

# **Bim U - Chapter 34**

***We need more blown-up, bimbo dolls at this pool. And it's maybe missing one other thing...***

We start this chapter with a focus on Sylvia. Whom, since last chapter, has had a slight transformation done to her. Still in shock, she cups her now turned plastic, pressed tits.

What the **hell** happened to my babies!?

A 3D-rendered scene showing a man (Chris) and a woman (Maya) in a poolside setting. Chris is shirtless and has a goatee, while Maya is wearing a blue and white bikini. They are embracing each other. The background shows a pool area with a tiled floor and a building.

Yes,  
but no  
spoilers! Let  
her realize  
it herself.

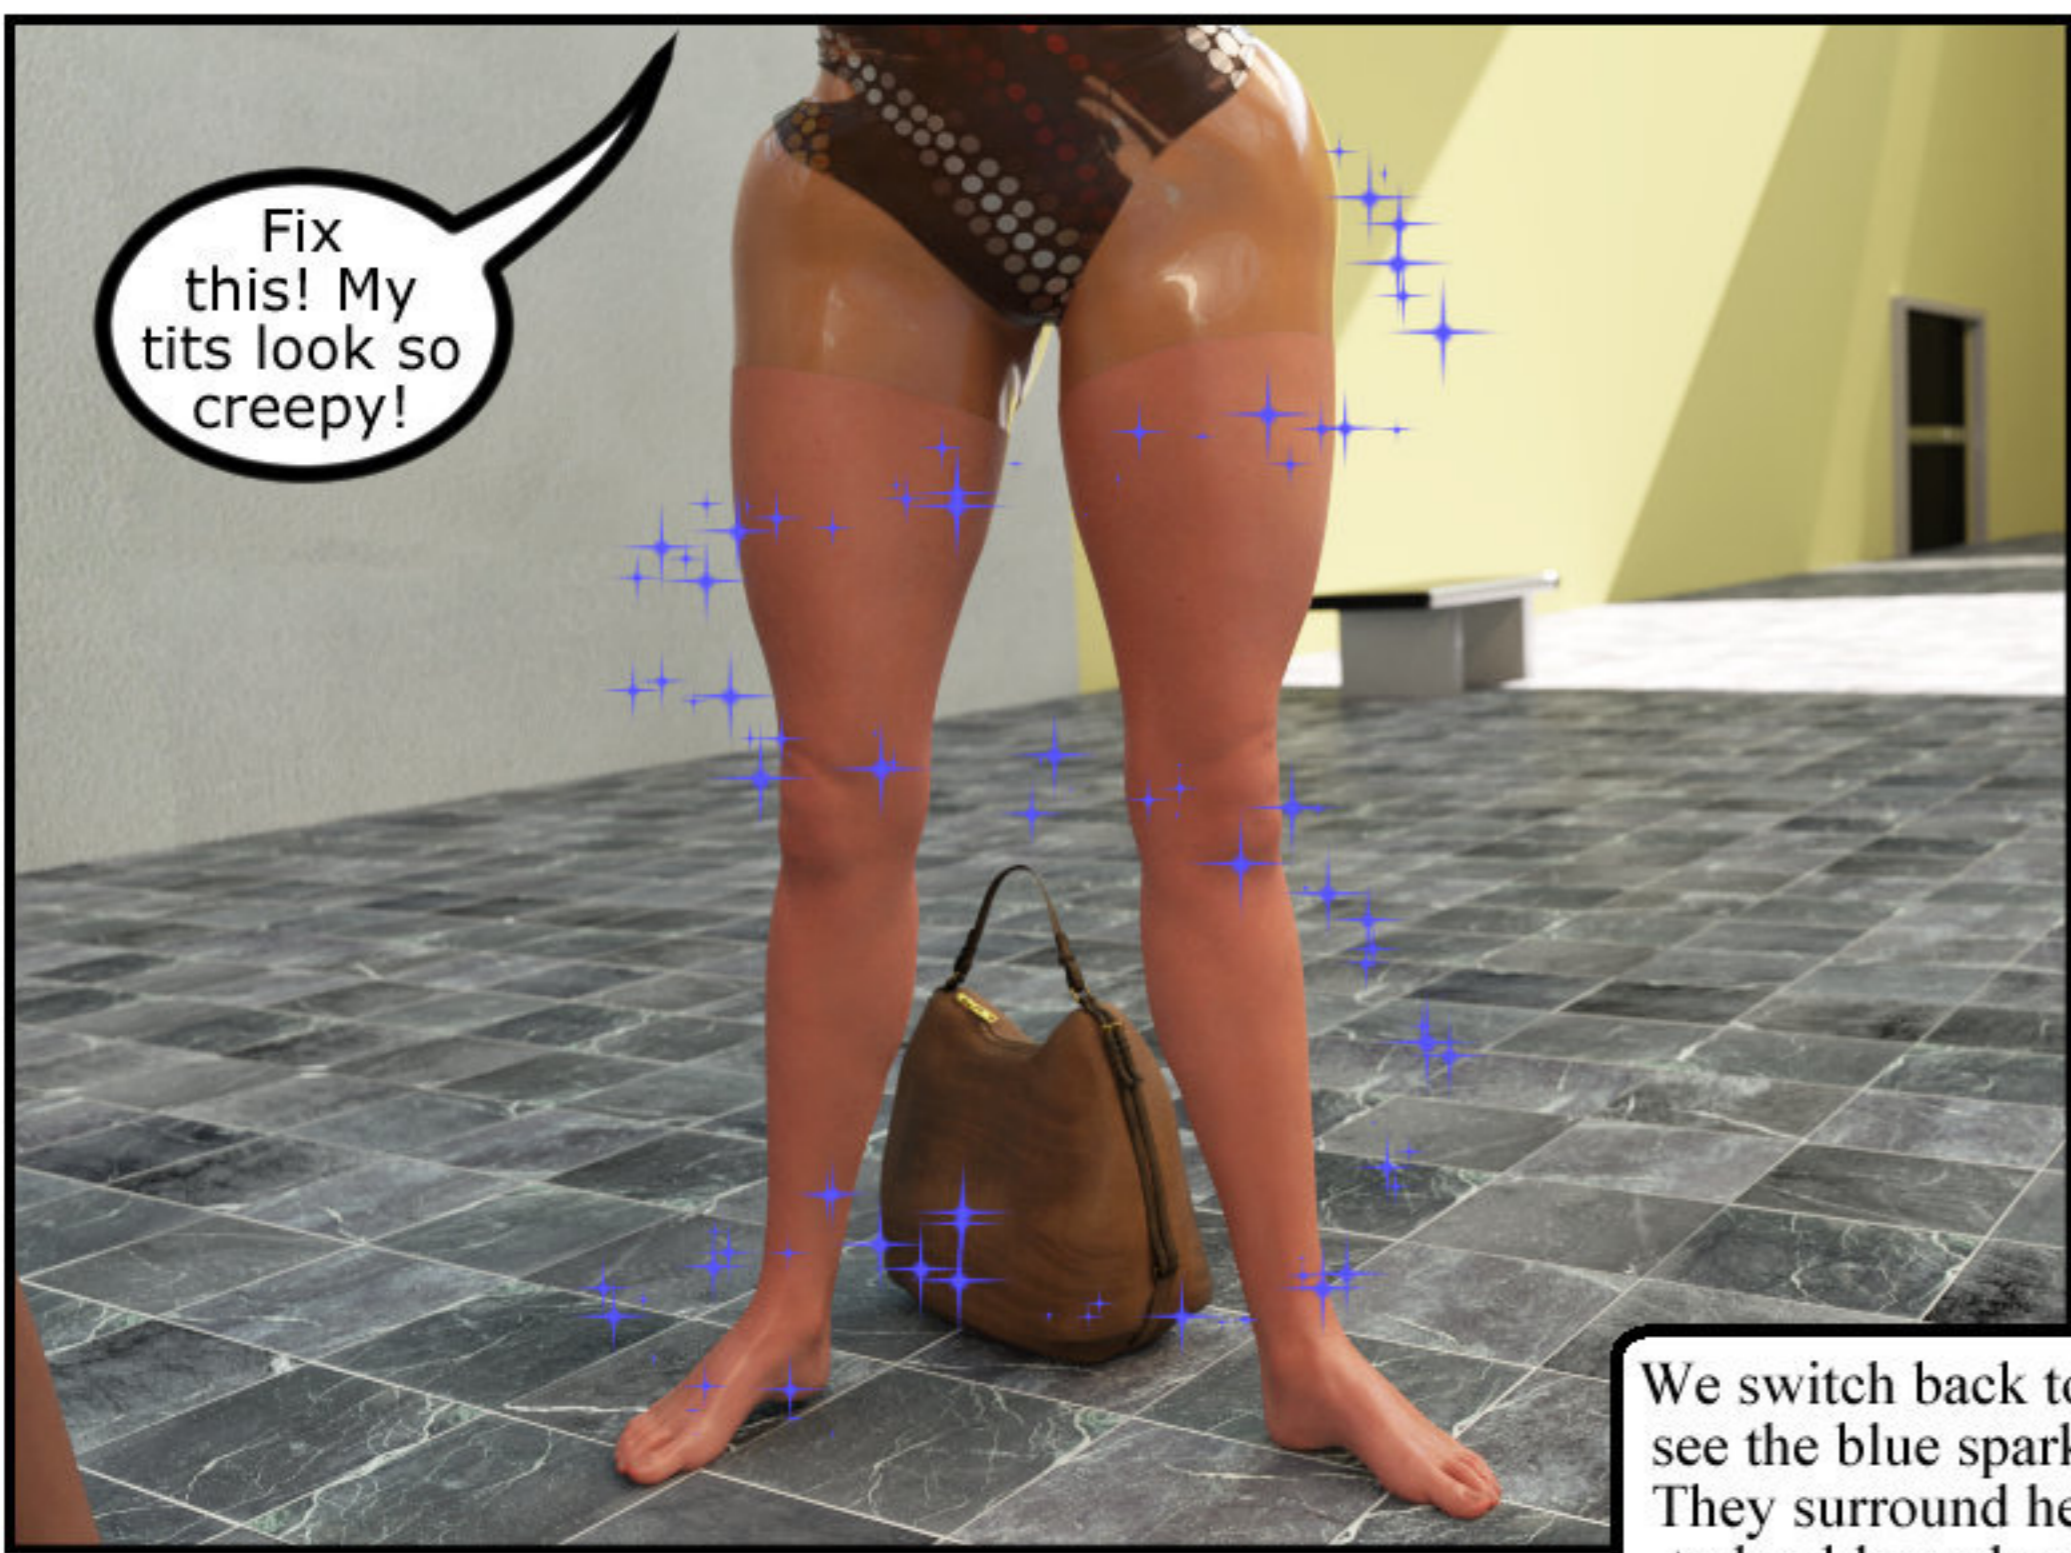

Oh?  
Then I  
will have to  
continue with you  
after this  
show.

Chris?  
Are you  
turning her  
into a--

OK.  
though  
am still a bit  
aroused.

Hey!  
I'm talking  
to you  
losers

We switch focus back to Chris. The new and improved version of Maya still cuddles beside him. They watch Sylvia's transformation, though she is not enjoying it as much as they are.

Fix this! My tits look so creepy!

Oh no! Those weird blue lights are back. Stay away!

