If that can make you satisfise, then pull the trigger.

Tsk.. You are
so boring.

I will give you
some more time
to think.

Why? Because I want you to kill yourself rather than do it myself.

And before I come back, remember what you did.

MUM

A young girl with short brown hair and large brown eyes is shown from the waist up, leaning forward and looking back over her right shoulder. She is wearing a light blue short-sleeved sailor-style school uniform with a dark blue collar and a red necktie. Her expression is one of concern or worry. A speech bubble is positioned to her left, containing text. The background is a simple, light-colored wall with vertical lines, possibly representing a hallway or a room.

"Something.. must
have taken over
her body.."

"I should warn everyone!!"

"Where do you think you are going, hm?"

"M-My body.. I can't move.."

"Well.. I already knew you were watching me from here."

"W-Who are you!? What do you want!?"

"It doesn't matter who I am, but I will take over you now."

Heh.. This kid's body
also suit me a lot.

Oh well, I have
to change sometimes.

Oi!! Inazuma!!
Where are you?

Oh? What is it,
Akatsuki?

The game is
about to begin..

Have you seen Takao-nee yet?

Ahaha.. She said she has emergency so already left the base.

Aw.. What..?

Then we will wait
for you, Inazuma!
Be quick, okay?

Woah.. I lost.

But it was a fun
game night.

An anime-style illustration of two young women in school uniforms sitting on a pink patterned mat in a room. The woman on the left has long brown hair and is looking towards the woman on the right. The woman on the right has shorter brown hair and is looking down with a slight smile. A speech bubble from the woman on the right contains the text. In the background, there is a bed with a white sheet and a red pillow, and a window with red curtains. A small glass bottle is on the mat in the foreground.

Yeah.. Shame that Takao couldn't participate in..

Sshhh.. Fubuki is sleeping..

Another round?
But we out of cola.

"Hm.. I know
what to do next."

What are we going
to do now?

Eh..? I don't
want to go and
buy more..

Then.. I have a
game to decide
who will go.

It's a lucky game.

By using these empty
cola bottles, close
your eyes and pick one.

Are you trying to use the cola's lucky prize?

Yes, I just found out these bottle has one is a lucky prize.

