It can sometimes be hard keeping your sexy feelings and emotions and desires at the forefront of your mind when you are constantly tugging on your disappointingly hard clitty and ruining the delicious pleasure and desire that comes with being in complete control of yourself. Maybe you need a little extra help hiding that embarrassing package underneath your beautiful, feminine, outfits while you are out for a night on the town. Perhaps you're trying to work up the motivation to be fucking in your horny sissy hole while your lover dominates you like the submissive little bottom bitch you've always wanted to become.

Through this file, you will learn the basics that every slut needs to know in order to cage her little clitty and keep her horny and receptive to anybody that wants to use her like the adorable fuck toy she loves to present herself as. Start to lose confidence and turn into a complete, inconsolable mess if you are ever caught in public without your comforting chastity cage properly in its place. Start to love the idea of showing off your caged cock to everyone interested, and gain more and more pride in yourself and your own personal resolve the longer you keep your cage on. Wear your chastity with pride while you bend over for any hunks interested in using you like the willing slut you were always meant to be.

Start planning for your perfect life tomorrow by caging yourself today. Learn to love your caged clitty while you think of all of the mind-blowing girlygasms you are setting yourself up for in your future.
