

# REMATCH

Doujinshi by *TheWriteFiction*

♡ My, my... I had no idea  
Universe 7 Saiyan males  
had **three** legs... \*giggle\* ♡

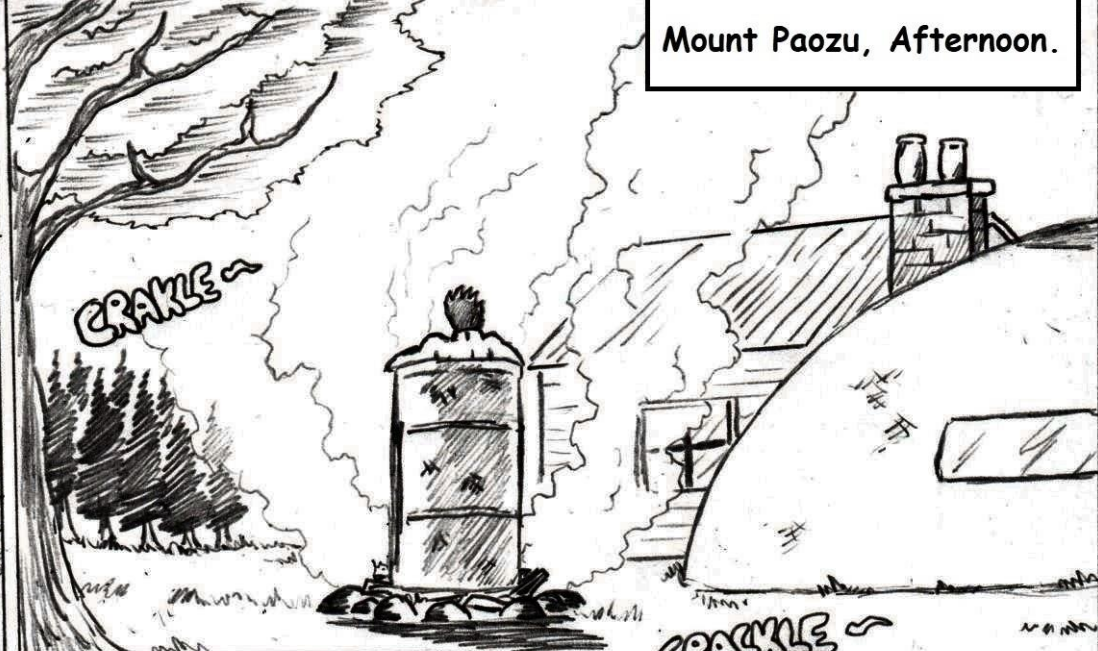

\*Sigh\* I can see why dad always loves taking baths like this.

