

Can you see the cafe by the traffic lights?
Just wait here until I get out

Ah...?
Why can't we go in together?

Because...
it's not safe there.

Unsafe?!
Why do you insist on going then Aerin?!
Who are you seeing?

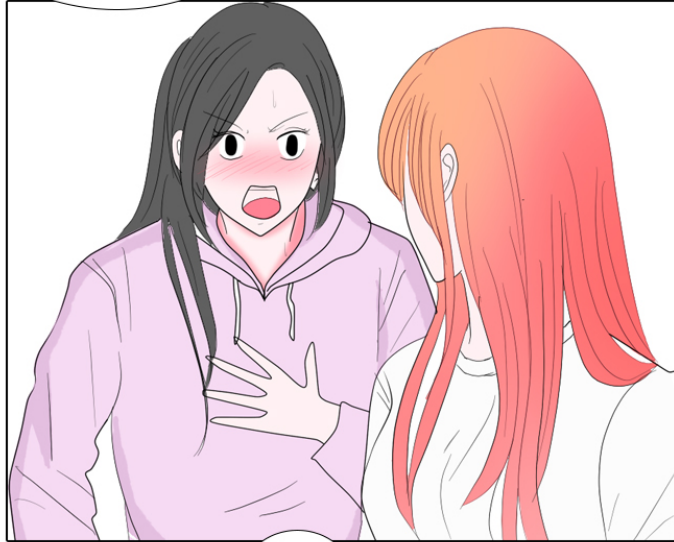

Ah?!!

A psychopath

I'm not sure what she's going to do,
so you'd better be smart enough to take action if something goes wrong

**ALRIGHT! AERIN!
YOU CAN COUNT ON ME!
I'LL PROTECT YOU
AT ALL COST**

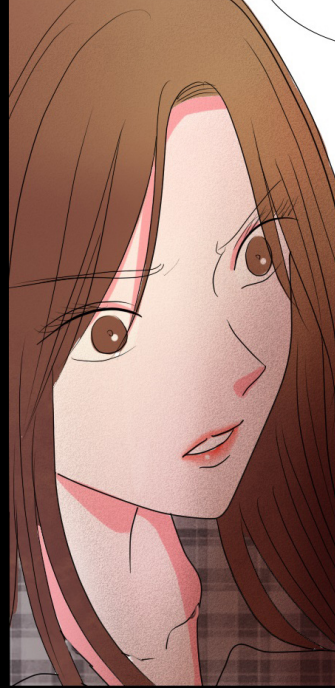

.....

Unnie

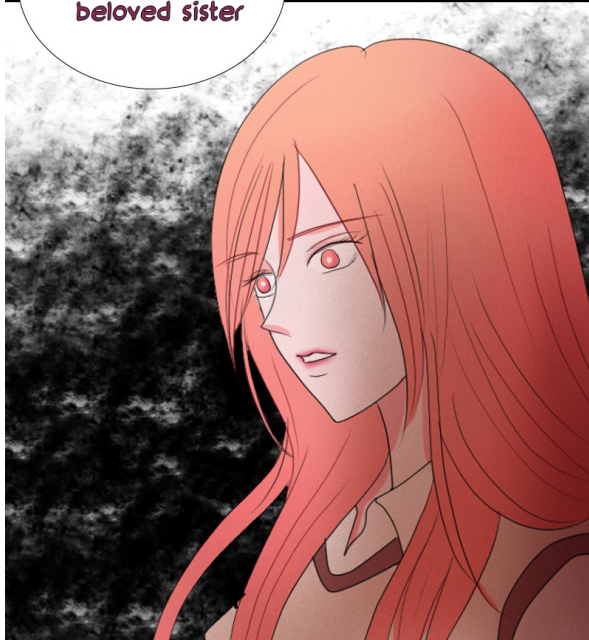

Maybe
you should've known
I've already figured
out your weakness

The reason
you transferred to
this school,

Was because
of Jung Aerin,
am I right?

Because
she is your
beloved sister

Smile

Ah..Just like you
10 years ago...
What a pretty

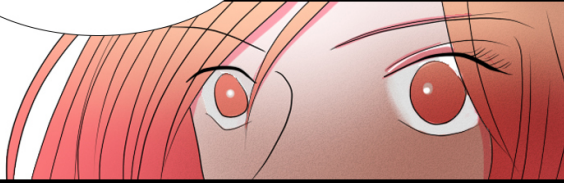

Grip

What shall I do
with her, unnie?

