

TSEVVR 1

I finished the presentation.

Great~

Huh, Yuka looks sexy~

...

**Would be amazing
to have her as a
girlfriend.**

**But I should stop
daydreaming. There
is no way for me.**

**Still, she is really
really sexy.**

**And then her face.
It's just perfect.
Those eyes~**

**She got the
perfect
bust size.**

**Then her beautiful legs
with black stockings.**

A person wearing a dark brown, double-breasted suit with gold buttons is shown from the waist up. The person's right hand is tucked into their pocket, and their left hand is held out to the side. The background is a blurred office environment with a desk, a computer monitor, and bookshelves filled with books.

**Well, she doesn't
know that I like her.**

**and that I took some
photos of her.**

**There is
just no way
for me to
get her.**

**Especially with my looks.
I really regret the
all nighters I did.**

After work

**A package from
Shiyin Corp.
... I didn't order
anything.**

ShiVR

ShiVR ...
A VR headset?

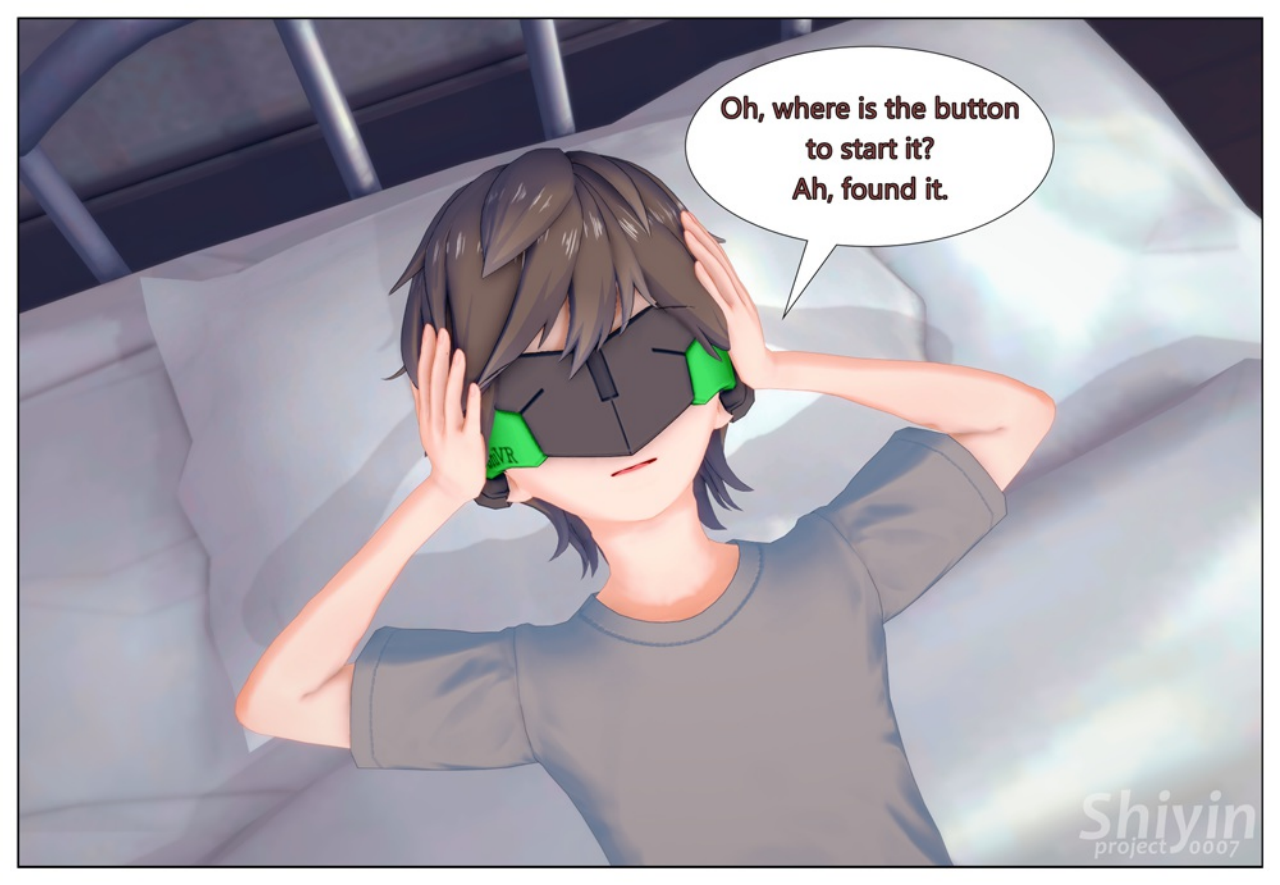

**This looks high tech.
Almost too high tech
to be real.**

A hand in a black suit sleeve holds a green and black VR controller. The controller has 'ShiVR' written on it. In the foreground, an open cardboard box also has 'ShiVR' printed on its side. The scene is set in a room with a window showing a sunset and light blue curtains. A speech bubble above the hand contains the text 'ShiVR ... Let's test it.'

ShiVR ...
Let's test it.

I guess you have
to put it on.

A character with dark hair is shown from a high-angle perspective, wearing a grey t-shirt and a black VR headset with green accents. The character has their hands pressed against their temples, looking frustrated. The background is a bright, hazy environment with some structural elements.

Oh, where is the button
to start it?
Ah, found it.

... Huh?
w-why am I
... so tired ...

Huh?
Where am I?

Welcome to ShiVR

For real?

**In this World,
everything is possible.**

My body?

**But before you can
enjoy this world,
check your body.**

A white, stylized robot is lying on its back on a white, circular mat. The robot's arms are raised, with its hands open and palms facing up. The robot's face is obscured by a black circle, and its torso is visible, showing a small navel. The background is a blue and teal checkered pattern. A speech bubble is positioned above the robot's head.

**Huh? What ...
the heck?**

**What you can see
is your digital *placeholder*
body.**

I-I see.

**If you feel normal
and you find no problems
then say "continue".**

Hm, I didn't even
notice this body.
So I guess continue.

Good.

Let's get started.
A new screen will appear
in front of you.

