

# Training with Big Sis

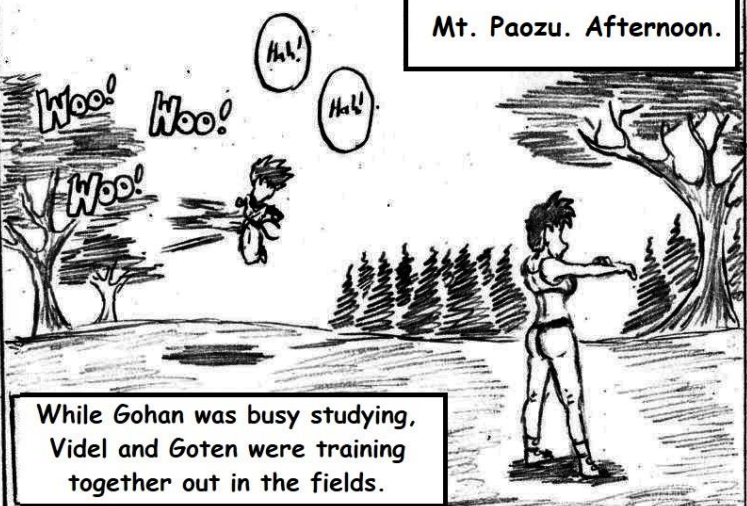

A Doujinshi by  
*TheWriteFiction*

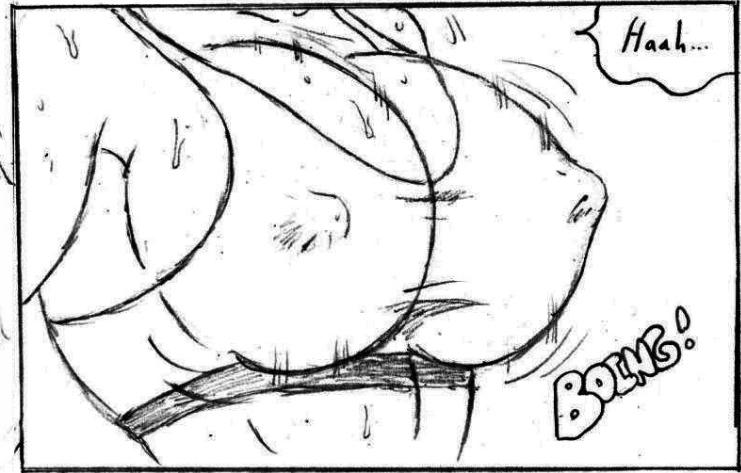

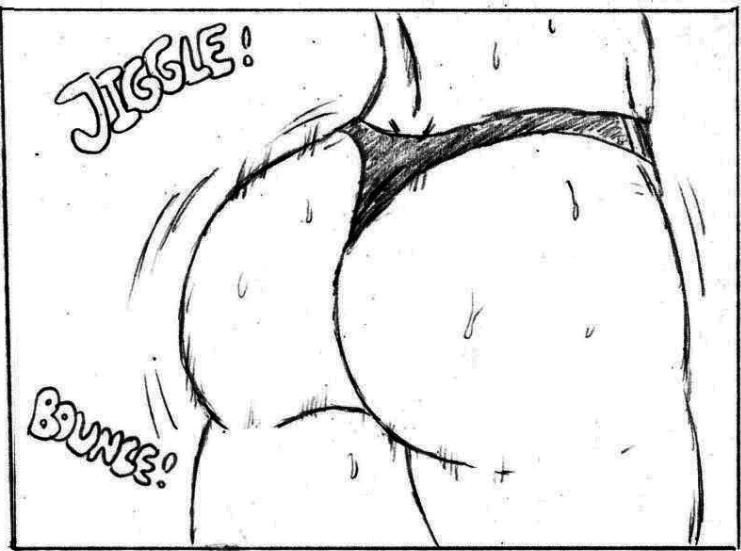

Mt. Paozu. Afternoon.

While Gohan was busy studying, Videl and Goten were training together out in the fields.

Hey, big sis! It's starting to get really hot out here! Can we go wash off at the lake?! I'm all sweaty and dirty from training all morning!

Sure thing, little bro! Let's go!

Woo! That was a good session. I'm beat.

Come on, Goten!

Do you want me to help wash you?

