

The audio starts with a soft room tone, and the sound of Bakugou and Deku snoring softly.

Bakugou: (Sleepily waking up) Mn..

... Huh..

Shit, how the hell did I manage to fall asleep after the power got cut..?

.. Hey.. You okay? ...**(sigh)** Good.

...Wait. You're here, and Deku's here..

Where's Icy Hot and Kirishima?

Hey..! Guys, where the hell did you go?

Deku: (Stirs awake because of Bakugou's yelling) Mn...

(Sleepy but concerned) Huh? Is everything okay?

Bakugou: No you damn nerd, We fell asleep and Kirishima and Icy Hot are gone.

Deku: Wait.. what?? M-maybe they just went to use the bathroom and didn't want to go alone..

Bakugou: Gh- I don't trust this place enough to think that even for a second. Come on, both of you. Up.

(Worried) We gotta find them.

(Suddenly, footsteps start approaching)

Bakugou: Shit... Someone's coming..

Deku: H-hello..?? Who's there?

Kacchan- grab a flashlight..!

Bakugou: Got it-

(He flicks it on and starts looking for the source of the footsteps)

How is it still so dark out..? Shouldn't there be daylight by now..?!

Gh.. Show yourself..!

.. huh..?

Deku: ... Kirishima?

Bakugou: Kirishima?

...

Kirishima: Mmn. Hey. What's wrong?

Bakugou: What the hell do you mean 'what's wrong?' Where's Todoroki?

Kirishima: .. Huh? Todoroki... Hm.. He's not with you guys?

Deku: No.. We woke up and you and him were gone.. Um. Are you okay, Kirishima?

You look a little... um..

Kirishima: I'm feeling great. Why wouldn't I be fine?

Bakugou: ... The hell..? Where did you even go?

Kirishima: Where did I..? Oh. Um.. Bathroom.

Deku: Did.. Todoroki go with you?

Kirishima: Nope. He was here when I left.

(Tense silence)

Bakugou: Ch.. Alright, screw this. We're not losing Icy hot too. Deku, come with me, we're gonna check the house.

(Frustrated, under his breath) The bastard better be in here...

Deku: Um.. Okay!

Hey.. We'll be right back alright?

Kirishima, you stay with them okay? We won't be long! Just have to see if Todoroki's still in the house..

Bakugou: Hurry up!

Deku: Coming..!

(Deku scurries off after Bakugou, leaving the listener and Kirishima in silence)

Kirishima: Walks up and sits next to the listener) Ahh.. Hey.

How you holding up?

... mm.. Gotcha.

All this stuff is definitely creepy... I hope they can find Todoroki. Would be a shame if we lost two people...

.. Huh? Am I okay?

Hah, of course I'm okay. Guess I'm just trying to stay as positive as I can... There's no use in being scared.

(Silence for a bit)

.. Hm.. man... I'm so... hungry... hah.

Haven't eaten in a while.. Starving..

.... You know, I've never noticed how nice you smell until now for some reason...

Bakugou: He's not here.. Damn it!

Deku: guys.. What should we do..? We can't just let our friends get taken like this..! We have to do something.. Todoroki's not inside, maybe we should look outside...

Kirishima: You wanna go back out there?

Bakugou: Gh... We have to.

Deku: What kind of heroes are we if we keep waiting for daylight to save our friends? We have to go now.. They might not have until daylight-

Bakugou: Hold on...

(Bakugou looks at his phone)

Bakugou: Wait.. What..?

Deku: What's wrong, Kacchan?

Bakugou: .. It's.. it's 9am. Wh.. Why's it still night?

Deku: .. What? Maybe your phones just.. Acting weird.. Lemme check mine..

.... Oh god. What's happening..?

How is this even possible..?

Kirishima: Mn.. What should we do..?

Deku: We need to go look for the others.. I don't know what else we even can do right now, other than go do our best to get them back.. I won't let my friends get hurt..

Bakugou: Come on then. We got our quirks. We can take care of whatever's out there. Let's go get them back.

