Chap 6 Orgy on the Bridge: Haku's Stand

Haku was at his wits end. All of his training, all of his skills seemed to vanish completely. Zabuza had been hard for days, the chakra burn was intense. He'd sucked the man's dick, ridden him till he passed out, sucked his balls, teased his nips, even given the man a near full body tongue bath; licking his neck, his pits, his abs, his legs, and his feet to name a few places.

He loved pleasing his master, he thought he was pleasing him to, waking up feeling his insides wet, but it was only pre. 'Maybe some herbs will help him.' he got up from their shared bed, Zabuza was taking a shower. He peeked in, and blushed at the sight.

Zabuza was fingering himself. Arching his back under the hot shower spray he panted and groaned, cock pulsing in need. Playing with his ass was the only thing lately that helped get him off. His master was so sexy, water running down his chiseled form. He had never seen his master touch himself like this. "Ah ah ah ah Master!" he moaned, working his hole faster and faster. His cock was loving it, twitching in delight each time he hit a special spot inside.

‘Master?’ Haku thinks. ‘What did that leaf ninja do to you?’ his hands balled into fists. ‘If I see him, I’ll kill him maybe that will break the spell over you.’ he thinks. Covering himself he leaves to collect herbs.

“Ohhhh!” Zabuza arched his back, his climax hitting and quickly getting washed away. “It’s not enough...Haku...Haku!” he leaves the shower not bothering to put anything on. His still hard cock bobbing as he walked. His hole was still aching, still needing, it spasmed and twitched opening and closing. “Where is that boy?!” he snapped.

He made it to the bed, and laid out humping the sheets trying to get some relief. He thrusts three fingers into his, his cock twitching and weeping pre. ‘Where did he go!?’ he thinks, lust quickly clouding his mind. He humped the sheets, the friction to his cock and balls aiding in his need. ‘Where is my master?’

-X-

Naruto and Sasuke had spent most of the night training. Their skills had become quite impressive. Naruto’s abundant chakra allowing him to last much longer than Sasuke, but he was getting better and better, his stamina improving to. Still after hours of training, and hours of being on Naruto’s cock he soon became spent. So the raven turned in first his belly swollen with cum. The Uchiha looked 7 months pregnant,

Naruto gave him a peck on the cheek and helped him dress. Sasuke went back to the house, cum running down his legs. 'Maybe I went to wild on him, I came in him a lot.' The blonde wasn't worried though, he knew Kakashi would handle it.

Boy did he...

"Ahhh Kakashi-sensei!" he moaned. Sasuke was sitting on Kakashi's face, his plump ass had a fine seat. His 9.5 incher twitching as his sensei rimmed him. Kakashi had his tongue deep in Sasuke's ass, slurping and sucking their master's cum out of his ass.

The youngest Uchiha shuddered, body shaking as he was cleaned out in the best way. Kakashi was just having as much fun his fat cock twitching in delight as he had a healthy helping of cum. He fondled the boy's plump ass, as his tongue worked to get his treat. "Mmmhmmhmm gulp gulp!"

His hands roamed up to Sasuke's belly and gave it a squeeze. Sasuke gasped as the cum rushed out, and Kakashi drank it down. The boy's manhole was twitching in delight, his inner walls helping. Kakashi wasn't that greedy either, he knew Sasuke's chakra system would break down the rest in time.

Sasuke moaned as his dick twitched in a dry orgasm. His balls had nothing left to give. Kakashi's did though, drinking his

master's cum helped push him over the edge, his cum erupting all over himself and Sasuke. The older nin finished up with Sasuke's hole, licking his lips. He used some of his chakra to seal Sasuke's hole up, helping keep the rest of the cum inside.

The raven passed out into bliss filled sleep, Kakashi finished the clean up and joined him in rest.

Meanwhile...

Naruto had continued training till dawn. 'I better clean up, before taking a nap.' he sat his clothes by a nearby lake. He dove in and took a little swim. He sighed happily, it was so freeing, he thought his massive piece was nothing but trouble, but it's been great letting it hang out.

He got out of the water, his body glistening in the morning sun. 'Man I'm beat I'm gonna kick back right here.' he laid out, bathing in the sun. His sun kissed skin glistened, as the warm rays licked his muscled form. "Mmmm!" he stretched out. 'I'll catch a few winks then head back.' In a few minutes he was in dream land, ready for more lessons with Kyuubi.

Little did the blonde know, as he sunbathed someone was nearby picking herbs. When he noticed a strange pulse of chakra. He followed it, and found the sleeping blonde,

bathing naked in the sun. 'It's him!' He grabbed one of his needles and approached the naked blonde.

He stared at the boy's face. 'How could someone like this corrupt Zabuza-sama?' his hand tightened around the needle. 'He's completely defenseless.' His eyes roamed over the blonde's lean tan body. 'He's not bad looking I suppose, but...' He froze spotting the blonde's mighty piece. 'Oh my!'

Haku dropped the needle, feeling heat wash through him. 'He's even bigger than Zabuza-sama!' his manhole twitched. His cock rose to full mass, rubbing against the confines of his clothes. 'What is this feeling? I feel so...I feel so...hot!' Haku began pulling off his kimono, eyes staying on the boy's penis.

Clothe pools around his feet and he steps out of it. His nipples were nice and perky, arousal pumping through his veins. The twitching cock pulsing in desire. He climbs onto Naruto, pre dripping onto the blonde's chest. 'This cock pleased Zabuza-sama,' he got in close the manly musk making him shiver. 'He smells so good!'

The smell went straight to his cock, his back arched in pleasure. He bit his lip to keep himself from moaning too loud. He picked up the blonde's dick. 'So heavy?' he stroked it, and the tool perked up. The blonde moaned but didn't wake up.

Kyuubi sensed Haku but could smell his lust, so kept Naruto focused on training. Naruto's cock rose to full mass and Haku gulped. 'So big!' he caressed the length from base to tip. 'This was inside Zabuza-sama!' he was both impressed and jealous.

It towered over him like it was a great beast, so Haku showed his lust and started worshiping the massive man meat. Hands, lips, and tongue brushed over the massive dick. The taste was electrifying, his lips moved higher and higher, till he reached the head. He swirled the wet muscle round and round before flicking the slit.

Naruto's pre washed into his mouth. Haku's eyes widened as his body rocked in orgasm, it was dry but he was feeling super tingly. 'This is so good!' his heart was racing, every lick flared his desire. He used his skills to please the blonde's massive dick. He kissed along the side, and licked up the other, before wrapping his lips around the head. "Mmmhhmm!" he moans.

Both hands pumped his length as he sucked his head like a lollipop. 'I can't resist, I want his cum!' He doubled his efforts trying to get the blonde nin to cum. Kyuubi could feel the pleasure, so he decided to wake Naruto up.

The blonde groaned, and bucked his hips. His eyes slowly opened, and his face heated up, as he got an eyeful of Haku's

ass. His cheeks spread and his tight little hole twitched in delight. Haku was humping Naruto's chest, rubbing his cock and balls against him. 'This guy is really into it!' Naruto thinks.

He brings his hands up and cups Haku's plump ass. Haku was so into sucking Naruto's dick he didn't realize the blonde was awake. He leans forward, and kisses Haku's hole. "Ahhh!" the raven cries out. Naruto's tongue was wonderful, flicking his hole, and pushing inside. He went back to sucking on the tip, his trembling as Naruto's tongue thrust in and out.

"Mmm mmm mmm mmmhhmm!" Haku moans around the blonde's dick. 'So good, so good, I can't hold back I'm cumming!' his balls tighten, and his dick swells as he cums all over the blonde's chest and abs. Naruto follows suit, his balls lurch, and his cock swells and thick cum surges through his pipe.

Cum hits Haku's tongue and floods his mouth. The taste of the blonde's cum lit his brain up like a festival. His eyes rolled up, and he cums again. Cum escapes his mouth and runs down his chin, he snaps out of his euphoria and starts swallowing the hefty load of the blonde.

Even after the powerful orgasm, Naruto was still hard and wanting. Naruto slipped out from under Haku, and the boy rolled over, basking in pleasure. 'Kyuubi who is this guy?'

‘He’s the one who escaped with Zabuza.’ Naruto’s eyes narrowed. ‘Easy, he responded to your divine rod, he needs you.’ The blonde takes a deep breath. He sees the boy twitching in pleasure, his hole wet and spasming, his dick weeping, his body flushed with lust. Naruto blushed, ‘He does look quite cute. Plus he can help...’ Naruto thinks.