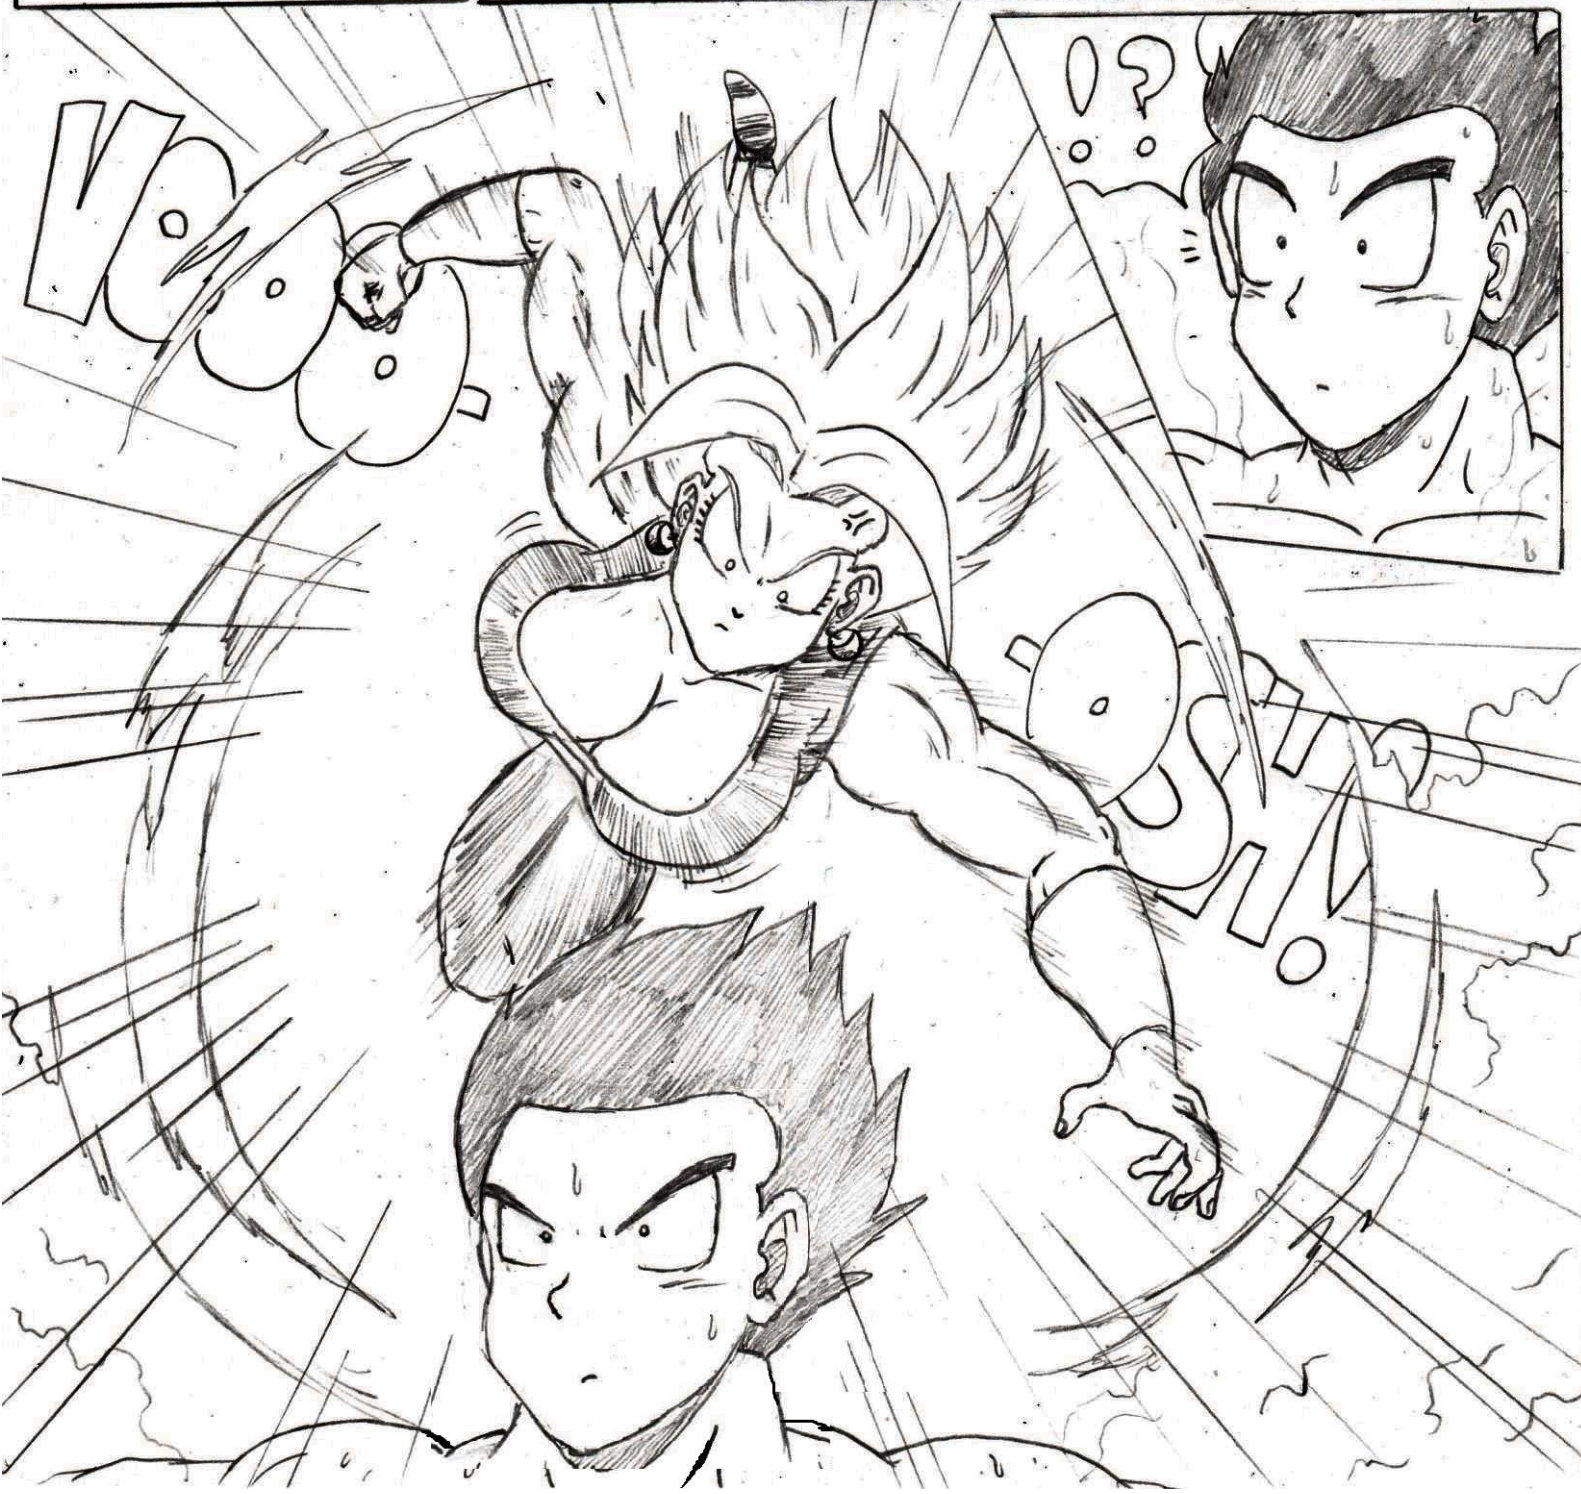

It's good to do this after a long day of desk work. I need to try this back home-

Mount Paozu, Afternoon.

After the ToP (manga timeline)

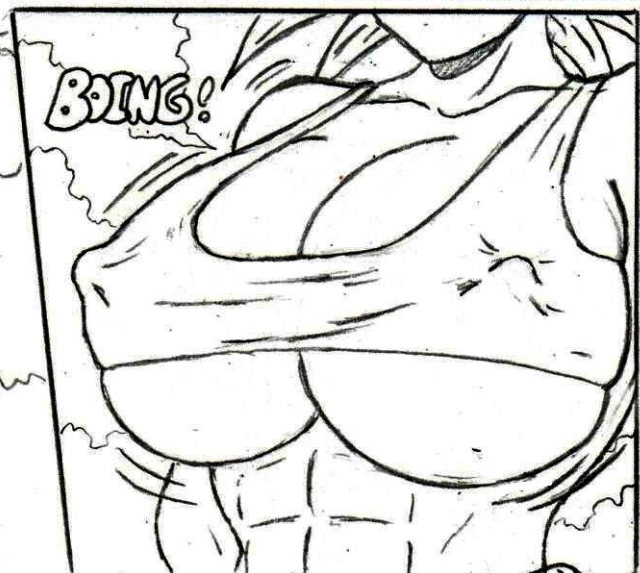

I finally found you! The incredibly strong  
half-Saiyan of Universe Seven!

You and I have some unfinished  
business to settle from the  
Tournament of Power!

I've been waiting a long time for this!

Hah! Now that's what I like to hear!

CLENCH!

You may be a half-breed, but you sure as hell have the soul of a Saiyan! Let's rock!

You're... those two Saiyans who fused during the tournament. Caulifa and Kale, huh? Alright... if it's a rematch you want...

STAND!

...it's a rematch you'll get.

...naked.

Oh, right...

Hm?

BLUSH!

What's wrong?

Huh?

Well, you did interrupt me from my bath,  
so... yeah. Heh... apologies for this...