Kirishima: Yeah.. Yeah, okay.

Deku: Kirishima.. Are you sure you're alright?

Kirishima: Why wouldn't I be? I'm fine. Let's go find the others and bring them back.

Bakugou: ... tch. You look sick or something. You good to fight, shitty hair?

Kirishima: (Snappier than he should be) I'm *fine*, Bakugou. Don't look down on me.

(Tense silence)

Deku: .. Um.. I think we're all having a hard time right now.. It's alright, Kirishima. No need to get frustrated..

Kirishima: God, I'm sorry guys.... I'm Just... Sooo.. Hungry..

Bakugou: (Slight hurt in his voice from being yelled at by Kiri) The hell, Kirishima... Stop thinking about food at a time like this..

Now.. come on. All of you.

(The front door opens, and they step back outside)

Deku: (Shaky sigh) Okay. Alright. No matter what happens out in those woods, we have to stick together.

Bakugou: Mm. Don't tell me that like I don't know, Deku.

...

Hey. You.

... Tch.. Look at me.

Come on. Look at me.

I get this whole.. Stupid situation is scary or whatever. But come on. You gotta be brave.

Deku: .. Hey.. We won't let anything happen to you, alright? We'll all protect each other. We won't let anyone else go missing...

Bakugou: Gh.. We'll get Kaminari and Todoroki back. Now come on. You can be strong.. Just stay close to everyone.

(Sigh) .. Deku. If we ever need to split up for any reason, make sure no one's alone. We split in groups if we have to.

Deku: Right..

Bakugou: And shitty hair..

Kirishima: mm..?

Bakugou: You're being quiet as hell. You good?

Kirishima: I told you, I'm fine Bakugou. Stop worrying over nothing. Let's go find our friends.

Bakugou: ... **(Unsure little growl)** .. Stand still.

Kirishima: Huh.. why-

Bakugou: I'm feeling your forehead, dumbass.

... You're burning up, Kirishima. The hells going on with you?

Kirishima: ... mm.. Bakugou.. You smell good..

Bakugou: ... What the actual hell-

Kirishima: Like caramel...

Deku: .. Um.. Kirishima..?

Are you sure you're.. Feeling alright?

Kirishima: **(A little unnerving)** Never better, Midoriya.

Deku: O.. okay.....

Hey uh.. Yeah, we should probably go now..

Bakugou:(Weirded out) Uh.. Yeah. .. Let's.. Let's go.

Everyone, stay close. And shitty hair? Don't smell me, you weirdo...

(They start walking into the woods, and everything seems fine)

Deku: (Soft, nervous) Okay.. So I think our best bet is to just.. Follow where we last heard Kaminari.. So let's just keep going this way, and maybe we can find wherever he was taken...

So let's.. Keep..

Bakugou: Deku.. Shh.

Deku: (Whisper) What is it, Kacchan?

Bakugou: I.. thought I heard something.

Deku: .. Hm?

Bakugou: Just.. don't move. Listen.

Kami: (Muffled, distant) H..help.. Me...

Deku: (Gasp) Kaminari!! That was his voice!

(Deku takes off running)

Bakugou: Deku, you idiot! Don't run off! Damn it.. Come on, don't lose Deku!

(They run after him)

Deku: Kaminari! We're coming!

Kaminari: (The exact same tone) H... help... Me...

Bakugou: Hold up.. Hold up! Stop!

(They stop running)

Deku: What..? What's wrong? He sounds like he's right up ahead-

Bakugou: Can't you hear that? Just.. shut up and listen.

Kaminari: (Same exact tone) H.. help me...

Bakugou: It's the same tone. It's like his voice is being played on loop.

Deku: O..oh my god.. Oh my god.. It's a trap. **(Whisper)** Wendigo's are said to use the voices.. Of.. their prey.. To lure in others...

...

Deku: Woah.. Kirishima.. Um.. You're looking a little..

Kirishima: Ngh!

