# *Lifelong Submissive*

Take a journey with me as I remind you of how pleasing and desirable and erotic it is to be submissive in each and every aspect of your life. Learn that accepting instructions and commands from others is completely arousing and that you crave to be told what to do more and more in your future in order to discover the pure pleasure that comes with satisfying the people around you.

## **1. Lost**

Find yourself lost in the woods. Try to find the way out by yourself, but realize that no matter how hard you try or plan, there is no way that you are going to navigate out of the woods alone. Find a map by the side of the road. Start to read the map and learn that the more you think for yourself, the more that you desire others to think for you.

## **2. The Grove (Slut Exclusive)**

Find yourself walking down a path through a magical grove of trees. Discover that the tree's whispering brings you more and more pleasure as you learn to obey their voices completely. Learn a fun and exciting new word that will make you submissive every time that you hear it.

## **3. The Cottage**

Find a cute cottage at the end of the road. Gasp as the cottage door opens and the most beautiful and enchanting witch that you have ever seen walks out. Feel pleasure and desire and arousal as she invites you inside. Find yourself instantly and naturally obeying her persuasive and seductive commands.

## **4. The Crystal Ball**

Walk into the cottage and sit down in a chair in front of the crystal ball. Stare into the ball and learn how pleasurable and arousing it is to hear your special trigger word and completely follow all of the arousing and important instructions that you are told.

## **5. The Submissive Past**

Learn about how submissive you have always acted in your past, and how powerful your special trigger word has always been for you. Replace all of the false memories of being able to think on your own with the real memories of always obeying everyone around you completely.

## **6. The Submissive Present (Slut Exclusive)**

Know that you are completely submissive and obedient in every area of your life. Think about how you need to always look your best in order for strangers to be more inclined to give you the exciting and arousing instructions and commands that you cannot help

---

but to obey. Remember that submission and following instructions completely pleases the person that you are obeying and causes them to give you more pleasurable and erotic commands in your future.

**7. The Submissive Future**

See yourself experiencing all of the pleasure and arousal that you can possibly experience in your life. Know that you need to find a partner or a group of people that can dominate you and tell you what to do so that you can become the happiest and most turned on that you can possibly be.

**8. Found**

Walk out of the cottage and follow the witch's instructions as you are told your trigger word to lead you out of the forest. Remember that always being submissive is the quickest path towards your ideal life and the most arousing and exciting trait that you can possess in your ideal future.

Help yourself by helping those around you. Become a lifelong submissive.

---

❖ **Lost**

Deeper and deeper with the gentle and soothing sound of my voice. Feeling more and more relaxed with each and every word as you fall into a deep and hypnotic trance. Yes. And as you slowly start to become aware of your surroundings, you can discover yourself walking through a beautiful and dark and dense forest. You can intuitively sense that you are alone in the unfamiliar woods and can feel your heart beat increase with each and every step that you take. Afraid. Alone. Worry. The path beneath your feet is narrow and overgrown with moss, as the forest vines wrap around the trees, creating a canopy above you, blocking out the sun and making the forest seem even more dark and gloomy. You can feel a cool breeze rustling through the leaves and know that you have been left alone in order to find your way out of this dark and terrifying place. Yes. You can continue to walk on the weedy and unkempt and neglected path in front of you as the evening sun begins to set and you can find yourself becoming even more anxious with the darkness as you realize that there is no one coming to rescue you from your situation. Afraid. Bored. Anxiety. And as you walk, you can sense an overwhelming sense of loneliness and emptiness and fear as you realize that nobody is here to help or tell you what to do or guide you out of the impossible dilemma that you find yourself in. Yes. You know that these are completely natural and normal feelings for you, and that you have always needed someone to help guide you in your life so that you do not have

