Rudy, Dakota...

Many thanks for the invitation, Bernie.

Come in, another guest is already here.

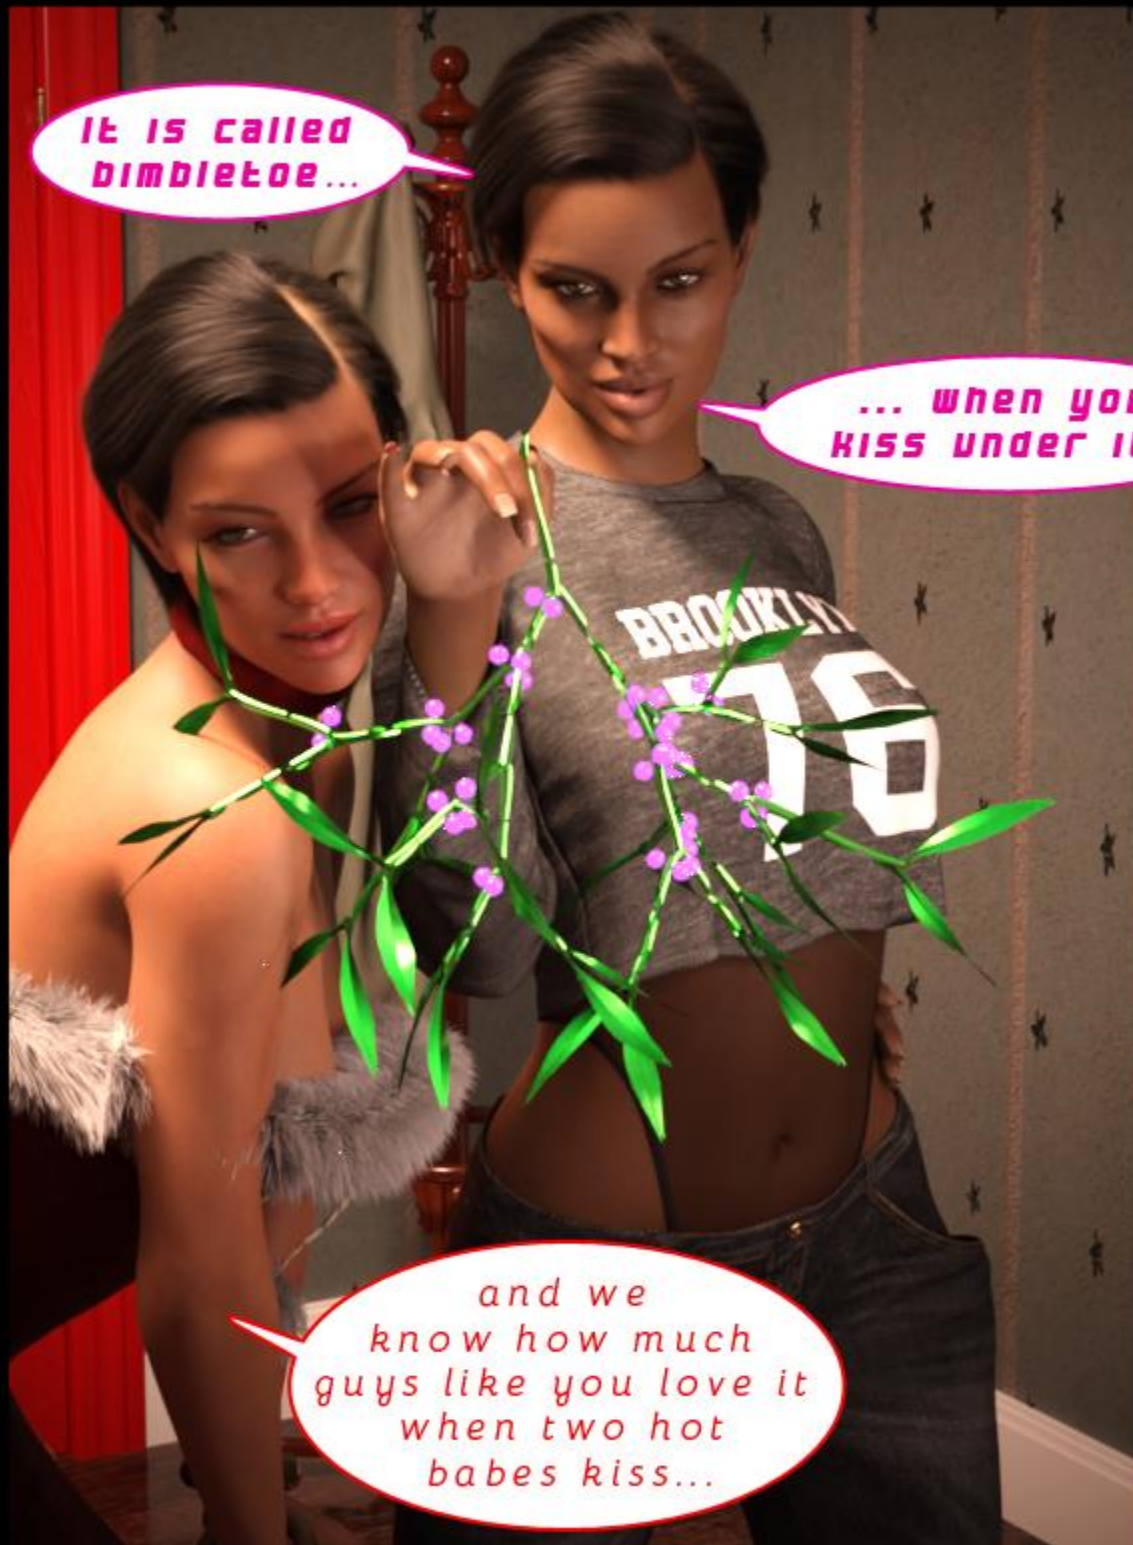

What's up, Bro. Nice to be here...

# The Bimbletoe

Rudy found something special in a wierd store.

Spells 'R' us... was a fucking weird place, with an old guy in a bathrobe... but I liked his idea of it.

It is called bimbletoe...

... when you kiss under it...

and we know how much guys like you love it when two hot babes kiss...

# The Bimbletoe

# The Bimbletoe

# The Bimbletoe

# The Bimbletoe

I want to, like,  
dance all night and  
shake my booty  
...

\*giggle\*  
shaky shaky teeneee  
shake de boobies!

Wow... Now  
I can go into the  
new year happy... that I was  
allowed to see something  
so awesome.

By the way  
girls, Our guest is  
still waiting in the next  
room. Won't you say  
hello to him?

# The Bimbletoe

with the next...*

*\*knock\**  
*\*knock\**

# The Bimbletoe

Ohhh, Hi Kimberly.  
Every new guest is welcomed  
with a kiss under the mistletoe. Is it  
okay for you if I kiss you?

Hi... What? You  
really want to  
kiss me?

Ohhh...  
I truly want \*snort\*  
a kiss from you,  
Bernhard.

There can't  
be enough bimbo's in  
this world... Welcome to  
your new life, Jimmy.

No one  
really ever wanted to  
kiss me...

\*giggle\*

His lips feel so soft...  
why are my legs soo soft...  
and my pussy, like,  
sooo wet?

# The Bimbletoe

Once again the miracle of the bimbletoe kicks in...

... and Kimberly's butt grows to unimagined plumpness... Her hips are in no way inferior...

... and finally her pants can no longer withstand all the wobbling mass.

# The Bimbletoe

And while Kimberly's IQ is rapidly plummeting...

... her face becomes not only ultra cute, but above all hotter than sex hell.

Kimmy doesn't feel so clever anymore, what's wrong with Kimmy?

Kimmy, you will be a hot Bimbo... isn't that cool?

Bernie... Kimmy, like always dreamed, like, 'bout that U will kiss her...

... and that U will bang her real hard in her ass. \*Giggle\*

So, you like it from behind?

# The Bimbletoe

And while you become more bimbolike, I become an absolute alpha male...

