

*A Trick
or a
Treat?*

*By
MassManic*

Seriously?
Again? What
a slob.

This is me;
Chris. A recently
turned Eighteen
year old man who
is the height of
fashion... and is
also the last
bastion of
cleanliness in the
house him and his
step-sister lives
in...

... and this
is the mess my
step - sister
decided to leave
all over the
bathroom floor.
Again.

She knows
I can't stand
mess...

This is
why she
doesn't have a
boyfriend!

URGH! She
does this on
purpose!

I'm sick of
living with such a
slovenly person!

SHUFFLE

SHUFFLE

I should leave this house, that would teach her. This place would be a land fill in no time-

She's left her underwear? Has she hit max level in her 'shameless' attribute?

I have always wondered what it feels like to...

... no, that's weird, right? I could though... I'm not sure if my step-sister is in...

A quick change filled with curiosity later....

It's... quite comfortable, but what kind of person wears such a slutty see-through bra?

In the living room...

So...
hmm... what to
do with my perverted
brother who **totally**
enjoys to
cross-dress?

I could
get him to clean
the house... nah,
too tame, he does
it all the time anyway.
How about getting him
to lick my feet... nah
he'd **definitely**
enjoy that!

Oh my God,
can you hurry up?
This is so dumb! Pick
a stupid 'punishment' already!
It'll be something like 'go get some
beer little bro' or; 'go get me
some chocolate little bro'.
I've basically been
your 'gofer' since
turning 18!

!!
That's
totally it
little bro!

F.Y.I. covering
yourself up is a bit
pointless now
don'tcha
think?

"Phew"
You want me
to tidy up after
you again?

I really
thought that
you'd choose something
more, well, 'punishing'
for me to do...

That's
uncharacteristically
kind of her.

... but you
are pretty lazy
you know?

