Previously on Transform or Command Nicole has temporarily taken control of Dylan. And just as we thought it was over...

Oh, my!
That's a lot!
Did I get you
this railed up.
giggle

I know you are busy
cumming your heart
out but listen closely,
cause I got something
important to say,
Dylan.

Groan

squirt

Transform or
Command?

Groan

What?!
Again?!

Yup! And if I did
not miscount, that
was two commands
in a row...

Which means
your answer
will be...

We continue from here...

... I...
choose...
Transform.

Now listen
closely. Cause
what I want to
transform... are
your memories!

Good
boy!

A woman with long, vibrant red hair is sitting on a grey couch, leaning towards a shirtless man. She is wearing a black top and fishnet stockings. The man is sitting on the couch, looking surprised. The background shows a brick wall and a window with a camera on a table.

There is no need for you to remember what we did in here.

What?!

Once that one hour of control over you ends, I want you to forget everything that happened since I ToCed you.

-??

+??

Now stand up.

And also... No
memory – No
retaliation!
chuckle

Oh, boohoo!
Now get
dressed.

Oh, come on!
That's unfair!

grope

That feeling of power.

Having total control over another person?

I've never experienced such a rush!

It was ecstastic!

I've never been this wet! *giggle*

And I don't plan on stopping!

What are you planning?!

Ha-ha!
Revealing my
big plan like
some cheesy
supervillain?

Well... I
guess I can.
You forget it
soon anyway!
chuckle

I will use the
game to take
over our little
group one by
one.

Once I have one of
you under my control,
I can command him or
her to use her points
for my goals! Making
this even faster!
Muhahaha!

Oh, don't
worry. We'll
still all be
friends.

But...
aren't we
friends?

FUCK!

I'll enjoy myself with one or more of you! It will be great!

And every so often... when I feel frisky...

But behind the shadows, I will make the big decisions. *chuckle*

Damn! She
hatched a
really big plan...

While all I was
after was sexual
relief!

And once I'm your
secret mistress,
we can invite even
more people to
another round.

Now that we know
how the game works
it should be easy
tricking them into
becoming my slaves.

I'll be a queen!
chuckle

You... really
thought this
through...

I know!

And now it's
time to forget.
The hour is up.

Swap

No!
Please! I...

Uh...

What were we talking about?

Nothing important.
chuckle

Are you feeling alright?

You look confused.

Ha-ha!
It worked!

And it's getting late.

Must be from reading all those rules

Yeah. Sorry. I spaced out for a sec.

Let's go home. Hit the bed.

And all of this did not even cost me that many points!

Wonderful!

Taking a look back at the ToC Board on the wall.

The ToC Board

Lana	Nicole	Amara	Elizabeth	Vadim	Dylan
95	??	45	85	75	85
15	??	90	5	15	5

The next day, back at Amara's place...

Yaawwnnn

Yawn
Morning
babe.

Oh, boy.
What a crazy
dream.

FUCK!
Not a dream!
Stupid game!

gulp

Yawwwwn

Morning.

Wow!
What a view!

I could
get used
to this...

Hey!
Stop that!

What's
wrong babe?

Not in the
mood!

We could change that with a TOC...

FUCK!
I've got no bras for these!

Don't you dare!

Gotta attend today's lecture. Need to dress up.

Uh, yeah. I should get ready for training.

We've got a big game coming up next week.

Are you
fucking
kidding me?

You are not
going out like
this!

But the
game...

Could you
even catch
a ball like
that?!

What would
your buddies
say if they saw
you like this?!

I'm sure I
could!

Alright
alright!
I stay in...

Alright, babe.
I gotta run.

Missing
training
sucks...

Don't worry
too much. I'll
meet up with
the guys.

And we'll
have you back
to normal in
no time!

Thanks,
babe.

Goodbye
kiss?

Yes, yes!
Just hurry.

See you soon.
Don't do anything
stupid.

Stay inside!

Man, being small sucks...

Boobs...

But it also has ist perks...

Moments later down at the bus stop. A lone man is sitting on the bench seemingly waiting for the bus as Amara approaches the station.

I did not miss her, did I? I've let three buses drive by already...

Dylan?

We need to get Vadim back to his normal size!

Please, don't tell me changes can't be reversed!

Why would you think that?

I see... Don't worry. There is no rule against changebacks. But one needs to address them directly.

Cause while his whole body shrunk his cock remained at ten inches!

He also used a command action on me and... I don't want to talk about it!

Phew! What a relief!

He won't have me do anything too humiliating, right?

Fine!
I choose "Command".

Don't make me do anything silly in public!

Don't worry. This is just to showcase.