He moves over to Haku and the boy shudders. “Please!” his hips rock, his body feeling so hot. He felt empty, needing to be filled. “I got you!” Naruto slips between his legs, the tip of his cock knocking at his entrance.

Haku shudders, feeling his chakra get drawn to his hole like like lightning. Naruto thrust in and Haku moaned in bliss. ‘So big!’ his ass was stretched wide. Toes curling in pleasure, body shaking. “Ohhh!” Naruto smirked, Haku’s arms went around his neck.

He clung to the blonde, like he was the only thing tethering him to reality. Inch after glorious inch stuffed his hole, he reached past Zabuza’s limit and he came. He cums between their bodies, and even as his hole tightens Naruto ventures deeper.

Once he was buried balls deep inside Haku shuddered and gasped. ‘So deep!’ Naruto’s hefty balls resting against his fine ass, stomach bulging from the massive size. ‘So full!’ his dick twitched in another orgasm. The blonde’s musk overtook

him, he seemed to be swallowed up by the manly aroma. ‘So this is what Zabuza-sama felt!’

Naruto began to move, pulling out till only the tip remained, the emptiness all but consumed him. He whined at the loss and tried to push back against him. Kyuubi chuckled. ‘Zabuza trained him well.’

The blonde thrust back in, and all was right in the world, fullness and friction. Naruto’s thrusts were long and hard, letting Haku feel every inch and Naruto’s strength. His hefty balls smacked Haku’s ass, the action sending a ripple through Haku, making his cock twitch and his hole tighten.

Another orgasm rocks through the male. His sweet spot didn’t stand a chance, and Naruto kept up a steady pace. “Here it comes!” Naruto moans, his balls lurch and his cock swells. Fresh manly cum pumps into Haku, and the feeling sends him over the edge again.

Even with two orgasms, it didn’t compare to the massive load Naruto pumped inside him. His belly inflated, swelling with the massive rush of seed. Naruto sighs in bliss, he was really getting into this feeling.

Haku didn’t realize he had closed his eyes, he was soaring, high on the pleasure. It was familiar yet different. His eyes opened when he felt a hand on his cheek. “Tell me your

name.” Naruto says, the boy stares into his blue eyes. “Haku, my name is Haku,” the boy panted. “I’m Naruto Uzumaki, nice to meet you!” he leans down and captures his lips. Haku moaned into the kiss, and happily kissed back. ‘My heart is racing so fast, I feel so hot and I want more.’ he began to shed tears. ‘I took Zabuza-sama from this...’ Despite this pleasure his feelings for Zabuza had not changed.

Naruto broke the kiss, and wiped away his tears. “I’m sorry, I’m sorry, all this time I was so angry at you, I thought you corrupted Zabuza-sama.”

“You love him very much don’t you?” Haku nods. “You’ve pleased him before haven’t you?” again Haku nods. “You know what he needs now don’t you?”

“Yes you,” he says. “He needs you!” Naruto shakes his head. “No he needs us.” Naruto reaches between them and grabs Haku’s cock and the boy moans. “You want to continue pleasing him yes?”

“Ohh yes!” he moans. The seal on Naruto’s belly appears and Kyuubi’s chakra begins to surge through him. “You know what he needs now yes?” Haku groans. “If we work together we can help Zabuza.” he leans in close and whispers his plan into Haku’s ear.

As he did, Kyuubi's chakra leaks out and markings form at the base of Haku's dick. 'So pretty, so lovely, such a sweet little one.' Kyuubi purred. Blue eyes turned red. "It's time for a proper lesson."

~6 Hours Later~

Haku returned to the base, stomach swollen so much he looked 9 months pregnant, and he had cum running down his legs. He made it to Zabuza's room. "Haku where have you..." the smell of cum hit his nose and he froze. The man rolled over, hard cock snapping up into the air. "I have a message for you, but first I brought you some medicine." he strips off his kimono once more and walks over to the bed. Zabuza gulped, licking his lips, his dick twitching like an excited puppy.

He sits on Zabuza's face, and offers him his much needed medicine. Zabuza kisses Haku's hole lapping at the cum escaping from his hole. "Mmmhhmm!" his hips jerked and his cock came, firing rope after rope of cum.

The orgasm didn't stop Zabuza from taking his medicine, his tongue thrusts into his ass. He drinks the fresh warm man milk from his student's tight ass, gulping down every drop like a parched man in the desert that just found water. Haku moaned, his body tingling, he was getting the rimjob of his life.

He watched as Zabuza's cock twitched and bob in orgasm. He brings one of his feet down and caresses the mighty rod, squeezing the head with his toes as another orgasm hits. Cum splattered his feet, and Haku couldn't help but chuckle, wiggling his toes in the fresh baby batter.

'Ohh master Zabuza is sucking my ass!' he shudders, he could already feel his belly start to shrink. His master's dick finally went soft the first time in days, a steady stream of cum leaking from the man meat.

Zabuza gropes his ass, tongue wiggling in his hole to lap up every drop. 'This is master's cum, so good!' His heart fluttered, and his body relaxed. He stopped once Haku looked 3 months pregnant. The boy pulled off his face. "So you met him..."

"Yes, he's amazing. He took me Zabuza-sama and it felt so good." A hand ran down his chest, over his swollen belly to his cock. There Zabuza saw a seal coiling around the base. "He has a plan, he wants to help us." He runs a hand over Zabuza's muscled form.

"You trained me to be a great sub Zabuza-sama but that's not what you needed was it." he pinched one of Zabuza's perky nipples. The man groaned. "Haku?"

“Naruto-sama showed me the light, what you truly needed, and if his plan is going to work you are gonna need your strength.” Haku’s hand caresses the seal and it glows a brilliant red. “I swore my body to Naruto-sama, and he gave me what I needed to please you again.” He was smiling.

Zabuza’s jaw dropped as Haku’s cock began to grow. Naruto’s insight into the Akimichi clan, plus fueled by Kyuubi’s chakra. From 7 to 14, Haku’s cock grew, it bobbed in the air as it reached full mass. Haku sighed once the transformation was complete. “It’s not as big as master’s but it’ll help scratch that itch won’t it Zabuza-sama?”

The man gulped and licked his lips. Haku moved between his spread legs. “You are so strong Zabuza-sama, you’ll need your strength to enact the plan.” his hands caressed his thick manly legs, fondling the tight muscle. His cock lined up with his wanting hole, the head rubbed his entrance and got a groan from the man.

He lifts Zabuza’s hips, causing his cock to lay over his stomach and shoot cum all over his face, neck, and pecs. Haku thrusts in and Zabuza howls in pleasure. “Zabuza-sama your ass is so tight!”

The man merely bit his lip, trembling in pleasure. “So this is what topping feels like, this is amazing.” he pushes deeper and deeper, and Zabuza fists the sheets. His cock twitches as

an orgasm rocks through him. “Does it feel good Zabuza-sama?” he asks, just as his cock nudged his sweet spot.

“Yes!” he moans.

“I’m gonna cum inside you from now on.” Haku purrs, he feels Zabuza tighten around him at that. He soon sits balls deep inside him. “Ohh so this is what being balls deep inside someone feels like!”

The beautiful boy looks down at the cum covered man, the man who’d bent him over so many times and fucked to oblivion. He smirks. “I must say, I’m liking this side of you.” He loved seeing the bulge his dick made in Zabuza’s belly. “I look forward to seeing more of it!”

He starts to move and pounds into Zabuza’s tight heat, balls smacking his toned ass. His thrusts were fast, this was all so new, but oh so wonderful. Zabuza looked positively lust drunk, his ass had been craving dick for so long, and his balls were happy to finally get it.

When Haku finally cums, Zabuza howls his pleasure. His insides tingle as thick cum shoots inside filling him to the brim. “Don’t worry Zabuza-sama, I’ll be taking care of you until we can be reunited with our master.” Haku starts fucking his cum filled hole and Zabuza couldn’t help but grin.

Naruto's plan was brilliant. Sakura remained at the house to look after Inari and his mother. Naruto created clones, while Sasuke and Kakashi used genjutsu to transform them into copies of them. The battle was staged and epic. Zabuza and Haku were in the wings making sure their jutsu were working perfectly.