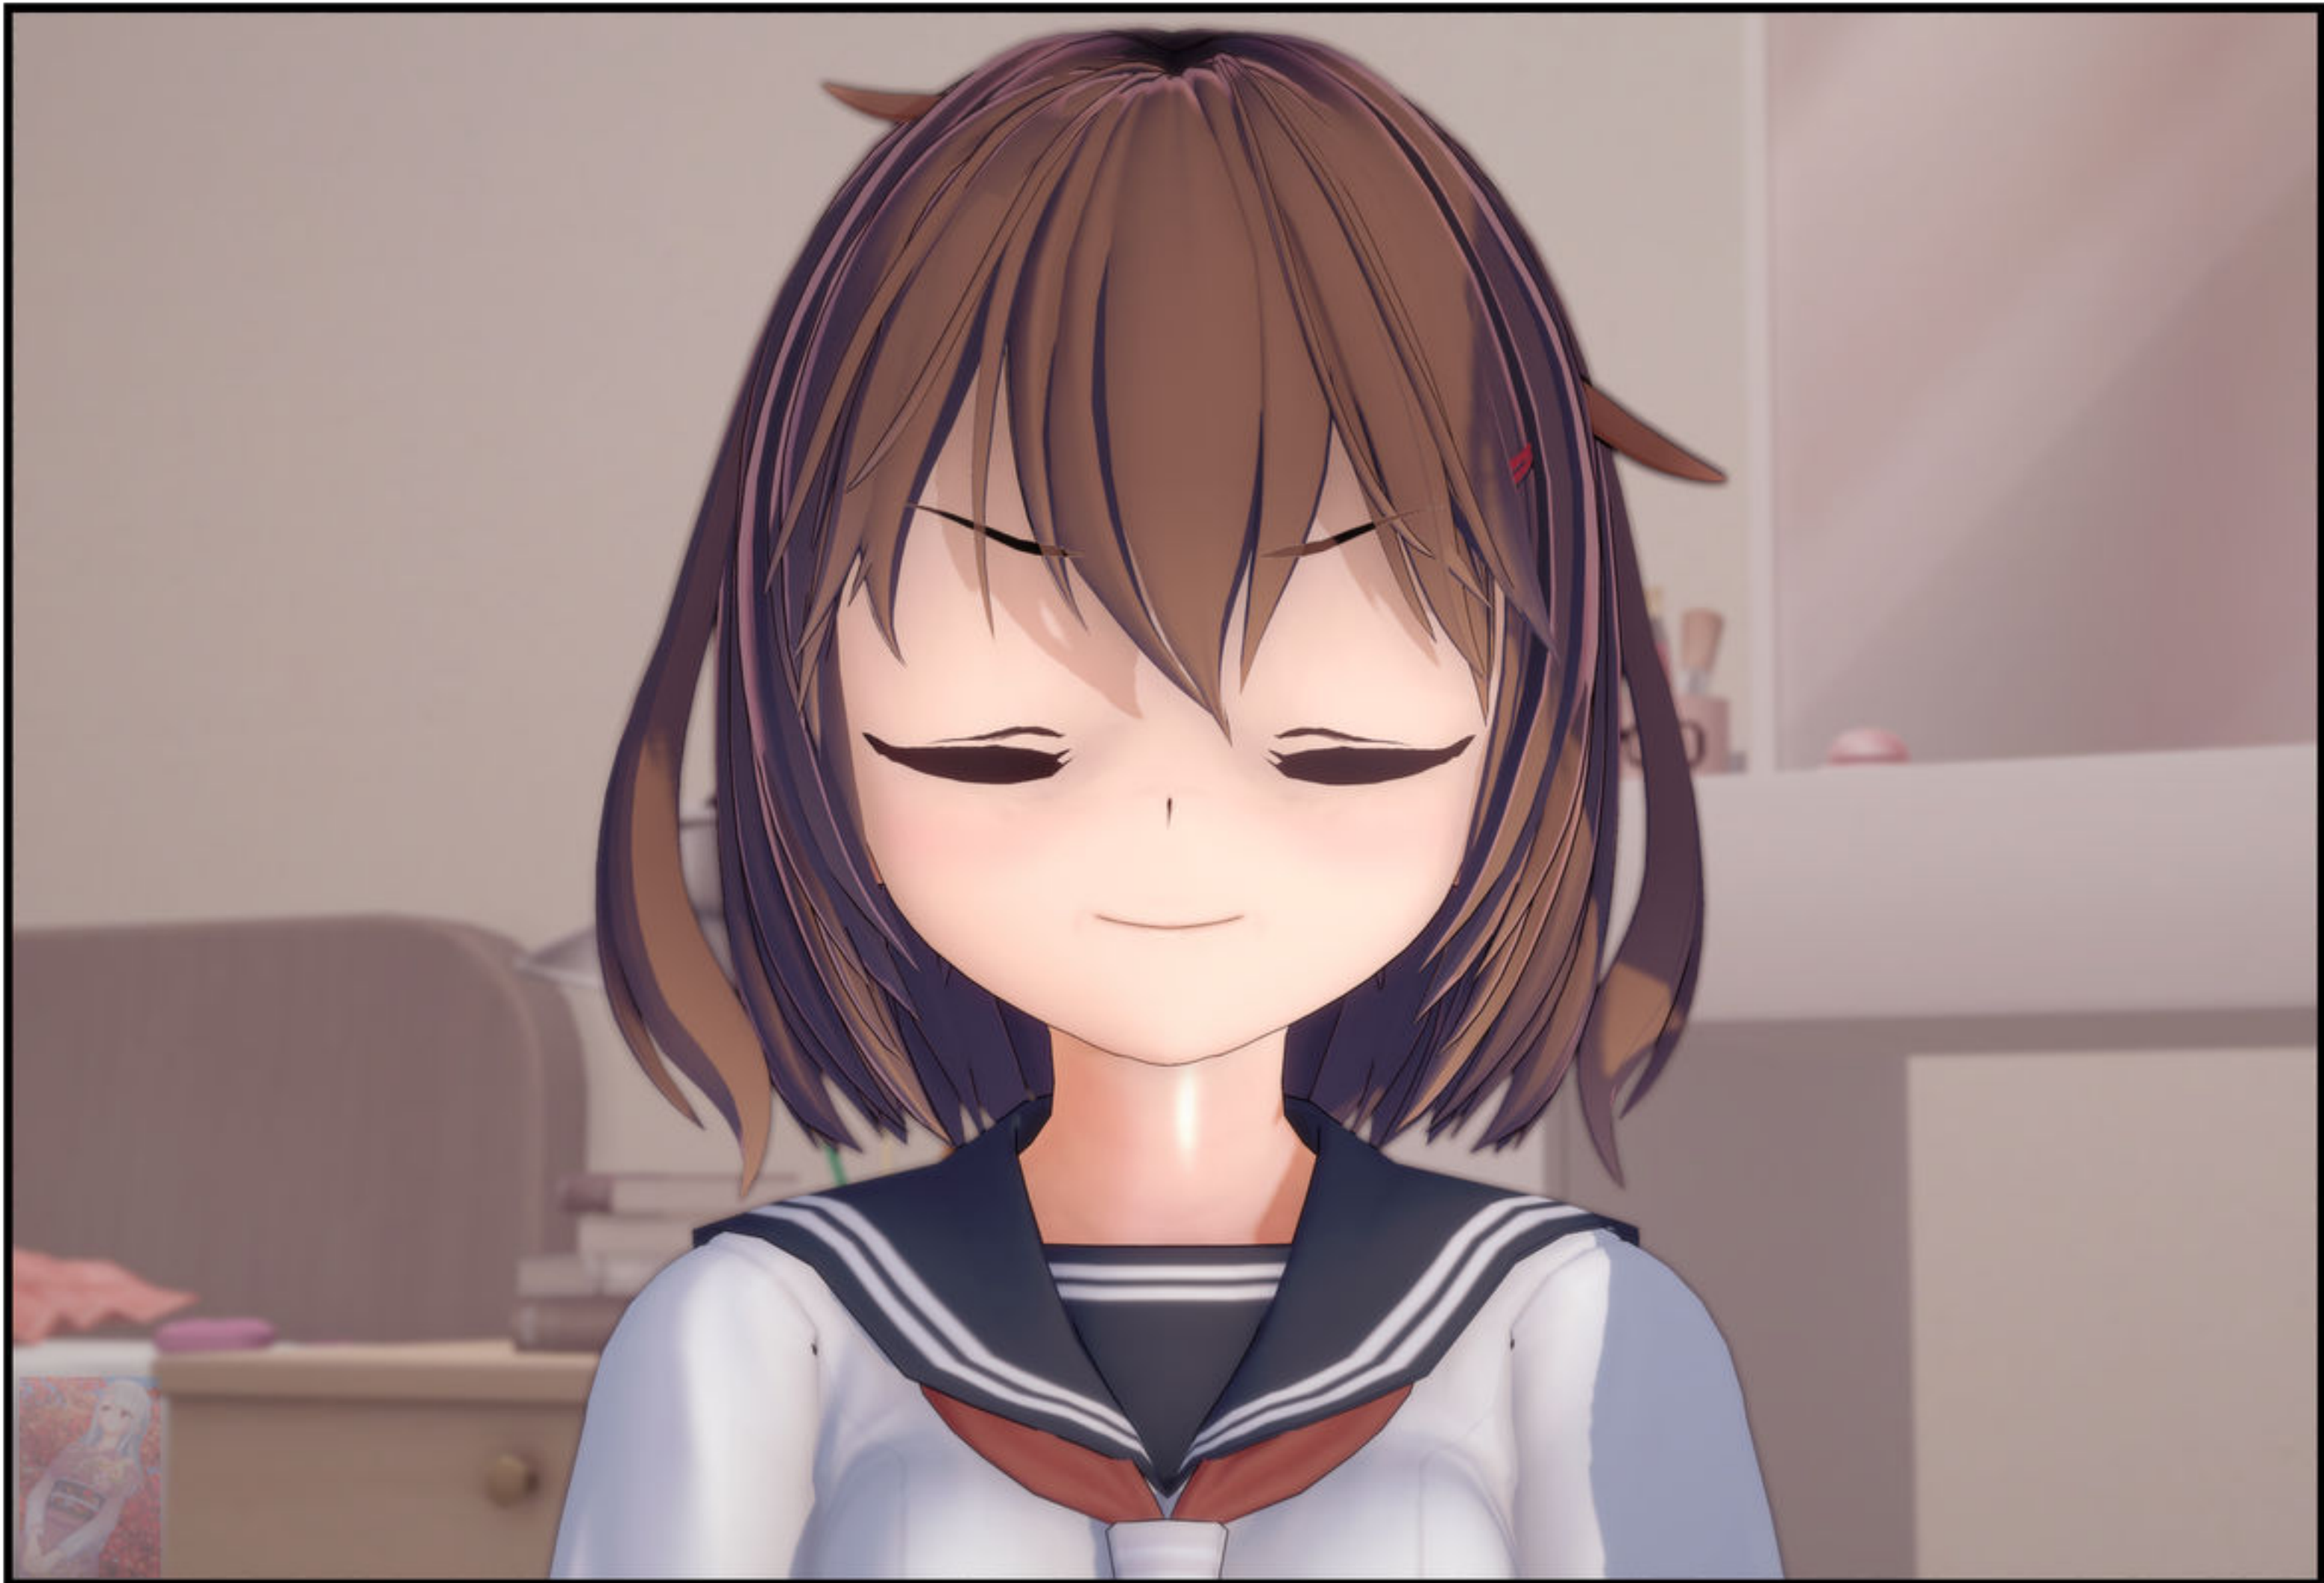

Everyone, include me,
will close eyes, I will
suffle the bottles
while doing so..

