and said something in some unknown language. The spell caused him to freeze in place, unable to move.

"I said, you're not leaving until you get on your fucking knees and suck my cock, asshole." Arryn said, still focused on Aya.

"I...I...I...won't!" he shouted, trying to move. "I'm not into shemales and trannys!"

"And I'm neither, asshole," Arryn growled as she watched Aya squirming beneath her on the bed. "And you'll do what I say and I am gonna enjoy every fucking thing you do."

"N-n-n-no! I won't," the manager shouted. "Fuck you, prevented monster bitch!"

"What did you just say to me?" Arryn asked as Aya came yet again.

"I...I...I said you're a...a...bitch...pre...reverted f-f-freak," he stammered.

Arryn pulled out of Aya and moved to the edge of the bed. She stood up, crossing her hands over her chest, her huge cock jutting out, dripping with Aya's cum, leaking an endless stream of pre on the floor.

She was as beautiful as she was terrifying, and the manager was paralyzed with fear.

Aya was nearly unconscious, lying there on the bed, unable to move or talk. Arryn moved her fingers up and down her cock, stroking it slowly.

"You were saying? You called me a bitch and a freak?" Arryn asked the sultry tone in her voice making his spine tingle. "Now, repeat what you just said."

The manager struggled to speak, his mind still in shock, "You're...you're...you're a b-b-bitch and a f-f-freak, I..."

Arryn said the words once more and moved her free hand in the air.

The spell forced the manager to his knees, and he tried to fight the hold, but couldn't. Arryn watched him struggle against the spell and she smiled.

"What's the matter? Don't like this?" Arryn asked, moving closer, her cock twitching with anticipation.

"Fuck you, monster!" The manager spat. "Fuck you! Fuck you! Fuck you!"

He spat at Arryn's feet and she stepped in and slammed his face with her huge cock.

"Apologize, asshole," Arryn commanded.

The manager struggled against the spell, "Fuck...you!"

She slammed him again, the sound of her cock on his face echoing off the walls of the suite, "I'm waiting!"

"Fuck you, bitch! You're a monster!" he screamed, spitting at her feet again.

Another two smacks and the manager's nose started to bleed.

"I'm not gaaaay!" he cried. "Pleeease, let me go! I won't tell anyone, please!"

He tried to struggle, but the magic held him firmly in place.

"And I'm not a man," Arryn said. "Now, be a good slut and apologize."

"I'm so sorry," he said, tears running down his cheeks, "I'm sorry, please forgive me."

"Sorry for what?! Say it!" Arryn demanded.

"I'm sorry for calling you a bitch and a freak," he sobbed.

"Good, you're a good little slut," Arryn smiled as she stroked her cock, which twitched with excitement at his words. "Now, show me how sorry you are."

She pumped her cock a few times, then placed the tip right above his mouth.

"Open up, slut!" Arryn said.

He opened his mouth and a stream of precum poured in, coating his tongue and making his mouth full of her delicious fluid.

"Mmmmmmm...I can't wait to see your lips stretched around this thing," Arryn said, stroking her cock faster and faster, her heavy balls pulsing.

The amount of precum filling his mouth was too much to swallow and he started to gag, forcing Arryn to pull away.

"I don't want to hurt you more than I did already. Now, I need to finish with Aya." Arryn said with a smile on her face. "I'm going to release you from the spell and you're gonna sit here and patiently wait for your turn."

"Please, just...just let me go...I won't say anything to anyone, I promise," the manager begged.

"No, no, no," Arryn said, shaking her head. "You were so rude to me earlier and you spat on me when I asked for an apology. You don't get to go until I you get your punishment."

She released the spell and the manager fell to the ground, then scurried back up to his knees and looked up at Arryn, his hands folded together.

"I'm sorry!" He shouted. "Please, I'm sorry!"

"Calm down, slut," Arryn said. "Now, watch."

She moved closer to Aya and grabbed the woman's legs, spreading them wide, then slid her thick, hard cock into her tight hole.

The penetration caused Aya to moan and open her eyes. She looked up at Arryn and smiled.

"Wha...where am I...oh fuuuuuck," Aya moaned.

Arryn smiled, fucking her slowly, her heavy balls dragging along the bedspread.

"Aya, I'm gonna fuck you in front of this man," Arryn said, her glorious cyan eyes flashing red.

"M...m...man?! I...oh...my..." Aya tried to speak but couldn't catch her breath, unable to finish a single sentence.