The dirt is washing off so easily.

Haah... the water's nice and warm today.

BUYO!

BUYO!

SCRUB!

Oh? Y-Yes! please. That would be great.

O-Okay... yeah.

Alright! I'm all ready, big sis Videll!

Let me just take this off...

SLIP!

So... this is what a boy's penis really looks like?

GURP!

Oh?

Just be careful.

SPASH!

Ah... wow... Goten's thing looks so  
adorable. I... I wonder if Gohan's is  
different. P-Perhaps...

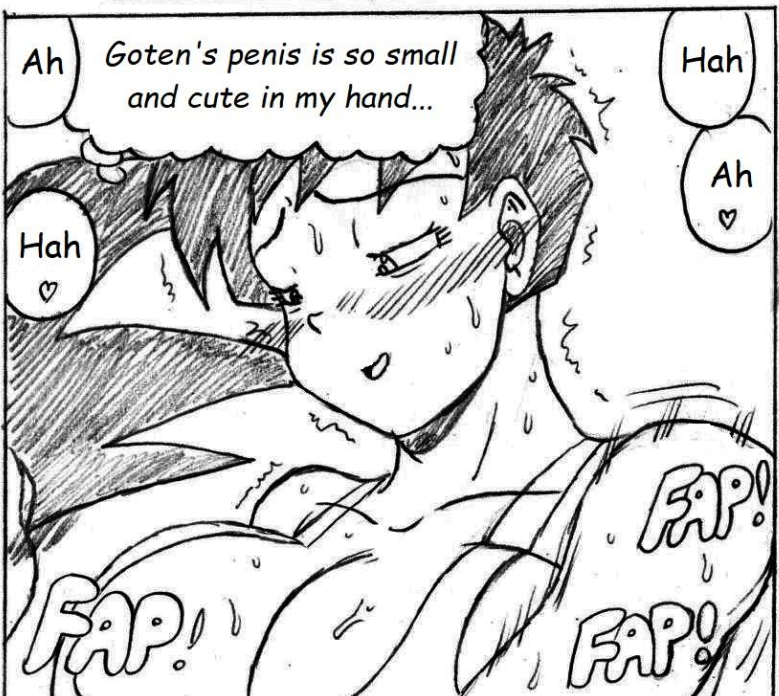

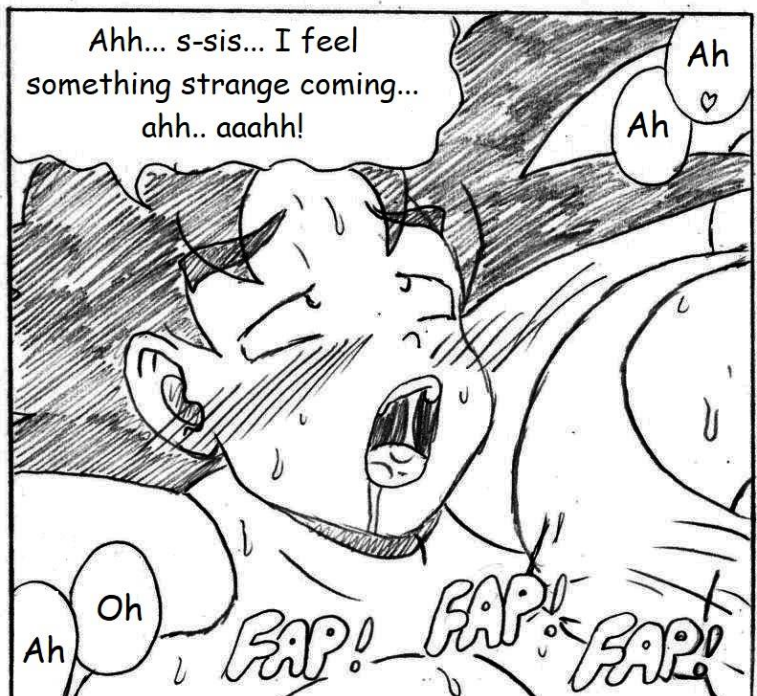

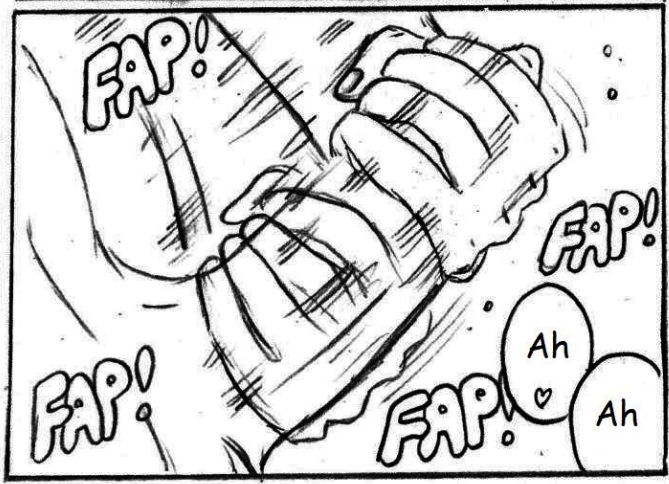

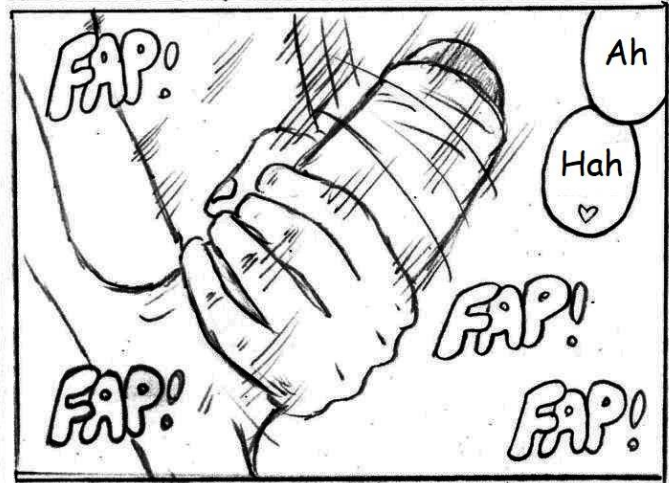

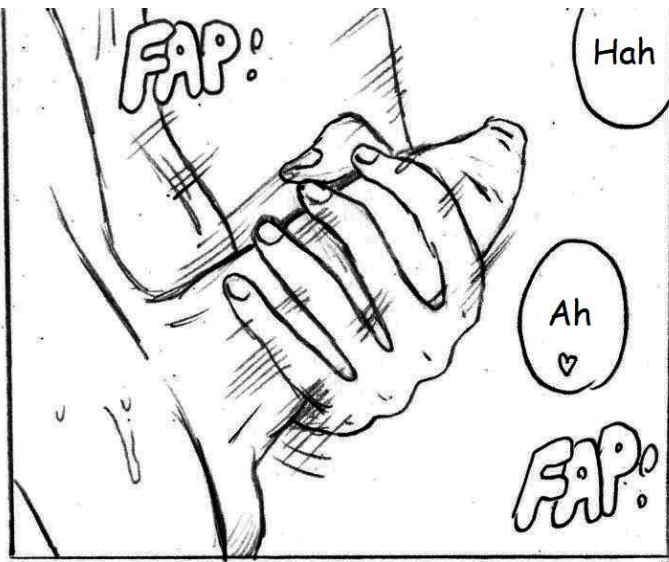

Goten? Have you made sure to wash  
yourself properly?

Hm? Uhh... I think so.

