

"Jingle Bell~
Jingle Bell~"

And then to a
brand new year~

All set! Now let's wait for everyone to come!

Come on! It's Christmas!

Ugh.. I don't like this day.. the bell..

Hm..? You did?
Your turn?

Alright. I gave you
time to prepare,
my turn now.

"Take control of
you and find
some meat!"

Well, Christmas with a meal full of meat.. Hehe..

"Uh.. Hello? I'm not going to let you ruin this day."

Wha--!? I can't
move your body!

"Don't you ever
underestimate
this Futaba!"

"I prepare some snacks, you can take a slice of it."

Ughhh.. What is this? Smell bad.

"It's a cake and use a spoon to eat it, please!"

"If this food not good, I will go get some meat!"

"If not, you are free to."

A character with purple hair and glasses, wearing a dark blue tactical vest with multiple pouches and a blue sash, stands in a hallway. She is looking down and has her right hand raised, with the letters 'M' and 'M' written on it. A speech bubble above her contains the text: "Excuse me. Is this Futaba's house?". In the bottom left corner, there is a circular inset showing a smaller version of the character with blonde hair and cat ears, making a peace sign.

Excuse me. Is this Futaba's house?

Om.. Nom.. Uhm..
This is so good!
Uhm.. Uhm~

Gulp..

"It's the Captain of Rogue Squad.."

"Can't you just invite normal people at least!?"

"Okay. You take care of this."

Wait! Hey!!

It's not like what you think.. Uhm.. I was really hungry!

I see.. Well.. I forgot my camera, have to go back and.. you know..

Let me explain!!
Please!!

You..!! No meat
for later on!

You handle it
very well.

Yo-you..
are..?

I know how to
deal with that
creature.

I'm a scientist.

May I meet him,
please?

There's only me
here.. Who are
you talking about?

If you are in her body, I'm your neighbor.

We are the same kind..

Is this enough
to convince you?

Ho? I don't know
that I have friend.

"Wha!? When
did you take
over me!?"

Let's turn this into our Christmas.

Heh. Sound fun to me. What should we do?

So.. this is what you mean.

Hm.. You are not Futaba I know, right?

A Succubus? Can't you invite someone more normal?

Don't ask me.
Futuba invited
them, not me.

Hm~ Your body
looks delicious~

Don't try anything funny. I don't want to ruin this day.

No, I just want
to try on different host.

If it a living host,
I can still easily
parasited in.

This Succubus also
a great body to me.

"Well.. I can still
talking. Now I
understand how
it happened."

You look good
in this form.

"Uhh.. Can we
stop this now?"

Hm? Any problem with it, Futaba?

"We are letting our guest wait.."

"..I think she is out of patient.."

Merry
Christmas!

Merry
Christmas!
Cheese!

Wish you will have a great holiday.

You are really annoying..

MERRY CHRISTMAS!!