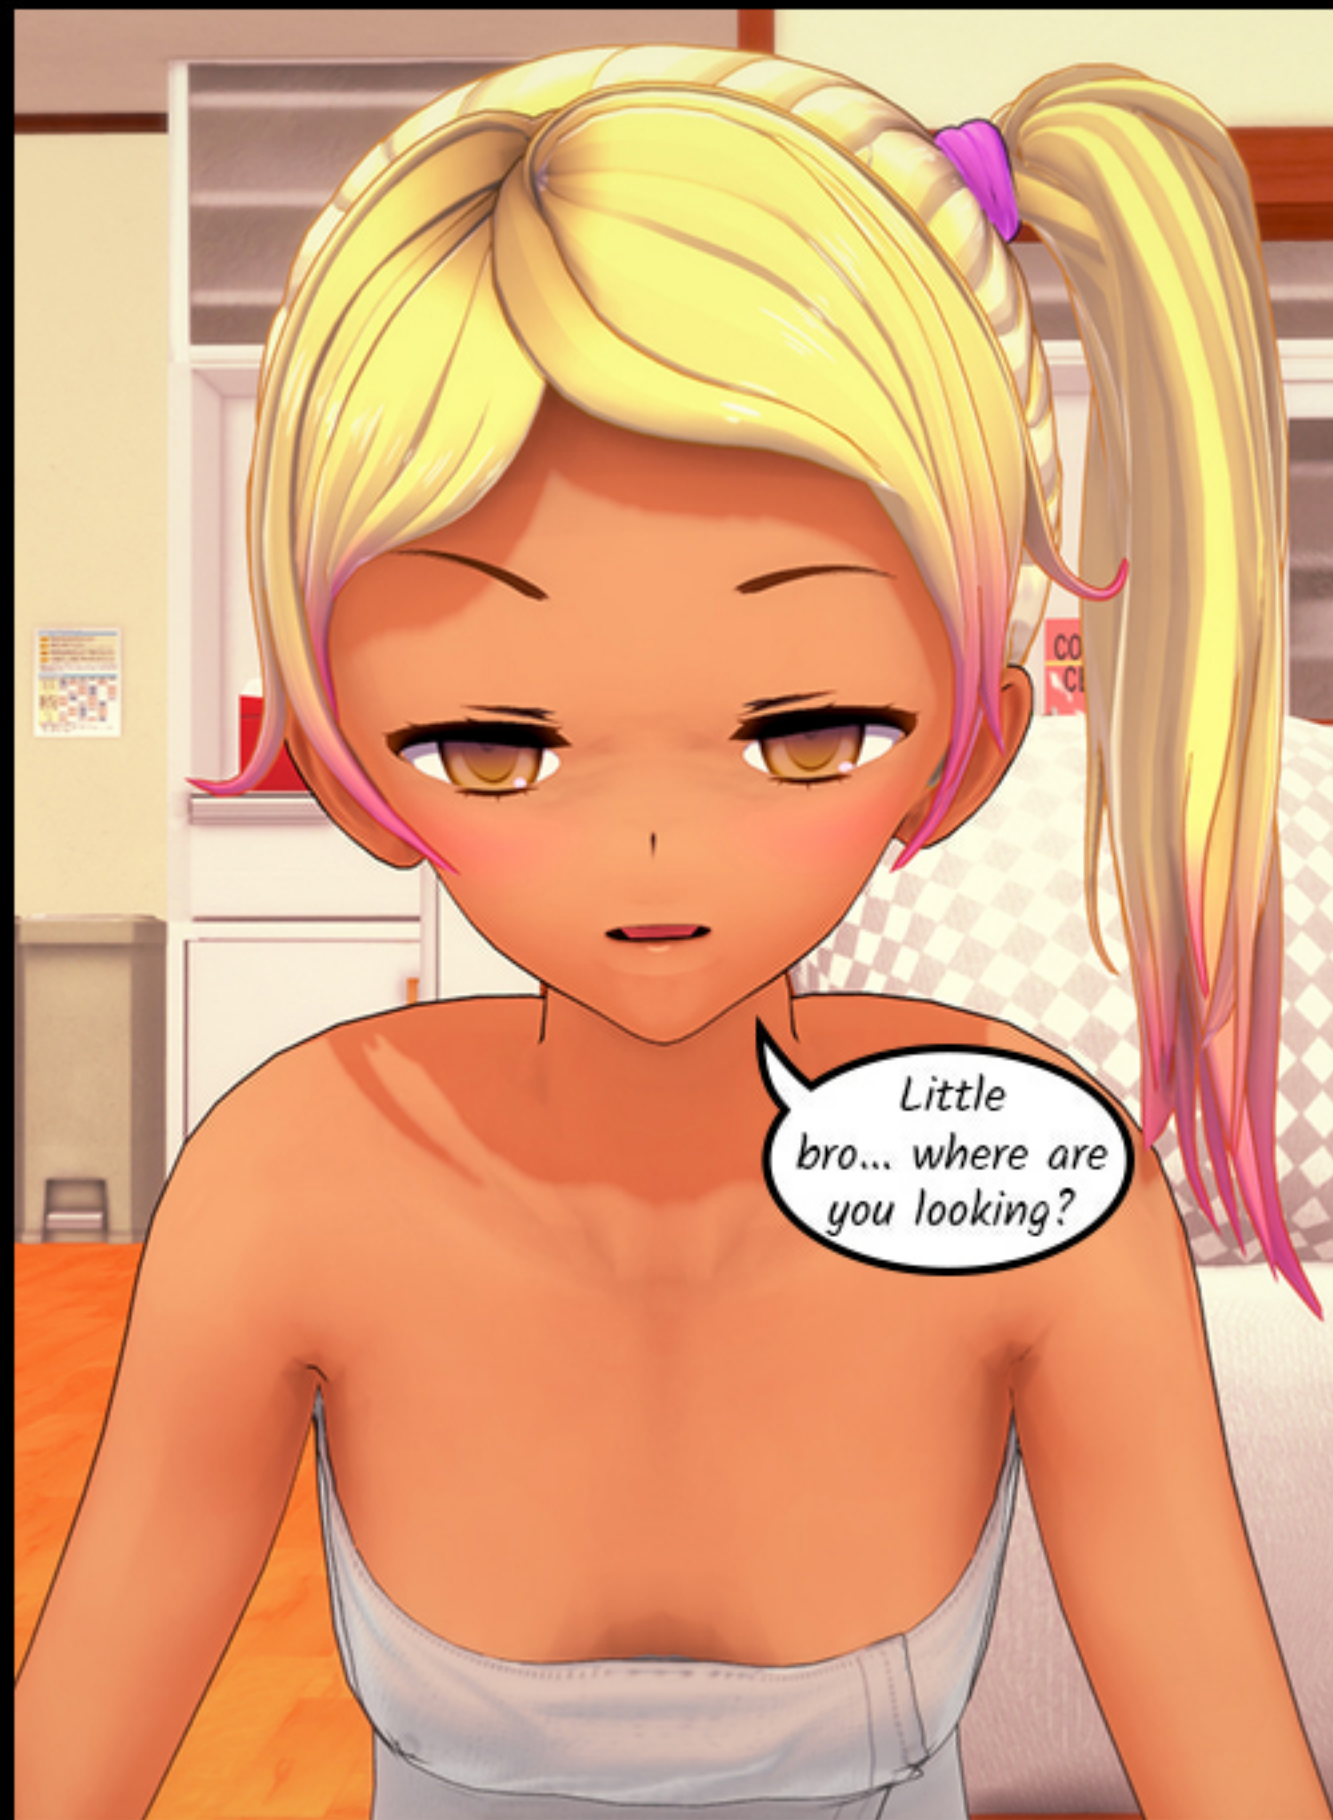

Hmph!
Don't be so
mean! I'm not lazy,
I just don't want to
tidy up, there's an
obvious
difference!

I- really
Jasmine?

Uhuh!
I'll prove I'm
not lazy by helping
you pick this up. Even
though this is **part**
one of your
punishment!

"Part one"?

J-Jasmine?

I... think I may have pushed her too far with that comment.

Holy Crap!

Definitely pushed her too far!

Jasmine, I see that I may have gone overboard a little there, but you haven't been the kindest-

Jasmine,
g-get off of
me!

I didn't
hear an apology
yet little
bro.

THWUMP!

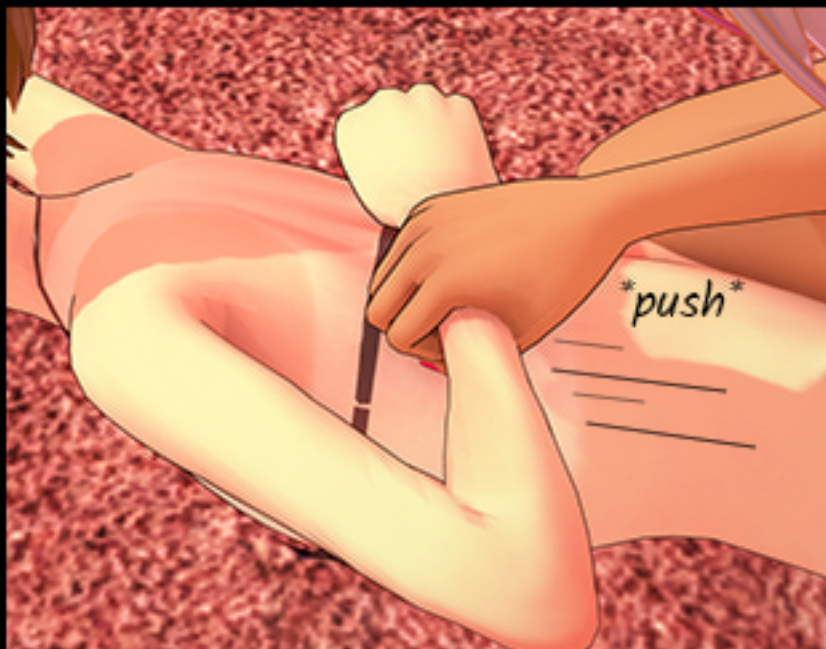

I'm
sorry, alright?
Can you let go of
my arm now?

If I let
go, you're gonna do
exactly as I say or I'm
posting that video
online, you got
that?

You've been pretty
cheeky to your **boyfriendless,**
lazy, mosquito-boobed sister
and you need to make it
up to me, you know?

