

The Tallest in the Family Vol. 8

a growth
story made
by Arianault

Chapter 28: Tiffy's house

You know, which day of the year my favorite one is, right?

HAPPY BIRTHDAY!!!

Exactly!

Awww, thank you!

I was so happy, all I wanted is to jump!

You are the best!

Just one tiny little problem...

Ouch! Stupid low ceiling.

Remember: Better not jump in houses, when you are almost 9 ft tall!

I am such a big dummy, hehe.

I think, based on the look on her face, Tiffy noticed something.

Dorothea has grown a lot since I last saw her...

I'm not sure by how much.

Good thing, it doesn't hurt that much!

****She really has to bend now.****

But it wasn't me, that brought my attention to it in the first place. No, it was Christian.

I noticed it, after our train ride.

Hmm... interesting.
And maybe worrysome?

Only one way to find out. Time to put my plan into motion!

**Hey, I am finally finished at my new home.
How about we celebrate over at my place?**

Wonderful news, Tiffany.

You put so much time into it.
Finally able to visit your home, Tiffy!

Excellent. You will love it.
For a certain feature ... or two.

Oh, I am sure I will!

Believe me, you will notice it immediately!

Just a tiny little thing...

**But I think, it may be
better if you and I...**

I'll pack the stuff real quick!

...walk the distance! It was already a hassle to get her into the car BEFORE her latest growth!

It's only about 10 minutes by foot!

Don't want to put me in your tin can again, haha!

Don't insult my car again!

Hehe!

And so we started walking.

**Just a casual walk
with my lovely sister!**

Nothing but ordinary, right?

****Christian was definitely right.
She is taller! Noticeably!****

Even I had to look at her!

****And those long legs...****

I mean ... LOOK!

I am basically butt height. Wow.

**And I must say. My little sister
became more and more of a looker!
I am so proud of her!**

I assume, you get more looks lately?

What makes you say that?

Well, it's just, hehe...

Just...wow.

People always look thanks to my size.

**But I'm not talking about
your height, Dorothea.**

She is just so adorable!

**And people look especially when
I am with my little hero!**

I mean, it's kinda understandable.

But Christian gets
more and more
comfortable with it!

**Ah, let's forget that topic,
before I say something
embarrassing.**

Like I promised, Dorothea and I were there rather quickly.

So pretty!

Wow!

That ain't cheap!

Et voila. Welcome to my new house!

That place is gorgeous, Tiffy!

Told you, you will like it!

And? Have you noticed it yet?

Hehe, of course!

And yes, I put these extra high ceilings into it just for her!

You have really high ceilings, Tiffy!

Oh wow, that's true!

Nice plants.

Bingo!

This is soooooo cool!

**All for Dorothea.
Tiffany really loves her.**

**Let's not talk about how much extra costs
that 'feature' produced for me.**

Just hope, she doesn't outgrow it!

**I will try my best, but this
growing girls cannot
guarantee anything, hihi!**

We'll see about that.

'Feature' one was an instant success. Time for feature number two!

Would you look at that.

**Hard to miss, eh?
I ordered it for my office,
but for today I keep it here.**

And that kitchen. Wow.

What's over there?

My sister is so easy to impress sometimes!

Oh, this will be perfect for your doctor's office!

Everyone! Over here! It's time for a family photo!

You rather mean, family measurement!

Don't call me calculating, but...

Why not!

**She took the
bait as expected!**

I love it when a plan is succeeding.

**Now let's find out,
how much this girl
has grown ... again!**

**I wonder, if my theory about her growth is real or not.*

*Gosh, my colleagues would call me insane if they heard this!**

It's ten feet high...

Look at that, Margaret!

I know, Joe. Just...wow!

Well...I did.

**Looks like a certain someone
planned for the future, hehe.**

****I mean, if every logical reason can
be outruled, only the illogical remains.****

****whisper****
***It seems Tiff earns
even more than I thought.***

****whisper****
Quiet or she hears us!

A birthday family photo ... in front of a measuring wall. Only the Lockhart family...

Show your best side!

Hey Tiffy, is it possible that you
have grown yourself, lately?

Erm, no.

**I am a hair above 6 feet (184 cm)
for well over a decade now!**

****Who said, that I was talking
about height this time, hehe?****

I wonder what size these are!

