    G                         Em
Old Pirates, yes, they rob I.
     C         G/B       Am
Sold I to the merchant ships
G                   Em      C         G/B         Am
minutes after they took I   from the bottomless pit.
        G           Em
But my hand was made strong
```

```
C         G/B                Am
By the hand of the Almighty.
    G                    Em     C   G       D
We forward in this generation triumphantly.

[Chorus]
                      G     C       D         G
Won't you help to sing    these songs of freedom?
        C      D      Em   C  D      Em       C
Cause all I ever had,      redemption songs,
   D       G        C D
redemption songs.

[Verse]
     G                           Em
Emancipate yourselves from mental slavery,
           C         G           Am
None but ourselves can free our minds.
      G                         Em
Have no fear for atomic energy,
           C         G           D
Cause none of them can stop the time.
   G                      Em
How long shall they kill our prophets
        C      G          Am
While we stand aside and look?
        G               Em
Ooh, some say it's just a part of it.
      C         Am          D
We've got to fulfill the book.