(Kirishima suddenly tackles Bakugou to the ground)

Bakugou: What the- Kirishima! Get off of me..! Gh..! What are you-

Kirishima: Just one bite.. Just one bite...

Deku: Kirishima..! Get off of him!

Bakugou: (Pained yell)

Kirishima: (Growling)

(Finally the struggle stops)

Bakugou: (Panting) ... You bit me..

Kirishima: .. B..Bakugou, I'm so sorry.. I.. I don't know what's wrong with me..

What's happening..?

Deku: .. Kirishima..

Bakugou: .. Gh.. Screw this.. Screw all of this! Go wait at the cabin, Kirishima.

Deku: W..wait, we can't just make him go off on his own, Kacchan..

Bakugou: He tried to.. I don't know, eat me?? So yeah, he needs to go.

Kirishima: No, he's right.. I'll go. I'll go right back to the cabin, I'll be fine.

Deku: Wait..

Kirishima: No.. No, it's fine. Don't worry...

Deku: No! Kirishima.. Stay. We can't afford to lose you too.

Kirishima: I don't want to hurt anyone.. I really don't.. I don't know what's wrong with me..

Bakugou: Tch... No. Deku's right. I'm.. I'm sorry. Something's obviously going on with you, but either way.. We're not gonna leave you behind.

Deku: Kacchan? Why're you taking off your belt?

Bakugou: To tie up his hands.

Deku: Oh... oh right..

(Bakugou binds Kirishima's hands up)

Kirishima: Bakugou, I'm seriously sorry.. I don't know what came over me.

Bakugou: It's fine. Now just... shut up.. We gotta keep moving.

Deku: I.. I think I know what's happening to Kirishima.. If what I read was right...

(whisper) Wendigos... It's said that when they're around, they can influence people to.. Um.. have intense hunger... and greed.. And um.. And urge to eat-

Bakugou: How do we fix him then..?

Deku: We have to um.. Get rid of the wendigo..

Bakugou: Kill it? .. And how do we do that huh?

Deku: Silver.. And there's these specific symbols as well that can protect you from it.. I don't remember much, I found it to be kind of interesting.. So I read a lot about it just out of curiosity..

But still.. I never expected it to be real.

(The wendigo calls out, and it sounds VERY close)

Deku: Oh no.. it sounds so close-

Bakugou: (Gritted teeth) Get down.. Now. And don't. Speak.

(The wendigo is getting closer, you can hear its footsteps approaching)

Deku: (shaky, terrified) shhh....

Bakugou: (Angry whisper) Kirishima.. What are you doing? Get back here.. What the hell..?!

Deku: Kirishima wait..! Why are you walking towards the sound! No wait-

Kirishima: Gh.. hah.. I just... wanna see it... Wanna.. go home..

Bakugou: ... Kirishima..! Now isn't the time for your crazy bullsh- ...

(Pause, then intense whisper) .. Don't move, shitty hair.. It's.. it's right in front of you..

W-wait.. Hey..! You.. where do you think you're going? No, I'm not letting you run off too.. Gh..!

Deku: No, don't!!

(The wendigo is about to attack, but the listener runs out in front of Kiri)

Bakugou: They're getting in front of Kirishima!! They're gonna get-

(Tense silence, and the wendigo growls and starts to slowly back away)

Deku: It's... it's backing away... Why did it stop it's attack..?

Bakugou: Gh.. Now's our chance! DIE, DAMNIT!

(Bakugou attacks the wendigo with his quirk, and it lets out a scream)

Deku: Ah- I'll use Blackwhip..! I'll restrain it!!

Bakugou: Silver..! Does anyone have silver?!

Deku: I- I don't..!

Wait.. You... You have something?!.. You have a knife? I'm not even going to ask-

Bakugou: Hey! Give me it, hurry!

Toss it to me!

Gah-

Die you wendigo bastard!!!

