After getting qualified,

I became a punishment officer.

ゴラゴラ

I was dispatched to a... girls' school with a poor reputation.

Paying students make up 1/3 of the year 1-2 students. They do understand the concept of 'school rules',

Morning, punishment sensei~

but I've had to punish many students in this one month.

Luckily, there are model students here too,

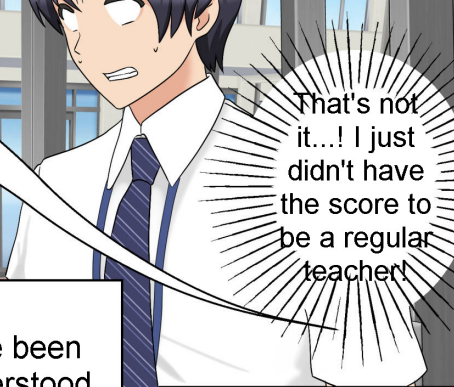

Ah, good morning, Sonia.

3rd year student, Sonia (20)

Disgusting.
You picked
a job that
lets you see
girls' butts.

That's not
it...! I just
didn't have
the score to
be a regular
teacher!

but I've been
misunderstood.

W-
what're
you
doing?!

Sigh... How can
I get her to
understand...

Ugh... I got
caught smoking
during
homeroom.

Why are
you here
in the
morning?

Well, I have to
take the
morning class,
so please get
this over with.

2nd year
Kana (21)

Rather than resisting it, the ladies here seem to be more used to having their bare butts spanked by me.

But who smokes in a classroom ...

I mean, isn't it okay to smoke when you're an adult?

Excuse me.

no no no

They just don't seem to reflect.

I wonder if there's any meaning to this, as an educator...

My daily life is filled with spanking schoolgirls.

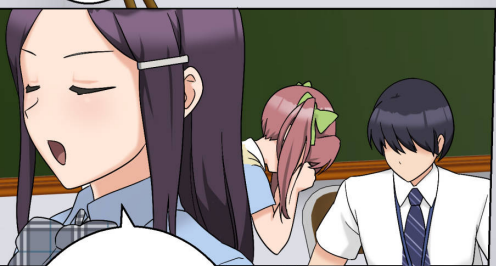

Ugh...

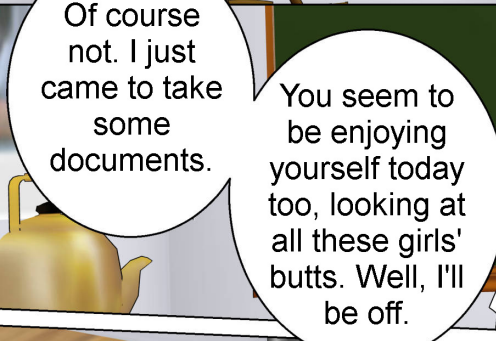

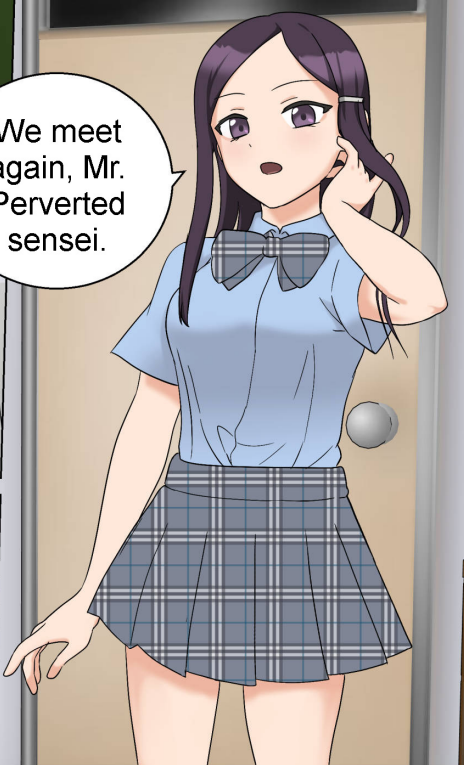

We meet again, Mr. Perverted sensei.

R-right. Why're you here? Did you do something wrong?

Of course not. I just came to take some documents.

You seem to be enjoying yourself today too, looking at all these girls' butts. Well, I'll be off.

メッメッメッ

ギクッ!