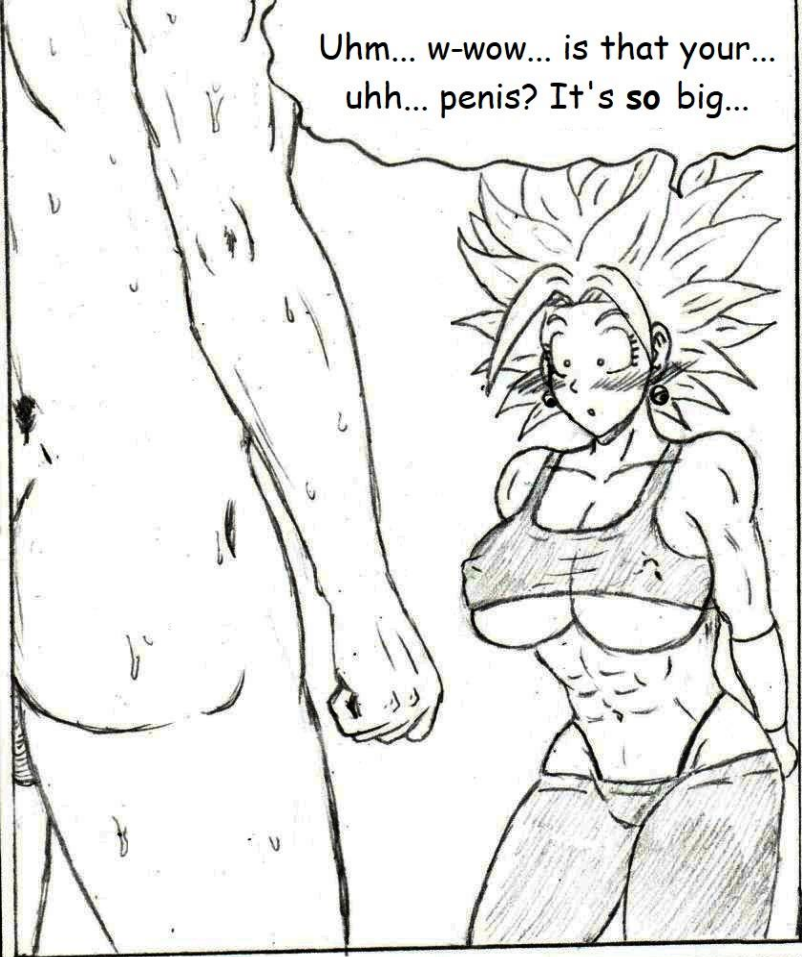

This is the first time I've seen one so massive.

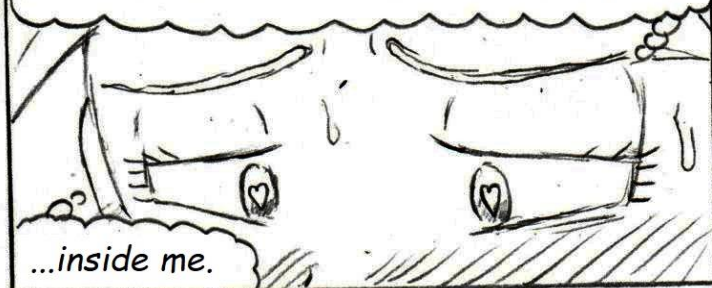

Incredible.

Uhm... w-wow... is that your...  
uhh... penis? It's so big...

I wonder how a cock like his would feel...

...inside me.

I'll go put on some clothes.  
Heh. Can't fight with all my  
bits flapping about-

STOP!