She didn't even know what was happening, but the feeling was one of the best of her life. She turned her head and saw the manager sitting there, watching everything, his hands clasped together.

"Mr. Herman? Is that...?" Aya asked, unable to form complete sentences.

"Y-y-yes, it is," the manager said, his hands trembling, his breathing erratic.

"What's happening?" Aya asked, her breathing growing quicker and quicker as Arryn fucked her harder and faster.

"He's gonna watch you cum all over my cock," Arryn growled, her hands wrapped around Aya's small frame, her big balls dragging along the sheets as she fucked her as hard and as fast as she could.

Aya just moaned, her orgasm quickly approaching as she looked at the manager, her confused look immediately turning to one of ecstasy as she came like a freight train.

"Oh...oh...oh...Arryn...I...I...I..." Aya stuttered, her words incoherent as her orgasm started to take hold, "I...oh...my god! I'm cumming!"

Arryn didn't stop, fucking the tiny woman harder and harder, making sure she was cumming as hard as she could.

"Oh, Aya," Arryn moaned, her orgasm building.

She watched the room service lady cum and a feeling of power washed over her. The manager watched too, his cock growing harder and harder as he saw the cute, petite, young woman cum over and over again on the massive cock of the gorgeous girl.

Aya was screaming at the top of her lungs, her orgasm continuing and continuing, her mind going blank as she was lost in the rapture of pleasure.

"That's it! That's it! Keep fucking cumming for me!" Arryn said, her balls tightening up.

"It's so fucking good," he moaned as he went back to sucking her cock, which had deflated a bit after cumming so hard, but was slowly growing back to full size. It took him a few minutes before it was fully hard once more, then he slid off of the bed, his knees wobbling as he tried to stand.

"I...I...I still think it's wrong, but..." The manager started, his words fading off as he looked up at Arryn, who was still laying on the bed, her cock standing proud, nearly as large as his arm. "Fuck it. Fuck it all!"

He grabbed the base of Arryn's cock and led it to his mouth, then slowly slid his lips over her head. His tongue moved along the underside of her cock, savoring the taste of the young woman's thick, delicious precum once more.

"Mmmm...that's it...just like that," Arryn moaned, watching the man with the full intention of turning him into her personal fucktoy. The pleasure she felt was nearly overpowering, and she tried to remain as coherent as possible. "Who knew you'd be such a good slut?"

"Mmmm..." the manager moaned, his eyes closed, the taste of Arryn's precum mixed with her thick, salty cream was overpowering his senses.

"So, sucking a cock isn't so bad, huh? You're enjoying yourself," Arryn said as the manager moaned around her shaft, sending vibrations all over her cock, making her shiver with delight. His mouth was still around her cock, but he was trying to talk, so she stopped him, "Oh, don't talk...just suck."

"Mmmm...mmm...mmm...mmm," the manager moaned, sucking Arryn's cock like a vacuum as he moved his mouth up and down her shaft.

He was enjoying himself, and Arryn could see it in his eyes as he looked up at her. They were filled with a deep, powerful desire, and she knew in that instant that she was gonna have a very long, fun time with this man.

To her surprise, he was better at sucking a cock than Aya had been, even with her experience. He took her entire cock and his eyes were rolling into his head, which was a clear sign he was enjoying the act immensely.

"Fuck yeah! That's it, baby! Just like that!" Arryn moaned, watching him suck her cock with the intensity of a man that was drowning in blissful ecstasy.

He reached down between her legs and slowly moved his fingers down her thighs, slowly stroking her balls, his finger running across them, sending a ripple of pleasure up her spine and causing her to moan a bit louder.

He was like a hungry dog, sucking her cock with every ounce of his being, trying to get more and more out of her. The balls in his hands were swelling up with a fresh load of cum, which he was eager to receive. He released the monster cock from the tight prison of his lips and pushed his head down, sucking one of her huge balls into his mouth.

Arryn was at a loss for words, never experiencing anything like this before. The only thing she could do was moan and moan, trying to hold out as long as she could, wanting to let as much cum out of her balls as she possibly could for the man before her.

"Mmmm...what's your name? I need to know," Arryn moaned, reaching her hand out and running her fingers through his hair.

"F-F-F-Fredrick...Fredrick Herman," he moaned, his mouth full of her bloated nut, his tongue running all over it.

"Mmmm...I like that...Fredrick," Arryn moaned, trying to keep herself as focused as possible as he sucked her cock and balls harder and harder, his skilled mouth working her like a well-oiled machine. There was nothing else in this world to her except for the feeling of this man's mouth on her cock. "Oh...oh...oh...F-F-F-FRED-FRED-FRED-FRED-RICK!"