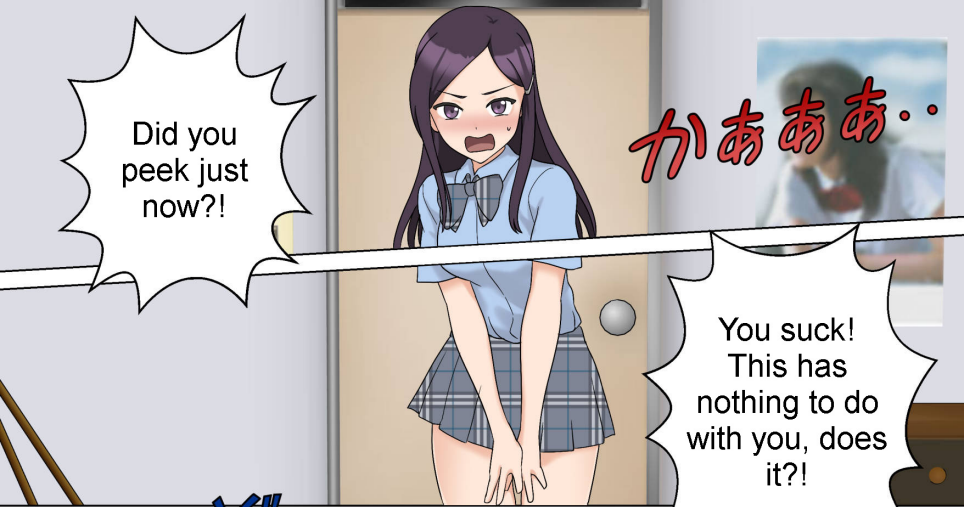

Wait.

...
Huh?

Sonia, your
skirt is
short.

Did you
peek just
now?!

かあああ..

You suck!
This has
nothing to do
with you, does
it?!

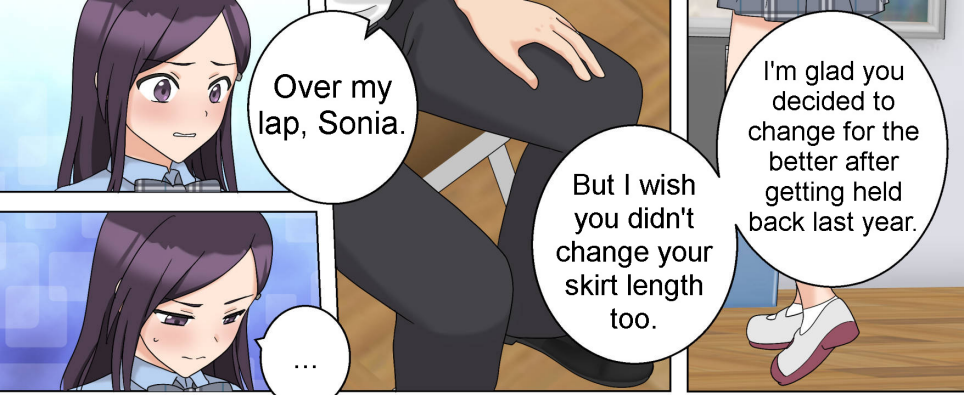

ぞわっ

...?!

It's against
school rules
to shorten the
skirt beneath
30cm.

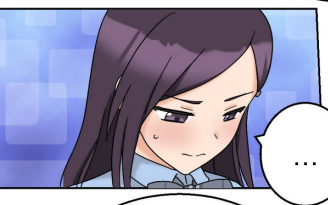

Nothing to
do with me?
Hardly.

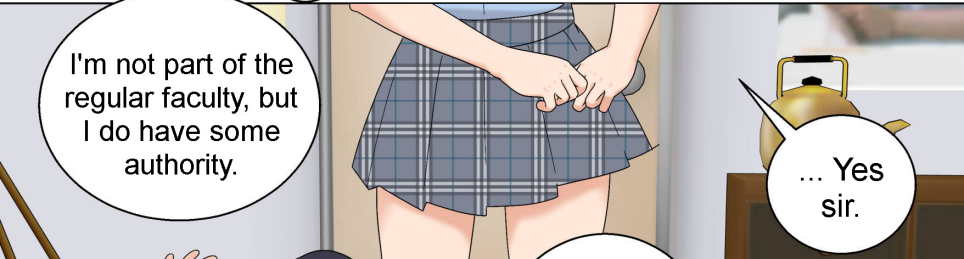

Over my lap, Sonia.

But I wish you didn't change your skirt length too.

I'm glad you decided to change for the better after getting held back last year.