Me, like totally, can't wait, Babe! \*giggle\*

I know... Strong muscles... huge, fat cawck... infinite stamina. Everything!

I can already feel myself changing.

Will U fuck me real hard? Pwetty pwease?

# The Bimbletoe

However, Bernie is wrong here, because the reality is...

The times  
when I was scorned for  
being slight and narrow-chested  
are over.

teehee...  
Kimmy, like, don't  
see them grow \*pout\*

Kimmy totally  
like huuge muscles...  
and huge cawcks... filling  
all of her holes...

But I can  
feel what is growing  
Kimmy...

Like sooo true...  
U'r hair is, like, growin'  
and... are those, like,  
muscles? \*giggle\*

... definitely more petite, not to say more feminine?

# The Bimbletoe

*My hair is growing and looks like its turning ginger...*

*Naaa... This is the calm before the storm... Muscles need energy to grow.*

*My hands too? Was I... wrong?*

*These are definitely breasts... womanly breasts.*

*My nipples! Holy shoot!*

# The Bimbletoe

*\*sob\**  
Ummy, *like*, help  
me... I'm turning into  
a *Girl!*

*Ohhh...*  
my *cawck...* I feel my  
*cawck* being sucked  
into me...

*teehee*  
U look, *like*, sooo  
adorable, Bernie. *Like*,  
somehow... *cute!*  
*\*giggle*

*Dang!* I'm  
all *girly Girl*  
now!

# The Bimbletoe

I'm not adorable!

I'm, like, not cute!

Don't look at me! \*sob\* I bet I'm ugly!