OWOWOW!
STOP, YOU'RE GONNA
BREAK MY ARM!

...

OK! OK!
I'll do anything
you want!

There you go little bro. I wouldn't want your arm breaking before you do **part two** of your punishment... which has just got a lot more 'punishing'!

Urrgghhhhhh...

When you've finally picked yourself up off of the floor make sure to grab that cute clothing, okay little bro?

Y-yeah, sure...

Because we totally don't want you 'tripping' again and breaking your arm... and then finding a weird video has somehow got online, right?

No! I mean, it would be really bad if that happened!

She's a monster!

One pile of clothing later...

Uh-huh.
Uh-huh. Well deduced
little bro!

Mhm...
you wouldn't
dare cross me
either so that
checks
out!

Let me
think... I came
home wasted...
Uh-huh.

Not sure
if she's using that
term correctly...

She was
drunk again?
Figures...

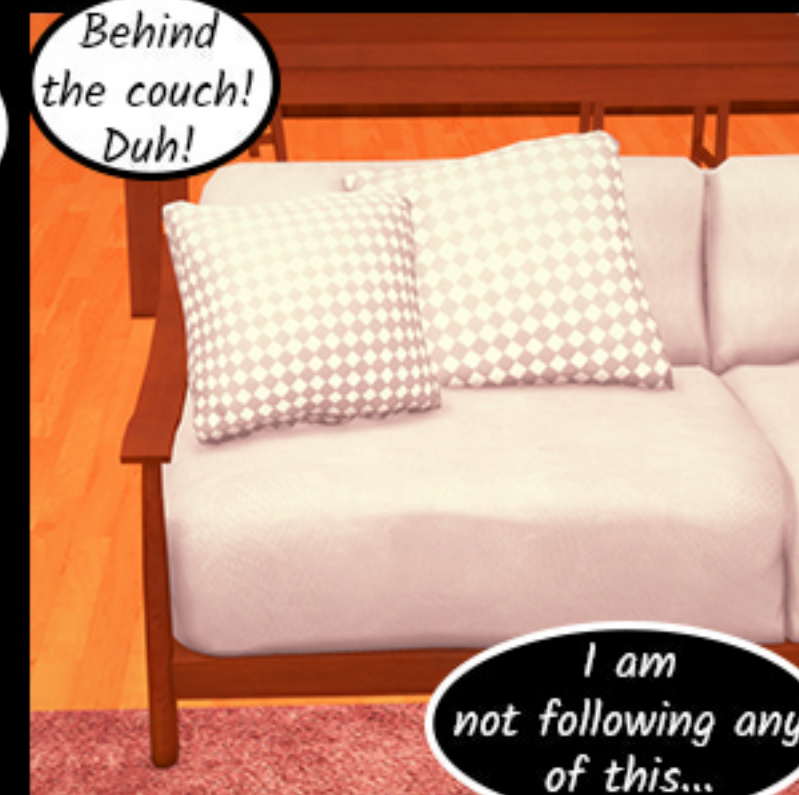

Haha...
yeah... **totally**
slipped my mind
that I threw all my
clothes off in here
before chancing
a drunk
shower...

She threw
it all off in here?
Did she forget that
we have a big-ass
window in this
room?

That
also means
that those clothes
in the shower were
from earlier today!
Really sis?!

Which
means there's only
one place it could
be!

Behind
the couch!
Duh!

I am
not following any
of this...

Ohhhhh,
you stupid thing!
Did you think you could
escape Jasmine's 'super
detective mode'?

Now
you're going on
someone's head and
you're going to
like it!

She's
always mocked
me for 'dressing like
a girl', I know whose
head it's going on...
I better stop eyeing her
pussy otherwise
she'll go full
nuclear.

I totally don't care what you want little bro; it's 'punishment' time! ♪

Where do ya think your vid will get more hits? I'm thinking 'PornShlub'!

Okay, calm down. I'll wear the wig...

Knew you'd choose the right decision! Go in the bathroom and come out, I want a cute 'before and after'!

A few minutes later...

Sis,
can't I do
anything else?
This is so
wrong...

...

You
saying "tap"
over and
over?

Yikes,
are you done
yet? I'm getting
totally bored!

So wearing
my 'slutty' bra
isn't where you
draw the line but
wearing a wig
is?

Hey bro,
I've got a funny
impression! Listen;
tap, tap, tap, tap!
What is it?

I'm your brother. Can you let go now?

I always wanted a little sis! I mean, I thought that's what I got when I first saw you!

Nu-uh! We're hugging for a bit longer!

You're... going to make me wear the rest aren't you?

Mhh-Hmm!

W-why?! Let me have my dignity at least!

Oh, and bro? You're gonna get dressed in front of me.

Your dignity has totally gone little bro! It's overrated anyway...

... Oh! Right! Like, duh! I have some other things to add to it too!

I don't have any choice do I?

Hmm, nope! Not a choice at all!

The gloves are on. I can relax though, I doubt that she's got anything more shame-inducing than this planned.

OK
Jasmine, I've put it all on...

Ha, yeah... not gonna lie; I'm as uncomfortable as hell right now. Can I take this off now?

waft

Hey girl, is it hot in here or is it just you?

No way José! How are you gonna go trick-or-treating without your costume?

"Trick-or-treating"?! You don't expect me to go out there in this do you?!

Hehe, you shouldn't have been so mean to me! I was gonna have you buy me some candy but this is way better!

Silly little bro, this is only 'part 1' of 'part 2' of your punishment!

No.
I refuse. I won't
suffer this anymore,
it's gone beyond
a joke.

You think
I'm joking? Want
to test me on that
little bro?

There's
no way you're
gonna get me to
go out
trick-or-treating
in... well,
this!

wave

I-
well-
URGH!
FINE!

Where was
she hiding
that?

Woahhh!

'Kay bro
you're gonna fill
that sack full of some
sugary goodies to
get your big sis
to forgive
you.

If ya
don't then
say 'buh-bye' to
any respect from me
or decent society
when I upload
that vid.

Do ya
understand me?
I expect lots
of them
'kay?

Uhhhhh...

Somewhere in the local neighbourhood...