(Bakugou stabs the wendigo, and it cries out and thrashes, before falling still)

Bakugou: (Panting)

Deku: (Panting)

(Tense silence for a while)

Bakugou: I think.. I think I got it.

(Shaky sigh)

Deku... you can release your dumb blackwhip now.

Deku: r..right.. Okay..

Kirishima: (Pained whimper, before he collapses)

Bakugou: Kirishima..! Shit..

(Bakugou moves to Kirishima's side)

He passed out...

But he's okay. I think whatever curse that had him is gone now. I think.. I think it's gonna be okay.

Deku: Okay.. alright..

Bakugou: Gh... and *you*.

(Bakugou angrily stomps up to the listener)

Why the hell would you jump in front of Kirishima like that? You could have been killed!

... Ch.. I get it, you wanna protect everyone. But.. shit. I just... I wouldn't be able to live with myself if you got hurt.

Deku: Kacchan...

Bakugou: Look.. it's over now. That's all that matters. We got it. It's gone...

But... Why the hell did it stop attacking the second they jumped in?

Wait... Hold on. That shitty necklace Spark plug gave you, let me see it.

(The listener hands over the necklace)

... It's got a weird symbol on it. Deku, is this some kind of weird protection thing?

Deku: ... I did read something about there being symbols that can protect you from the wendigo...

You said that Kaminari gave this to them..?

Bakugou: Yeah.. he said he found it lying around or something. Shit... it really came in handy, I guess...

(sigh) ..

Alright. Here's your necklace back.. Keep it on.

I'll carry Kirishima. Let's.. Get back to the cabin. I.. I think I got an idea.

Deku: An idea..?

Bakugou: Yeah. It's.. worth a shot. So.. come on.

Hup.. **(Picks up Kirishima)** Alright. Got shitty hair. Let's go.

Deku: Okay. Alright.. Let's go.

(They start walking back to the cabin)

Deku: Hey... You're so brave, you know that right? As much as I was worried when you jumped in front of Kirishima... I couldn't help but to admire you.

I guess.. Hah. It sort of made me remember why I became a hero.

Whenever someone's in danger.. It's like my legs move on their own.

So.. to me, that makes you an amazing hero.

Bakugou: Shitty hair better be back to normal... I don't feel like dealing with someone who's got shark teeth trying to eat me.

Deku: Um.. about that.. Is your shoulder okay?

Bakugou: Ugh.. yeah. It's fine. It's not like he bit me that hard.

How the hell is this even real. Damn... A wendigo? A curse..? How is this not a nightmare?

Deku: Hah... yeah.. I feel a little safer now that we took it down...

We just need to find the others now...

Bakugou: Mn. That's why we're going back to the cabin.

I think.. There's somewhere we need to check.

You said the hatch was open when you, Deku and Todoroki went into the cabin right?

And that was after sparky got taken.

Deku: Right...

Bakugou: Then icy hot goes missing while we're asleep?

Deku: So.. You think they're inside the hatch?

Bakugou: Can't hurt to check. So.. We're gonna check.

Deku: ... Right.. Yeah, okay.

Well.. There's the cabin.

(They walk up and into the cabin)

Bakugou: Come on. It's in Icy hot's room, right?

Deku: Yeah.. It's just down the hall.

(They walk down the hall and into the room)

Bakugou: I'm gonna lay Kirishima on the bed. Someone should stay with him, and then two of us should go down into the hatch.

Deku: I'll stay with Kirishima. If either of you need any of my help, please just.. Yell or something.

Bakugou: Tch.. You think I need any of your help, Deku? You hit your head out in the woods or something? I got this.

Deku: (small laugh) .. Okay. Please.. Be safe, you two.

Bakugou: Come on. Stay behind me, alright?

(he opens up the hatch)

Okay. Let's go.

(They walk down the dark stairs)

Still got this flashlight at least... It's pitch black down here.

Ugh.. smells like shit.

.. It's like this place is a thousand years old... Shit. Look at all the dust.

Gah... Just.. Stay close to me.

(They keep walking)

It's.. just a long.. Narrow hallway..

