

It was from Eunpa.

She confessed to me

What did you say?!!!
She confessed?!!!

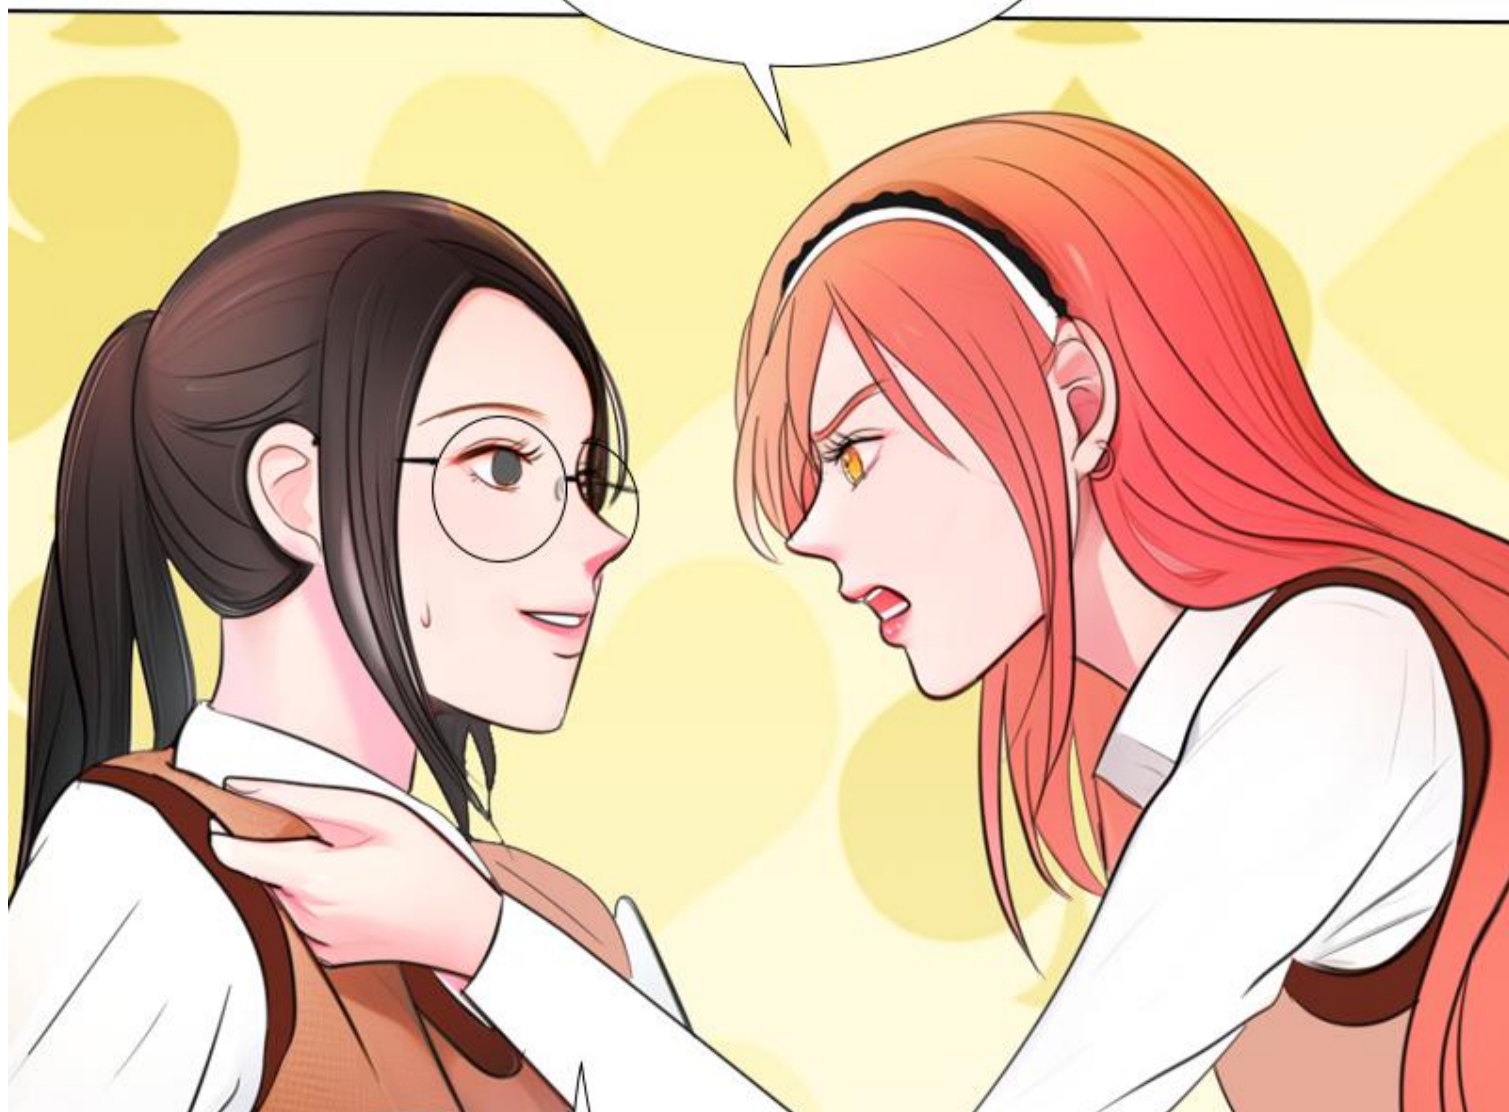

How?!
When?!!

She bit you too?!
How could she do that?!

Hold on!
That's a bunch of questions.

Just answer me directly.

Gim...gimme a sec to process...

4 days ago

The movie...
it was so sad,
Jisoo ah.

It really
was.

We went to the cinema to help me cope with my heartbreak

Little did we know, the movie would end up affecting Eunpa even more deeply

Eunpa...turned out to have low alcohol tolerance. She accidentally drank a gulp of wine that had been served to her by mistake in the restaurant after the movie

You see,

It wasn't supposed to be mine ,...ugh they ...had the same color...

Now everything feels so... dizzy.

Can you still walk? I'll give you a piggyback ride back to your place

You're too good to me,
Jisoo.

Could you
take responsibility
for everything you said?

?