Tap

Tap

I can't believe this, I can't do it! Someone's going to recognize me!

It's not just the costume I'm 18 for God's sake! Only kids do this, whoever answers the door is going to think I'm a mega creep!

I haven't had the courage to knock on a single door yet. I wonder if I can rush to a store and buy some candy, she won't know the difference, right?

Huh?

A
jack o' lantern?
A bit random... It's just here
in the middle of the
path.

Why would
anyone put this here? It's
not as if they lit it up
either.

...

I'm... getting
a really bad vibe
from it...

So then I told her "here's a trick for you" and then I whipped it out!

HA!

HA!

A shame she dumped you over it though...

C'mon man, why'd you remind me?

What, someone's coming?!

So... we looking for some babes tonight?

Man, we're heading to a Halloween party, it's gonna be babe city! Think of those slutty costumes!

No! That guy on the left goes to the same Academy as me! He'll know me for sure!

I-I need to hide!

Sure got over your dumping fast, huh?

If we find some we find some... I just want to relax tonight.

If it happens it happens. It's not what I'm looking for tonight.

UBAR

MB

Did that thing just talk?!

Am I on some sort of hidden camera show?

...

I wonder if I could hide my face with it? I **am** desperate-desperate enough to wear a raw pumpkin!

...

There is a hole in the bottom. If I want to put it on it would be a bit of a squeeze...

Speaking of babes, I think I see one up ahead!

Hey there! How are you doing tonight?

I... have no time...

YOU HAVE NO TIME

Hey,
you! Did you hear
me?

Wait,
when did-

**WHEN DID
THE PUMPKIN GET
ON MY
HEAD?!**

Holy shit,
holy shit. I must've
blacked out or
something!

Holla at
you girl, you need some
help? It looks like you're
struggling with
something there.

What
he said, but less
cringey. Do you
need help?

Really?
Who talks like
that?

Help?
Yes I-

No...
I'm screwed either
way. If the pumpkin comes
off the guy on the left will
recognize me... but it's
better than having this
on my head I guess...

Hey!
You going
somewhere?

Bro,
she's a total
flatty. She's all yours,
I'm going to the party,
we'll catch up
there.

...

Sorry
about that, my
name is 'Brian'
and that asshole
is 'Liam'.

Worry not,
I do have a lackluster
chest. My moniker
is... 'Pam'.

It's
Chris!
C-H-R-I-S!

Nice to
meet you. Come on,
I'll take you to the
party. That's if you
still want to?

Indeed I do.
I shall work on my
insignificant chest on
the way.

What
do you mean?
Why is my chest
so warm?

Okay?

It is!
And I want help
removing it! Also, real
smooth 'Casanova',
you're complimenting a
man right
now!

It is
real.
Flatterer.

Ow! My
chest feels like it's
on fire! Why is this
happening to
me?

Sooo...
...is that
pumpkin real?
It looks real... it
smells real too. I've always
liked the smell of
pumpkin you
know?

Well,
great commitment
to the outfit... lucky
you found such a
well-sized pumpkin
to fit your head.

At the party location.

Here we are. You know, you don't talk much and... you seem sexier than before...

Gross, cut it out man.

I am conserving energy for the 'partying', silly!

That's cool, that's cool. This place is owned by a guy called 'Aran' he's super cool, ice-cold in fact.

Hey Aran! It's Brian with his plus one!

'Aran'? I know that name, it can't be the same one from Quid Est, right?

Brian? Nice of you to make it bro. Sorry, just setting things up in here.

Fuck my ass it is! How could this night go further downhill?

Hey everyone, Brian brought a guest, her name's Pam, so now we have another two brave souls for our game!

That pumpkin, is that real?

What a cutie... lucky Brian!

Whoa, look at that costume!

I wish I'd thought of something more original... we all came here in the same bright luminescent skin suits...

