おははは

I tried to solve this myself!

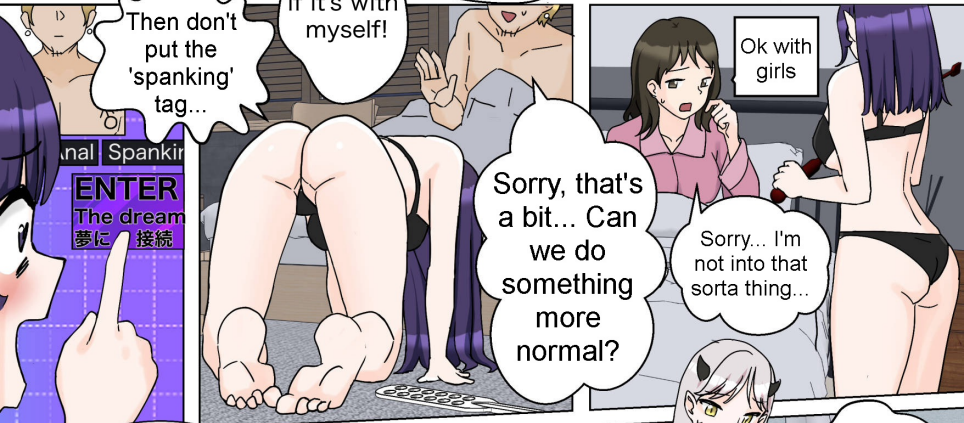

Well... your dad is human, so...

Mom! Why don't I have horns or a tail?!

Then, is it because of Dad that I have this fetish?!

Well that is...

But I can't be satisfied if it's with myself!

Then don't put the 'spanking' tag...

Ok with girls

Sorry, that's a bit... Can we do something more normal?

Sorry... I'm not into that sorta thing...

sis Luna...

Boring and confusing lessons

Poor transfer student.

First time going to school in human world

Weird, unknown words

To come to this school of all places...

All Lucia can do is what she did a lot of back in hell: fantasizing.

You're half human, so you'll be fine!

Haa... Nothing's going well.

Hey, show me your textbook.

Aah... It was difficult to focus on the lecture...

Completely didn't think of how strange the topic of her doodles is

A punishment... Is he gonna burn me in fire and brimstone? Or cut off my tongue?

Is this human angry?

Wonder what's up?

So he's gonna punish me?

Will be punished.

Bad kids...

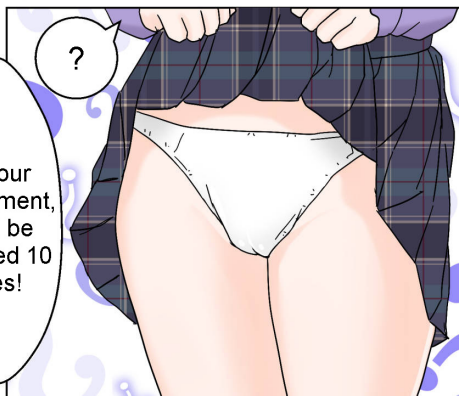

I'm scared...

What's he gonna do?

Raise your skirt.

?

As your punishment, you'll be spanked 10 times!

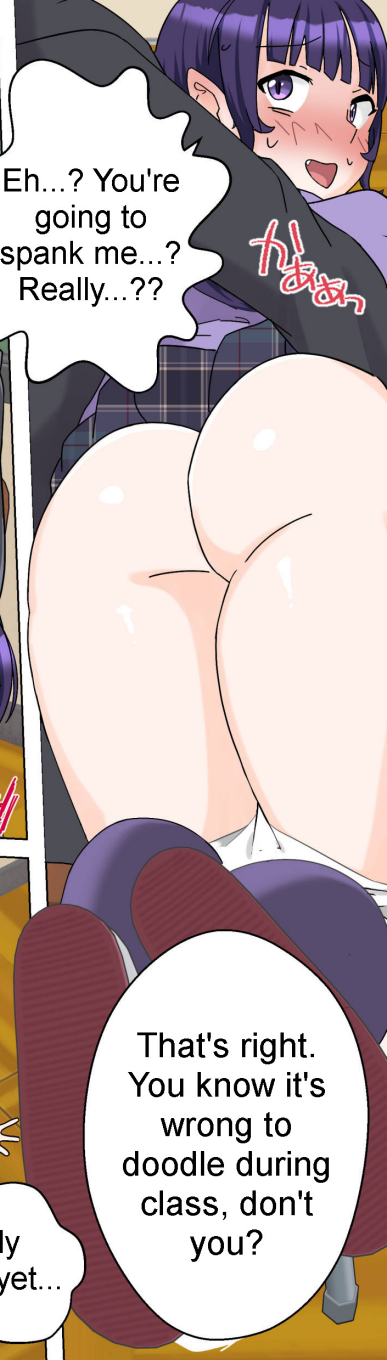

Reflect on it properly!