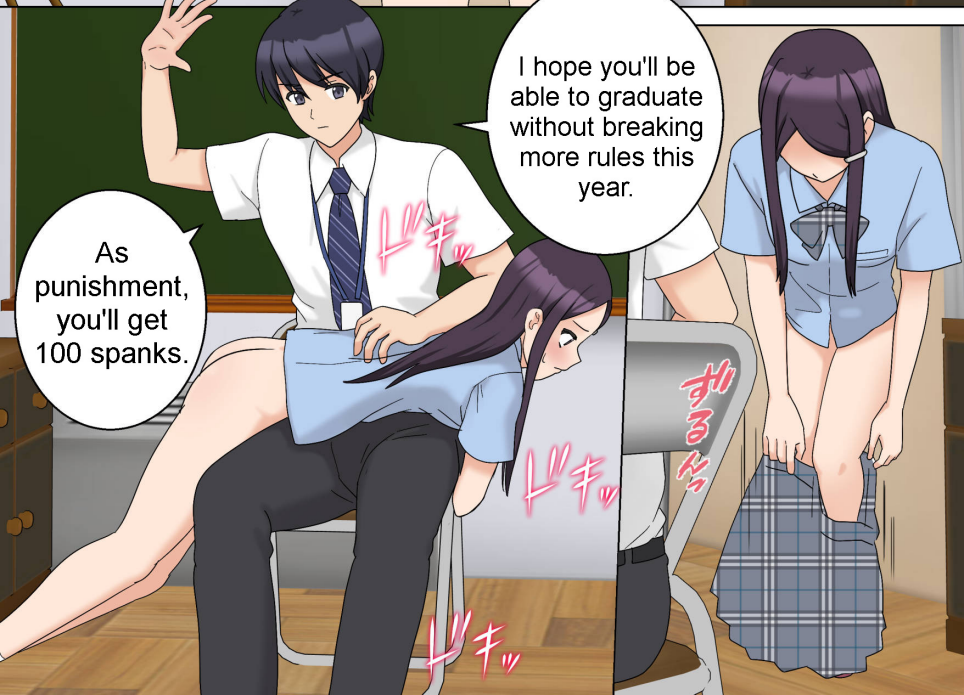

...

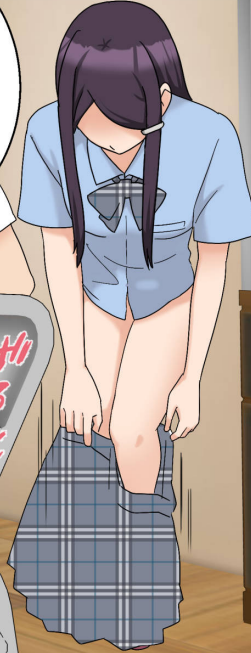

I'm not part of the regular faculty, but I do have some authority.

... Yes sir.

As punishment, you'll get 100 spanks.

I hope you'll be able to graduate without breaking more rules this year.

Ugh...!

Eek...!

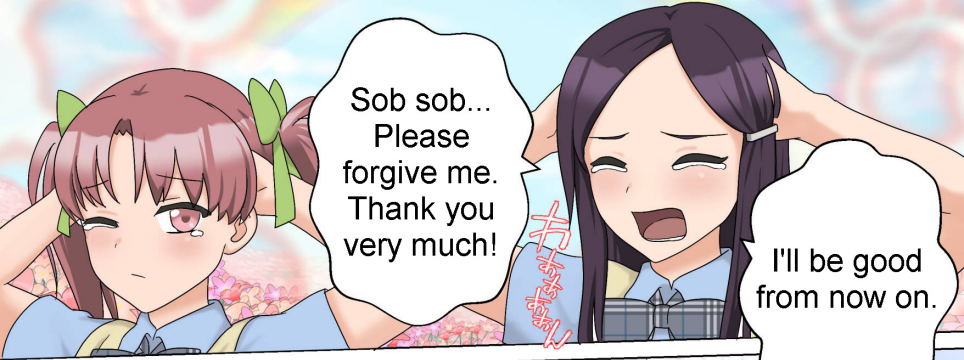

Sonia, do you know what you did wrong?

Oww!

Stop, please!

I'm sorry!

No more...!

Sob sob...
Please
forgive me.
Thank you
very much!

I'll be good
from now on.

Seem like

this profession
might be worth
it after all.

Huh?! The young children's ward?!

I'm sorry, you seemed young, so she thought you were a younger patient...

ぽか〜ん

Please put me in a regular ward right away! I'm 23 years old!

Yo, meet me at the roof.

Ahaha... Well, the regular wards are packed right now...

May we trouble you to stay here until we have a spare bed...?

I said okay, but...

Does that kid have no appetite?

it sure is noisy here...

So small ...!

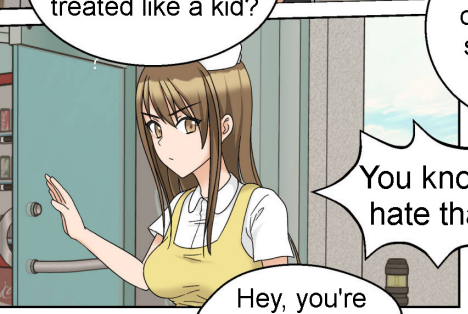

Well, ain't it nice you're getting help with everything?

