OOOOH, NOW WE'RE TALKING! YOUR SOLES ARE SO MUCH PINKER, SOFTER, AND MORE TICKLISH THAN HIS WERE!

SUCH A REACTION!

HAHA HAHA!! HA HA!

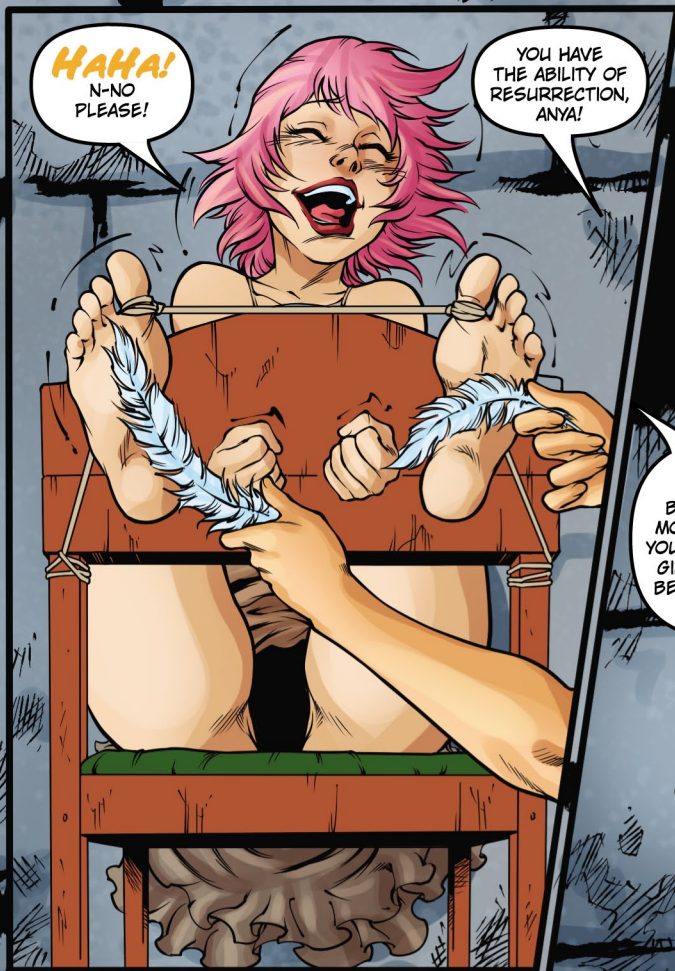

I NEED YOU TO AGREE TO HELP US RESURRECT OUR GODDESS...

...STACIA WALTON!