Eh...? You're going to spank me...? Really...??

B-but I'm not

Mentally prepared yet...

That's right. You know it's wrong to doodle during class, don't you?

That's so extreme all of a sudden...

Having her butt beaten like that is horrible...

The worst.

... Yes sir.

This is unbearable ...

Good. Stand up.

Two women in school uniforms watching the scene with shocked expressions.

Understand? If you misbehave, this happens.

Oh my... she's crying.

She needs friends who can comfort her.

Like this, Lucia adapted to the human world.

She got spanked on her second day of transfer...

Poor thing...

Stand in the corridor until school's over.

they'll spank me?!

So if I misbehave,

Although the direction she's headed in is worrying...

Hello~ Let's have fun today~

Right, let's warm up before jumping into the sea!

You're not doing it?

What's with your expression? Got a problem?

You've been so weird today.

✖

You're fiddling with your trunks like you're hiding something.

Your dear big sis brought you out to play with my friend, you know?

T-that's not...

Answer me honestly! You're not a kid anymore!

Do you want big sis to spank you in front of my friend?

Now, lower your butt and lay against my thighs.

That's it. Come over my lap. I'm gonna spank you.

No! That's worse!

N-now's no good...!

Hurry up! Lay over even if it's embarrassing!

What do you mean, 'no good'?!

いへっ

Let's play a game.

Well, if he's sweat this much, it'll do as a warm up.

... So that's it.

Why on earth are you raising your hips?

Don't know! Not gonna tell you so stop already!

Oh? What game?

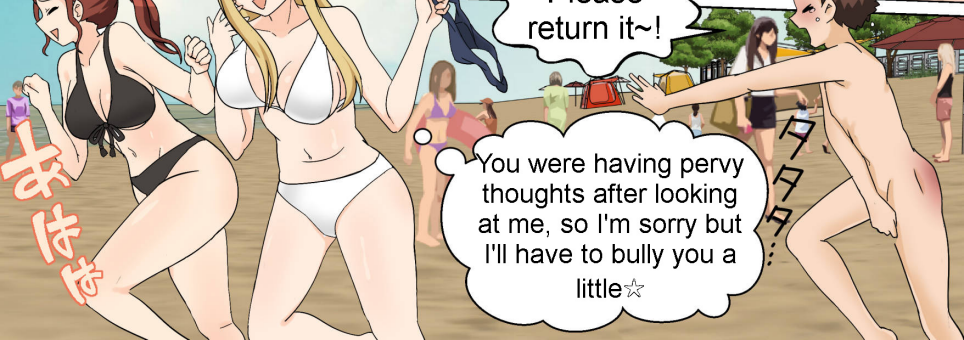

Hmm... How about...

A game of tag♪

Ahh, how mean~♪

Please return it~!

You were having pervy thoughts after looking at me, so I'm sorry but I'll have to bully you a little☆

Once you enter, it's usually for a week.

Is the "Punishment Room".

At the 3rd basement floor of the mansion

I'll do what I'm told from now on~ Master~

...

Clothes are not allowed in the punishment room, and the living conditions are harsh.