Well.. Come on.

(They keep walking down the hall)

Spark plug? Icy hot? You down here..?

...

Kami: **(Distant laugh)**

Bakugou: Wait.. the hell? Did you hear that? That was Kaminari, right?

Was he.. Laughing?

... Dunce face..! You there?

(silence)

I.. I think it came from that door at the end of the hallway. Come on.

(They walk to the door)

Alright... I'm gonna open it on the count of three.

.. Hey. Look at me. It'll be okay. Whatever's on the other side of this door... I won't let anything touch you.

Got that? ... Ch.. You trust me, right?

... You better. Now, get ready.

Three..... Two.... One! Hah!

(He opens up the door, to see Todoroki and Kaminari just watching a movie)

Bakugou: .. Huh..??

Kami: Oop..! ... Oh hey, It's Kacchan! Pause the movie, Roki~

Todoroki: (Pauses the movie) Hey. Wanna come vibe with us?

Bakugou: ... The hell..?

Kami: Took you long enough! I was getting kinda bored in here.

Bakugou: W..wait what..?! What do you mean? Didn't you get snatched by something in the woods?!

And.. and you, Icy Hot.. You disappeared earlier!! The hell's going on?!

Nezu: (His voice starts coming over a speaker) Hello, Students of class A!! It's me, principal Nezu! You've completed the test!

Bakugou: Wh.. WHAT?! What test??

Nezu: The paranormal experience test! We thought it would be beneficial to our students to undergo an assessment that best suits the month of October!

Instead of villains, we utilized one of our students' quirks in order to create monsters and paranormal events to see how you'd all handle them.

I'm very pleased to say that you've all passed the exam with flying colors! Your teamwork and reactions were all very commendable.

Bakugou: (Through clenched teeth) I'm... going.. To drop out of this shitty school.. I swear...

Kami: Hah, cool it, Bakugou! Look~ I'm okay! Although.. The fact that they used the cat from the scary story I told to capture me was kind of mean...

Liiike maybe we could have been warned that this was a test and not a vacation! .. Cause I'm kinda traumatized now, not gonna lie..

Todoroki: I'm just glad this is over.

Bakugou: ... I.. the hell even happened to you, Icy hot..?

Todoroki: I'm not really sure. I woke up to something dropping me into the hatch and closing it.

Kami: Well dang.. You good, roki?

Todoroki: Mm. I'm fine. I landed on my butt and it hurt a little-

Bakugou: Oh for the love of- You think I care about your butt, Icy Hot?! I'm leaving. I'm DONE WITH THIS STUPID SCHOOL!

Deku: Kacchan..? Are you okay? I heard you yelling-

.. Kaminari?? Todoroki? Wait.. Are you guys all okay?

Hold on.. What *is* this room? Were you guys.. Watching a movie?

Kami: Hah, yeah! Took you guys long enough to finally come down the hatch.

Bakugou: It was all a damn test, Deku! All of it!

Deku: Wait what?

Kirishima: Ngh... Hey.. What's a test?

Deku: Kirishima..! I told you to stay laying down.. Are you feeling okay now?

Kirishima: I feel fine, don't worry. Mnn.. Wait.. Everyone's alright..!

Nezu: Congratulations to your entire team on passing the Paranormal events test! The bus is now outside in front of the cabin. You can all return back home to your dorms now!

Deku: ... You gotta be kidding me... All of this was a test..?!

Bakugou: I'm seriously done.

Kirishima: Wait.. No way. There's no way this was a test..! That's way too cruel..! I mean.. I literally went insane or something and tried to eat my best friend! How is that okay??

Deku: Yeah..! Principal Nezu, I.. I think this went a little too far with the Wendigo stuff..! Kirishima's right.. We all could have been badly hurt!

Nezu: .. What did you say? Wendigo? ..

...

Hold on a moment.

Bakugou: Tch... I just wanna get outta here already.. Hurry up, you overgrown rodent!!