**This will be your console.
You can decide your sources
and scenarios there.**

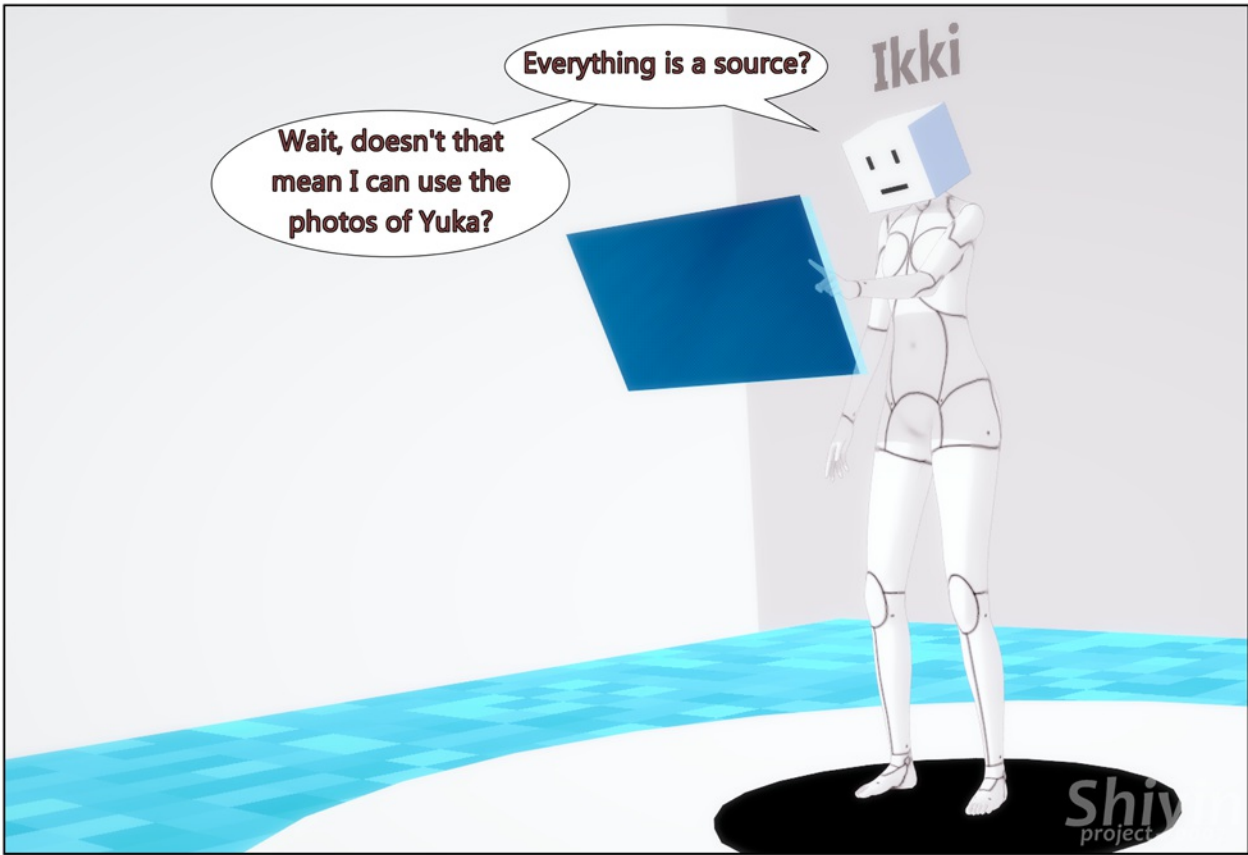

**Anything is a source.
photo, videos, games, novels,
drawn, real, 3D, everything**

Everything is a source?

Wait, doesn't that mean I can use the photos of Yuka?

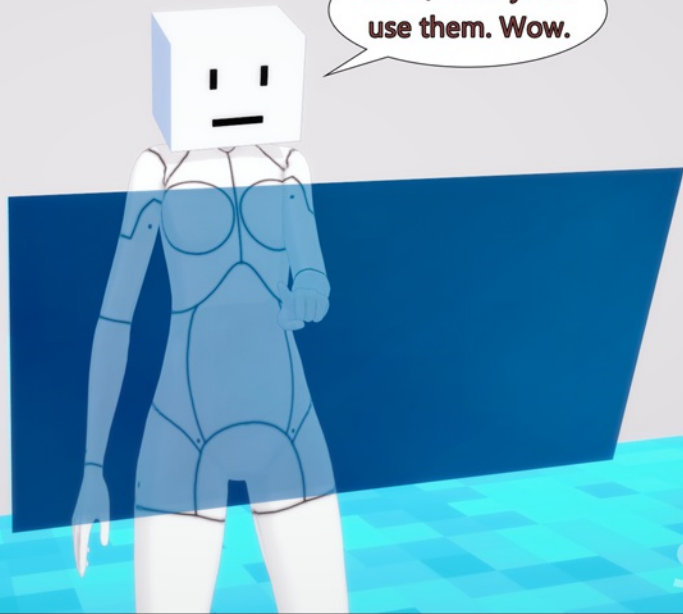

Ikki

shiv
project

Ikki

**Wow, I really can
use them. Wow.**

Ikki

Hmm, everything is a source,
let's add some doujin pages.

Oh, this got a cute

Yuka in a maid outfit?!

And done.

Scanning Sources ...

Done.

Creating Character ...

W-Wow.
This ... it looks exactly
like her.

She looks too real.
This can't be true.

Adjusting to scenario ...

Hm? Scenario?
Oh, right. The doujins.

Doesn't that mean
she will wear a
maid outfit?

Adjustment done.

**W-Woah!
SHE IS SOOOO CUTE!~**

Character Preview

Adjustment done.

This is just unbelievable.