She moaned louder and louder as he continued to suck her balls and her cock. Her orgasm was right at the surface and she was holding back the best she could, trying to make it last as long as possible before releasing the cum from her heavy aching balls into his mouth.

"Oh fuck! I'm gonna cum! I'm gonna cum! Fredrick! Take my cum! Take it!" Arryn moaned, her orgasm exploding through her as she grabbed the back of his head, forcing her cock as deep down his throat as possible.

He moaned, his eyes rolling back as he was filled with more cum than he thought possible, but he kept sucking, unwilling to waste a single drop of the thick, delicious liquid that flowed from the beautiful girl's cock.

Arryn moaned and moaned as she felt herself filling the manager's mouth to the brim, his lips stretched, his mouth wide open, gulping down every last drop that he could.

When the orgasm was over and Fredrick had sucked every last drop from her, he leaned back, his mouth open, panting, his eyes wide as his stomach was bloated from the thick cum. He touched it with both hands and slowly shook it, causing the cum trapped inside to slosh around.

"This is the most...I've never tasted cum in my life," he panted, watching his stomach jiggle with the weight of the load inside. "But it's so good..."

He kept shaking his stomach, listening to the sloshy, wet sounds that came from inside. Mesmerized by the feeling, he released the weight of his stomach and laughed, looking at his bloated, jiggly, cum-filled mass of a stomach.

"I...I...I never would've thought I would do anything like this," he said, looking up at Arryn with a smile on his face. "But damn...I liked it!"

Arryn just smiled back at him then stood up, her cock dangling in front of the manager.

"Well, Fredrick, if your ass is as good as your mouth, I think I'm gonna hire you as the head of housekeeping department in my company. How does that sound?"

"Yes! Yes! Oh my god, yes!" Fredrick said, unable to contain his excitement, the thought of being able to fuck her whenever he wanted. "I won't disappoint you!"

"I know you won't," Arryn smiled, "Now, get over here and show me what that ass can do!"

Fredrick immediately moved over to the bed and got on his hands and knees, then slowly shook his ass from side to side, the cum that was trapped inside his stomach sloshing around, causing it to jiggle and shake from side to side.

"Fuck!" Arryn moaned, running her hands over the manager's round, muscular asscheeks, which were covered in a thin sheet of sweat. She squeezed the round, firm cheeks, then let them go and slapped him hard with her hand. "Mmmm...I love that."

"Yes, yes, yes! I'm your fucking slave!" Fredrick moaned, sticking his ass up in the air, his face pressed against the bedspread, his arms tucked underneath his body.

Arryn smacked his ass again, leaving a hand print on the left cheek, then slid her finger down between his cheeks. Slowly, she slid her finger down until she reached his hole, which was tight and wet from his sweat.

She rubbed his hole in circles, teasing it, then slid a finger inside. His hole was tight, and she could feel him clenching around her finger as he moaned with pleasure, his cock twitching and growing harder and harder with every second, his body responding to every little touch and move she made.

"You like that, baby?" Arryn asked.

"Fuck yes! It's so hot," Fredrick moaned as Arryn slowly slid her finger in and out of his asshole, loosening his hole up and making it wet with his sweat.

"This is how I'm gonna take you from now on," Arryn growled. "Right up this tight, little asshole."

She slapped his ass again and he moaned, thrusting his ass back at her, begging her for more, the excitement making him excited.

"Your job will be making sure the office is clean, but..." She slid her finger out of his tight hole, then spanked his ass again. "Keeping my cock clean and balls empty...is your top priority, got it?"

"Yes...yes...I'm gonna do it so good," Fredrick moaned as he pushed his ass back at her, desperate for the next round of pleasure.

Arryn moved closer, her cock hanging down, dripping with precum, her heavy balls dangling low, nearly brushing the manager's cock.

"Let's see if you fit for the job," Arryn said with a devious smile as she lined up her cock with his hole.

She grabbed his hips and thrust into him, forcing the head of her cock into his tight, virgin ass slowly.

"Ohmygod! You're so big!" Fredrick moaned as his eyes rolled back into his head, her thick shaft stretching him wide.

"Mmmm...my tip is not even in and you're already screaming like a slut," Arryn laughed as she pushed further, sliding more and more of her thick cock inside him, the feeling of his ass slowly stretching wider and wider made her toes curl. "Oh, fuck yeah, Fredrick! This is just what I needed."

