This is Amelia to
all Hololive players..
The Hunter is in
the restroom.

A-Amelia..!?

This could be
a trap.. to lure
all of us in.

Hurry up! Those two might be in danger!

Korone? Where
is Amelia?

She said she need
to use restroom
and gone for a
while now..

I tried to call for her after that, but the door is locked!

Show me! I may be able to unlock it.

Right this way!

It wasn't locked..
But.. we are late..

The first player to
be game over..

And the knife next to Amelia.. Is she.. the Hunter?

Uwoaaahhh!!
This is harder
than Among Us!

A comic panel showing a nude female character lying on a checkered floor. A speech bubble above her contains the text: "If she was the Hunter, the game would end right away." To the left of the character are a black shoe, a black bag, and a black object. A black object is also visible at the bottom right. In the bottom left corner, there is a small illustration of a character with a star on their forehead.

If she was the Hunter,
the game would end
right away.

"That announcement was Amelia's voice.. What is the point calling everyone..?"

Botan.. Have you already had a clue?

No, not at all.. I'm stuck..

But I doubt about
this game's rules..
Something is off..

Only my guess..
The game rules
was too simple?

You can be seen as the Hunter if you keep hiding.

A large, glowing pink figure, possibly a mannequin or a character, is the central focus of the scene. It is positioned on the left side of the frame, with its back to the viewer. The figure has a smooth, metallic-looking texture and is emitting a bright, warm light. In the background, three anime-style girls are looking at the figure. The girl on the left has white hair and green eyes, wearing a white sailor-style outfit. The girl in the middle has long grey hair with black cat ears and is wearing a white dress with black accents. The girl on the right has dark brown hair and is wearing a yellow and white outfit. The setting appears to be an indoor room with a door and a window in the background.

N-No.. I'm not really the culprit.

Ah..!?

Suisei!? I didn't see you join the game?

Ah.. I was in Miko's group..

So.. Miko made her own group with other outsider..

Is that you, Okayu..?

In the first night,
were we already
in group of three?

I'm about to ask
you the same.

Suisei. Can you tell us what happened and why you are here?

W-Well.. I was invited my Miko herself to the game.

Is this the knife?
Then we are safe?

And with Reine, too.
The first night, somehow,
we found the knife..

It's easy than
I thought..

And then..?
Why didn't you
guys tell us?

It was Miko! She's
like a GM
(Game Master)!

It all happened
so fast..

Miko? Game
Master? Tell us
about the rest.

Will the Hunter
come to get us?

No, you are
wrong, Reine..

Because I'm
The Hunter.

"I simply just
need.. to report
to everyone.."

"Eh..!?! Where's
my radio!?! I thought.."

I turned yours off, this is The Hunter's ability.

I can change the game rules once, give the Hunter a bit of buff.

Then this game
from the beginning..

No, I can only
stop you from
communicating.

If you can point out
the Hunter, you win.

But.. I won't
let that happen.

I have a plan to make the game more interesting..

And you with
Reine will serve
for that purpose.

"I thought.. this
only just a game..
But it's far more
than that.."

Then.. Miko is the Hunter..

No.. We still have to confirm and point her out.

You guys wait,
we will come to
your place now.

What concern me is..
if Korone was outside
the restroom, how
can the Hunter escape?

Botan! Do you
copy!? The Hunter
is right..

Come in, Okayu.
What are you
trying to..?

Static.. *Static*..

A full-body illustration of a woman with blue hair, wearing white lace-trimmed underwear, standing in a shower stall with pink tiled walls. Her hands are clasped in front of her chest. A speech bubble is positioned to her right.

M-Maybe.. The Hunter is near..

We shouldn't stay here long..

True, maybe she tried to warn us..

Don't worry too
much, Fubuki.

We, the Detective,
is going to win
the game.

"Wait.. Every group has only three members.."