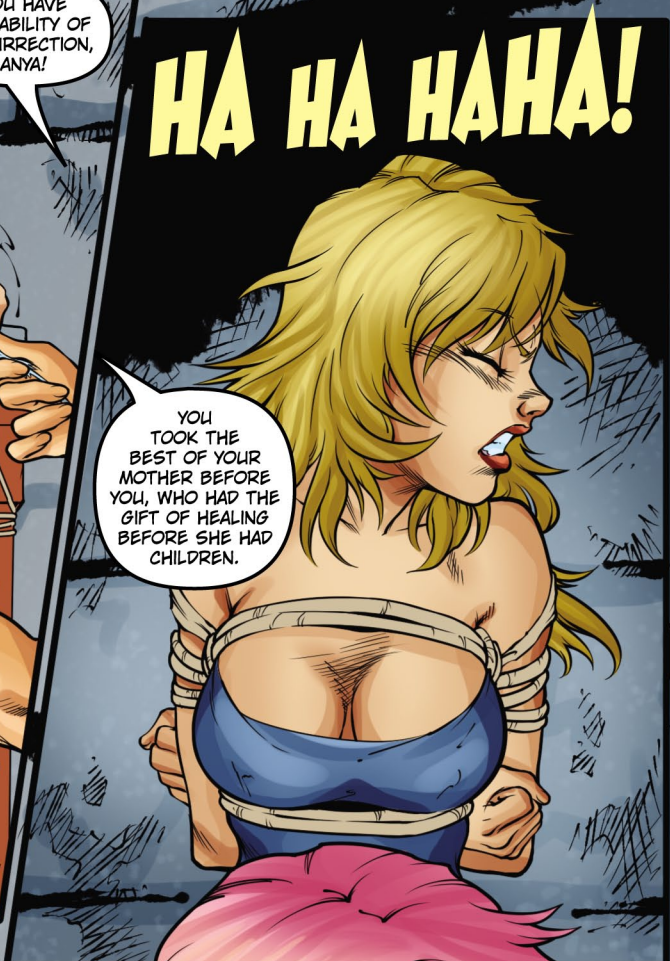

ALSO KNOWN AS:
THE RUTHLESS!

HA HA HA!

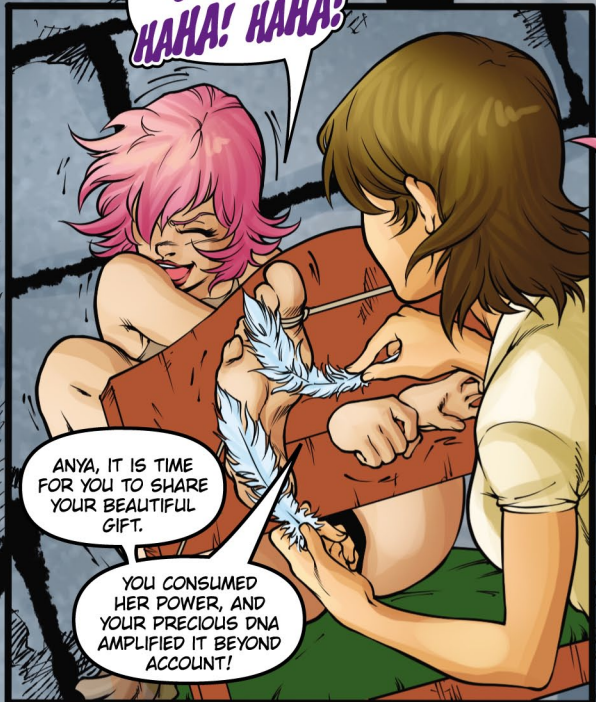

HAHA!
N-NO

YOU HAVE
THE ABILITY OF
RESURRECTION,
ANYA!

HA HA HAHA!