"Oh...oh...oh...my god..." Fredrick moaned as Arryn's cock kept pushing inside him, his hole stretching wider and wider, taking the massive cock inch by inch, feeling every contour of the thick shaft, every ridge and vein. It was the best feeling of his life, and he knew he was in for a great life from here on out.

"Mmmmm...your ass feels like heaven, baby," Arryn moaned as her cock continued to penetrate his ass.

Her tip reached his prostate and she let him feel that for a few seconds, then slowly slid back, giving his prostate a rest and letting his ass adjust to her massive size before slowly sliding back in again.

"Fuck! Fuck! Fuck!" Fredrick screamed as she pumped her cock in and out of him, slow and steady, watching his tight hole stretch wide with every thrust.

"I...I...can't hold it...I'm gonna cum...I'm gonna cum!" Fredrick screamed.

"Yeah...cum, baby! Cum for me, let it all out," Arryn moaned as she fucked him faster and faster, her balls slapping his, causing his entire body to jiggle with every thrust, which only made her pound him harder and harder. "Fuck yeah! Just like that!"

Fredrick's toes curled, his hands turned into fists, his entire body tense with pleasure as he came harder and harder, cum pouring from his cock and onto the bedspread beneath them, his orgasm lasting nearly a minute as Arryn continued to thrust her thick, hard cock in and out of his tight hole.

"Oh my god! Oh my god!" Fredrick screamed, his eyes wide open, his face in an expression of absolute bliss.

He didn't even care if anyone heard him screaming, he just kept thrusting back against Arryn, fucking himself on her cock as hard and as fast as he could manage, feeling the pleasure move through his body like an electrical current.

"Ohhhh...that was the best orgasm of my life!" Fredrick moaned as he let out a loud groan, his body wracked with spasms. He moaned and moaned and moaned until he was spent, then collapsed onto the bed, panting, his ass still in the air, her cock buried inside him. "That was...oh my god! That was...the...best!"

Arryn leaned forward and wrapped her arms around his torso, moving his body, her cock sliding from his hole with a wet pop, and turned him onto his back. She rested on top of him, her cock resting on his stomach, leaking precum into his abs.

"I want you to look at me in the eyes when I flood your insides, baby," Arryn growled, watching his eyes with a wicked smile on her face.

She kissed him, forcing her tongue into his mouth, swallowing his moans.

"Oh fuck!" Fredrick moaned, unable to get enough of her.

"Oh fuck, indeed," Arryn moaned, slowly moving her hips, rubbing her cock along his abs, making him shiver with pleasure. Slowly, she thrust her hips, pushing the tip of her cock inside, causing his eyes to roll into his head yet again, his mind consumed by the pleasure that filled every cell of his body.

"Ohhhhh...Frederick...you're so...fucking...tight! I love it!" Arryn moaned as she slowly thrust further inside his ass, filling every crevice with her massive cock, her thick, heavy balls brushing against his ass, sending a ripple of pleasure through both of their bodies.

"I love it too...I love it...I love it...I love it..." Fredrick moaned with his eyes wide open, lost in the pleasure as Arryn filled his tight hole, her cock pulsing and throbbing against his prostate, sending a feeling of rapture through him that he never knew was possible.

"Mmmm...you're gonna be a perfect little whore for me," Arryn said, slowly sliding her cock back out, watching his hole tighten, trying to keep her inside, but failing as her head popped out and his hole winked, then slowly closed up, begging for her thick shaft to return.

"That's right...I'm gonna fuck you...daily, baby," Arryn said as she leaned forward, her hair cascading over her shoulders and covering his face like a blanket, her hands on either side of his head as she slowly thrust her cock inside him. "I'm gonna fuck you so hard, you're gonna forget your name."

"I can't...I can't...I can't...I can't..." Fredrick moaned, unable to form a complete sentence as his whole body was on fire. "I can't! I can't! I can't wait for it!"

"Mmmmm...I'm gonna cum in your ass," Arryn whispered to him, her lips so close to his ear, her breath sending shivers through him, "I'm gonna fill you with so much cum, you're gonna need a fucking pump to get it out of you."

"Yes! Yes! Yes! Give it to me! Give it to me! Fill me with your cum!" Fredrick moaned as the pleasure washed over him in waves, his green eyes looking up at her, watching the wicked smile on her face as she thrust her cock faster and faster inside him, the wet slap of skin on skin echoing through the suite. "Fill me with your cum! Fill my ass! Fill it up! Fill me up! I need it!"