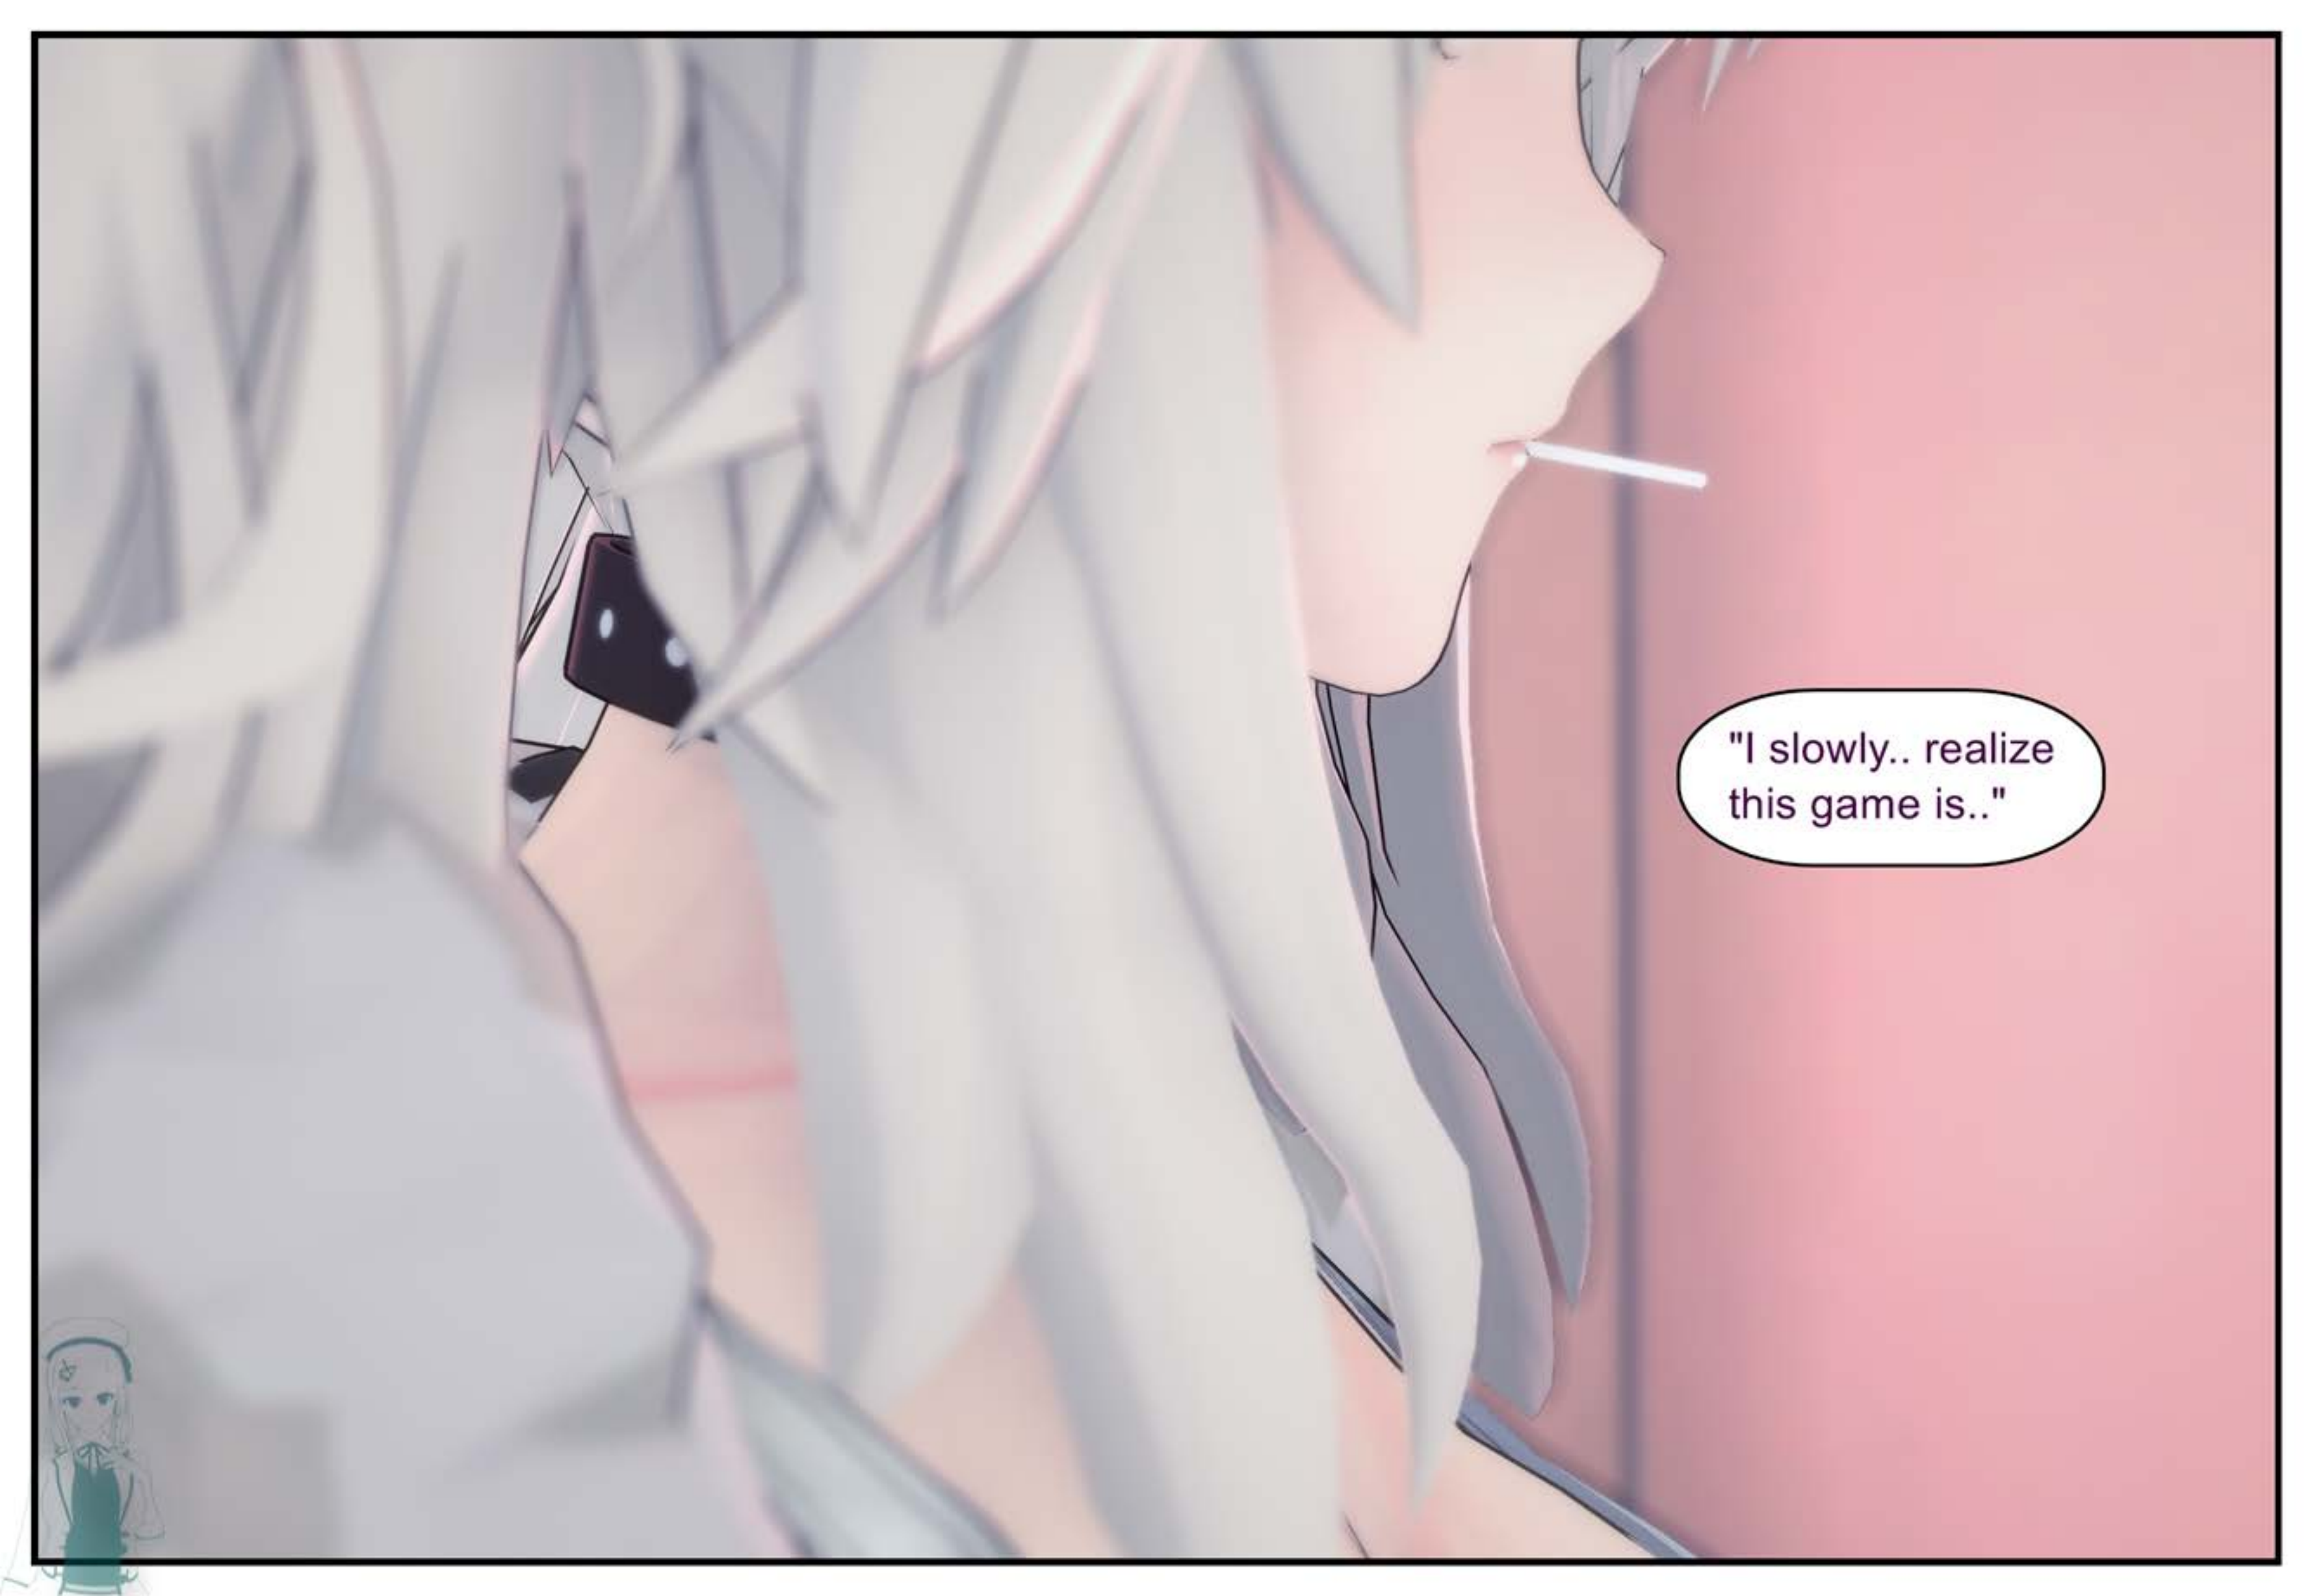

"The number
wasn't odd.. But
there's one."

"Miko may not
be the Hunter.. And
the game didn't
say how many
Hunters are there.."

