

Ah~ But this isn't just any wedding!

Sodam is trying to win the breakup, so he might go after you!

Win the breakup?

Of course~ When Crush and Sodam broke up, it almost blew up both of our syndicates!

And then this one went and disappeared for a year straight!

To this day he still won't tell us where he went!!

Uh oh-

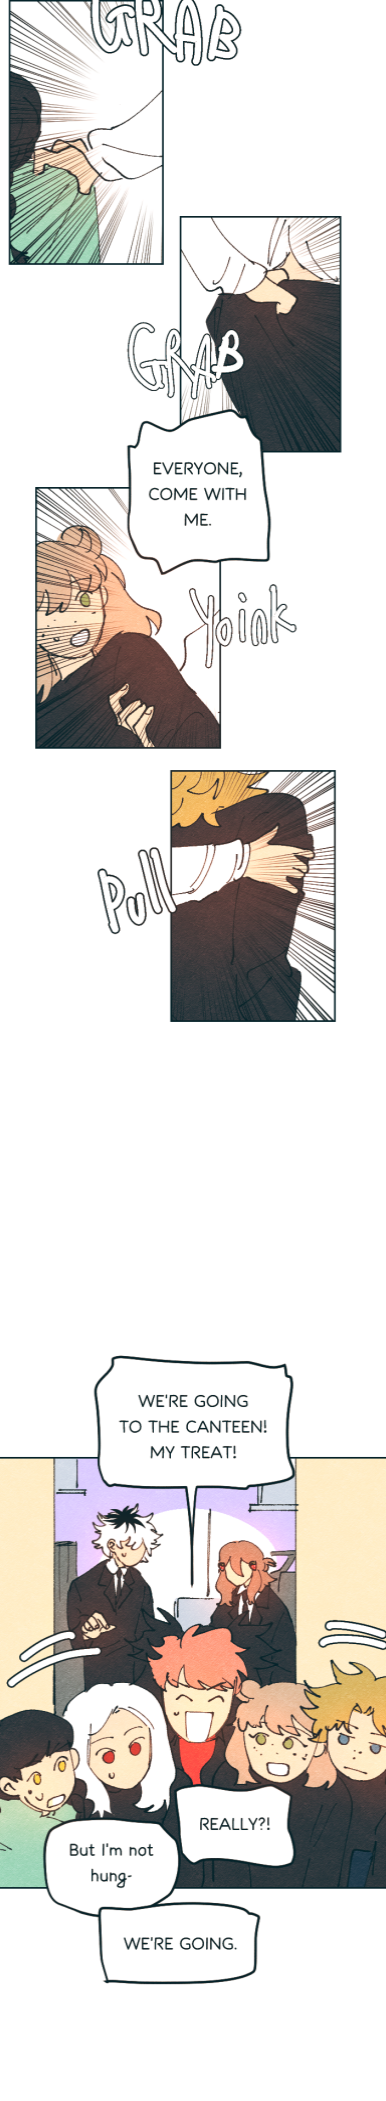

It was such a chaotic time in our lives..

We were basically just headless chickens until Chohan took over!

Guys, Cherie's here for his outfits, not a history lesson.

Haha, You're right, you're right.

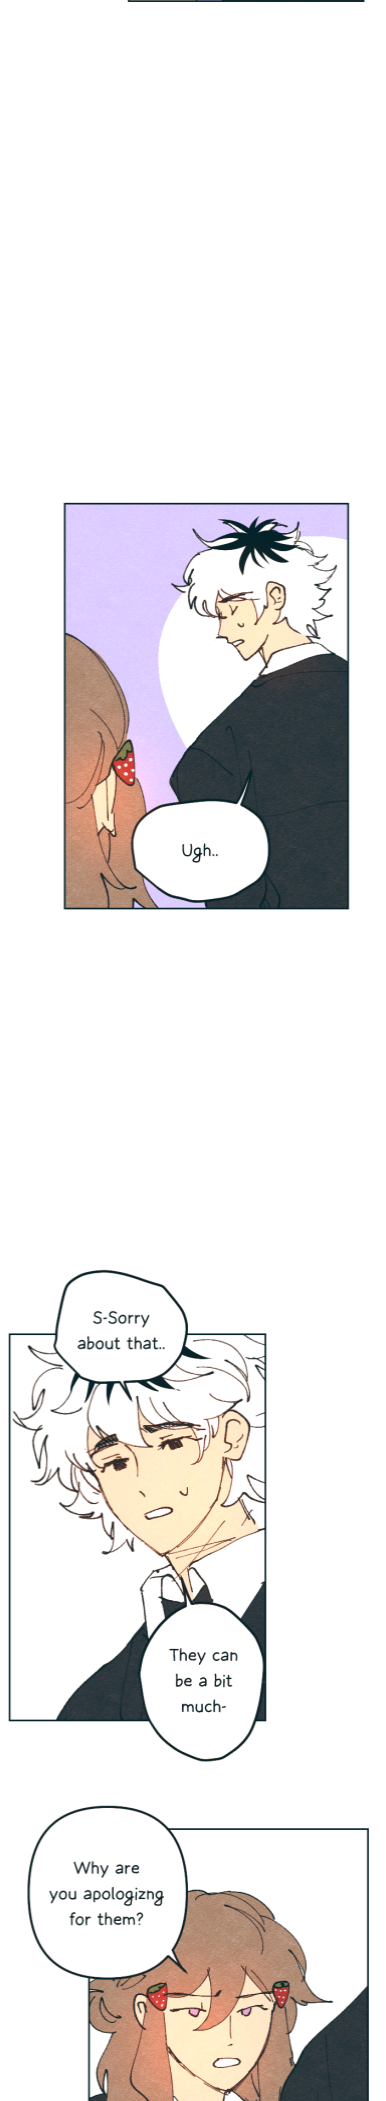

Besides, It's so obvious that Sodam won the breakup.

He's a successful COO of a major company.

He'll be even more powerful after the merger.

I owe you 5 bucks!

Ah, man. Crush is losing this breakup for real..

Oh, well. At least they're finally respecting the truce.

I'm so tired of avoiding Yunco members when I'm out on missions.

Those guys really are the worst!

You'd better not fuck shit up for us, got it?

G-Got it..

How can a breakup affect the relationship between two syndicates.?

I don't get it..

What.. exactly happened

Between you and Sodam?

I-I'm starving!

GRAB

GRAB

EVERYONE, COME WITH ME.

Yoiink

Pull

WE'RE GOING TO THE CANTEN! MY TREAT!

But I'm not hung-

REALLY?!

WE'RE GOING.

We'll be back in half an hour!

Huh-

BYE!

SLAM

Ugh..

S-Sorry about that..

They can be a bit much-

Why are you apologizing for them?

Huh?