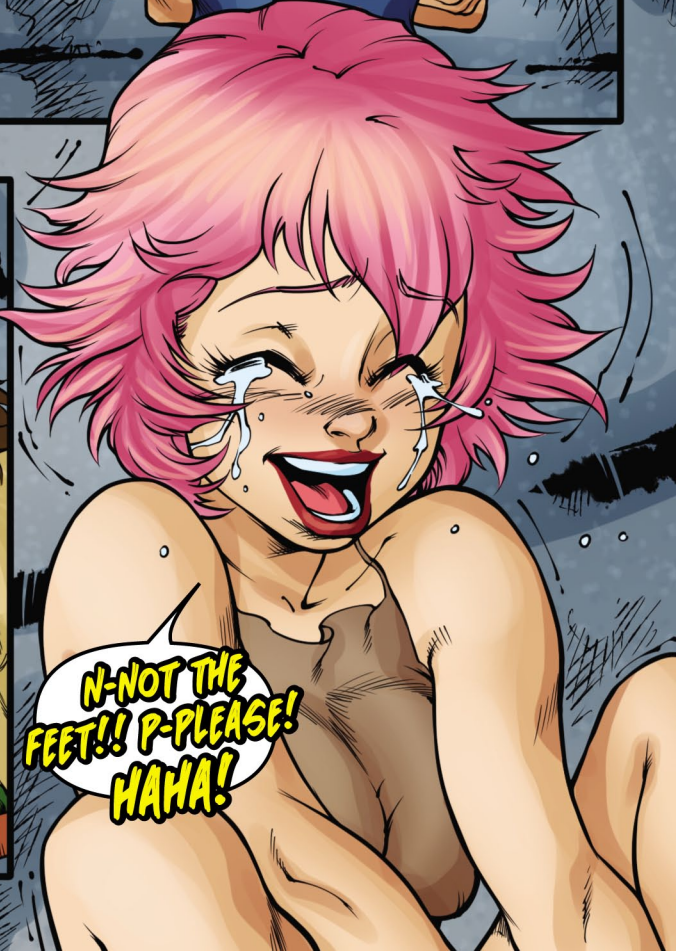

YOU
TOOK THE
BEST OF YOUR

GIFT OF HEALING
BEFORE SHE HAD
CHILDREN.

AND YET, I HAVE COME SO CLOSE TO FULFILLING MY DESTINY, AND YOU WON'T TALK!

MY PATIENCE IS AT AN END, ANYA. IF YOU DO NOT TALK, IF YOU REFUSE TO HELP US -

-GROAN-

- THEN IT'S LITTLE PINKY'S TURN.

HA HAAHA!

I S-SURRENDER!

HA! HA! HAHHA!

HA HAHA!