Just give me a peck on the cheek.

Phew
You had me worried for a second.

Here we go.

You choose command... and Vadim used a command on you previously...
snicker

SMOOCH

There,
happy?

giggle

Oh, yes.
Very hot!

I figured that much out...

Though I did not know I was maxed out.

So, this little command did not cost me anything.

Cause it was only a small one you did not hate.

And of course, because of your maxed out Anti Karma.

Yeah, 90 AK is max. You can't amass any more.

But that's not all about Anti Karma.

On midnight our TOC points reset to 80 plus AK.

...Hell, Yes! That means I'm super powerful. Right?!

Correct. Though you blew most of your points on Vadim's change.

Cool!

But once midnight strikes, you are back to full power and can basically change one of us any way you like.

Everything alright?

Oh, yeah... all good...

Dylan is repeatedly checking his watch...

You are checking your watch a lot?

Isn't there more about the rules you can tell me?

chuckle
Actually, this is about one of the rules.

Okay. So, what?

You see, one cannot TOC the same person twice within 15 minutes.

So... Transform or Command, Amara?

I choose... Transform! ... **FUCK!** Why did I?

Oh, come on!

I'll just choose Command again.

Oh, and by the way. Next rule: "One can only choose the same action twice in a row."

A woman with voluminous curly hair, wearing a white jacket over a pink top, is looking at a man in a dark t-shirt. They are in a train car, with a grey handrail in the foreground and plaid seats in the background. The woman has a speech bubble, and the man has three speech bubbles.

Okay...
Make me a little
taller, I still could
use a little more
height.

That would be
one option...

But you see,
the game was
designed to
completely
dominate
others...

And with 180
points, one can
do basically
anything.

FUCK!

But you don't have 180 points...

On you, with all that Anti-Karma, I do.
smirk

Stop it!
You are
scaring me!

For example, one could
use the command action
to make somebody follow
your commands to the
letter **forever!** Even
against their will!

Don't worry!
I'm not that kind
of guy. I don't
want to make you
feel bad.

Also, this is a
Transform
action.

What?!

I want your brain to transform in such a way that you become my devoted, obedient, and loving slave.

-80

+15

You
can't!

Surely this
won't...

...work...

I...
won't...

Ehh...

Amara stops talking...

Her expression relaxing...

Her mouth slowly closing...

As the transform action reforms her brain...

Turning her mind and thoughts
to comply with Dylan's request...

Turning her compliant...

Obedient...

And totally in love with her new Master.

Oh, my!
I feel so
different!

No, way!
It's like a veil
has been lifted.

I am all yours,
Master! And I
love it!

You are not
mad for turning
you into my
slave?

Anything!

And you'll do anything I say?

Kiss me. Passionately!

Mhhh
My pleasure,
Master.

lick

Tongue kiss

Of course!
One word from
you and he's
history, Master!

You'd even
leave Vadim
for me?

I don't care
about Vadim.
Master is all that
matters.

Don't worry.
I really don't
hold a grudge
against him.

But I need you
to fulfill my
goals.

With your 180 points you will be my nuke.

Yes, Master. I'll be your nuke.

Too bad you are out of plutonium right now *chuckle*... So, we'll have to wait a day before we act...

Europe

But then...
I will get my
revenge on
her!

Nicole will
regret what
she has done
to me!

And revealing her plan to
him which he is now copying!

You see... she made me do things

I was totally at her mercy!

And then she wanted to make me forget it all!

You will forget it all...

BLOOP

+ 15

Why, Master?

But her TOC failed, and I played along to fool her!

You know why her action failed?

Brilliant,
Master!

Because there is
nothing, I'd hate
more than to
forget a pussy I
have fucked!

So, she did not
have enough
points for
that!

Of course, Master!

I'd love for you to change me in any way that pleases you!

The time of revenge is neigh...

But... Nicole or somebody else might notice my loss of Points on the board...

So, to avoid suspicion, we need to do something that explains it...

You'll love anything I do to you, right?

Yes, Master!
I choose
"Transform"!

Great! Amara,
Transform or
Command?

Please choose
"Transform".

The End.

Thank you for reading!

Hello, Hexxet here,

So, I hope you liked that little “double twist” of Nicole trying to wipe Dylan’s memories but instead ending up serving him a new plan on the silver platter.

Note that I decided to have Dylan use the transform action to enslave Amara. I did this because I think it should not be possible to command somebody to change their feelings/beliefs. You can command them to act like it but you can’t change it for real. Only Transform can change such stuff. Also, this way there is a clear difference between the brute force Command approach Nicole uses and Dylan’s smoother Transform approach. 😊