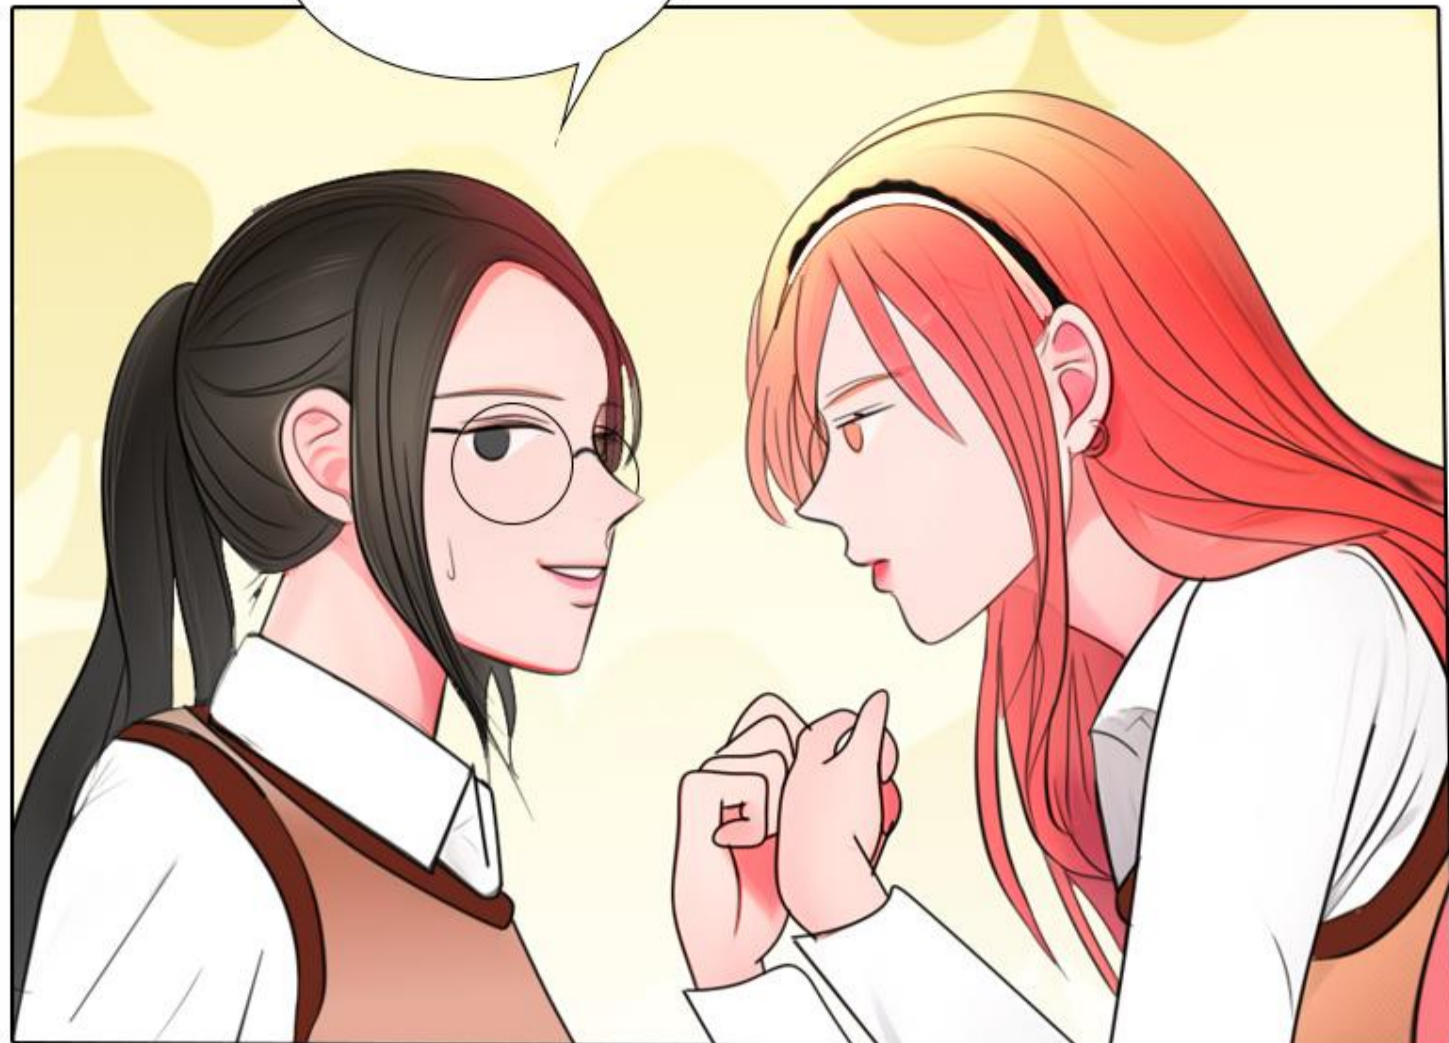

What if I started
falling for you?

That caught me off guard

**...!! AH??!! WAIT EUNPA!
WHAT ARE YO-~?!!**

Then she leaned in and bit
my neck ...playfully...and soon
fell asleep

So...
That's ..it!

Yah!
She's just drunk and
saying things.

That doesn't
count a confession,
you know

I know..
She was in no condition
to have a serious
conversation

You wouldn't believe it.
She even faceplanted
on the way back home,
literally...

So,
you really
gave her a
piggyback ride?