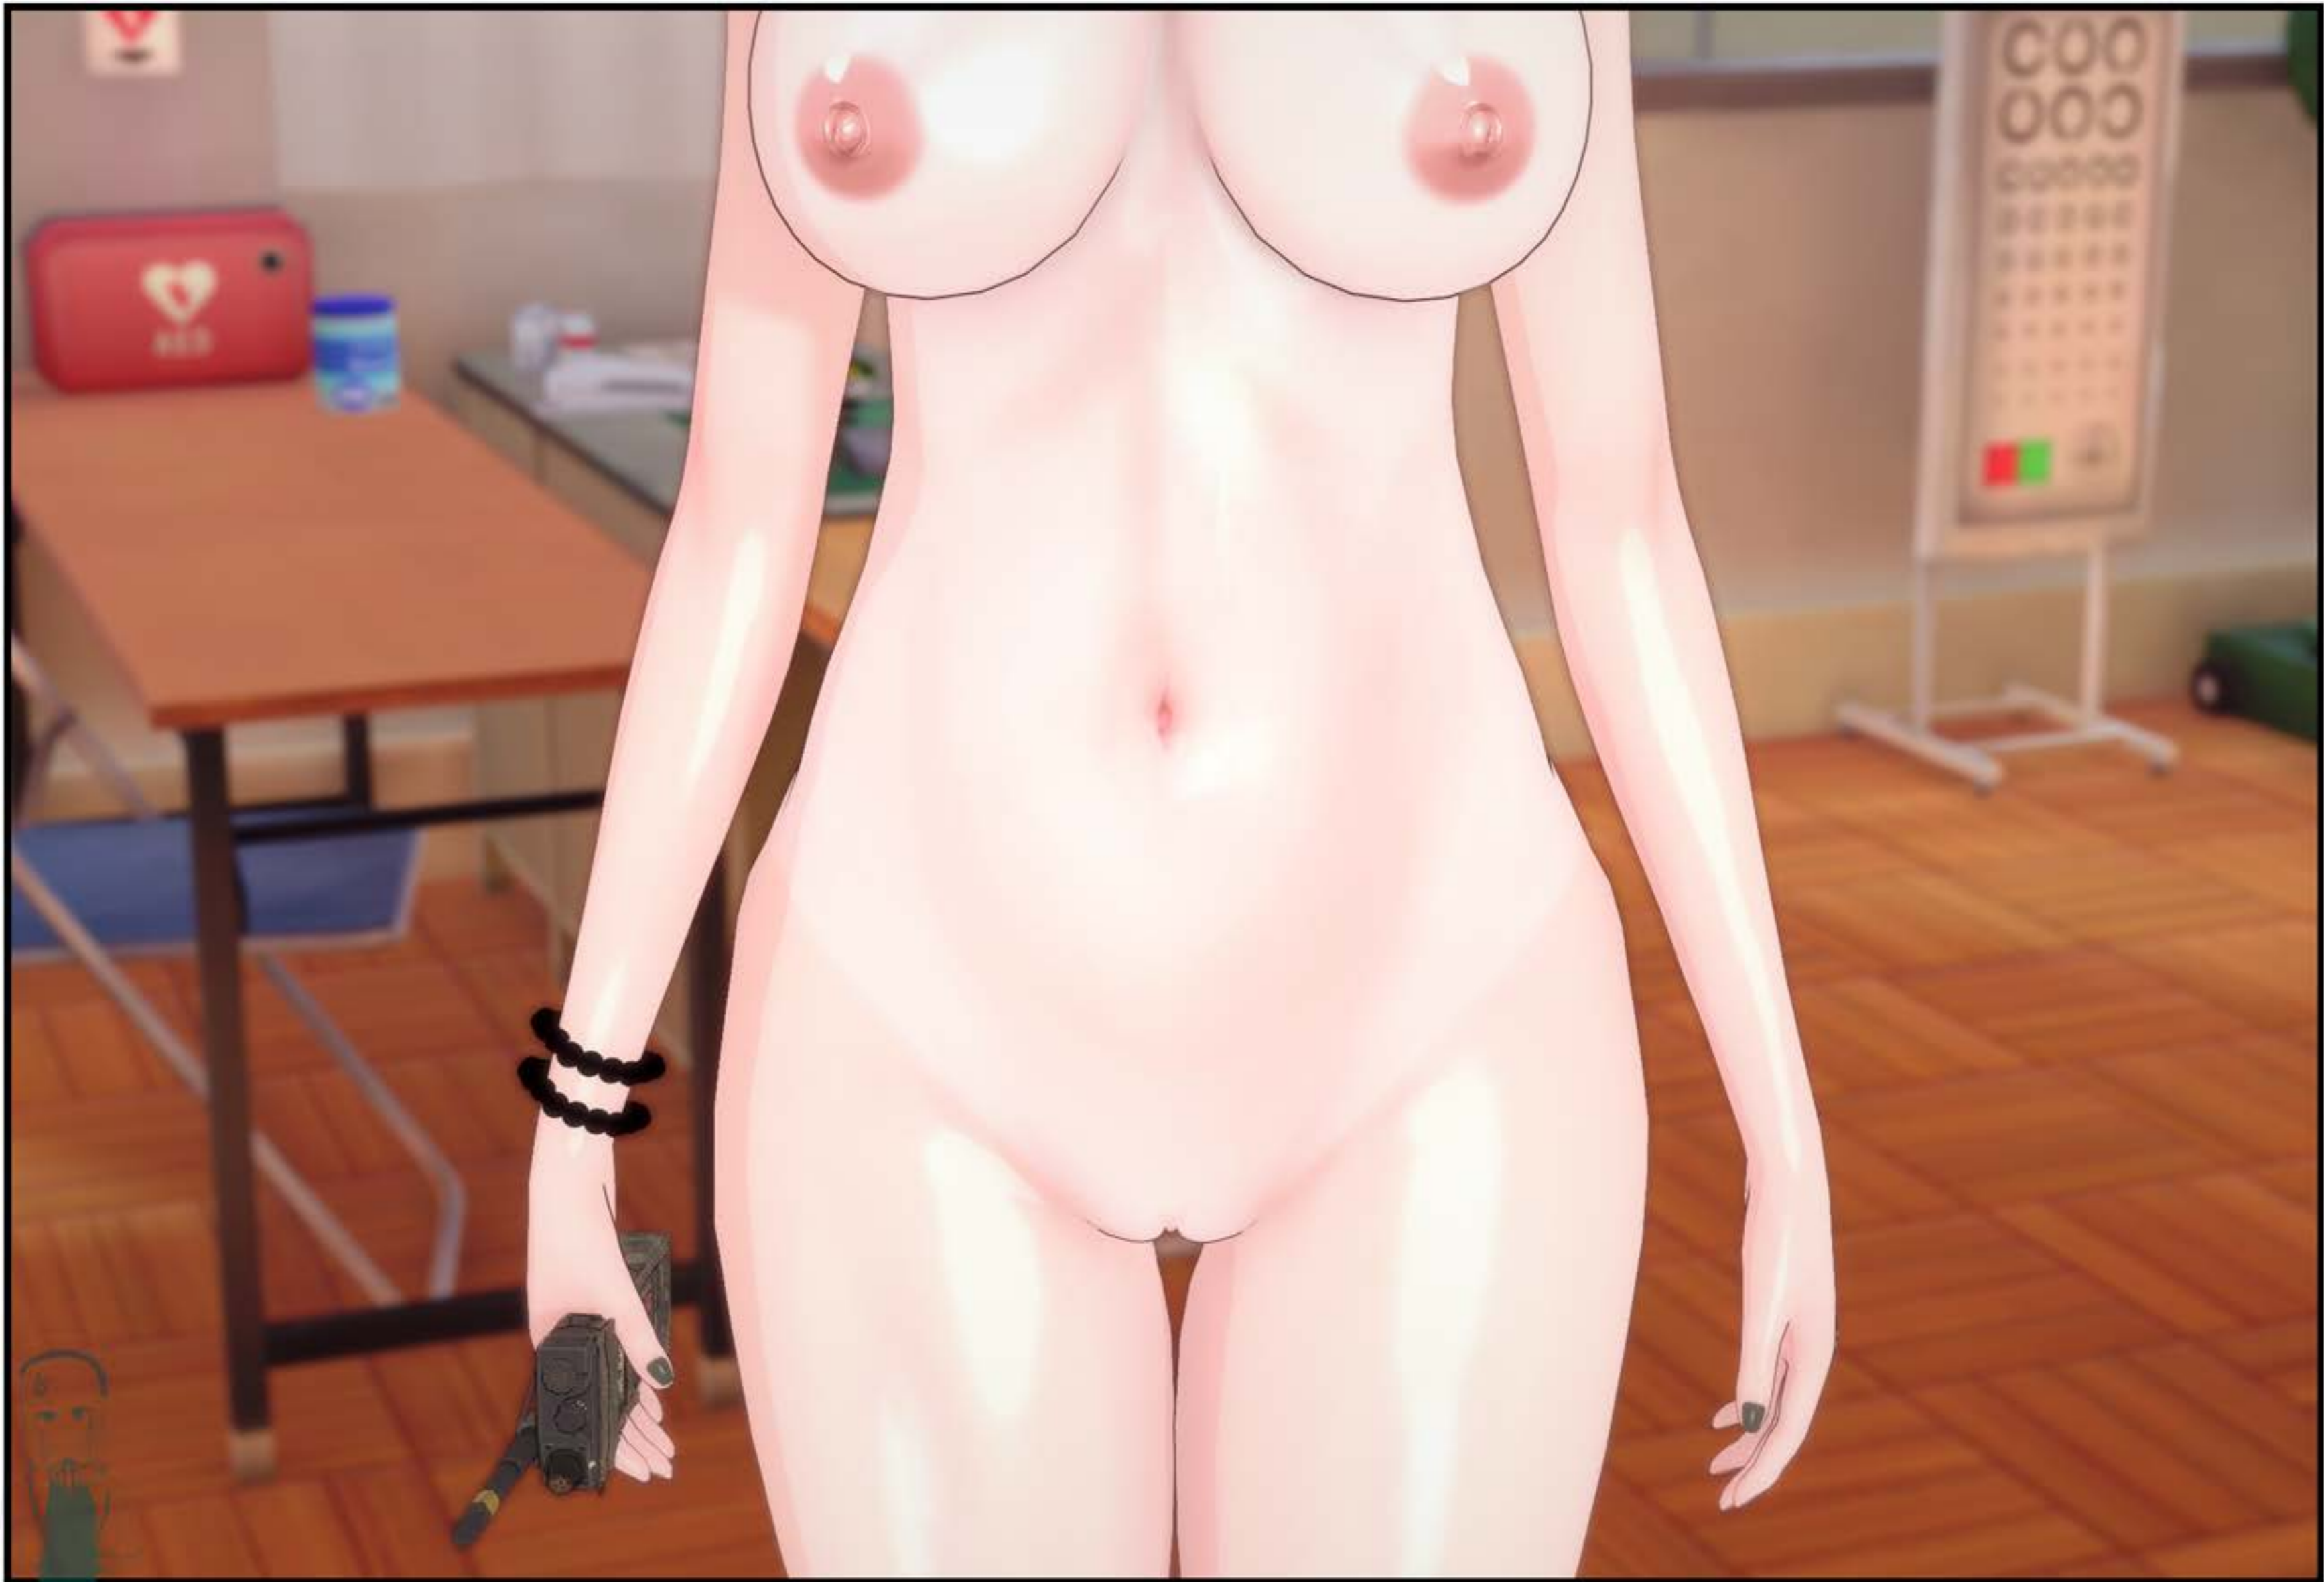

"I slowly.. realize
this game is.."

Okayu look pretty serious..

This game is so thrilling..

But I was curious about Miko..

..and the number
of Hunter, too.

