

Evlin: Tara's Research - Chapter 19

Well the ladies made a bit of a mess with "dessert", so it's time to clean things up a bit.

A Liquid Bimbocite
Story - Part 23

Easy cum, easy
go... or blow...
or I dunno...

When last we left, Evlin was kissing Alysa deeply and passionately. One reason for that was it's fun and sexy.

The two of you taste **so** amazing together.

Swallow!

Another reason is to keep the audience fully aroused, both the one digitally in the room and otherwise (you at home I mean).

I want more! Give it all to me, Alysa. Give me everything you have!

Lick!

There is one additional reason, however, for Evlin's behavior, and it's not just that she loves the taste of semen and licking it off of obscenely stacked hotties.

Taste!

giggle
That tickles, Evlin, but it... mmmm... feels kinda nice too.

No, as Evlin licks the thick, dripping cum off of every inch of Alysa's insane body, she is literally consuming it.

Whoa! Easy there, Evlin. Though that is super fucking hot to watch.

Shlurp!

She is not simply consuming the rich, white fluids, however. Evlin is also devouring the lewd energies contained within it.

MmmmmMmmMmmmm!!!

Evlin enjoys it so much that she reaches the point that she is scooping it off of Alysa's body and into her waiting mouth.

Wow!
She actually licked me completely clean. I don't think I've ever seen anything quite like that. She ate it all!

Everyone stops and stares for a moment, surprised that Evlin was able to swallow it all in such a short amount of time.

That was... exceptional! Easily the best meal that I have enjoyed in months. Thank you very much, Alysa.

Everyone that is, except for one person it seems. After gorging on the lustful energies from all three of them, Evlin comes back to herself and looks to Brianna.

I am surprised that you didn't join in on the fun, Brianna. There was plenty of cum to go around.

But the top-heavy vixen seems distracted by something and wasn't listening to Evlin. She was far too busy furiously masturbating to the lewd display put on by her host.

Hmmm?
Did you say something,
boobies?

A 3D rendered woman with large breasts and purple curly hair is shown in a room. She is looking towards the viewer with a slight smile. Her right arm is raised behind her head. The room has a bed with orange sheets on the left, a television on a stand on the right, and a framed picture on the wall. The lighting is warm and indoor.

Oh!
I... uhhh...
Sorry, I guess
I kind of got lost
in what you
were doing
there.

Once she realizes that everyone is looking at her, her shyness quickly returns. Although no-one is blaming her for her behavior, certainly not Evlin anyway.

But just what are you supposed to do when a busty babe like Evlin is obscenely licking massive amounts of semen off of your girlfriend with boobs the size of basketballs?

It was just so fucking sexy to watch! What ya gonna do?

If you ask Fabian about it, he would probably just openly gape and drool without really giving you an answer. Which is its own answer in its own way.

Yeah, it was!
Hot as fucking balls!

BIMBLONY'S

But Evlin isn't really interested in any of that. She was mostly just teasing and making small talk. What she is interested in is the erotic energy she absorbed.

Yes.
Thank you,
Fabian, but would
you be quiet, please?
The big girls
are talking
now.

That, and Alysa's massive bust.
She is going to need that power
back as well, before she starts the
next part of her evil plans for the
evening (and for her guests).

I'm
sorry, Alysa.
This doesn't seem
entirely fair to you,
but I am going to
need those
back.

You see, Fabian's semen was laced with the sexual energies of everyone that is present. It was primarily from Alysa and Fabian, since they were the ones interacting.

Huh?
Need what
back? What is that
supposed to
mean?

There was a little bit from everyone, however. Even Evlin herself contributed. Each person's arousal added a little something to Fabian's own.

Hey! What are you... Oh no! You don't mean...

Please
don't take
my fabulous
titties from
me!

Adding to Fabian's arousal, and to the taste of his orgasm, the flavor of his semen, and the power of the erotic energies contained within it.