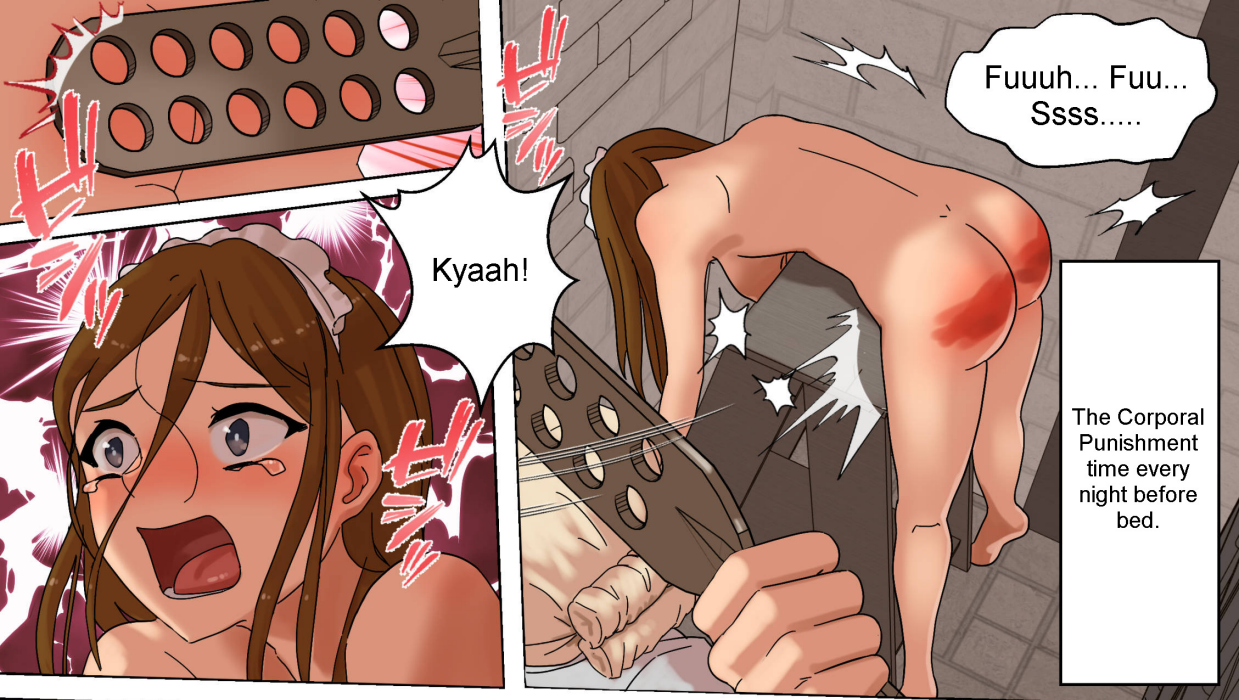

But what makes us maids the most terrified to come here is...

Sob sob... Master ...