Sure enough Gato showed up with an army, thinking he was so smart, planning to kill the leaf ninja, the bridge builder, and Zabuza and Haku in one swoop. This of course terminated their contract. Gato's men killed the exhausted clones, and they vanished with a poof. Once the clones were gone, Naruto, Sasuke, Kakashi, Haku, and Zabuza appeared fully charged and ready to kick ass.

Gato and his men didn't stand a chance. Zabuza killed Gato personally. With the battle won, and the bridge saved it was time to celebrate.

Zabuza got Naruto's cock first, he had missed his master's cock so much. Kakashi, Haku and Sasuke watched the show, stroking their cocks. The two looked so erotic together, and the moans Naruto wrung from him were hawt!

After their reunion the boys got in on the fun. Zabuza showed off his renewed love of cock and took to riding Kakashi. Haku took his turn on Naruto's cock, and Sasuke gave Haku a

blow job. Sasuke showed off his skills and even Haku had to admit Sasuke was skilled in the art of the cock sucker.

The next round Zabuza rode both Sasuke and Haku together, taking two cocks at once. He was in hog heaven as Kakashi fed him his cock, Naruto fucked Kakashi from behind. The boys were sweaty, flushed, covered and sum filled with cum. After Kakashi was bred, Haku showed his cock sucking skills and began sucking the copy nin's fine dick. Naruto switched to fucking Sasuke, but other than that Sasuke and Haku continued to pound Zabuza's tight ass.

This is how Sakura found them. "What the hell is going on!" she gasped.

-X-

Naruto had set things in motion. He had Kakashi send word to the Third Hokage about his plan and the old man was having a headache. 'This boy may be the death of me!' he rubbed his temples. He had to contact the Mizukage, and inform her that Zabuza and his protege would be taken off the bingo book, and they would be joining the Leaf Ninja.

To say she was pissed was an understatement. Her hands were tied though, as the Third invoked the mating law, Naruto taking the two as his mates making them apart of the Uzumaki Clan. The two would have seals placed on them so

they could never spill secrets of the mist village. As an added bonus Zabuza agreed to return one of the swords of the mist village.

The Mizukage took the deal, Zabuza was a black spot from their time as the bloody mist, if he couldn't spill their secrets and they get back one of the mist village treasures it was a win win. Still she was curious who could tame and claim the demon of the mist.

To be continued

Chap 7 Sakura Knows! The Path of the Pink Flower is...

They were busted, Naruto, Kakashi, and Sasuke...Zabuza and Haku had no idea what was going on. The pink haired girl who is apart of Team 7 was losing her mind. Her face was red and she was pointing at them, body shaking. "What the hell is going on here!?" She shouts.

Sasuke..."her" Sasuke was being fucked by Naruto. Not only that he was fucking someone who was their enemy, but he was clearly fucking another guy. He was fucking Zabuza, along with someone who she thought was a girl at first, but his thrusting hips showed he clearly had a cock. Kakashi had his dick in the pretty boy's mouth. It didn't take long for her to realize these two were their enemies from before, but if they were enemies why were they having sex? Why was Sasuke having sex with a guy? Why was Kakashi getting his cock sucked by a guy? Why were they sleeping with the enemy? Why was Naruto on

top? 'Why is this so hawt?' was the biggest question that overwhelmed all the others.

Naruto gasped. "Sakura!" Not even Naruto could stop the events. One orgasm after the next, Kakashi came into Haku's mouth, Zabuza came all over himself, Haku and Sasuke came inside Zabuza. Naruto was in the middle of pulling out, to confront Sakura when Sasuke's hole tightened around him.

He came his semen pumping into Sasuke's ass, making the raven moan. He shifted causing Naruto's massive piece to slip out of him. The blonde's cum kept coming, the thick ropes covered the males, painting their toned bodies in white.

The males moaned as their master's seed marked them inside and out. The group reveled in pleasure, their cocks twitching as they came again. Naruto blushed as the males writhed in orgasm and bliss. He turned to Sakura. "I uh...I can explain..."

Sakura wasn't listening, the pink haired girl had passed out from a massive nosebleed. "Ehh?" Naruto sweat dropped.

The boys were not concerned about this at all, they were like wild dogs, Kiba would be proud. They were taking turns licking each other's bodies, lapping up Naruto's cum off each other's bodies.

Zabuza was pinned down first, Haku, Sasuke, and Kakashi were going to town, licking him here there and everywhere. Haku focused on his legs, Sasuke his abs, and Kakashi his chest. Not an inch was spared, once the tongue bath had cleaned Zabuza of cum, he turned the tables. Pinning Kakashi to the ground they went after him next.

Sasuke and Haku focused on the man's nipples, while Zabuza licked Kakashi's crotch clean. Once he was clean it was Sasuke's turn, Zabuza and Kakashi licked his smooth cum splattered pits, while Haku rimmed him, going as to lick Sasuke's pale cum splattered cheeks. Haku was

last but not least, His smooth flawless skin was dripping in cum, and the boys were hungry.

-X-

When Sakura came to...

'Oh man I had such a crazy dream, what a crazy dream as if Sasuke-kun would be having sex with a guy. I gotta cut back on the yaoi fan books, I mean why would I dream of Kakashi-sensei having sex with an enemy.' She thinks and rubs her eyes.

What lay before her was a 5 man orgy in process. Naruto was sitting, with Sasuke and Haku between his legs, the two were worshiping Naruto's massive dick. Kakashi and Zabuza knelt on the outside, lips and tongues working the length. Naruto was so large they didn't need to take turns, they each had their own 4 inches to play with.

"Hehe, Morning Sakura." He blushed, rubbing the back of his head.

“Naruto! WHAT THE FUCK!?” She screamed.

“Sasuke-kun why are you sucking Naruto’s dick?”

Sasuke was gonna ignore her, but Naruto tapped him. “Because I like dick, Sakura.” He says, and goes back to licking Naruto’s length.

“But Sasuke, what about us? What about your clan?” Sasuke ignored her.

“Sakura, Sasuke likes guys, he likes having sex with me and other guys.” Sasuke kisses Naruto’s length. “But I love you the best.” he says, and goes back to licking. The blonde shivers.

“Shut up!” She snaps. “You must have done something to him! With that freaky huge dick of yours!” The words pierced Naruto’s heart.

“Is my dick freaky...?” he says sadly. ‘Don’t listen to her, you are at the natural size for an Uzumaki your age. She’s just speaking out of anger and jealousy.’ Kyuubi tells him. The other boys sure weren’t complaining.

“Sakura that’s enough, apologize to Naruto this instant!” Kakashi snapped.

"No! You are all under his spell to!" She snapped.

"This girl is making me angry." Haku says, he created senbon out of ice.

"I'm with him because I want to Sakura." Sasuke snaps. Naruto explains how his kekkei genkai works, the divine rod of the Uzumaki. It explained so much, Kakashi and Zabuza both loved dick, but while Kakashi embraced it, Zabuza repressed it. They both found happiness being with Naruto.

Haku, had been taken and trained as a bottom, he thought to appease Zabuza's desires, but those desires were a front hiding the truth. Naruto helped him find the true path, while satisfying his own need to be fucked. Sasuke... well Sasuke was a chance of fate, but a welcome one. It all started with a rumor, that happened to be very very true.

Sakura was trembling. "No...I don't believe this... Sasuke-kun is...Sasuke-kun is..." she was in tears. "All this time, all the disappearing acts,

the late night training, you guys were fooling around behind my back!" she cried.

'Hey Kyuubi, do you have a way to fix this mess? It'll be trouble if Sakura hates me for stealing Sasuke, and if word gets back to Konoha it could be a huge mess.' Kyuubi pondered for a moment.

'The only way is to fix her jealousy and quell her anger.' he says, he did know a way, he whispered his plan into Naruto's mind. 'Will that really work?' Kyuubi nodded. 'It's a technique passed down through the bijuu the problem is it can't be forced, the person must agree to it.'

"Sasuke, do you hate Sakura?" Naruto asked.

"Well, no I don't hate her. I'm not exactly happy with her for insulting you." he says.

"So you don't hate me Sasuke-kun!" Sakura cheered.

"Sasuke, would you have sex with Sakura?" Naruto asked, making the two blush.

"I...I can't...I only like guys." He says. The girl gasps in shock.

“Sakura,” she turns to him. “What I’m about to ask you is important. It may sound crazy but please listen to me.” he says.

“Uh...okay...”

“Would you give up your maidenhood for Sasuke?” he asked.

“What?!” she gasped.

“I have a way of turning you into a guy, but this is no ordinary jutsu. It won’t work unless you choose it. This is no simple illusion either.”