It's probably just my boots
that made the difference!

Is that so?

gulp

**I saw Dorothea's gaze.
I know EXACTLY what she implied.
Act...totally...normal...Christian.**

Then it might be just fair,
if we all take of our shoes.
For fair results!

This is no competition, Dorothea!

I guess, my sister just made it one...

One more time, please!

WAIT A SECOND!

Huh?

Erm...Dorothea?

This can't be real!

Hehe...no idea.

**How is it that you are suddenly taller now without your boots?
Were you cheating!?**

****She is right!****

This ... this ... GIRL!

No Idea at all!

I...I...

Almost 9ft (274 cm)!

Wonderful, Tiffany, real wonderful.

Don't be sad, Tiffy.

...give up.

My plan backfired and made her even taller in the process!

**It's like I always say.
I'm just a growing girl, that's all!**

Guess... you are right. *SIGH*

And to make it even worse. I think, my 'little' sister already had a new goal in mind!

Hehe. That 9ft mark is getting closer and closer. Soon.

Chapter 29: Local Fame

Ready to go?

I wish you a lot of fun
with public transport, hehe.

Yeah.

If there is one thing I hate, it is waiting!

This takes forever.

Hmm...

And then it got to me.

Oh, wait. We will ride a bus!

Yeah...?

To be honest, I should have thought about it beforehand.

I hope, that bus is high enough, haha!

Rrriggghht...

Just a nice little bus ride.

**And I hope I will not
make a big scene, hehe.**

Hehe. We will see.

****Look how casual she can
put her hand up there!****

No drama. Maybe it was time...

Maybe I am too nice.
Maybe I should give those gawkers
some attitude, don't ya think?

I am ... not sure about it.

This could turn ugly!

Just kidding. Showing such an attitude simply is not me.
It doesn't fit me (as many other things, haha)!

Look. Bus is finally here!

Now this will get interesting

I was so excited to travel to Baltimore with my little hero!

Come on, get in!

Hmm...

Something was on his mind though.

**People in this town are used to her,
but what about the people over there
in the city?**

Our little trip required us to change bus lines to reach our destination.

DOWNTOWN BALTIMORE									
1	2	3	4	5	6	7	8	9	10
100	200	300	400	500	600	700	800	900	1000
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30

Well look at that. Now that's a tall bus.
Much bigger than the previous one.
Isn't this just perfect for you?

Easy for him to say!

Damn. Almost hurt my head on the low bar.

Ohh...

Dorothea truly is breaking boundaries...

But I am not the type of girl to stay annoyed for long!

But you are right,
much better than before!

Wow!

But of course I was already in the center of attention, hihi.

One day, I want to be
as tall as you!

That's the spirit!

**I know
this girl!**

What a lovely child!

Woouooooow!
You are so cool!
And pretty!
And tall!

Seems as I found
a new fan!
giggles

*T-that's...
Dorothea!*

I must be quite the view, hehe.

So... big...

That sweet little girl

Gosh, she is so tiny!

I think she enjoyed it!

What a tall girl!

But also so damn cute!

Yup, she did.

Wanna keep the memory, I see!

Please make a photo, Mom!

**Hehe, I wasn't even thinking about it.
People normally don't ask and just do it!**

Have you even asked the girl
if it is fine with her, Sydney?

That girl is adorable!

Whoopsie, no, hihi!

**Then you better ask for permission
because it is rude to do so without it.**

It's totally fine with me.
But thanks for your respect.
Most people are not like that.

**Part of me cannot blame them.
It's quite the sight to be around
a girl this big.**

Yay!

But the little girl, Sydney, had another surprise for me!

Huh?

Hey Mom, can you invite her to your show one day!?

Huh?

Show? What kind of show?

Like a television show?

I think Theresa would love her to have as a guest!

It made me think.

Hmm...never thought about it.

She thinks about it...

Hihi!

I work as the producer
for the talk show
'Talk with Theresa'.

'Talk with Theresa'. I somewhat know that show.
Mom watches it from time to time.
It's like a talk show.

Hmm...me on television...
Mom will kill me...

**The Studio SHOULD
be big enough for her...**

Step one: Talk with Mom!