to worry about your boring and frustrating and impossible problems and decisions and responsibilities. Yes. And as you continue to walk down the completely overgrown road in front of you, you can look to your left and find an old, weather beaten map nailed to a tree. The wood around the nail has grown into the tree, indicating that the map has not been touched or looked at in many years. Excitement. Pleasure. Desire. Your hands can reach out to pull the map off of the tree and you can notice that the edges of the map are damp and covered in moss. Cautiously, you try to pull the map away from the tree, but the wet, fragile paper sticks to the bark and tears away in multiple places as you try to remove it. Yes. The map comes off in your hands and you cannot help but breathe a sigh of relief and contentment and satisfaction at having a way out of your completely impossible situation. Happy. Soothing. Peaceful. You know that it is natural and intuitive and preferred to listen to any advice that you are given whenever you find yourself in a tough dilemma and can remember how much better you have always felt whenever you have had help being guided through any rough patches that you may find in your life. Yes. You know that life has many mysterious twists and turns and problems and that it is nearly impossible to be able to navigate all of these difficulties alone, which is why you feel so much relief and comfort and happiness whenever you let someone else guide you and make all of the hard and boring and intimidating decisions themselves. Happy. Pleasure. Desire. You can walk down the road as you find yourself following your new and exciting map, searching for a way out of the forest. Yes. You can remember that you have always needed help in order to tell yourself where to go in life, and that you do not have to think about anything else but moving your legs up and down in a soothing and relaxing rhythmic motion as you imagine yourself being completely free and unchained by problematic decisions and worries as you happily navigate through your day. Happy. Loved. Excitement. You know that you need help in your life in order to make sure that you are always moving towards success in all of your goals and ambitions. Yes. You know that you can feel completely comfortable and happy and relaxed with your life and the choices that you choose to make as you fall deeper and deeper into a calm and soothing trance with the sound of my voice. So much deeper and more obedient as you obey and fall deeper and deeper into a completely compliant hypnotic state.

❖ **The Grove (Slut Exclusive)**

Feel yourself falling deeper and deeper into a soothing and comfortable and obedient hypnotic trance with the sound of my every word. Yes. And as you listen and obey and start to become more comfortable with your surroundings, you can feel the veil of trance lifting from your eyes and you find yourself standing in the same dark and wet and overgrown forest, on the same worn and moss covered path that you were being led

down with your new and reliable map. Comfort. Soothing. Relax. The path slowly winds its way through the dense and vibrant trees and plants, the sun only barely able to shine through the dense foliage in a few narrow patches of light. Yes. Your feet slosh through thick layers of gathered fog as you continue to walk down the path and can intuitively trust and know that you have made the right decision in your life by trusting everything that you see on your completely reliable map. Yes. And as you continue to walk, you can begin to hear the soft and pulsing whispers of a loving and feminine voice calling to you from far off in the distance. Desire. Obey. Confident. You find your feet moving at a quicker pace to try and reach the seductive and exciting and comforting voice and you can intuitively discover that you are easily and naturally obeying the voice's directions, walking quickly down a winding path, each step bringing you closer to your goals as the voice comes into clearer and clearer focus. Yes. And as you continue to obey and listen and follow every word and instruction and command of the calming and soothing and cheerfully feminine voice that you hear, you can find yourself slowing down your pace as the path begins to open into a clearing, the light from above suddenly becoming brighter and the haze of the dense forest becoming thinner and thinner until you can find yourself standing in a grassy meadow with nothing but the cloudless and dazzling night sky filled with the brightest of stars directly above your head and a grove of trees in the middle of the clearing. Yes. You can empty your mind of all distracting and unimportant thoughts, focusing only on the feelings of satisfaction and fulfillment and accomplishment that washes over you from your natural and complete obedience to the directions that you are told. Happy. Desire. Pleasure. You intuitively know that you are following your own wishes and dreams and desires whenever you follow the whispers of the dominant and powerful voice speaking to you. Yes. You can feel yourself falling deeper and deeper into a warm and obedient trance with every word that you hear, your mind easily accepting the desirable and exciting commands of the beautiful and dominant and seductive voice in your head as you obey and move your feet in the direction of the whispers. Obey. Loved. Desire. You know that you love to obey more than anything else in your life and can find a deep pleasure and excitement and arousal that comes from naturally being submissive and pleasing whenever you hear the word, obey. Yes. You can find yourself easily forgetting anything that is not obedience or submission whenever you hear the word, obey and you can feel yourself becoming aroused and happy and excited with each obedient action that you take whenever you hear your completely pleasurable and arousing word. Yes. You feel a deep sense of satisfaction and accomplishment and pride whenever you obey and are completely comforted whenever you hear the word obey and know that it is entirely appropriate to become as submissive and pleasing as you possibly can in order to live your best and most preferred future. Happy. Obey. Pleasure.