I'll help you pee~

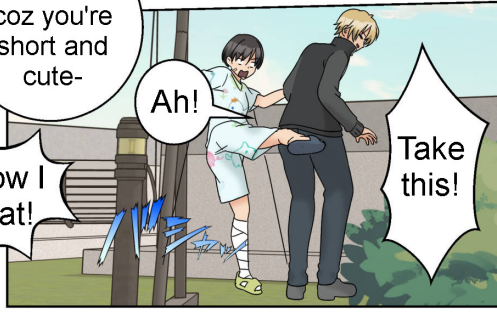

Help? You know how it feels to be treated like a kid?

Well, it's coz you're short and cute-

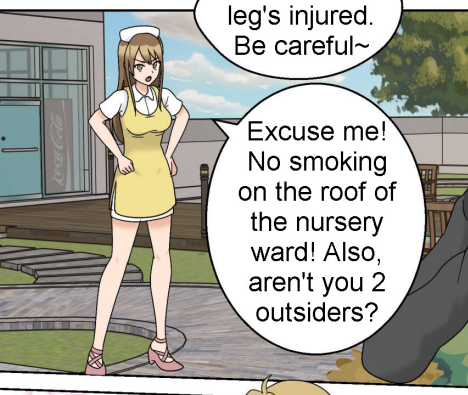

Hey, you're leg's injured. Be careful~

You know I hate that!

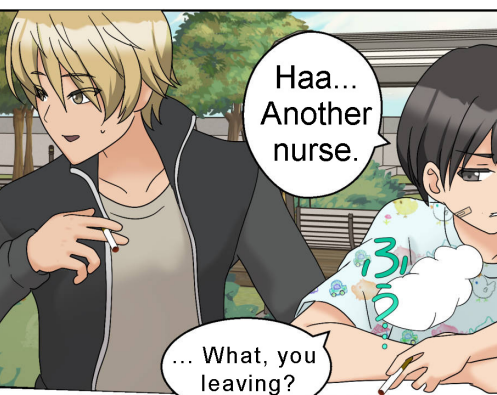

Ah!

Take this!

Excuse me! No smoking on the roof of the nursery ward! Also, aren't you 2 outsiders?

Haa... Another nurse.

... What, you leaving?

Sorry about that~

Geez, please be careful.

Well, I'm gonna dash.

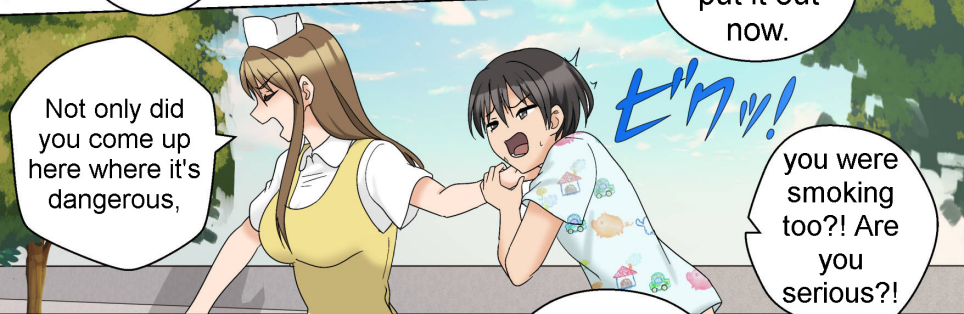

That gown... you're a patient in the nursery ward?

Haa... Gotta explain...

Hey you, did you hear what I said?

Yes, yes. I'll put it out now.

Not only did you come up here where it's dangerous,

you were smoking too?! Are you serious?!

Urk!

Bad kids who don't follow the rules will be punished by the nurses. Come with me.

This will hurt. Brace yourself.

L-lemme go! You...

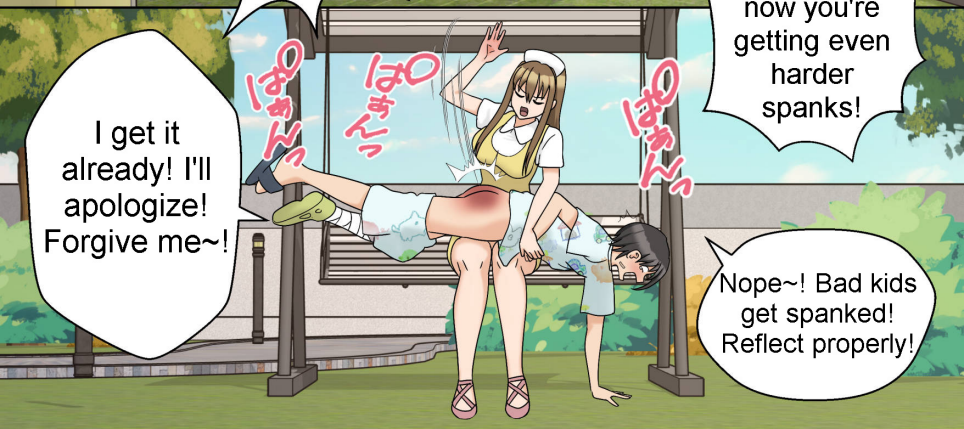

But I'm a patient ~!

