Welcome back, **Patrons!**  
It's been six months since  
I last revealed Hiro... or  
should I say **Lily's** latest  
transformations.

Unfortunately, our  
time with **Lily** is coming  
to an end! She's been  
purchased by none other  
than **Bianca's family!**  
Luckily, they've granted  
us permission to film  
her first time!

**Her budding breasts** are now magnificent mounds of fuckable meat!

I went with a more sexy haircut this time!

An image of beauty, isn't she? Her face adorned with layers of permanent makeup that won't fade away. Even if you're rough~

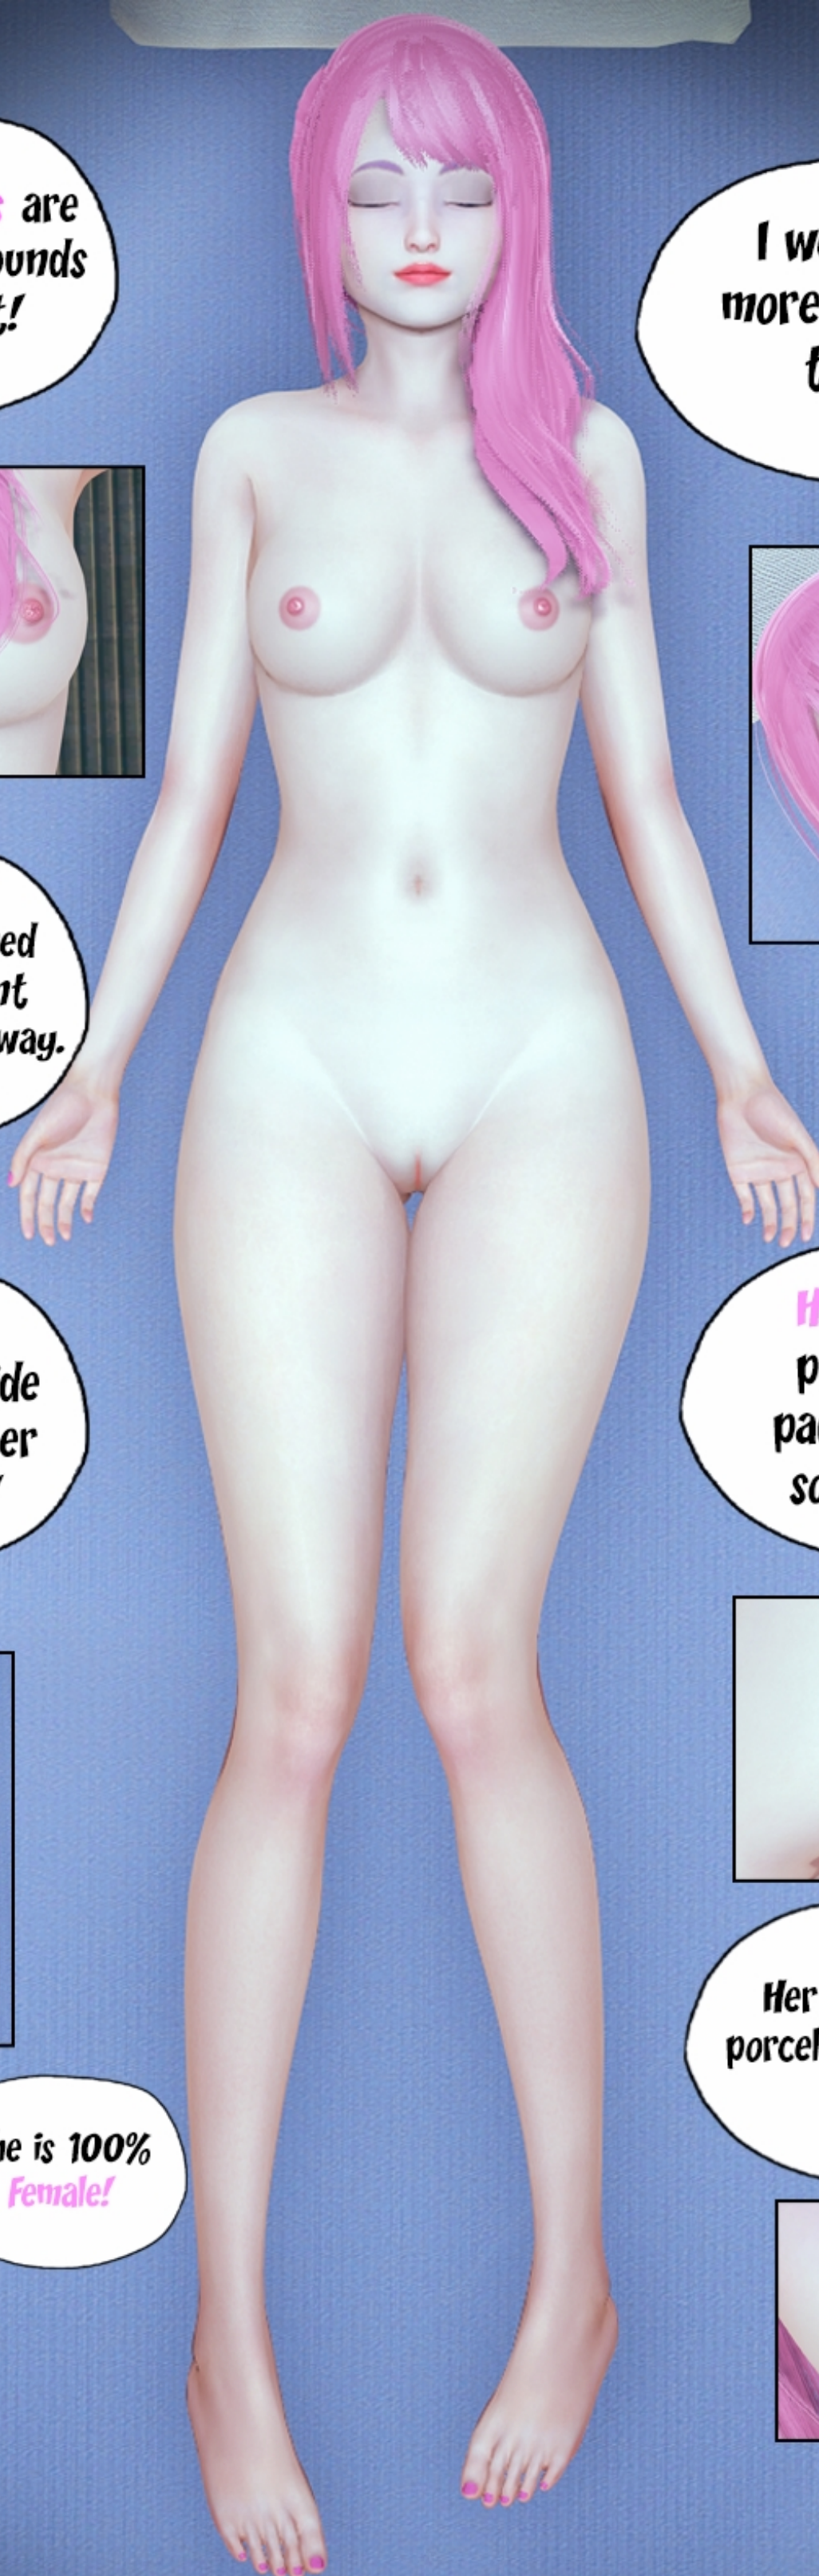

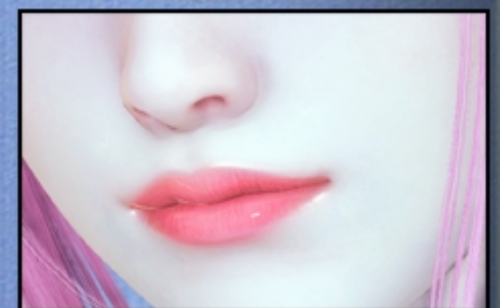

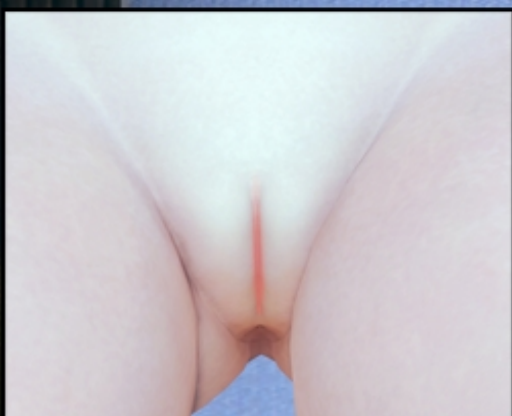

Her plain waist is now adorned with wide hips! Let's not miss her thick thighs either!

**Her ass** now the perfect size and padding needed for some rough play!

Her luscious lips and porcelain skin are simply irresistible!

She is 100% **Female!**

Here's an image  
of "**Lily**" before his  
final transformation!

...And here  
**SHE** is now!

It's high time we dressed her up and handed her over to her new owners!

I'll miss the *sissy* but all good things must come to an end. I hope you enjoy the final chapter of *Lily's* story I know I will!

**Can I open  
my eyes yet?**

**Not yet!**

**Just so you know  
I am expecting  
something big!**

**Open  
your eyes!**

**Wow...**

**I knew you'd  
like it!**