“What are you talking about is it even possible?” She looked at Haku, as if thinking he was the result of Naruto’s work. “Hey, I was born a boy thank you!”

“It is possible.” Kakashi confirmed. “It is rare, and the technique is very powerful.” he looks to Naruto. ‘In order to do this he must have a pact with Kyuubi. Such a powerful jutsu would required tailed beast chakra.’

“Sakura you must know, this technique is permanent, there will be no going back.

Everyone around you will remember you as a boy, even your pictures will change. Your memories and mine will be the only ones that shall remain unaffected."

"Wow, I'm not sure." she wanted to be a ninja to impress Sasuke. She competed with Ino for Sasuke, she even grew her hair out cause she heard Sasuke liked girls with long hair. "Why would you help me?" She asked.

"Because I knew how you felt about Sasuke, and I didn't want to hurt you." She felt bad for her words before.

"Naruto-kun, I'm sorry!" she bows her head. "I'll do it!"

"Alright follow me." Naruto leads Sakura away from the group. Naruto followed the Kyuubi's instructions, drawing a larger version of his seal on the ground. Sakura was a little nervous, but a part of her was excited.

"Please remove your clothes, and step into the spiral." he says, and she blushes. Naruto turns his back to give her privacy. She stripped and

stepped into the spiral. He closed his eyes and brought his hands together. Kyuubi summoned his chakra and gave it to Naruto.

Blue and red chakra swirled together. When Naruto's eyes opened they were red. He slammed his hands down onto the spiral, and the markings glowed. Sakura kept herself covered as the red and blue chakra met and became a dazzling purple.

The chakra consumed her and spread out, in ripples across the ninja world. The change was small, normal ninja couldn't feel it or sense it, but those with bijuu got chills.

-X-

Sakura was changed, her soft features became firm and toned, her long hair became a short manly braid, her breasts became solid pecs, her womanhood vanished and in exchange he got a nice pair of balls and an 8.5 inch cock replaced it.

He gasped. "This is...me now...whoa I have a dick!" he caressed his new features. Pecs, abs,

broad shoulders, big dick and hefty balls. "This feels so weird, but my cock is almost as big as Sasuke-kun's!" he says happily. He also gained a treasure path, he ran his fingers through his manly hair.

"Naruto this is amazing...this is whoa..." Sakura stares at Naruto's cock. "Oh wow!" his blood rushes south and his cock rises.

"Sakura?" Naruto blinks.

Sakura gulped, licking his lips. His new dick was twitching excitedly, pre already forming at the tip. "This feeling, is this what Sasuke-kun felt?" he asked, he grabbed his dick and started stroking it. "It's so big, I want to lick it, taste it."

He wiggled feeling tingly all over. "Wait you too?" Naruto gasped. The pinkette crawled forward, coming face to face with Naruto's dick. Naruto's cock rose to attention, acting like a divining rod pointing right at Sakura.

'Of course it didn't work before because Sakura was a girl. My power only works on males, but I

thought Sakura only liked Sasuke.' he thought wrong.

"Naruto I feel weird, it's so intense!" He was leaking pre like crazy. Sakura was pumping his dick, spreading his pre all over his rod. He got in close and personal, Naruto's heavy musk overwhelming him. "Ohhh, it smells so good!" his knees buckled.

Sakura started kissing Naruto's dick, he released his cock and started stroking the blonde's. With each stroke the musk grew stronger, which made the pink haired boy crave more. The smell sent pleasure right to his dick. "Your dick smells as good as it tastes!" His pupils had become little hearts.

He moves up the massive piece to the tip, where the pre has just started to flow. Sakura swirls his tongue around the tip, getting closer to the piss slit. Naruto's pre spills into Sakura's mouth and...

"Oh my gawd!" Sakura's body spasms, and he has his first orgasm as a man. His semen erupts all over the ground. Sakura's eyes roll up and

keeps lapping at the head, coaxing more of the delicious fluid into his mouth. 'It's so good!'

"You want a taste Sakura-kun?" he grins. Sakura was pumping his dick as fast as he could trying to get the main course. "Then open wide, cause here it comes!"

Naruto channeled his chakra into his cock, his hefty length surged forth as he came. Naruto's cum hit Sakura like a flood, he kissed his piss slit and swallowed as much cum as he could, the fresh man milk filled his belly.

As his belly filled, his balls lurched and unloaded his own cum. 'So good...' he thinks. Naruto's cum overwhelms him and he was forced off getting a face full of cum. The blonde's seed covers him, thick ropes painting his front.

Sakura couldn't help but shiver in delight, his cock twitches in a dry orgasm, and his manhole pulses in want. "Naruto...I want you to fuck me!" he says.

"No worries Sakura-kun, I'll make you mine and you'll be apart of the family." he says, he moves

Sakura onto his hands and knees. Sakura's cock pulsed between his thighs. 'This is amazing!'

The blonde spread his cheeks, his manhole twitched under Naruto's gaze. "Please fill me, make me yours!" he bucked back, his hard cock bobbing at the action. Naruto lines up his cock, and his kekkei genkai took action.

Once the blonde's dick kissed his hole it started drawing Sakura's chakra to his inner walls.

"Mmmmm," Sakura moaned. The blonde pushed in and Sakura's virginity was claimed. He took the first 8 inches and came hard, blowing his load once more over the ground. "You are so tight Sakura-kun!"

"Naruto so big!" he moaned. Naruto's dick plundered him. "Ohhhh!" his toes curled. His ass stretched wide as he was plundered deep. "So deep!" he moaned as his stomach swelled from Naruto's full size. "So full!" he came again.

"This is just the beginning, Sakura-kun!" he started to move and Sakura moaned. Naruto's long strong thrusts reduced Sakura to a panting

mess. His own cock slapped his abs, and Naruto's cock bulge.

Sakura lost count of how many times he came, his inner walls tightening in pleasure. It merely increased the friction Naruto's cock made.

Naruto stayed off his orgasm, feeling the churning in his balls. "Here it comes, you are mine!"

Naruto came hard, his dick swelling and his balls lurching, his cum surges forth and fills Sakura's belly. His stomach swells from the surplus of cum. Sakura drools at the sensation.

The boys return to the others, and Sasuke runs over. "Naruto, Sakura," he sees they are both naked, cum running down Sakura's legs, his front splattered with seed. "Is Sakura apart of the family?"

"He is, say hello." he pushes Sakura forward.

The pinkette blushes. Sasuke spins him around and drops to his knees. He spreads his cheeks

and sees his wrecked cum stuffed hole.

“Mmmm,” Sasuke licked his lips and dives in.

“Ohh, Sasuke-kun is licking my ass!” the hearts were back. Sasuke thrusts his tongue inside, lapping the cum out of his ass.

-X-

Kyuubi chuckles. “Pinky will fit right in.” he gives grins. He was exhausted, Naruto was to despite his confidence. For now they could relax, the harem was growing and getting stronger.

-x-Chapter 8-x-

With Sakura's rebirth he needed a new name, nothing too drastic. Kyuubi dubbed him Sakurai. Sakurai was currently losing his mind as he was rimmed by Sasuke. The Uchiha fondled his plump rear as he thrust his tongue deep inside.

He lapped out Naruto's cum, he couldn't get enough. He sucked on the tight hole, slurping up the thick semen. "Ohh he's sucking my ass!" Sakurai moans.

"Hehe, Sasuke really loves my cum." Naruto says, pumping his massive cock at the show.

"I can see why." Sakurai moans, crawling forward. He starts pumping Naruto's shaft, while licking the tip. He swirls his tongue around the head. Sasuke darts his tongue back and forth into the pinkette's manhole. His hard 8.5 inch dick twitching and throbbing in delight. "Naruto-sama's cum is delicious."

Sakurai wrapped his lips around the head, sucking it like the world's biggest sucker, his

tongue flicking the piss slit. As Naruto's pre washes down his throat, his cock twitches in delight. "Mmhhmm!" he moans, pumping Naruto's dick faster to get more of the tasty fluid.

Naruto runs his fingers through short pink hair. "Sasuke after you finish with my cum, it's time to make Sakurai's dream come true, fuck him." Sasuke pulls back, cum all over his mouth. "Yes Naruto-sama!" he moans and licks his lips.

He buries his face into Sakurai's ass, hand slipping between his legs and fondling the boy's balls. His free hand reaches down and pumps his 9.5 incher, smearing pre all over his shaft. Naruto's cum in his belly, made Sasuke so hot. He'd gotten a taste for topping, and he wanted to fuck Sakurai as much as he wanted Naruto to fuck him.