Character

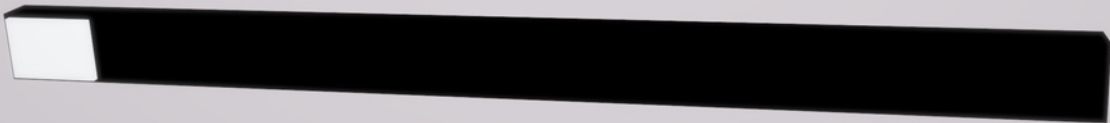

A character with brown hair, wearing a white dress with a black collar and a small crown, stands on a white circular platform. The platform is on a blue checkered floor. The background is a light gray wall.

**I can't wait any longer.
Let's start the scenario.**

Start?

Generating world ...

Generating world ...

World generated.

Start!

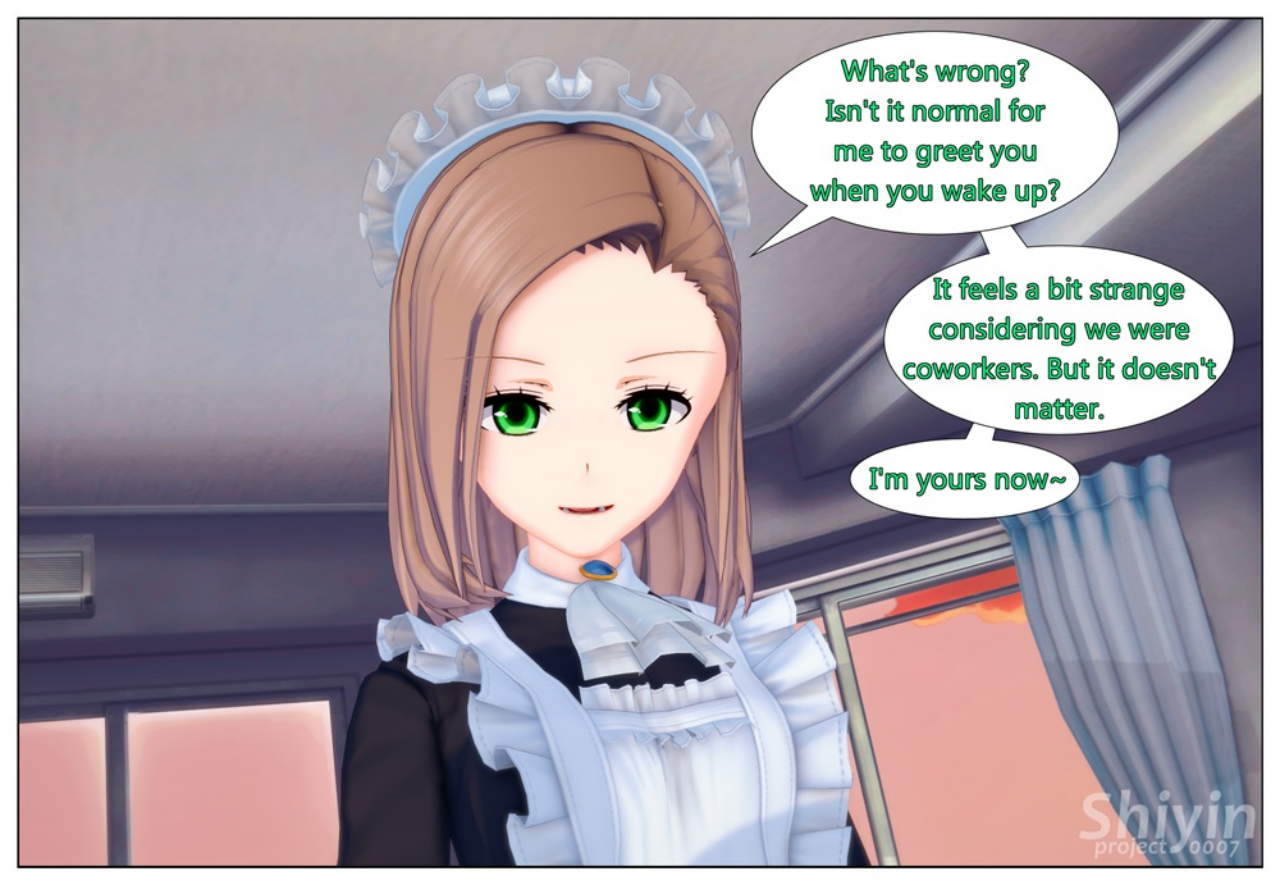

Huh?!
W-Wha? Wasn't I?
Huh?

