After this, Jinpei-senpai sometimes dropped in on me, and slept with me...

Thus it was that we first met and I first got laid with a guy...

YAWN...

See ya!

Every time we met,
he asked me to be
his boyfriend.

But he never forced
me to make an answer.

As for me...

It's true that
I loved him,
but it was not
that I was in
love with him....

I loved getting
laid with him,
and was attracted
to his unique charm.

Though I thought he had
forgotten about me...

After his graduation,
the delicate relationship
faded away...

Bye!

Just kidding! **HAHAHA!**

Why on earth did he come to see me today!?

I didn't expect to see you here!

No wonder you smell like alcohol ...

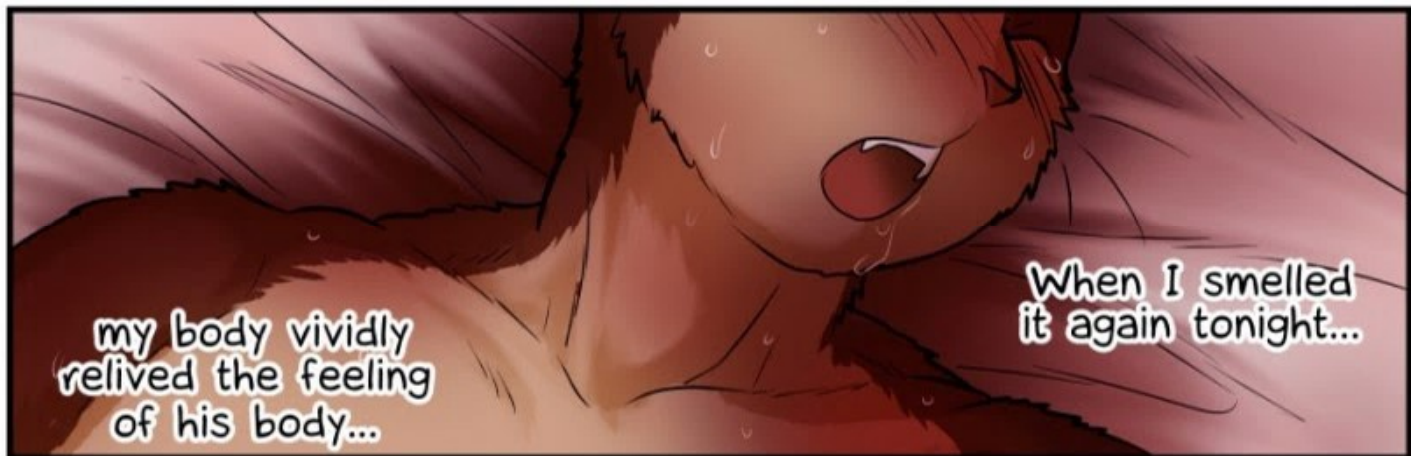

This evening I drank with my Friends From university near here.

So I'm taking a walk to try to sober up.

He used to often come to sleep with me after drinking.

I liked to be surrounded by the smell of alcohol and his fur.

When I smelled it again tonight...

my body vividly relived the feeling of his body...

I'm going out with Tanuki...

Now, my situation has greatly changed.

But...

My body is too honest...

I can't say that I'm living with my boyfriend...

Uh... Sorry Not today...

What should I do...

Hey, don't tell me you are living with someone!

Why?

Wow! You got it!

N-No... It's not that

Oh yeah! You live near here, huh?

Let me take a rest at your apartment!

Eh? My apartment!?

For a little while!

Oh!? W-Wait! Senpai!!

Then, you'll have no problem with that!

Yes! The door is locked!

Shhhhh!

Hmmm This old apartment never changes a bit!

Just a little! OK?