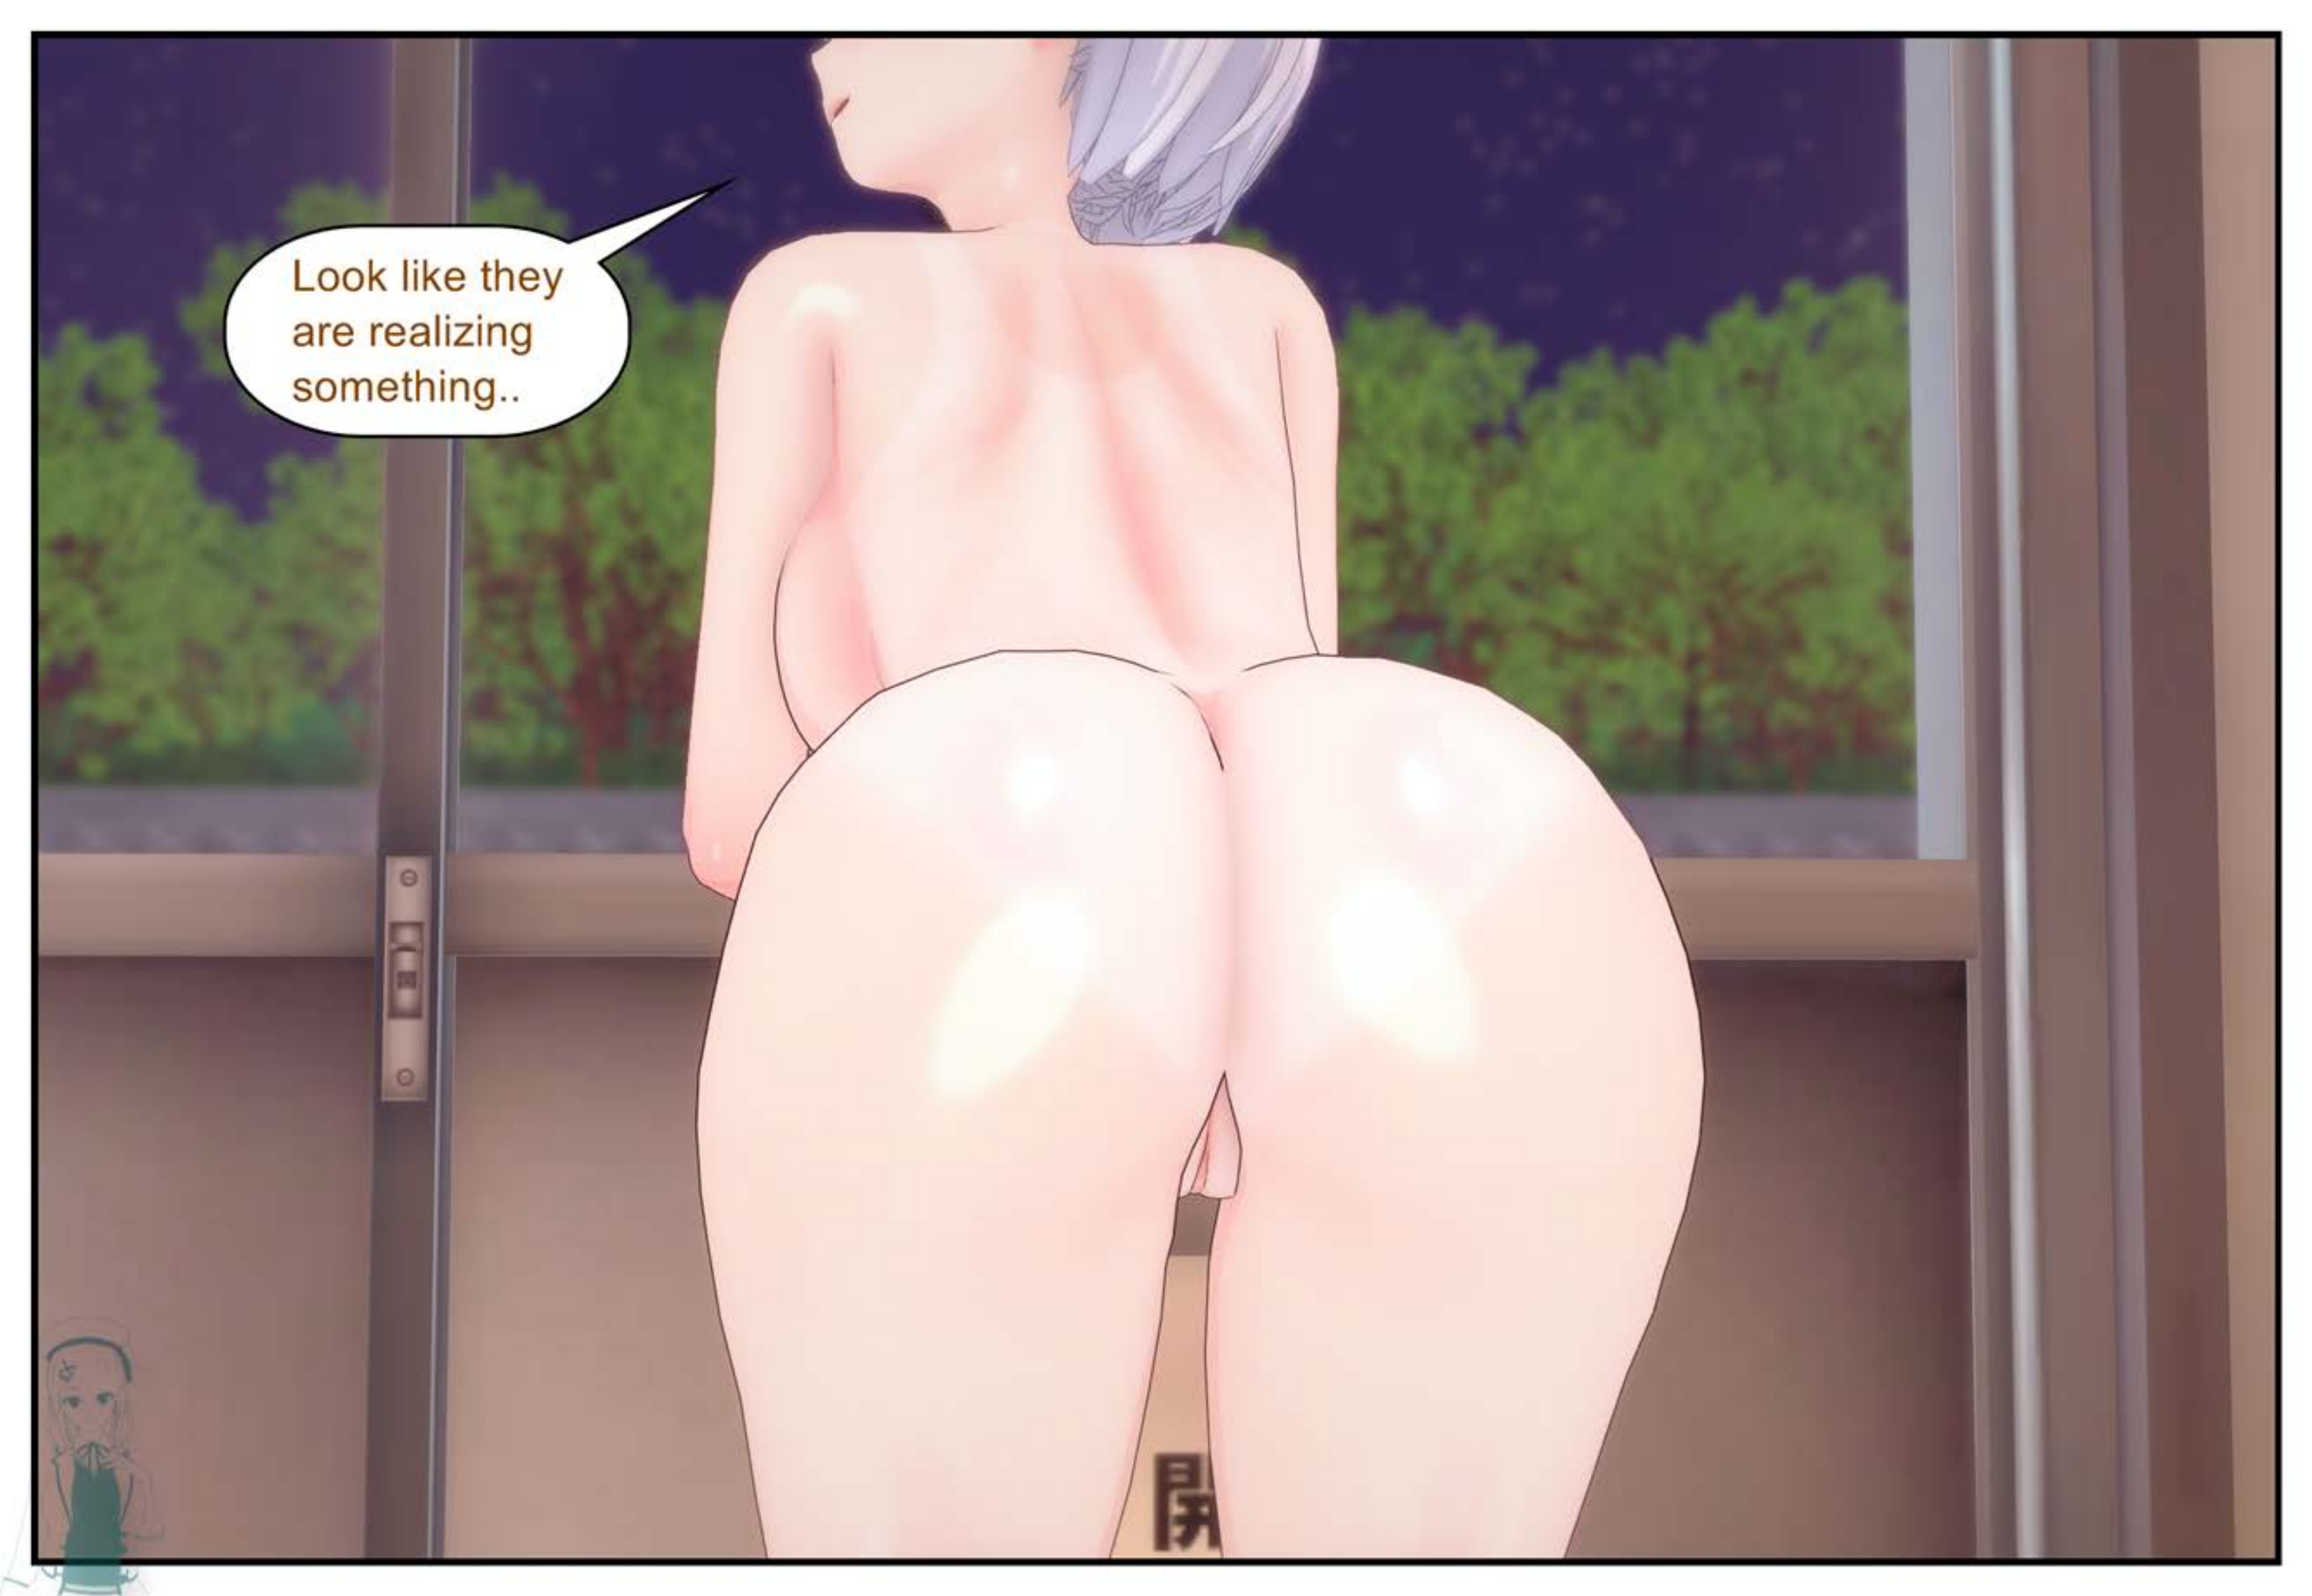

Could the Hunter..
can turn other
become like them?

