"It's time to bring  
you back.."

Welcome you back  
from Hell..

Now.. Open your eyes..

..Arnes..

W-Wha.. I was..  
revived..?

It has been so long  
since last time, Arnes.

You might not remember who I am, right?

Of course not,  
Madam Wolbach!

Even in Hell, I never  
once stop worshipping you!

Then, what do you want me to do, Master?

Nothing in particular,  
one question..

Did you remember  
how you died?

Yes.. Master..  
I was..

That Crimson girl..

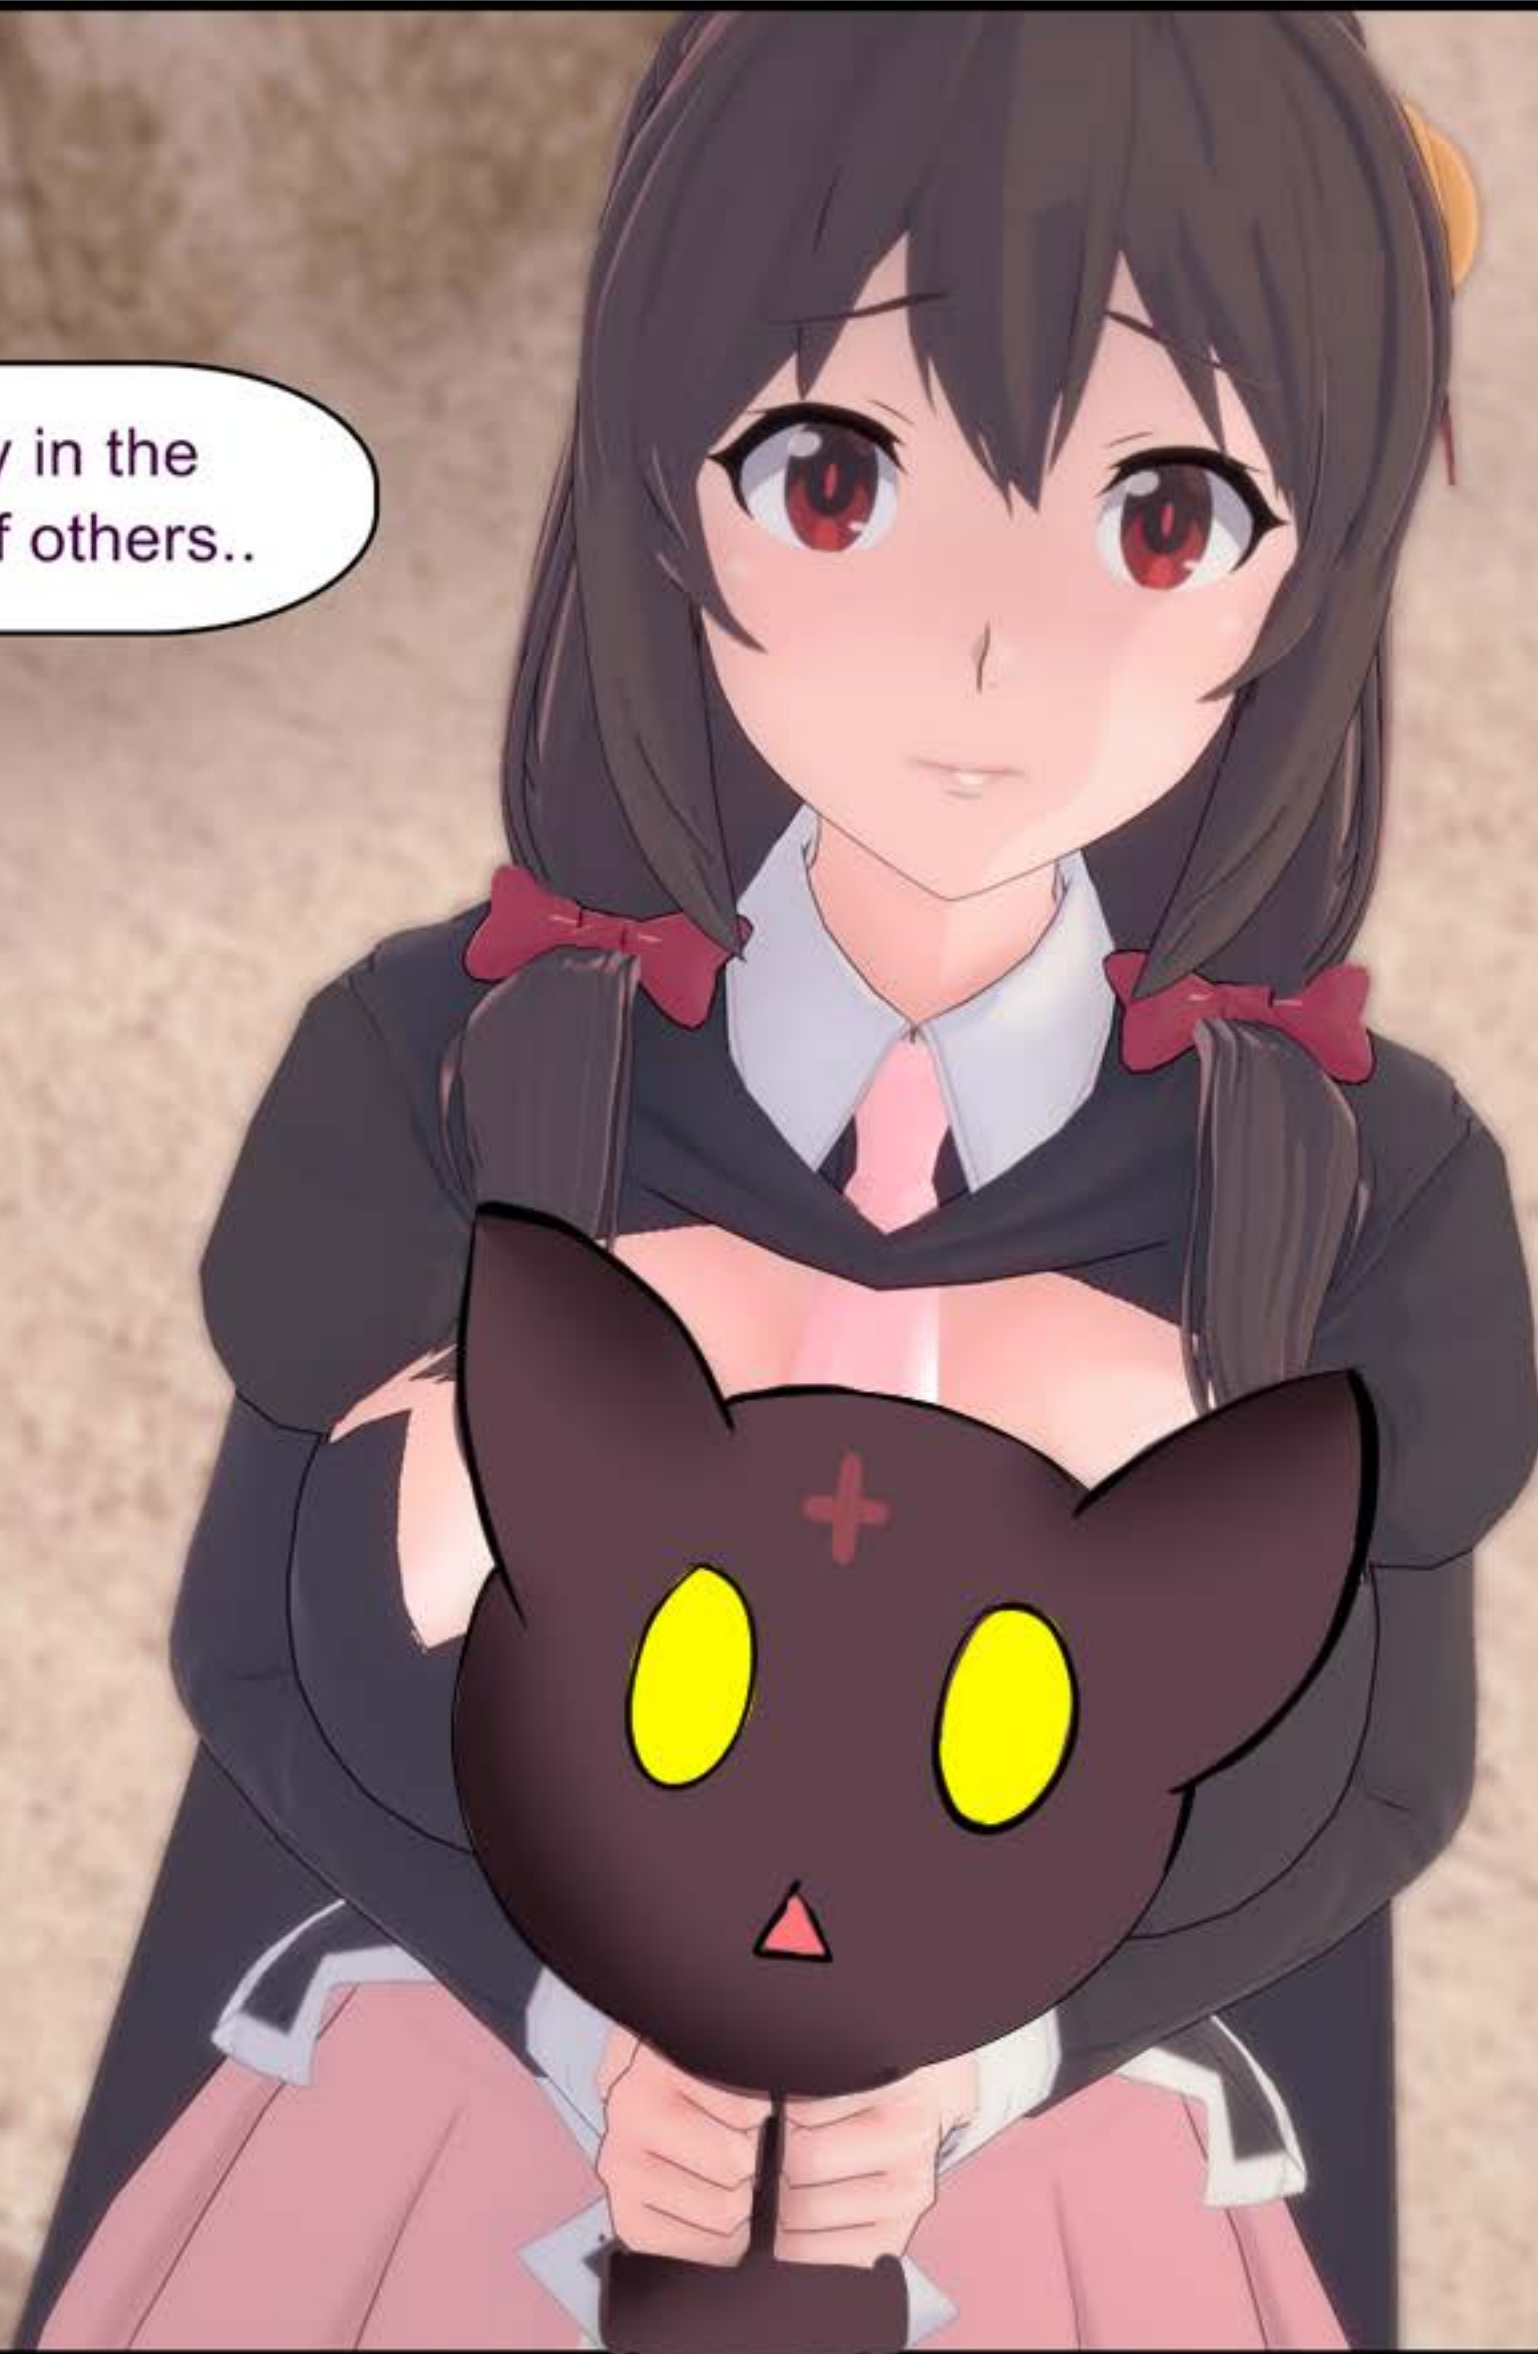

..As soon as she  
read the spell, I  
look at you again..

..Safety in the  
hand of others..