Arryn leaned closer and whispered, "Do you want it in your ass or all over your body?"

"I...I...I don't...I don't know!" Fredrick moaned, lost in the pleasure as her cock pumped him harder and harder, driving his mind insane with the feeling of her massive cock fucking him, the way she moved and reacted to every movement of his body, the way her thick, heavy balls slapped against his ass, and the way the head of her cock thrust against his prostate with every powerful thrust, making him moan like a little bitch in heat.

"Well, which do you want?" Arryn asked, slowing her thrusts, watching him squirm and struggle for words. "I'm gonna fill you up however you want."

"I want...I want...I want..." Fredrick moaned, his mind blank from the pleasure.

"Yes?" Arryn said, sliding her cock out, watching his hole winking at her. She grabbed his thighs and spread them wide, then thrust into his ass in one quick motion, giving his prostate a hard slam and making him scream. "Answer me."

"I...I...I want you to...do both," he moaned, watching her thrusting cock, lost in the feeling of the massive shaft pumping in and out of him, the way her heavy, swollen balls moved with every thrust.

"Good answer," Arryn smiled as she thrust into his ass hard and fast, watching his stomach bulge from her cock, listening to him moan and moan and moan with every thrust of her hips.

"Oh fuck! Oh fuck! Oh fuck!" Fredrick moaned, his eyes locked on the beautiful, magnificent woman fucking him harder and harder, watching her muscles ripple and clench with every movement, seeing the look on her face as she fucked him harder and harder.

"You like this cock in your ass, huh?" Arryn asked, continuing her thrusts, which were getting faster and faster.

"I...I...I...I love it...I love it...I love it...I love it...I love it!" Fredrick moaned, unable to control his words any longer as the pleasure took hold of his mind.

Arryn grabbed the manager's cock and started stroking it in time with her thrusts, watching his face as the pleasure washed over him, listening to him moan, his breathing ragged and heavy. Every thrust she made was a reminder of just how tight his ass was, and the way he moaned and writhed around on the bed only made her want to fuck him harder and harder. The sight was enough to send her over the edge, and she was barely holding herself together, not wanting to let go of the immense pleasure that filled her mind, body, and soul.

"Fuck, you're gonna make me cum!" Arryn moaned, her thrusts getting harder and harder, the wet slaps growing louder and louder as she slammed into him, her heavy balls swinging back and forth, slapping his ass, driving him crazy with need and lust.

"Oh my god! I'm gonna cum! I'm gonna cum!" Fredrick screamed, his cock throbbing in her hand, his stomach bulging outwards, as Arryn's cock filled him from the inside, thrusting against his prostate with every move, driving him insane with desire and pleasure.

Arryn leaned down, grabbed his neck, and squeezed, holding him down as he thrashed his body around on the bed, his eyes rolling back, his orgasm overtaking him, causing him to scream like a lunatic as he came hard all over himself, cum pouring from his cock, splattering onto his bloated stomach and chest.

"Oh my god! I'm...mhhhpfff....mhpffffff!" Fredrick was cut off by Arryn's fingers squeezing his throat, stopping him from breathing for a few seconds before releasing him, allowing him to suck in a deep breath, his eyes wide as saucers, the orgasm lasting and lasting, his mind almost unable to handle the sheer pleasure that was being delivered to him by the gorgeous girl on top of him,

her thick cock still buried deep in his ass, pumping in and out, thrusting against his prostate, making him cum harder than he ever had in his life.

She leaned in until her forehead met his and she smiled wickedly, "I'm going to fill you to the brim, and I want you to look me in the eyes every fucking second!"

He just moaned and moaned and moaned, his eyes locked on her face, watching every little twitch, every little expression, her lips opening and closing with each thrust, her hair falling all over her face, cascading onto him, giving him a dirty thrill that he'd never experienced before.

"You're gonna look me in the fucking eyes when I cum in your ass! I want you to feel every last drop! And when you're full of my cum, I'm gonna pull my cock out and cover your beautiful body in it!" Arryn moaned, her cock throbbing and pulsing inside him, getting close and close to her own release.

He couldn't reply as he was barely getting any air with her hand wrapped around his throat, but he moaned and moaned and moaned as his orgasm slowly subsided.

Arryn made a final roar as she shoved her entire length into Fredrick, her heavy balls resting against his ass, his hole clenching tighter than it's ever been, squeezing her shaft as hard as it could, and the pressure was too much for Arryn as she felt her balls swell, and she released what seemed like an endless torrent of thick, sticky cream into Fredrick's tight, hungry ass.

