The audio starts with gentle water sounds. The ambience is soft crickets, gentle wind and the occasional owl.

Cw// Secret relationship, semi public, tsundere listener, praise & fluff, semi-established relationship, accidental creampie

(Yuuji sinks into the water with a long, satisfied sigh) Ahh.. Man, the water feels so good! Hey, you gonna come in or what?

.. **(chuckle)** Awww come on, don't be so shy! We both have towels on, it's alright! I can't see anything, I promise!

Ehhh, don't gimme that look. This isn't weird or anything, it's just a bath!

Don't be such a prude! **(laugh)** Just.. live a little!

Hah... Hey, come on. Sit next to me, okay? The water feels suuuper nice, and I want you to be able to unwind after such a long day too, you know?

So don't be so shy.. Okay? C'mere. Sit here with me~

(the listener relents, and steps into the water)

Woohoo! That's the spirit.

(They sit down next to Yuuji)

Mmn.. Doesn't it feel amazing? The nice, cool night breeze on your skin and the feeling of the hot water?

Perfect after such a grueling day.. Ahhh. Felt like I was getting overworked to death with all the training...

(He sinks a little lower into the water with a soft moan) .. Ah? Oh! No, don't be worried about that.. I know we kinda snuck into the onsen but it's cool.. I think everyone's sleeping right now so as long as we're not too loud we won't be caught!

Wait- huh?! No! **(Laughing)** No no no, I didn't mean like *that* ...

Not loud in that kinda sense, silly. Don't go making me all flustered like that!

(lighthearted) We're just here to relax.. So don't have me thinking those kinda things!

(he sighs again softly, leaning back a bit against the warm rocks) mmmn.. Hey, look up at the stars. They're kinda pretty when you can actually see them, aren't they?

Ah.. Woah.

Oh, no it's just..! ..The way they shine in your eyes.. You look really good like this-

(the listener splashes him, and he laughs) Hey, hey! I can't even say you look good? Aww come on, I'm just trying to be nice.

Heh... I do mean it though, you know..

I'm happy you came with me tonight. I.. was gonna come out here alone but.. I'm glad I asked you to come with me.

Being under the stars in the warm water.. Couldn't ask for a better night. Especially 'cause you're here with me!

(Another gentle splash)

Hah.. Sorrryyy. I'll stop. You're kinda cute when you act all shy though. Heh..

(silence for a bit, the sound of gentle water and crickets filling the silence)

(The listener slowly moves in a little closer to Yuuji)

Ah?.. You alright? How come you got all close all of a sudden?~ I mean, I don't mind if you want to cuddle a little.. It's alright.

I know we've been a little secret about .. uh.. *Us*.. But.. You can feel free to be open with what you want whenever we're alone.

There's no one around, so.. You can come closer. We can be.. Affectionate, you know?

(He leans closer a little, his voice dropping to a lower tone) .. Hey.. Don't be so shy with me.. I'm uh.. I'm really into you. So please, you can be open with me..

Hah.. hey. I like being close with you..

(Chuckle) I'm just telling you how I feel..! Come on, look at me. **(gentle)** Hey...

(He takes the listeners chin gently, tilting their head) Look at me..

(silence for a moment, before he gently swallows. His voice is a little nervous) H-hey look, if you go acting all awkward and shy on me... It'll make me feel shy too..!

So.. please alright? If you're into me then.. Prove it.. 'Cause sometimes with you, I can't tell what's going on in your mind.

I can't.. Understand you sometimes. You'll get all flustered around me, hug me sometimes and we'll even kiss here and there..

And that one night... When you, you know... um.. Used your mouth on me and stuff-

(Another splash) Ahhh stop splashing me!! I'm trying to open up to you!

Hey, come on... please? Just... Tell me so I don't end up.. Falling for you more than I already have.. If you don't.. Like me like that, just-

(The listener leans into him, pressing their lips into his suddenly)

(Yuuji does a surprised grunt into the kiss, before melting into them and kissing them back deeply, breathing little shallow breaths between each kiss)

(He pulls away softly, his voice low and a little aroused) Woah.. Where'd that come from?

Huh?! I wasn't sulking, I was just..! Ahh you're impossible sometimes.. **(gentle, nervous sigh)** ..

Mmn... could I... maybe kiss you some more? That was just really nice..