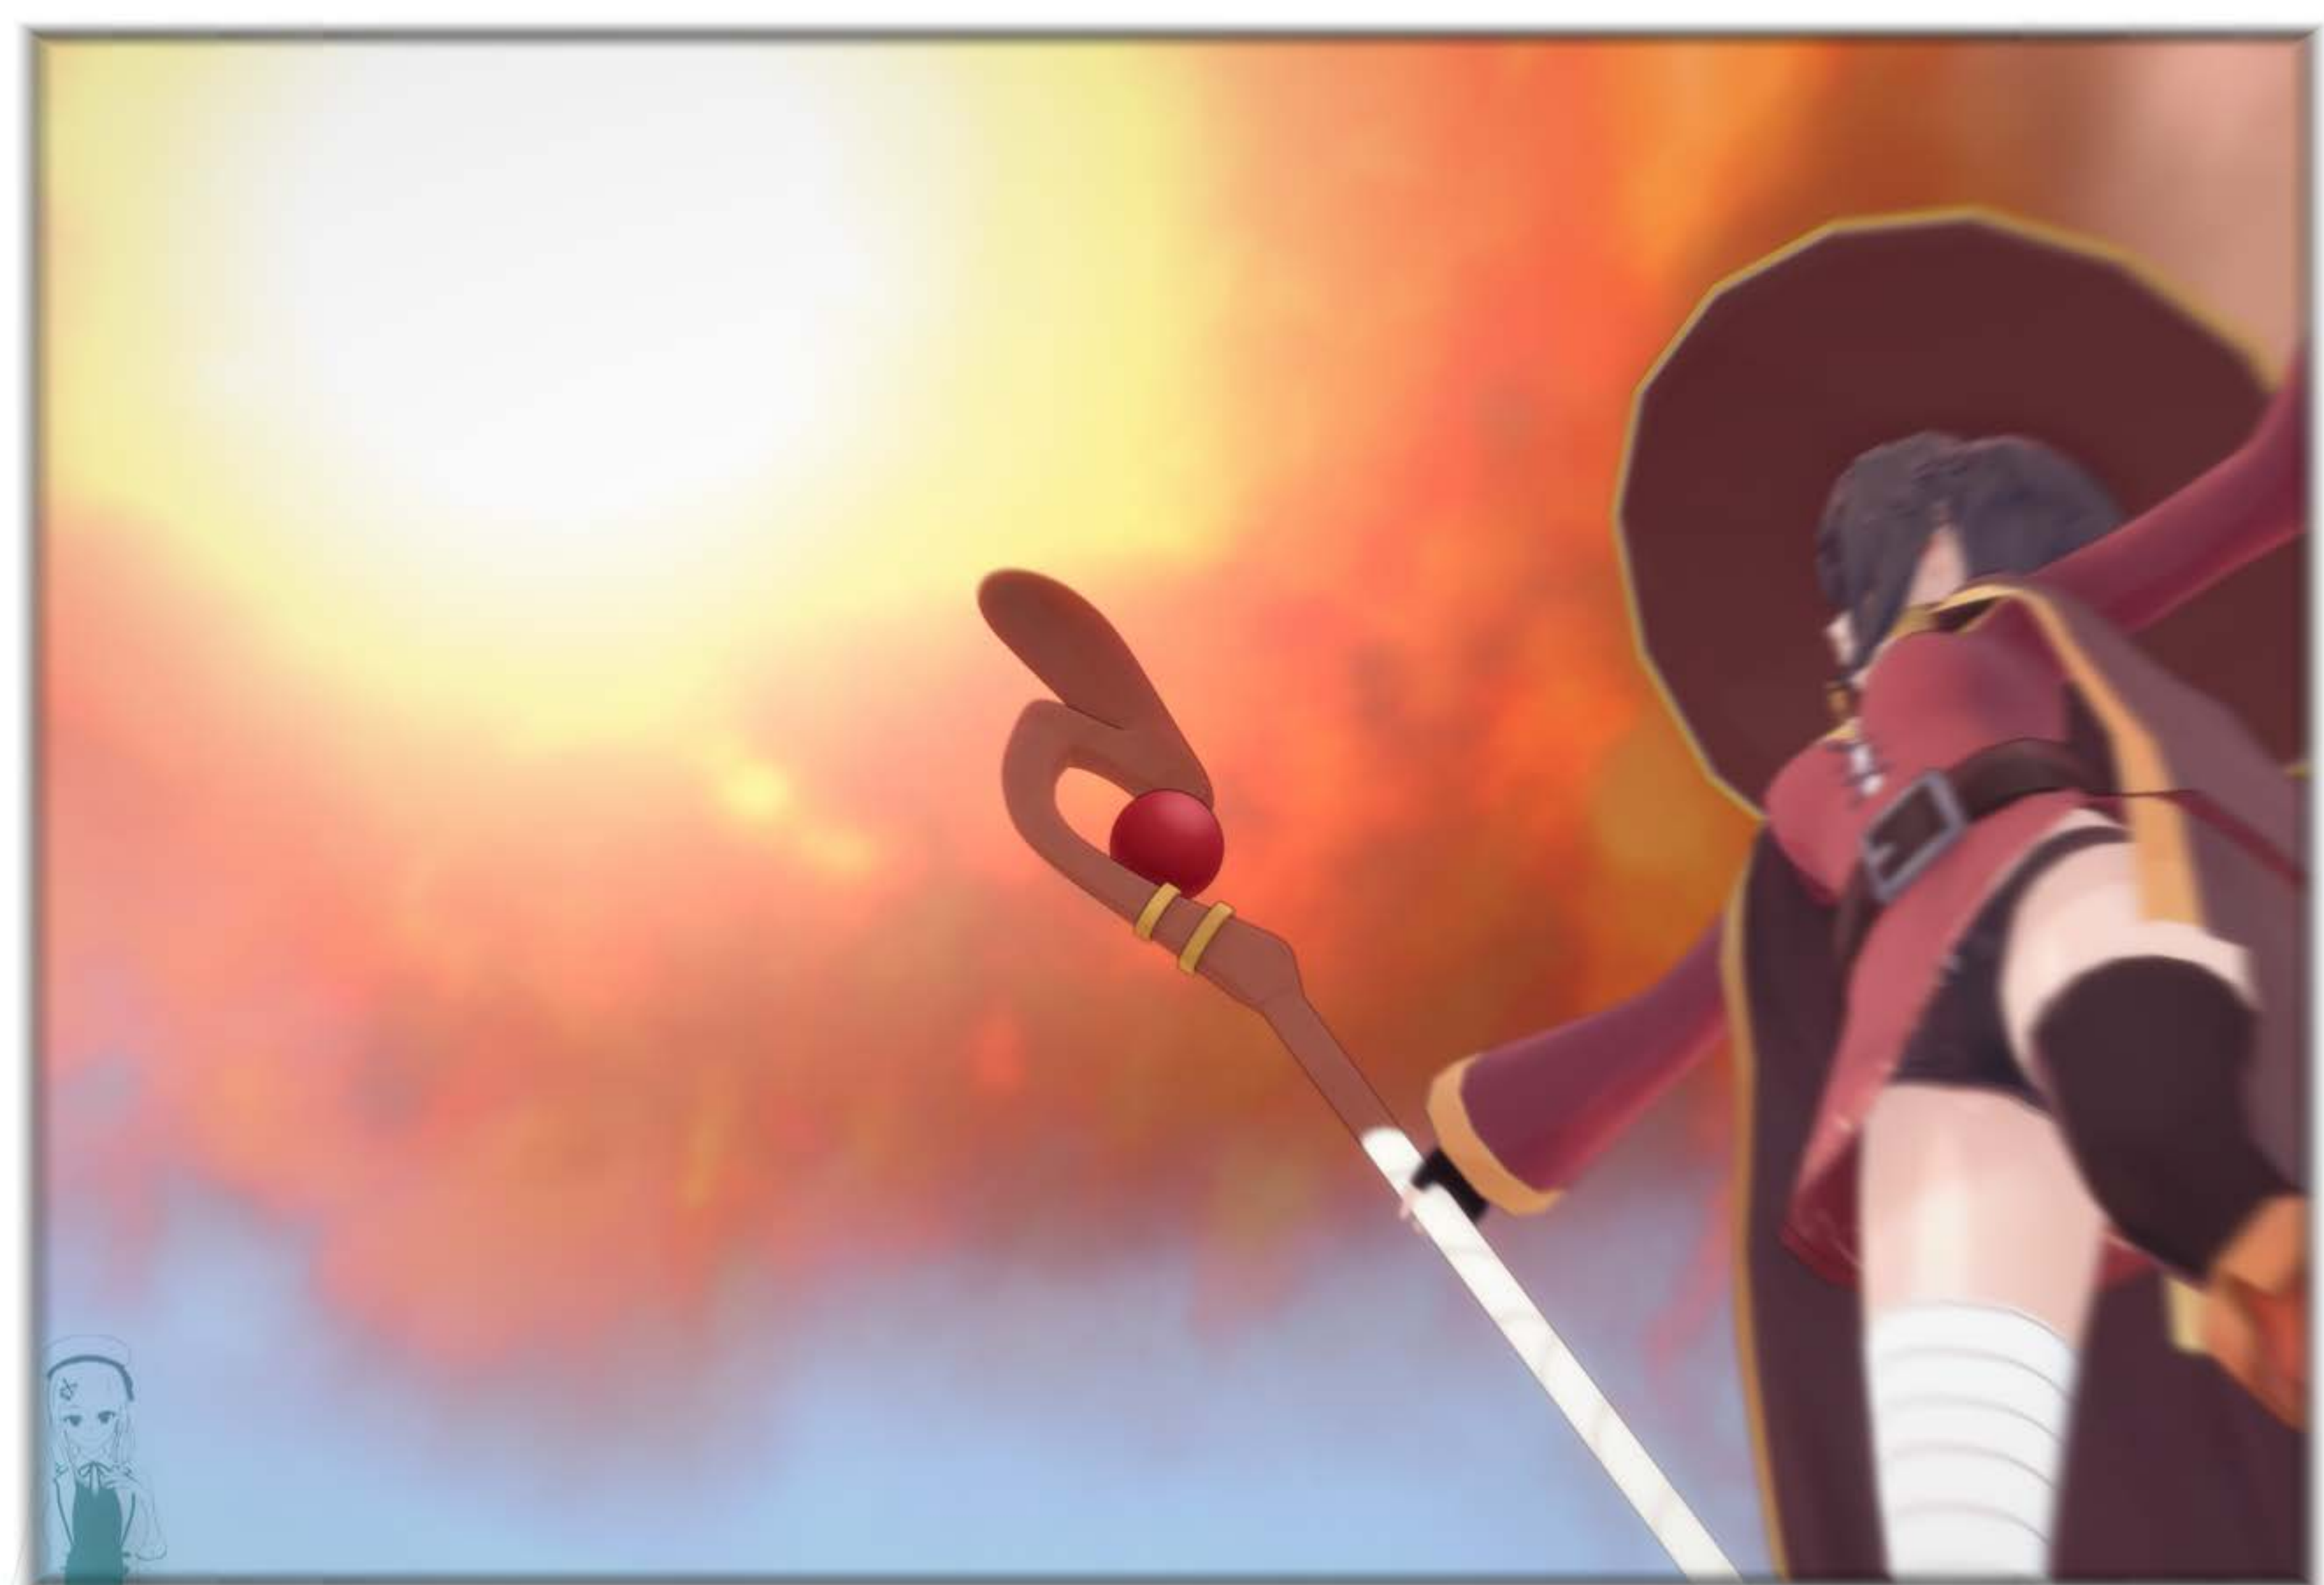

I couldn't resist,  
and let myself vanish  
in that big explosion.