Go on sexually assaulting her like how you did to me that time,

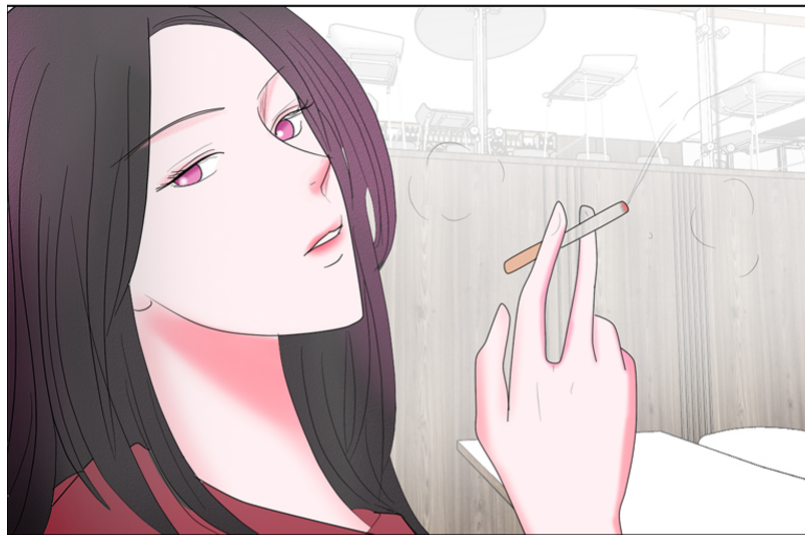

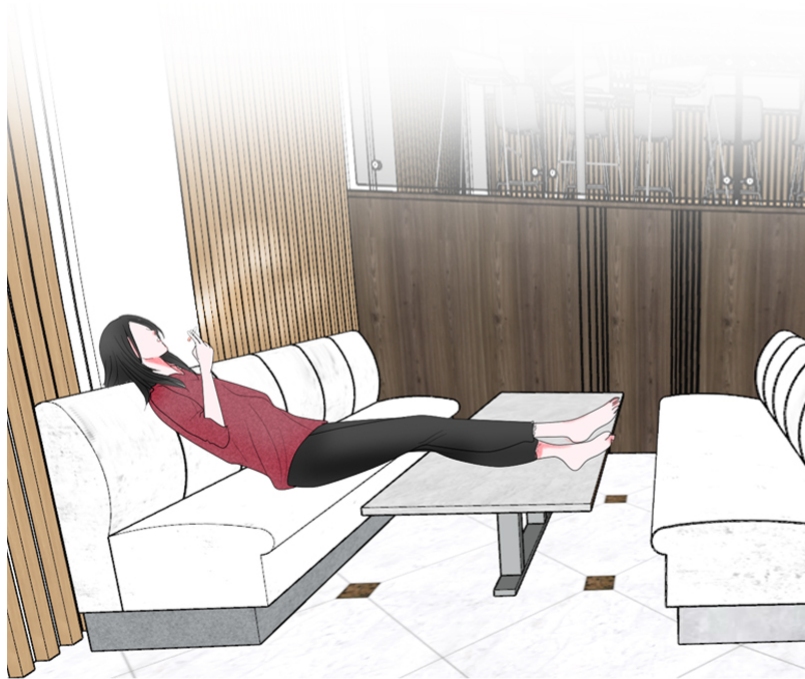

I'll show you what hell means