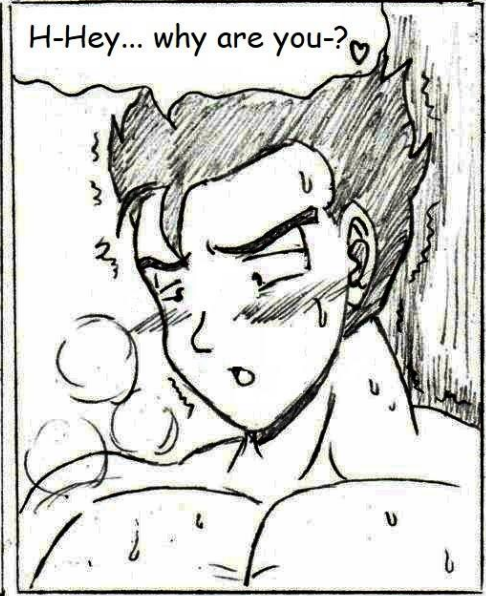

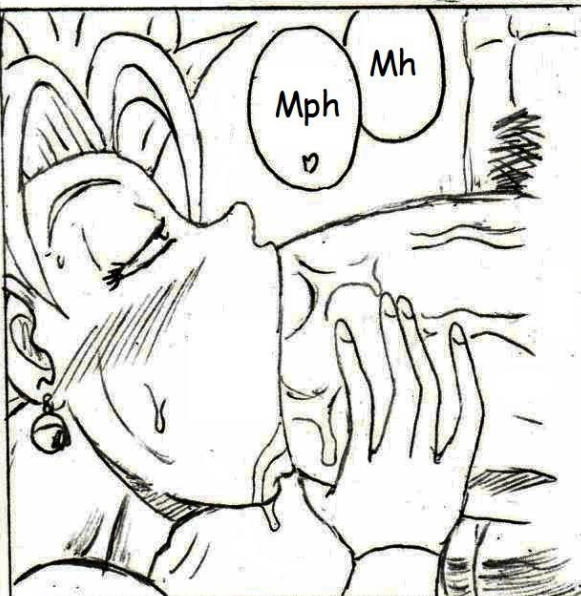

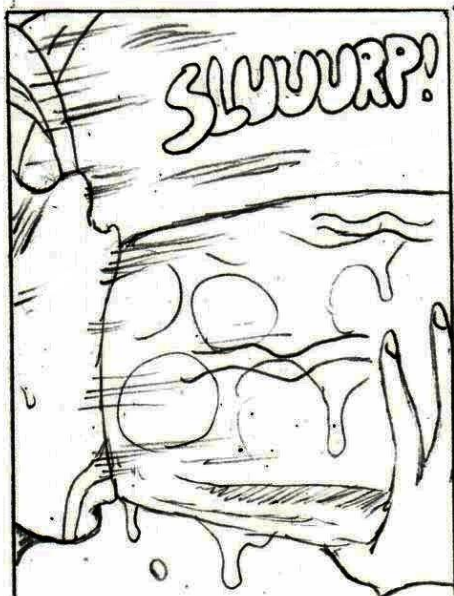

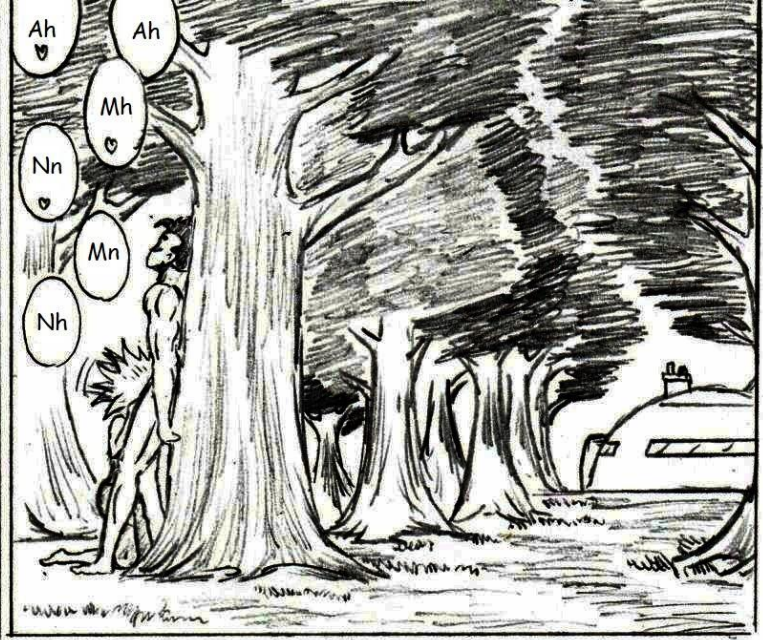

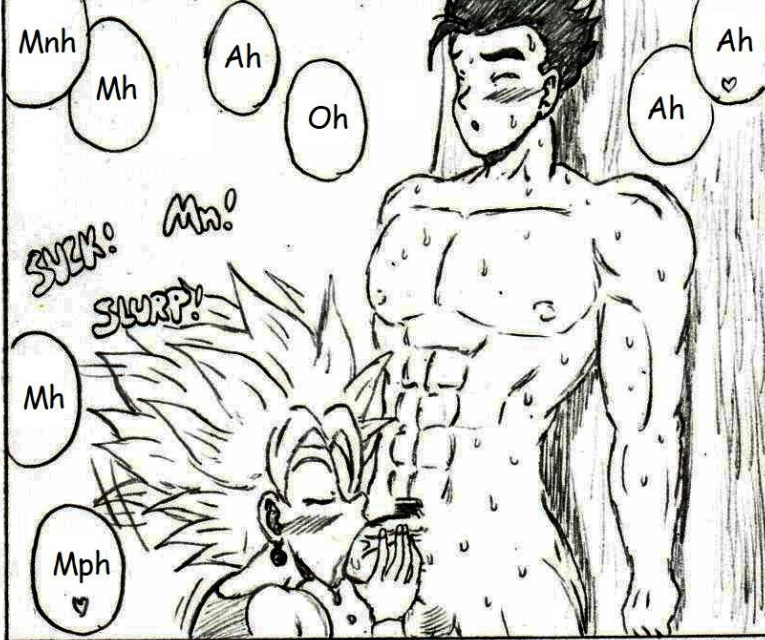

Not even Cabba can compare to him. Gohan is at least  
ten... fifteen times bigger than him... maybe more...

Kami... it's like a third leg.