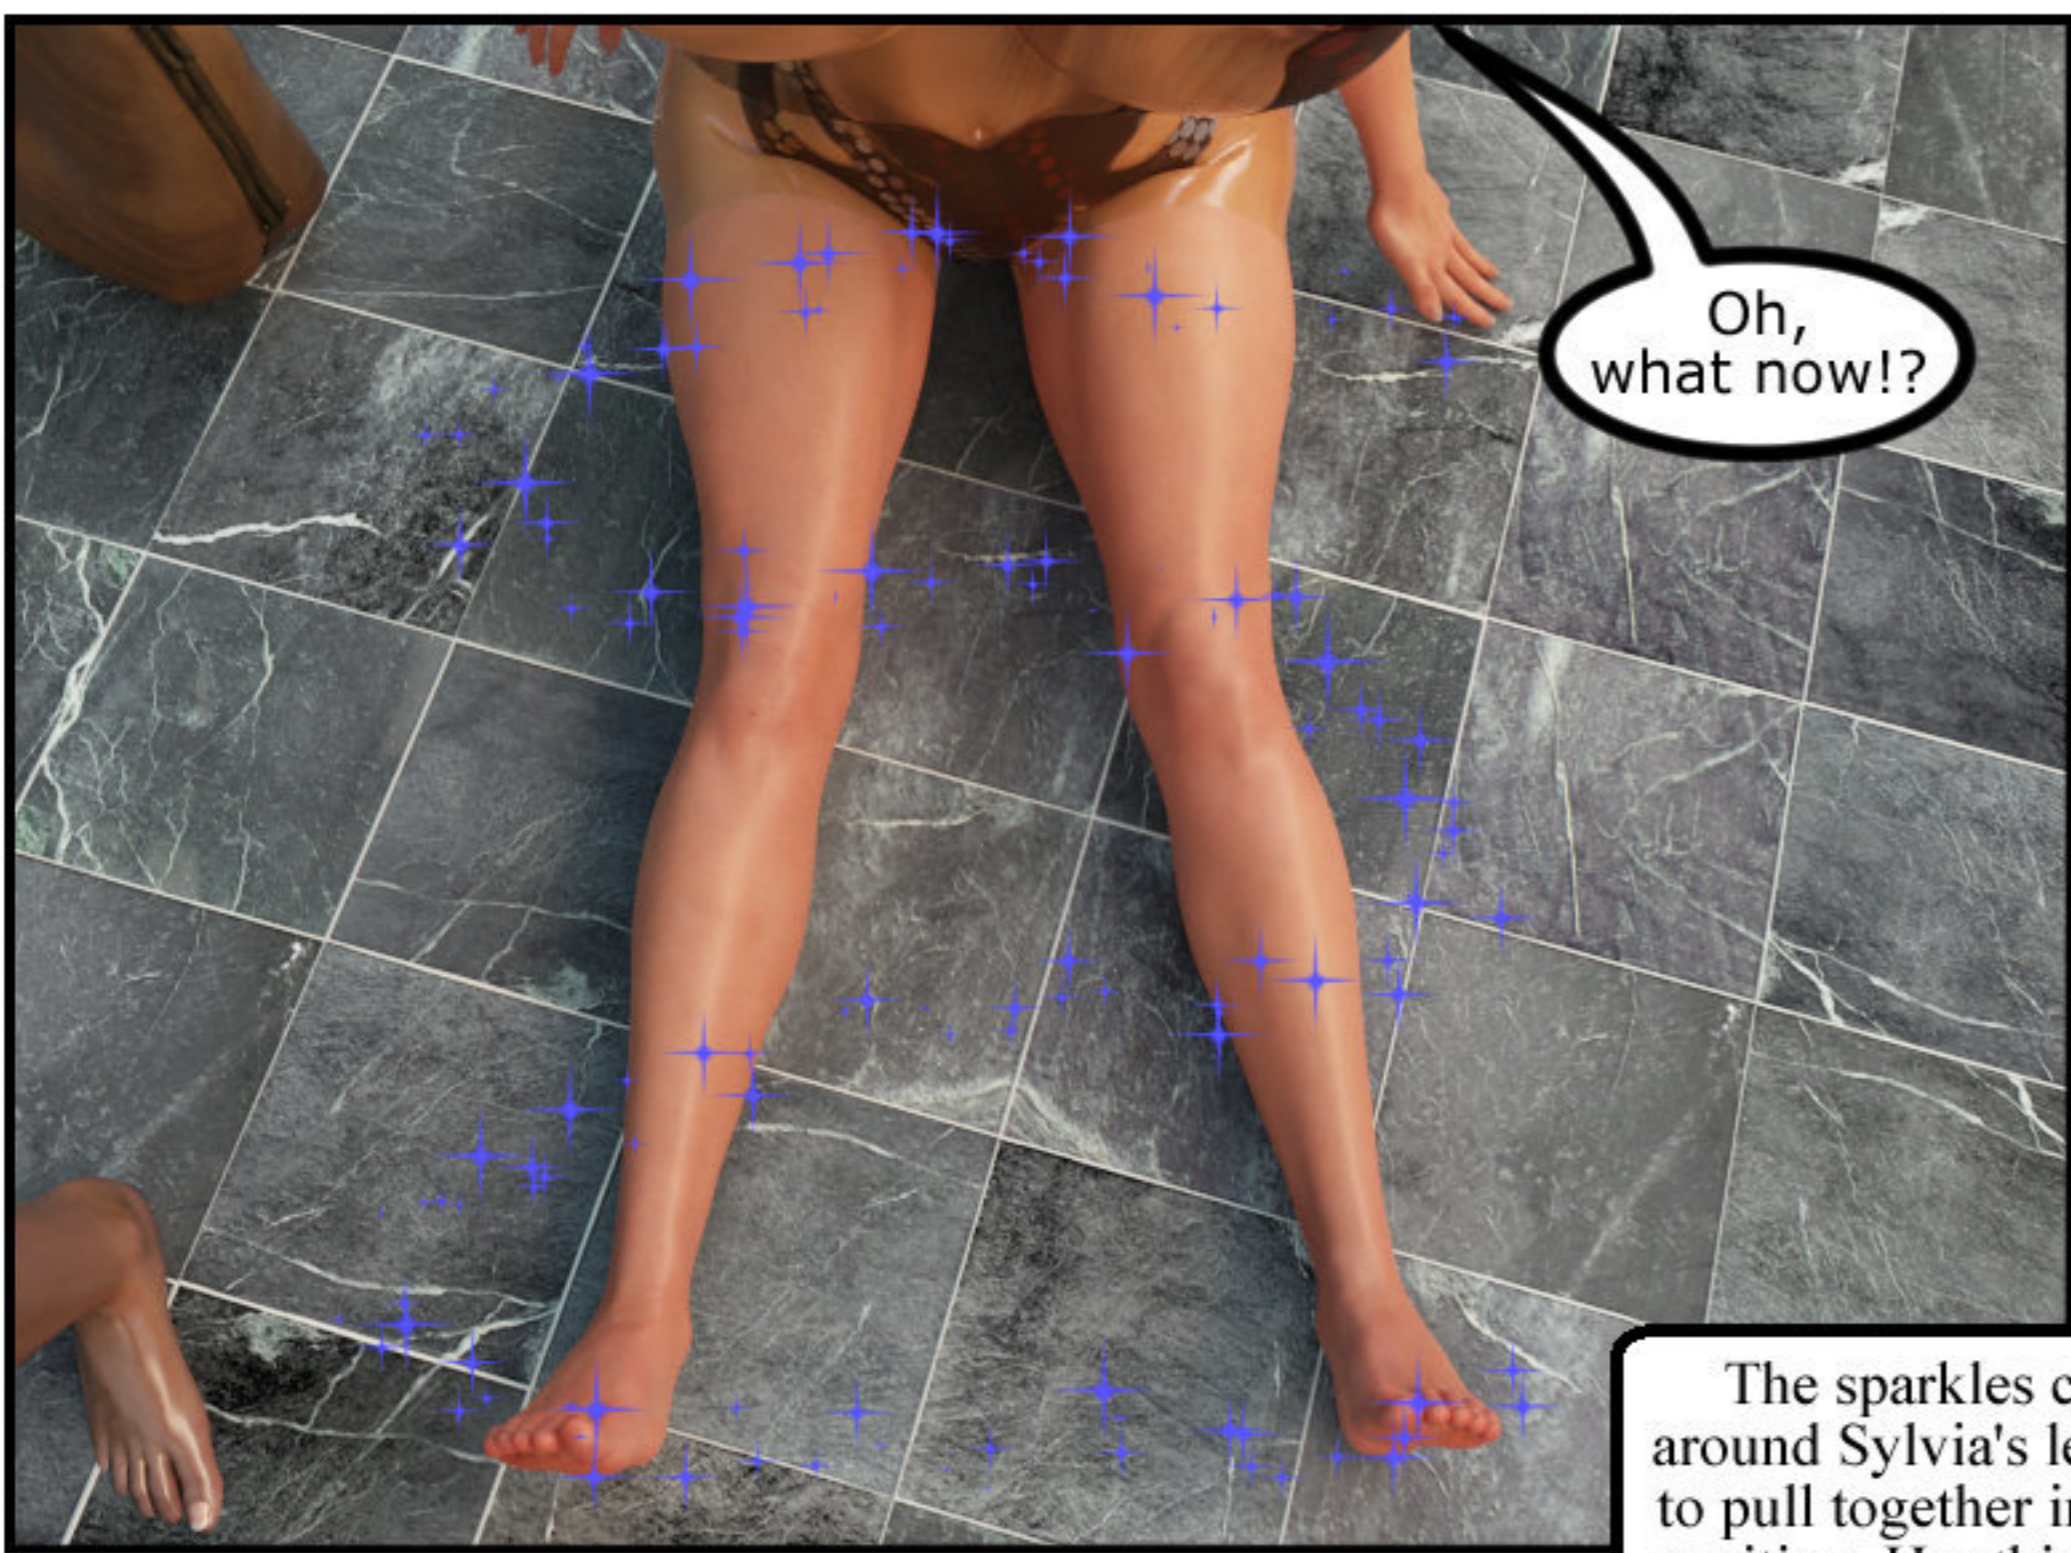

We switch back to Sylvia and we can see the blue sparklies have returned. They surround her legs, which seem to buckle underneath her. She falls to the ground and lands on her thick rump. Sylvia starts to complain that she cannot move them.

Oh no! My legs feel weak. I'm falling! **Help!**

Ooof. Ow! What the hell did they do to my legs? I can't feel them!

Oh,  
what now!?

