Howdy, Sally-girl. You're lookin' fine today! Ah reckon we're here for the same reason?

Good morning, Bunnie! So Nicole summoned both of us here? You're looking pretty polished yourself, too!

Hee~ Alright Nicole, we're both here. What can we do for you?

Aww, thanks! *SMACK!

Heavens, sounds fun! You want us to infiltrate Ol' Eggy's base? Scope out the island's volcano?

...I have called you here to ask for your physical assistance.

FZZZT! Connection stable... Good morning, girls! Well...

As a matter of fact, I have a very special reconnaissance mission for you two!

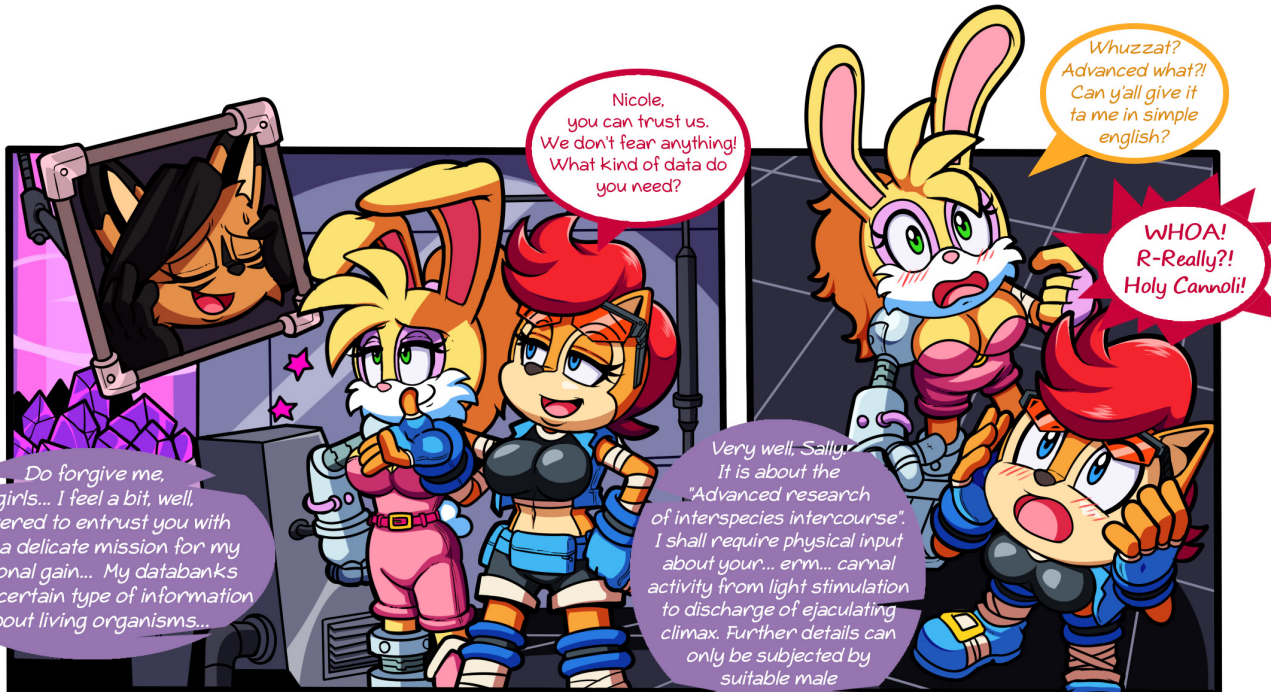

Formidable suggestions, Bunnie. However, this case does not require

We already did that last week, remember? Nicole wouldn't make us run errands, this must be a personal matter!

Affirmative, Sally!

Gosh, ah wonder what it could be?

Nicole, you can trust us. We don't fear anything! What kind of data do you need?

Whuzzat? Advanced what?! Can y'all give it ta me in simple english?

WHOA! R-Really?! Holy Cannoli!

Do forgive me, girls... I feel a bit, well, flustered to entrust you with such a delicate mission for my personal gain... My databanks lack a certain type of information about living organisms...

Very well, Sally. It is about the "Advanced research of interspecies intercourse". I shall require physical input about your... erm... carnal activity from light stimulation to discharge of ejaculating climax. Further details can only be subjected by suitable male counterparts.

The collected data will be computed and stored accordingly.

Giggle It means that we're going to have to jump some studs and record our experience with'em!

I have prepared these special chips, equipped with a transfer function and a storage unit. Please place them on your jugular, as it will record your heart rate, blood pressure, pulse and so on.

HOT DAWG! Ah sure am up fer dat, sugah! Nuttin' like a proper edj-cation, that's mah kind of homework!

Leave it to us, Nicole sweetie. Now we only need to find some bona fide fellahs!

This way I can record your experience ad statim. Whatever you feel during action shall be directly transmitted to me! Once the data is compiled, please return to me and share your personal impression.

Hmmm... Don't worry, Bunnie. I believe I've found our... Ideal test subjects. This is gonna be fun!

I think I could go for the True Blue. Can you handle the Rad Red?

Ah ain't made'a fluff, Sally-girl! Leave him ta me!

What a beautiful day to do nothin', eh Knuckles?

Yeah, to do nothin' but beeing it up! And by that I mean hitting Meh Burger later!

What lovely test subjects you've chosen, girls! I am positively ecstatic to begin the analysis!

Hi, girls! Whatcha up to?

Come along, handsome... We've got some touchy matters to attend to...

Sounds cool. Tell me what you have in mind, Sal!

C'mon, Sugah. We gits sum testin' to run on y'all...

A test? Aw, man! Is it gonna be hard? I flunked recess, ya know?