Once all the cum was cleaned up, Sasuke was ready to fuck. He mounted Sakurai, hot dogging his ass for a moment. He squeezed his buns, loving the friction between toned cheeks. Yet, he

knew of greater heat lying just inside the boy's tight channel.

He lined his cock up and thrust in. Sakurai moaned! 'Sasuke-kun inside me!' He'd certainly had bigger dicks inside him, one specifically, and yet Sasuke's dick felt so good. The raven wasted no time thrusting inside the pinkette, panting and groaning in delight.

Naruto moaned as he gave into pleasure and came into Sakurai's mouth. The thick seed rushed down Sakurai's throat and filled his belly. "Mmm~" Sakurai's balls lurch and he cums all over the ground.

His inner walls tighten in his climax. "Ohh fuck!" Sasuke moans, he keeps thrusting into Sakurai's clenching heat. The friction making it feel like Sasuke's dick was melting. "I'm cumming!" he moans, his balls lurch and dicks swells, before cumming deep into Sakurai's ass.

The pinkette drools, shivering as each spurt hits his insides. His dick twitching in a mini orgasm. Even as Sasuke cums, he keeps thrusting, filling

the void he left behind with cum, before stuffing his ass again with cock.

Naruto walks around cock bobbing as he walks, he takes interest watching Sasuke pound Sakurai's ass. He continues on behind Sasuke, the tip of his dick kissing Sasuke's hole. "Ahhh!" The raven moans, stilling inside Sakurai. His chakra is pulled back to his twitching entrance.

With one thrust he buries his massive length inside Sasuke, the raven's stomach bulges from the massive size. "Naruto~!" he moans and cums deep inside Sakurai. This sets off a domino effect of Sakurai cumming all over the ground.

"You like getting filled with cum don't you Sakurai?" he asks, grinning from ear to ear.

"Yes, Sasuke's cum, Master's cum I love it!" he moans. His body shakes as the last of his orgasm hit the ground. He's so turned on his cock is still hard and wanting.

"Good, you'll be Sasuke's personal cum slut. I'll trust you'll be a good boy and work hard."

Naruto kisses Sasuke's neck. This was a gift that

kept on giving. A gift for Sasuke and a gift for Sakurai.

“Yes oh yes! I’ll do my best Naruto-sama, Sasuke-sama!” Naruto starts moving, driving Sasuke wild, his massive dick pulverized his insides, striking his sweet spot with every pass. His powerful thrusts controlled Sasuke’s movements, fucking him into Sakurai.

The pinkette moaned and howled, bucking back into Sasuke’s thrusts. His own dick bounced and bobbed slapping his abs. Naruto’s big dick and strong thrusts, brought Sasuke to climax, the raven’s seed making Sakurai cum.

While Naruto was focused on pleasuring Sasuke, Kyuubi was counting their orgasms. Once the two reached double digits, it was time for the next position. Naruto pulled Sasuke out of Sakurai, and hooking his legs lifting him up so the Uchiha was fully suspended on his dick.

“Ohhh fuck!”

Sasuke’s back arched, cock twitching in delight. The raven was drooling, and Sakurai got to see

his master's dick stretch out his belly. He crawls forward, and starts licking Sasuke's hole and Naruto's dick respectively. "Now Sasuke when you are gonna cum I want Sakurai to suck your dick. Your seed is for him to enjoy."

"Yes ahh yes!" Sasuke moans.

Sakurai nods in understanding, sliding down to lap at Naruto's big balls, before riding back up and sticking his tongue alongside Naruto's dick in Sasuke's ass. "Ohh fuck oh ohhh~!" his pre rains down onto Sakurai's face, from the boy's bouncing dick.

The coupling continues between the three, and Sasuke feels his release coming. "Oh fuck cum, gonna cum ah ah ahhhh!" Sakurai acts fast rising up and swallows his tool down, slurping and sucking his shaft. "Ahhh!" Toes curl as he cums into Sakurai's mouth.

Sakurai plays with his dick as he drinks Sasuke's semen. His climax follows seconds later. It's Naruto's turn to cum and with a growl he cums into Sasuke's tight ass. His dick twitches again

and he cums again into Sakurai's mouth. "So good!"

The pinkette does a great job, not wasting a single drop. His eyes sparkle seeing Sasuke's belly stuffed with cum. "I trust you know what to do?" Sakurai salutes.

"Yes sir!" Naruto pulls his finally spent cock. He's had a long day. He sets Sasuke down, and the raven shivers as his cheeks are spread. "Wow!" Sakurai eyes his wrecked hole, cum leaking out. He licks up the semen to his hole and proceeds to rim Sasuke.

Naruto walks off, the muffled moans, as Haruno rims Sasuke, and Sasuke's soft whimpers and moans echoing to him. 'That was beautiful kid.' the halls were flooded with Kyuubi's semen. 'Your family is growing.'

"Perverted fox," he sighs, but the grin on his face gave him away. He was happy. Zabuza was home, Haku and Sakurai joined the family. The pieces were falling into place.

Tales of Gato's death, and the fall of his empire came as quite a surprise. The local villagers were free, their hero was Naruto Uzumaki. So the bridge builder planned to name the bridge, The Great Naruto Bridge.

Kakashi found him passed out beneath a tree. He lifted up the boy and brought him back to their lodgings for a well deserved rest. The Copy Nin, began packing up their supplies as they readied to return to Konoha.

As Naruto rested a great change happened within him that not even the Kyuubi could have predicted. The divine rod of the Uzumaki had grown, another inch down.

Kakashi gasped feeling his manhole tighten and his cock lurch in delight. Zabuza and Haku who were assisting in the move dropped to their knees as pleasure shot through them like electricity. Sasuke and Sakurai were walking back to the lodgings when they to were dropped by an overwhelming pleasure.

Back in Konoha...

Kiba was clawing at the bed, humping the air as the need to be filled burned inside him. Shino was resting but was jolted awake by liquid pleasure coursing through his veins. Shikamaru and Chouji were sleeping and they didn't even get the chance to awaken, they came hard soaking the sheets of their bed. Asuma had the worst of it, as he was currently enjoying one of the clones Naruto had left them with.

The clone moaned as his cock suddenly expanded and shot forward filling Asuma with another inch. The clone couldn't handle the change and poofed, leaving Asuma's hole wide and gaping! He whined shaking his beefy ass in need.

The strange wave of pleasures eventually stopped. It lasted only for 17 seconds but felt like an eternity. None of them knew what had happened.

Naruto didn't notice the extra inch to his dick, as he slipped the behemoth back into his sealing underwear. They say their farewells and head

back to the village, with a successful B ranked mission under their belt.

They gave their report and introduced the two newest members to the Uzumaki Family. As well as asking for a document for Sakurai's family to let him move to the Uzumaki estate. "You really cause me a quite a bit of trouble!" Sarutobi groans, he starts filling out the paperwork. The blonde blushes and chuckles. "Sorry old man," he says.

Sarutobi bangs his hand on the desk. "Then act like it!" he snaps, muttering about Uzumaki's and their hormones. He rubs his temples. "Sakurai, Sasuke you are dismissed, good job on your mission." the two bow, and head out. Sakurai taking the document to give to his parents.

The pinkette heads home to pack and move into the Uzumaki estate. He looked at his pictures, smiling as they had all changed with him. His parents were shocked he was moving into the Uzumaki estate. Shikamaru, Chouji, Kiba, and Shino having finished the paperwork to. The other clans could fight it if they wanted to, but

their boys were so happy they didn't have the heart. Asuma helped smooth things over with Shikamaru and Chouji's families and Kakashi had done the same with Kiba and Shino.

His parents hug him. "Sakurai are you sure about this?"

"Yes trust me, this is the best thing that could happen to me." he says and heads off. He meets up with Sasuke, who leads him to the Uzumaki estate.

Back in the Hokage's office...

"Do you Haku take Naruto Uzumaki as your loving husband and master?"

"I do!" He says. Zabuza stands behind him with a proud smile on his face. Kakashi standing behind Naruto.

"Do you Naruto Uzumaki, take Haku Uzumaki, as your husband and lover?"

"I do!" He says.

"By the power invested in me as the Hokage of the Hidden Leaf Village, I pronounce you

husbands. You may seal your union with a kiss.” he says, rolling up a scroll.