No!
I can feel
you sucking on
them, sucking
something
out.

Swell!!

Shrink!

Lascivious, lustful, and lewd energies that Evlin has gobbled down like an addict receiving her latest hit. She was quick to consume them as soon after his ejaculation as possible.

Stop!
Stop taking
my glorious, huge
hooters away
from me!

Smaller!

Bigger!

While they were still mostly fresh. While they were still as potent as possible. The only thing more powerful would be to consume them directly from him.

No!
No, no, no,
no, no, no,
no.

Tiny?

Massive!

Evlin has devoured these energies and used them to recharge her own powers. Like charging up a battery, her magic has been partially restored.

Re-absorbing the magic she used on Alysa earlier returns more of her magical power. It also has the added benefit of swelling her breasts to an enormous size!

Burp!
Mmmm! You might taste even better than Fabian, Alysa. You clearly **really** love huge tits!

But if Evlin wanted ginormous jugs, then why didn't she just give herself a pair like this? A pair of mammothly, mountainous mega-mammaries!

Really, **really** damn huge! Fucking hell, Alysa. I didn't quite realize just how big I made you.

And why involve Alysa and Brianna? Why grant Alysa the super-boobies of her dreams, only to take them back from her and make her so sad?

And now I'm so small!

Don't be a drama queen, Alysa. Now... it's your turn, Brianna!

Oh! Ummm... I'm good. I mean, I don't need tits that are twice the size of my head.

I think your boobs are still huge, Alysa. They are just the perfect size to me.

Thanks, Fabian!

Speaking of Brianna's involvement, it seems that she is about to get more wrapped up in this evening's antics - possibly more than she would like.

Don't be silly, Brianna. Trust me! You're going to enjoy this. Now... come here, dear.

Mmph!

Watch closely, Fabian. I'm sure you will enjoy this too.

This is gonna be epic!

Oh, I'm watching! I'm not gonna take my eyes off of her!

Evlin doesn't wait to find out how Brianna might feel about her ideas. She just moves forward with implementing them. After all, she is sure that everyone is going to enjoy what is about to happen.

Oh!
I... ahhh...
Mmmm! She
tastes...
good...

Brianna is taken aback at first, and struggles a little against Evlin's grip. But soon she is enjoying the warm embrace of a massive pair of tits that dwarf her head.

And Fabian, well... he has an absolutely wonderful view of the "show", although he has no idea what Evlin has planned. This whole night has been pretty crazy for him so far.

Shrink!

Thicker!

And what a show it is, once Evlin kicks it off! Just like how she utilized her magic to transfer Alysa's boobs to herself, Evlin begins to transfer her rack into Brianna's bodacious booty!

Smaller!

Juicier!

Not just her ass, but also her hips and even her thighs. The immense amount of flesh and weight currently jutting from Evlin's chest is quickly being pumped into Brianna's lower body!

A comic panel showing a woman from behind, focusing on her large, rounded buttocks. She is wearing a purple bra. The background is a room with a brick wall, a staircase railing, and a lamp. Two speech bubbles are present: one at the top left and one at the bottom center.