A 3D-rendered anime-style character, a woman with long brown hair, wearing a white maid uniform with a black bodice and a white apron. She has a blue headband with white floral decorations. She is standing in a room with large windows showing a sunset. Her eyes are closed, and she has a gentle smile. A speech bubble is positioned to her right, containing the text "Ah, you're awake, master~".

Ah,
you're awake,
master~

**Y-YUKA?!
W-WHA?!**

What's wrong?
Isn't it normal for
me to greet you
when you wake up?

It feels a bit strange
considering we were
coworkers. But it doesn't
matter.

I'm yours now~

Your mine?
W-What can I do?

You can give me any order.
I'll do anything for you.

But first of all, Master.
Can you drink this?
It will help you relax.

Sure.

Shiyin
project 0007

How are you feeling, master?

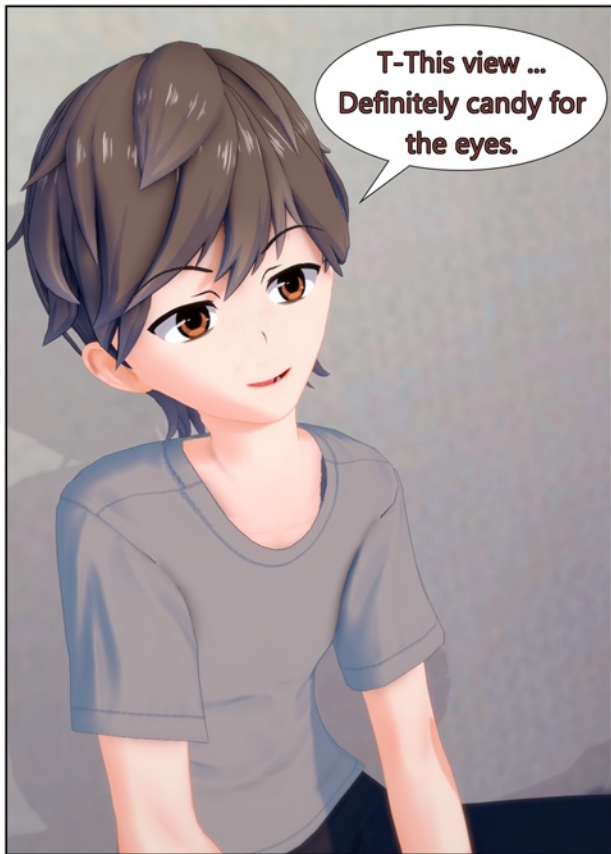

O-Oh. Yeah. I feel better now.
Thanks for the tea.

So ... I can give you
any order and you'll
do it? No matter what?

Hmm ...
Because you're a maid,
you can start cleaning
this room.

A 3D-rendered anime-style character, likely a maid, is shown from the chest up. She has long, light brown hair and is wearing a white maid outfit with a blue ruffled headband and a blue choker. Her eyes are closed in a content or obedient expression. A speech bubble is positioned to her left, containing the text "Understood~ No problem, master~". The background shows an interior room with a window and curtains.

Understood~
No problem, master~

Master~
I'm done~

Hm ...
You said everything, right?
Change to your work clothes.

Let's do a photo
session without camera.

Great~
This is amazing~

Change into a towel
only next~

Like this, master?~

W-What do you think?
Am I sexy, master?~

Y-Yuka?!

Hehe~

Yes~
You are absolutely
stunning!

Huh?

I ... feel strange ...