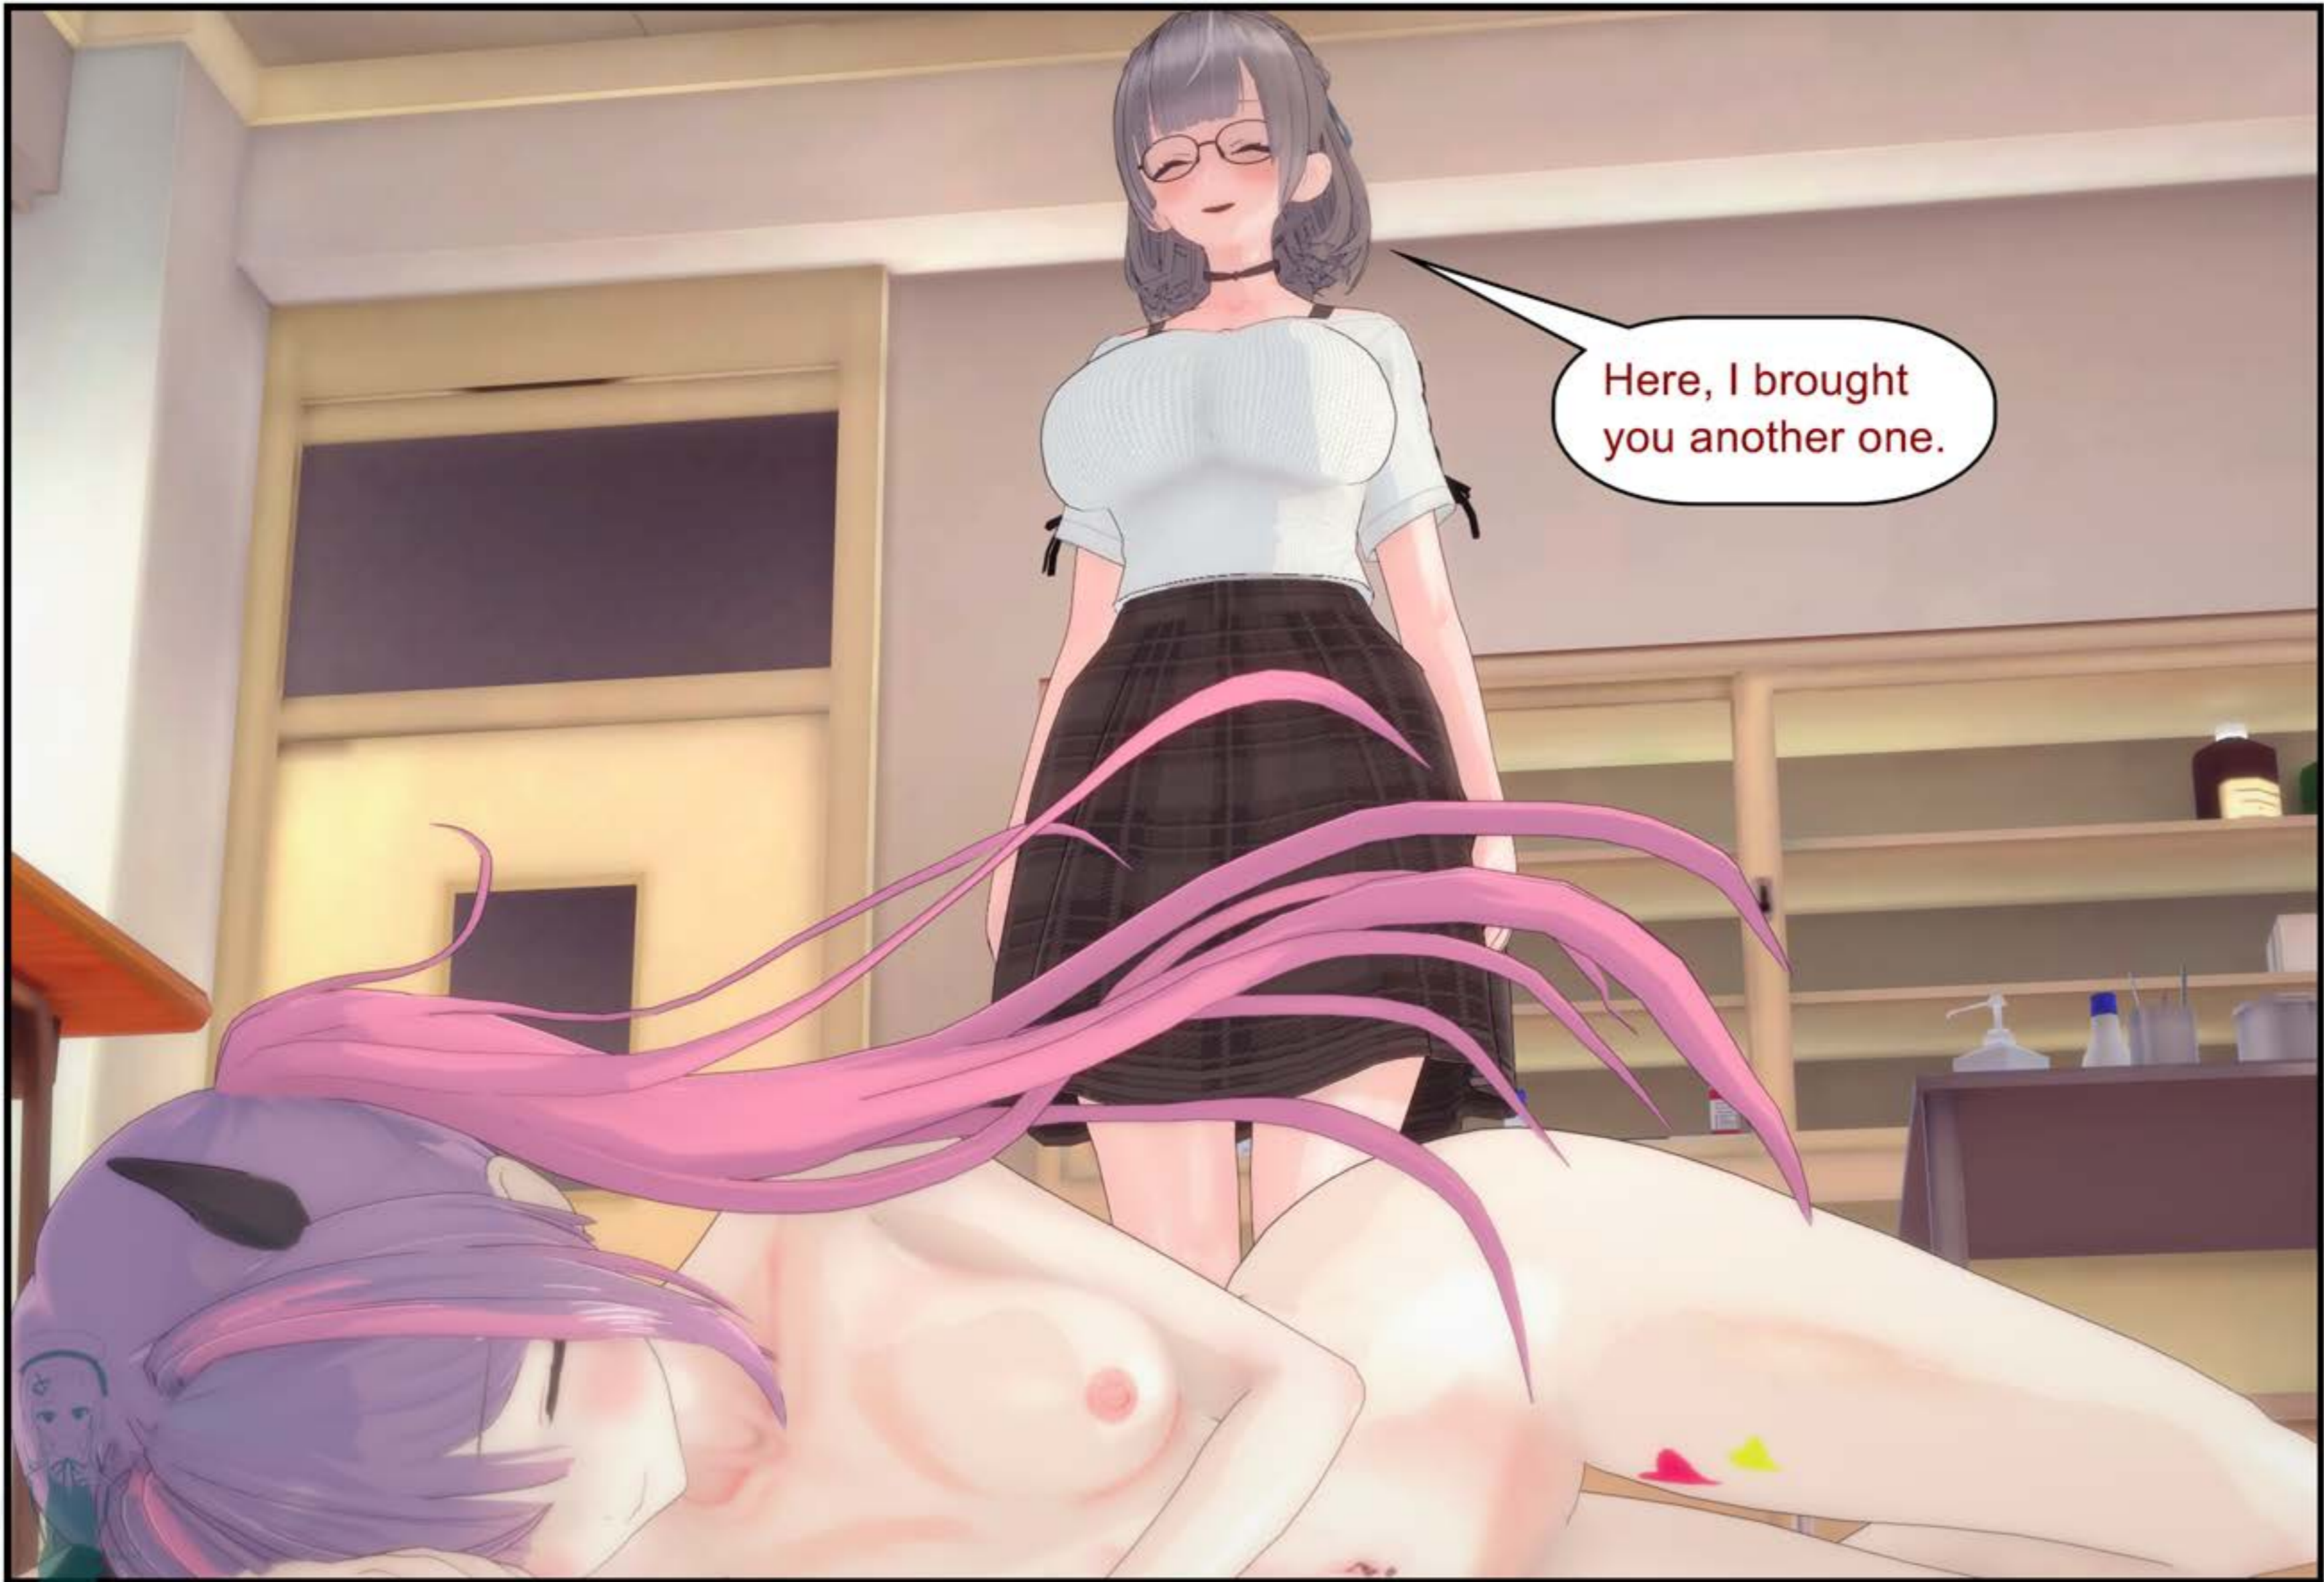

Yes, you
are right.

Look like they
are realizing
something..

