

# CHAPTER I

In the city of Mentropolis, James Mangold is a 19-year-old guy who just graduated from high school and is still figuring out how life beyond the school gates works.

He works at a market near his house while getting ready to go to college.

Jimmy's days have been pretty dull since he finished high school, but if there's one day that's special for him, it's when his dad has a day off from work.

*Yes, it's video game day!!*

James's father, Albert Mangold, is a highly respected police officer in the city, and during his days off, Albert gathers with his colleagues at their house.

One of his colleagues is Genshiro Yamaguchi, father of the fun-loving Genji Yamaguchi, one of Jimmy's best friends.

The Yamaguchis are a Japanese family who own the Yamaguchi Restaurants, a well-known Japanese food franchise in Mentropolis.

About 10 years ago, an Italian food family was vying for a location in a popular neighborhood in Mentropolis. The Italian family caused various attacks on the Yamaguchi restaurants, which ended up keeping the local police watching over the Japanese restaurants. James's father was responsible for keeping the restaurants secure, which led to the friendship between Genji Yamaguchi's parents and James Mangold.

WHAT ARE WE PLAYING TODAY, GEN?

IT'S VIDEO GAME DAY, BABY!!

IT'S VIDEO GAME DAY BRO!!

Genji is a very fun and intelligent boy; he practiced martial arts with his uncle as a child but later gave up training when he discovered he could slay dragons just by pressing a few buttons.

So, despite his chubby body, Genji has strength and muscles, especially in his legs. Although James's favorite part of Genji's body is his plump chest, which seems to take a shower with a fire hydrant every night before bed, the boy's legs are a sight to behold.

IT'S CALLED "GEARS OF WAR". MUSCULAR MEN WITH WEAPONS AND ALIENS. THE PERFECT COMBINATION!!

Oh, how could I forget about those two?!  
Lucious Carter and his son Devin Carter.

Lucious is an old friend of Albert Mangold.  
They served in the army together and  
now work in the Mentropolis police force.  
Lucious is Albert's right-hand man, and  
they're almost always together.  
When Lucious split from his wife, Albert,  
who already had his second child,  
helped Mr. Carter take care of Devin.

Devin Carter and James Mangold grew up  
together. Despite their stark personality  
differences, they complemented each  
other like sweet and salty flavors to  
Genji's taste buds.

Both were great and balanced  
each other out.

Devin loved hanging out with Genji and James  
even though he wasn't as into video games  
as his friends. Instead, Devin enjoyed playing  
basketball and making friends effortlessly.  
Thanks to his charm and humor, he had literally  
every type of friend you could imagine.  
Devin Carter was definitely the funniest  
one in the group.

As the Carters approached the couch,  
Lucious let out a hearty laugh of joy upon  
seeing young Genji.

He grabbed him around the waist and gave the  
young Yamaguchi a tight hug. That body reminded  
him of his ex-wife. The urge to tear that boy  
apart in front of the boys was very tempting.

I HOPE  
WE'RE  
NOT TOO  
LATE!!

GIRLS, HOLD ON  
TO YOUR PANTIES,  
DADDY DAVIN  
IS HERE!!

- Hahaha!! Genji!! It's great to see you!! You're  
looking great, young man, been training with  
your uncle again?

- Thank you, Mr. Carter!! You're looking great too!  
I don't plan on returning to training for a while - Genji  
murmured as he moved his sweaty body away from  
Lucious's muscular and fleshy body. Genji's nipple  
started to become visible through his shirt.

- Well, your body looks perfect even without  
training!! By the way, speaking of perfect  
bodies, I don't see your dad... Has that sly  
rascal not shown up yet? Hahaha!

- Oh, I almost forgot to mention!! My dad won't  
be able to come today. He's been really busy  
this week...

Approaching from a short  
distance away was Albert.

YOU'RE STILL  
WORKING AT  
THAT OLD JUNK,  
ALBERT?"

THAT 'OLD JUNK'  
HAS GIVEN US  
SOME GREAT  
ADVENTURES  
MY FRIEND!!"

HAHA!!  
DON'T  
MAKE ME  
REMEMBER  
THOSE  
ADVENTURES!!

DID YOU  
HEAR WHAT  
YOUNG  
YAMAGUCHI  
SAID?  
HIS DAD  
WON'T  
BE ABLE  
TO COME  
'CAUSE  
HE'S 'BUSY'.

DO YOU THINK HE'S  
IN TROUBLE?  
WE CAN PAY  
HIM A VISIT.  
I'VE ALREADY MADE  
DINNER FOR THE BOYS;  
THEY'LL BE FINE ON  
THEIR OWN!!