Mmn.. yeah? Hah... **(gentle kiss against their lips, his voice super soft)** here.. come closer.

(He moves in, pressing his lips to the listeners and kissing them for a while)

(He pulls away, sounding aroused as he almost whispers against their lips) Your towel.. Its.. slipping off..

Ah- .. **(Gently, shaky breath as the listener moves to straddle him)** Ngh- getting on my lap isn't gonna end well.. Heh..

Or... depending on.. Ngh- What you're looking for it might end perfect- hahh..! Hold up-

Hey.. You sure you wanna.. Start something like this? I just..! I wanna know before I end up getting lost in you...

You.. You want this?

I don't have any uh.. You know, protection-

... ah... it's okay? Nn.. O-okay if you're sure... **(Soft breath)** .. Hey, you look stunning by the way.

I'm not staring, don't worry..! I just need you to know how gorgeous you are. Your body's so nice.. Can I touch it, babe..?

(soft chuckle) You just have me so excited now, I can't.. Contain myself that much anymore..

H-haah.. Grinding on me.. You're even hornier than I am, aren't you?

Nnnn.. your body's so nice.. Your skin feels so soft. You're seriously.. ah.. **(soft breaths)**

keep- keep grinding on me baby..

It feels so good.. Hah...

Not used to feeling this good.. Makes me want so much more of you.. Can I please.. Touch you here?

Ah..! That little gasp was so cute.. Please, lemme touch you more.... I Wanna feel you..

(Soft groan as the listener gives him permission) Shit, thanks babe.. I promise I'll make you feel super amazing, alright?

(He starts to touch the listener)

Haaaah.. Oh wow.. How's that feel?? Too much..? I'll be gentle with you, alright?

That's it just- nn... Just sit nice and still, I'll make you feel good...

(Gentle breaths as he touches the listener for a while)

.. ohh.. your thighs are shaking, is it too much? Mmn.. feels good? Nnn.. good, baby...

(Gentle breaths)

Nnn.. Shhh... Don't go getting us caught, now~

(He keeps touching the listener, silence for a couple seconds)

H..hey.. Could I..? Uh.. Slip a finger inside you? Or is that too much?

You look so flustered and you feel so soft and warm and.. I wanna..

Please.. Let me take you...

(Excited breath) Yeah..? Oh shit, babe thank you so much.. I'll take such good care of you.

Just relax, I got you baby.. Open up your thighs a little more..

(Soft whisper) Perfect... Okay, alright.. Gonna slip a finger inside you, please lemme know if you want me to stop got it? If you're not comfy, I wont keep going.

Hey, babe.. Look at me alright? I got you. And I'm gonna take super good care of you.

(Gentle kiss) .. Alright. Now.. Relax for me.

(He touches them gently for a moment, before softly inserting a finger) nnn... how's that? You okay? You got.. Really tight around my finger when I pushed it in..

You're kinda shaky, are you turned on baby..? **(softer voice)** You *feel* like you're really turned on.. **(gentle chuckle)** nnn...

God your voice is so cute.. But shhhh, shh.. Here.. kiss me... **(Lean into the kiss as he says this next line)** I'll muffle that sweet voice of yours so nobody hears us~ **(he pressed his lips against theirs and kisses them as he moves his finger in and out at a slow, gentle pace at first)**

(Between deep kisses) Mmn.. So.. perfect.. Rolling your hips on me like that.. You like feeling my finger inside you?

(Pulls away)

(Soft chuckle, sweet tone) You're so cute, I can't take it... You get so, nn... angry with me whenever I try to be affectionate with you, but yet.. Hah.. Look at you now. You're a moaning mess, all hot and bothered just from a finger inside you..

So warm and.. Needy.. Hah.. Please, lemme put a second finger in? Nnn..

Okay.. okay... ah..

Shhhhh shh shh, baby... It's okay, it's okay... Is it too much?

Is it good? Good... Your reactions are so cute.. You make it so hard to control myself, I won't lie to you.. I really.. Nn.. Here.. I'm gonna take my fingers out for now. I don't wanna end up driving you too crazy..!

Ah..?

Heh.. I'm sorry, I know you can feel it poking you.. **(Nervous chuckle)** I guess I can't hold back anymore.. Nn..

(Honest, but slightly shy tone) H..Hey. Can I ask you something? .. Do you think? I mean, I don't have any uhh.. Protection I guess but.. Can I go a little further with you?