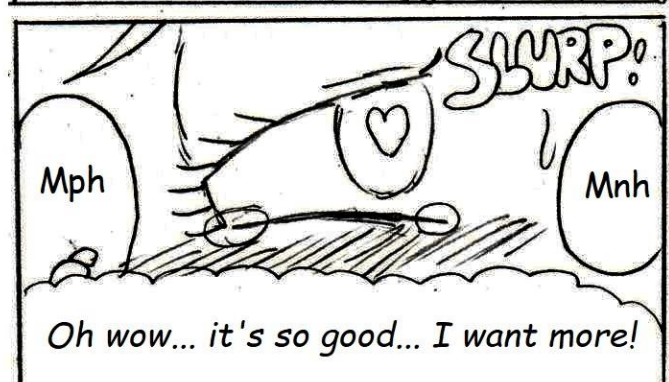

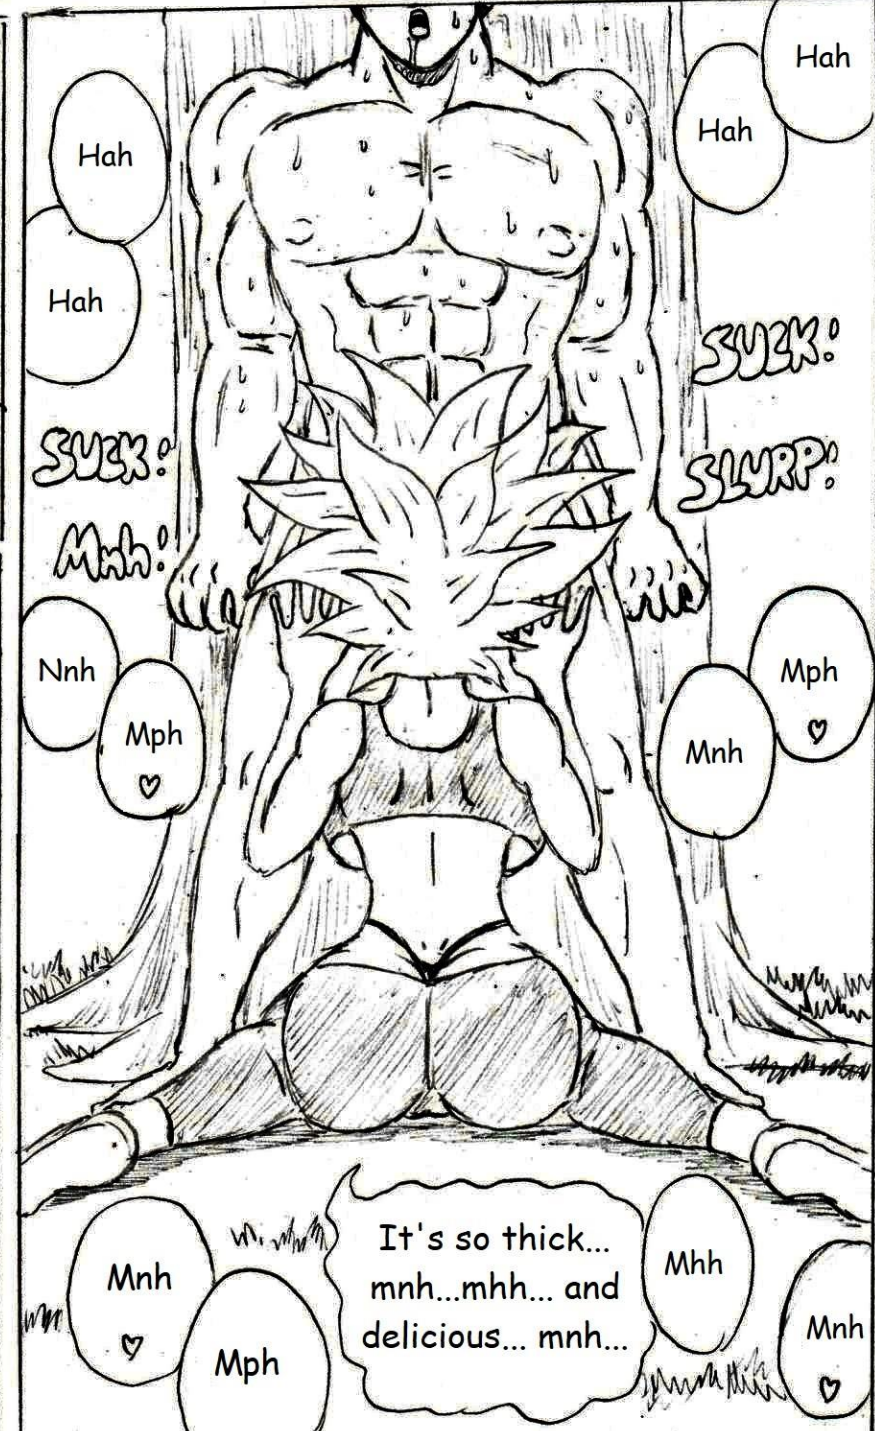

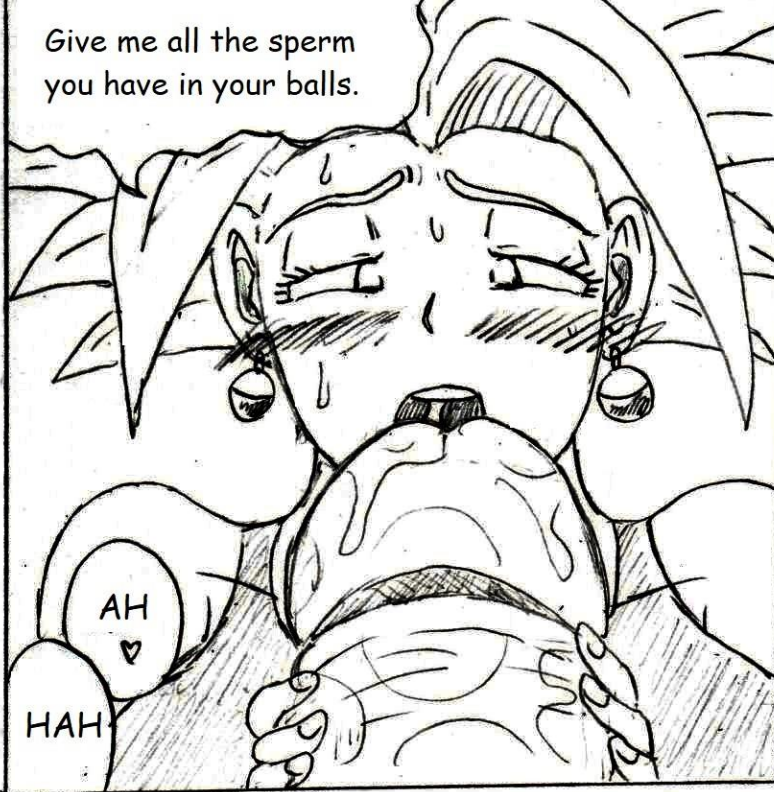

Give me all the sperm  
you have in your balls.

Please... mnh...

Ahh... I want it.

Aahh... wow... I want to have Gohan-kun's cock inside me again...

Aahh... even though I'm pregnant, I'm super horny right now. Mnh... you girls up for a few rounds with me and my husband's dick? ♡
