

What THE HELL is HIS DEAL??

Try calling him again.

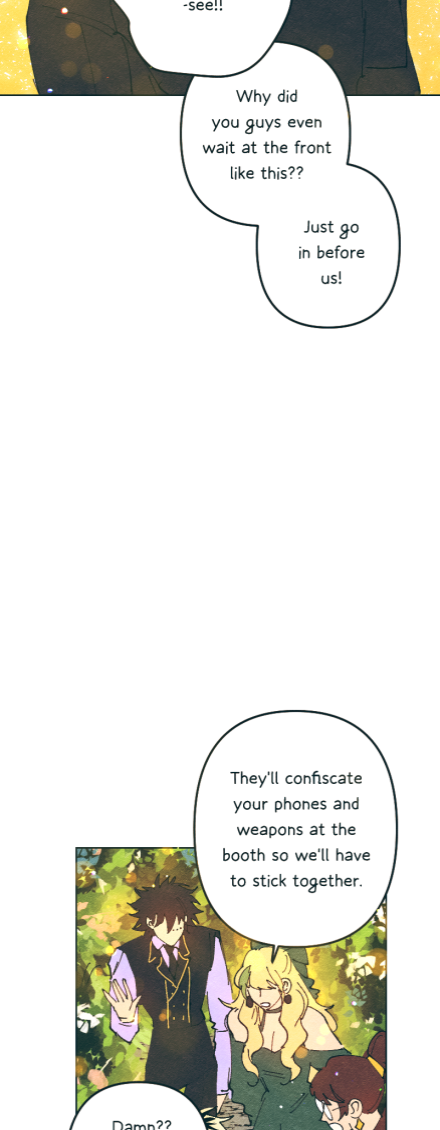

I'm trying!

Finally..

He said he was on his way 30 minutes ago!

Well, I don't blame him, look at this venue,

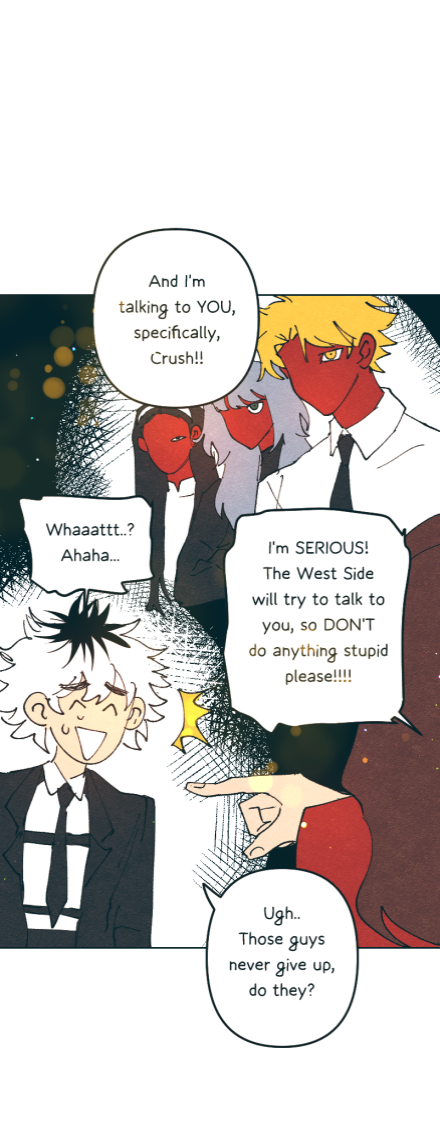

It's so typical of rich people to wanna marry in the middle of the forest like this.

No press, no media attention, away from the paparazzis.

We're about to meet the most annoying and dumbest of people here.

It's the day of the wedding.

Try not to assassinate anyone, will you?

We're off the clock, and these are Sodam's guests.

Even if we meet some potential targets, we still have to respect the truce.

TEZ!! THERE YOU ARE!!

Finally! What took you so long??

S-Sorry we're late..

Sorry!! I had no idea it was smack dab in the middle of the forest like this!

I tried rushing him but he just wanted to sight-see!!

Why did you guys even wait at the front like this??

Just go in before us!

They'll confiscate your phones and weapons at the booth so we'll have to stick together.

Damn?? How big is this fucking wedding?

HUGE!! Yunco just net 5 billion last year, of course Sodam's going to show off !!

Everyone's pretending that they're here for the wedding.. But it's just for networking.

I heard some syndicates members from the West Side is invited, too.

Just.. don't embarrass us, please.

And I'm talking to YOU, specifically, Crush!!

Whaaattt... Ahaha...

I'm SERIOUS! The West Side will try to talk to you, so DON'T do anything stupid please!!!!

Ugh.. Those guys never give up, do they?

U-um.. Can we go in first? I think the ceremony's starting soon..

Ack.. That reminds me, I need to touch up my makeup, too..

Oh, before we go in, You've already met Thorne and me..

But not Nho yet, right??

Oh, Nice to meet you. I'm Nho.

So pretty...

I'm Cherie!

Is she a model?? I've seen her somewhere before..

Nice to meet you as well..!

WAS KIDNAPPED

KIDNAPPER.

THEY HAVE NO IDEA THAT THEY'VE MET BEFORE.

We quickly makes it inside the venue..

the security is crazy, as expected from such a high profile event.