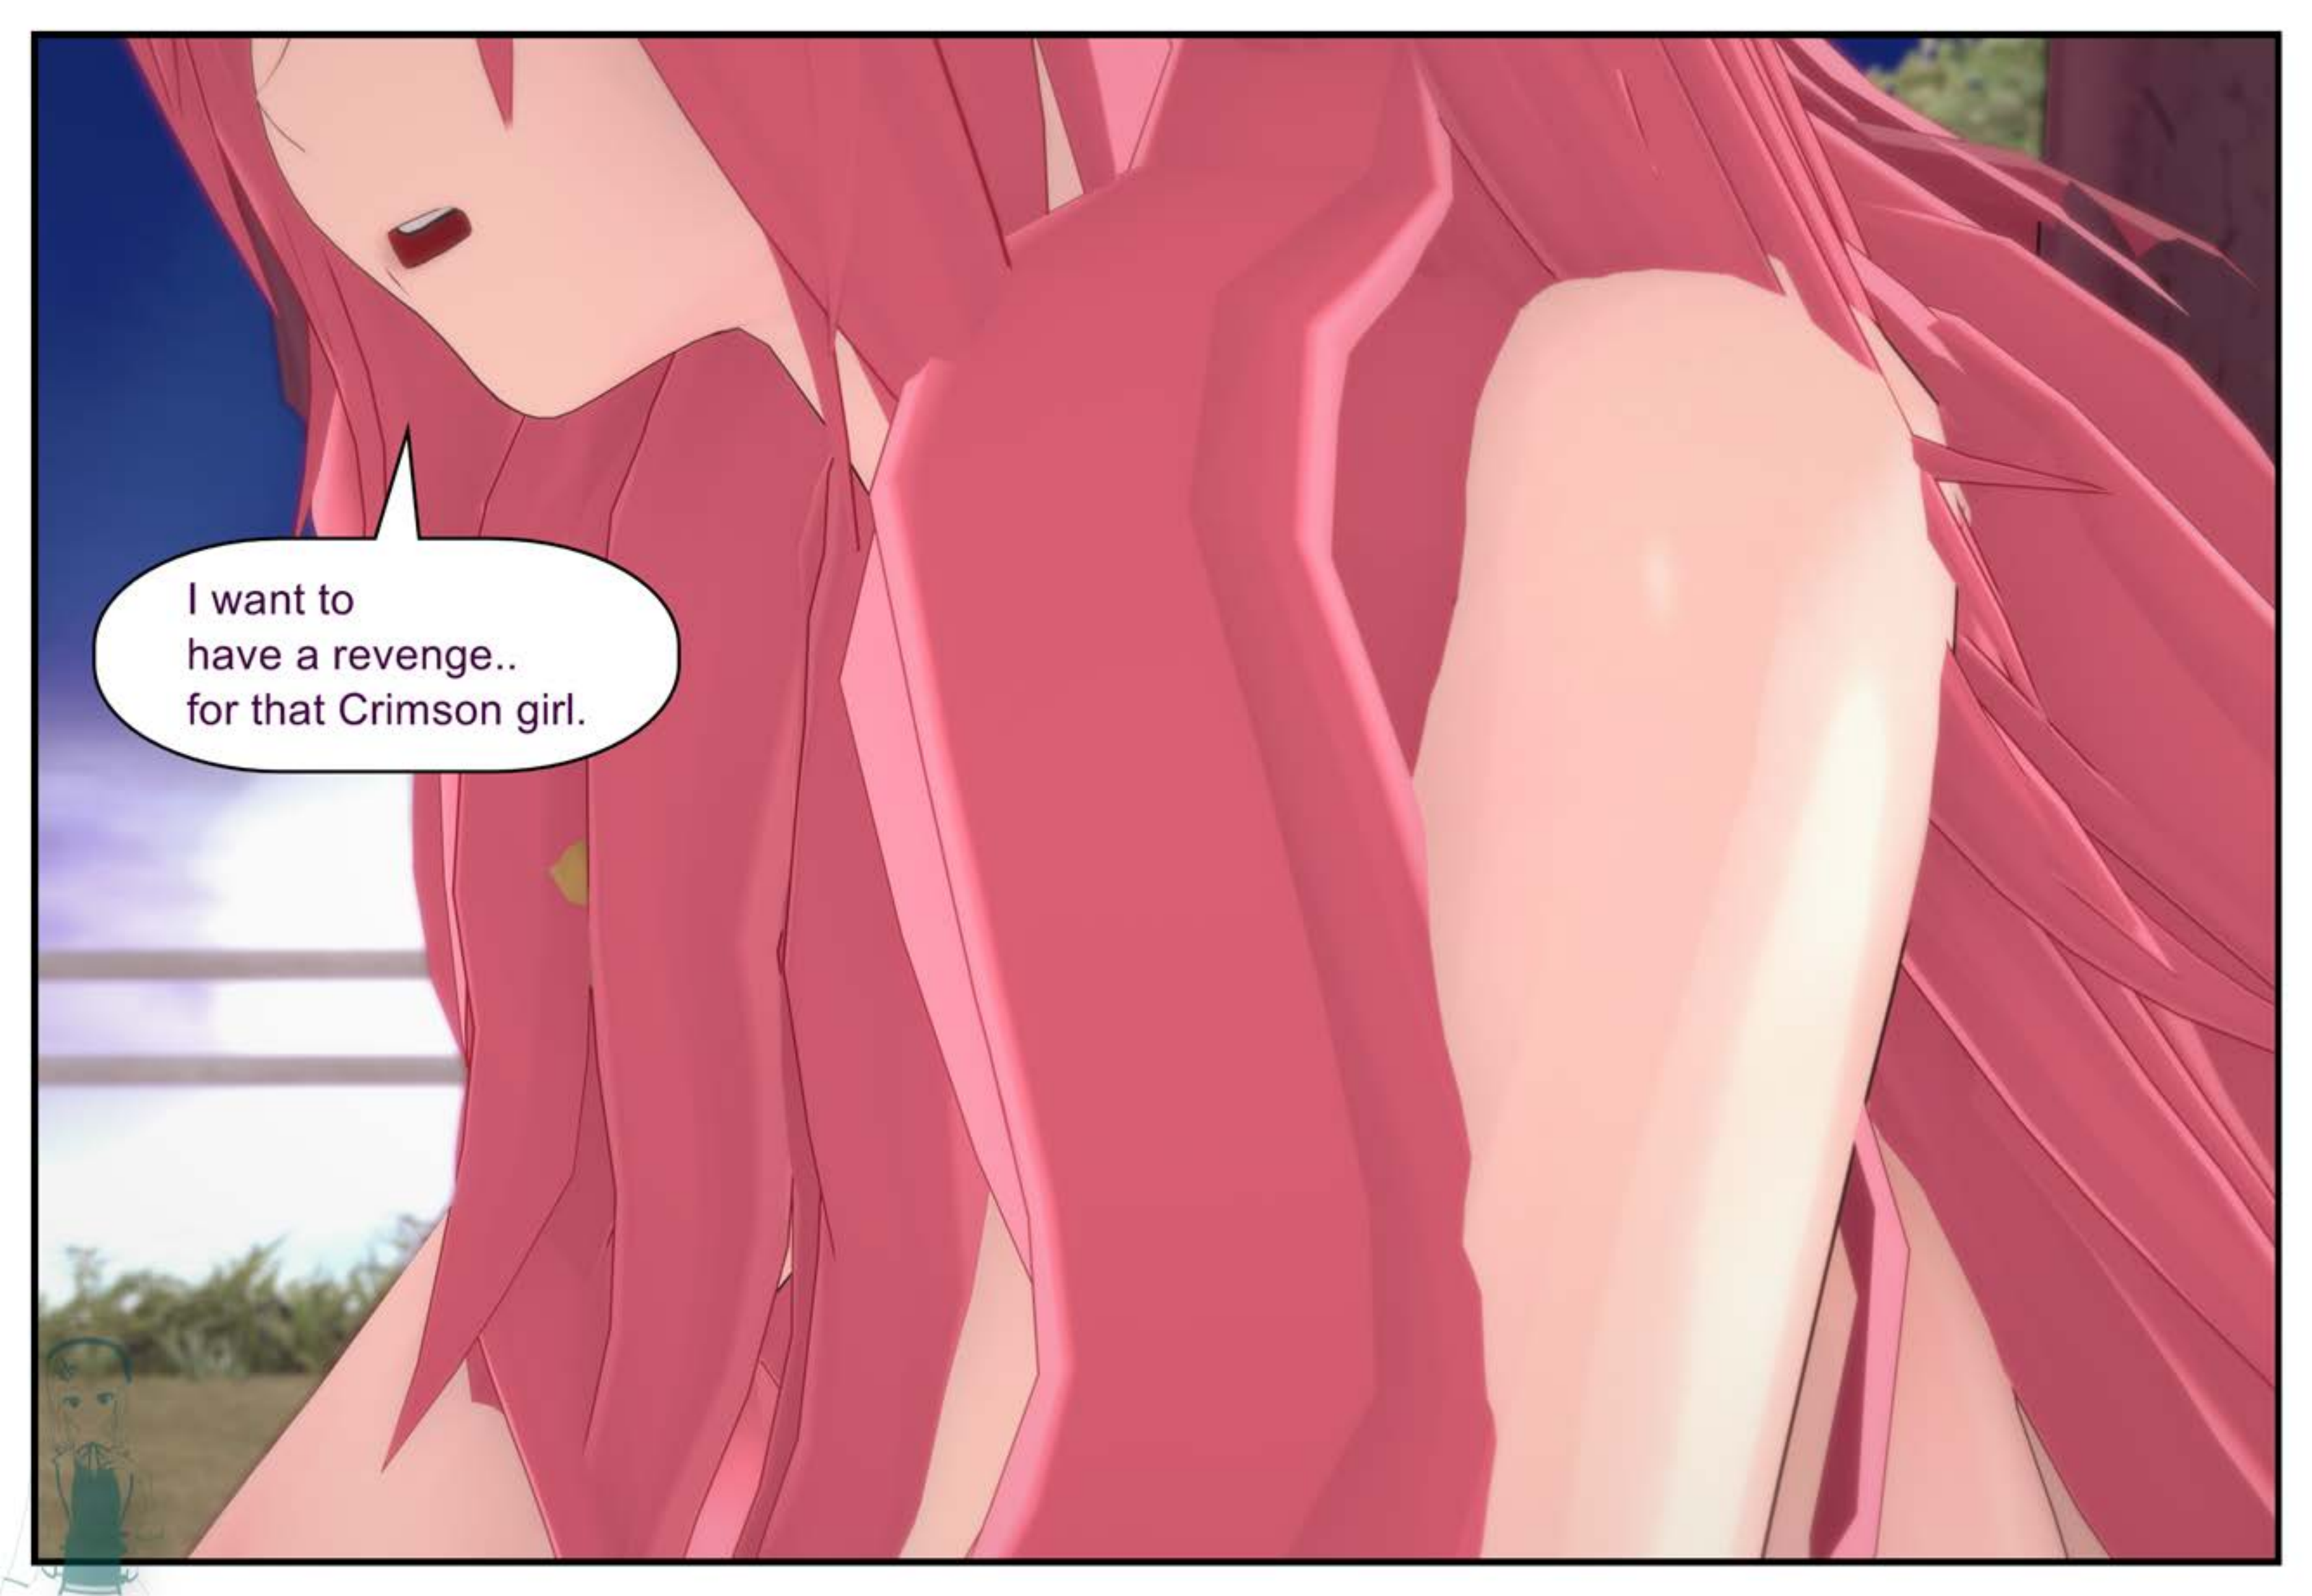

It's was ashame,  
wasn't it?

Y-Yes.. Master  
Wolbach..

I want to  
have a revenge..  
for that Crimson girl.

Was that the reason why you revived me, Master?

Not quite, but almost.

But if you want to  
pay that wizard  
a visit..

A woman with short red hair, wearing a dark blue uniform with gold buttons and a black belt, is holding a green bottle. She is standing outdoors in a grassy area with trees and a fence in the background. A speech bubble is positioned above her head.

This bottle will help you to go undercover.

W-Where did you get this..?

From a friend of mine  
who used to sell this..

A character with dark, wavy hair is shown from the chest up, wearing a black and white mask. The mask has a white left side with a black star and a black right side with a white crescent moon and a white star. The character is dressed in a formal black tuxedo jacket over a white shirt and a dark blue vest. They are standing in a library, with bookshelves filled with books visible in the background. A wall-mounted lamp with a glowing white shade is on the left. The character's mouth is slightly open, and a speech bubble is positioned to their left.

Hm? Missing bottles?

Yes! Did you hide,  
and give it to someone?

That drink has dangerous effect on human, Vanir!

Well, only one bottle  
as a gift for a friend  
of mine.

Arghhh!! I  
knew it!!

She said she won't use it for sale. It's not a big deal.

W-Well..

And Wiz? Did I tell you to go buy me some pure crystal?