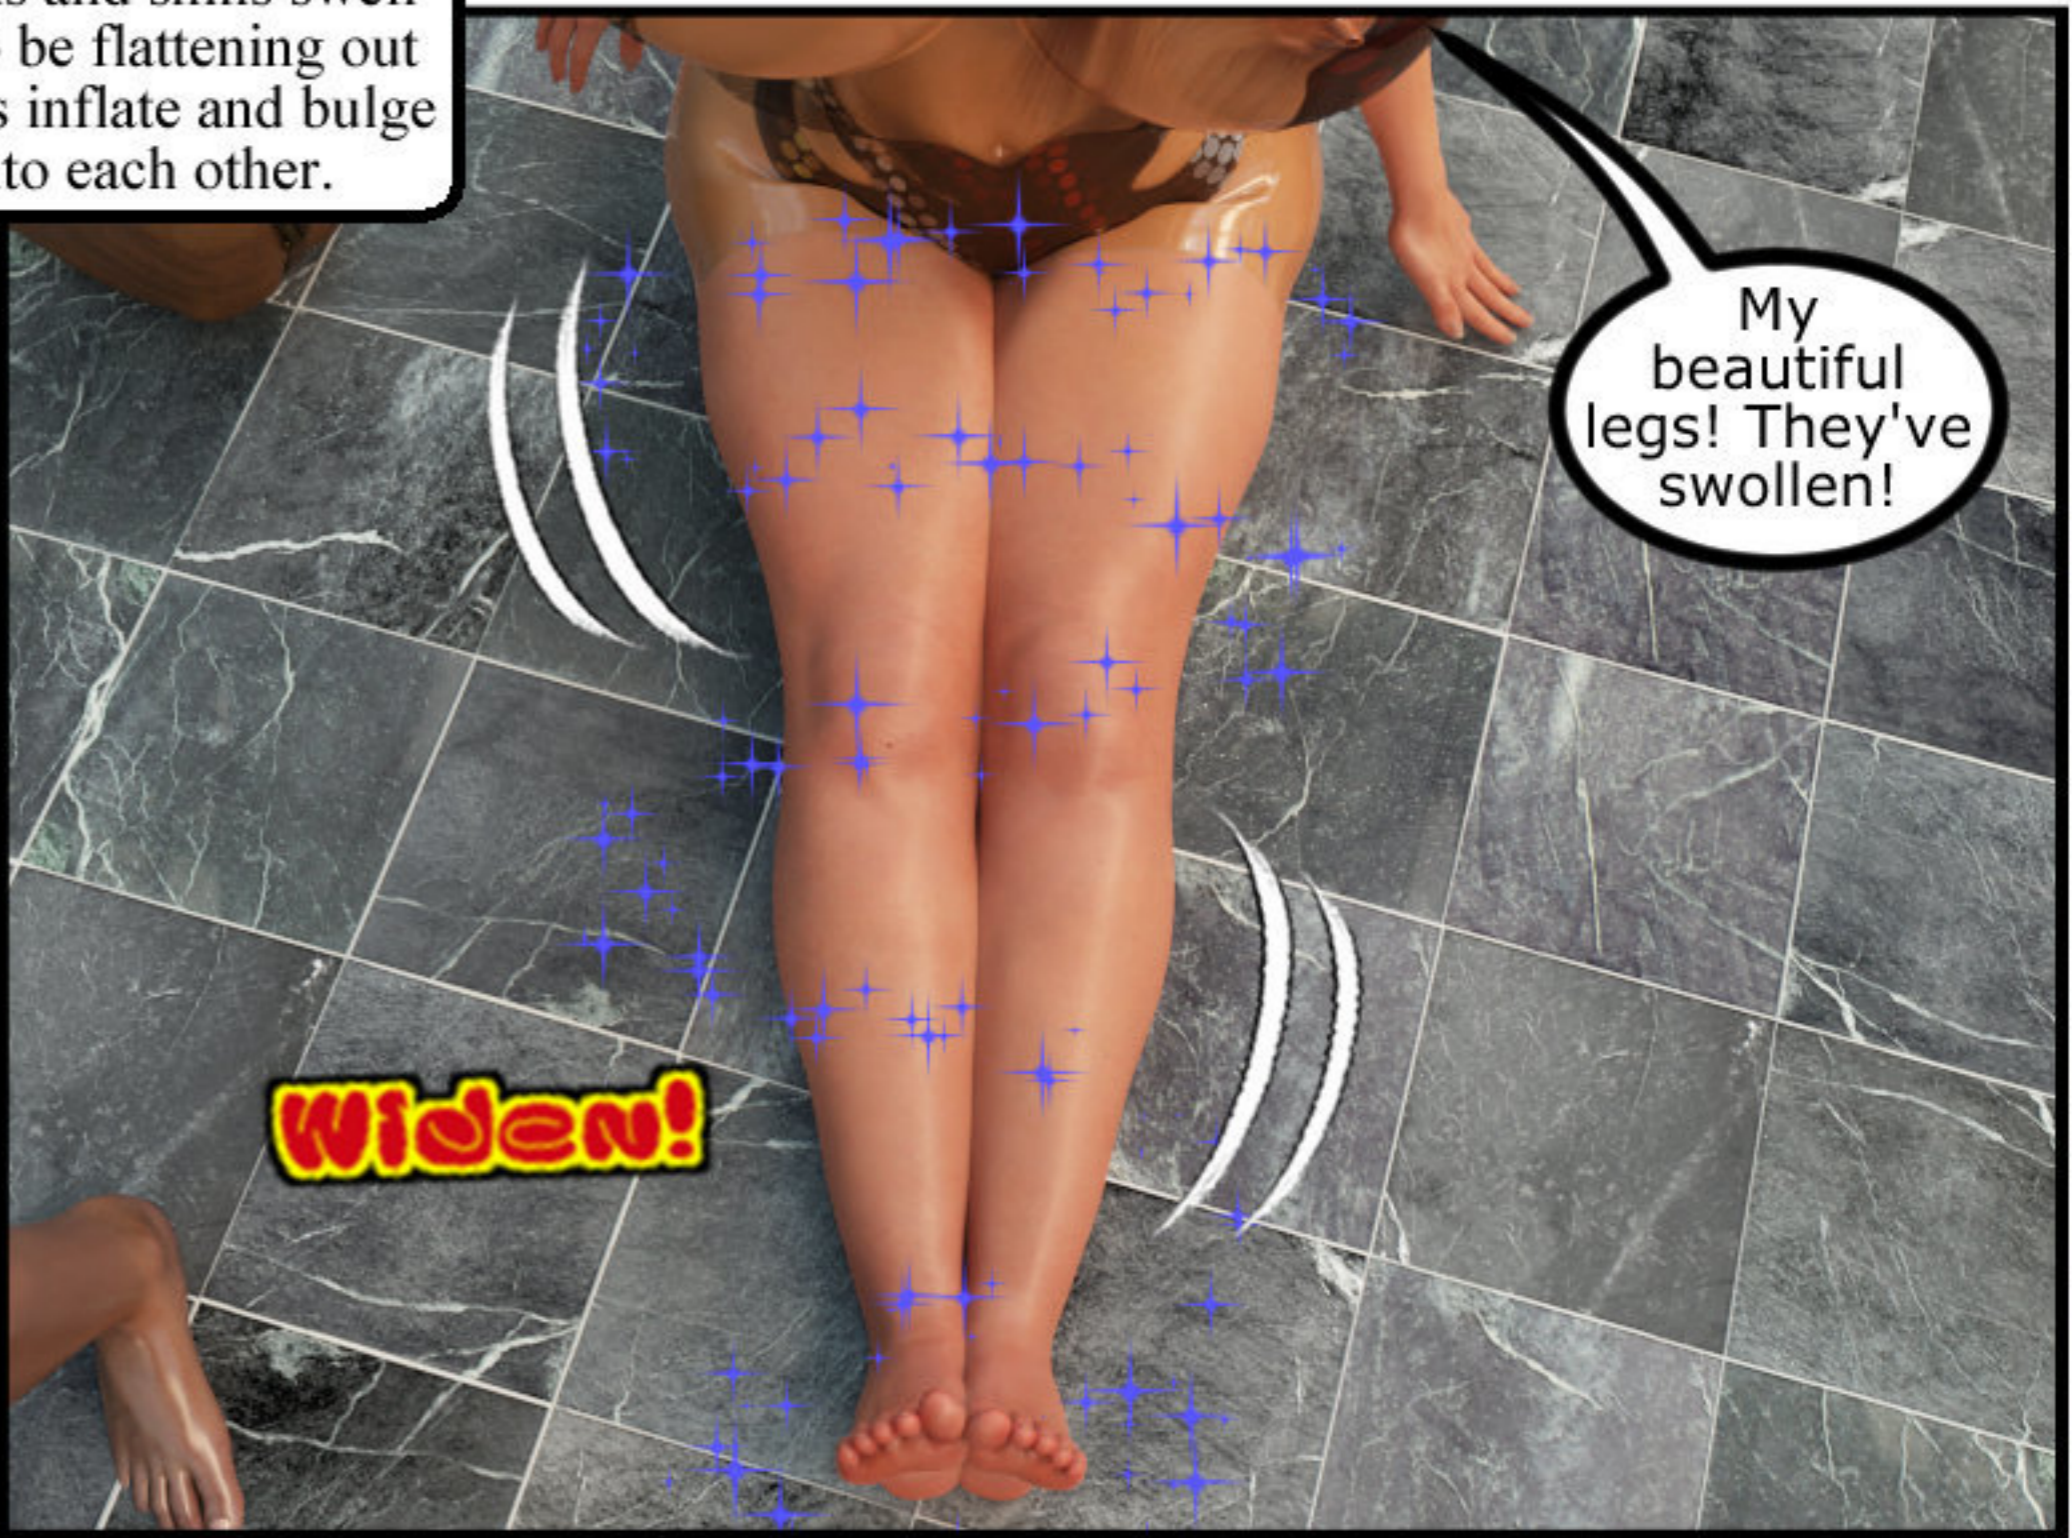

Oh!  
They're  
bigger!

The sparkles continue to swirl around Sylvia's legs, and they begin to pull together into a tighter sitting position. Her thighs and shins swell and also appear to be flattening out somewhat. Her legs inflate and bulge as they press into each other.

No,  
no, no, no!  
Stop!

**Thicken!**

My  
beautiful  
legs! They've  
swollen!

**Widen!**

All right!  
You've had  
your fun dickhead.  
Now turn me back to  
normal and I might  
not report you  
to the  
police.

Well,  
you see this  
has been a long time  
coming for all the hazing  
you and your team have done  
to me. And besides, this is  
for picking on my best  
friend just for being  
herself.

Unable to move her bloated legs, Sylvia raises her fists into the air and shakes them at Chris. She almost shouts at him, furious at what he's done to her. Chris just smiles in return and explains that Sylvia has had this coming for a long, long time.

Why aren't they going away?

Sylvia is taken aback by Chris being strong worded, and we see Sylvia's arms slowly being magically moved to her sides and bent as if reaching out to hug. We see her reaction as her arms move on their own, and she shrieks as her arms are now frozen in place like her legs.

Eeeek!

No!  
Please!  
I don't want  
to get  
fat.

You  
think you're  
getting fat? Nope!  
Like I said, you're  
going to be  
something  
useful.

Sylvia is now getting honestly  
terrified and begs Chris to stop it.  
She is willing to do whatever he  
wants, if he just stops what is  
happening. Meanwhile, the sparklies  
move to her arms and they begin to  
swell and thicken as well.

I'll  
do anything  
you want. Please,  
just stop whatever  
is happening  
to me!

**Swell!!**

Heh.  
Indeed.  
Maya, you're pushing  
your chest  
against  
me

Haha.  
I do, but I  
never expected  
my girlfriend  
to be so  
naughty.

Mmmm.  
This is going  
very well.

Ohhh!  
I know, babe.  
And I can see that  
you really  
like it.

Oh,  
don't you  
dare try and  
say that  
now.

We take a brief break from Sylvia's transformation to focus on our couple. Maya comically starts to almost crawl up Chris's body. In a bit of loving tease, she pushes her bust into the side of Chris's face. Chris can only get erect from the feeling as well as laugh at her actions.

Back to Sylvia, we see her in an emotional roller-coaster. Her body has betrayed her, as she can only move her head. She continues to plead with Chris and apologize.

Chris,  
I beg of you  
to p-please turn  
me back. I'm sorry,  
for everything! I've learned  
my lesson. I'll never pick on  
you or your friends.  
You're the real man  
on campus. I  
should've  
seen it!

Chris seems unmoved, but Sylvia presses on undaunted. That is until she feels that bloated feeling in her breasts once more. Her huge rack swells a few more faker cup sizes

No!  
Not bigger.  
Mmmph! I... why  
do I feel them  
inflating?!  
Ohhh!

