

PACK DE BRUSHES DE KITSUMI

キツミ

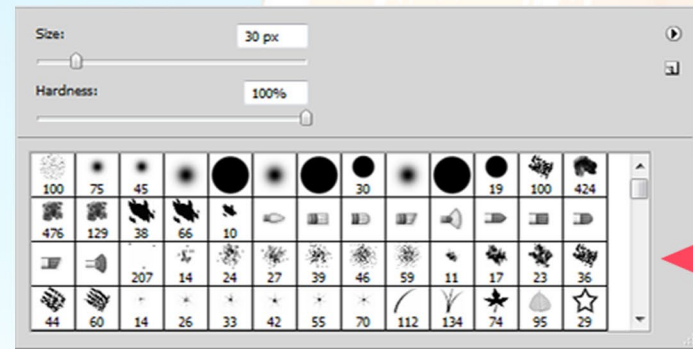

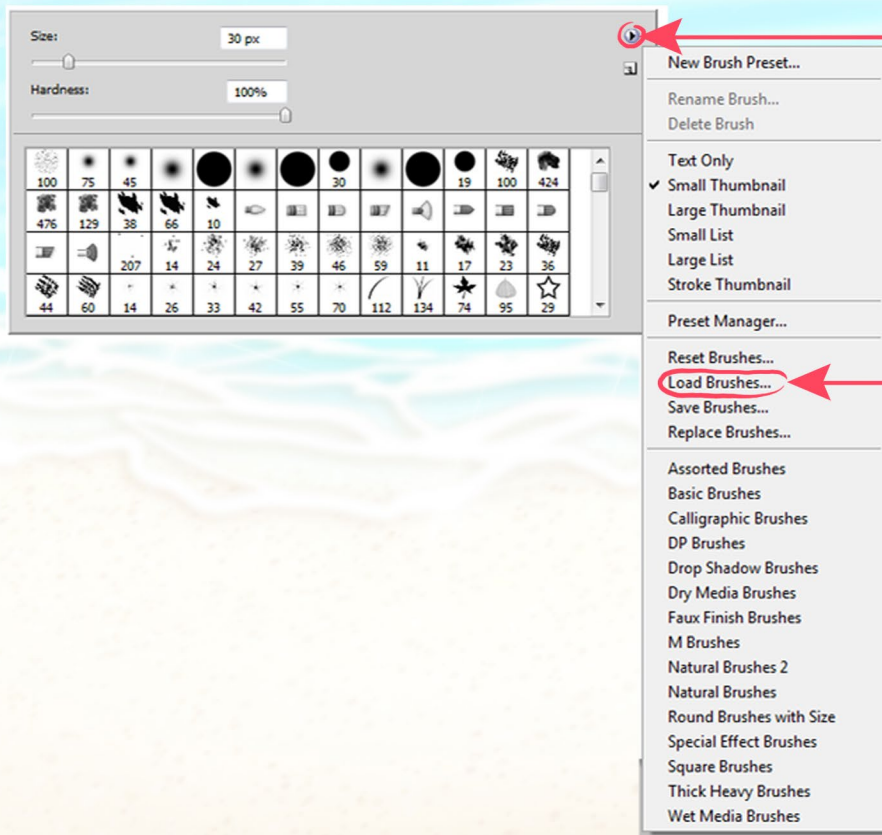

Cómo instalar los brushes

1 Abrimos Photoshop y seleccionamos la herramienta "Brush" (Pincel)

2 Hacemos Click-derecho en cualquier parte del canvas y se abrirá esta ventana

3 Presionas aquí y se abrirá la pestaña de opciones.

4 Seleccionas "Load Brushes" o "Cargar Pinceles"

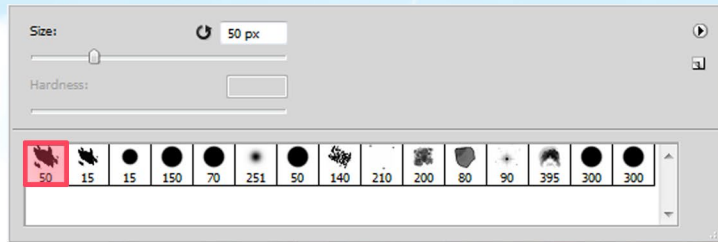

5 Buscas en el explorador los Brushes que quieres instalar y los seleccionas.

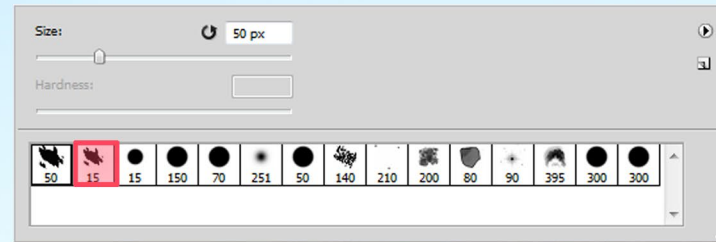

6 Una vez cargado el archivo los brushes te aparecerán al final de la ventana de selección de la herramienta "Brush"
