

I tried a lot of different things in season 2, and really expanded the story's premise!

Mainly Crush's mysterious past..

Oh my God, his backstory just goes on and on... Get a grip.

You made me like this.

In season 1, everyone was introduced to Cherie who was a very grounded and genuine character

So explaining a character like Crush whose origins are so mysterious is really challenging.

ARGHHHH... WHAT IS THIS... WHAT'S WRONG WITH YOU?!

There is still much to reveal about Crush, so please stay tuned for season 3!

I'm a creep.. I'm a weirdo..

King of low self esteem
Mad Dog? more like Sad Dog.

(and don't stop taking your meds because you think true love cured you..)

Crush Season 2

I'm fine! :

In a way, Cherie and Crush are both non-traditional, but their chemistry works so well that even I started getting butterflies watching them.

Drawing EP.58 was the most fun I've had in a long time while working on the comic!

Wow... True love..

Maybe it's the hopeless romantic in me..

But I've always planned for their first kiss to be like a fairy tale!

The Prince found true love...! (and then immediately commit mass murder after but let's not talk about that)

There were a lot more things I could've talked about their development, but this author's note is already so wordy.. So let's go to the QnA!

Question: Can we get birthdays of other characters?

Of course!!

Chohan Aug 8th

Thorne April 1st

Miss Mae Dec 31st

Sodam May 11th

Question: Is Thorne single?

Yes! (Maybe)

"Dating?"

(he's only in situationships)

Question: Favorite and least favorite character to draw?

Favorite: CHERIE!!! I've drawn him so many times, it's basically muscle memory at this point, hehe..

Pretty baby..

And he loves to wear baggy clothes, which is my favorite thing to draw, too!! WIN WIN!

Least favorite: Crush.. It sounds a bit contradictory to have one of the leads be my least favorite to draw, but I've always struggled with his face..

Gahhhhh!! I need him to look handsome!! But he just looks constipated.

Which muscle goes where.. how tf do you draw a shoulder..

He also got considerably buff since season 1, and anatomy has always been one of my weakness.. so drawing him is always a struggle.

Am I.. bad at art?

Question: Will you explore Crush's parents story a bit more in the later season?

Of course!! Crush's mom reveal has been quite obvious, so she will definitely appear again!

He rly blew her up...

She has quite a heavy story so I couldn't squeeze all of it into season 2.. so a lot of Crush's parents lore are getting pushed to season 3.

Along with.. many new faces.

Mostly these two!

(as for his father's.. You will have to see!)

Question: Will season 3 be angst or fluff?

Well.. That's a surprise, isn't it?!

Season 3 will be the final season to the series, it's going to be longer than season 2 (God help me)

But I will say, I'm not a big fan of tragic endings.. So of course Cherie and Crush will be happy, it's just going to take them a lot of work!

When I was drawing season 2, there were a lot of angsty scenes

But since I'm the one drawing it, it doesn't feel sad at all!

Omg..Cherie's crying again? Get a grip.

Ugh..

The one who wrote sad things happening to him

And when I was drawing the fluffy scenes, it didn't make me feel happy at all!

Omg.. this is so cringe..

NOBODY WANTS TO SEE THIS..

But when I check the comments and see everyone expressing their love, that's when I finally calm down.

Phew.. I was just losing my mind for no reason..

Author I'm in your walls

Though one thing about the audience that really surprised me is..

Ugh..

He has stans?!

I guess he really does have pretty privilege..

There are so many more things I want to say in the author's note, but it's already long enough as is..

So I'd like to wrap it up by thanking everyone

To my patrons, Thank you so much for supporting me and giving me money so I could eat lots of yummy food and sustain myself through this season..!

To my friends, who've stood by my many many mental breakdowns and listened to me ramble about gay fictional characters..

Big hug

I love you guys T-T

And again, thank you to my readers, for following the story for 69 episodes straight!

I wouldn't have been able to make it this far if I didn't know my story was received with so much love.

I will continue to work hard so season 3 will be even better!

So until then

See you soon!
