Oh My God!

Betty! What did you do to your hair?

You like?

It's...
UMMMM...

Interesting...

Some charity convinced me to cut it all off a few months ago.

It's been great PR for this show I'm running, so I've been keeping it short.

I kinda miss it though. Some days I wish I still had the long hair.

HEY
GUYS

Hey
Marcus

HEY!
MARCUS, HOW'S THE MY
FAVORITE NIGHT CLUB
MANAGER?

CAN'T COMPLAIN...
IT'S BEEN PRETTY
SWEET.

HO HO HO!

So tell me more

HEARD ANYTHING FROM
NICK?

LAST I HEARD, HE WAS
HEADING OUT WEST TO BE A

Nah, he told me that dream
dried up within a year.

Last I heard, he
was interning at some
Ad Agency

REALLY? I
THOUGHT HE QUIT
THAT--

Enough about
Nick!

We can just ask him
when he gets
here.

I say enough of
the small and

DECEMBER 24, 6:00

A woman with dark hair, wearing a red lace dress, stands in a kitchen. She is holding two bottles of alcohol, one in each hand, and has a wide, enthusiastic smile. The kitchen features wooden cabinets, a granite countertop, and a sink with a faucet. In the background, there are several bottles of alcohol and a row of white martini glasses on the counter. A speech bubble with a black outline and light blue fill is positioned above her head, containing the text "Do some Shots!".