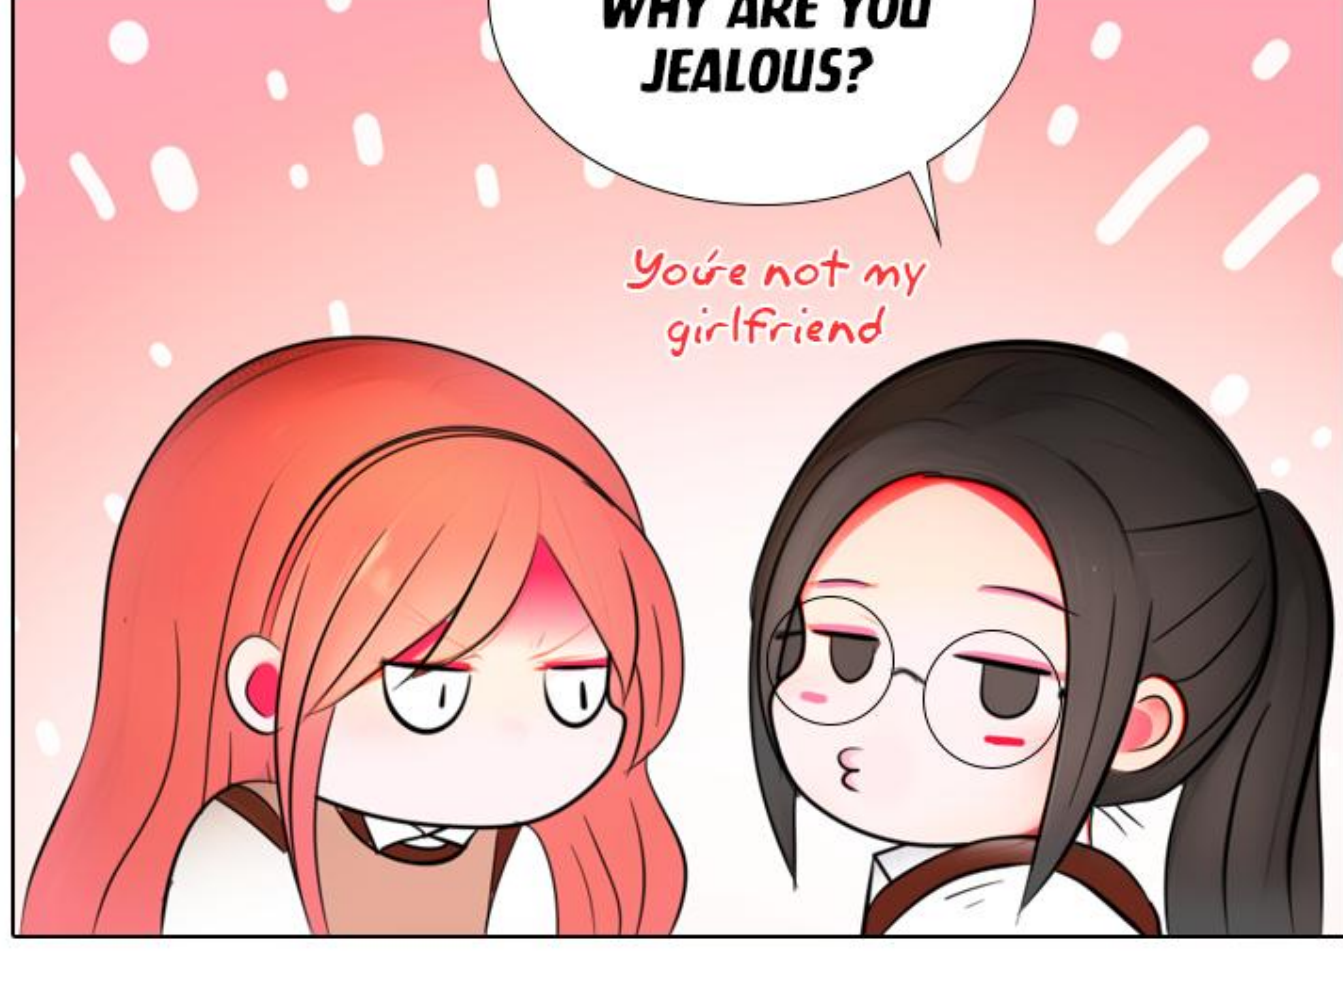

I...almost..

What do you mean
by almost?