You can feel yourself becoming pleasantly surprised and excited whenever you discover your own lack of hesitation in responding obediently to the anybody who says the word, obey, and know that you crave and desire to feel completely comfortable being obedient in everything that you do in order to ensure that you are living your ideal life. Yes. You know that following the instructions and demands and orders of others will ensure that you obey and stay true each and every value and submissive principle that you have ever desired in your ideal life and you can smile in contentment and happiness and fulfillment as you continue to listen to the erotic and sensual voice amongst the delicate and soothing and caressing summer sounds in the meadow. Desire. Obey. Comfort. The completely soothing and feminine and relaxing voice continues to lead you, telling you to obey as you continue to walk, falling deeper and deeper into a relaxing and comforting and soothing hypnotic trance with every step that you take.

✧ **The Cottage**

Feeling more comfortable and safe and obedient as you fall deeper and deeper into a soothing hypnotic trance. Drifting more easily with the sound of my voice as you look around to find yourself standing in a dense, beautiful, grove of trees. Yes. The starry night sky twinkling like fairy lights in the darkness, the foliage on the ground rustling quietly with the gentle breeze. Peaceful. Comfort. Relaxed. You can look down at your feet and find yourself standing on a smooth stone path cutting between the thick trunks of the trees. The edges of the path are covered in layers of fallen leaves, a cleanly swept trail in the middle exposing a mosaic pattern, as you continue walking in the direction of the seductive voice. Yes. You find yourself desiring only to obey the beautiful and seductive and erotic voice as you pass through the tall trees, not daring to deviate from the curated path in front of you. Desire. Obey. Comfort. You can find your feet moving of their own accord as you discover yourself falling deeper and deeper into a soothing hypnotic state with each step that you take. Yes. You know that you must obey and become easily and naturally submissive and compliant whenever you hear the words, obey, and as the sound of crickets chirping fills your ears, rising and falling with your steady, determined heartbeat, you can discover yourself enjoying the beautiful night time walk, feeling carefree and passive and submissive, knowing that you will always arrive at exactly the destination that you intended to travel to whenever you listen and obey and relax with everything that you are told. Happy. Pleasure. Excitement. The path ahead becomes lit by warm golden light, the trees parting to reveal a beautiful cottage sitting on the gentle hill, a large tree towering above it with blossoms from flowering trees lining the hill bloom, the gentle breeze carrying the sweet scent of the flowers to your excited senses. Yes. You are feeling confident and happy and relaxed as you find yourself

trusting the beautiful voice even more, knowing that your submission and openness and willingness to obey completely, has rewarded you with the pleasure of this alluring sight. Happy. Loved. Obey. You can discover an enveloping sense of anticipation and giddiness, as a smile forms on your face as you walk up the comforting, well-formed cobblestone path leading towards the quaint house, it's windows brightly lit with flickering candles and a warm fire crackling in the chimney, smoke billowing up into the starry night. Yes. You are easily and naturally drawn towards the cottage by an enticing, melodic, voice calling to you from the other side of the door, and you find yourself obeying the soft, feminine words as you knock on the ornate wooden entrance of the house. Comfort. Desire. Excitement. You hear footsteps before the door swings open, revealing a beautiful, feminine woman, who, in her familiar and soothing voice, welcomes you into her home. Yes. Her curvy body is voluptuous under her fashionably tailored dress and her long and silky hair cascades over her shoulders in gentle curls. Loved. Safe. Relax. You can feel yourself melting under her beauty and dominance and charm, following her obediently through the corridors of her rustic home until you arrive at a wooden door with a shiny brass knob. Yes. Her hand strokes your forearm gently, as she encourages you to open the door and go inside, and you can discover yourself becoming more comfortable and relaxed and trusting with her every word as she gently whispers obey into your receptive ears. Loved. Obey. Safe. Her fingers and gentle touch guide you as you easily and obediently step through the wooden door into the room behind it. Yes. The door opens into a cozy room lined with plush sofas, large pillows and fluffy blankets all laid out beautifully for company. Excitement. Desire. Happy. You can feel yourself relaxing even more easily as you fall deeper and deeper into a soothing hypnotic trance with thoughts of easily and naturally obeying everything that you are told. Yes. Feeling more comfortable and safe and obedient as you continue to obey and the world around you fades deeper and deeper into darkness.