Care to explain what are these, hm?

Ah.. There's a merchant who gave me a discount for these crystal.

And you didn't  
even check if it  
was real stuff?

Of course  
I did, Vanir.

But.. While I was  
examining.. that  
merchant ran away..

Aaaaaahhhhhh!!!!

\*Sigh\*.. This is why you couldn't get any rich, Wiz.

"Well, I hope she use the last bottle just fine."

Meanwhile..

CHEERS!!!

Today is an anniversary!!

Our party has been through a lot danger, defeat many Generals!

We, together, are  
the strongest party!

Hmph.. No one  
could resist my  
Explosion..

And to celebrate,  
let's have our stomach  
full tonight!

Kazuma, what  
do you think  
about my speech?

"On the table are  
meal for the Nobles..  
It's very delicious."

"And my money  
went 'poof' in a flash!!!"

K-Kazuma..?

"That stupid,  
useless Goddess!!  
She used all my money  
from selling potion!!

"Aaaaahhhh!!!  
That could use to  
increase our life  
in future..!!"

Kazuma..

Are you.. feeling well right now?

"Of course how could I do well when that Goddess used all of our money into a one-time meal!?"

"Why did I feel.. something unpleasant?"

"Hmph! Megumin was hiding somewhere again.."

"Didn't I say that I and her will have a showdown today?"

Made me come all  
the long way..  
Remember this, Megumin!

Don't move..

I wonder.. how did  
you take care of  
my Master,  
Chomusuke?

Rest assure, I'm  
not going to hurt you.

But I want you to  
enjoy the stuff in my hand.

W-What is that..?  
My body.. heating up..