Naruto kisses Haku, and the boy wraps his arms around his neck. The kiss goes from sweet, to passionate, before breaking apart. “Please sign this document.”

“Haku Uzumaki!” he says happily. Zabuza received similar treatment, only without ceremony to keep his name.

“I don’t need a fancy ceremony I swear my loyalty to Naruto, and the village you serve.” He bows and kisses Naruto’s hand.

The two are given seals so they cannot speak of any Mist Village secrets. Again, they were happy to do this, the Mist Village was their past Naruto was their future. They started heading to the Uzumaki Estate. “Why is gramps so frustrated, he seems to be having more paperwork than normal?”

Kakashi chuckles. “It’s not because of you, though I’m sure he had plenty to deal with

because of that. Sarutobi-sama is preparing and dealing with preparations for the Chunin exam."

"The Chunin Exam!" Naruto says excitedly. "This is gonna be great!" The blonde cheers.

-X-

"The Chunin Exam huh?" Kyuubi chuckles. "Ninja from all over the world gathering in one place. Perfect chance to build up the family."

-x-Chapter 9-x-

It was so great to be back home and just in time to. His boys had finished off his clones earlier. Since their mission got extended the clones weren't enough. They had been missing their master intensely, even sex toys couldn't satisfy their need.

The new family members aside, the Konoha boys needed time with their master. They drew lots and Kiba was the lucky number 1 to get first crack at Naruto's dick. "I do feel bad, Haku this is our wedding night in a way."

"I don't mind, we can have fun soon." Haku kissed him on the cheek. "Right, please take care of Zabuza for me as well." Haku giggled in delight. "I will!" They got a room of their own in the Uzumaki estate. He had so many things to try on his former master.

Kiba got to share Naruto's bed for the night, and when he woke the dog nin was worshiping his massive dick. "Fuck, I've missed you so much!"

he moaned. He used his pecs abs and mouth to play with his massive man meat.

The clones were nice, but nothing beat the real thing. Naruto's scent, the look he gave, the sound of his moans, the way he smiled, it was all Naruto and Kiba wouldn't have it any other way.

His efforts with Naruto's massive cock, were well received as Naruto came and Kiba bathed in his semen. 'Fuck the hell yes!' He was marked by Naruto's semen, one hand pumped his shaft as the other spread the semen over his muscles.

He needed this, needed to be marked by his scent, the fresh baby batter washed over his skin and his toes curled. 'Yes, yes, yes!' his back arched and he came blowing his load all over Naruto's shaft. Kiba reveled in this feeling, pinching one of his perky nipples, as his free hand fingered himself. "Inside, I need you inside me!"

Naruto's divine rod was still ready and waiting. "Present yourself for me Kiba." the words sent shivers down Kiba's spine. His manhood twitched

as he obeyed, getting on his hands and knees, sticking his ass up and giving it a shake.

Kiba's hole was a lovely color, it twitched, parted slightly as it begged to be filled. Naruto brought his divine rod to Kiba's hole. Just having the cock kiss his entrance had Kiba moaning.

He thrust in with one go, believing to have stuffed Kiba full. The dog nin moaned and came, blowing his seed all over the bed. "It feels so good to be inside you again Kiba." Loving how the ninja boy's climax had his channel tightening around him.

"More!" Kiba moaned.

'More?' his tone was not the normal pleading for movement, it was a whine. His cock was bulging Kiba's belly, the dog nin could feel it. He looks down and nearly falls over, there was an extra inch of cock, still not in Kiba's ass. 'Is...is my cock bigger?'

He had Kiba stuffed, could he really push in more? He gulped, and as Naruto pondered Kiba whined. "You want more, I'll give you more!" he

pulled back till only the tip remained and slammed back in, burying all 17 inches inside.

“Yes!” he moaned, and came again. Naruto began to move, one inch wasn’t a big change, but simply the sensation of taking every inch filled Kiba with joy. Every thrust, made his insides hot, his hole spasmed in delight, and his toes curled. ‘So full, so full, yes yes yes!’ he bucks back taking the massive shaft harder, his ass meeting Naruto’s pelvis in a loud clap.

His insides made the sexiest noises, each time the huge tool stuffed the pre soaked hole. It was music to Kiba’s ears, his racing heart keeping the beat.

Kiba was in heaven, coming or going Naruto’s dick made wonderful friction, his smooth wet insides hugging the mighty tool with each pass. “How does it feel Kiba?” he asks, hands coming around to pinch cum covered nipples.

“Ahh amazing, I love you so much!” he moans, another orgasm rips through him. It was like a hurricane of pleasure, inside and out, and he

was swept away. His balls lurched, and his cock swelled as spurt after spurt exploded onto Naruto's bed.

Naruto moans and continues fucking Kiba, his arms and legs gave out, the blonde was pounding him into the mattress. 'It's just an extra inch, but he's responding so much!' Naruto grinned feeling even more intense.

With a new inch he was able to sink deeper into Kiba's ass and it felt great! "You love my dick, so fucking tight for me!"

"Yes!" Kiba moans. Another orgasm was building, his cock twitching, he humped the bed rubbing his balls against the sheets. "So good, you fuck me so good!" his stomach bulged, again and again, it was like a sucker punch to the brain. He felt hot, dizzy, and ohh so high!

When Naruto finally came, his dick swelled making Kiba's back arch. The blonde's heavy load pumped inside the dog nin, each spurt made him shiver. His eyes rolled up and his

tongue hung out of his mouth, his abs swelled as his stomach ballooned from the overflow of cum.

The boy's dick curved over the swollen stomach. A final orgasm rips through Kiba, and he falls into the blissful abyss. Naruto stays inside him for hours, he watches as the swollen belly dissolves, Kiba's chakra system breaking down the semen and absorbing it.

He summoned some clones to fix the sheets, and clean Kiba up. The dog nin twitched, as he was stuffed and given a tongue bath by clones. 'Heaven!' he thinks happily.

-X-

Shikamaru was next on the roster. "So ahh, you didn't realize your cock had gotten bigger?" he pants and moans as Naruto fucked him missionary style. Chouji was to the side, pumping his meat to the show.

"Well it's always been big, I just didn't notice." he blushes and rubs the back of his head. He gives a hard thrust and Shikamaru moans, toes curling as he cums. Thick ropes of white erupting

over himself. Chouji helps clean him up, not wanting to waste the delicious man milk.

Naruto's balls spanked him with every thrust, sending a pleasing vibration through his crotch. Chouji pumps himself faster. 'This is so hot!' he watches Shikamaru's stomach budge from the blonde's dick.

The blonde's climax hit, his semen swelling Shikamaru's belly. Chouji joined in the climax fun, and blew his load all over his friend's face. The lazy nin's climax hits again, back arching as he shoots his cum all over himself.

It was a good thing Chouji was next on the roster. He got into the 69 position and began making out with Shikamaru's ass, lapping the thick semen out of him. Naruto lined up his cock with Chouji's ass, the tip kissing his hole. He thrusts in and Chouji moans.

Shikamaru laid underneath them, watching Naruto's cock appear and disappear into Chouji's plump ass, his fat cock bouncing and bobbing.

His pre dripping all over his face. 'This is so hot!' he thinks, and reaches down to pump himself.

Chouji's climax hits and he cums all over Shikamaru's face. The first of many, as Naruto's huge dick pulverizes Chouji's hole. Shikamaru reaches up to grope his ass, squeezing the plump cheeks, the groping made his hole tighten around Naruto's thrusting cock.

Naruto's balls smacked into Chouji's, sending an extra ripple of pleasure through his crotch. His moans were muffled, as he was still buried in Shikamaru's ass. Kissing and lapping at his entrance, even giving a slurp to suck up the cum. Shikamaru's toes curl in pleasure. 'Ohh he's sucking my ass!'

Chouji's orgasms painted Shikamaru, the lazy nin was starting to get a real kink about being covered in cum, Naruto and Chouji's atleast. Once Naruto finally gave in he came pumping Chouji full of seed.

Naruto's clones got to work on clean up, and the two were cuddled up against him in no time.

Despite Chouji's best effort he couldn't drink all of Naruto's semen inside Shikamaru. Their bellies were full, and in some time their chakra would break it all down.

Shino was next on the roster, he wanted to climb Naruto's dick like a tree. He rode the massive tool like it was he was made for it. The extra size didn't bother him in the least, his ass swallowed up his massive man meat.