Nezu: I just spoke to the student who's quirk we borrowed for this test.. She informed me that she never created anything called a Wendigo. In fact, she seemed to be unsure of what a Wendigo even is.

Deku: Wait... You guys didn't create that thing..? You know, the big creature with the antlers, the long limbs and the skull head..?! The thing that was making those horrifying sounds out in the woods..?

Nezu: Hmmm... We only created a couple monsters that were scattered around the woods outside. When we overheard Kaminari's story, we also improvised and created the cat that he described as well. Lastly, we were able to create sounds from around the house and from this hatch by using mechanical switches.

So... No. We never created anything called a wendigo.

Kami: Um... What's a wendigo anyway..?

Deku: ... We.. We should get on that bus now... Come on..

Kirishima: Yeah.. Don't gotta tell me twice..

Bakugou: I'm out.

Todoroki: Alright.. Let's get out of this place.

Kami: Guys what's a wendigo-?

Bakugou: Shut it, Duncce face!

Kami: Jeez..! So mean!

(They start walking back down the hall)

Deku: (Begins to ramble) So.. I guess that makes the whole .. messed up time thing make sense.. We must have been placed in some sort of simulation.. Which also makes that forcefield make sense too. That force field must have been someone's quirk... Same with those monsters, but.. If that wendigo wasn't created by them, that means that it was real..? So it actually cursed Kirishima and.. That necklace actually worked to keep it away-

Bakugou: Deku, if you don't stop rambling.. I'm gonna make you stop rambling.

(Growl) God I'm gonna fry that rat when we get back to UA...

Kirishima: Hah... You probably shouldn't do that to the principal, bro.

(sigh) ..well hey.. There's the bus. I'm.. really not gonna miss this place.

Kami: I reaaally just wanna go home and take a long bath...

Todoroki: I wonder if the rest of our class went through the same things we did at their cabins...

Deku: (Sigh) Probably... Starting to think all our school camping trips are going to end badly now...

Bakugou: Tch, move it extras.. I'm getting on the damn bus and getting the hell outta here.

Kami: Me too!

Deku: Yeah... Let's go.

(They get onto the bus and take their seats)

Kirishima: Um.. Bakugou, hey..

Bakugou: What do you want?

Kirishima: I'm really sorry for what happened earlier... I seriously don't understand what happened to me... I'm so sorry for biting you like that...

(mumble) It's kinda embarrassing that I even did that...

Bakugou: Deku said it was some sort of curse so.. It's fine. You didn't even hurt me, I'm not some wimp. I can take a bite.

Kirishima: Ahh.. um- Okay..! I'm glad.. Still kinda.. Extremely freaked out about that whole thing but.. At least we're getting out of here.

Deku: So.. You feel better now, Kirishima?

Kirishima: Yeah..! All good now. I don't have any urges to eat any of you anymore so that's a good sign, I guess..!

Kami: What the hell did I miss..? Seriously.. You guys wanna fill me in?

Todoroki: Me too..

Deku: Ahh.. A lot happened while you two were gone. Well.. You see-

Bakugou: We took down a wendigo, Kirishima tried to eat me, and then we found you idiots watching a damn movie in the basement like nothing happened. There, good enough explanation?

Kami: Uhm... wow. Okay. Well, that's kinda messed up. Now I don't really wanna be sitting next to Kiri.

Kirishima: Hey, I promise I'm fine now.

I think once you guys managed to take that thing down, the influence it had on me disappeared...

Bakugou: Can we just.. Stop talking about this already?

Deku: .. Um.. Yeah. We should just.. Relax now. We'll be back at the dorms safe and sound soon..

Oh..! Hey! I got cell service now.

Todoroki: Oh.. good.

(silence for a bit, until you can distantly hear the wendigo cry)

Deku: Did.. did you guys hear that?

Bakugou: Yeah... The hell? I thought I got that thing..!

Kami: W..wOAH HEY LOOK! What's that between the trees?!