**Bulge!**

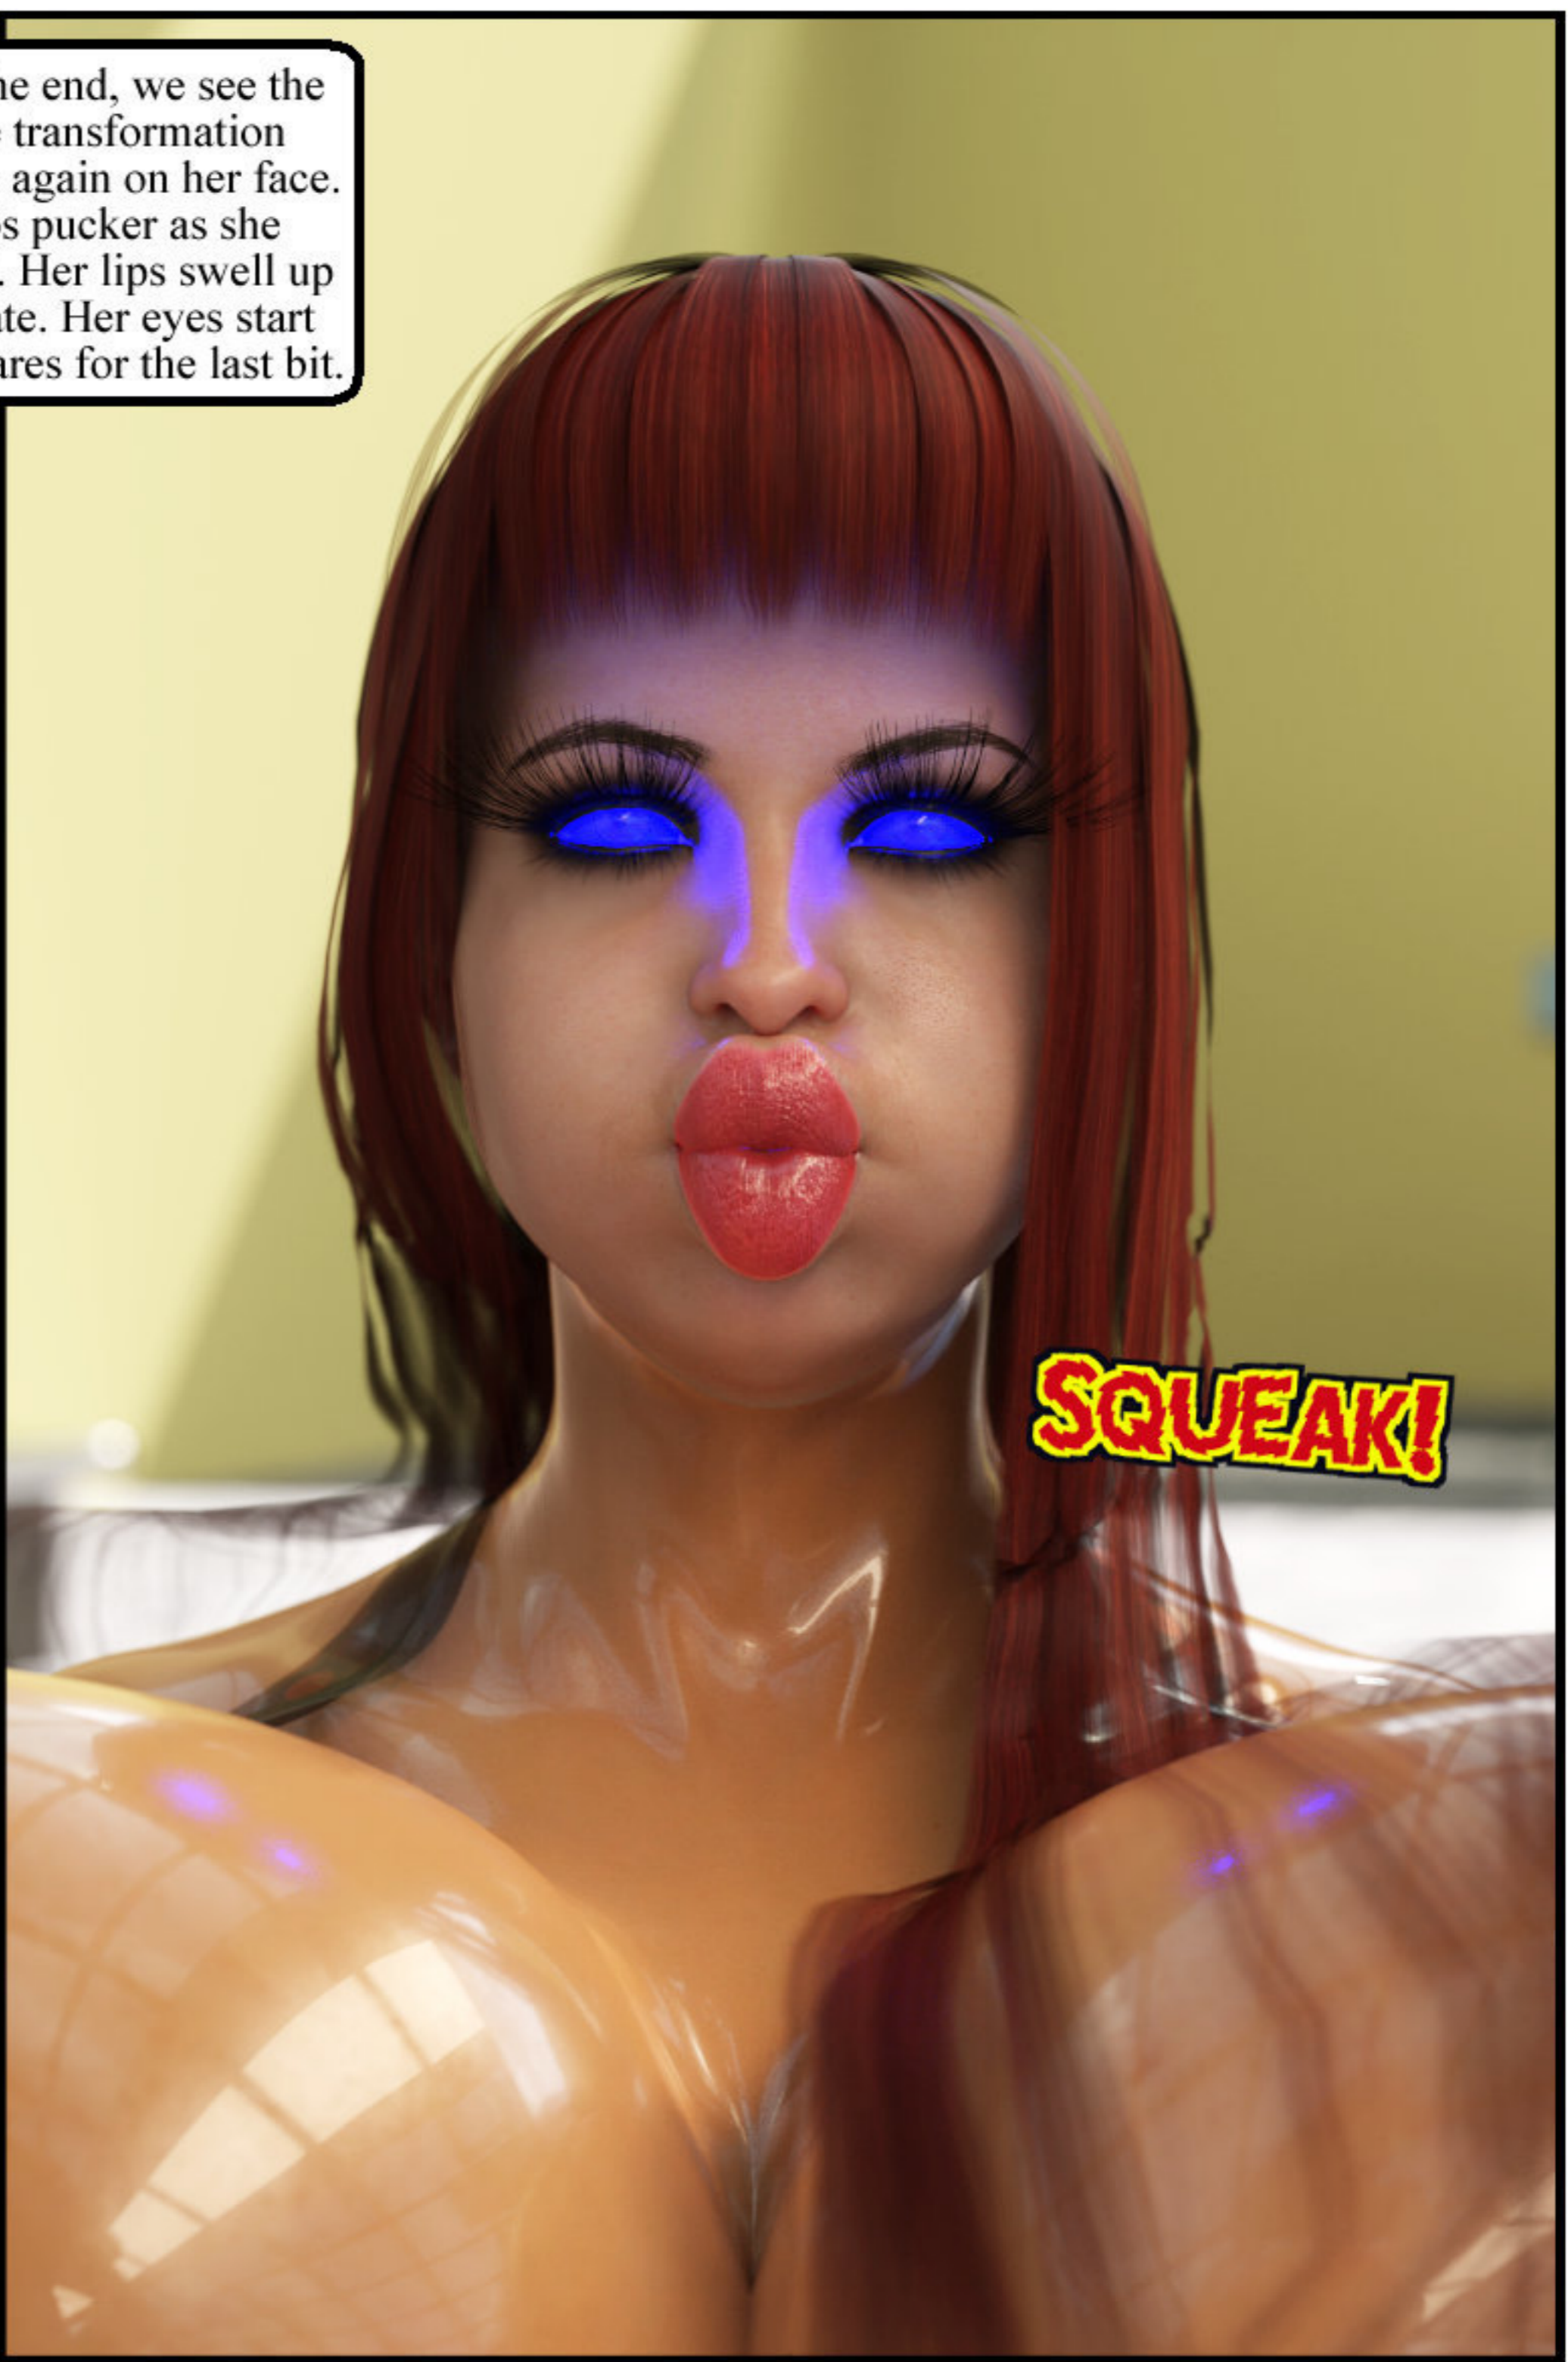

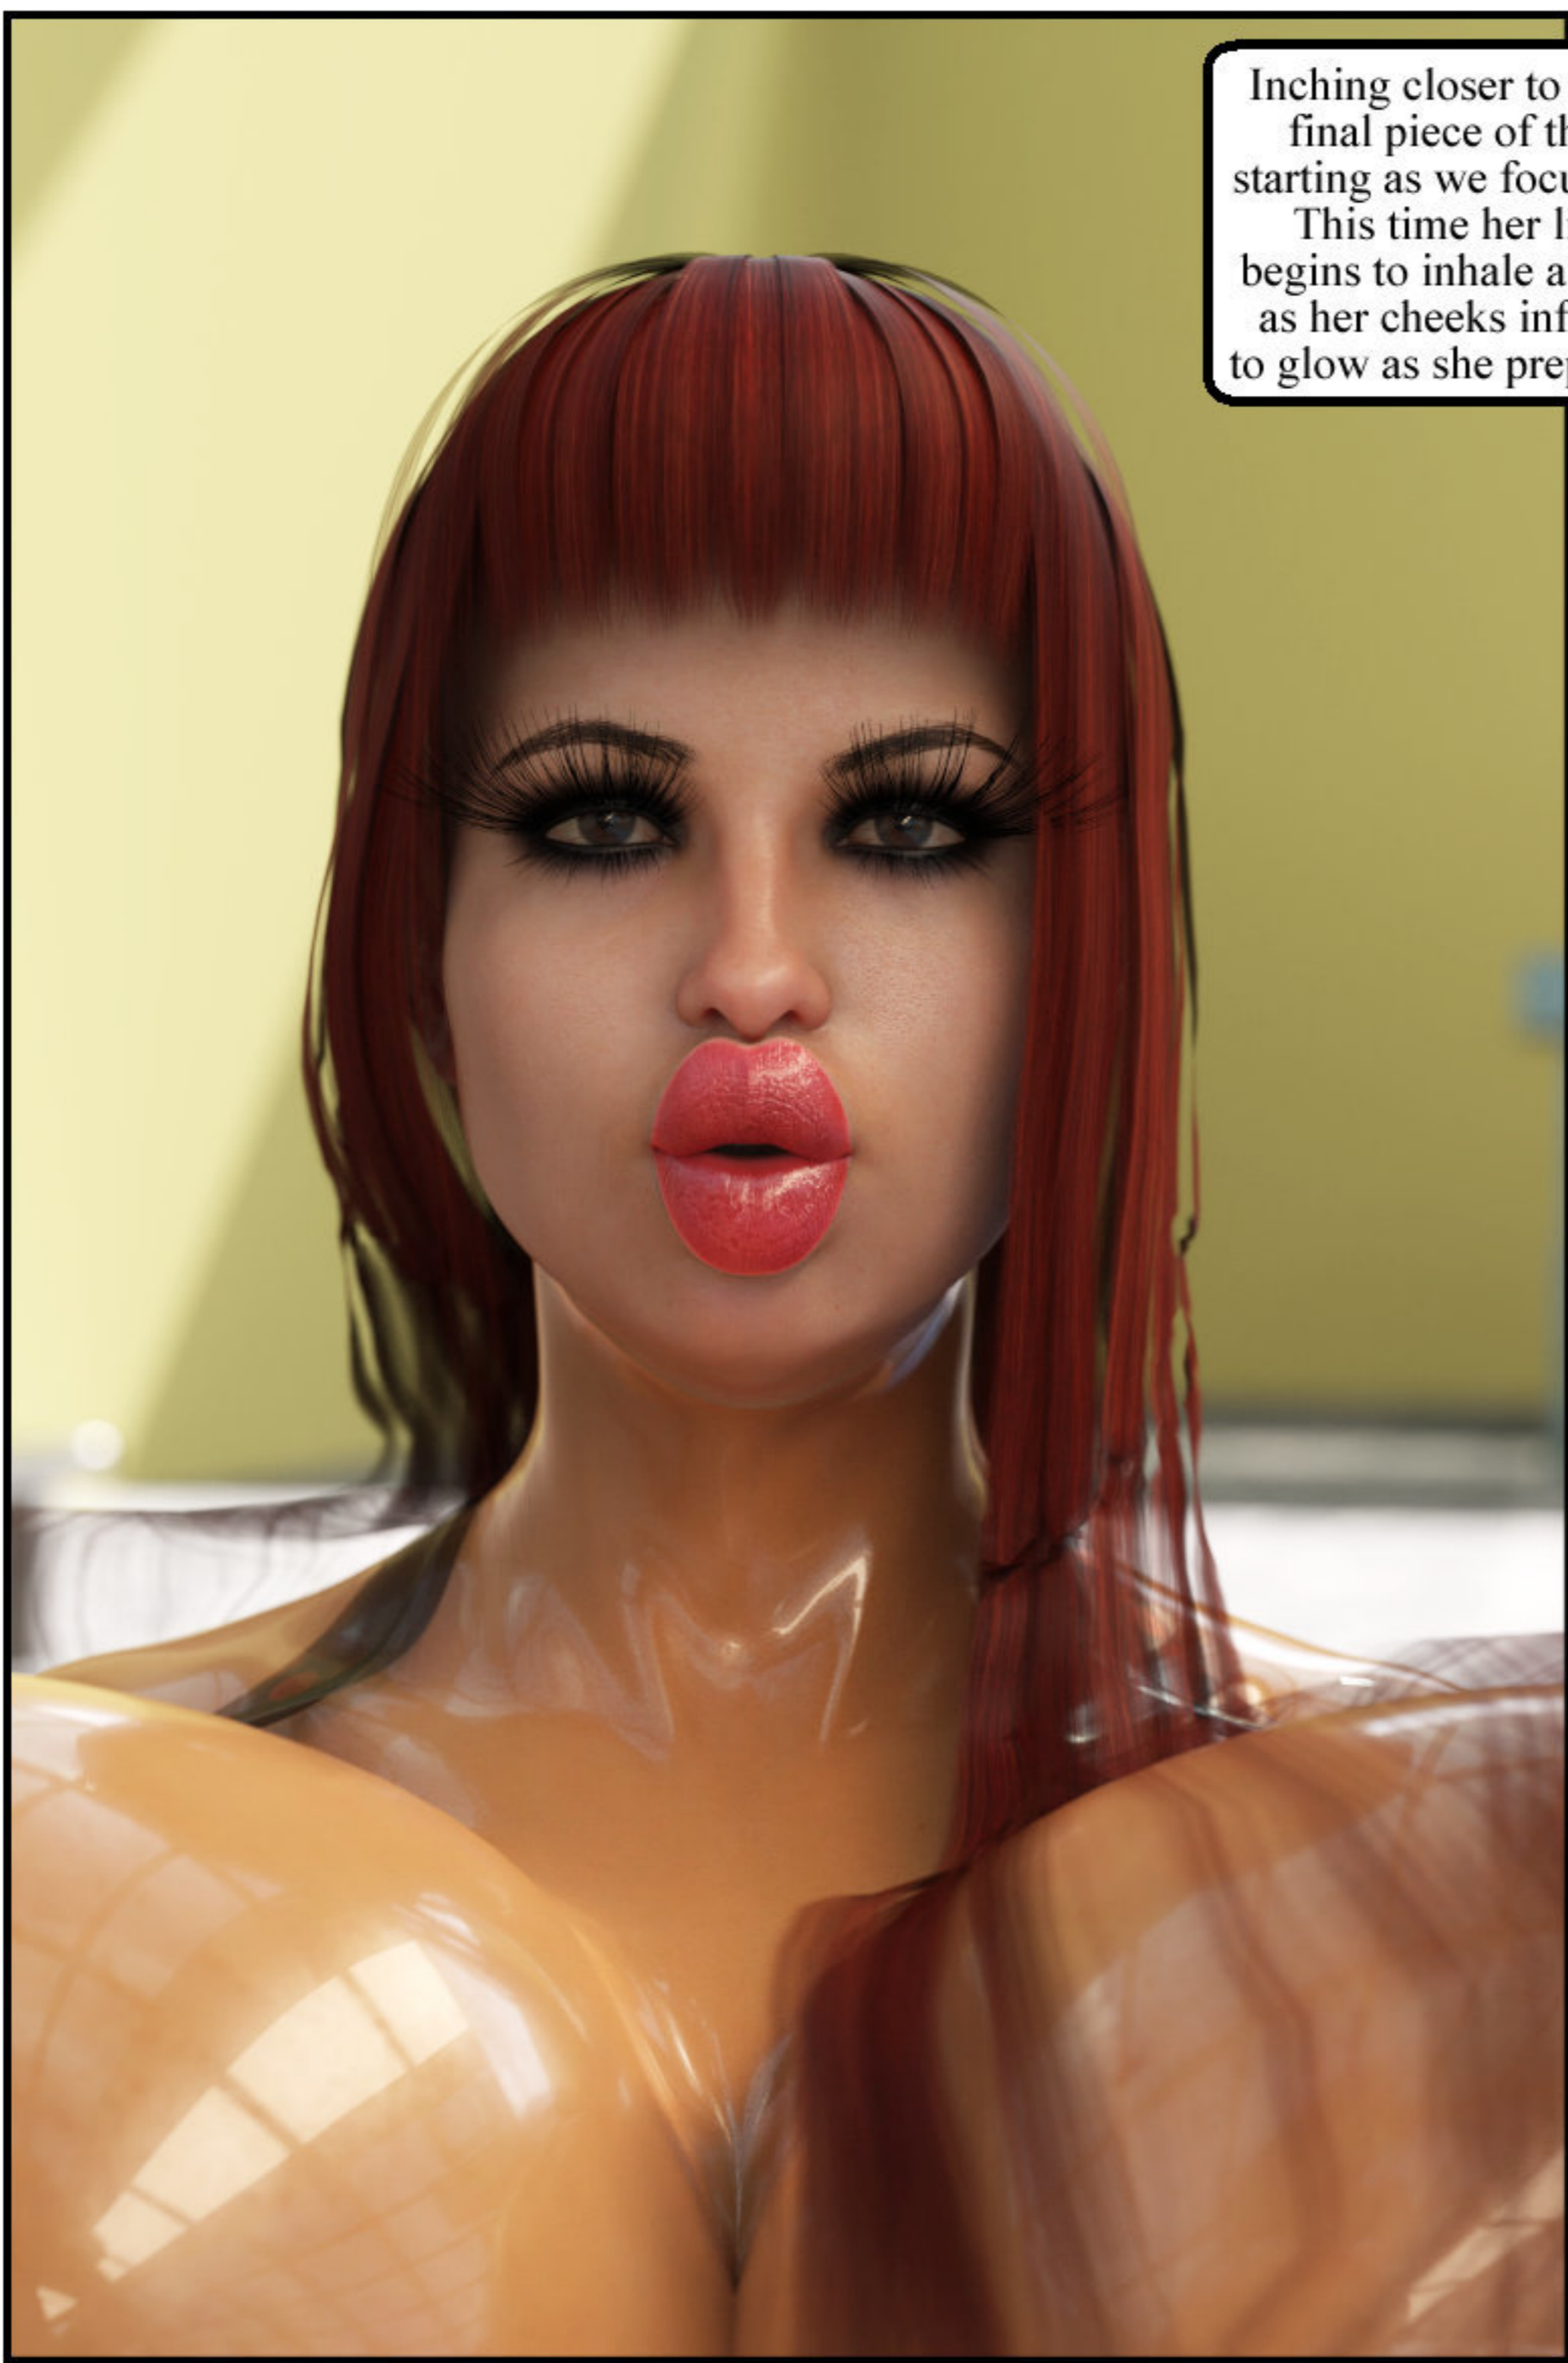

**Bigger!**

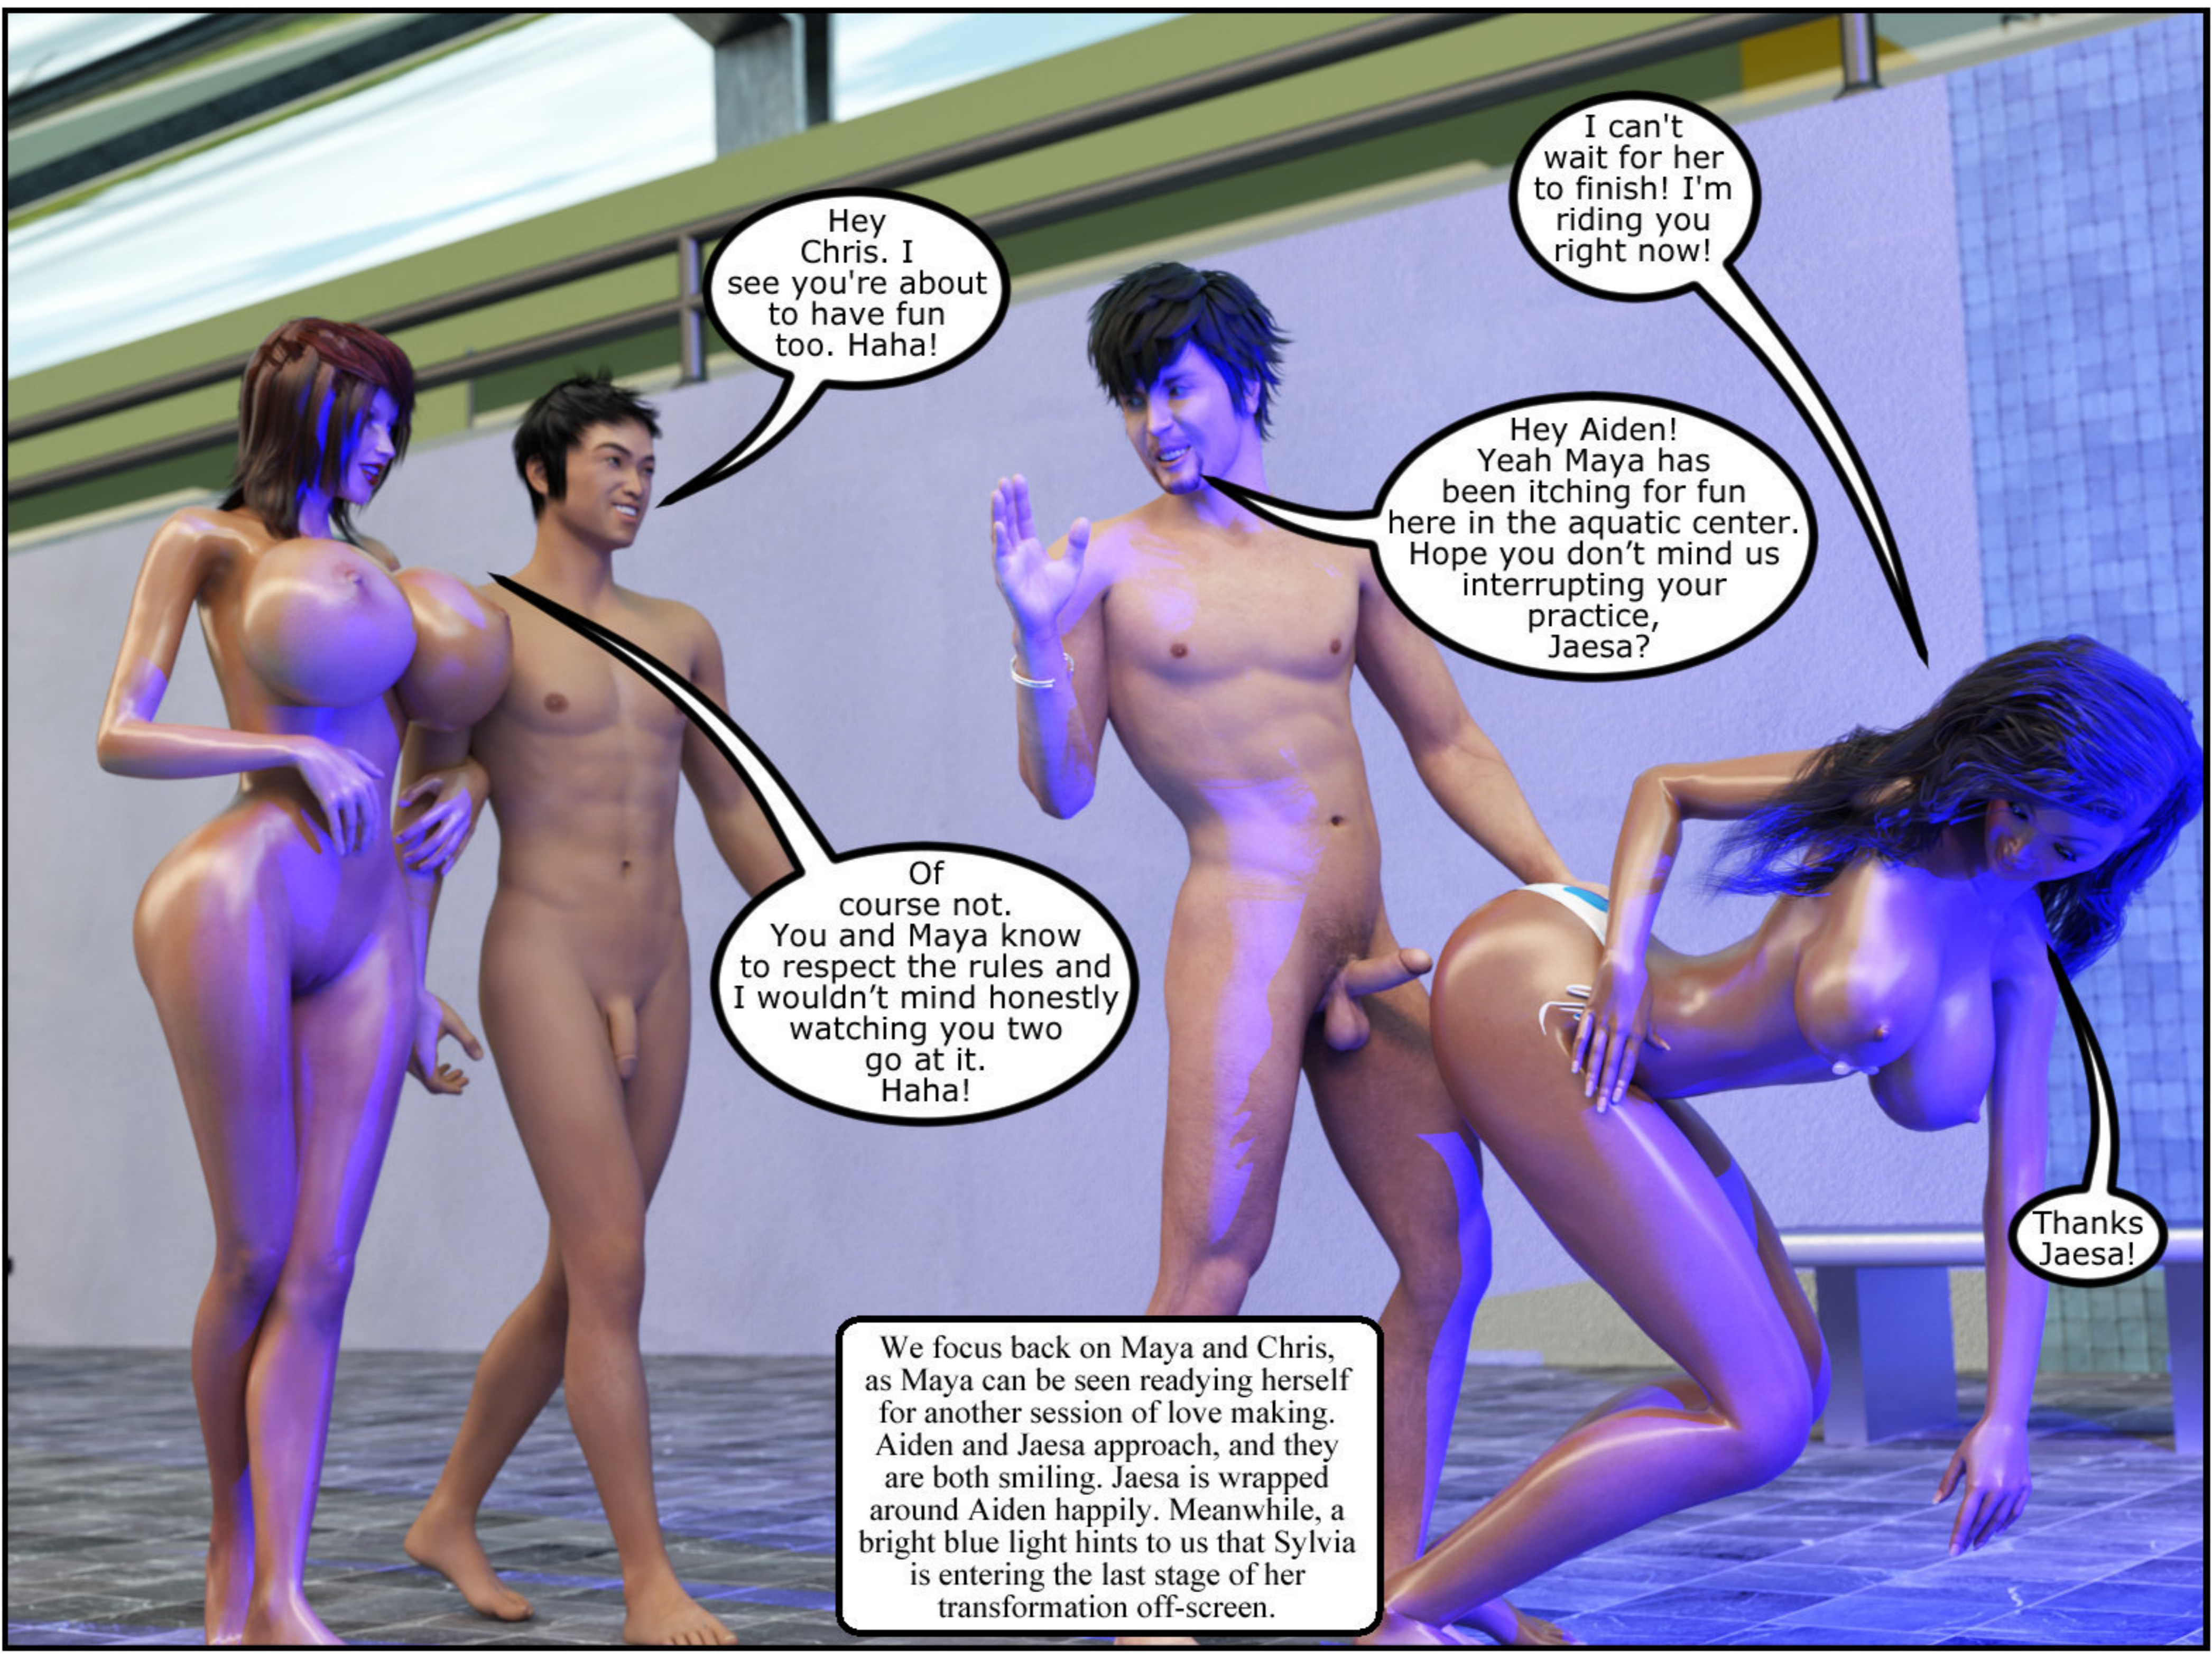

Sylvia begins to cry as the alterations to her body continue. It is clear that Chris is not going to take pity on her. However, she begins to feel some other sensations coursing through her body. Her expression goes from crying to smiling to aroused.

Inching closer to the end, we see the final piece of the transformation starting as we focus again on her face. This time her lips pucker as she begins to inhale air. Her lips swell up as her cheeks inflate. Her eyes start to glow as she prepares for the last bit.

Hey Chris. I see you're about to have fun too. Haha!