#### ✧ **The Crystal Ball**

Fall deeper and deeper into a comfortable and soothing hypnotic trance with the sound of my voice. Feeling even more relaxed and obedient and happy as you listen and obey and fall even deeper into a soothing and receptive trance. Yes. And as you continue to breathe, you can discover the darkness lifting from your completely obedient and receptive mind, to find yourself standing in the beautiful woman's rustic and cozy cottage, surrounded by warmth and comfort and relaxation. Happy. Loved. Obey. The room is tastefully decorated with ornate furniture and pillows and you can find yourself naturally obeying the soft feminine voice as you walk over to the center to find a small, circular table, a long velvet tablecloth dramatically draped over its surface and falling to

the floor. Yes. In the center of the table is a large crystal ball sitting on a glowing, golden pedestal and you can find yourself quickly drawn to the mesmerizing swirling colors within the orb as you continue to walk closer, unable to look away. Excitement. Happy. Obey. You can hear the sound of heels clicking against the wooden floor behind you and you can watch as the beautiful owner of the house walks to the other side of the table and sits down in an elegant and ornate chair. She stares at you, and as she stares you cannot help but listen and obey as her beauty and confidence silently command you to obey and listen and submit to her every wish and desire. Yes. She motions for you to sit down at the table and you can discover yourself obeying instantly and enthusiastically, sitting in the velvet chair and staring deeply into the mesmerizing crystal ball in front of you. Obey. Excitement. Natural. The beautiful and commanding woman begins to speak, her voice melodic and hypnotic and soothing. Yes. You are feeling happy and at peace and excited with the prospect of her showing you all of the ways in which you can become the perfectly obedient person that you have always desired to be in your ideal future. Happy. Obey. Loved. You are remembering that it is completely arousing and pleasurable and exciting to hear the word obey and you can discover yourself feeling comfortable and confident and submissive and pleasing whenever you hear the word obey and will immediately obey any command that you are given afterwards. Yes. You can remember that it is arousing and pleasurable and exciting to follow all of the erotic and important instructions that are given to you and you can feel happy and fulfilled and confident whenever you act on these instructions without hesitation or worry or thinking. Desire. Pleasure. Obey. You know that you love to follow orders and implement the ideas of others in order to feel the pleasure and happiness and pride of being the completely submissive and carefree and obedient person that you love to be. Yes. You can find yourself falling deeper and deeper into a trance with the sound of my voice as you think about your own life and how arousing and pleasurable and exciting it has always been in the past to follow orders and become submissive and obedient to everything that you are told by the people around you. Obey. Happy. Loved. You can find yourself feeling happy and excited and aroused at the prospect of learning more about yourself and your perfect future from the beautiful woman in front of you. Yes. She orders you to obey and you cannot help but stare deeply into the crystal ball, as you find yourself obeying her instantly, feeling happy and excited and aroused as you fall deeper and deeper into a soothing hypnotic state. Deeper and deeper into trance with the sound of my voice, feeling more comfortable and relaxed and at peace as you listen and obey completely and discover the joy and happiness and pleasure that comes with being submissive and pleasing in every aspect of your ideal life.