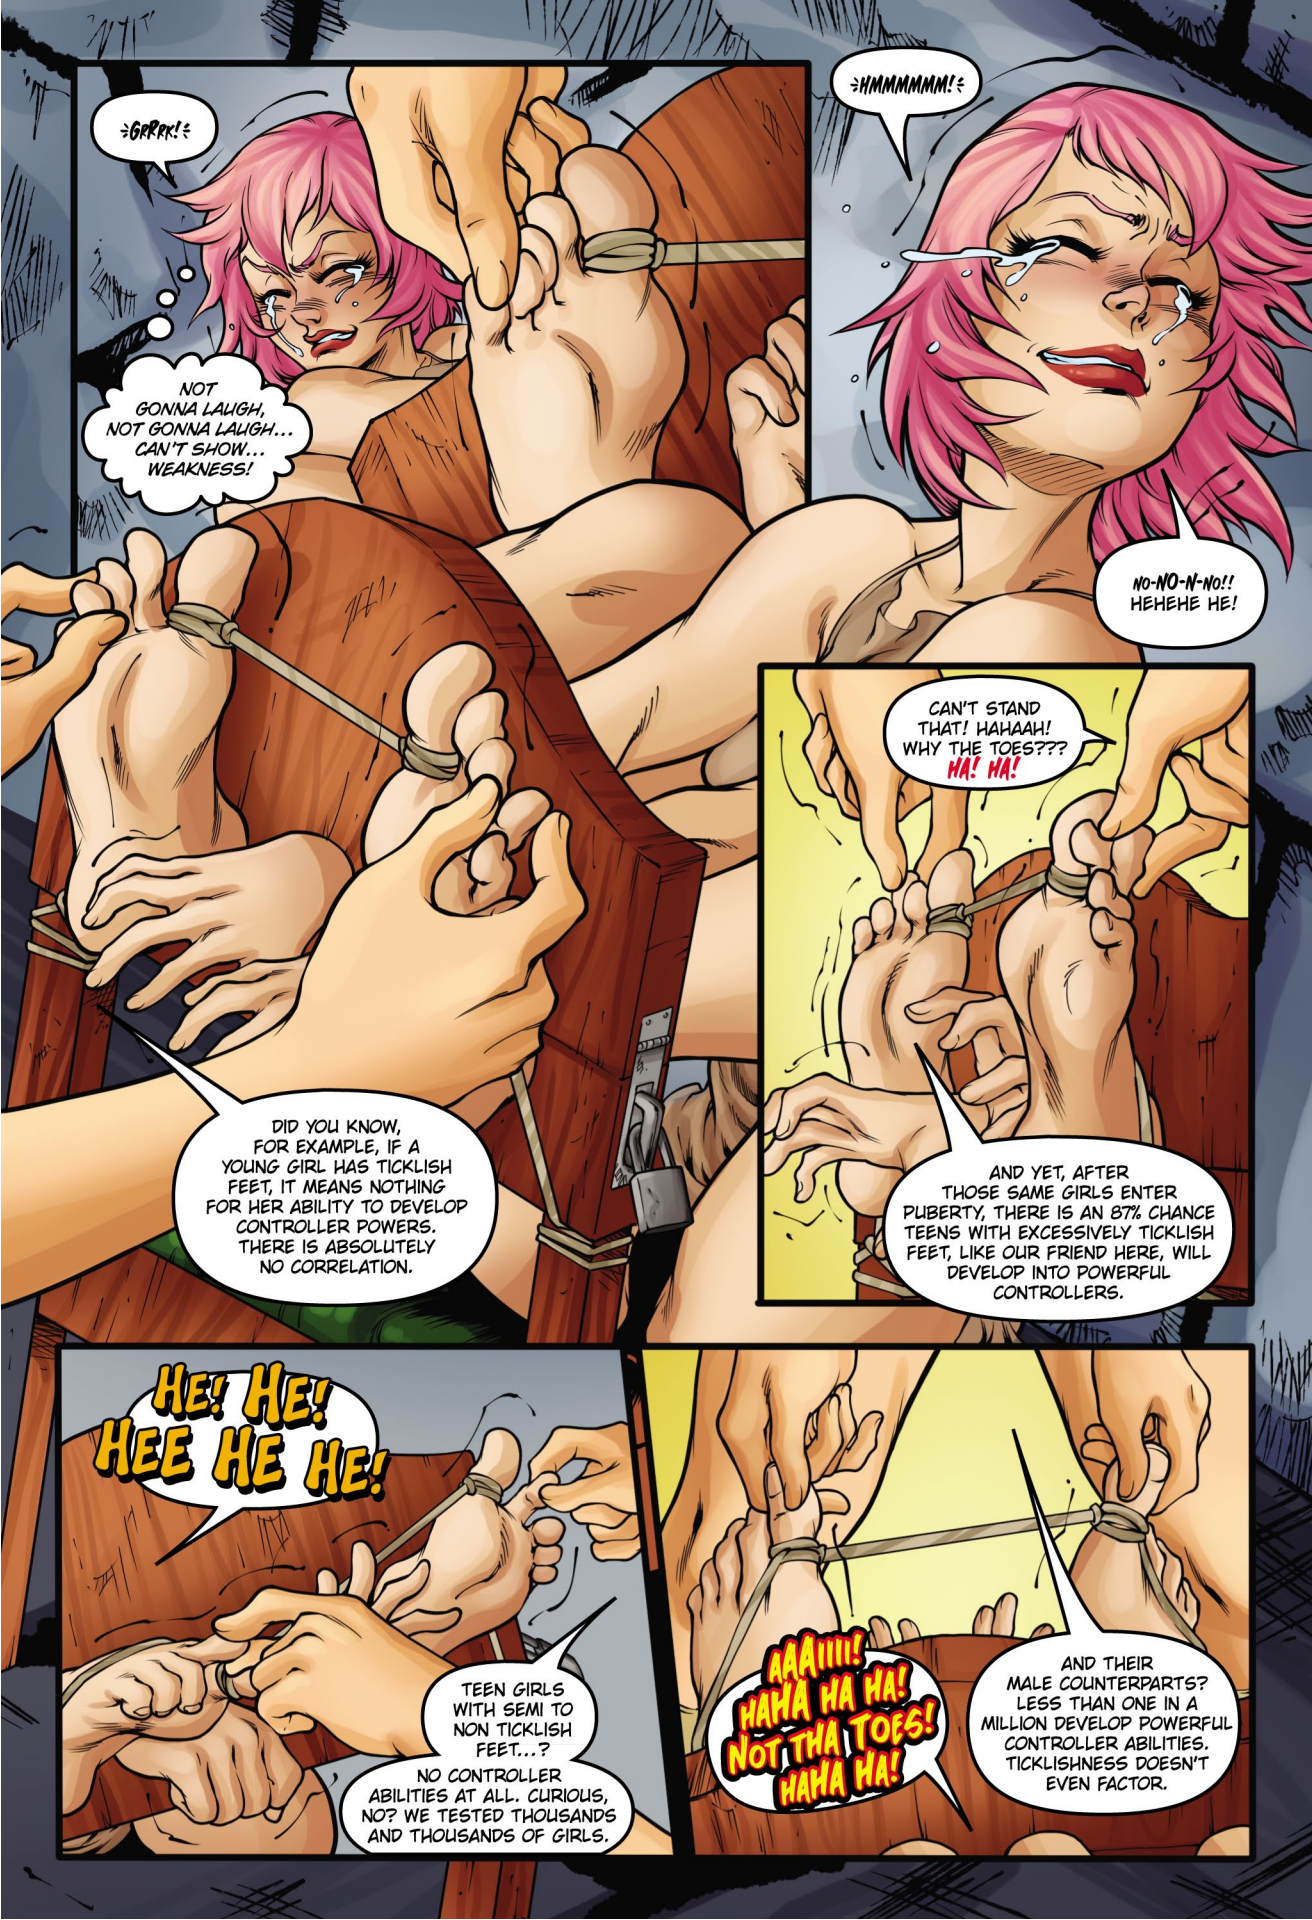

HA HA HA HA HA HA!

AND WHILE IT WOULDN'T TAKE MUCH MORE TO BREAK HER WITH SUCH TICKLISH FEET -

ERRRK! SPUTTER! HEE HEHEE HE!

- IT'S ABOUT TO GO FAR BEYOND THAT!

THROUGH YEARS OF CAREFUL RESEARCH, MADAME 16 HAS TAUGHT ME MORE ABOUT FEMALE ANATOMY AND CONTROLLERS THAN I EVER CARED TO KNOW.