Good luck... Sally and Bunnie! I will be monitoring your stats from the HQ server, be sure to exercise variety and fervor!

No problem, Sal. I just ask the artists to give me an awesome package for the rest of this sequence and we'll be ready to rock, starting next panel! Artists, do your thing!

See? Is this amazin' or what?

Thanks, guys!

Now you know what this is all about. But I guess there's one problem... How're we gonna do it with you lacking... um... the tool?

Oh wow! It really worked!

Loading recording software, Sally! Initiating measurements for blood pressure... 130 to 85... raising stats... Male genitalia level... Five out of Seven... Male compatibility assessment... approved. You can commence the coitus now.

Let's get down to business - and I DO mean it literally!

Whoa! You sure caught on fast, girl!

I never hesitate to enter the mission! *Mmmhh*

Oh! Oh wow...

Accumulating data of touch, taste and heart rate... This feels incredible... Please proceed, Sally!

Oh my! What splendid position you've chosen to satisfy each other's needs! I am recording 31% tension buildup, and still rising...

...The taste recording alone is outstanding... A high rate of tactile pleasure... Please do go on, Sally! The physical data is outstanding!

Slurp! Mmm.. Like my smooth buns, handsome?

Lick! Yeah... *Lap!* and I really dig the peachy filling!

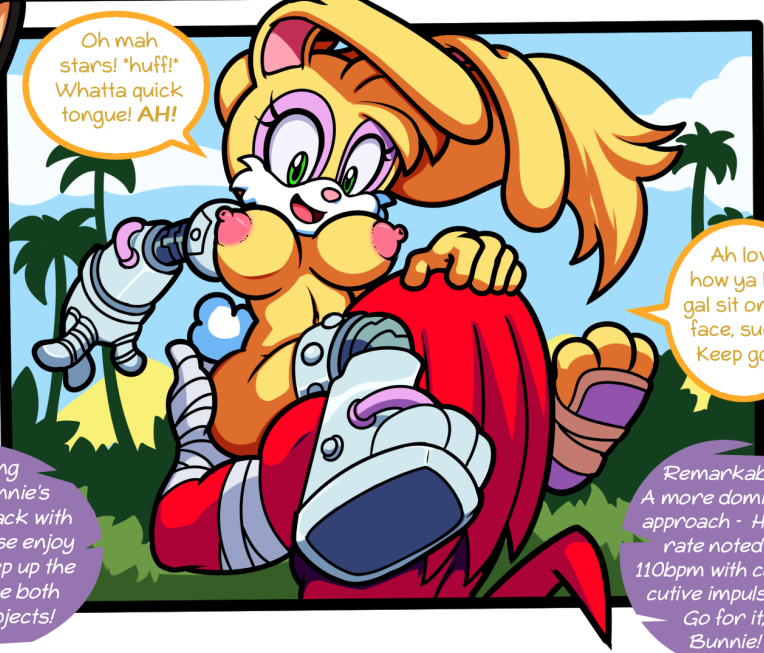

Aaagh... AH... Ahhnnn... Yes! *gasp!* Please don't stop... OH! Sonic... So good... Aagh! I... I'm coming... OOH!

MMM! Yeah... Agh... Damn, Sal... OH! Your butt... is freaking sweet... Mmmh... So soft... AH! I can... feel it... too.. HNNGH!

So far, I have been very delighted about your gathered experience - The accumulated feels are starting to get me tingly....

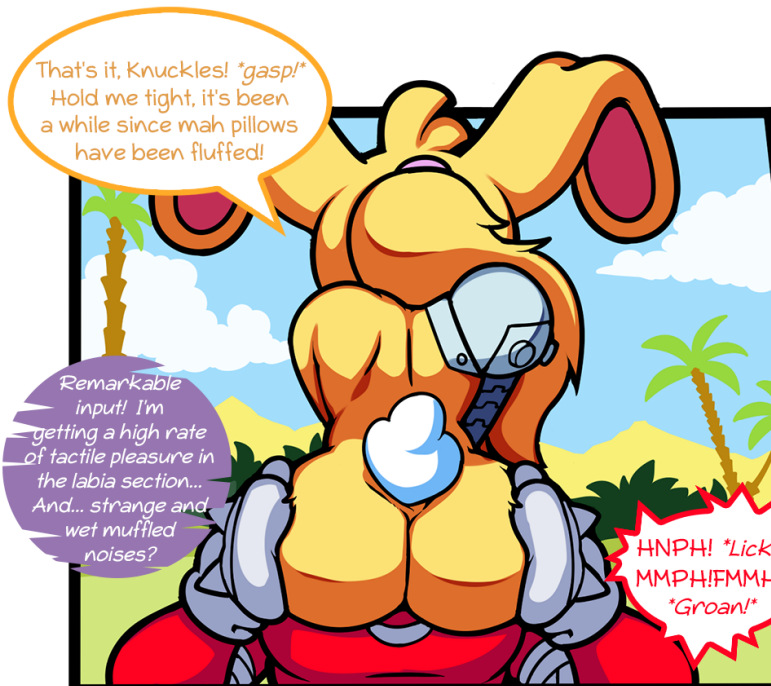

Oh! Incoming data from Bunnie's test run. I'll be back with you shortly, please enjoy yourself and keep up the data flow! You're both exceptional subjects!

Oh mah stars! *huff!* Whatta quick tongue! AH!

Ah love how ya let a gal sit on yer face, sugah! Keep goin'!

Remarkable! A more dominant approach - Heart rate noted at 110bpm with consecutive impulses... Go for it, Bunnie!

have been fluffed!

Remarkable