I THINK THAT'S  
A GREAT IDEA!!  
GENSHIRO CAN'T  
HAVE ALL THE FUN  
TO HIMSELF.

HOW DO YOU CAN PLAY FOR SO LONG WITHOUT GETTING BORED? I'M ALREADY BORED!!

IT'S EASY FOR YOU TO GET BORED OF VIDEO GAMES. IT'S NOT YOUR DAD WHO ONLY LETS YOU PLAY VIDEO GAMES FOR 2 HOURS A WEEK. IT'S MY DAD!!

I AGREE WITH DEVIN!! OUR PARENTS HAVE BEEN GONE FOR 5 HOURS ALREADY, AND WE HAVEN'T STOPPED PLAYING VIDEO GAMES SINCE THEN. WE COULD DO SOMETHING MORE INTERESTING!!

OH, MY GOD!! HE'S LEADING YOU DOWN THE WRONG PATH, JIMMY. DON'T FALL FOR DEVIN'S TRICKS!!

HAHA!! SHUT UP, GENJI. YOU'RE GETTING POPCORN ALL OVER ME!!

SO, WHAT'S YOUR IDEA OF FUN?

- I don't know, we could play truth or dare. - Devin said with a sparkle in his eyes.

- Nooo, for the love of god!! We did this all through high school. We might do something dangerous!! - Jimmy said, getting up from the sofa with a jump.

During the jump, Jim's dick ricocheted through the air and dropped some pre-cum into the popcorn bucket.

Seconds later, Genji, without noticing the pre-cum, had stuffed all the popcorn units into his mouth.

- What do you think, Devin?!

- Look, I'm not very adventurous and you know that, but we'll be going to college at the end of the year and it would be interesting to start adventuring now.

- So, what's your idea of danger, Mr. Thinker?! - Genji said with a mouth full of popcorn.

It was possible to see some of Jimmy's pre-cum that had fallen on the popcorn running down the side of his mouth.

We will... - James paused dramatically.  
- STEAL JOHN WILSON!!

Genji and Devin looked at each other and then looked back at Jimmy and responded together: "No!!"

You can only be kidding?! Do you want to find trouble with the most troubled man on the block? Wake up, Jimmy!!

- Genji said

Yeah yeah!! I know!! - Jimmy replied impatiently.

-That's why we're going to make him pay!!

Listen, he's prejudiced against everyone his son has been bullying Devin since elementary school, he spray-painted a restaurant owned by his family, Genji. Someone needs to teach this old man a lesson!!

- Ok, I'll participate, but with some conditions. The first is that we are not going to steal anything, we are going to investigate his house, if we find anything compromising, we will take photos and leave. Secondly, no climbing, anything where gravity would hinder me.

- Understood!! - Devin and Jimmy responded promptly  
- Right!! So let's go into that son of a bitch's house!!

And the boys went out towards John Wilson's backyard.

John Wilson is one of the many single dads in the neighborhood. He's known for being a big troublemaker and a jerk to everyone around.

James and Devin grew up hearing their parents talk about how problematic John Wilson was. Wilson has been the main suspect in several vandalism cases. He's a member of a well-known group in town that takes money to vandalize and intimidate local business owners. One of these terrified business owners was Genshi's father, Mr. Genshiro Yamaguchi.

Every night, Wilson leaves his house to meet up with his friends at a bar a few miles from his home. And this was exactly what the boys were waiting for.

After seeing that Wilson had left, the boys sneaked into Wilson's house through a window and started searching for something embarrassing to use to mess with Mr. Wilson.

The boys are looking for underwear, accessories, DVDs/CDs, and various other items that could damage John Wilson's reputation.

Genshi: So, why do we want to find something that ruins Wilson's image? I mean, I don't like him but I don't know if I have the guts to stand in front of him and say,

"Hey, I have something on you, so don't mess with me." That guy would kill me.

**GUYS, WE BETTER SPEED UP THE SEARCH!! HIS SON JUST TURNED THE CORNER. HE'S PROBABLY COMING HOME, WE SHOULD GET OUT OF HERE NOW.**

**BRAD? WHAT'S THAT JERK DOING HOME AT THIS HOUR? DOESN'T HE HAVE ANY OTHER NERDS TO MESS WITH? DAMN!! IT'S LIKE THAT MOTHER FUCKER CAN SMELL ME.**

**I THINK I FOUND SOMETHING INTERESTING!!**

Jimmy: I've thought about that!! There are actually a few alternatives... We could tell him through a fake profile, but my favorite idea is to put the pictures in an envelope and throw them into the group of jerks at the gas station that he hangs out with. He'd become the laughingstock of that group.