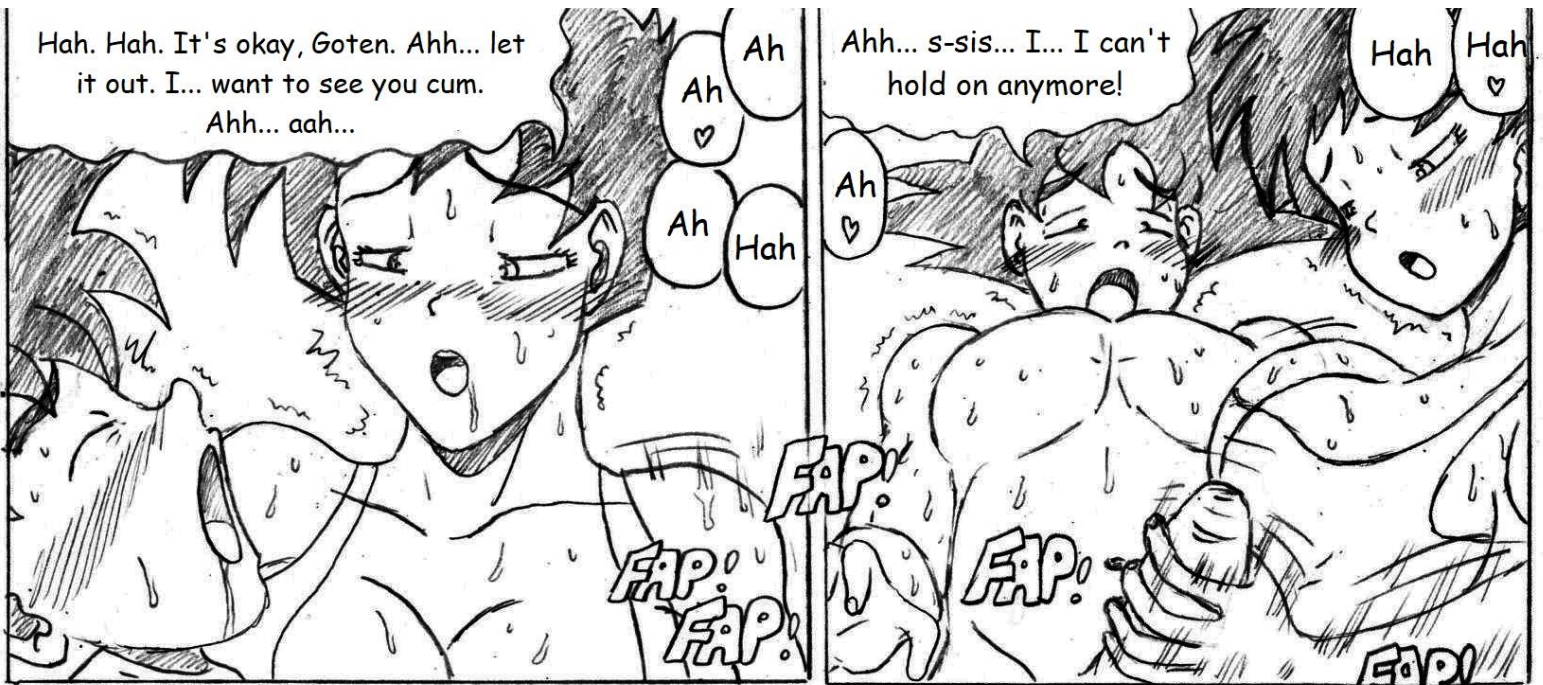

Hah. Hah. It's okay, Goten. Ahh... let it out. I... want to see you cum. Ahh... aah...

With Gohan fast asleep at his desk...

Videll went with Goten to his room.

That evening.  
The Son Household.

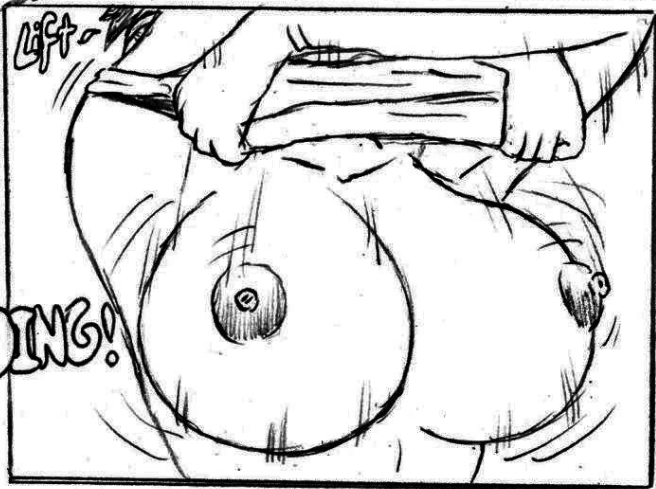

Now we can  
continue what we  
started at the  
lake.

Mnnh...

It's okay. You can look all  
you want, cutie.

Wow.

Oh...

What do you think, Goten? Do you like my body?

BYO!

Because you're so sweet, you can play with my body all night, as much as you like.

Fufu. I'm happy to hear that.

Y-Yeah. Your body looks awesome, big sis. Though... I always thought you looked really pretty.