I promise I won't come inside you or anything like that but.. Can I put it in you baby..?

(He waits patiently for the listener's answer)

Ahh- sweet..! Okay, oh man.. Here.. Turn around and press your back to my chest alright?

There.. Perfect. **(gentle, shaky breath)** .. That's it. Okay..

I'm just gonna hold onto your thighs and.. Hah.. M'gonna spread open your pretty legs.. It's okay, you can lean your back against me, I got you.

Alright.. Are you ready? I'm gonna sink in super slow, and you can tell me if it hurts. I'll stop, I promise.. The second you want me to- **(listener tells him to hurry)** Nn!

Okay, okay, I'll hurry! **(Chuckle)** Alright, here it.. **(he gently pushes the tip inside, with a gentle gasp)** goes....

I'm in, oh man I'm.. Nn, you okay?? Can.. Can I lower you down on my cock a little baby? I'll go nice and slow...

(He lowers the listener down onto him a little more) Ahhhh fuck...! Ohh.. You're clenching so hard around me, it's crazy...

So.. tight... Hah... You still alright..?

Ahh.. hnn..- I'm.. All the way in now.. You're handling it so well, babe..! So perfect...

(gentle kiss against the side of the listener's head) Mmmn.. nn.. Okay, all you have to do now is just relax for me, I got you... I'm gonna start to move now, just lemme know if you need me to stop okay?

(Gentle whisper) You're already doing so good... Taking me like that so well. Ahh, babe..

(He starts to lower them up and down on his cock, his breath hitching a little. He starts to groan softly, panting in the listeners ear as he fucks them.)

I- nn.. I never thought it'd feel like this.. Hah...

Like, I've seen videos and stuff- Nn..! Yeah, I know sorry! I just mean- ahhh.. It feels so much better when you're with someone you like a lot you know..?

(Groans/panting as he continues, his pace quickening only slightly)

That's it baby.. I, ah..! I don't care anymore, you can be as loud as you want.. Let that pretty voice out..

Nnngh- Tell me how good my cock feels inside you..

Ahhh- fuck..! That's.. That's so lewd, babe..! Nnngh-

Please.. Keep saying that stuff, keep using that pretty voice... I love it so much...

(He heeps moaning, panting for a while as he continues to fuck them a little harder now)

I can't.. I can't hold on that long, you feel so good...

NGH- H-hey, okay.. I promise, I won't come yet.. Ahh babe.. Touching yourself while I fuck you like that? That's so hot...

I'm so attracted to you, I can't handle it... nnggh.. Babe, You're so tight.. Squeezing me like that... ahh..

(Moaning/panting/ He's close now)

I- .. I can't..! I'm so sorry, I can't.. **(His moaning picks up and he suddenly orgasms, accidentally cumming inside)** ah.. Ah.. Shit..! shit- oh no...

.... I'm so sorry-

(The listener just slowly gets up, turns around, and hugs onto him tiredly, without a word)

Ah- Wait where are you-?

Nn.. I.. Can't tell if you're hugging me or.. Trying to squeeze me to death for that-

Hah... Shit.. I didn't mean to uh.. Come inside, m'sorry babe...

Mnn... **(gentle breaths, he rubs his hand up and down the listener's back)** .. It felt really good, though. Like.. I loved every single second of that.. **(gentle)** of *you*..

(Satisfied hum, a smile on his face) .. Let's just stay like this for a bit longer alright? Wanna hold you like this for a bit.

(They sit there for a little bit under the stars, holding each other as he breathes softly) .. Hey, I dunno if it's too early to say this kind of thing but.. I really do care about you a lot.

Getting to experience that with you.. Hah.. My heart's still racing like crazy.

We've been sorta.. Hiding things you know? Why don't we try maybe.. Being a little more open about us? See how it goes..?

Cause you make me so happy. Being alone with you makes me feel on top of the world because.. We get to be open about how we feel about each other, without worrying about how everyone else will act.

(gentle hum, satisfied and soft) .. Hah.. let's stay out here for just a little longer alright? We'll go sleep soon. I'm just not ready to say goodbye to you yet.

Ahh I know we'll see each other tomorrow! I just.. Wanna make this night last a little longer.

(Gentle chuckle) .. Let's do this every night from now on, kay? And uh.. Hopefully never get caught.~

(the audio fades out then slowly)