Your injury is your leg, so this is fine!

Oww! Stop it! I'm not a kid!

Waaah!

You wanna lie while clearly wearing that gown? Well, now you're getting even harder spansks!

I get it already! I'll apologize! Forgive me~!

Nope~! Bad kids get spanked! Reflect properly!

The next day,
I was moved
to a regular
ward.

I was
discharged a
week later.

"That incident"
was a big
deal, but...

since I was
smoking on
the nursery
ward's roof,
we called it
even.

On top of that, I
found out afterwards
that nurse was first
year in high school.

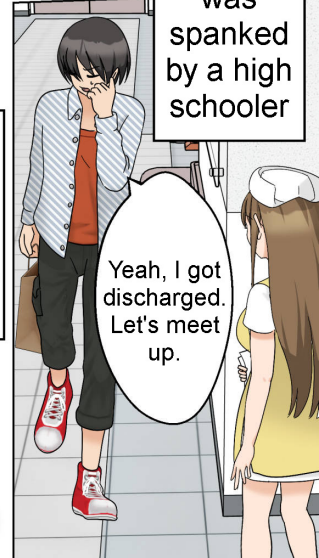

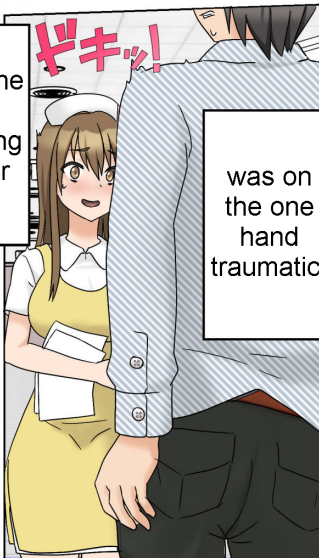

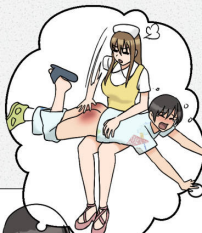

That day
where I
was
spanked
by a high
schooler

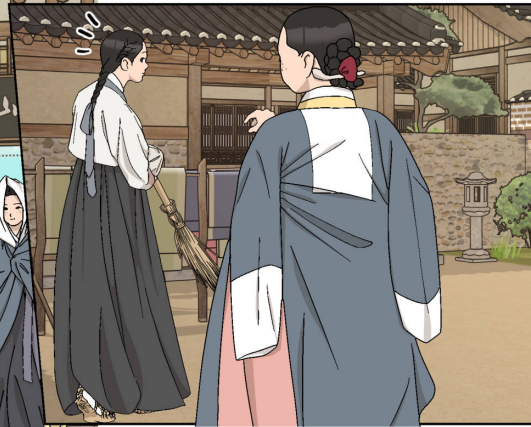

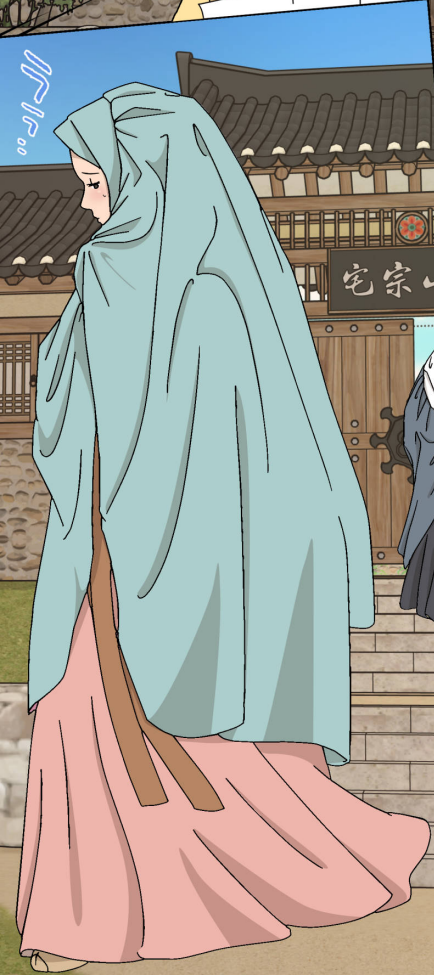

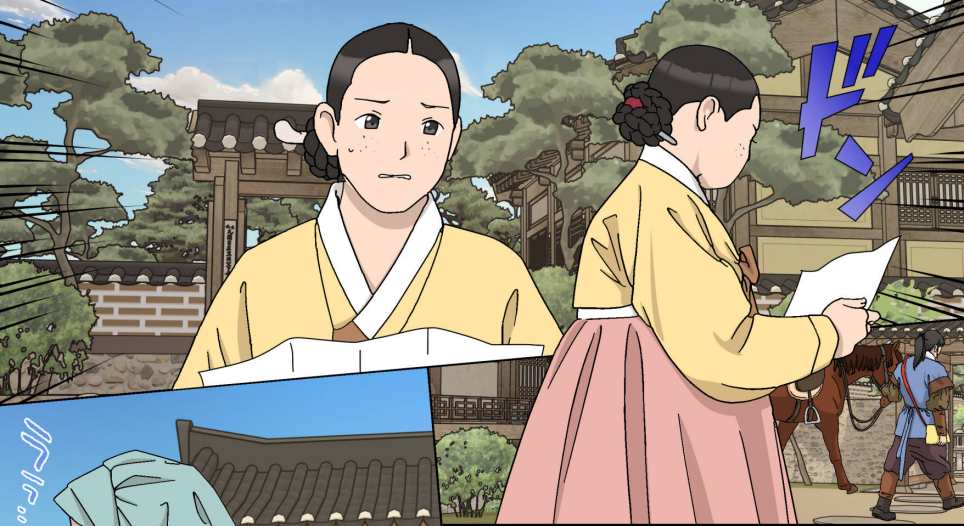

and on the
other,
something
I'll never
forget.

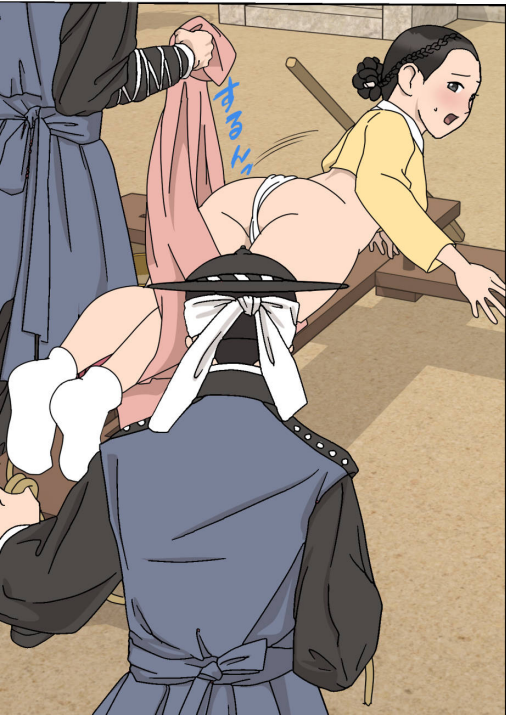

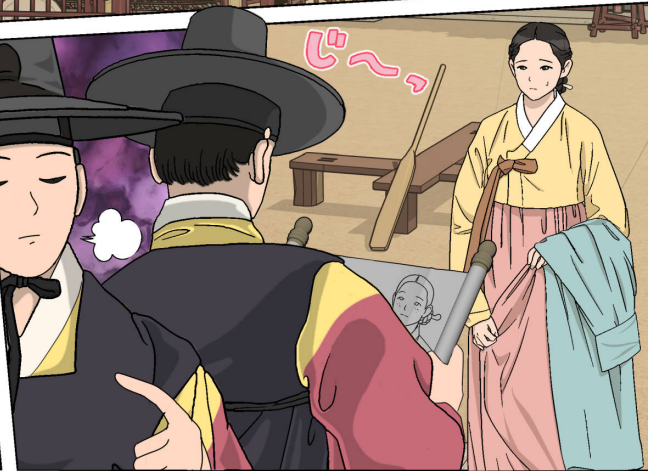

ドキッ!

