

GAVIN GLORYCHASE

"Come one, come all! Come see the magnificent me!"

Personality Traits. Gavin is a loud, audacious, and goofy 10-year-old performer. He shows wisdom beyond his years and has a silver tongue. Despite being seemingly on his own, he seems to be well off.

Ideals. This is my time! I control my future!

Fears. Getting old.

Quirks. Oggles older women.

Secret. Gavin is actually a 30-year-old powerful sorcerer whose inner wild magics caused him to grow 20 years younger when a spell went awry. He's taken this second chance at life to pursue his dreams of becoming a performer and musician, as opposed to the life of books and learning that his parents set him on from a young age.
