**ELISE:** You could've caught a cold sleeping in there!

**ELISE:** You should've at least asked me for a blanket!

**ROZENMARINE:** But...

**ROZENMARINE:** You were so mad at me I was sure you'd hit me with the broom again if I said anything...

**ELISE ("she's right" look on her face):** ...

**ELISE:** Still!

**ELISE:** Next time you ask me for a blanket, got it?

**ELISE:** I can't afford medicine for myself, let alone for a stranger!

**ELISE:** It'd be the death of me!

**ROZENMARINE (laughs):** ...

✦ Elise suddenly stops to face her. ✦

**ELISE:** What's so funny?

**ROZENMARINE:** Good thing I didn't need it in the end, right?

**ELISE:** Ugh! I don't get you!

**ELISE:** Now hurry! I'm late!

**❖ Dialogue 2 ❖**

**ROZENMARINE:** Do you live all by yourself, Elise?

**ROZENMARINE:** Oh, I didn't mean to..

**ELISE:** That's all right, don't worry about it.

**ELISE:** Let's go now, hurry up!