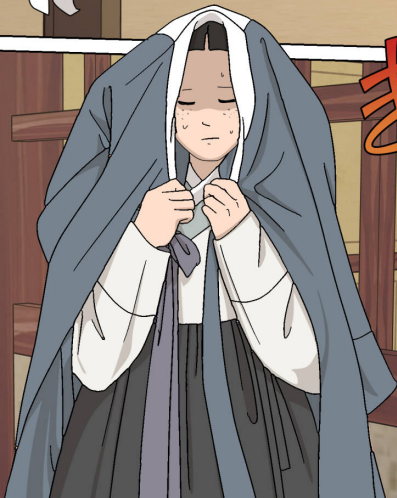

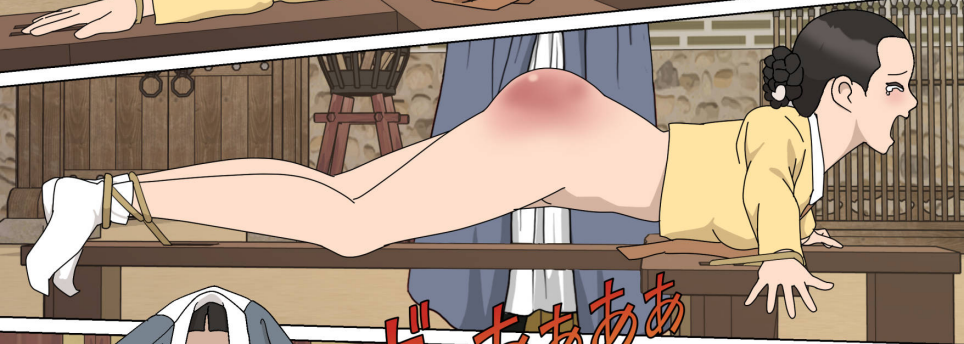

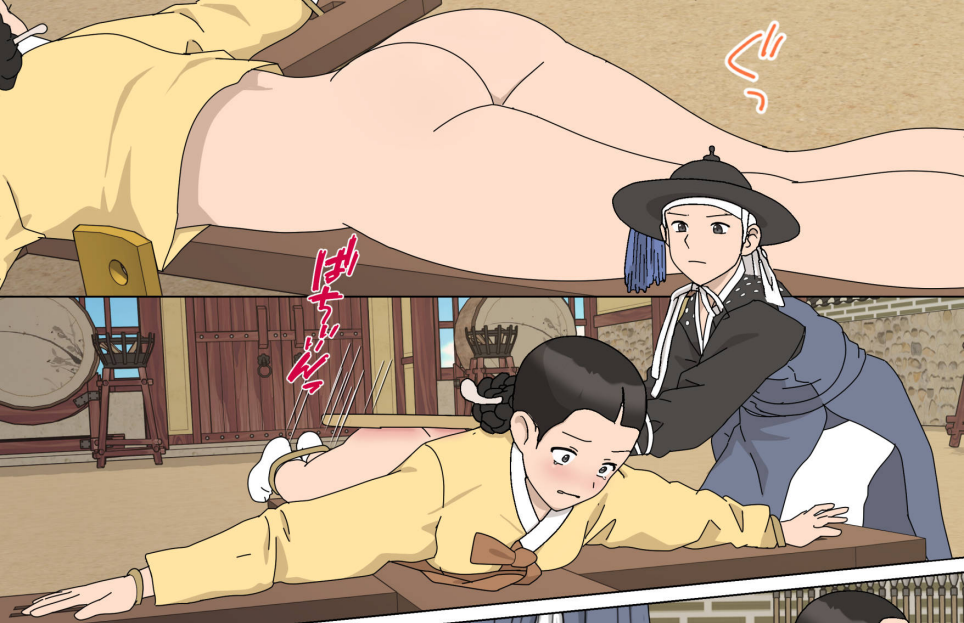

was on
the one
hand
traumatic,

Yeah, I got
discharged.
Let's meet
up.