Deku: **(Gasp)** That's it..! That's the wendigo!! How is it still alive??

Kirishima: There's no way..!

Kami: THAT'S what you guys fought?! OH hell no-

Deku: Hold on... let me just look something up..!

Oh.... Oh no...

Bakugou: What is it, nerd..?!

Deku: We.. We were supposed to burn it... after we took it down...

Kirishima: .. **(Gulp)** ...

Well.. we're never gonna come back here so.. We should be fine, right?

Deku: Yeah... I.. Yeah. We should be okay..! There's no way it'd follow us all the way back to the dorms... right?

Todoroki: .. Right.

Kami: I hate this. I'm gonna sue UA if I have a wendigo following me around forever-

Bakugou: Just... shut up! We're gonna be fine... Even if it does follow us, we'll just destroy it again.

You.. You still have that necklace.. So.. Keep it on.

Next time, we'll just make sure to burn it.

Deku: Right.. Yeah. Okay...

Kami: Wait.. Necklace? Hold on, that necklace I found and gave you actually helped???

Well damn! I'm really glad it came in handy... You better keep it on then Sparks!

Ahhh.. I'm sorry you guys went through so much though. Getting dragged away by a giant demon cat was terrible... but the fact that you guys had to face an ACTUAL monster that wasn't just someone's quirk..? Yikes...

(Sigh) ..

Kirishima: Yeah... I'm just happy everyone's okay. That's all that matters to me. I'd never, even forgive myself if any of you were hurt or.. Or worse.

Deku: Aww.. Kirishima..

Kirishima: ..You know what? We should go on an actual trip together sometime. You know, one that isn't cursed..

Bakugou: Psh! Like I'd ever go on a trip with you extras ever again after this!

Kami: It's not like it's our fault our whole trip was wack, man!

Deku: Kacchan..! Next summer.. How about we all go on a normal camping trip, far away from that place?

Bakugou: No!

Kirishima: Awww come on. We can go hiking~

Bakugou: Ugh... Maybe.

Todoroki: I think it would be fun, bestie.

Bakugou: I'm seriously.. Going to explode every last one of you.

Kirishima: (Laugh)

Kami: (Laugh)

Deku: (laugh)

Kami: .. You know what I just realized? .. We left all our freaking stuff back at the cabin-

(Whiny) Dang it..! My favorite pair of underwear...

Kirishima: Pfft- ... Uhh.. We can get you a new pair, buddy. I'm not risking my life going back there for your underwear.

Kami: (Sad sigh) Yeaah fine... (Mumbles) They had pikachu on them...

Deku: (Giggle) Let's all go shopping then tomorrow, to replace our stuff!

Bakugou: No.

Todoroki: Yes.

Bakugou: NO.

Todoroki: Yes-

Bakugou: I SAID NO

Todoroki: Oh, okay. Well I said yes.

Kami: Oh my god stop! What are you guys, like twelve?

You're coming, Kacchan whether you like it or not. You have stuff you gotta replace too right? So come on. Stop being a turd!

Bakugou: Leave me the hell alone! no!

Kami: (Long aggressive sigh) Kiiiiiii.. Work your magic.

Kirishima: (Soft laugh) ... Hey Bakugou, come onnn. I'll buy us all dinner if you come.

Bakugou: .. Tch. **(Angry mumble)** ... Only if we go to that spicy ramen place.

Kirishima: Hah! You got it man! All the spicy ramen that you can fit in your tummy is on me!

Bakugou: Fine, I'll go.

Deku: ... Kirishima is the Kacchan whisperer.. Gotta add that to my notes...

(The audio begins to fade out here as they banter)

Bakugou: Oh shut it, Deku! I'll come back there and blow you up!

Kami: That's what she said~!

Bakugou: Spark plug you're disgusting! Like i'd ever want that with the stupid nerd!

Kirishima: Cool it, man! (Laugh)

Todoroki: Let's just all calm down, fam

Deku: Okay.. Seriously, who is teaching Todoroki all these words?