Shiyin
project 0007

Huh? What happened?

Yuka was in front of me and then ... huh?

A photograph of a ceiling with a light switch. The ceiling is a light, textured color. A white, rectangular light switch is mounted on the ceiling. The switch is slightly recessed into the ceiling. The lighting is soft and even. In the bottom right corner, there is a white speech bubble with a scalloped edge containing the text "My ceiling ... why am I ...".

**My ceiling ...
why am I ...**

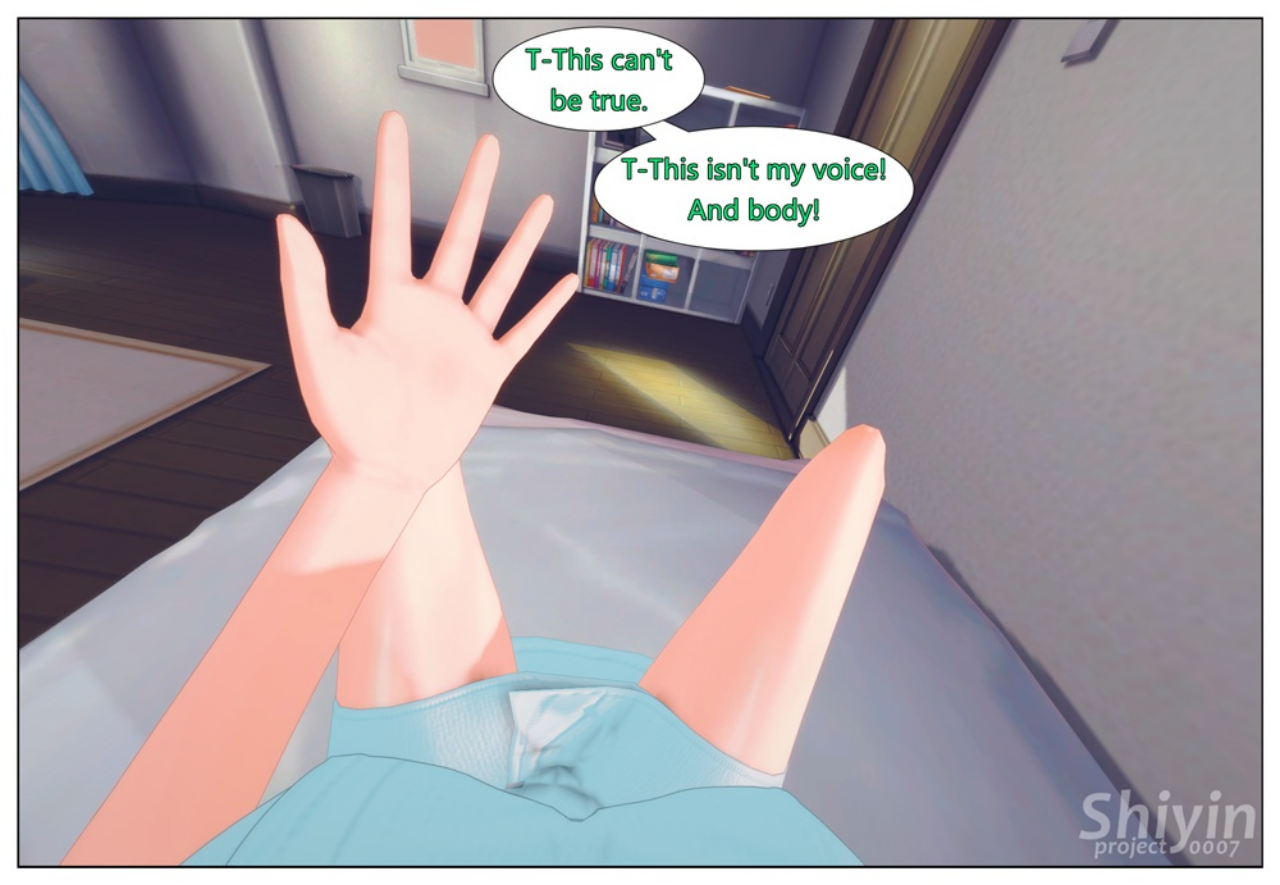

Hmm.
So it was really just a dream.
I never got a ShiVR.
... but it was amazing.