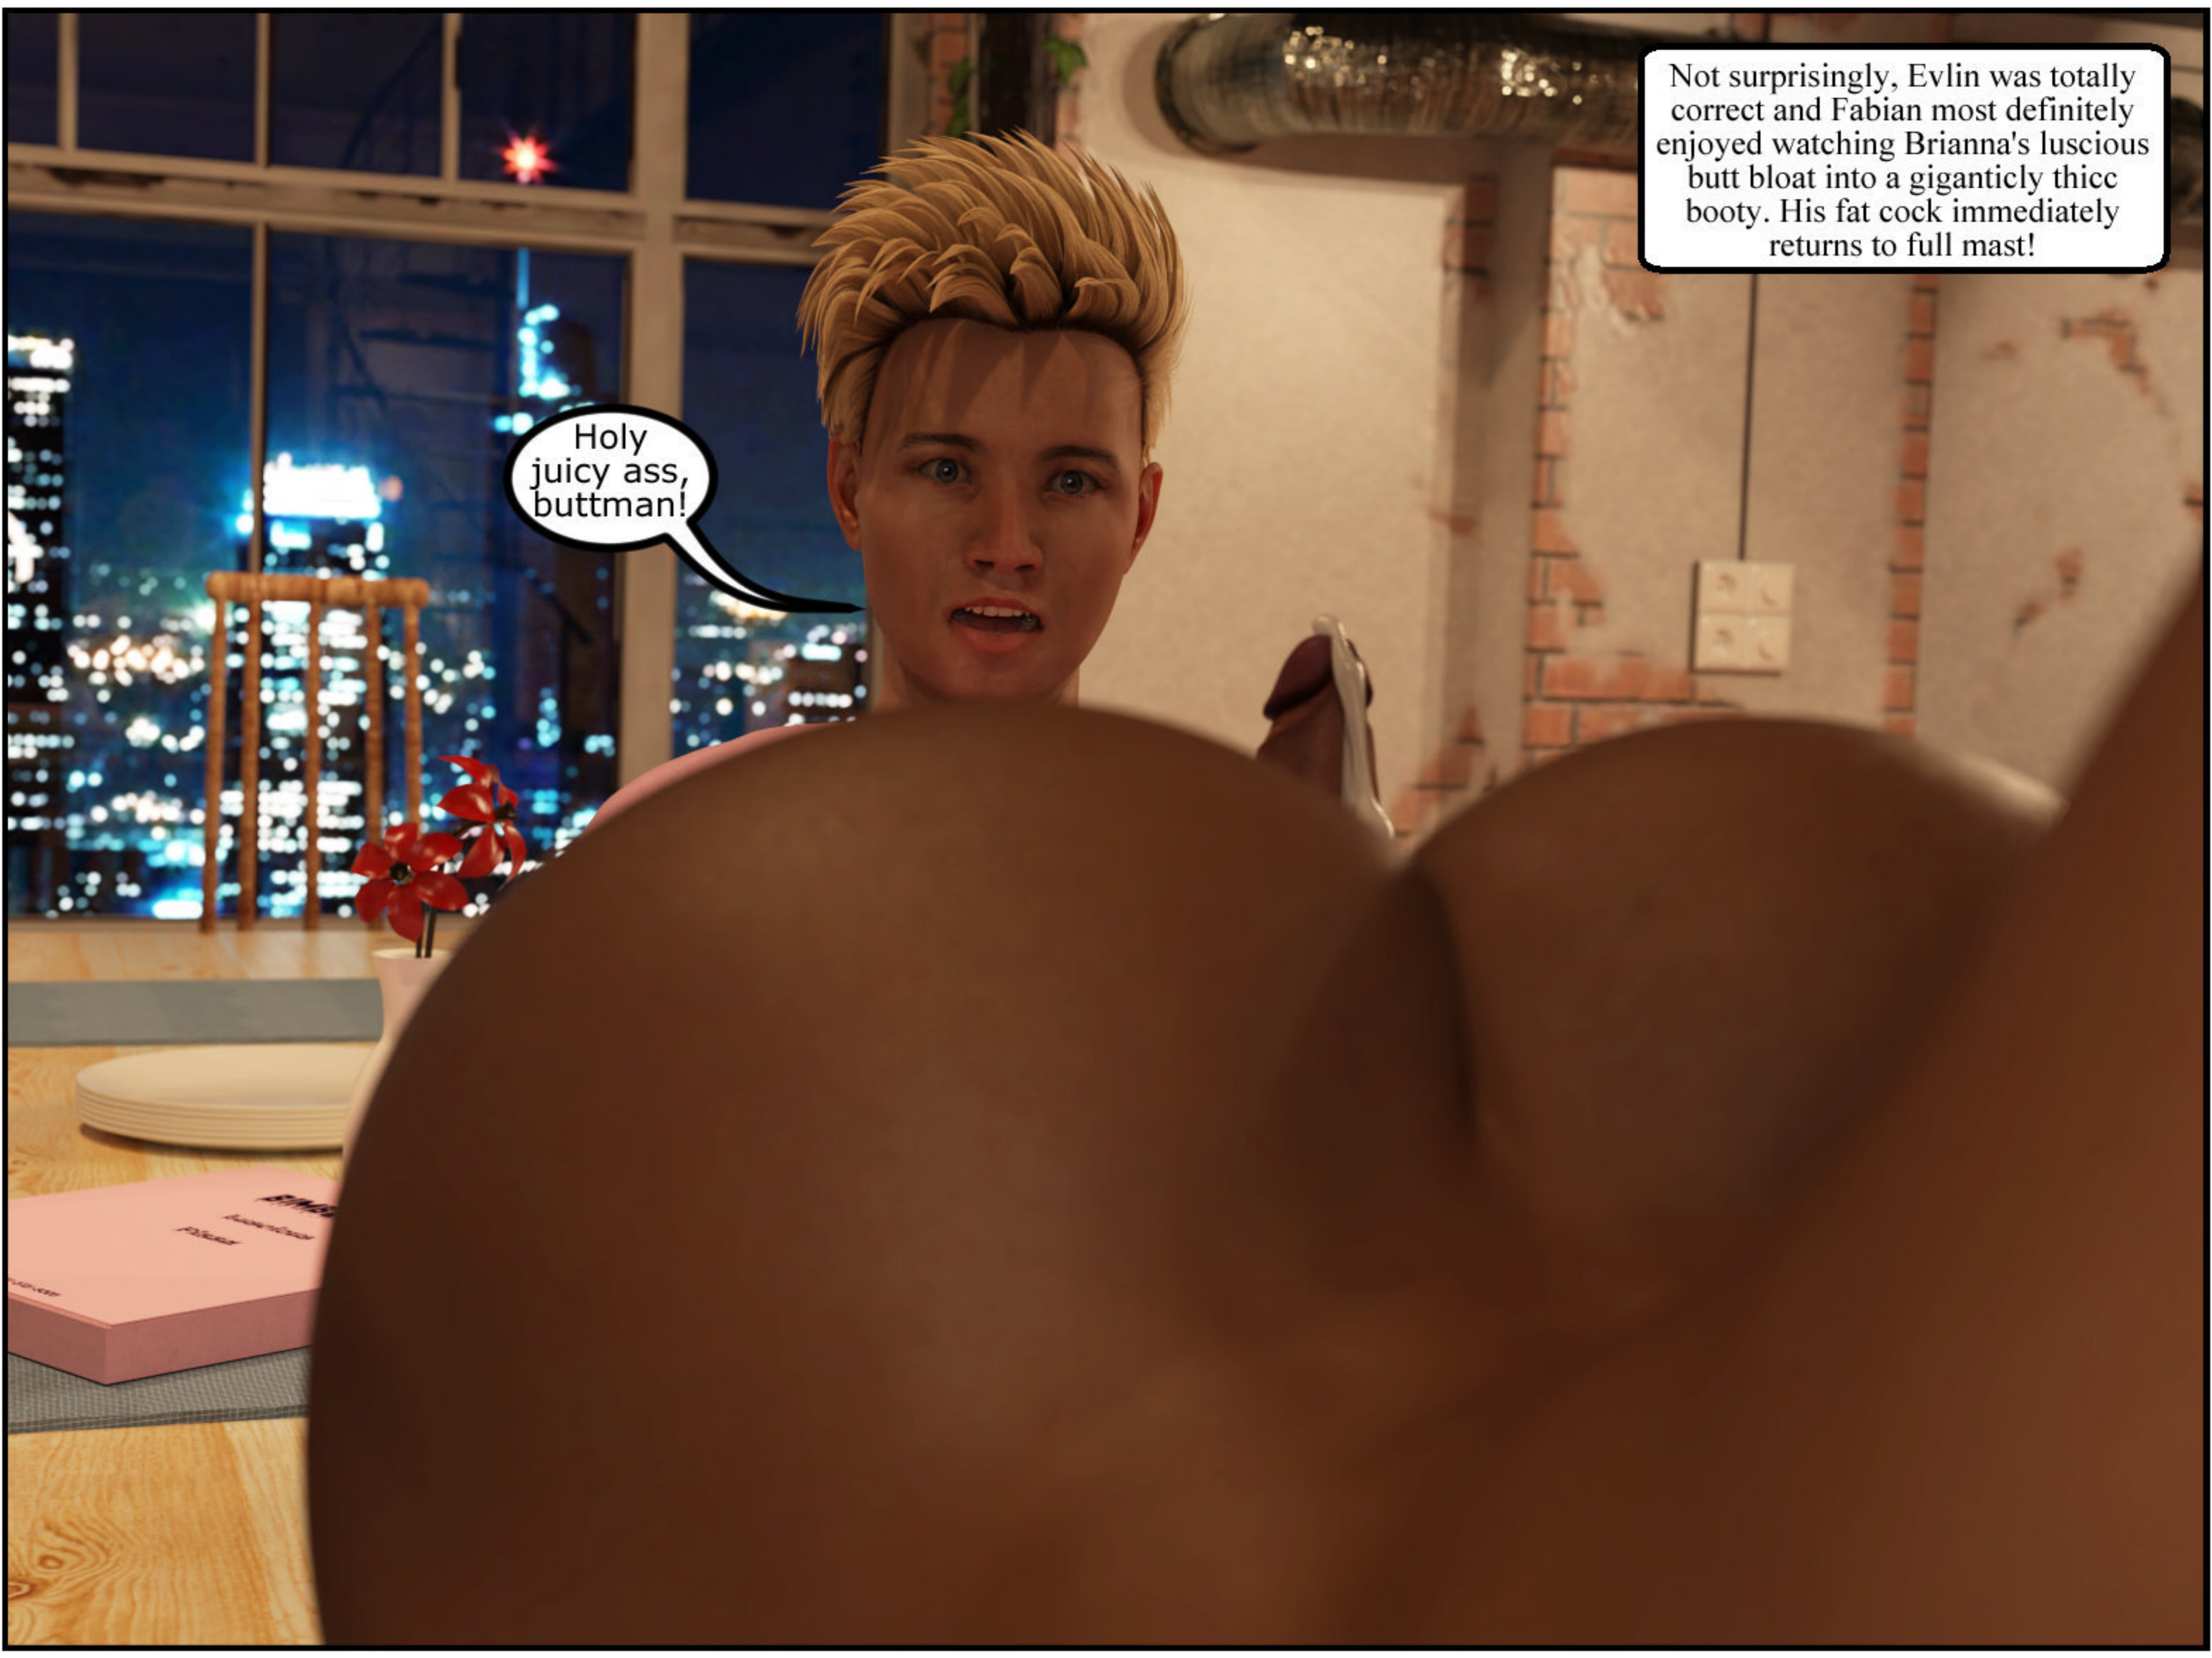

Normal?

Bootiful!!

Brianna's behind bulges out into a behemoth bubble-booty, as more and more mass is added to it. Thick thighs and wide, child-bearing hips support the fat, jiggly monster-ass.

Not surprisingly, Evlin was totally correct and Fabian most definitely enjoyed watching Brianna's luscious butt bloat into a gigantically thicc booty. His fat cock immediately returns to full mast!

Holy juicy ass, buttman!

The story will
continue in
the next part.