**IT'S A SECRET.
WHY ARE YOU
JEALOUS?**

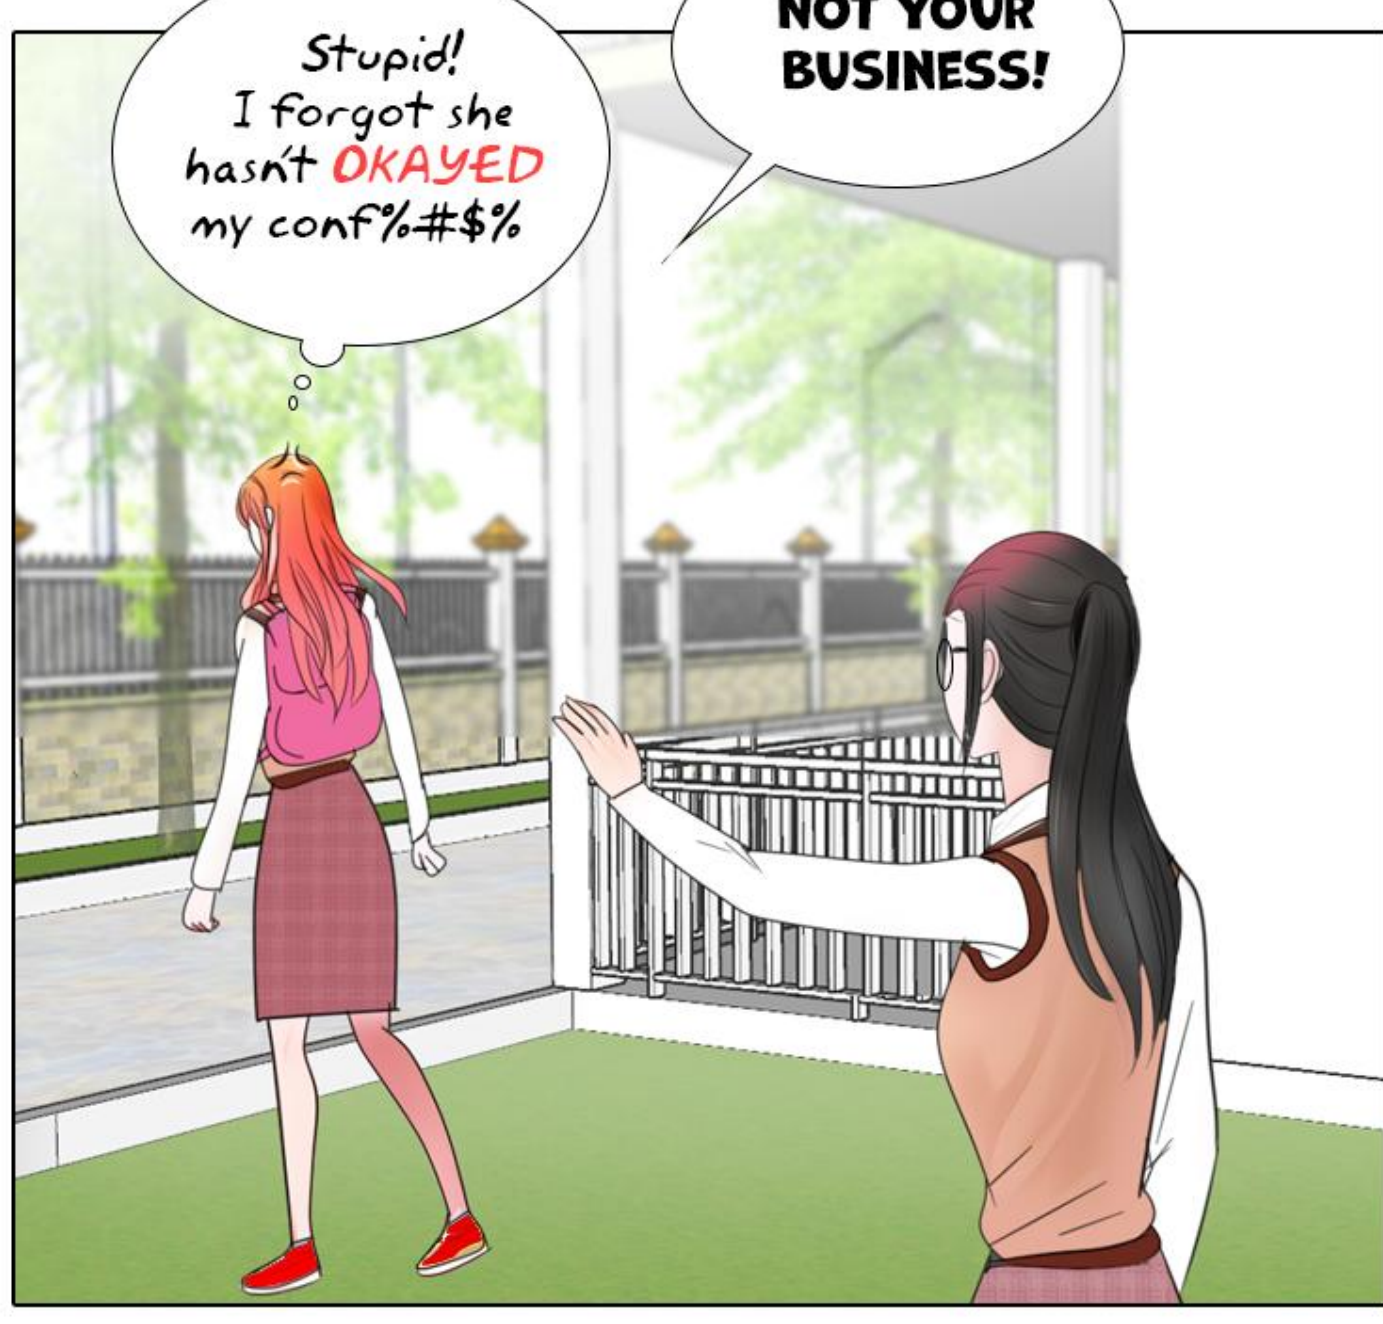

*You're not my
girlfriend*

Hey!!
Where are you
going?