*Huh ...
Yuka was really cute in that maid outfit
... huh?*

Wha?!

T-This can't
be true.

T-This isn't my voice!
And body!

Such delicate fingers.
They look really feminine.

A-And I have breasts ...
This can't be true.

I know this voice.
This sounds like
Yuka. And I'm wearing
a towel, like she did.

I AM YUKA?!

Okay okay okay.
R-Relax.

W-Woah.
Her arm is really soft.

... and this smell.
I just noticed it.
I smell really good.

S-So this is her view.
It's strange, but amazing.

I feel everything from her.
Her slender and long legs.
The towel barely covering
her private parts.

W-Wait ...
private parts ...

I-It's really gone!
There is nothing!

This feels interesting ...
... I'm Yuka right now,
so it should be okay,
if I ... take a look ...

Yeah, there is nothing
wrong with it. I'm just
looking at my own body.

W-Woah~~

S-So these are
Y-Yukas breasts.
T-They're beautiful.

T-There is nothing wrong,
if I want to masturbate.
Everyone masturbates, s-so ...
I can do it too, right?

I'm repeating myself,
but Yuka's body is really
beautiful.

**I never thought
this would be my first
time to see a girl naked
in real life.**

T-This is the place,
r-right?

Mhm~
T-This feels good.
J-Just touching feels
already good~

T-This feels too good~ Faster~ More~

A 3D-rendered female character with long, light-colored hair is lying on a bed with a light blue sheet. She is wearing a small, light-colored bra. Her legs are spread wide, and her hands are resting on her thighs. A large, white, jagged speech bubble is positioned in the center of the frame, containing text. The background is a dark, greyish-blue with many black, radiating lines, suggesting a dramatic or intense scene. The overall style is reminiscent of a 3D anime or hentai illustration.

A-AH!
S-Something is coming!
I-I'm coming!!!!~

Aaaahhhhhh~

W-What just ...
I came. This was
amazing ...

I never thought
it would feel this
good ... but my legs
are shaking ...

Huh?

I see~
You had some fun
without me,
master~

But that's not good,
master~ Masturbating
is nothing in comparison
to sex~

M-ME?!

Hm, but it will help
if you're already wet~

Stop!
D-Don't come
here!

Oohh~
You're already burning,
that's perfect~ And look
at that. You're still wet~

I-I can't move ...
I'm too exhausted ...

S-Stop ...