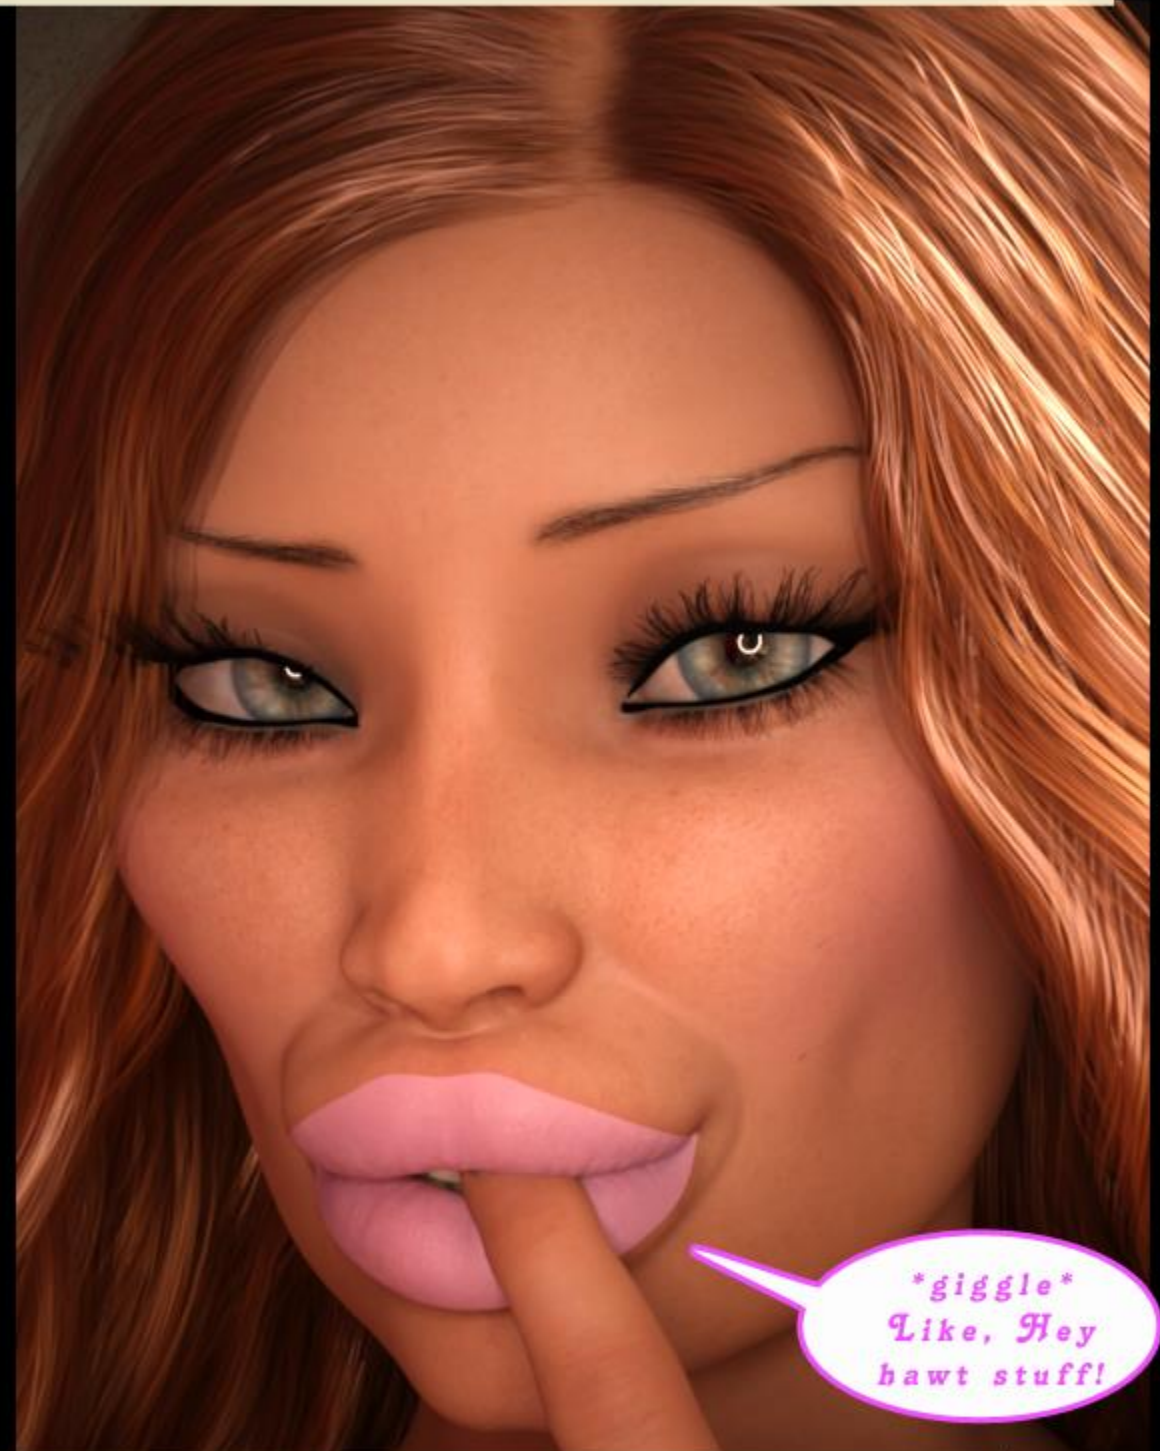

I always was, like, sooo ugly!

# The Bimbletoe

*But self-doubt and fear have no place in the pink world of thoughts of an always happy woman who lives in the bimbo world...*

*... and while the miracle of the Bimbletoe works and Bernie's face becomes more beautiful and desirable by the second...*

*\*giggle\*  
Like, Hey  
hawt stuff!*

*... Bubbles' new, playful and sex-hungry nature takes root in her pink-clouded mind.*

# The Bimbletoe

Like, OH! EM! GEEE!  
YOU're like super cute!  
Like, no-one will be able  
to resist your super  
cute look!

You're  
exagger...umm...  
over do it...

... I'm like  
any other girl...  
but I like you too.  
\*giggle\*

I would  
especially love to have  
tits like you...

... 'cause  
bigger is like sooo  
much better.

# The Bimbletoe

# The Bimbletoe

But massively gigantic tits aren't everything...

... because only a well-trained, athletic body can carry the enormous weight of such spheres without any problems for her shoulders, back, waist and hips... which also flared outwards. And finally...