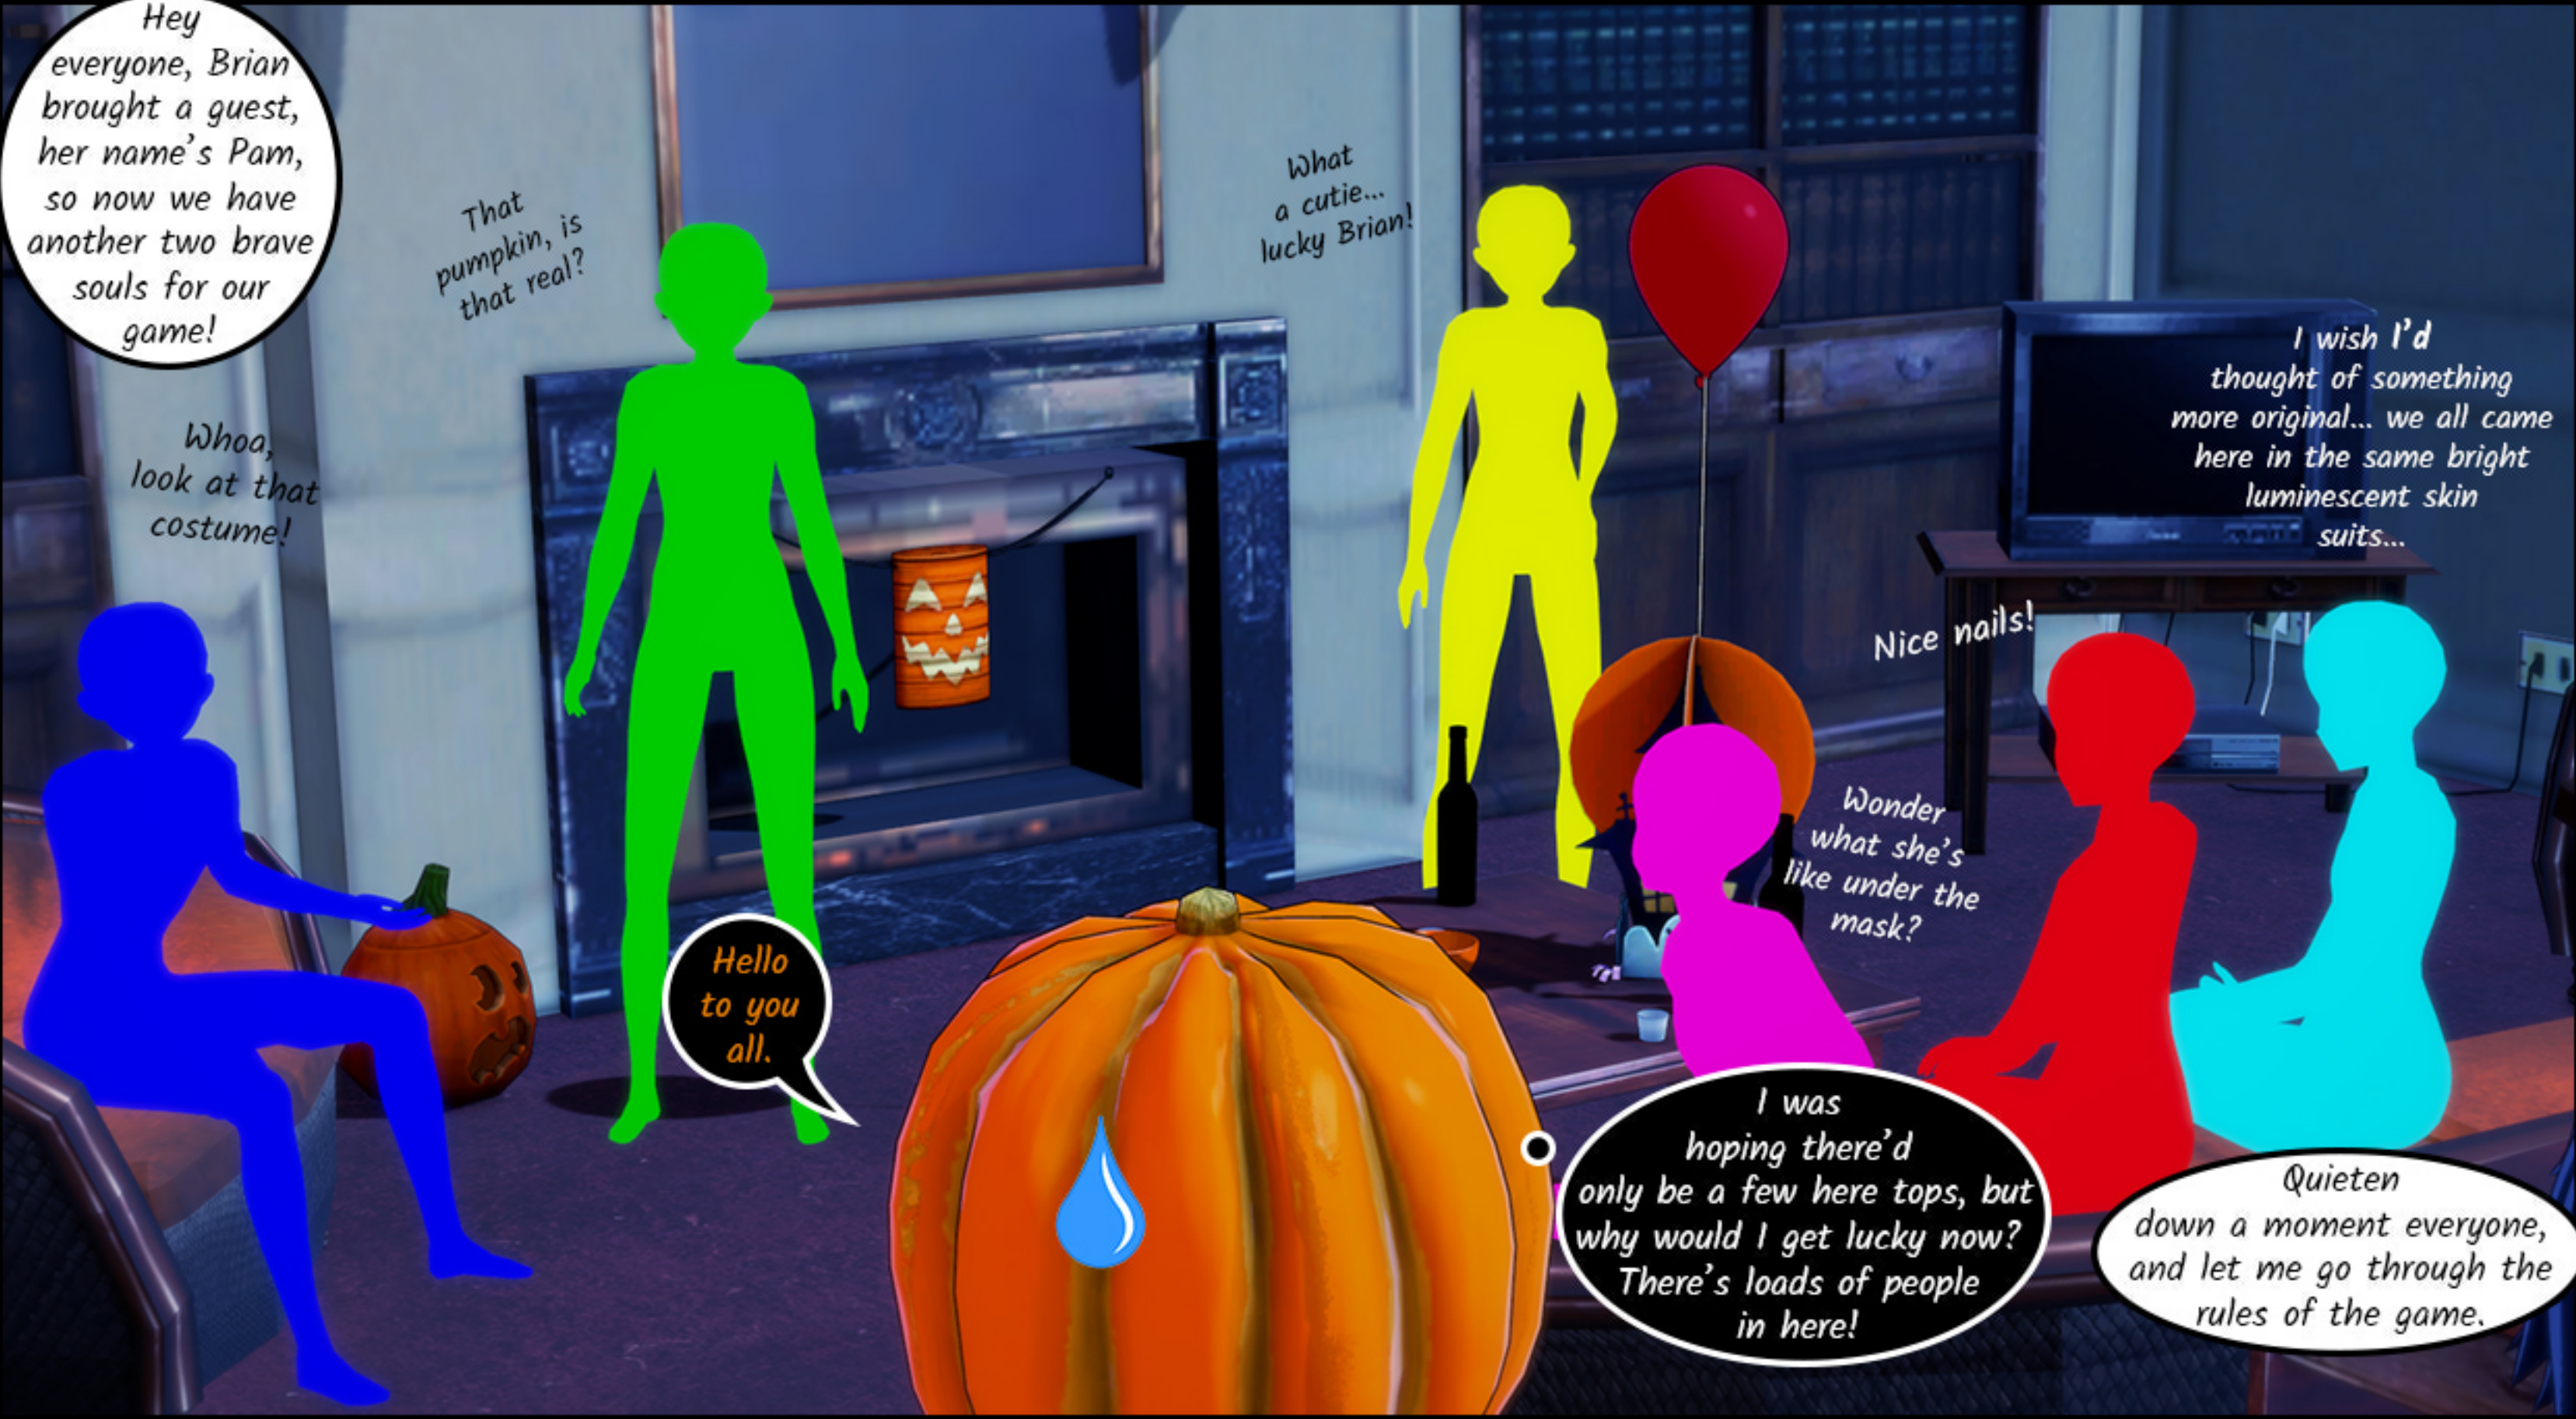

Nice nails!

Wonder what she's like under the mask?

Hello to you all.

I was hoping there'd only be a few here tops, but why would I get lucky now? There's loads of people in here!

Quieten down a moment everyone, and let me go through the rules of the game.