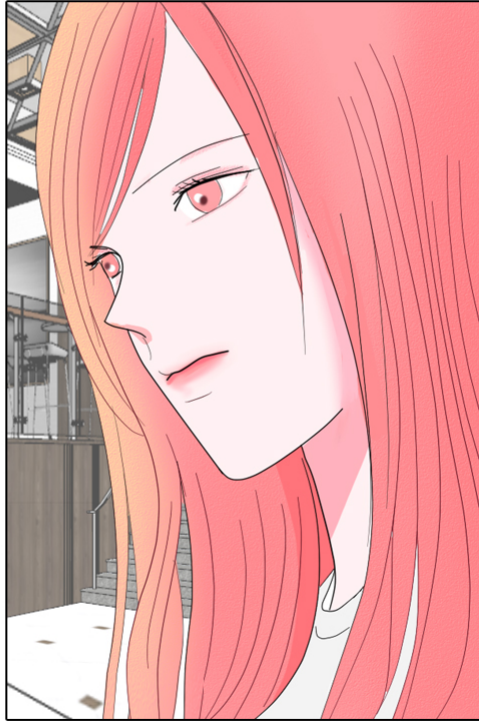

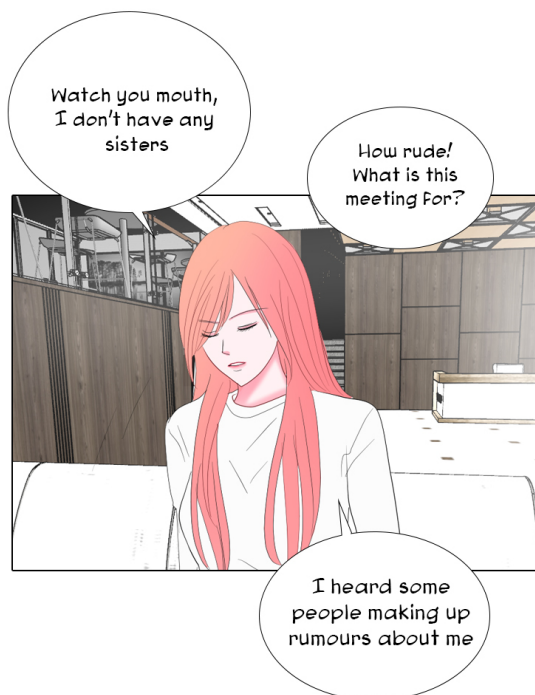

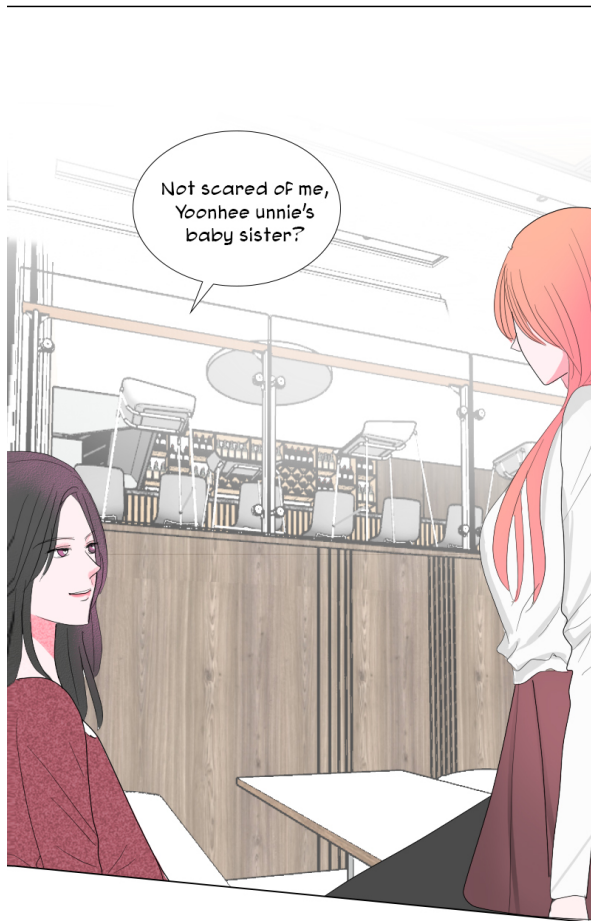

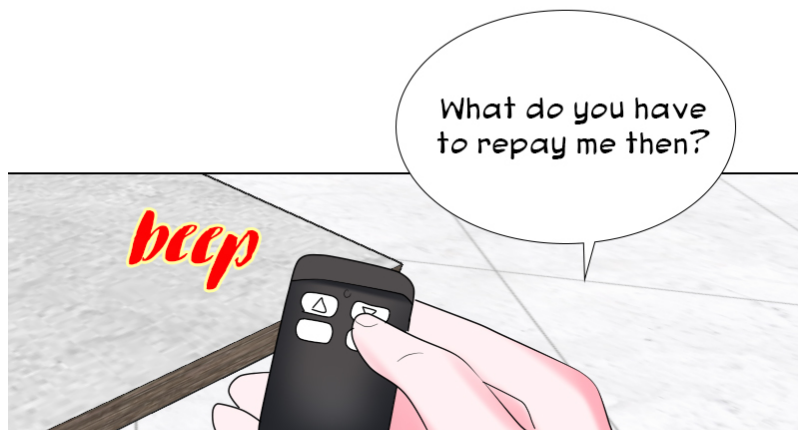

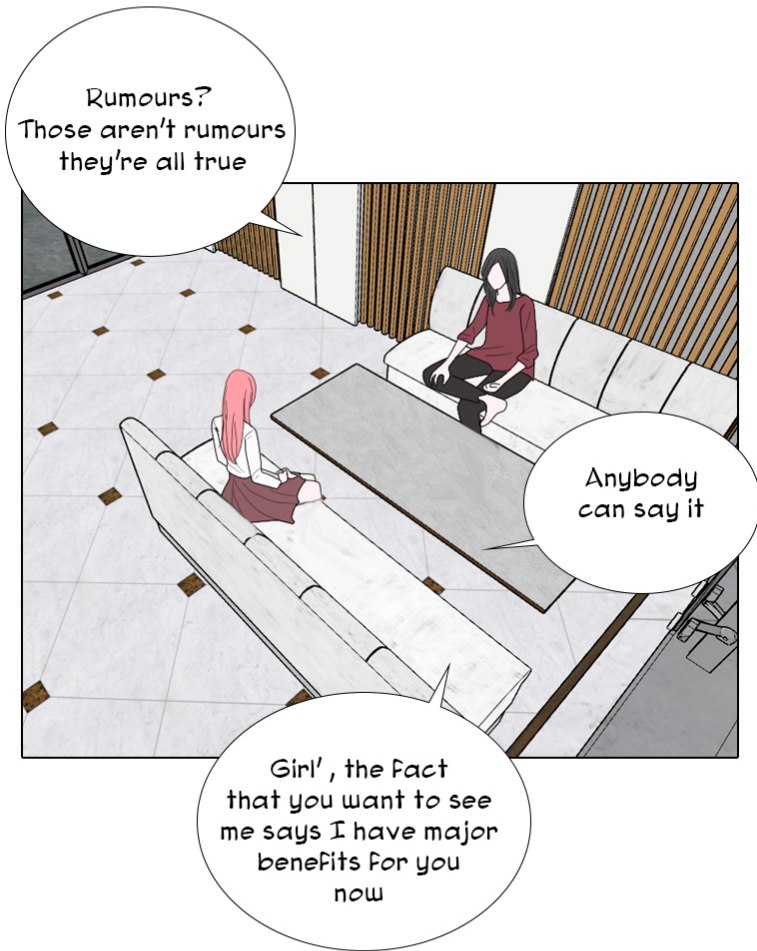