**Huh?
You have to speak louder, master~
I can't hear you~**

**I-It's inside me.
My penis is inside me!**

Master~
You're really tight
right now~
This feels good~

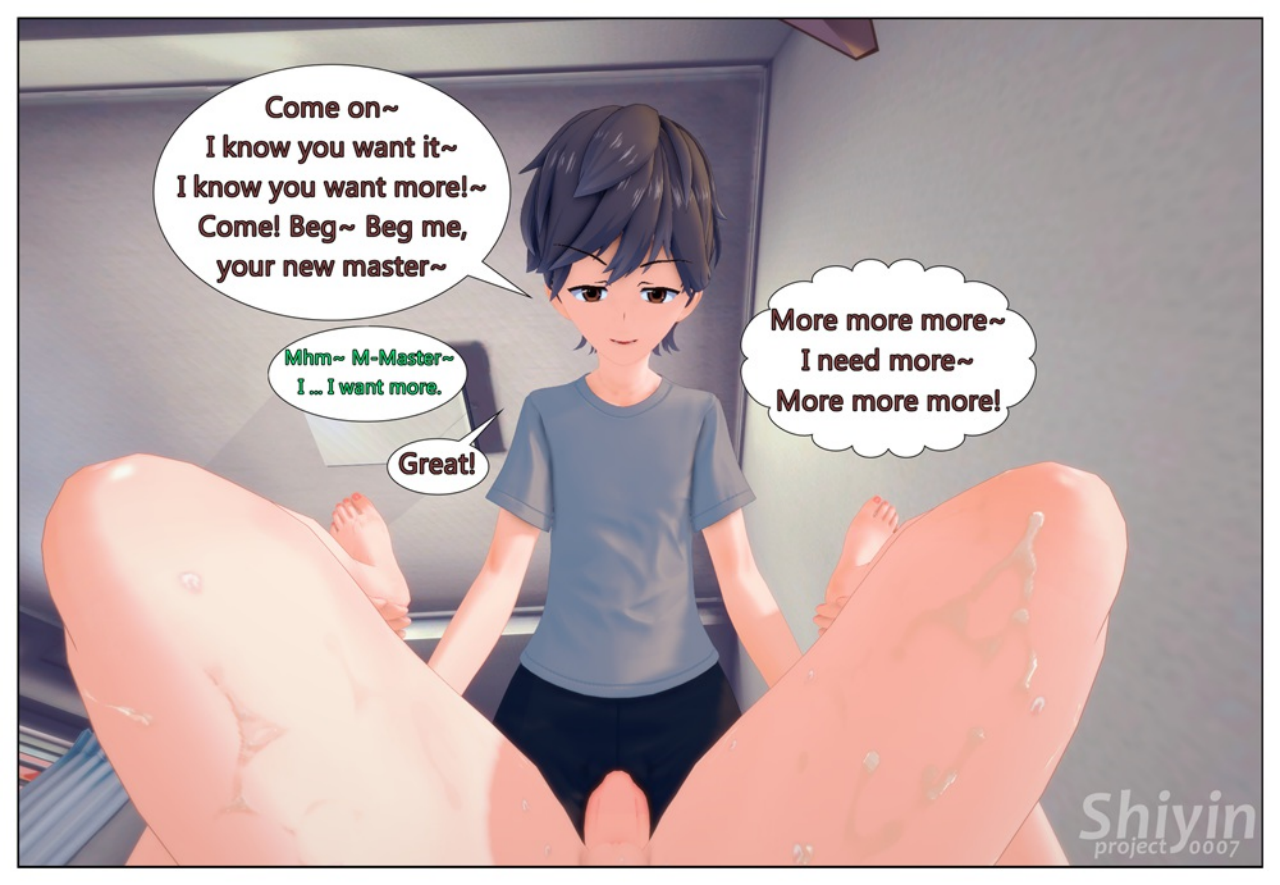

I can't think ...
feeeeeels tooooo
gooooood ...

Let's do it faster!~

Ah~
more ... please ...

... tooo good ...
it feels tooo goood ...
I want more. more~

**Come on~
I know you want it~
I know you want more!~
Come! Beg~ Beg me,
your new master~**

**Mhm~ M-Master~
I... I want more.**

Great!

**More more more~
I need more~
More more more!**

I'm coming!!!!

M-Me too!

Hehe~
Now you know who
is the real master~

Y-Yes ...
I-It's you, master~

Master's penis ...
felt too good.

Time for round 2
then!~

Yes!~
More~

Huh?

**You reached the end
of your scenario.**

W-What?

Loading Lobby ...

Scenario closed.

... Huh?
W-What did I do?!
That was really close!
I even called him
master!

***If you want to leave ShiVR,
look to your left side and concentrate on the exit sign.***

***If you want to continue, take a look at your right side
and concentrate on the controller.***

**It felt really good,
but now that it's closed,
it was way too dangerous.
I need a break.**

Oh? So I can start
a new scenario there.

Ah, the exit.
Let's leave.

Mhm ...

So it all was just
in a virtual world ...
This is amazing.

It was way too
realistic. Yuka was
way too real, too.

And if I can use anything
as a source, the possibilities
are endless.

**And to be a girl ...
I never really thought it would
be this good.**

**Isn't there a whole
genre around that?**

**I think
I need to look up
some doujins I never read
before~**