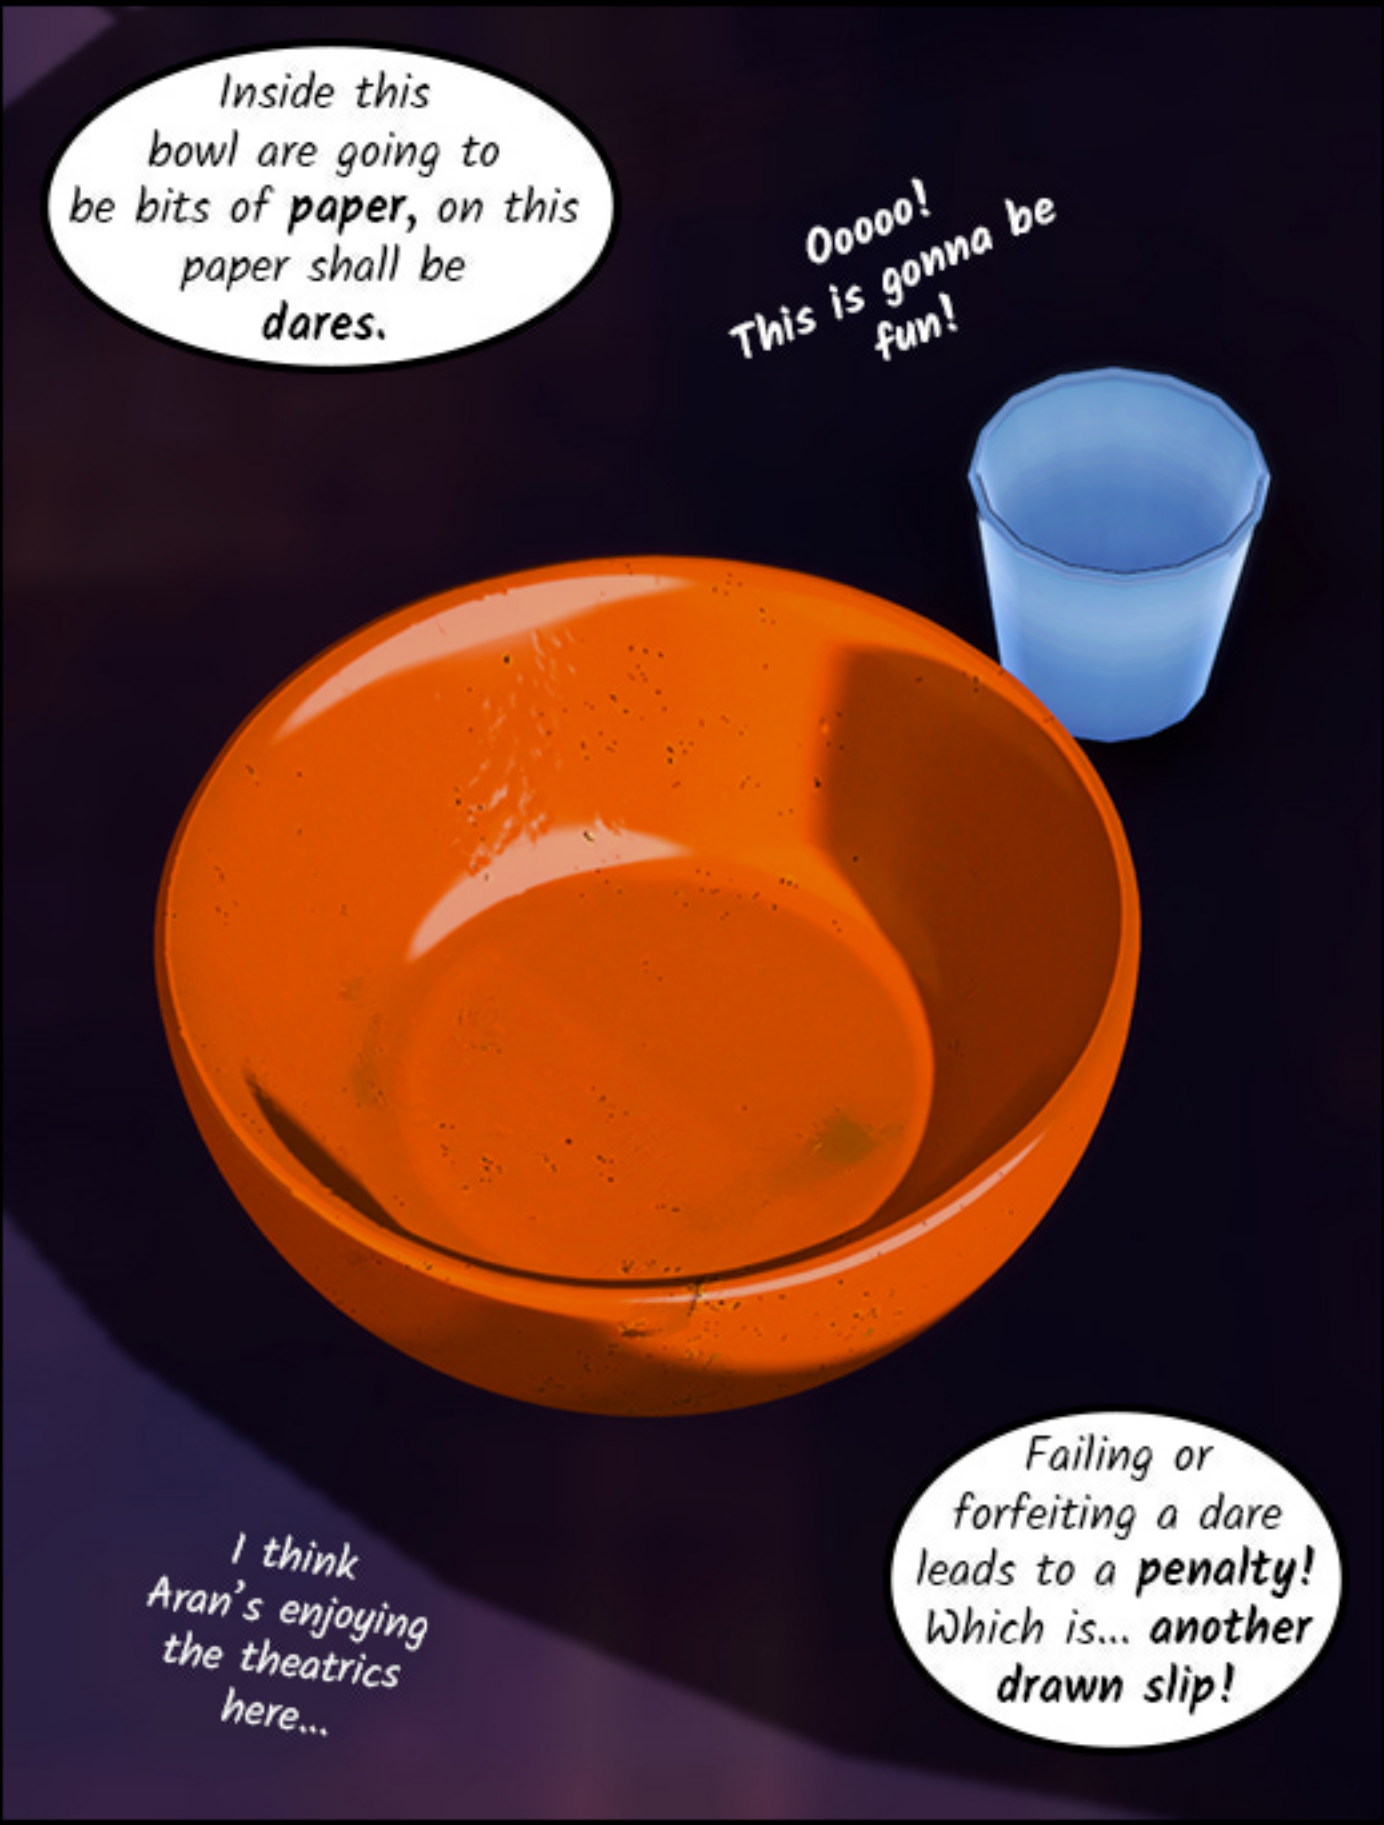

Ladies and gentlemen, allow me to direct you to a most insidious bowl.

Egads!

gasp!
Not a bowl!

If I don't make it, tell my girlfriend... she's only a 9 out of 10!

I'm literally right next to you **butthole!**

Inside this bowl are going to be bits of paper, on this paper shall be dares.

Oooooo!
This is gonna be fun!

I think Aran's enjoying the theatrics here...

Failing or forfeiting a dare leads to a **penalty!** Which is... another drawn slip!

Oooohh...
this does sound
like the 'fun' I was
searching
for.

Knowing
Aran, he's probably
got some wild dares
in there.