GRRRK!<

NOT GONNA LAUGH, NOT GONNA LAUGH... CAN'T SHOW... WEAKNESS!

HMMMMMM!<

NO-NO-N-NO!! HEHEHE HE!

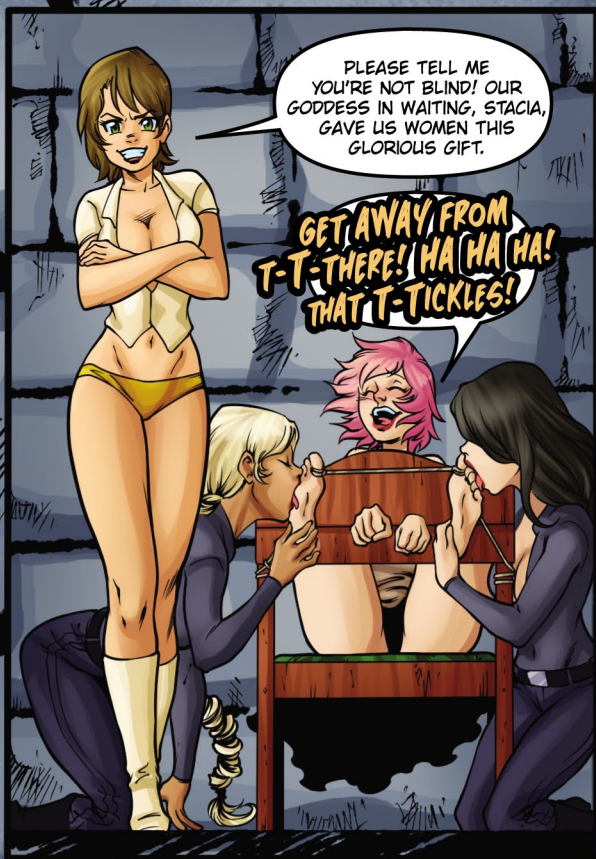

DID YOU KNOW, FOR EXAMPLE, IF A YOUNG GIRL HAS TICKLISH FEET, IT MEANS NOTHING FOR HER ABILITY TO DEVELOP CONTROLLER POWERS. THERE IS ABSOLUTELY NO CORRELATION.