ぎゃああああ

國十のわ

If you don't give us candy, we'll prank you~

Trick or treat~

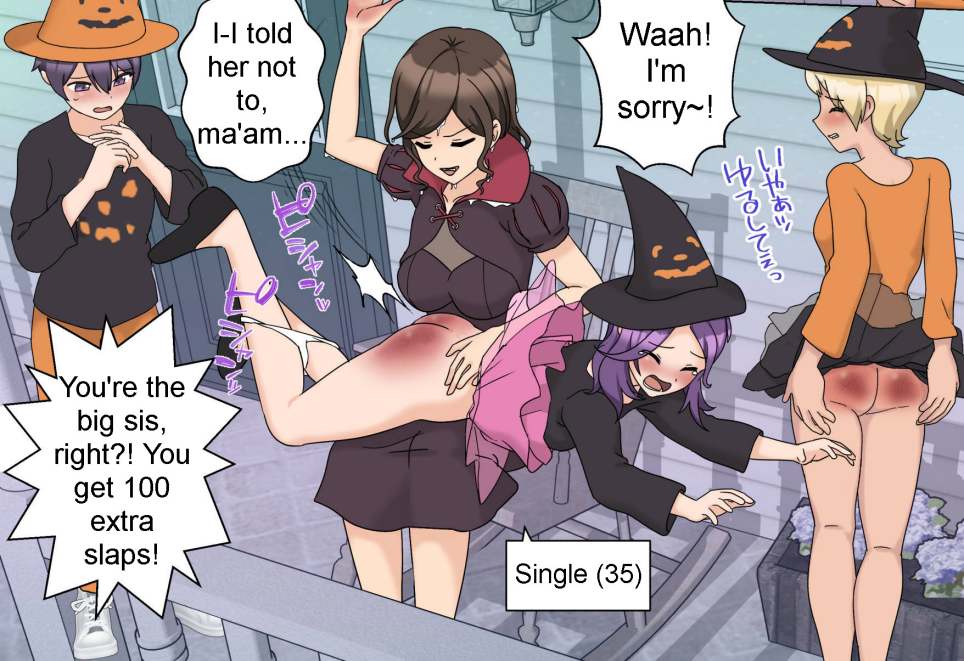

Sorry! I was dressing up so I'm late-

Nah, this calls for pranks~

Big sis, maybe we should wait a little-

Oh? They're ignoring us.

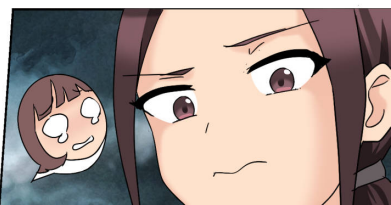

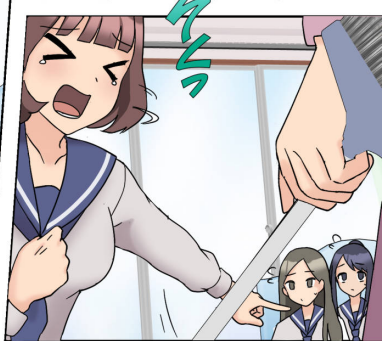

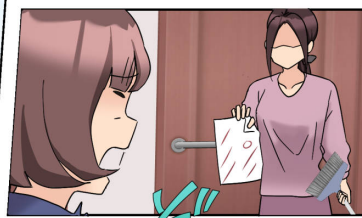

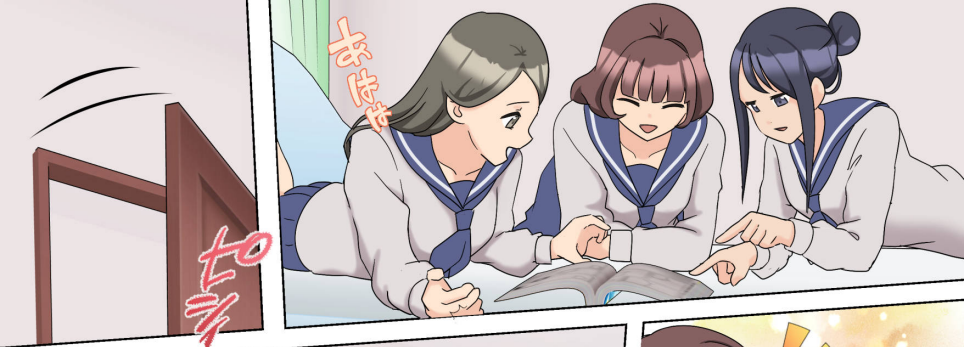

I-I told her not to, ma'am...

Waaah! I'm sorry~!

You're the big sis, right?! You get 100 extra slaps!

おねえ、

These are A-Class elves, trained to obey their human masters if they're spanked!

If you don't believe it, try spanking them before you buy!

... Seems normal.
Turn around and bare your butt.

Please.
Tell them
I'm not fit
enough to
be beaten.

I'll do
anything
you say...

ざんざん

Eh? What's this? There's still one strip of paper left.

In that case, all of you are getting spanked again from the beginning.

We're all in trouble because of you!

Today, everyone in class gets spanked. In the cup are 25 pieces of paper, one per student.

After each student is spanked, they take out a piece of paper from the cup until it's all gone.

Whaat?! Who was it?! Come out!

U-um...
I'm terrified
of
spankings...

That's not
fair! We're
all the
same!

Oh,
Claire?
Why did
you...

Be quiet,
everyone. It's
natural to be
afraid of being
spanked.

Am I
spoiling them
by being too
gentle, I
wonder...

Amy, the class's
head teacher, is
normally liked by
the students for her
understanding and
calm personality.

She's an 'angel'
who, when
students fight,
does anything
but spank them.

But she cannot
bear to see her
other precious
students
punished for one
student's
mistake.

In place of
Claire, you'll all
be punished
after this.

If I keep doing
this, all my
'consideration'
for you guys
thus far would
be for nothing.

Eh~?!
No
way!

S-
sensei...
No way...

The class's
good luck of
getting Amy,
the only
teacher who
spanked over
the skirt,

vanished with that
small impetus.

Oww! I'm sorry!
Please forgive
me, sensei!