I can't wait for her to finish! I'm riding you right now!

Hey Aiden! Yeah Maya has been itching for fun here in the aquatic center. Hope you don't mind us interrupting your practice, Jaesa?

Of course not. You and Maya know to respect the rules and I wouldn't mind honestly watching you two go at it. Haha!

Thanks Jaesa!

We focus back on Maya and Chris, as Maya can be seen readying herself for another session of love making. Aiden and Jaesa approach, and they are both smiling. Jaesa is wrapped around Aiden happily. Meanwhile, a bright blue light hints to us that Sylvia is entering the last stage of her transformation off-screen.

Oh my!  
Who brought  
that here?!

Sure!  
What's up?

Hmmm.  
However, I  
do have a better  
idea if you are  
willing to hear  
me out.

Am  
not sure.  
Heh, but I'll  
take it home after  
we're done  
here.

As Aiden and Chris have a brief conversation, the blue glow begins to dim. Chris offers an idea to the swim team. Aiden seems curious about Chris's idea, while Jaesa looks past him and asks what is sitting there.

A little while later...

The scene shifts to a few minutes later. The camera does a wide angle shot of the entire, nearly empty, Aquatic Center. We can just barely see Jenni, another of the cheerleaders, entering the pool area.

Did I  
miss everyone?  
Can't be! The pool  
doesn't close until 8 pm.  
Ugh! Don't tell me  
Sylvia took the  
boys herself.  
That bitch!