CAN'T STAND THAT! HAAAAH! WHY THE TOES??? HA! HA!
AND YET, AFTER THOSE SAME GIRLS ENTER PUBERTY, THERE IS AN 87% CHANCE TEENS WITH EXCESSIVELY TICKLISH FEET, LIKE OUR FRIEND HERE, WILL DEVELOP INTO POWERFUL CONTROLLERS.

HE! HE! HEE HE HE!
TEEN GIRLS WITH SEMI TO NON TICKLISH FEET...?
NO CONTROLLER ABILITIES AT ALL. CURIOUS, NO? WE TESTED THOUSANDS AND THOUSANDS OF GIRLS.

AAAHHH! HAAA HA HA! NOT THA TOES! HAAA HA!
AND THEIR MALE COUNTERPARTS? LESS THAN ONE IN A MILLION DEVELOP POWERFUL CONTROLLER ABILITIES. TICKLISHNESS DOESN'T EVEN FACTOR.

THE LIAISON'S TWO HENCHMEN QUIETLY AND EAGERLY TAKE OVER HER DUTIES IN TICKLE TORTURING AGENT SHIELD.

SO WON'T YOU HELP US TAKE BACK OUR WORLD, ANYA?

SO BE IT.

YOU KNOW WHAT ELSE WE LEARNED, PRETTY ANYA?

HA HAHA YOU G-GOTTA STOPPIT!! HA HA HA!

THROUGH MADAME 16'S RESEARCH, WE ALSO LEARNED IF A TEEN HAD TICKLISH FEET, AND IF SHE DEVELOPED HER CONTROLLER POWERS,

BY THE TIME SHE MATURED INTO A WOMAN THERE WAS A 72% CHANCE HER CLIT WAS SEVERAL FOLD MORE TICKLISH THAN HER FEET!

AS IN ACHINGLY, SCREAMINGLY, INSANELY, UNBEARABLY FEATHER TICKLISH!

TIME'S UP, PINKY!

TIME TO DIE LAUGHING.

OH GOD, NO! PLEASE! ANYTHING BUT THAT, ANYTHING!!! I'LL DO WHATEVER YOU WANT!

HOW WILL AGENT SHIELD EVER COPE WITH THE LIAISON'S CRUEL PERSUASION METHODS? WILL ANYA GIVE IN TO THEIR MAD SCHEMES? DON'T MISS THE AGENCIES: **FRONTIERS #9 TO FIND OUT!**

THE AGENCIES

FRONTIERS

ENCYCLOPEDIA

Anya

First Appearing in: The Agencies: Frontiers #1

Intrinsic Power: Anya holds the secrets of resurrection.