Pull

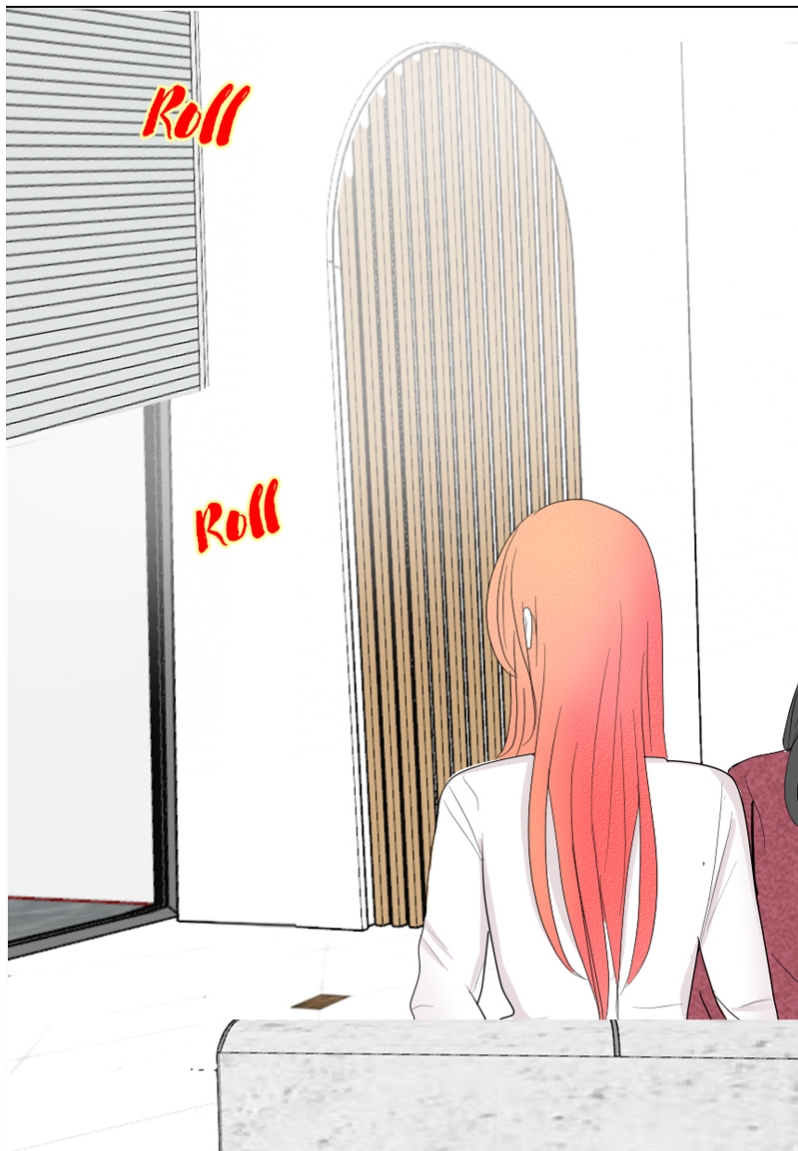

I don't do anything for free

Roll

Roll

And I don't hope to see that little swamp rat of yours interrupt our precious time