Stupid!
I forgot she
hasn't **OKAYED**
my conf%#\$\$%

**NOT YOUR
BUSINESS!**

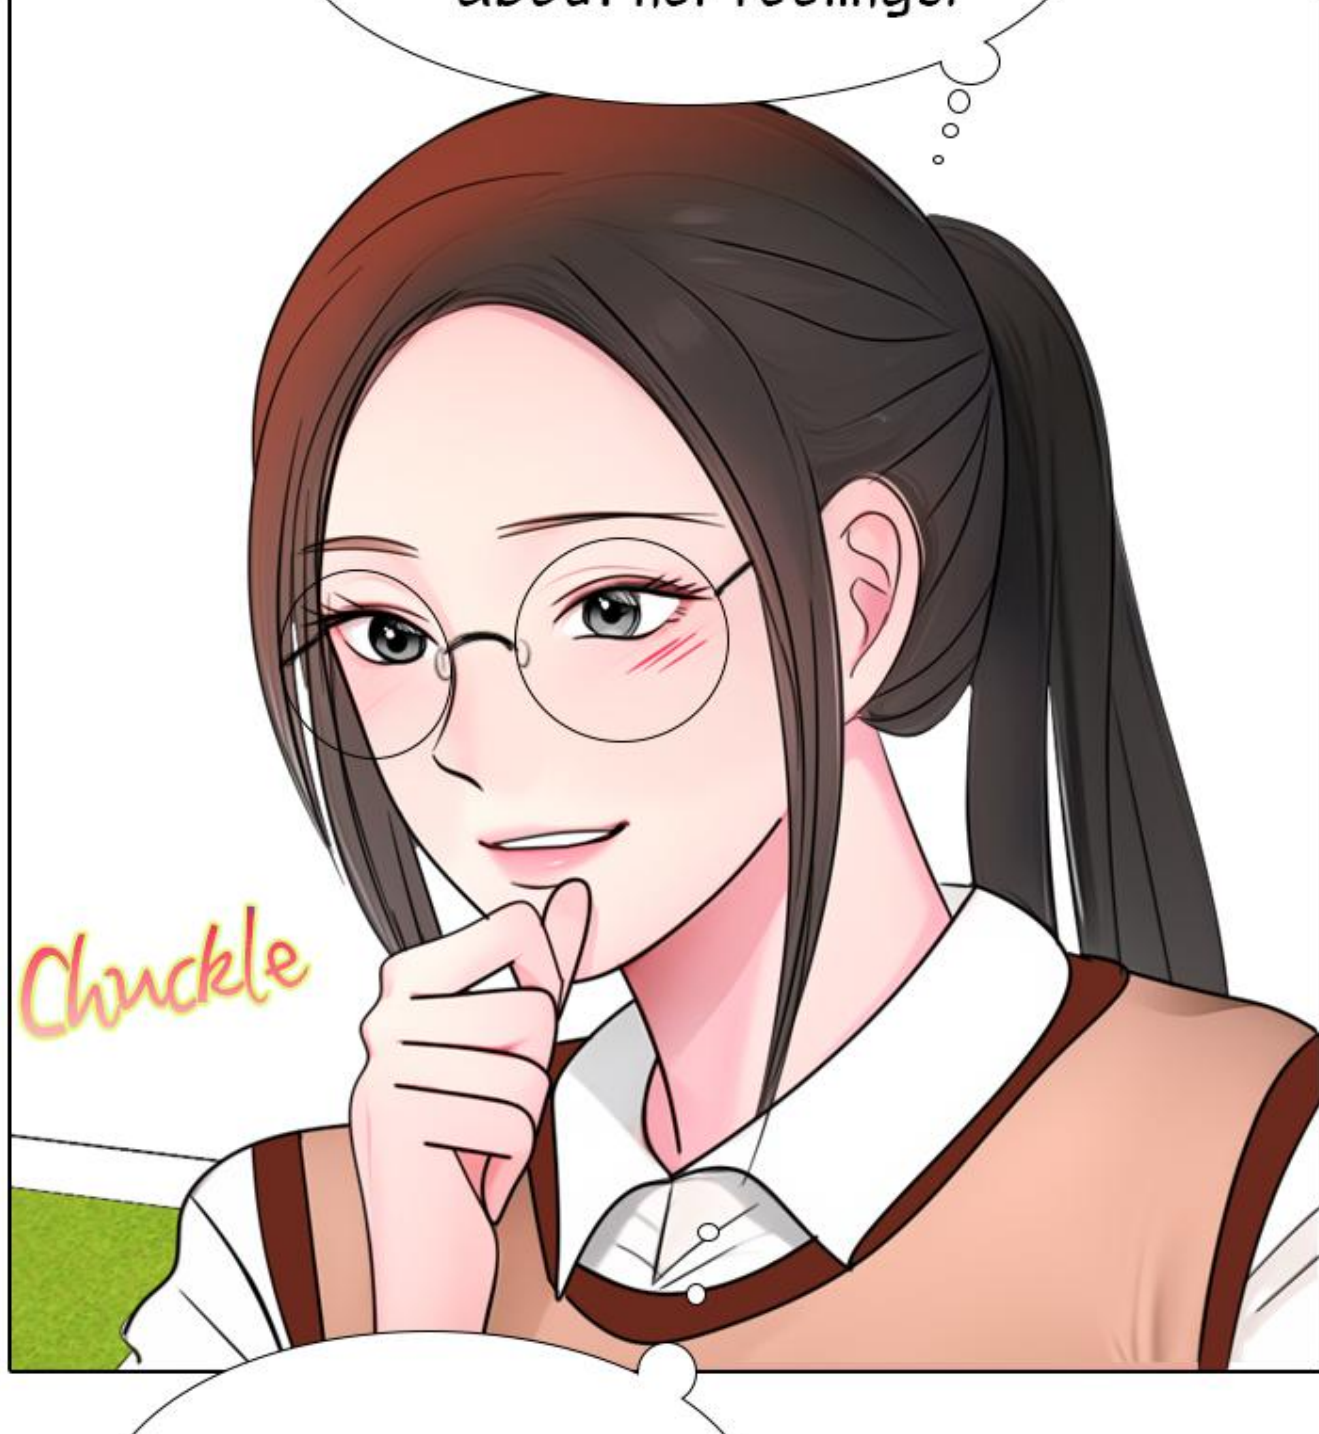

OMG..
I'm so bad

It must've been uneasy
for her to come clean
about her feelings.