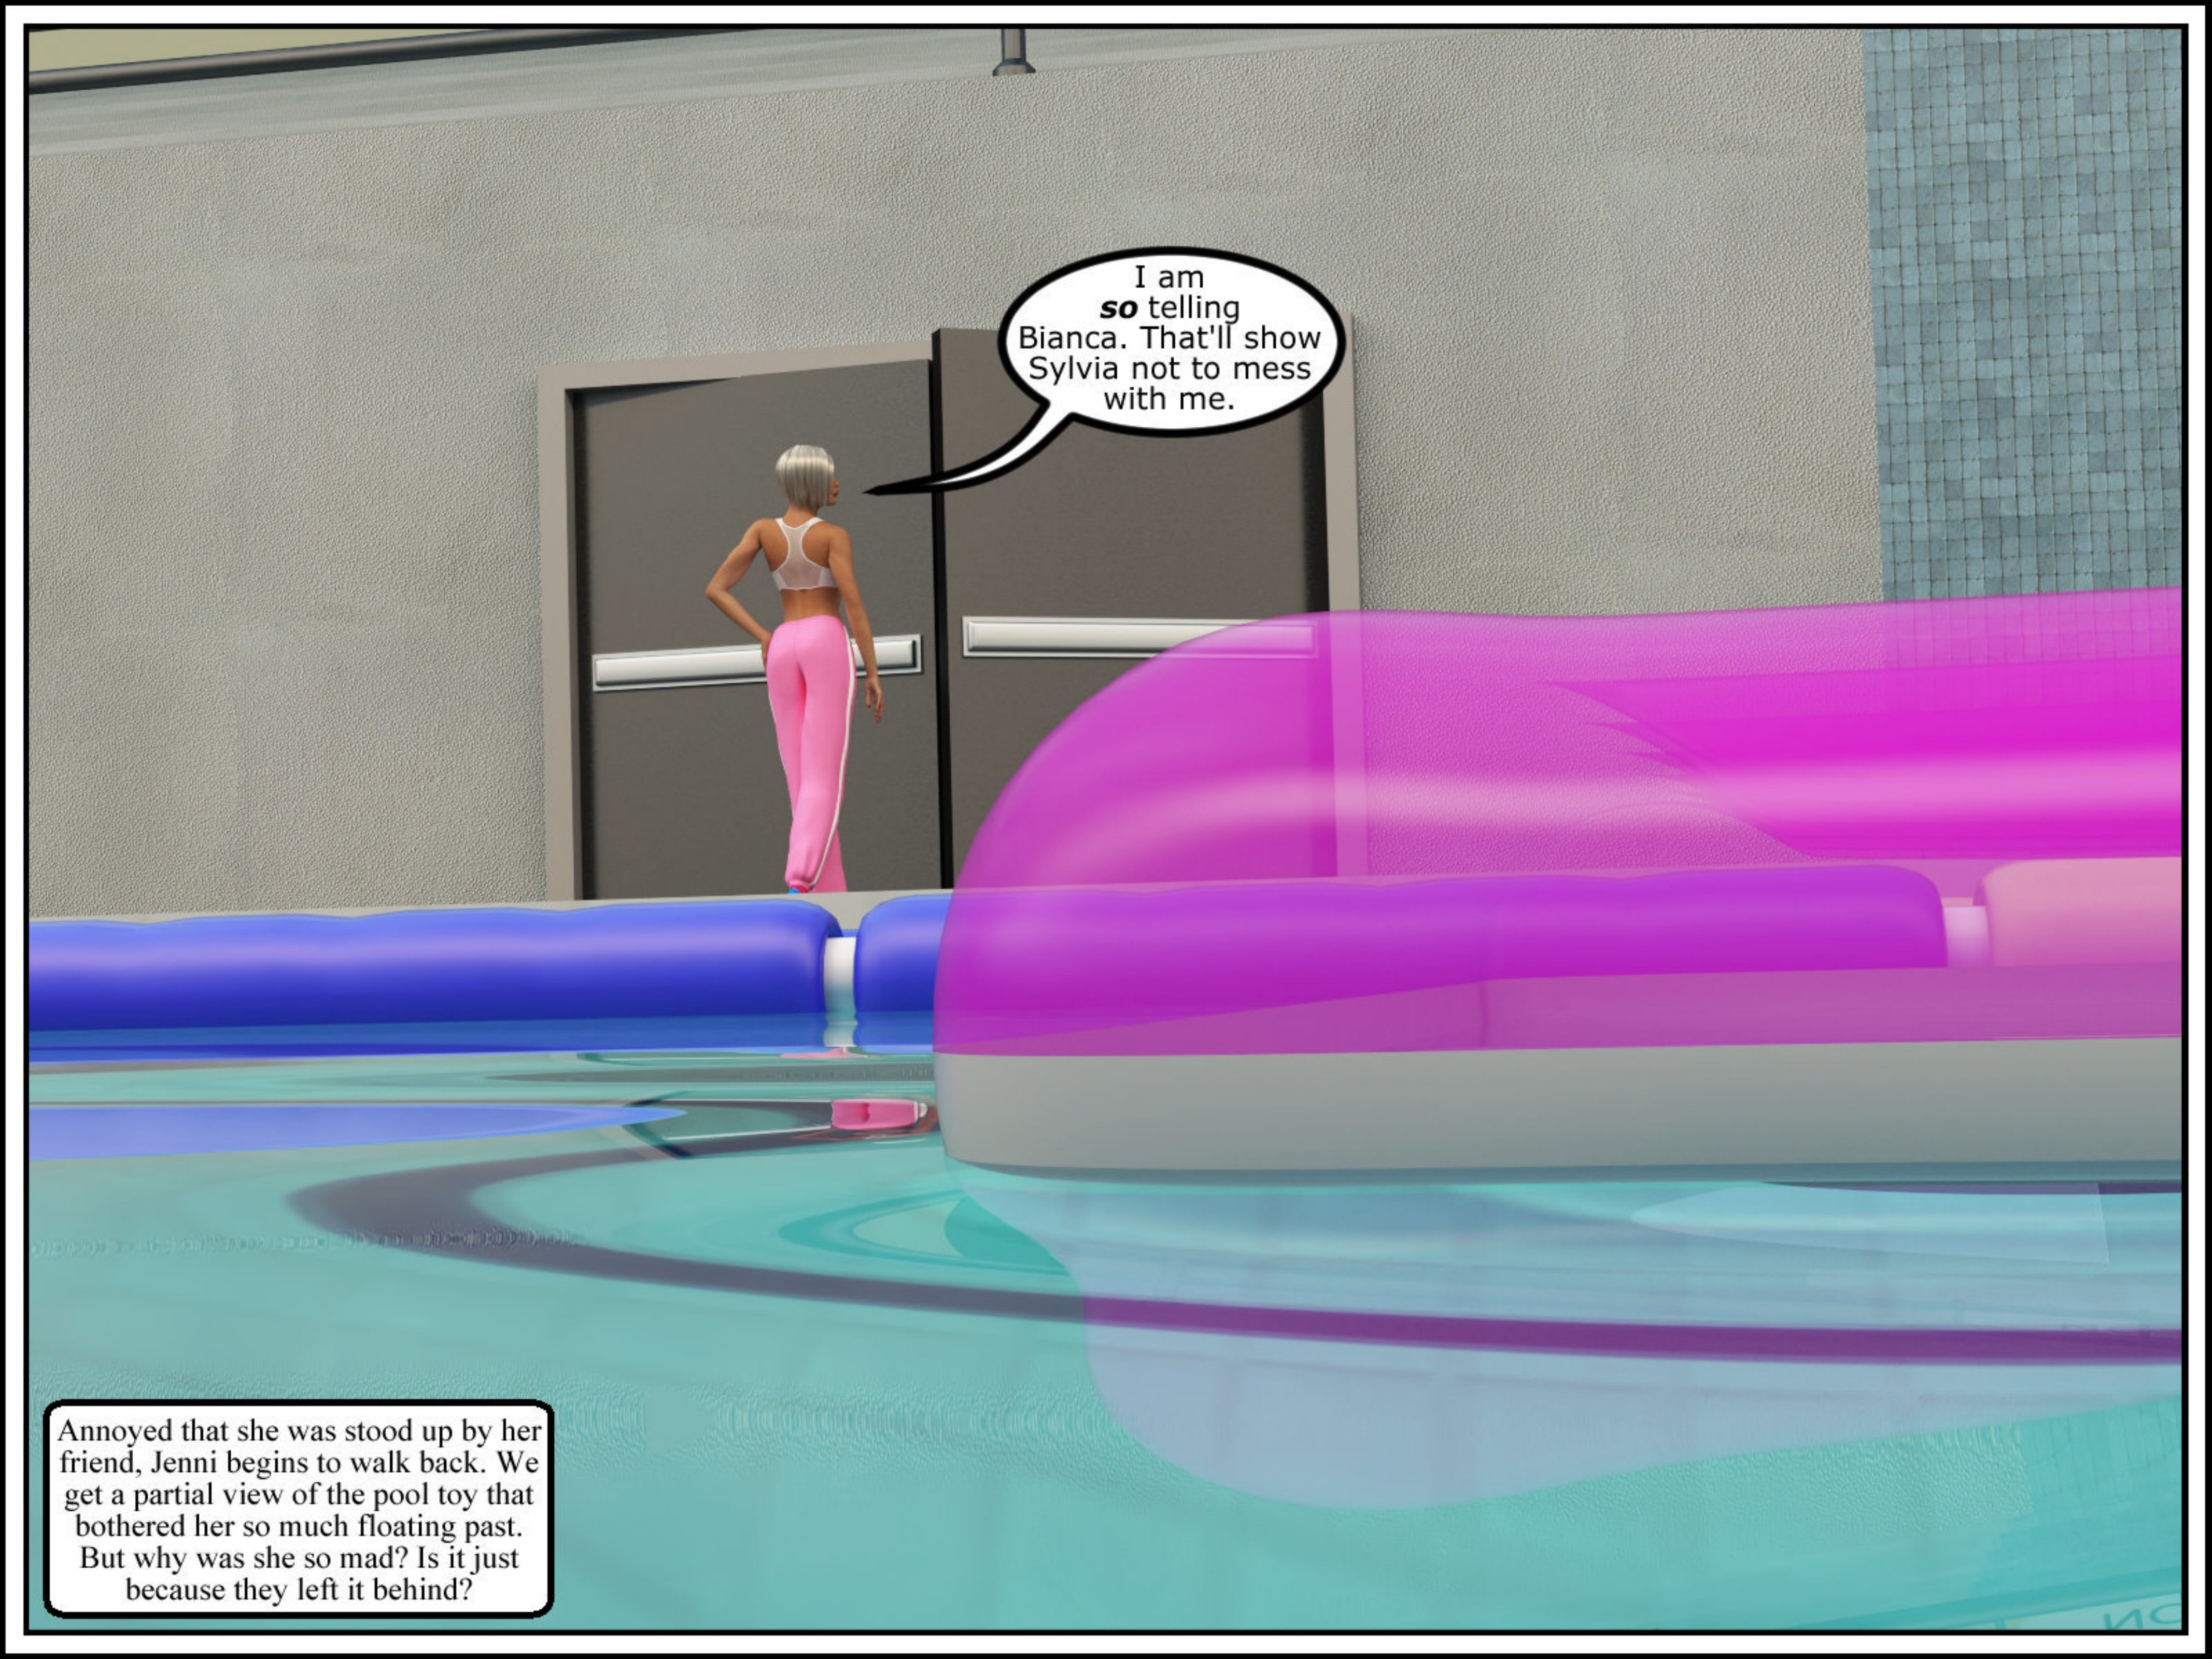

Jenni walks out into the pool area. It looks like she might have just come from the gym or practice. She looks around, but she doesn't see anybody. The entire pool area seems empty, but it's not closing time yet. She is a little confused by all of this.

The heck is-- Oh my god! Someone actually brought a pool toy and left it behind? Must be a prank. Jerks!

Must be lonely to buy something so cheap as that.