Genshi: And what kind of embarrassing stuff are we looking for?

Jimmy: I'd like to find pictures of him in panties. I almost always see him coming into this house with a six-foot-tall man... After that, I hear the bed banging against the wall. I'm sure this man is a bitch in bed.

Devin: I don't know if a pair of underwear is something that compromising, Jimmy. Everyone already expected him to have one.

Jimmy: It's not underwear, it's a jockstrap.

Genshi: You've got to be kidding!! Haha, this guy is ridiculous!! I think your theory about the bed hitting the wall was right, Jimmy!!

Devin: I think we should take this with us!! This jockstrap looks really familiar... I think I've seen it somewhere before!!

The boys heard the front door opening, so Genshi threw the jockstrap into the bag, and they all climbed out the window. As he was jumping out, Genshi heard Brad's voice.

Brad: Yeah, my dad's out. I'm gonna grab his car keys and meet you in a few minutes.

Genshi felt a chill down his spine!! During the early years of high school, Brad Wilson and his friends bullied Genshi every day. They would harass him and make fun of his father and the Japanese food at Yamaguchi's restaurant. Brad would say that whenever he ate Yamaguchi ramen, he got a taste of Mr. Yamaguchi himself for dessert.

Genshi grew up in a very disciplined family and Brad's behavior stirred something unfamiliar in him. Brad was a very symbolic figure to Genshi. Brad was a kid who grew up without any discipline and always did whatever he wanted, unlike Genshi. But at the same time, Brad was very controlling and liked to be in charge of everything, just like Papa Yamaguchi.

Brad definitely awakened something in Genshi. Admiration? Anger? Envy? Lust? Whatever it was, his friends could never know.

The boys ran through the Wilsons' yard and soon got home.

Their parents hadn't returned yet but that wasn't alarming. Genshiro Yamaguchi was a very hardworking man and liked to keep the restaurant open all night.

Many times, Lucious and Albert would be at the restaurant with their friend lending a hand, working as security guards, or, on slow days, drinking sake, a Japanese beverage that Albert loved.

After their adventure, the boys went to sleep.

**IN THE MORNING,**

GENSHI IS STILL SLEEPING. I GUESS JUMPING OUT THAT WINDOW DRAINED MORE ENERGY FROM HIM THAN WE THOUGHT. WHY ARE YOU HOLDING THAT JOCKSTRAP?

I'VE BEEN THINKING ABOUT WHAT YOU SAID.

Jimmy: This jockstrap is familiar to me too, but I can't remember where I've seen it. So, I took a closer look and noticed it has a different signature with the name "Bartolomeu 1989"... I mean, this jockstrap wasn't made by any Mentropolis store. I couldn't find any other store online either.

Devin: Wait a minute... Bartolomeu 1989? I've heard that term before.

Devin then pulled out his phone, remained silent for a few seconds while doing some searches.

Devin: Here, I found it. Adrian Bartolomeu was a very famous man in Mentropolis responsible for a high-quality clothing store. He used to work for the police making uniforms. He was a sewing genius, producing clothes with a durability that no other store could match.

Jimmy: I don't think this will help me remember where I saw this jockstrap. Maybe we're just crazy, and it's just a jockstrap with an American flag.

Devin: No, Jimmy. The reason we remember this jockstrap is because of the stories our parents used to tell us about the Bulls.

Jimmy: The Bulls? That group of vigilantes our parents talked about when they were drunk?

Devin: Yes!! When we were younger, we used to accompany our parents to drinking sessions at Yamaguchi's restaurant. After many drinks, they always talked about these 90's vigilantes. The Bulls, they talked about how incredible they were, how they solved many of this city's problems, and how they helped the police catch various criminals.

# The BULLS

Jimmy: And what does this have to do with John Wilson's jockstrap?

Devin: Wow, you really don't remember, do you?! They talked about a figure they never managed to catch. They called him "Yanke". Yanke was responsible for trafficking numerous missing people, illegal products, and especially for putting an end to the Bulls. They once said the Bulls tried to neutralize Yanke with a stun gun, but he was wearing very resistant clothes that could only be made by someone very clever!

Jimmy: Bartolomeu?

Devin: Exactly!! And do you remember how they used to end the story? They always said that Yanke used...

**Devin and Jimmy: The damn American jockstrap**