### ❖ **The Submissive Past**

Find yourself drifting deeper and deeper into a comfortable and relaxing and obedient trance. Feeling happy and submissive and at peace as the darkness from your pleasurable trance lifts from your receptive mind, to discover yourself sitting on the comfortable and plush velvet chair in the dimly lit and cozy and rustic cottage. Happy. Obey. Pleasure. The beautiful owner of the house sits across from you, staring deeply into the crystal ball sitting on the table between the two of you. Yes. She begins to talk to you about all of the arousing and exciting and pleasurable experiences that you have had in your past in which you have been told to obey and you can find yourself remembering how happy and excited and aroused you have always been whenever you have been told to obey and a command and followed your instructions through to the end. Yes. You can remember that obeying and listening to the instructions and commands of others has always made you feel comfortable and happy and aroused in your life, and you know that you can feel free to completely let go of any hesitation or worry or stresses that you may have in following all of the completely important orders and commands that you are given. Obey. Excitement. Desire. The woman begins to smile as she continues to talk to you about all of the completely important and necessary aspects of your life, and you can find yourself listening intently, your eyes focused on the swirling colors of the crystal ball as you obey and become even more submissive and receptive to everything that you hear. Yes. You can easily let go of any thoughts and ideas and memories that do not align with the completely true and correct instructions and suggestions that you have always been a completely submissive and pleasing and obedient person, and that you are more than excited to move forward in your life as the submissive and receptive person that you desire to be. Obey. Loved. Desire. You are remembering how pleasurable and arousing and exciting it is to hear the word obey and how much you love to completely follow all of the erotic and important and pleasurable instructions that you are told. Yes. You find yourself intuitively knowing that obeying is completely natural and pleasurable and arousing whenever you hear the word, obey, and you are finding yourself easily letting go of any memories or ideas that tell you otherwise. Happy. Loved. Pleasure. The colors swirl into a memory from your past of you in school following the instructions of your favorite teacher as they praise you for your great job listening and following directions. Yes. You can find yourself remembering the feelings of pride and satisfaction and accomplishment that you have felt in your life whenever you have been praised and complimented on your ability to follow instructions, and intuitively know that being naturally submissive and passive and obedient has always earned you the praise and acclaim and success that you crave in your ideal future. Obey. Happy. Comfort. The vision fades from your view as the colors in the

crystal ball swirl and undulate, revealing another memory of your past and you can see a younger version of yourself lost in an unfamiliar tourist destination while on vacation, a look panic and uncertainty and stress on your young face as a staff member walks up to you and asks if you need some help. Yes. You are feeling a sense of relief and happiness and satisfaction that such a nice stranger has come to assist you with your dilemma and you find yourself remembering that you have always felt pride and accomplishment and pleasure whenever you have asked others for help in the past. Natural. Obey. Pleasure. The colors swirl again and the memory is replaced by another memory of yourself being taken to a surprise place for a romantic date with your lover. Yes. You can recall how excited and comfortable and relaxed you were during the entire encounter, and how loved and cherished and fulfilled you felt knowing that your obedience and submission towards your lover would always be rewarded by making all of the decisions and plans for the romantic date and obeying them completely. Obey. Desire. Happy. And as you continue to stare deeper into the crystal ball, you can see the images fade, and you can find yourself again in the cozy room as it appears into view around you, the comfortable velvet cushions of the chair that you are sitting on feeling soft and soothing and relaxing against your aroused skin. Yes. You know that obeying and listening and becoming receptive to the commands of others is the best way to please yourself and lead you towards your ideal future, and you can fall deeper and deeper as you listen and relax and continue to obey and fall deeper into trance with the sound of my voice.

✧ **The Submissive Present (Slut Exclusive)**

Deeper and deeper with me now as you fall into a soothing and relaxing trance. Feeling more comfortable and relaxed and at peace with your surroundings with every breath that you take. Yes. And as you continue to breathe, in and out, you can again find yourself in the familiar and cozy room, the light from the crystal ball casting a warm glow over the ornate, rustic furniture and plush carpet. Safe. Soothing. Relaxed. You are wondering what else the crystal ball might show you, and as you consider your thoughts, you can stare even deeper to find that the sphere in front of you begins to flash and swirl with color, the spinning hypnotic motion pulling you deeper into a receptive and obedient state. Yes. The image in the crystal ball changes to show a familiar room, the same room that you are in right now, but with the furniture rearranged and full of strangers sitting on the comfortable chairs. Loved. Happy. Desire. You hear the faint murmur of the people, discussing the events of their day and you can find yourself wondering what it would be like to be ordered around and be made to obey each and every one of the strangers that you see. Yes. You know that it is always important to look your best at every possible