Simple toilet

Simple bed

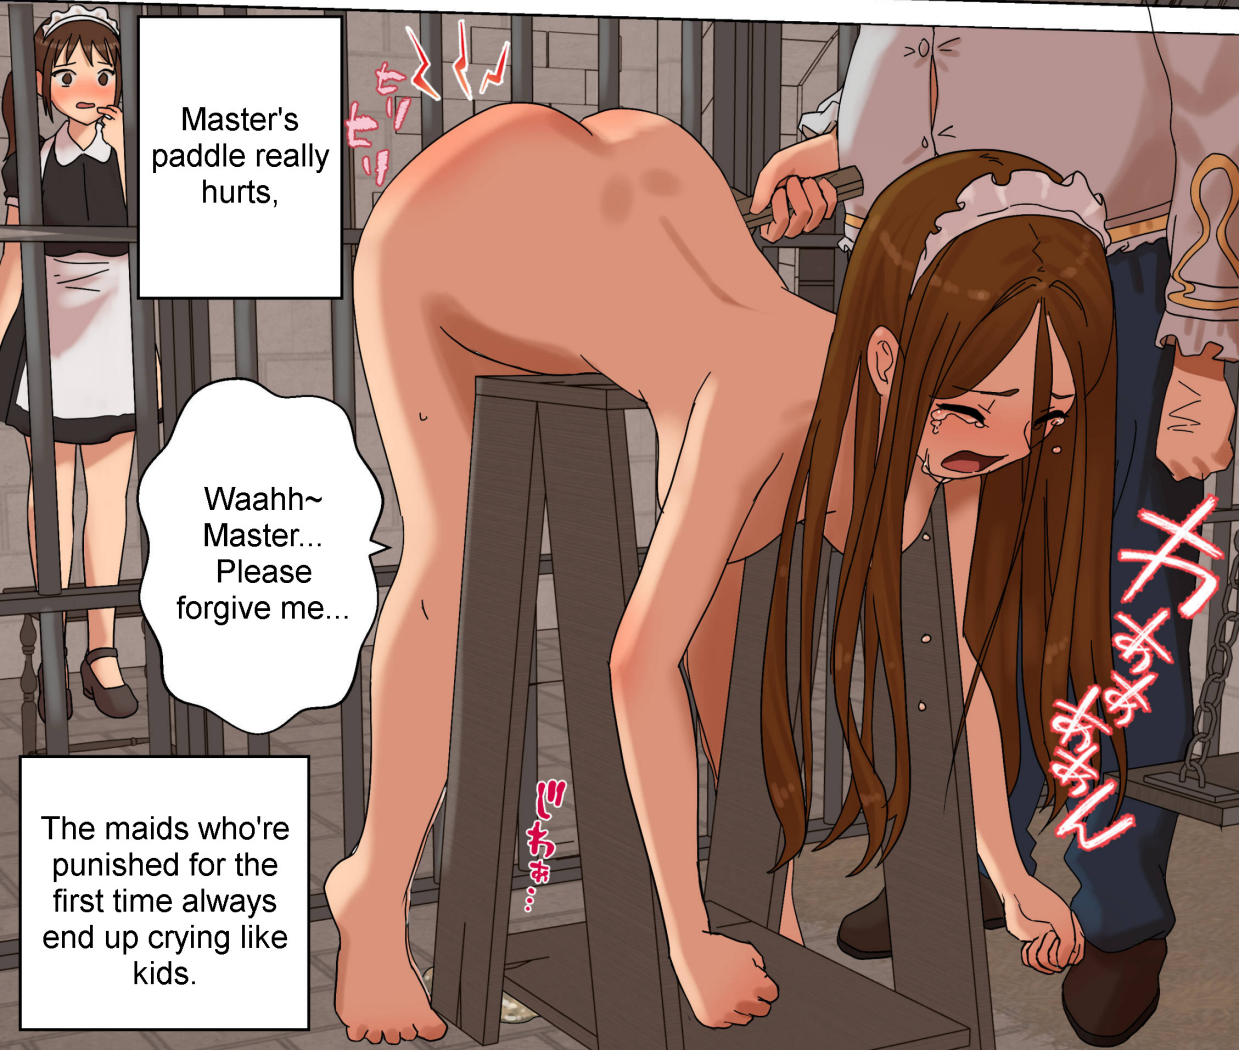

Master, please don't go!

Fuuuh... Fuu...  
Ssss.....

Kyaah!

The Corporal  
Punishment  
time every  
night before  
bed.

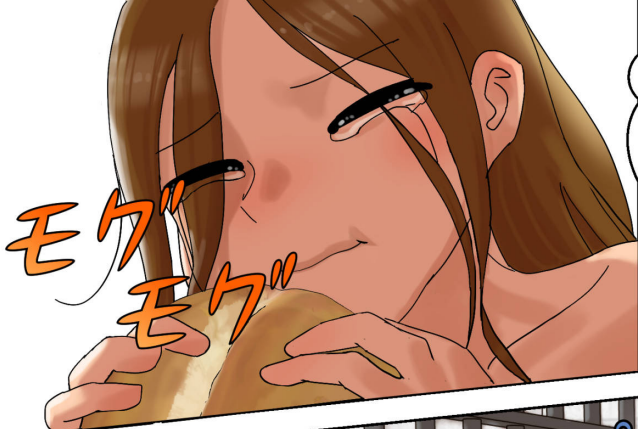

Master's  
paddle really  
hurts,

Waahh~  
Master...  
Please  
forgive me...

The maids who're  
punished for the  
first time always  
end up crying like  
kids.

I always keep in mind that I can end up here at any time.

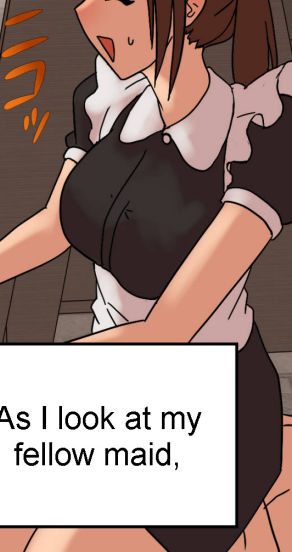

Sorry, I'll use the toilet before my spanking tomorrow.

I swear to properly serve my master tomorrow.