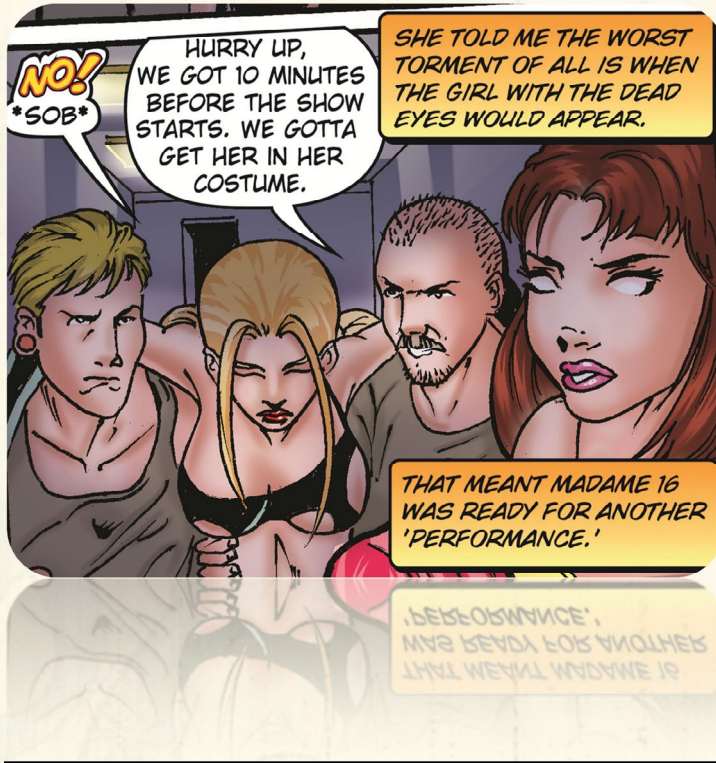

Family: After her father and brother were murdered by 'The Nine,' Anya now travels the frontiers with her mother Tess and older sister Ginny.

Personality: Though a shy girl by nature anyway, Anya has been reclusive since her family was murdered. She has not uttered a single word since the incident, her mother fearing for her sanity with each passing day of no verbal communication.

Weapon of choice: Anya does not use weapons.

Most wanted: Anya is wanted by two different factions for the same reason. Mister Nathan, de factor leader of The Agency, wants her after one of his superstar agents, Agent Succubus, died in the line of duty. He wishes Anya to resurrect Agent Succubus with her very special powers. 'The Nine' also wants Anya to resurrect Stacia Walton, aka The Ruthless, who died some years ago. The gang claims to have found the goddesses' body, and want Anya to bring The Ruthless back to life to usher in a new era of humanity on Earth.

Most ticklish spot: The soles of her feet.

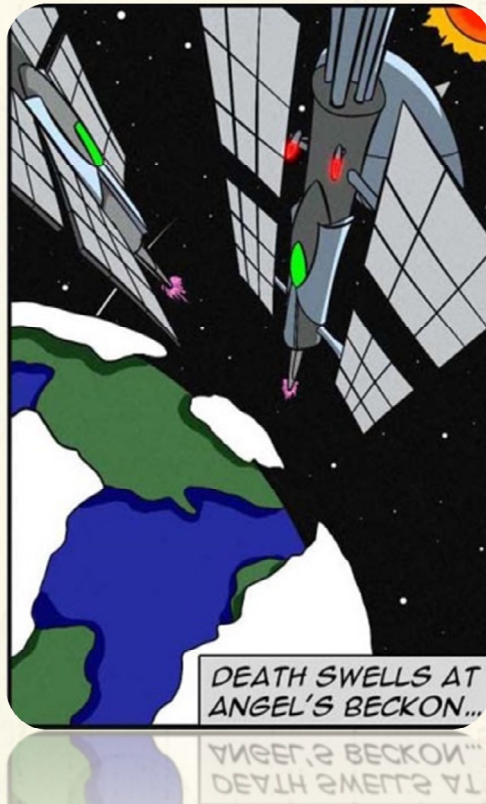

Infamous Dungeons of 'The Nine'

First Mentioned in: The Agencies: Frontiers #1

The infamous dungeons of 'The Nine' were first alluded to by Madame 16, promising Agent Crosshair months of agony after the agent scorched on of 'The Nine's' mechs.

Agent Crosshair soon learned how horrible the dungeons truly are. Amid public humiliations, the gang would tickle torture its victims into sheer exhaustion, meticulously cataloguing its victims' most ticklish spots, and breaking them down time and time again, bringing waves of ticklers to bear for hours on end.

At the end of each day, when the tickles were at their worst physical form, 'The Nine' would bring in the girl with the dead eyes to fully heal up their victims so their tickle spots would be fresh to exploit the next morning.

Cybernetic Implants

First Mentioned in: The Agencies: Frontiers #1

The term "implants" means something completely different to this world's agents than it does to women in the 21st century. Agent Crosshair, among many of her colleague, are equipped with implants that contain GPS devices so headquarters knows where to begin its search in case an agent is kidnapped.

Additionally, these implants can have other functions. Agent Crosshair's implants allow her remote access to Agency spy satellites. She also can access weaponized satellites that allowed her to initiate an orbital strike against an opposing mech, reducing it to ash.
