

Sissy Academy

An unrefined sissy is a lonely sissy. Here at Mistress Libby's school for wayward girls we hope to educate the woefully ill-informed slut about their proper place in life and society. Listen as you develop the habits and skills paramount in being successful and finding that perfectly dominant hunk of your dreams.

1. Orientation Day

Walk into the school. Greet all of the other sissies who are excited to start their education. Be reminded of the basics that all sissies should know before they arrive at finishing school.

2. Compartment

One must display themselves as the completely sexual sissy that they love to be at all times. A proper girl always remembers her posture and to smooth her skirt and cross her legs at the ankles whenever she is sitting down.

3. Photography

A good sissy should be the focal point of every room that she walks into. Learn how important it is to advertise yourself to the hunky strangers by taking as many pictures of yourself as you possibly can

4. Cosmetology

Learn about how important makeup is for every sissy and how using it can instantly transform a girl into whatever she desires to be. Learn the appropriate places to leave lipstick on a lover and take turns with your fellow sissy classmates practicing on the hunky and knowledgeable instructor.

5. Fashion

A sissy's outfit must exude class while also telling available strangers that wish to fuck her that she is available sexually if they desire her. Learn how to naturally present your body in feminine ways that others will find the most erotic.

6. Cotillion

Practice dancing in your fancy dress as you press up against the cute hunks that you wish would bend you over and use your body for their own sexual desires. Remember how erotic and pleasurable dancing has always been for you and know that you love being held in the strong arm of a dominant hunk as you move your body like a horny girl.

7. Fête

Use all of your sissy skills as you discover how you can help the school fundraise from

its generous and hunky benefactors. Look at the other sissies fundraising and come up with new ideas on how you can better satisfy cute strangers in your future.

8. Homework

You are sent home with homework you need to complete before the next day. Find yourself becoming excited as you answer each problem easily, showing yourself how much of a sissy you are and have always loved to be.

Don't waste another second. Enroll today and educate yourself on the proper nuances of being a horny and fuckable sissy.