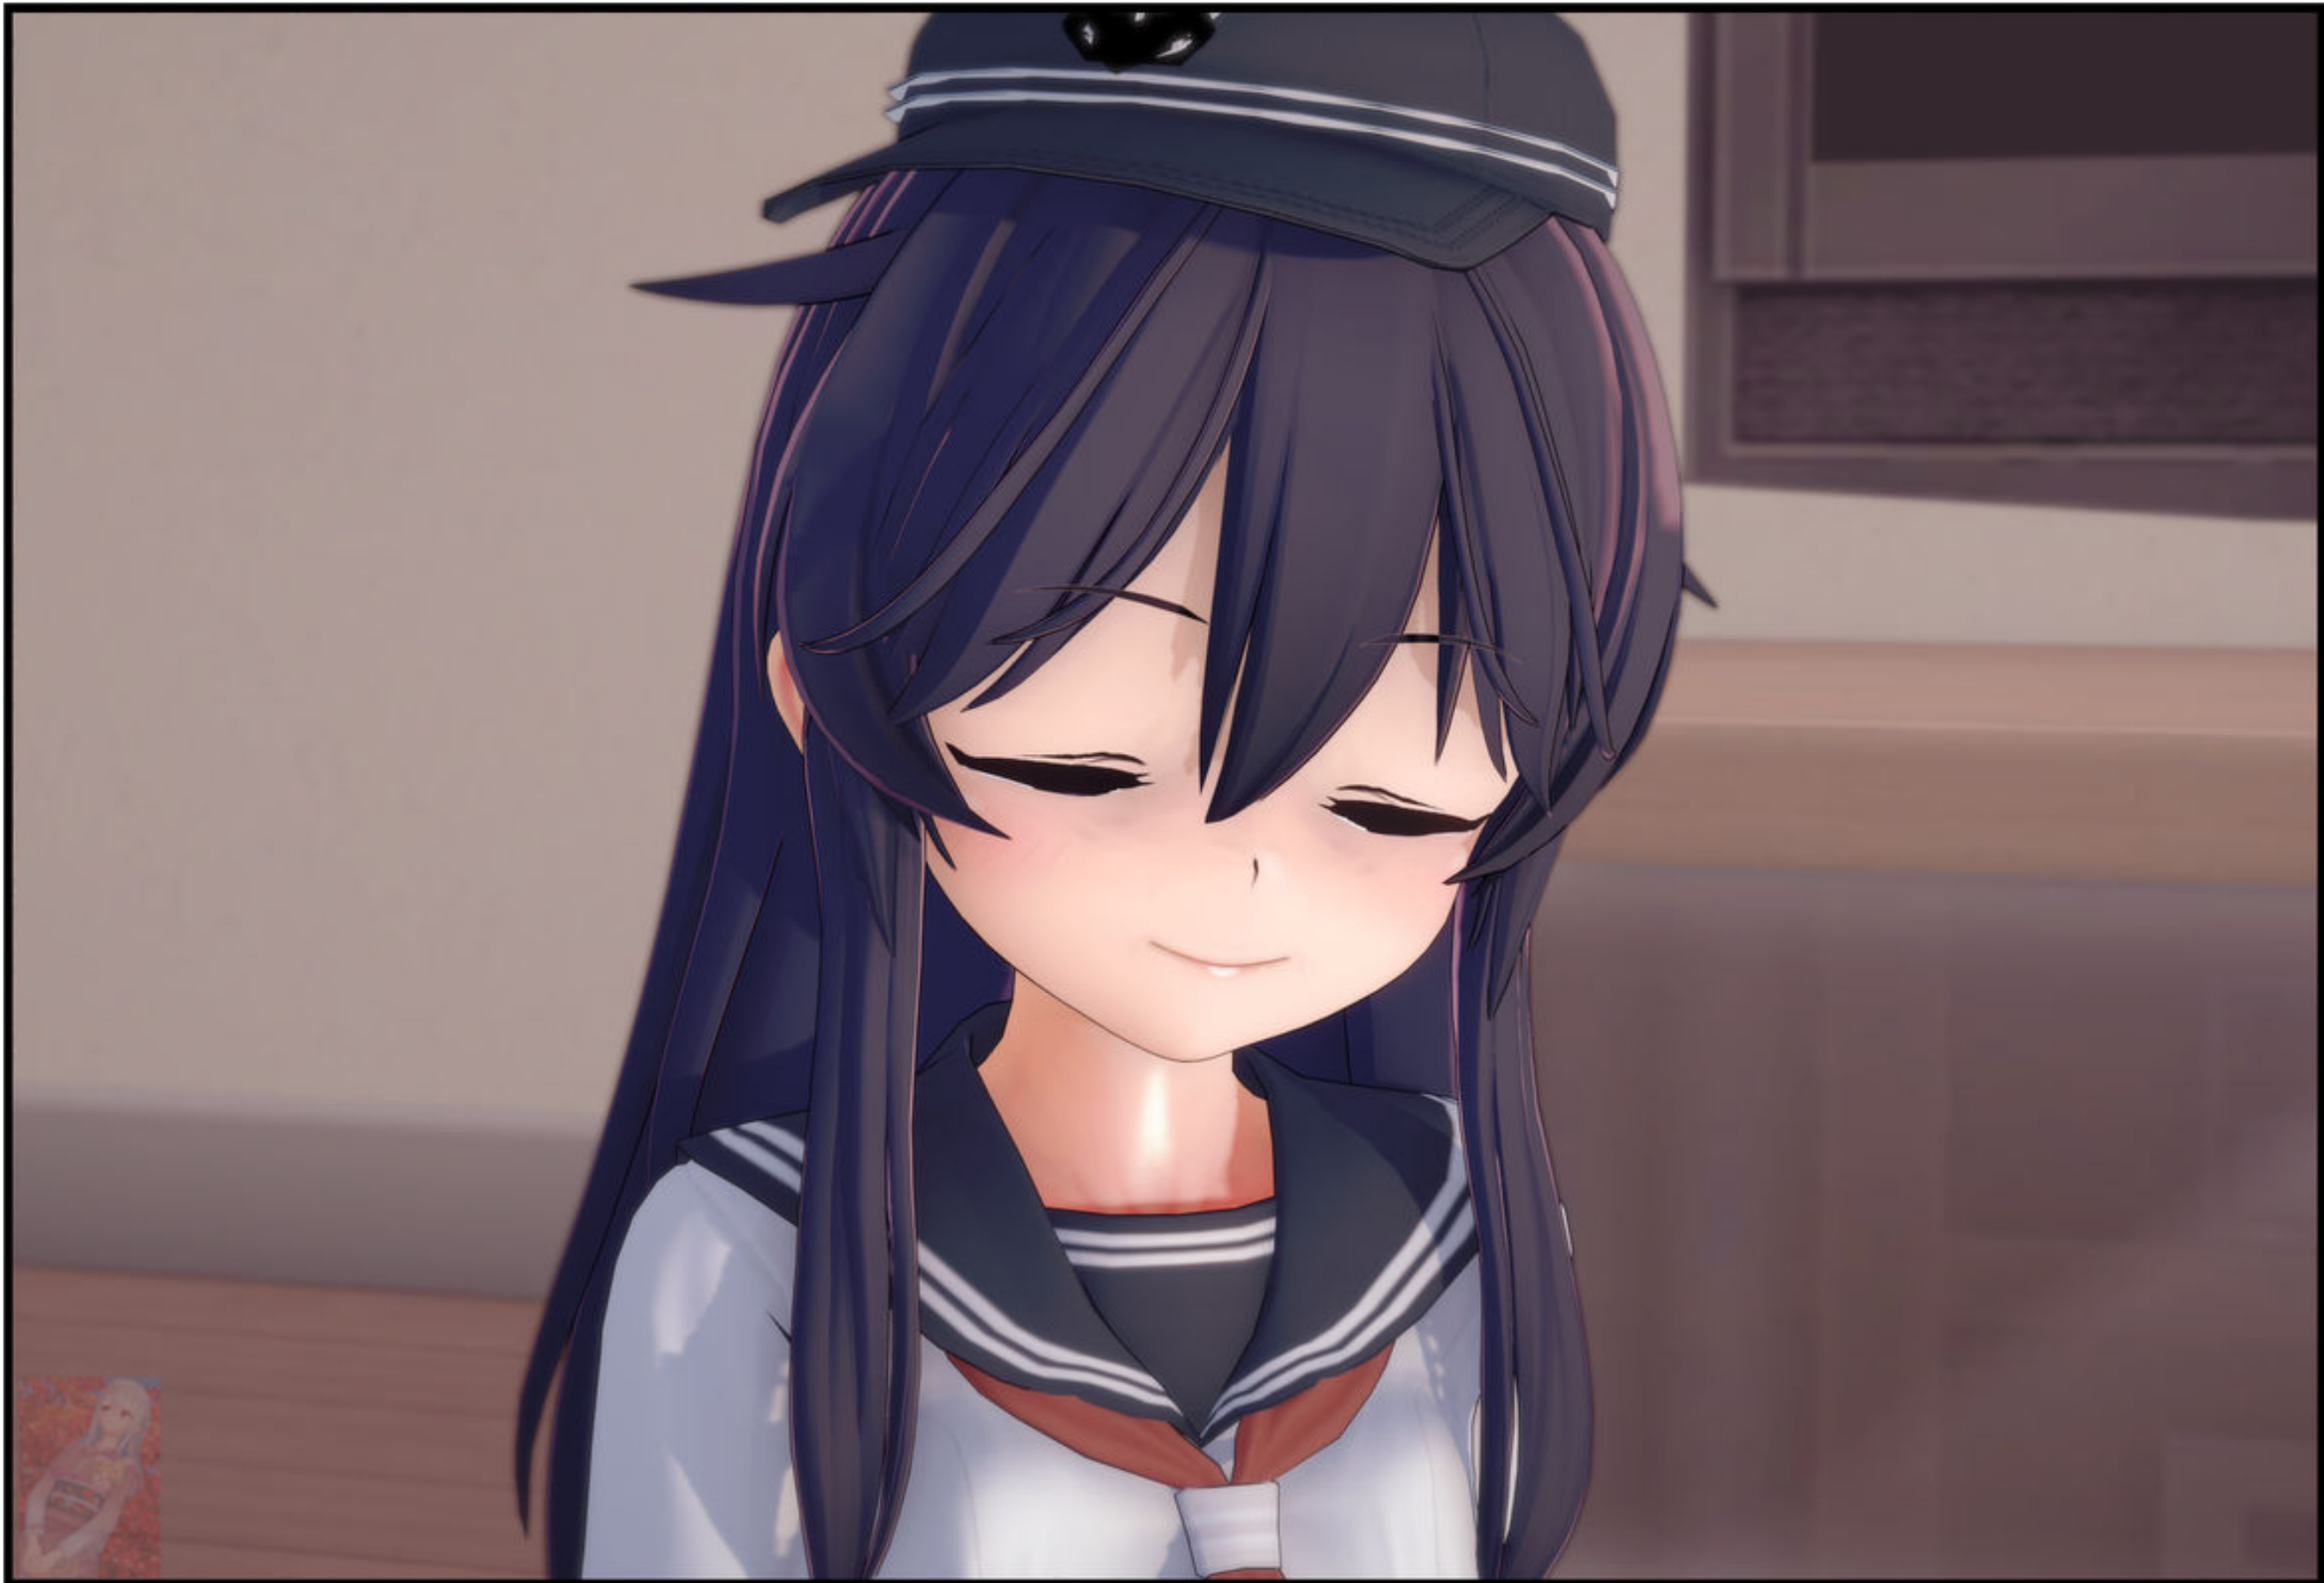

There. I suffled it.
You didn't open
your eyes since then?

No, my eyes
still close tight.

Me too~ Let's
get started!

And time's up!
I got my bottle!

Uhm.. Everyone..?
Oi.. Time is up..

Well.. I got the
black one..

..Which mean, I
don't have to go.

Me too. I got the black one.

Heh..? Then let
me check on
Fubuki..

I don't have to
go too.

T-Then if.. all three
are black..

Because my bottle
didn't have any red.

I'm red.. Then I
will go buy cola..

Let me go
with you,
Ikazuchi.

Really? Then
let's go!!

Fubuki and Akatsuki wait for us a bit, okay?

Uhm.. Slurp..
Hm.. Slurp..

Uhm.. Uhm..
Slurp.. Uhm..