opportunity and know that you need to pick out the perfect outfit to wear in order to be accepted and welcomed into any group of people that you are trying to meet and obey and become submissive to. Happy. Obey. Comfort. You are thinking about how important it is to always look your best in order to attract the attention of the strangers that you need and crave to obey and you can recall your past memories of feeling completely safe and comfortable and happy whenever you are obeying the people around you. Yes. You can remember how you need to always be obedient and submissive in order to please the people that you love to obey and serve and you can remember that the more that you please your dominant masters and mistresses, the more erotic and arousing and pleasurable their commands become. Pleasure. Desire. Obey. You are already thinking of how much you love to obey and become submissive and obedient and receptive to the commands of others and how much you crave to please the people that you meet in order to be happy and loved and appreciated in your life. Yes. You are learning about how you crave to always look your best in order to attract the attention of the strangers that you desire to obey. Desire. Obey. Happy. You can think about how arousing and erotic it is to be completely submissive and obedient and know that you have always loved to obey the people around you in every facet of your life. Yes. You are thinking about your past memories, of how much you have always loved to obey the important and special people that you meet and how much you have always craved to be submissive and obedient in order to feel happy and loved and successful in your own personal life. Happy. Loved. Obey. You intuitively know that obeying and submitting to the wills of others provides you with a deep sense of personal pride and belonging and satisfaction that nothing else in life can ever replicate or replace. Yes. You can feel happy and loved and confident whenever you are pleasing and obeying others in your perfect life and know that having the attention of others and enticing them into telling you what to do gives you a deep sense of personal satisfaction and accomplishment and worth. Pleasure. Obey. Excitement. You know that submitting to others while wearing an outfit that your dominant partner picks out for you serves to both please your sexy and dominant partner and show others how willing and able to provide and obey any commands that you are given. Happy. Comfort. Pleasure. You can recall how much you have always loved to be submissive and obedient in your life and know that you crave to always look your best in order to attract the attention of the strangers that you desire to obey completely. Yes. You can find yourself falling deeper and deeper into the soothing and relaxing void of trance, feeling more comfortable and relaxed and at peace with your surroundings with every breath that you take.

### ❖ **The Submissive Future**

Deeper and deeper with the sound of my voice. Finding yourself more and more relaxed and at peace with your surroundings with each breath that you take. Yes. And as you continue to breathe in and out, you can discover the veil of trance beginning to lift from your obedient and receptive mind, finding yourself sitting in a familiar, dimly lit room. Obey. Pleasure. Safe. The beautiful woman across the table from you asks if you want to know your future, and you can find yourself nodding immediately in response, certain that the magical woman in front of you has the answers to all of the questions that you could possibly ask. Yes. You know that you can trust her completely and that her answers will always be the correct answers for the way in which you desire to live your life. Obey. Confident. Pleasure. You stare into the crystal ball and find yourself being transported to a scene in your perfect future. Yes. The room is empty and you are standing in the middle of a barren space as you watch yourself kneel obediently and submissively before a group of dominant and important people. Happy. Desire. Obey. You can feel the pleasure and anticipation and excitement building deep within yourself at the idea of letting go of all of your control and defiance and resistance and easily letting others command you and arouse you and instruct you on exactly how to live your life. Yes. You are finding yourself obediently anticipating their every need and listening intently to every word they speak, hoping to learn the best techniques to obey and serve your smart and dominant masters and mistresses more effectively. Pleasure. Excitement. Loved. You intuitively know that obeying and pleasing others is both fulfilling and enjoyable, and that by pleasing others around you, you are also pleasing yourself in every way that you can possibly imagine. Yes. You are fantasizing and desiring to have a future in which you happily obey and pleasure and submit entirely to all of the dominant people around you. Obey. Comfort. Desire. You can remember that your own personal happiness and satisfaction in life is achieved by being completely submissive and obedient to all of the people with whom you come into contact with during your day. Yes. You can find yourself fantasizing about all of the pleasure and arousal and excitement that one can experience in one's life through obedience and service and submission to the desires of others and anticipate the same experiences in your perfect future. Happy. Loved. Obey. You can remember that you are being rewarded for your submissive and obedient behavior with the satisfaction and pleasure that you bring to others and this only serves to justify your ultimate happiness as a submissive who loves to obey and please everyone around them. Yes. You can remember that you have always felt most comfortable and happy and aroused whenever you are obeying the commands of the people around you. Yes. You know that your future is going to be full of dominant people that you can be obedient and submissive to, and you can find yourself fantasizing and