Fredrick could feel the warmth of her cum as it filled him, pushing against his prostate, her balls pressed against his ass. Her eyes went wide and her mouth dropped open, her gaze was focused on him, watching every little change of expression as she released every last drop of seed into his body. And so was his.

He stared into her eyes, watching her orgasm, the way she moaned and moaned and moaned, watching her eyes twitch, seeing the redness spread over her cheeks as her orgasm swept over her. He could barely control his eyes from rolling into his head as he felt her cock pulsing, releasing rope after rope of hot, sticky cream, flooding his insides with her seed, sending a shiver through him that he'd never felt before. He couldn't help, but marvel at the beauty of her cyan eyes, shining just like the moon in the night sky, so bright and brilliant, his heart racing in his chest, and he found himself lost in her beauty, completely forgetting about the tremendous orgasm he was having mere seconds earlier.

His stomach was bulging out to the point where Arryn couldn't stay on top of him any longer and she slowly pulled her cock from his hole, cum pouring out of his gaping, sloppy ass. Arryn watched the cum spill out, his ass trying to close up, but unable to hold anything inside. She leaned back and aimed her erupting cannon directly at his face.

She let loose a torrent of cum, hitting him in the face, splattering across his cheek and eyelids, a huge, thick rope of cum landed directly in his open, panting mouth, nearly gagging him.

He didn't care, though, as he moaned and moaned and moaned, feeling the weight of the seed in his stomach, feeling her cum leaking from his hole and down his legs.

"That's it, baby, I'll make a masterpiece painting out of you," Arryn said, aiming her cock and covering every inch of his body, painting him, leaving behind the most beautiful, thick, sticky, creamy cum you've ever seen.

Slowly her orgasm subsided and she leaned forward, grabbed his cum covered chin, and kissed him, slowly moving her tongue into his mouth, making him taste her, making him feel her, savor her, taste every bit of her as her cum filled his mouth.

"Mmmm..." they both moaned into each other's mouths, savoring the flavor of the other, letting the pleasure consume them as they made out passionately.

Finally, when the kiss broke, Arryn whispered to him, "You're hired."

She laughed, stood up, and walked to the bathroom, leaving behind the man she had just painted in her cum, laying on the bed, his body painted in her seed, laying beside him was Aya in nearly the same state.

In a few minutes or maybe more, time was no longer something Arryn was tracking, she finished up, cleaned herself off, and made her way back to the room. The two fucktoys were still on the bed, Aya still passed out, but Frederick lay there with his eyes wide open and a smile from ear to ear.

He noticed the futa wrapped in a towel and asked, "What about her? What are you going to do with her?"

"Oh, Aya will forget everything," Arryn replied, then moved toward her. She ran her fingers through the room service girl's hair, making her moan in her sleep, then she whispered a few words in a language that Frederick didn't recognize. Aya's body returned to its normal state, she stood up, hypnotized, and put her room service uniform back on. Then Arryn snapped her fingers and Aya left the suite, locking the door behind her.

"Whaa...what did you do?" Fredrick asked, unable to comprehend what had just happened.

"The moment she left the suite she'll think that the cleaning was done and she won't remember anything of what happened today," Arryn said, turning her attention back to the manager. "Don't worry, I won't wipe your memory too. I know how much you loved it."

Fredrick didn't know how to respond, so he just smiled, "Why not hire her too? We could be a team."

"She was good, beautiful and all, but...just average, nothing special about her, unlike you," Arryn said, running her hand over his cheek, then whispered, "You did the best impression of a whore I've ever seen and I've seen a lot. You'll be very useful to me."

He smiled back without any word, lost in the thought of being a sex slave for the beautiful, powerful futanari.

"Want me to fix your body tho?" Arryn asked.

He shook his head, then shook his bloated belly, "No. I like being filled and covered with your cum."

"As you wish, baby," Arryn smiled, then bent over and gave him a kiss on the lips.

"May I ask something...can I stay like this for some time? Just to bask in the feeling of fullness?" Fredrick asked, watching as a wave of pleasure rolled over him, the feeling of being filled to the brim with her seed was like a dream, and he never wanted to wake up, even for a second.

"Sure, baby," Arryn said, "Take as long as you want."

He smiled, and Arryn moved to the bed, crawled into the covers, laid her head down, closed her eyes, and fell asleep, letting her body rest and recharge, and giving Fredrick the opportunity to enjoy himself to the fullest.