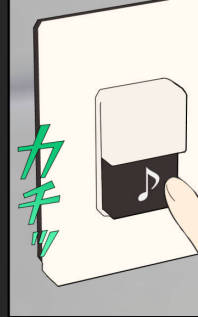

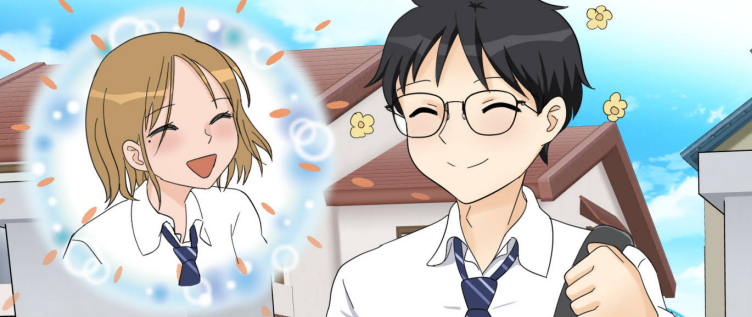

ひびく

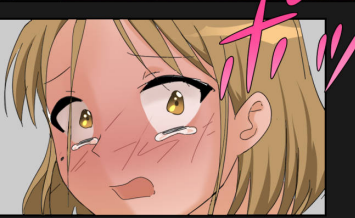

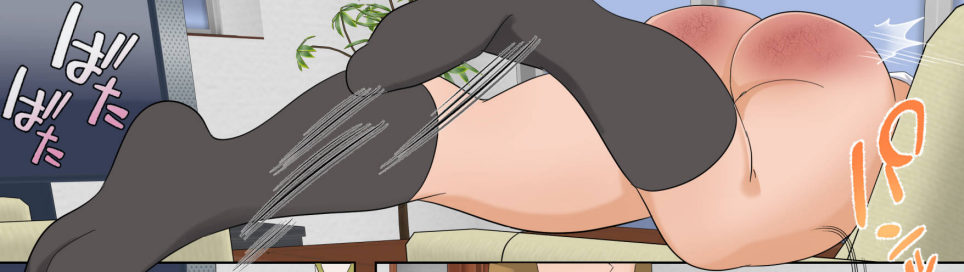

O-okay. Thank you.

As I look at my fellow maid,

Maybe this will help you say it.

These words must be said before a punishment.

"Please spank me."  
...

If you don't say it properly, I won't spank you, you know?

Right ~?

Please spank me! Please give me a spanking!

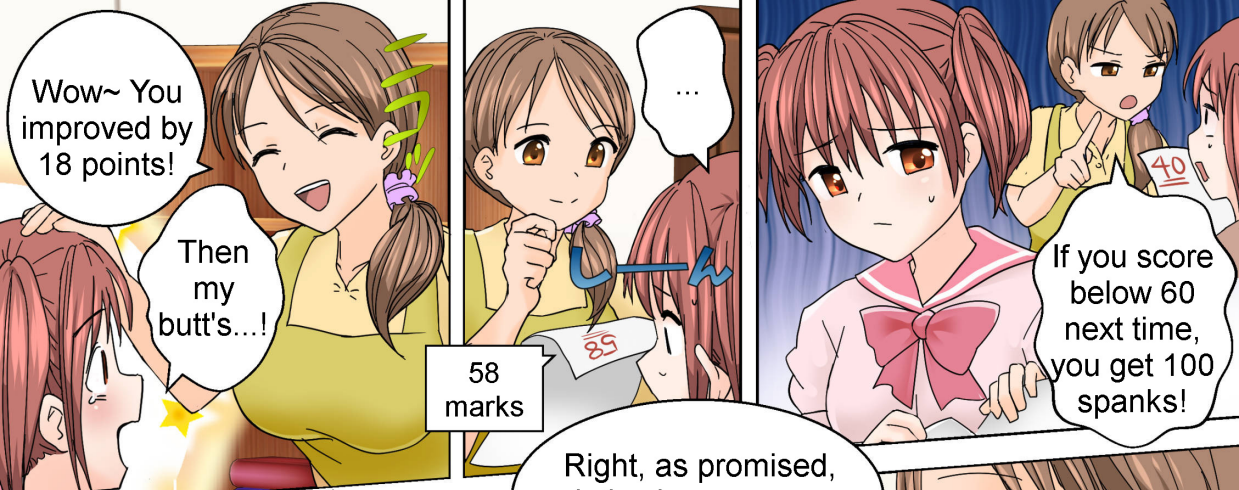

Well~ Can't be helped. If you want to be spanked that much, Sensei will give you a special spanking.'

ほおん

Gyaah!

Wow~ You improved by 18 points!

Then my butt's...!

If your shopping companion is bothering your shopping by bugging you about an item, why not leave them to the spanking staff?

This shop offers a "spanking service" to allow customers a smooth shopping experience.

Parents can enjoy shopping with peace of mind as the experienced staff dish out the spankings.

But if you take too long, the butts might get a little bruised, so please be careful!

How're you gonna make it up to me for breaking my limited edition goods?!

Please make my embarrassment of a brother into a good boy, okay? Hehe.

Sorry! My bad! We didn't know what it was!