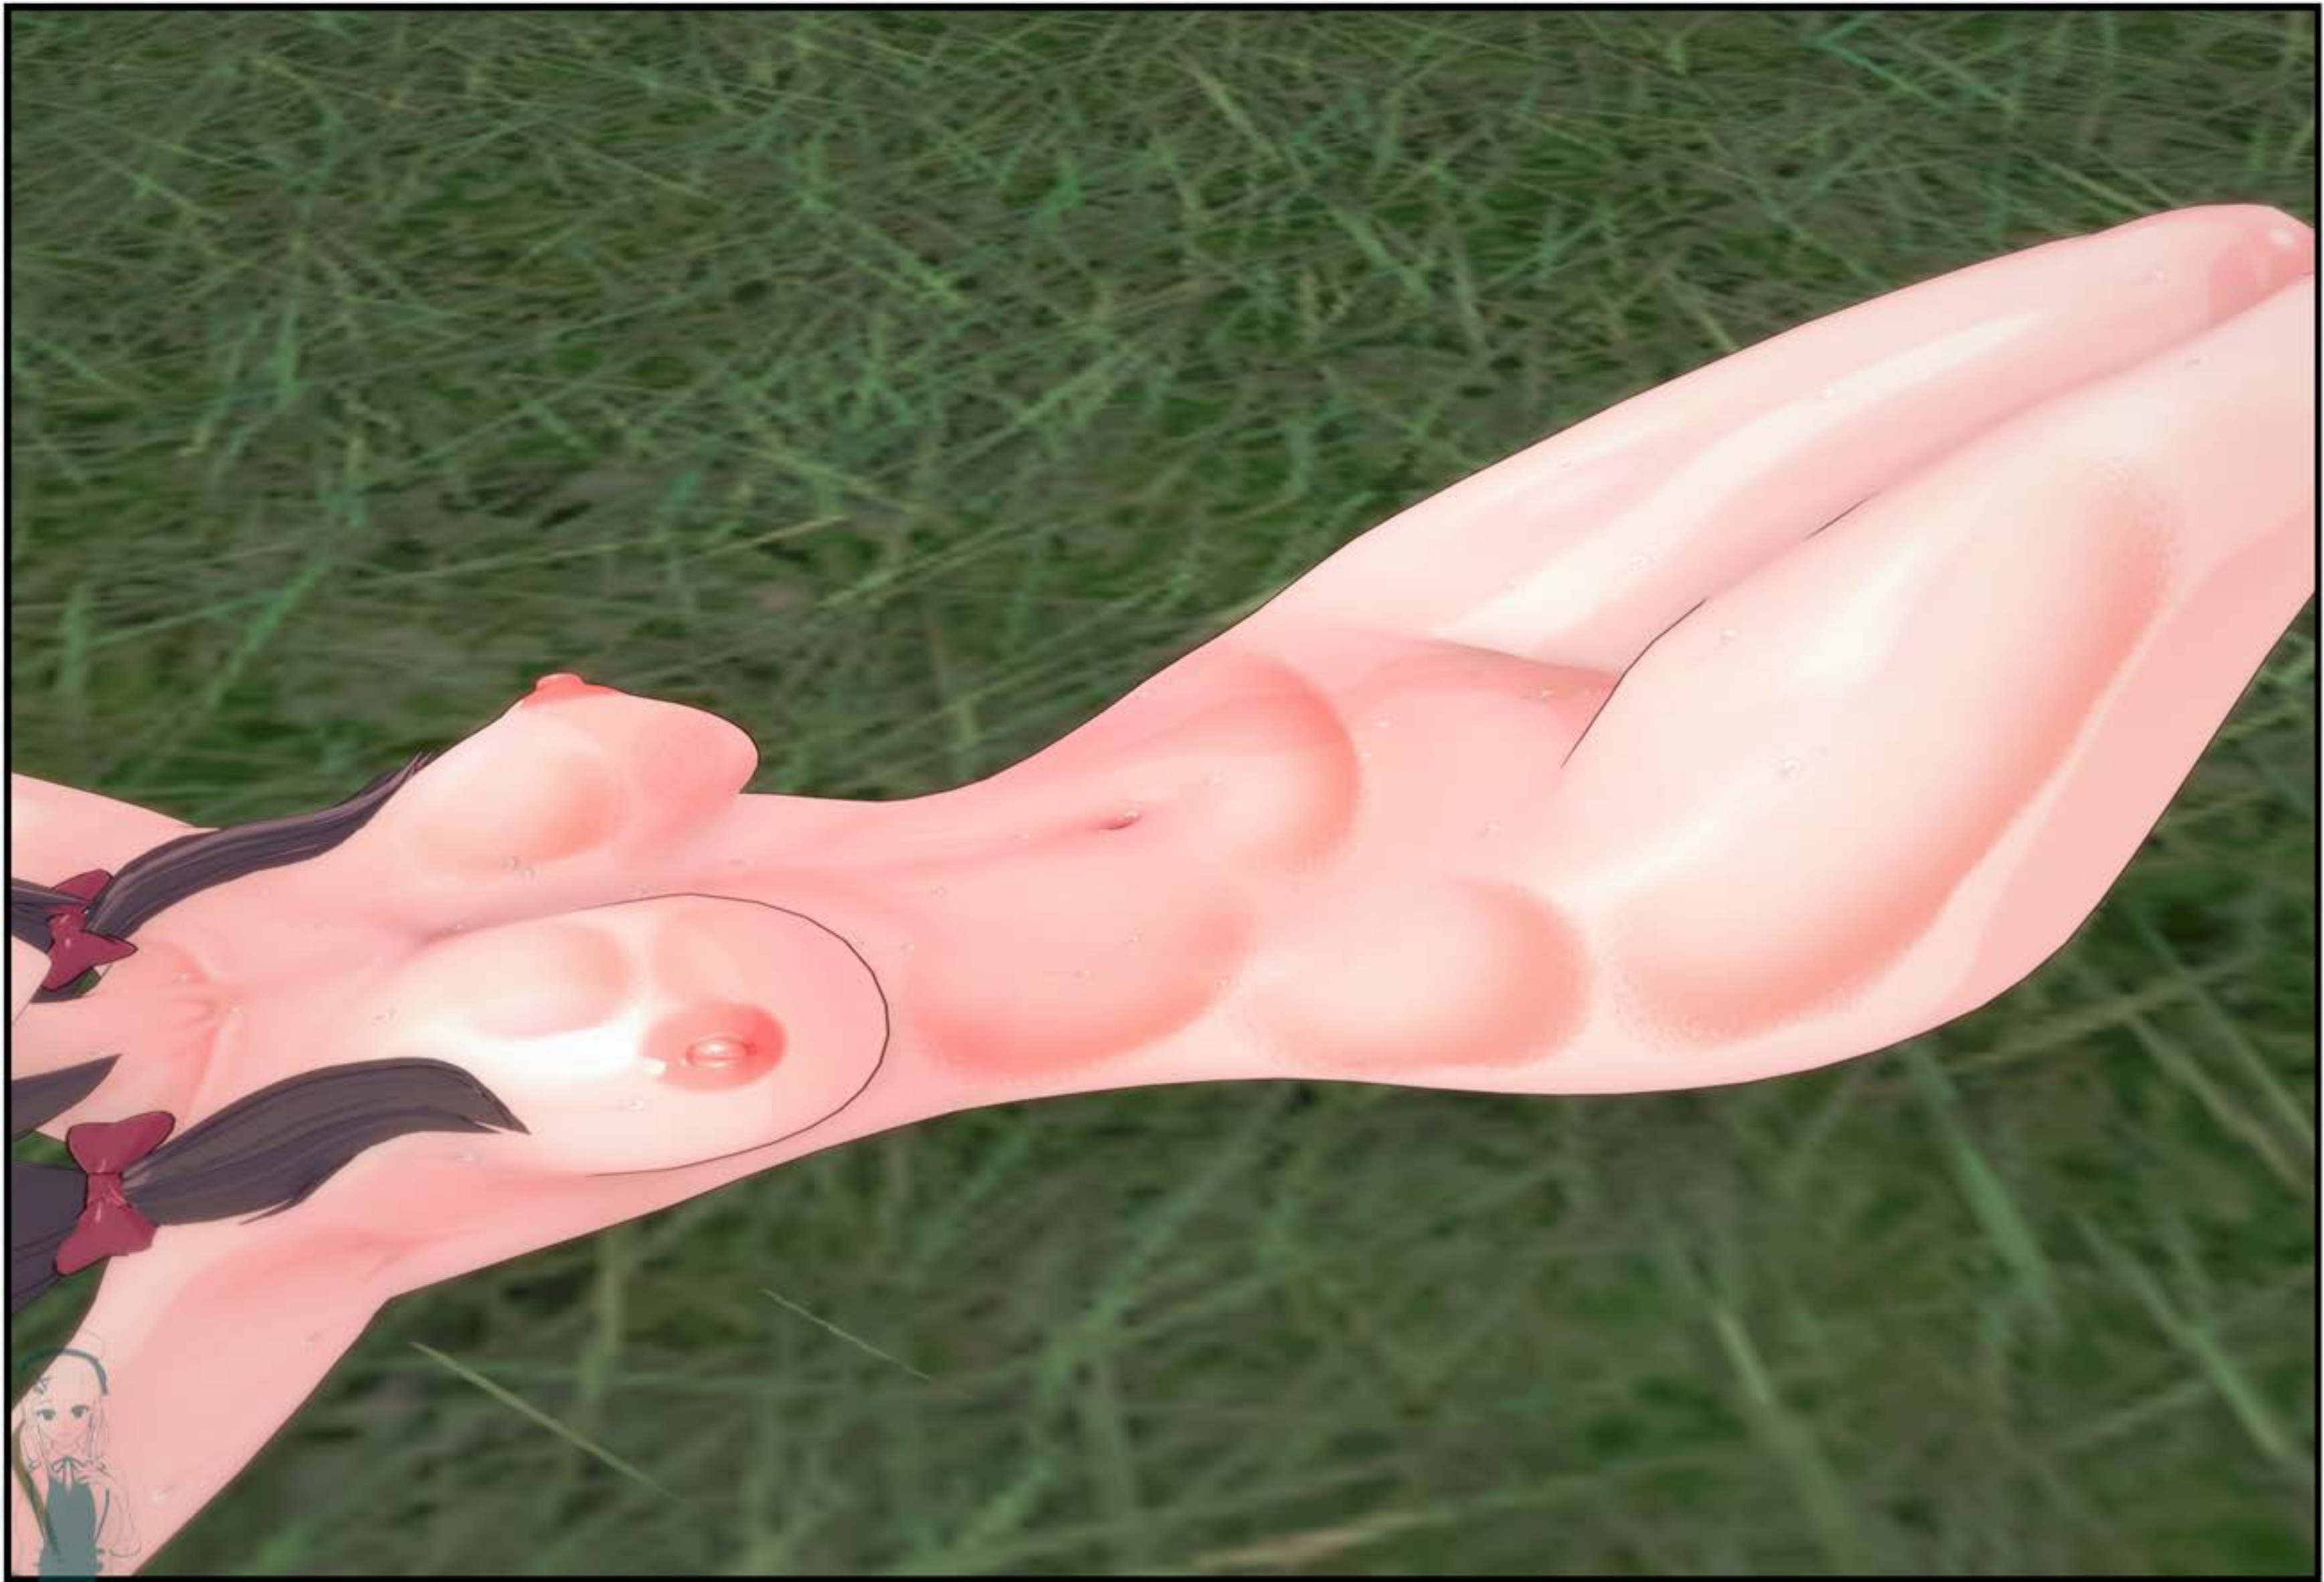

"Her clothes just disappeared.. Her body seem to strongly react.."

"Master said I could put her on now in this state.."

