

Ella's hope

My god, Lisa just keeps on growing and growing!

Her legs are taller than me now!
Just one of her thighs might even
be heavier than my entire body...

I wonder how that
must feel like

It would be so cool if I could grow like that aswell!
I'm the shortest one ever since she overtook me

Imagine having the knees above the table... It would be like a chair

Aww, slept like a stone

A 3D anime-style character with short dark hair and blue eyes, wearing a light blue bikini, stands in a room. She is looking slightly to her left. A speech bubble is positioned above her. The room features a large wooden bookshelf filled with books, some of which have Japanese titles like '大字森 (上)' and '大字森 (下)'. A calendar is visible on the wall behind her, showing the dates 1, 2, 6, 7, 8, 9, 13, 14, 15, 16, 20, 21, 22, 23, 27, 28, 29. A window with red curtains is on the right, and a wooden desk is partially visible in the foreground. A grey rectangular object hangs from the ceiling on the left.

That was the best sleep I had in a long time. Too bad I didn't gr-

I- ah, uhm, didn't... wha?

I grew?

**OMG!
I GREW**

Hello there tiny little doorframe!

Hello there miniscule chair

Hello there cute tiny bookshelf

So cool!

I have to tell the others!

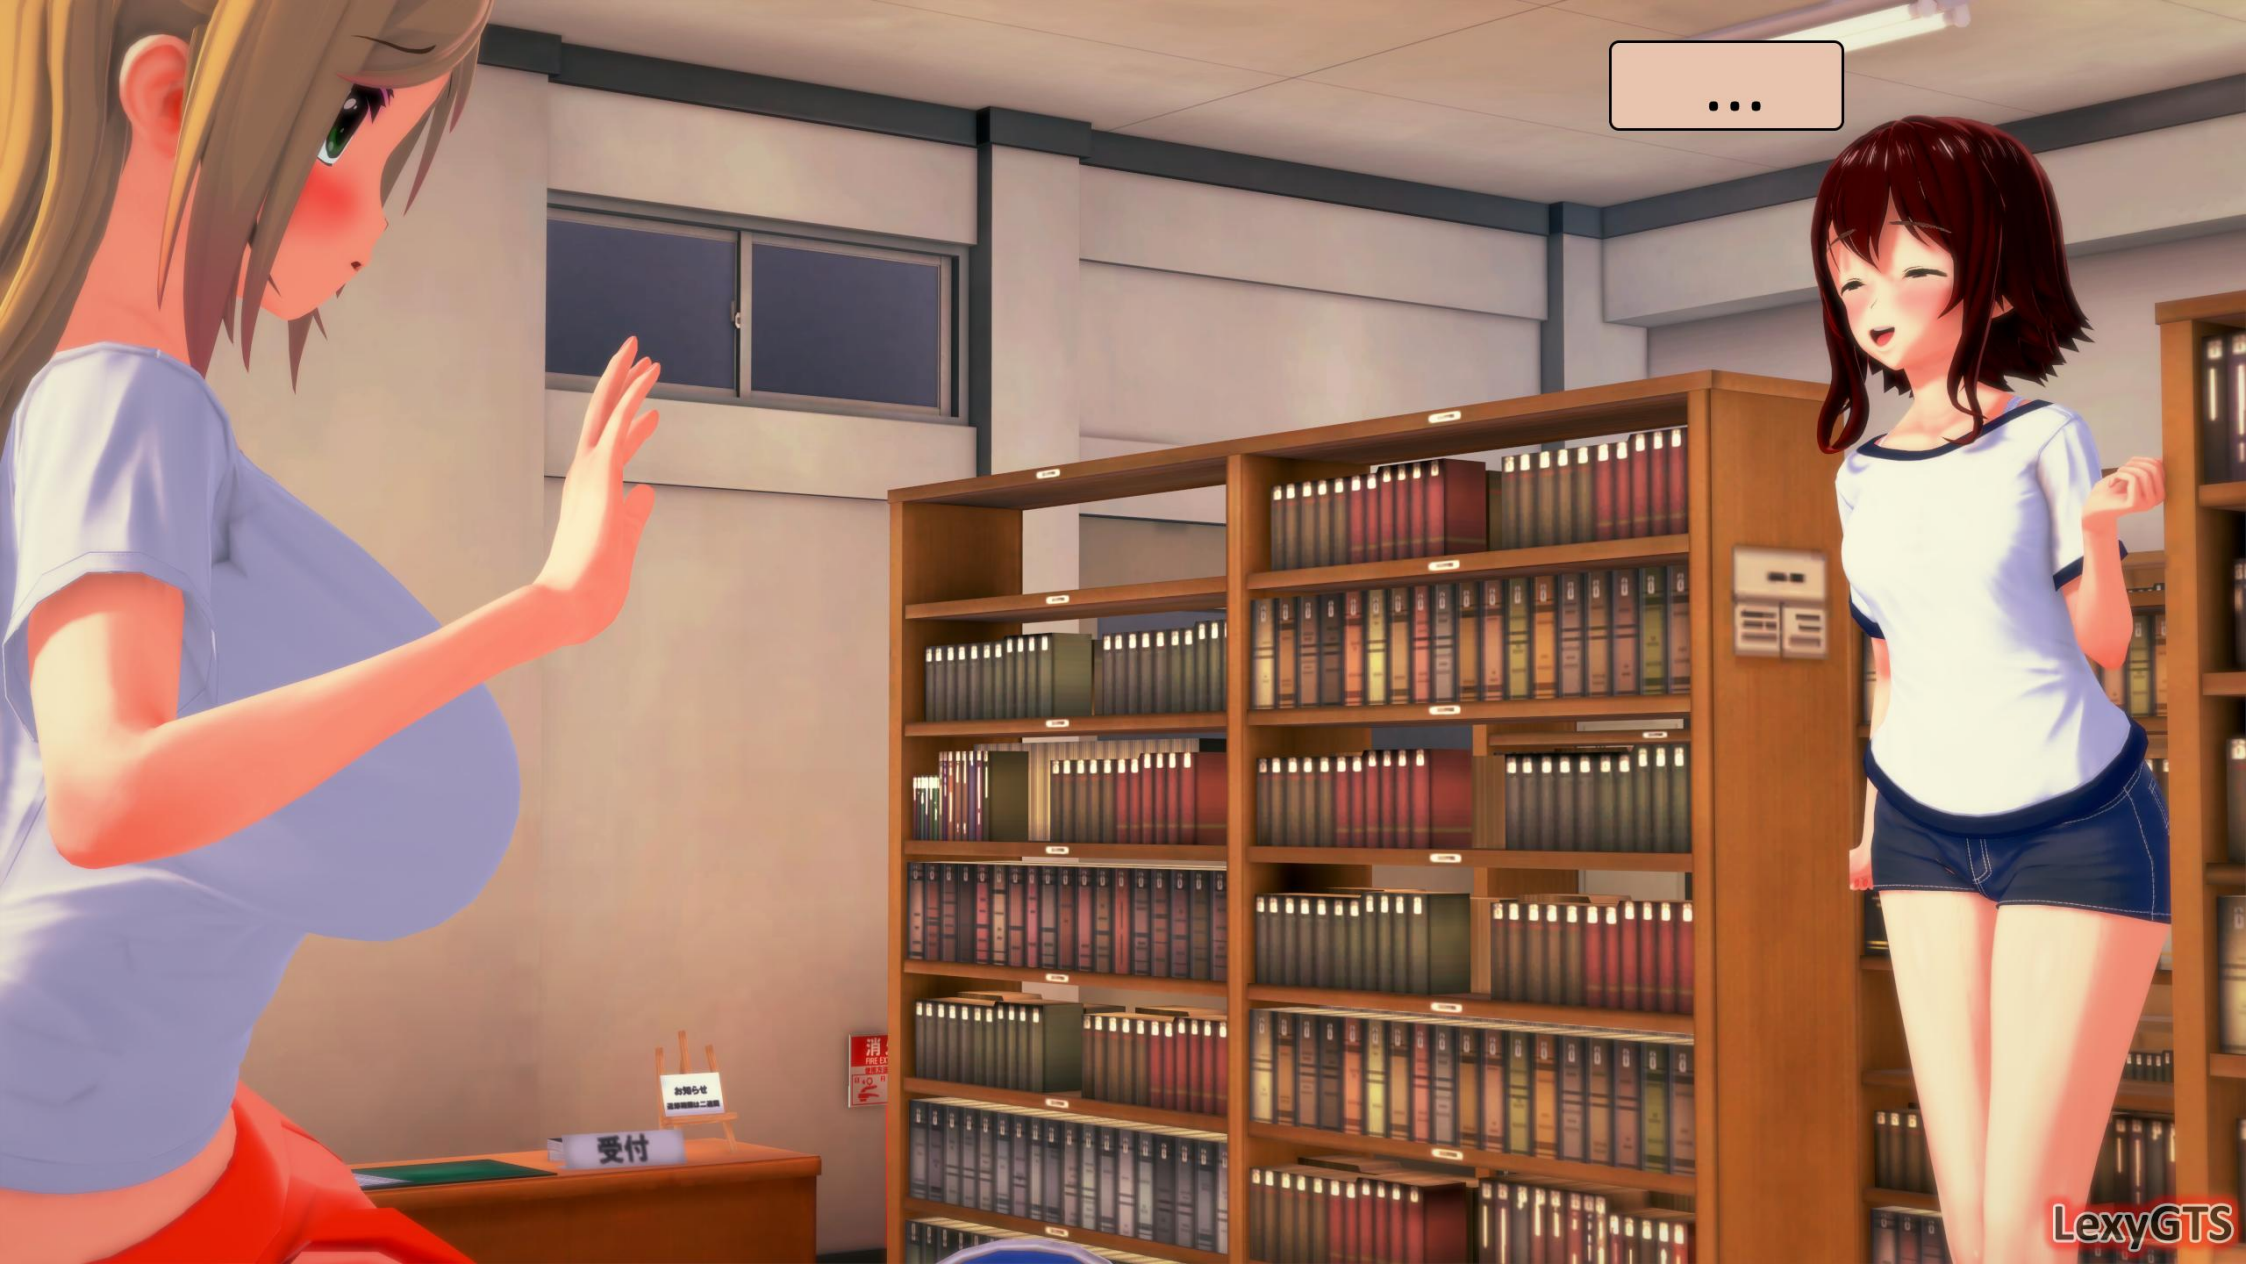

Hey Lisa, Lisa, look! I grew!