Oniichan, if you don't apologize to my friend properly, I'm telling mom, okay?

Dear passenger, it's strictly forbidden to walk around on the plane.

Where is your guardian?

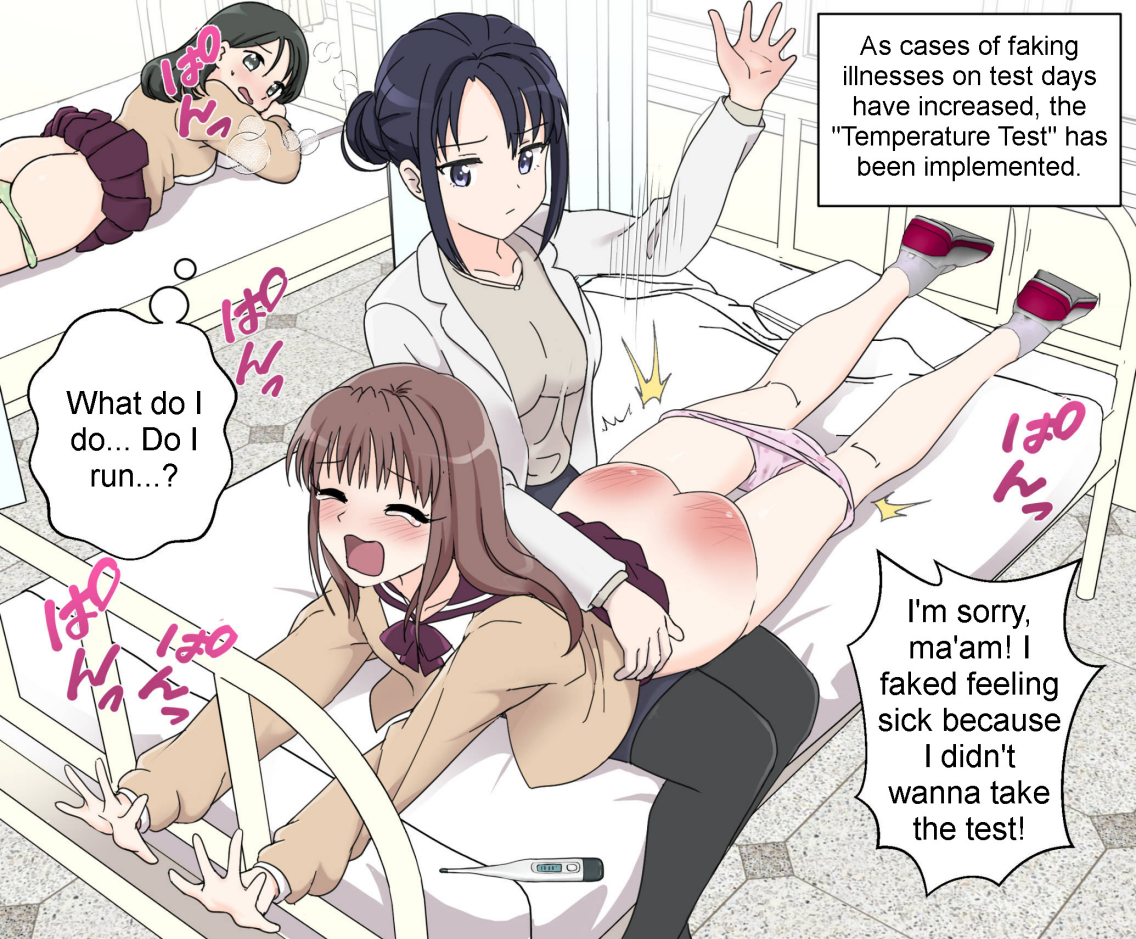

As cases of faking illnesses on test days have increased, the "Temperature Test" has been implemented.

What do I do... Do I run...?

I'm sorry, ma'am! I faked feeling sick because I didn't wanna take the test!

I-I'm sorry...

Remove your shirt and come forward.

It is used to protect the privacy of those who have been receiving spankings since the previous year.

This is a school in the countryside that still practices corporal punishment. An old room is now used as a Student Guidance Room...

*Prime Prime...*

Since you were late for more than 3 times, you'll be spanked on the bare.

No one's watching anyway, so it's fine, right?

パンチ

Isn't that right? Back when I attended this school...

Good grief. For a spanking to be effective, it should be in front of everyone in the classroom.

I think if my butt hurts this much, it should be more than enough as punishment...

But the teacher doesn't like this change.