I have
a really, really
terrible feeling
about this, I hope
there isn't anything
too "wild" in
there.

As Brian
arrived late, I
think he should
pluck the first 'slip of
destiny' out of the
bowl, what does
everyone else
think?

You can
do it Brian!
Have the balls
man!

Woo!
Go for it
Brian!

Good
fortune to you
Brian.

Brian
has the first dare,
so why do I feel
so nervous about
this?

Are you not happy with me?

Man... what a girl...

Y-you-are okay with this?

Whoa! She's totally into it!

I think she wants to get freaky with you Brian!

Come hither, before you get your... 'punishment'.

Yes... now remove my boot.

No! I don't want this!

Are you sure you're fine with me doing this? I mean, I don't mind but-

Really?!

If you do this then I shall take you upstairs and we shall get more intimate.

Of course. I do not tell lies.

whistle
You go Brian!

Wish I'd been picked in that dare lucky dip...

What are you making me say? SHUT UP!

No! If he does this he'll see my dick! It'll all be over!

SO THAT IS YOUR CONCERN ALLOW ME TO ALTER THAT

You can read my mind?! Wait, my head, my face, MY DICK! Why does it all hurt?!

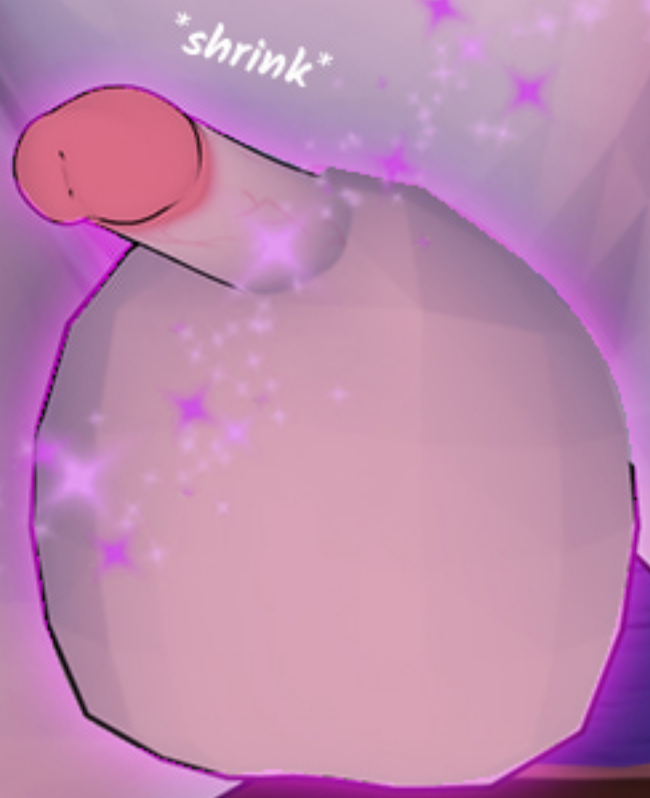

Who-
what are you? Are
you shrinking my
dick?!

I AM THE SPIRIT OF HALLOWEEN
MY MISTRESS CREATED ME TO
BOTH TRICK AND TREAT THE ONE
WHO I BESTOW MY BLESSING TO

What,
like the spirit of dick-less
past?

DROLL
CHRIS I KNOW YOU BETTER THAN
YOURSELF AND I AM ALTERING YOU TO
BE MORE TRUTHFUL IN BODY AND
MIND

You are
shrinking my
dick!

AS HALLOWEEN PASSES
AS DOES MY POWER
MY TIME IS NEARLY DONE
BUT YOU ARE
ALMOST REBORN

"Reborn"?!
Into a girl?!

FAREWELL CHRIS
WHEN SOMEONE NEEDS ME
I SHALL PRESENT MYSELF AGAIN
BUT NOT UNTIL NEXT
HALLOWEEN

...

Okay...
second boot
off...

You can
do it Brian!

This is really
erotic for some
reason...

Are you
ready Pam?
I'm-

He's doing it!
He's doing it!

HA! Denied!

BOOP

Huh?

Pam made you
fail! Punishment
time!

Sorry
Brian. I'm stopping you
right there. I want to
show you who I am before
we continue.

Oh my God!
Face reveal at zero
subscribers?

I bet she's
so hot under that
mask... pumpkin?
whatever it is!

O-okay
Pam... I thought
you were sabotaging
my dare for a
sec...

I am
sabotaging
you...

...but only
because I want
to decide your
'punishment'.

LIFT

Huh,
somehow knew that was
coming...

Upstairs in the bedroom.

Toss

Come on Brian, let's explore my body together.

Wow...

This is my first time though... don't be too rough, okay?

huff

Wow...
you are pretty
big...

Bigger than
when I was a
guy...

THROB!

I'll make
sure you're ready
for it, don't
worry.

Back at
my feet again?
have you got a
foot fetish?

kiss

Well,
I didn't finish
my dare, at least
I can't be called
a coward.

peck

No,
who could resist
kissing such pretty
feet?

Is that the
only reason?

Brian's really good at this... I'm feeling so turned on...

Pam, are you ready? This is going to be sensitive.

Brian, wait. It... doesn't look weird does it?

Pam, can you stop being so cute? It's making it hard not to have sex with you right now. No, it's a perfect pussy.

LICK

AHHHNNN!

A woman's orgasm... is no joke. That was so powerful...

Haaah

Did you enjoy that Pam?

Are you ready for me? I'm about to blow my load with how cute you're being.

Yes...

I think so, but Brian...

Pam,
if you're scared
you don't have to
do it...

Please
don't stop,
please don't
stop!

No.
We came here
to do this. I wouldn't
blue-balls anyone either,
I know what that's
like, **believe**
me.

oooooooooooooooo!!!

Goodbye
Brian, being in a
relationship right now would
be complicated, I still need
to find thing out about
myself. I'll never forget
you.

"Kiss"

On the route home...

Was that
the right thing to
do to Brian? I know that
would've devastated me
as a guy...

... but I'm
not a guy anymore, which
is why I couldn't keep with
him- things are just too
complicated now.

How am I going
to explain what has
happened to my
sister-