He rode Naruto hard and fast, his cock bouncing as he went. "Ahhh ahhh ahhh ahh ohh yes yes yes!" he moans. Shino was possibly the most vocal, hard to believe. After each orgasm, Shino would rise up to the tip and twist around facing the blonde.

'Look at me, love me, ohh fuck me!' he played with his nips as he rode down. He was exposed, Naruto's eyes were like fire, and he was a moth to the flame. Another climax and he turned back around, and Naruto got to stare at his plump ass and sexy back.

“You really are beautiful Shino.” The brunette blushed hard.

“Ohhh!” Shino came again, the male’s words were like an arrow piecing his chest, having pleasure explode through him. By the fourth orgasm he was struggling to keep pace. That’s when Naruto took over, picking him up and taking him out of bed to slam fuck him on his mighty cock.

His face twisted in pleasure, he loved the force of Naruto’s cock plundering his ass. His toes curled, and he grinned in mind breaking pleasure. The blonde’s dick feels so goodm crushing his sweet with each slam.

He whispered sweet nothings into his ear.

“Beautiful!” “Sexy!” “So Cute!” Shino couldn’t take it, so when Naruto finally came he passed out into a pleasure filled sleep as Naurto pumped him full of seed.

Shino’s bugs took care of the clean up, but left the cum inside him that was for Shino to enjoy. He pulled out of his ass, but hugged Shino to

him, rubbing his back as he slept. "Missed you." the brunette mumbled in his sleep.

"I missed you to." he kissed his cheek.

Asuma was the last on the roster. The muscled man was getting fucked side saddle, the man's leg up over his shoulder. Naruto kissed and licked his foot as he drove into his ass. Asuma was possibly more cock hungry than the others.

He was also older and stronger, chakra and stamina to burn. If possible he was even more perverted than Kakashi. While Kakashi was more open with his perversion, Asuma had been repressed and Naruto was his outlet. He was the key, to freeing all his hidden desires.

His body shuddered, feeling Naruto's balls rub against his thick muscular leg, his ass swallowing every inch of Naruto's man meat, his heart fluttering as Naruto licked the soles of his feet.

He received several orgasms already, more so than the other boys, and he was still eager for more. His manly hair glistened from his semen. It was like a forest fresh after a rain. Kyuubi

chuckled. His older lovers were just as horny as his younger ones, if not more so.

They were the rippened fruit, fresh and plump for the Uzumaki to pick. Asuma drooled, hole spasming lovingly around the huge cock. He rubbed his swollen belly, feeling the blonde's dick bulge his belly. "You are really sexy Asuma!" Naruto moans.

The bearded man blushed. 'I never thought I'd find love, with my best friend's student.' he certainly wasn't complaining. He actually stopped smoking, as he switched to cock, and was actually one of the few who could deep throat Naruto's monster. Kakashi and Chouji were the other two.

Naruto fondles his hairy balls and Asuma moans, bucking his hips in rapture. "Naruto, I love you!" he moans. The blonde grins and kisses his thigh. "I love you to." His heart was racing, his breathing undone, his mind melted from the stimulus.

The blonde's cock pounded his sweet spot, never letting him fall down, he stayed on an orgasm high for over an hour. 'The legendary Uzumaki stamina, combined with the divine rod of the Uzumaki, this is the best!' Another orgasm tears through him.

His balls tremble and his dick swells as he explodes all over his abs and chest. They shift and Naruto moves him into the missionary position, his strong legs thrown over his shoulders.

Naruto drove into him faster and harder, his heavy balls spanking Asuma's toned ass. "Play with yourself." Naruto orders, and the man shudders in delight. One hand pumps his fat cock as the other plays with a perky nipple. The bud was wet and drenched in cum, he pinched and gave his nip a tug. "Uhhhaahhh!" he moaned.

"Good boy," Asuma orgasmed from his words. Naruto ran his hands over his cum soaked treasure trail over his abs. He pounded Asuma

hard and deep, making the Jounin buck his hips, arching his back in pleasure.

Naruto finally cums, and Asuma moans as his ass and stomach are flooded by semen. His belly swells from the overflow of cum, the stretch makes his balls clench and he cums again. He rubs his cum filled belly as it grows bigger and bigger. "Yes fill me!" he moans.

The blonde flops onto Asuma, legit exhausted after a long day of sex. "Don't be worried about your new size, your kekkei genkai will make sure we can handle it."

"Yeah..." he hugs Asuma, nuzzling his manly chest.

-x-Dream-x-

Naruto was having sex with Sasuke, pounding the raven doggy style. "Sasuke your ass is so tight!" he moans.

"Ohh Naruto so big so big!" he moans. The blonde continues to pound inside him until he feels a tingle from his crotch. He gasped as his

dick suddenly swelled. "Ohhh it's getting bigger!" Sasuke moans.

His cock lengthens and his ass gets stretched wider and wider at the growing girth. Sasuke couldn't help but cum. "Sasuke are you okay?" the raven's brain shut down, he gave a gurgled response as his cock kept cumming. The girth of his cock forced Sasuke's legs apart.

The penis stretched to Sasuke's chest, it pierced his body, stretching his throat and escaping his mouth. Naruto gasped as his cock spitroasted the Uchiha. Even as the cock skewered him Sasuke kept cumming.

"Sasuke!" the boy kept getting tighter around his dick, he was looking like a ripped condom, the boy becoming almost like a second skin.

Sasuke's cock continued to spit cum, so the boy was enjoying himself but this was wrong. His cock was no longer just growing inside his body, it was rising like a tree freshly born from the earth.

Naruto couldn't stop it. Then to his horror the dick expanded more and more until Sasuke was ripped in two.

-X-

"No!" Naruto bolted up in bed. Haku groaned beside him. "Is something wrong?" he cuddled up to the blonde and kissed his neck.

Naruto told him about his dream. Haku couldn't help but giggle. "It's not funny."

"It kinda is." he kissed the blonde and Naruto kissed back. "It's cute how you worry about us."

"Old man told me that my dick would reach the limit of my sealing underwear and it wouldn't be able to contain it." he rubbed the back of his head. "What happens if my dick gets too big to fit inside you guys, I don't want to hurt you."

"You won't, stop worrying." he hugged him.

'He's right kid, no Uzumaki dick has ever killed their partner.' Kyuubi explained.

Naruto sighs and lays back taking Haku with him. He rubs his ass against Naruto's hardening cock. "Ready to give your bride another round?"

The blonde smirks. "Of course." The tip kisses Haku's tight hole, and he sinks into the male's tight ass. "Oooohhhhh fuck yes!" The new Uzumaki moans.

Naruto had no more nightmares, just good dreams with him and his boys. He looked forward to adding more very soon.

Chapter 10 Chunin Exams Opens

It was interesting news all around, as many of the Konoha teams received word they would be taking part in the Chunin Exams. Being genin came with restrictions, but this exam would allow them to take the next step.

However it wouldn't just be them, villages from all across the land would be attending, so it was best if everyone was on their best behavior. Naruto felt the behavior line was more directed at him than the others, but ehh it was a reasonable request. "Ninja from other villages will be coming here! This is gonna be so cool!"

Quite the turn out indeed, while only Suna's, the village hidden in the sand, Hokage was here as a spectator this years Chunin Exam had gathered talent from many of the villages. The village hidden by mists, the village hidden by rocks, the village hidden by sound, the village hidden by a waterfall, the village hidden by rain, and the village hidden by cloud, the village hidden by grass.

So many ninja were gathering in one place. Sarutobi was looking over the teams, and some stuck out to him. Team Samui from Kumogakure the village hidden in the clouds. Their Jounin instructor was Samui, and the students under her varied in age. The eldest was Atsui, the younger brother of

Samui, then there was Karui, and the youngest was a boy named Omoi. ‘They are each skilled in the sword, this will be difficult for most of the students as they haven’t handled many bladed fighters before.’

It was funny if Naruto had obtained Zabuzza sooner he could have given basic kenjutsu knowledge and defense. Sarutobi sighed. ‘Perhaps it’ll work out if they can pass the first 2 tests.’

Another team he had his eye on was the Sand Sibling Team led by their Jounin Baki, it seemed the group consisted of two brothers and their elder sister Temari, the middle child Kankuro, and the youngest Gaara. What made this lot so special for one, they were all children of the Kage of Suna.

Then there were two teams from the Village of Sound, Team Dosu and Team Skull. Just at a glance Team Dosu stood out. Team Skull consisting of Kimimaro, Juugo, and Kidoumaru, they were older and more skilled, it was surprising they weren’t Chunin already.