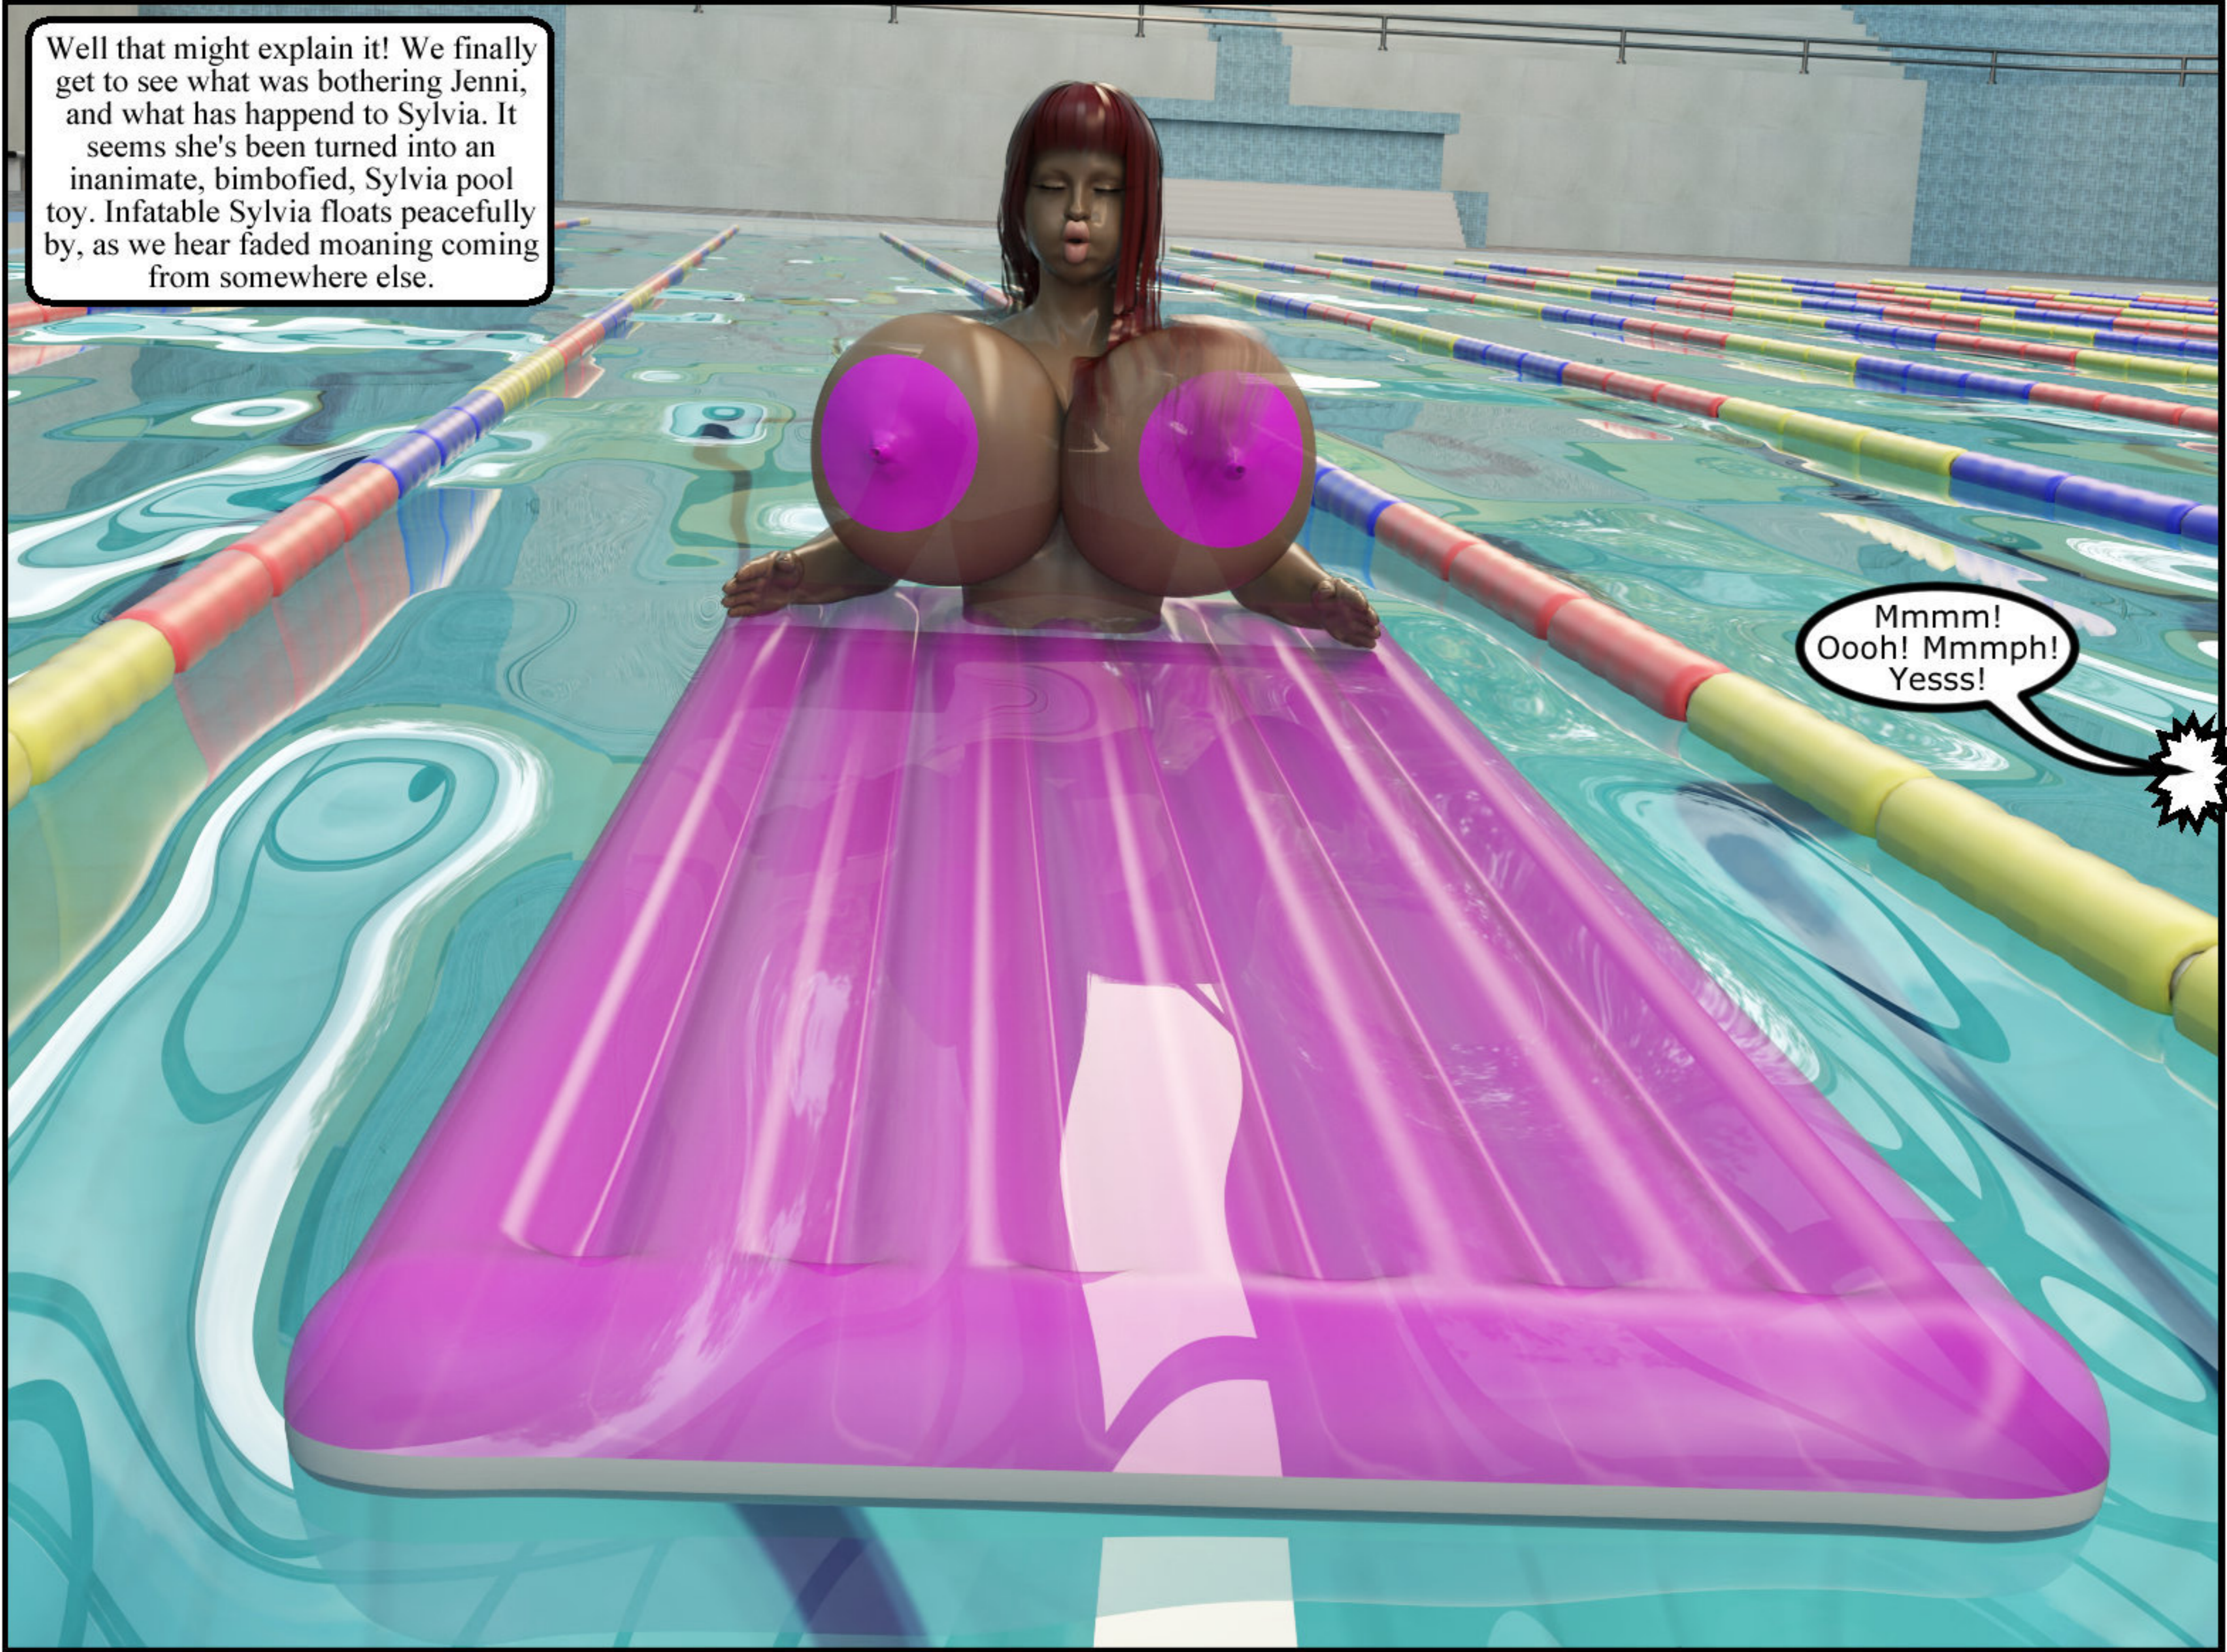

While she does not spot any people, Jenni does eventually see something. She doesn't look very happy though, she seems rather disgusted actually by what she is seeing. It seems that someone left a pool toy floating in the pool, but what is the big deal with that?

A woman with short blonde hair, wearing a white sports bra and bright pink leggings, stands with her back to the camera. She is looking towards a dark grey door set into a light grey wall. In the foreground, a large, vibrant purple inflatable ring floats in a pool of turquoise water. The scene is brightly lit, suggesting an outdoor pool setting.

I am **so** telling Bianca. That'll show Sylvia not to mess with me.

Annoyed that she was stood up by her friend, Jenni begins to walk back. We get a partial view of the pool toy that bothered her so much floating past. But why was she so mad? Is it just because they left it behind?

Well that might explain it! We finally get to see what was bothering Jenni, and what has happened to Sylvia. It seems she's been turned into an inanimate, bimbofied, Sylvia pool toy. Infatable Sylvia floats peacefully by, as we hear faded moaning coming from somewhere else.

Mmmm!  
Oooh! Mmmph!  
Yesss!

OooOoo,  
Richard!

Eric!  
Ohhh, Eric! Don't  
stop!

It seems to be coming from the doors to the changing room, which likely means it's coming from the changing room itself. What naughty things are happening inside that would generate such naughty sounds?

How  
are you  
holding up, Melissa?  
Mmmph! You  
liking it?

Oh,  
Eric! I  
love all of you.  
Don't stop baby! Fuck  
me like I've been  
bad to  
you.

Mmmph!  
Make sure you  
don't... mmm... pull  
anything babe. Still...  
ooh... that's...  
mmm... so  
hot.

Don't  
worry, Denise.  
I won't hurt myself.  
Trust me. I'm  
enjoying this  
so much!

Seems the party hasn't stopped as we reveal Eric and Melissa having another go at practice. Richard and Denise have also joined in the fun. Seems most of the two swim teams are enjoying their new lives.

Or maybe not. Though we only see four of them, we now focus on the sound of running water and steam coming from the shower room. We can also hear the sounds of giggling.

Oh!  
Jaesa!  
You're so skillful  
in warming us  
up.

We reveal a hungry Jaesa on her knees  
at her lover's front as she blows him.  
Aiden has his hands gently on  
her head. He looks down at her in  
bliss as they get wet under the shower.

MmMmpPpphHhh!!

MmMmmMmm!!!

A naughty idea indeed my love. OooOoo! Keep fucking meee!

I thought so too! Mmmph! As you wish my naughty Maya.

Lastly, we have our protagonist couple: Chris and Maya. They are having their fun as Chris has Maya pressed up against the shower wall. She leans forward and braces herself, as Chris thrusts away into her. The steam might be from more than just the shower water.

YyyeEee\$\$\$S\$\$!!

The last image of our chapter pans the camera back out to the main pool area, where our sexy pool toy still floats quietly by. In the background, we can hear the echoing screams of pleasure from our four ladies that are still in the changing room.

The story will  
continue in the  
next part.