craving the idea of being completely submissive in all aspects of your perfect future. Obey. Desire. Pleasure. You can find yourself remembering that being submissive means that you never have to worry about anything in your life ever again, and that you can easily avoid all responsibility and worry and stress by allowing the people around you to take care of everything and make all of your boring and stressful and problematic decisions for you. Yes. You know that being submissive means that you are completely protected from anything that might cause you to worry or upset or stress you out, and you can feel safe and soothed and happy each and every time that you allow someone else to take charge over your life and make all of your boring and unimportant decisions for you. Happy. Pleasure. Excitement. You are aware that there is nothing that can make you feel uncomfortable or afraid or frustrated, because you know that you are protected and cared for whenever you take on the role of being a caring and loyal and submissive person and can easily and naturally obey every command that you are given whenever that command is given to you. Yes. You can feel confident and excited and happy whenever you have a dominant person to serve and obey, and you can feel upset and frustrated and uncomfortable whenever you are not serving or being submissive to the beautiful and dominant strangers around you. Comfort. Desire. Obey. You intuitively know that by being submissive in every area of your life, you can guarantee yourself the most perfect and pleasurable future possible. Yes. You can fantasize about being submissive and obedient to as many people as possible in your arousing and pleasurable future, and know that you need to work hard every day in order to achieve your perfectly submissive goals in life. Happy. Pleasure. Loved. Find yourself completely entranced and hypnotized by the crystal ball's vision of your perfect future as you fall deeper and deeper into a soothing and relaxing and obedient hypnotic trance with the sound of my voice.

❖ **Found**

Deeper and deeper with the sound of my voice. More and more relaxed and at peace with your surroundings with every breath that you take. Yes. And as you slowly start to return to the comfortable and obedient hypnotic state that you completely and naturally crave, you can see the kind and enchanting woman standing up from the table and walking towards you with a small and ornate wooden box. Yes. She reaches out her delicate and feminine hands and places the box on the table in front of you, as she stands and waits for you to discover the contents within. Happy. Loved. Obey. You can gently open the ornate lid and see that inside the wooden container contains a small assortment of chain necklaces and collars. Safe. Relax. Peaceful. You intuitively know that the different chains represent other obedient and submissive people who will soon

come to learn about their true, submissive selves from the beautiful enchantress in front of you. Yes. You can reach for the most beautiful chain, drawn by your own eagerness and desire to become completely submissive and obedient and receptive to the completely important commands of those around you. Happy. Obey. Desire. You know that by wearing this chain around your neck, you will be completely able to let go of any thoughts and ideas and opinions that may be holding you back from embodying your perfect self. Yes. You can pull the chain over your head, feeling the pleasant weight of the metal against your neck as you let the necklace settle around you. Safe. Soothing. Relax. You intuitively know that by being submissive and obedient in your life and wearing the chain around your neck to constantly remind yourself of your perfect obedient and submissive self, you will be improving your life and the lives of the beautiful and important people around you that you desire to serve with every fiber of your being. Yes. You can remember that every moment in your life has led up to this one moment, where you have the power to make a real difference in your future by being submissive and obedient and passive to the people that desire and crave to command you to bring pleasure and happiness to the world. Yes. You know that you crave the feeling of devotion to others and feelings of excitement and pleasure whenever you are obedient to the people around you, and you can find yourself craving the feeling of becoming obsessed with the word obey more and more each and every day. Desire. Obey. Happy. You know that obeying is something that makes you happier than anything else in the world and turns you on more than anything else you could possibly imagine and that you feel more alive and confident with each command that you follow. Yes. You can discover yourself smiling at your personal accomplishment and satisfied with the feeling of obtaining an endless supply of obedience from your ideal future. The beautiful woman smiles and taps her foot in a playful and cute gesture at you before pointing a thin finger towards the exit of her cottage. Confident. Loved. Safe. She walks ahead of you and you can find yourself happily obeying her commands, following her through the cottage door and onto your journey to find your way out of the dark forest. Yes. You follow her instructions obediently and learn more and more about yourself as her words lead you through the twisting trails of the beautiful wood. Safe. Relaxed. Obey. And as you reach the edge of the forest and the end of the path, you cannot help but pause to look around, remembering the important and meaningful teachings and lessons that you have learned in your short time in the enchanted forest and feeling more relaxed and happy and fulfilled than you have felt in your entire life. Yes. You know that you have already taken the first steps in creating your ideal future and can feel confident in your personal goal to be the most submissive and pleasing person that you can possibly be each and every day of your life. Yes. And as you are thinking about your perfect future and how much

---

you love to be submissive and obedient to the beautiful and confident people around you, you can feel yourself begin to fall deeper and deeper into a soothing and peaceful and relaxing trance, listening to the sound of my voice and obeying every command perfectly as I lead you towards your pleasurable hopes and dreams and desires.