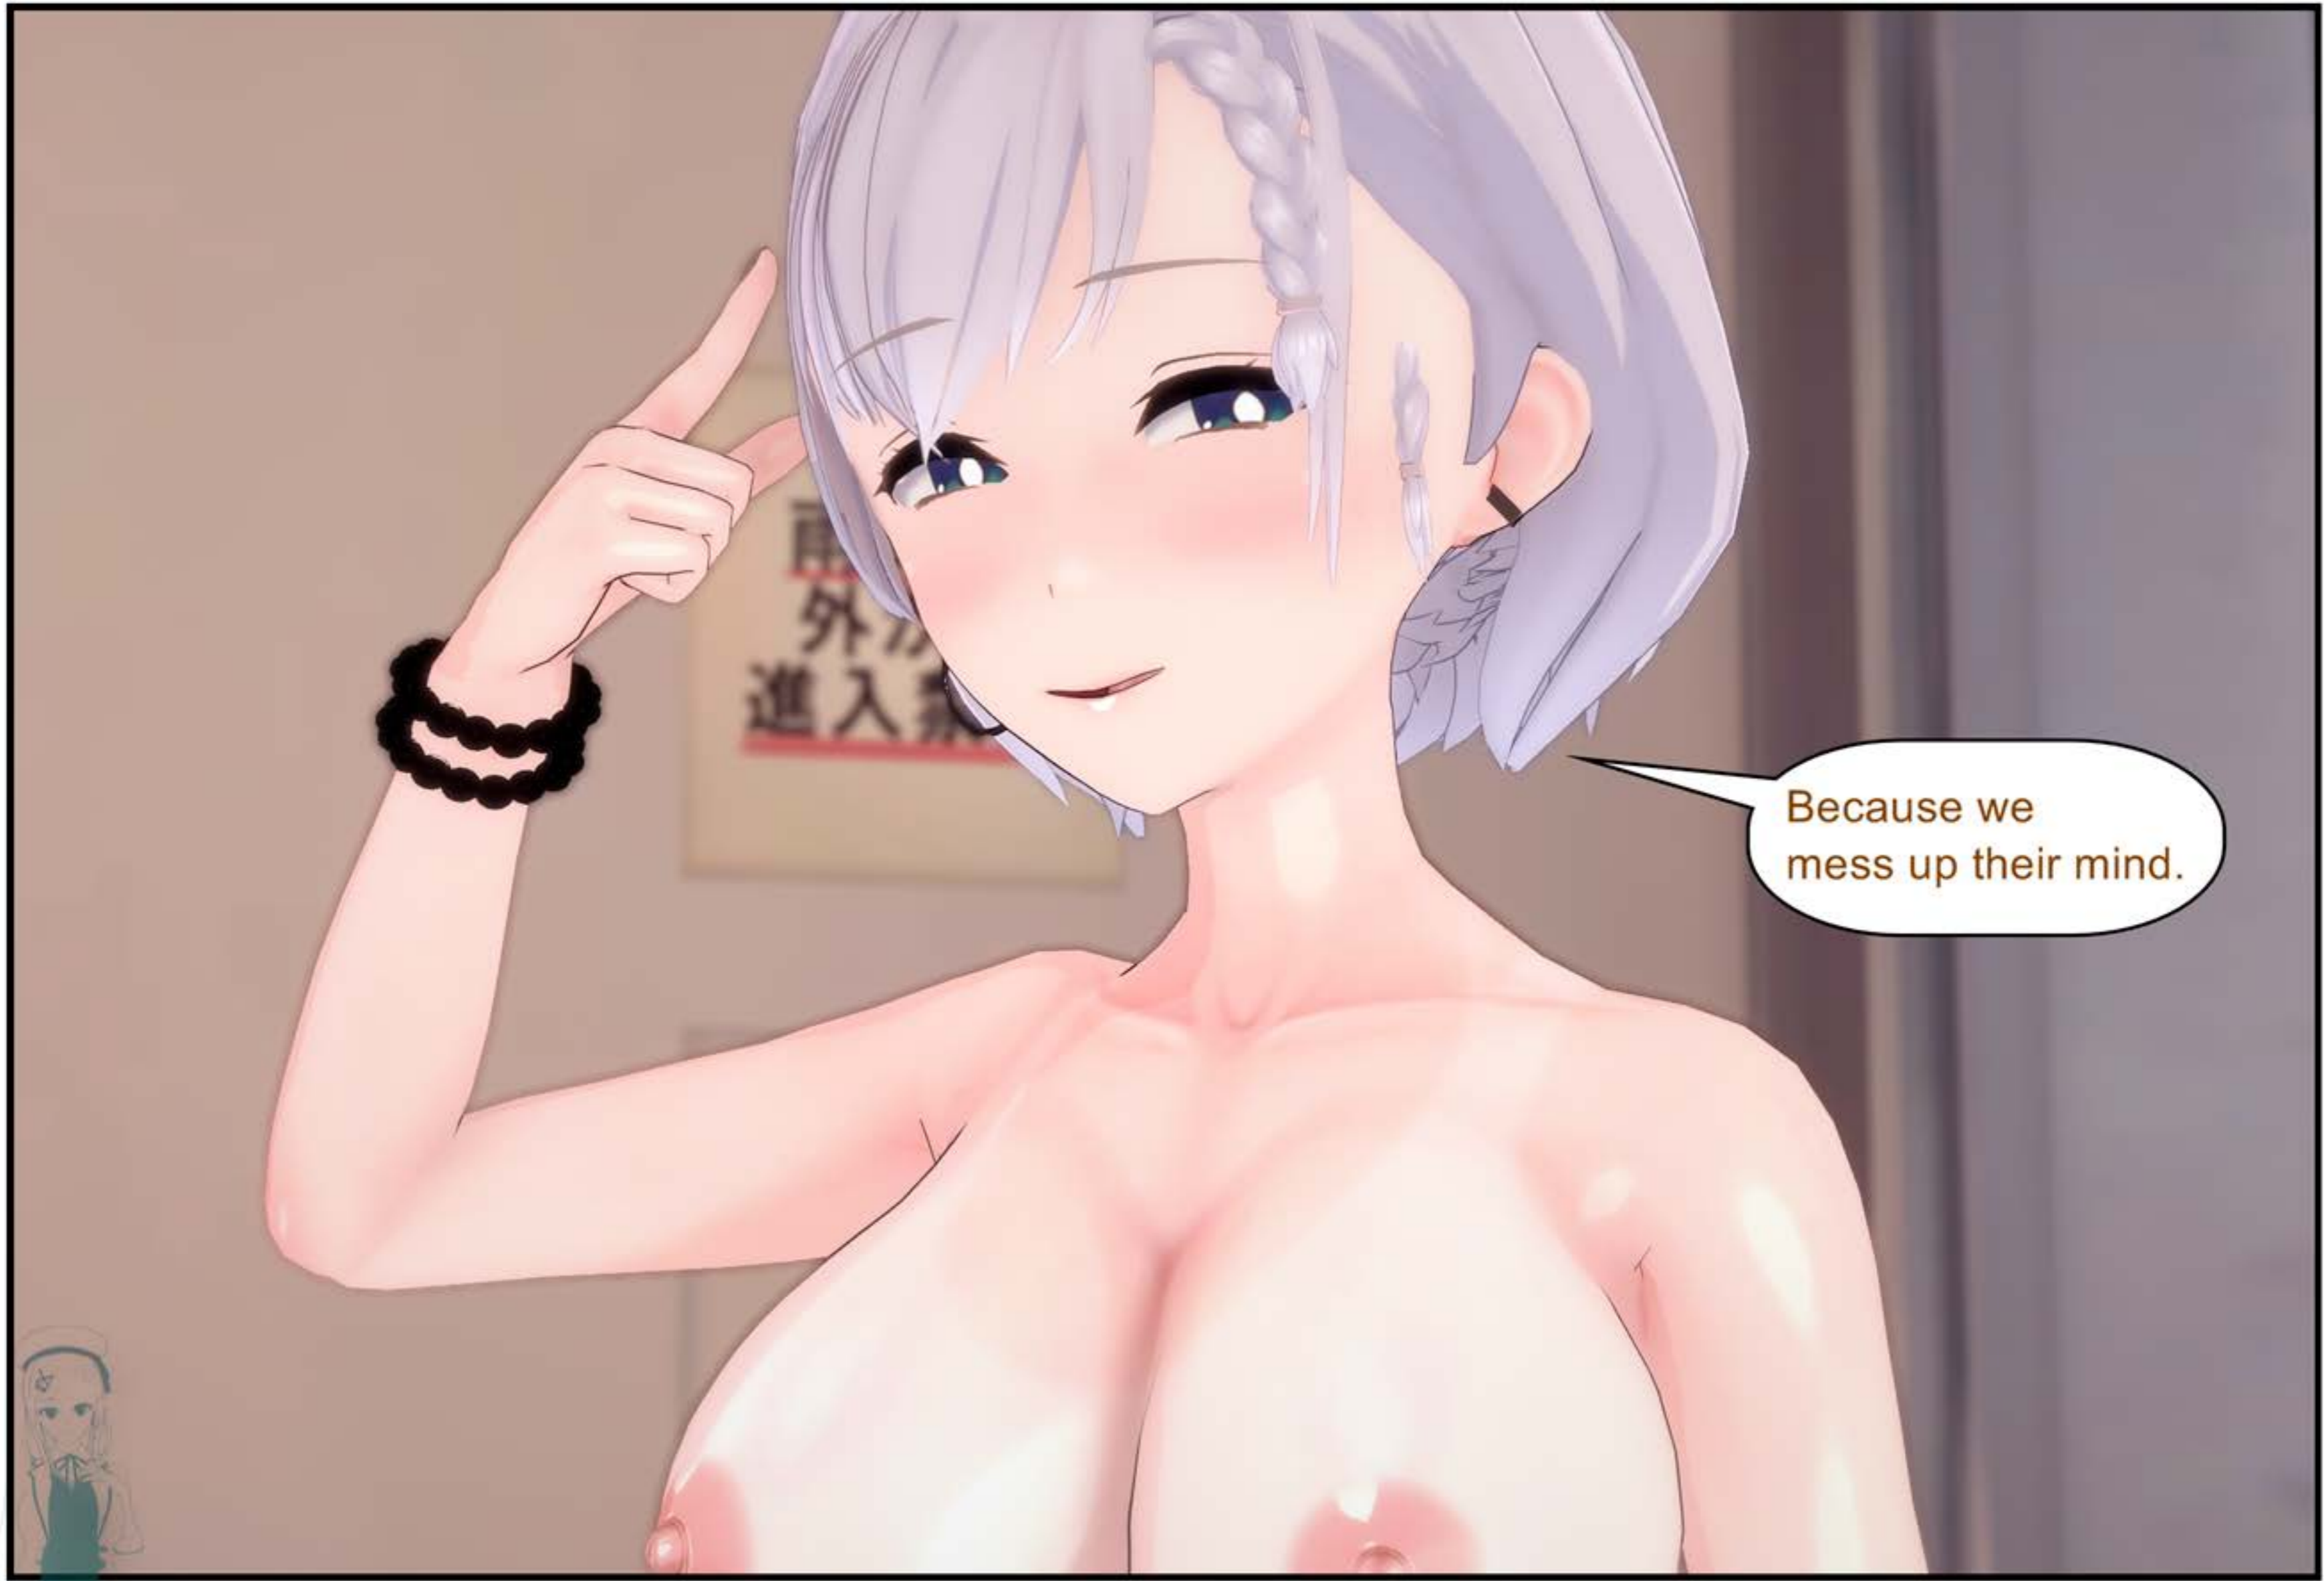

Here, I brought
you another one.

This is not a
game but it
was fun.

Looking at how they struggle in finding the truth.

Because we
mess up their mind.

Well, almost
to Day 3. We
should end "this
game" soon.

Bounus sexual scenes.