I would like to, but I need to clear it with my parents first!

**Understandable.
I will give you my number.
Take your time!**

**Even big girls need the
okay from Mom, hihi!**

**I can only hope that my own kids
will be as cute as this one!**

**Definitely. The name is
Dorothea Lockhart by the way!**

We will keep in touch, okay?

**My tall friend Dorothea!
Such a pretty name for a pretty girl!**

Dorothea! Our stop is up!

Time to say goodbye!

I have to go. Bye, Sydney!

**Talk about a friendly
giantess.**

Bye Dorothea!

Seems as I got a bit more famous that day!

What a lovely place this cafe is.

It's nice and peaceful.

It's a shame though that they have no Pepsi here, haha.

You truly are addicted to that stuff, eh?
Damn, even this big can looks so tiny in her hands. Wow.

May-be! Mmmhh...Pepsi Max...
But Dr. Pepper is fine as well, hihi.

Totally a Pepsi addict

Oh...my...GOD! HUGE!

Even more attention...

Time to have some fun with it!

I know, they have huge
cans to drink here, hihi.

H-HOW!?

Am I mean by acting like this?

H-How are you so ... tall?

Oh, you talked
about me, hihi.

Time to show her just how tall I was!

And about the how... no idea.
I'm just a happy and growing girl, hihi.

G-GROWING!?

It became more and more clear to me.
Big city Baltimore was not ready
for a big girl like me, hehe.

I guess so, and hope so as well!

You mean, you will
get even bigger!?

I guess, I became the talk of the town today!

A girl can dream, right?

Hope!?

**She wants to get...
EVEN BIGGER!?!**

And my little Christian was clearly not happy about her attitude!

That girl was rude!

**Always protective of me.
That's my little hero!**

**She wasn't the worst and remember
I am used to it and it is fine with me.**

**If you say so...
I just don't want
people to annoy you!**

After our little break, we went to a shopping mall.

That space is perfect over there!

heaven!

My little hero deserved some attention!

**She gets prettier
by the day!**

This looks ... perfect!

A big kiss for my little hero!

Apart from getting taller and taller of course!

smooch

I was creative, wasn't I?

Guess, those few steps helped quite a bit, haha!

I wouldn't say, 8 steps are just 'a few'.

But I wasn't done yet. I wanted some more fun?

Hey, how about you go up there!

Little did he know...

HOW IN THE WORLD!

Hello there!

Quite the surprise, eh?

I knew, that we would need them someday.

H-HOW!?

But that fast? Even I'm quite a bit surprised.

But I think...

This isn't real ... or is it!?

Even bigger surprise!

We aren't done yet, hihi!

Tall girl has tall ambitions!

You get cuter by the second!

What kind of trickery is this!?

Isn't it awesome?

I cannot believe it!

Oh, you better believe it, hihi!

Anyway, were was I?

Why does he look so ... disbelieving?

Sometimes, I don't get my boyfriend, hihi.

**What was he imagening this time?
I'm not that tall ... yet!**

Chapter 30: Spa Days

I am soooooo excited. A weekend vacation trip with Christian (his birthday present to me!) and Dad was so kind to bring us to the place!

Thanks again for driving us, Joe!

We are almost there!

It took him a while to get the money together.
Sooooo sweet of him!

Is it hurting, Dorothea?

True.

Nah. Not much. Being cramped up
in a car is nothing new to me, hihi.

It's just the price to pay for being a big girl, I guess.

Are my legs too heavy for you?

Nah, not at all and those things simply need their space.
It's fine!

Hihi.

And when we arrived ... just ... wow!

Look at this beautiful place!

**Glad to see her
happy like this!**

Great, isn't it?

**There is reason why
I had to save up
for months!**

Definitely not gonna have any ceiling-related problems in this lobby!

And it is so ... so ... big!

It was all worth it!

Dad helped with the luggage. So nice of him!

Thanks, Dad!

That's everything done now.
I will get you on Sunday!

But Dad couldn't help it ...

Oh, just one more thing.
Please behave and
don't get too ... excited! *wink*

Sooo embarrassing!

D-DAD!

...

Like real embarrassing!

...

...

Bye Dad!
He called him Dad!

