

What's your favourite colour?

Bla-No... Red~

Do you like the view?

Yeah, you can see the whole town from here.

Mei
That's not what I meant...

Huh?

I'm going to take a shower. Feel free to look around.

Mei
I'd ask you to join me but I don't want to ruin the surprise.

Lilith's going to kill me...

Time to relax...

Sigh

Lilith's going to kill me...

Poke! Lilith's going to kill me...

Relax...?
Hah... I'm so dead.

Poke!

What is that?

Poke!

Something's under the pillow...

Rummage...

Huh..?
This is a!?

Wah?!

D-Dick?!

D-Does
Mei use
this?

Gulp...

It's
so big...

H-How
much
bigger...

Is it...

Plop!

Gulp...

*It cant
be that
different...*

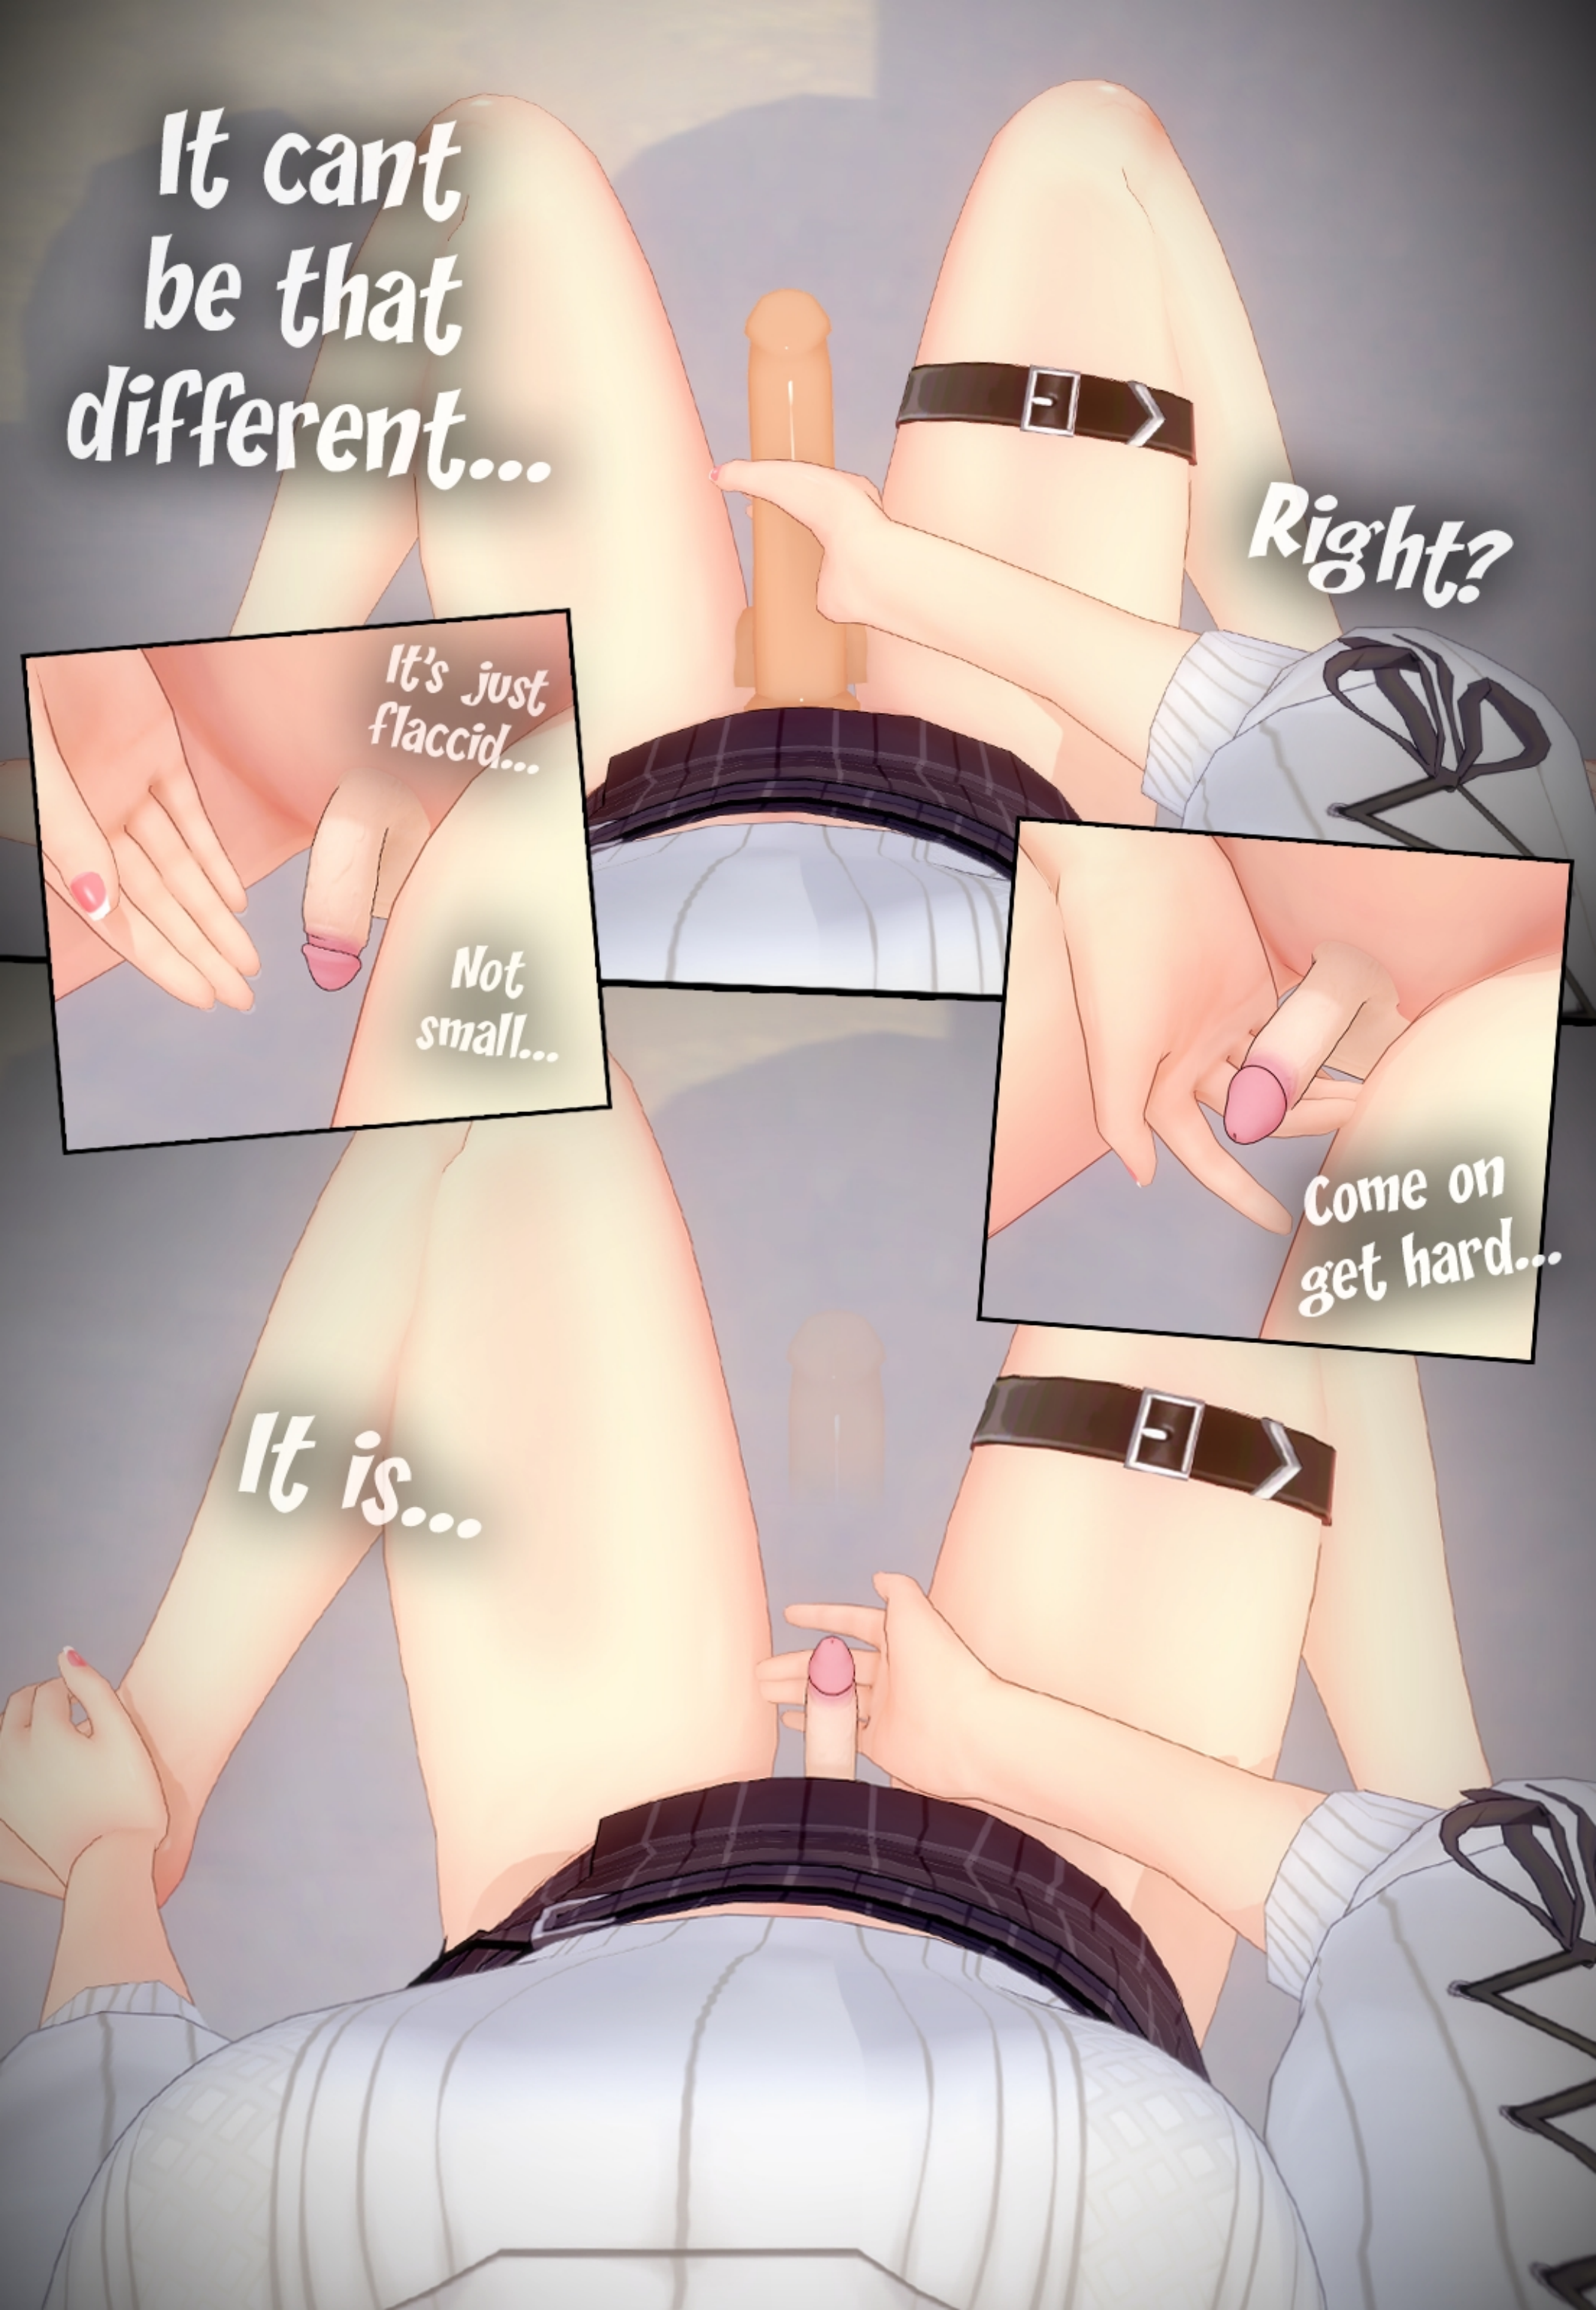

Right?

*It's just
flaccid...*

*Not
small...*

*Come on
get hard...*

It is...

10 minutes later.

**I... It's my fault...
Sorry.**

**N-Natural..?
Ah.. NO! I assure you I dont use it! I-In that way...**

**T-That...
I'll explain.**

**N-No... It's my fault... You dont need to say... It's a NATURAL thing
So I-It's fine...**

...Use it in that way?

**Y-You dont
need to
explain...**

Leona

**I... I already know
I'd never be able
to compete... with
that thing....**

**I-I
know but I
want to...**

**I... I dont use
it for pleasure but...
security. You see, my
father... He's always
wanted a son.**

Security?

**He'd get
angry, Leona,
so angry... at
me, for just
being a girl.**

That's awful...

After having it
for so long, it's
become a part
of me...

I guess
I've even thought
about using it on
someone someday

Eh?

Mei
I'm so-
sh!

Don't be,
Leona It's not
your fault.

Now-then!
I think
it's time we get
back to our date,
don't you?

Not yet... I
still have one or two
surprises left. But
first, take a shower.

Leona
Date...?
But I thought
it was over?

Leona
I guess she
wants to change
the subject...
I shouldn't pry.

I've left you
a change
of clothes
inside~

Leona
That
sounded
ominous...

Open it
after the
shower.

Leona
A-Alright...?

Make sure
to clean it
thoroughly~

Eh?
