**FREEHAND**  
**CLOAK**  
**STEP-BY-STEP**

# • **PAINTS REQUIRED:**

## **FREEHAND CLOAK:**

- **KANTOR BLUE**
- **XEREUS PURPLE**
- **PINK HORROR**
- **SOTEK GREEN**
- **FULGRIM PINK**
- **ABADDON BLACK**

**Basecoat the cloak with kantor blue.**

**Layer the raised areas on the cloak with xereus purple (bottom cloak, top sleeves).**

**Highlight the center of the previous layered areas with pink horror .**

**wash all the previous areas with xereus purple – add 4 part os water to 1 part of the paint.**

**Make random round shapes with sotek green, half the way up the sleeve, and down on the cloak. Dont forget to fill in the gaps between the round shapes.**

**Go a bit further down the cloak, with the same step as the previous, with a 1:1 mix of sotek green & pink horror.**

**Go almost down to the bottom of the cloak, leaving tiny a bit left, with a 1:1:1 mix of sotek green, pink horror & fugrim pink. Furthermore, go all the way up on he sleeves with the same mix.**

**Finish the bottom of the cloak with a 1:1 mix of sotek green & fulgrim pink.**

**layer the very top inside the round shapes on the cloak, and also half the way up on the sleeves with a 1:1 mix of kantor blue & abaddon black. Layer the bottom of the round shapes on the lower part of the cloak and on the top part of the sleeves with pink horror. Done!**