Have a great time! Bye!
He called me Dad!

Bye Dad!
Did I just call him Dad!?!

And so, we finally were alone.

So...

So...

Don't be shy, Dorothea!

Our first vacation officially starts now!

Yup!

And I already knew what I wanted to do!

Let's go swimming!

**Great idea. The pool is advertised
as state-of-the-art!**

Give me a few minutes, okay?

Take your time, Dorothea!

Time to get my swimming clothes!

There she goes to
change into her bikini.

Wait...bikini.
That means I will see her...

She will look so ... beautiful!

I have to be honest.
I was a bit nervous!

Does this ... suit me?

**Oh...my...God.
So beautiful!**

I mean ... it was the first time
he saw me like that, you know?

I got it just for this trip, hihi.

**Stay modest, Christian!
But damn, those...**

I guess, that counts as a 'yes'!

Wow!

He is just so damn cute!

And that made me proud!

But I think, you should get changed as well!

**Maybe I look TOO good?
He is like ... broken, hihi.
My little hero.**

S-Sure...

This was not just a pool! I mean ... LOOK AT THAT!

Wow, it's so stunning!

I'm glad you like it!

This was like some dream resort!

I am so thankful for this, Christian!

Best idea I ever had!

Just...Wow!

**Uh my, look at that.
Dorothea is so tall now,
I barely reach her
belly button!**

**Scratch that.
Not even close anymore!**

I have an idea.
I want to show you something!

And that is?

Just a second!

I won't need these.

I have an idea
were this will go.

throwing

Almost ready now!

Almost?

Yeah, almost.
You better take
step to the side.

Oh-kay.

I hope we won't get into trouble.
Jumping in the pool is forbidden after all.

Time to impress him!

Here...we...go!

This will be fun!

First time see her run...

Almost there...

...or see her do ANY physical activity!

Hitting the perfect spot!

Hay-YA!

Hope this ends well!

And we are on our way!

But this wasn't supposed to be a casual jump!

Uh my...

I still got it! Perfect rotation!

Even more impressive given her sheer size!

Landing could have been better, but who cares? I don't!

That was great!

Hope, he liked it as well!

TA-DAH!

Awesome, Dorothea!

But then I realized...

Hope we won't get in trouble for this, hihi.

I'm not guilty, hehe.

Wow, the water just reaches her knees!

And another realisation!

With me standing in the water,
we are basically the same size!

Seems like it.

This gives me an idea!
Would you turn around please?

I just had too much fun!

What is she up to now?

Hehe...

And my little hero was my little dummy!

ELECTRIC CHAIR!

God help me...

But he wasn't done yet!

I have another idea.
Just trust me!

O-Okay.

POWERBOMB!

God damnit!
I should've known it!

I was such a lucky girl to have him!

**That was fun!
Like real fun!**

**Just hope, nobody has seen us
breaking the rules ... again!**

Look, even while sitting, my head is well above the water!

Surely impressive.

I know, right. Now imagine...

Wouldn't that be great?

One day, I might be as tall as you, while sitting like this!

Even more impressive.

Just the imagination alone!

But why stop there?

What if this goes even further?

**The thought is somewhat scary...
but in a way sexy as hell!**

Maybe I can touch the boundary
while sitting like this!

This is getting a bit much...

And then, I would have to change
my position!

**Is she actually wanting
to become this huge?**

Not much room, eh?

Not really!

I am no longer sure about it...

**It may be better
to stand up then!**

***This can't be a reality someday.
Can it?***

You would look so tiny next to me!

As if I already wasn't, eh?

But if my growth
actually has no ceiling...

Then this would not be the end.
Far from it!

I'm not sure, that those heights
would be possible, Dorothea!

And suddenly, this big resort would look like a miniature model to me, haha!

And even if it was, I don't think she could hear me from down here!

Hihihi...

Maybe, I could see you looking like this!

Maybe I went a bit overboard with this, hehe.

There you are, it's totally possible!

Time to get back into reality for once!

Thank you for the vacation.
I love you!

Hey, I have another idea!
my poor little hero, hihi

I love you too, Dorothea!

Here we go again...

To be continued...

Height Chart End of Volume 8 (after Chapter 30)

Dorothea's change End of each Vol.