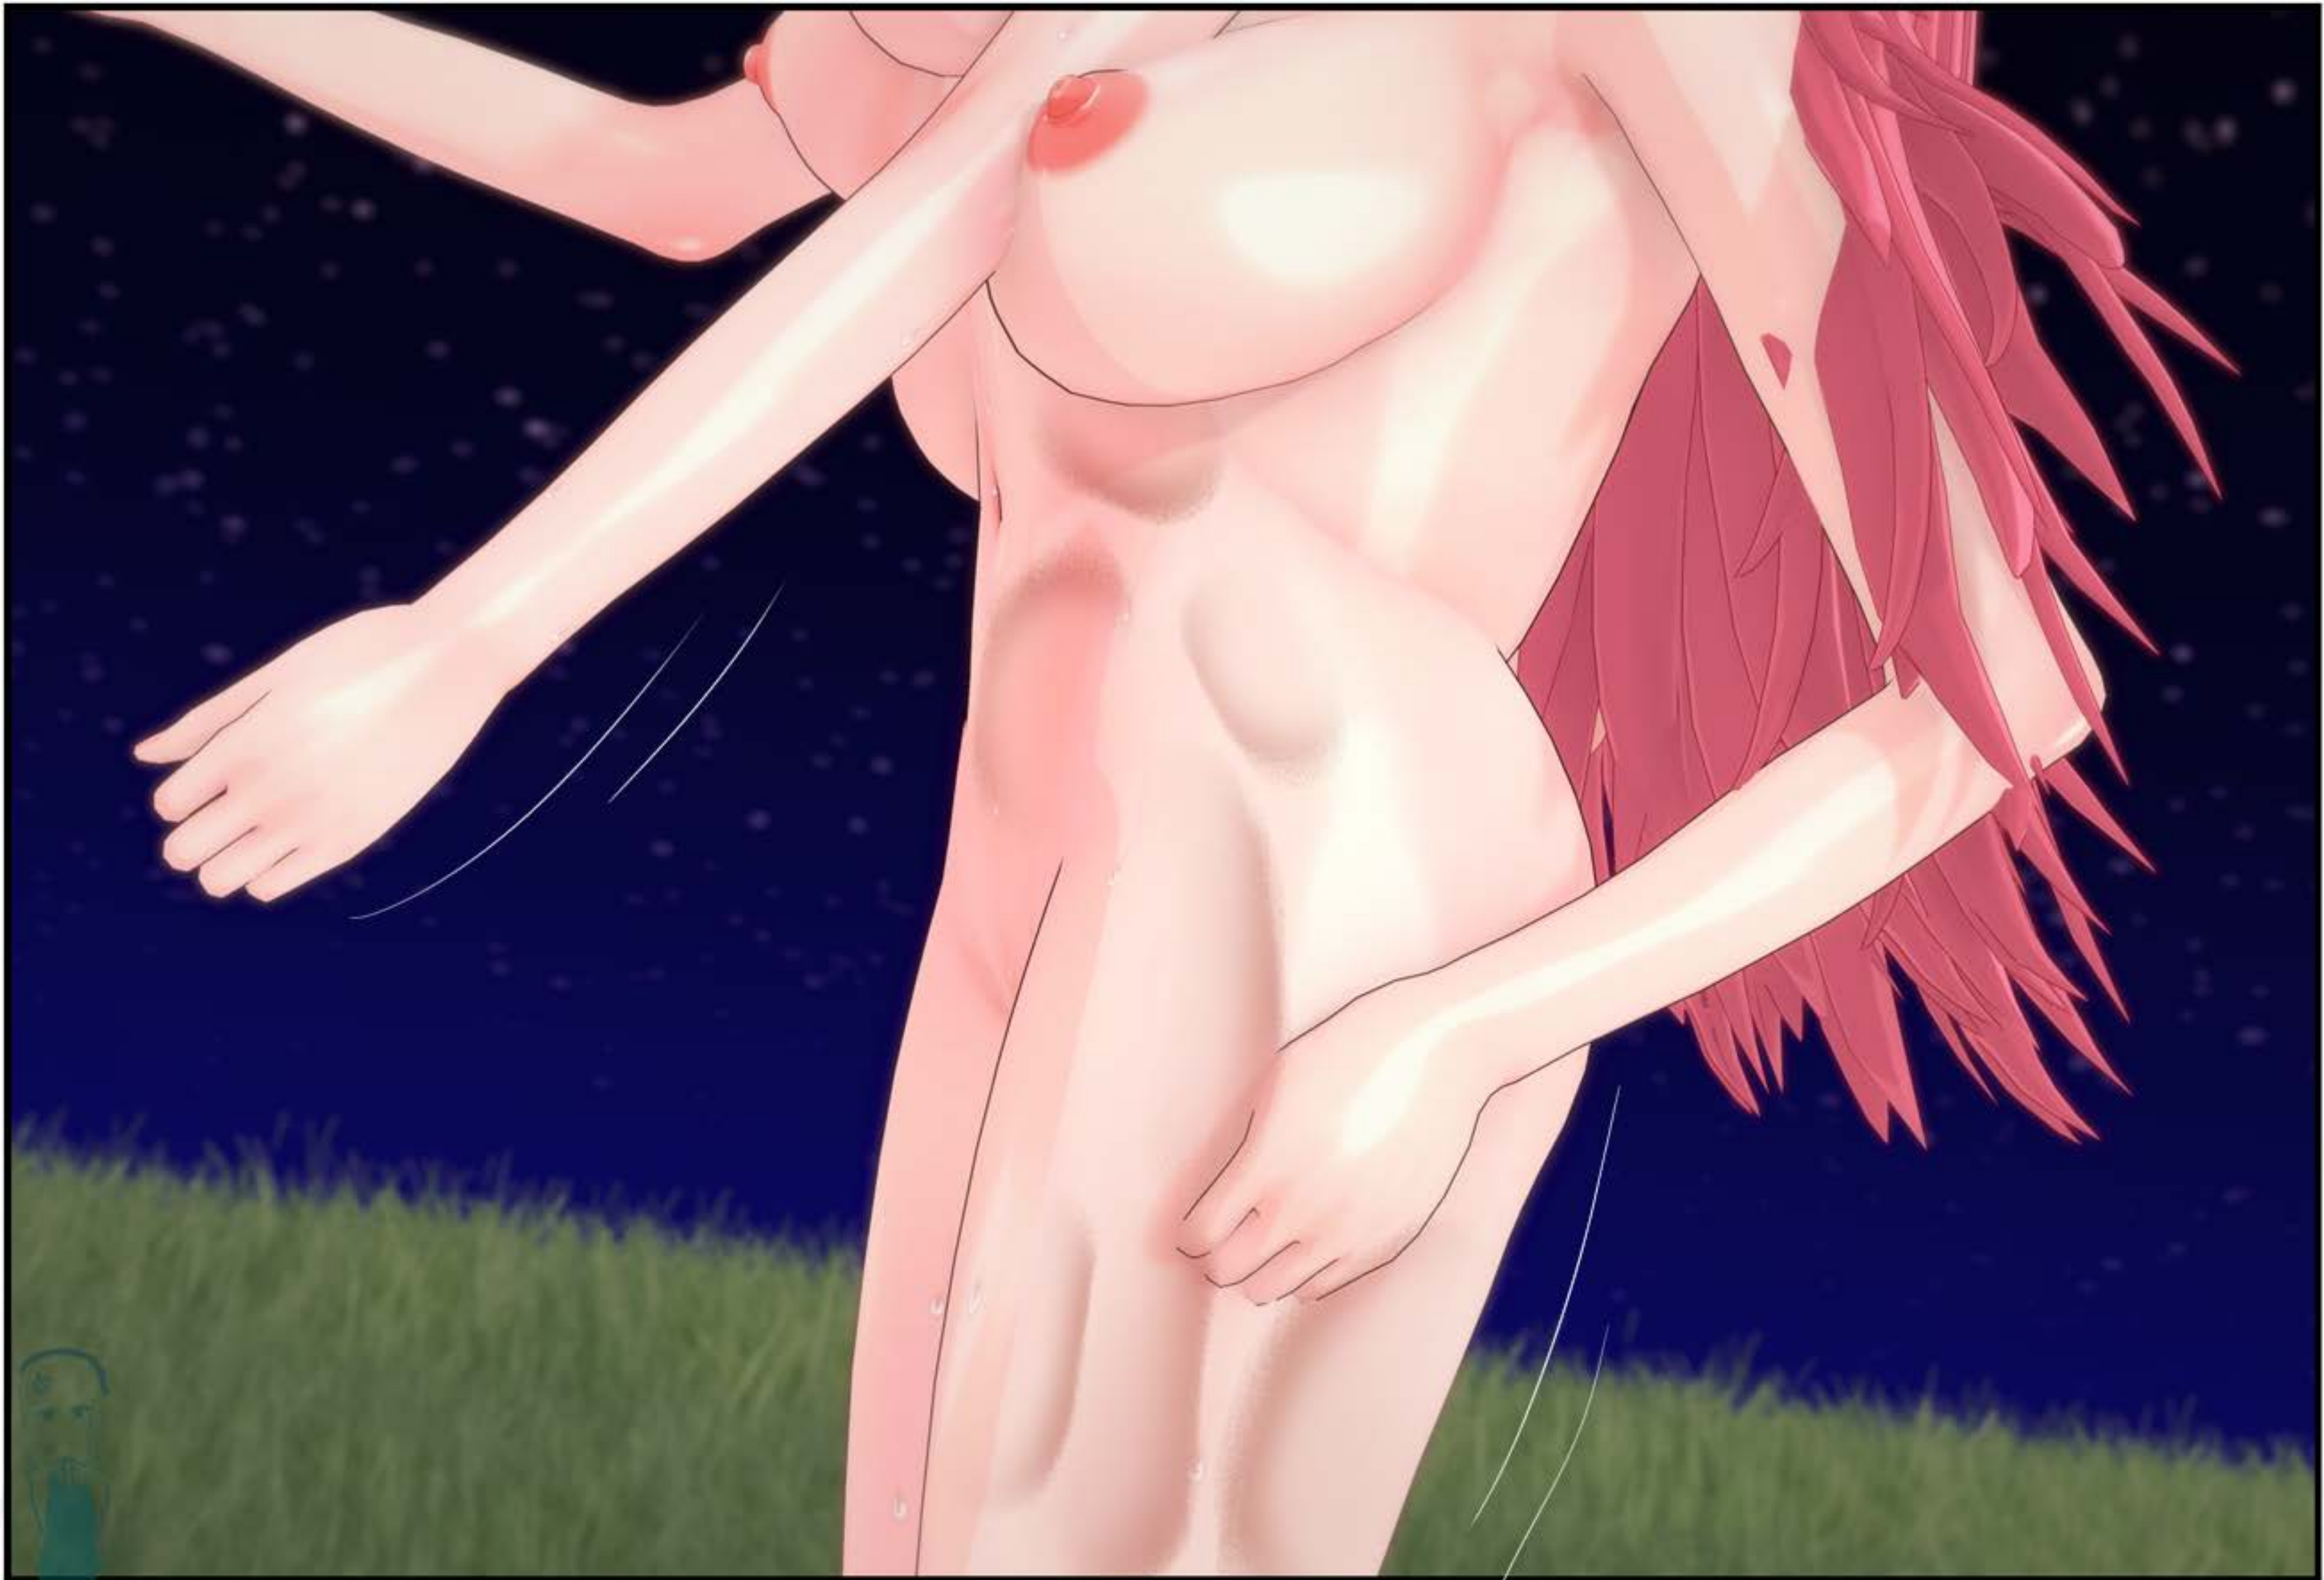

She is so tight..  
to put myself in..

Even my breast is a bit hard too..

W-Woah..

Like Master Wolbach said.. I could put her on like clothes.

"Well, if I use her to get close to the other Crimson girl."

"To return what  
she gave me before.."

"Look like I still  
have some more left  
of that stuff to use."

"Now then, what should we do with her?"

"A lonely adventurer..?  
But she has a nice place."

"Hm.. Not a bad head start, perhaps."

"Also, it's late now.  
I should have a rest  
after being revived."

"Oh, and have a great time with my new form."