Chuckle

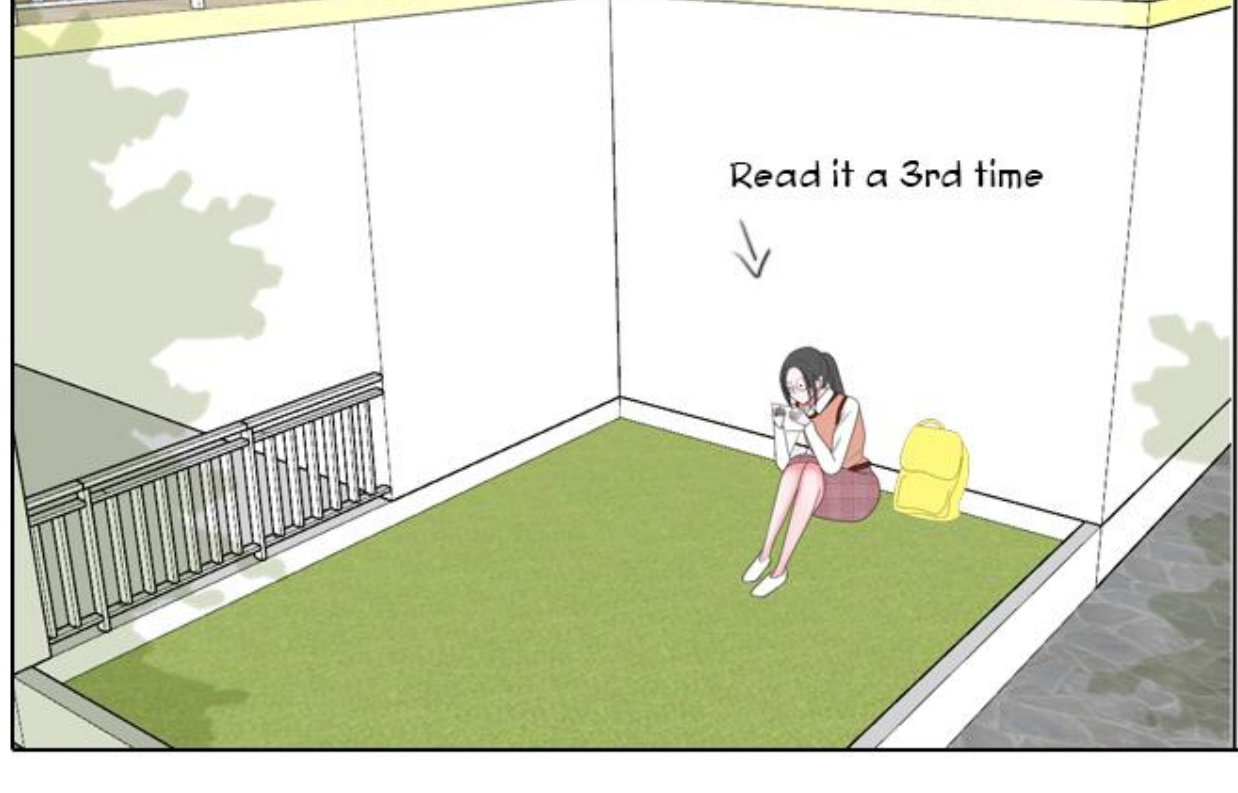

I shouldn't have
teased her like that

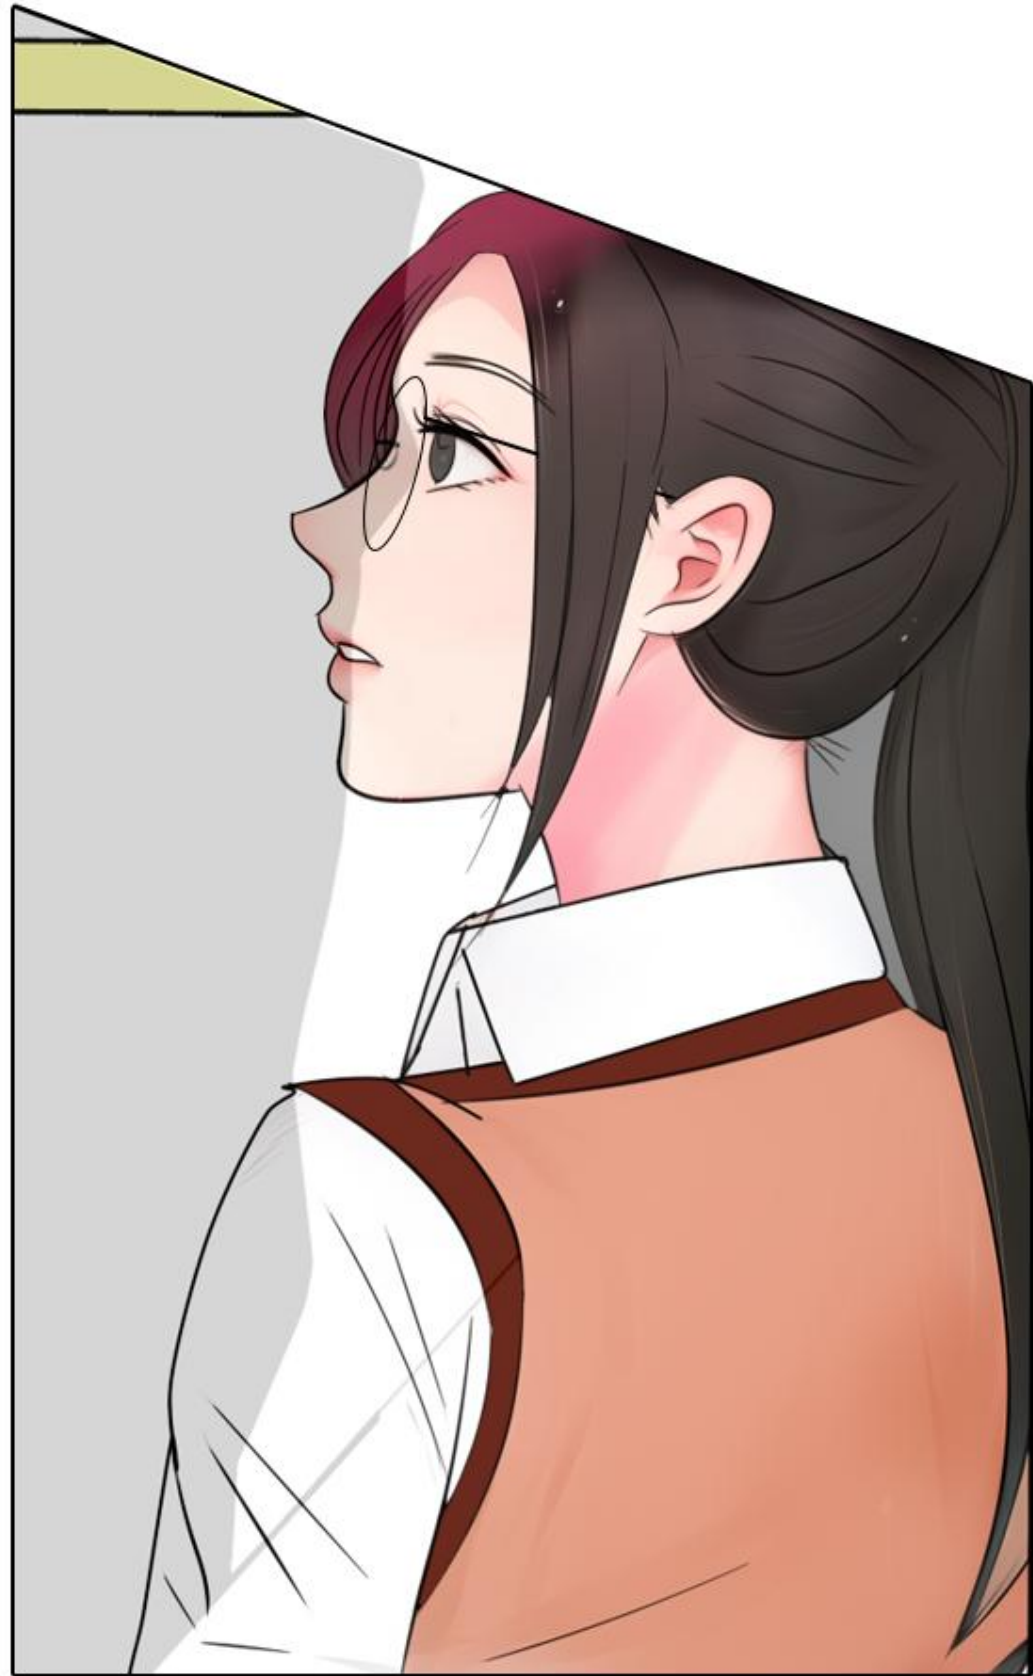

I don't know how to say this, There's something I've been carrying in my heart for quite some time now. I've been wanting to tell you for what feels like forever. Yet, every time I see you, I'm overwhelmed with nervousness, and the words seem to escape me. So, I thought I'd put my feelings into writing, in the hope that you might someday read this and understand how deeply I feel for you.

I watch you from afar not in a creepy way, ugh I promise... I understand if this letter comes as a surprise to you, and I apologize if it makes you uncomfortable. That's the last thing I want. I just couldn't keep these feelings bottled up inside me any longer. I like you! Whether or not you ever read this or know that I exist, I'll always cherish the moments I've spent admiring you from afar.

→ I like you too, Kim Jisoo 🐾

....W...Who are you?

SPLASH

What a disgusting relationship