‘This year is gonna be interesting to say the least.’

-x-With Team Samui-x-

“Man, I can’t believe A-sama isn’t coming to watch us compete, we are gonna kick ass in this exam.” Omoi says.

“Ugggh, you idiot A-sama doesn’t need to come, he knows we will pass the exam and bring pride and victory to Kumo!” Karui scolds him.

“But what if we do so well, we become super popular we end up getting hoards of fans, it’d be so hard to break all those hearts.” Karui thought about it for a moment before blushing.

“Idiot!” she snaps at him.

“Well it is possible, men of Kumo are the most endowed men across the ninja world.” Atsui says, and he and Omoi high five. “You know it!” he chuckles. “I could never choose one gender to love, but I’ll only submit to a man with a bigger cock than mine.”

Samui face palms. ‘Idiots.’ Though they weren’t wrong, her former teammate C was 13 inches, her brother the same size but had more girth to him. Omoi was 14 inches, his teacher Killer B was 16 inches, and their Hokage had the biggest cock in the village. There wasn’t a single man in their village born under 12 inches.

“OH NO!” Omoi shouts. “I was looking forward to visiting the hot springs and bathhouse here in Konoha, but what if the ninja see my dick, they’ll become so turned on by my size they’ll fight over my cock and I’ll end up starting a civil war!”

Atsui chuckles, drooling a little at the possibilities. While the girls face palm at how dumb they could be. “Listen up!” she smacks them both. “We are ninja from Kumo, we are here to pass the Chunin Exam, do your best or else bring shame upon the Raikage!”

“Yes!” they stand at attention and salute.

Naruto was busy training and preparing for the upcoming Chunin exams, Kyuubi was putting him through the paces mentally and physically. Naruto had some requests for his training, one being becoming a sensor type ninja, he wanted to be able to keep track of his mates and find them if need be.

‘Your skills are growing, this exam will be a good test for you to see how far along you’ve gotten.’ Naruto nods.

Kyuubi’s training was tough, the blonde had stripped down to his sealing underwear.

He ran drills, went through several meditation practices, and had to do chakra manipulation controls. While he meditated Kyuubi had him practicing jutsu, plus Kyuubi had Naruto coming up with his own jutsu, testing his creativity and adaptability.

Naruto had no idea of the trouble that was brewing in the village, or the attention his training drew.

Kurenai was giving Hinata special training, so Kiba and Shino were on their own. “Maybe we should go train with Naruto, or ask Kakashi-sensei or Asuma-sensei to give us some training?” Kiba groans.

“It would be beneficial, Kurenai seems to only care about Hinata’s training.”

“Training with Naruto also means...” Kiba chuckled, a blush spreading on his cheeks. Shino groaned, but couldn’t help but agree. With Akamaru barking in agreement it was unanimous, and they were off to find the blonde.

“So this is what qualifies as Konoha ninja?” the two pass by a pair, the male speaking as they pass.

“What was that?” Kiba growls.

“Nothing, just commenting on weak Konoha ninja look.” the male marked in face paint says.

“Now Kankuro be nice, they can’t help how weak they are.” the blonde girl says.

“You’re right Temari!” he laughs.

Kiba growls, but Shino grabs him. “We can’t be starting fights here, let’s go!” Kiba was hesitant, but relaxed.

“Running away, is that all the ninja of Konoha can do?” Kankuro taunts.

“We will show you our strength during the Chunin exam.”

Shino says, and adjusts his glasses. “But I don’t think you are very good ninja.” the two tense up and glare at the bug user.

“What competent ninja judges a book by it’s cover.”

“You!” Kankuro glared readying his weapon he kept on his back. Temari did the same reaching for her weapon. A rock came soaring and struck Kankuro’s hand, and before Temari could draw her weapon a pink haired boy appeared behind her and caught her hand.

“That’s enough!” Sasuke and Sakurai were on the scene.

“This is not how ninja appearing for the Chunin exam are supposed to behave.”

Kankuro smiles. “We were just having fun, sizing up our opponents and all that.”

“I’m sure.” Sasuke glares. “You guys okay?”

“Perfectly fine, we could take em.” Kiba says.

“I don’t think so mutt boy.” Kankuro taunts.

“Stop it Kankuro.” the group freezes, but the pair began to sweat. “You are embarrassing us.”

“Gaara...sorry...”

Sasuke and Sakurai were shocked. ‘I didn’t even sense him.’ Kiba and Akamaru shared a similar thought. ‘I couldn’t even

smell him.’ Shino as well, his bugs were actually buzzing, sensing danger, and Akamaru whines.

This boy had an aura of death about him.

Meanwhile...

Naruto had worked up a nice sweat from his training and was using the nearby river to clean off a bit. The blonde was unaware of the audience he had gained.

‘This is the vessel of the nine tailed fox?’ one of them thought.

‘He doesn’t seem like much.’ another said.

Naruto started practicing his sensor skills, and his eyes widened in shock. “I don’t know who you are but it’s not polite to peep.” Naruto says.

‘He can sense us!’ the first one thinks in shock. This didn’t sit well with the third, the male unable to hold back his killing intent.

“Wind Bullet Jutsu!” he fires a bullet of air towards the murderous aura. A cloaked male burst out from hiding and crushed Naruto’s air bullet, but lost part of his robes. Orange hair was revealed, along with a large body. His right side looked corrupted and mutated, his fist massive.

Naruto dodged his fist, but was shocked at the power. “Juugo no!” a pale male with white hair sprang out and tried to hold him back, another male tried to do the same, using 6 arms to try and hold him back.

“Damn it Juugo, control yourself!”

“No! He’s strong! Let me kill him, let me kill!” he roars more of his body mutating. The pale male was shocked. ‘Is this boy really so strong to get Juugo to react like this?’

He took his eyes off Juugo for a moment and Juugo tossed him away, and broke free of the six armed male’s hold.

‘Kyuubi, what’s happening to him?’ Juugo roars as his body became fully mutated.

‘Interesting his body is being altered by nature chakra.’

Kyuubi had been teaching Naruto about nature chakra, it would be helpful with his sensor training. **‘Amazing I’ve never encountered a human with natural nature chakra inside them, he can’t control it!’**

Juugo rushed at Naruto wildly. ‘I can stop him, I just need to relieve the pressure.’ Naruto closed his eyes. ‘Dancing Leaf Technique!’ Juugo kept charging but with each attack Naruto’s body flowed out of the way, it was almost like he was dancing.

Once Naruto was close enough he slipped in close. He kissed Juugo, the orangette froze. ‘Uzumaki 30 Hit Combo!’ his powerful kiss had Juugo’s head spinning.

5 Hit...10 Hit...15 Hit...

Juugo’s legs buckled under the intensity of the kiss, his heart fluttering at the sweetness of it.

20 Hit...25 Hit...

The mutation receded as the nature chakra was given a chance to be released. His body went slack against Naruto, never being kissed before he had no idea what to do. A blush spread across his cheeks as pleasure raced through his form.

30 Hit!

Juugo came into his pants, and Naruto broke the kiss, the orangette dropping to his knees. Juugo looked so refreshed, his body shaking as he came, his orgasm lasting several minutes.

Kimimaro and Kidoumaru were both stunned at this, Kimimaro was the only one who could calm Juugo down, but even that was a 50/50 chance depending how far Juugo was gone.

The white haired male dashes over. “I apologize for my team mate.” he lifts him up, Juugo shivers as cum runs down his legs and over his bare feet. “He sometimes can’t control himself.”

“He has nature chakra inside him, he needs advanced training to keep it from overloading his brain.” Naruto says and collects his things.

“How did you know that?”

Naruto gives him a strong look. “That’s my secret.” Naruto walks off. “I won’t tell anyone about this, try not to get into trouble.” The blonde rushes off fast.

‘What’s the hurry kit?’

“I have a bad feeling, I think my mates are in trouble!” his eyes flash red, and he pours chakra into his feet to move at double speed.

“You lot have foreign chakra on you.” Gaara says, he points at Sakurai. “You have been touched by the Nine Tailed Fox, bring me to him!”

“What are you talking about?” Sakurai gasped.

“Do not lie to me, I feel his power on you, on each of you. Take me to the vessel of the fox, or I will make you!” Gaara’s chakra began to flare making everyone get defensive.

Naruto suddenly appeared on the scene. “Who are you and why are you threatening my mates!?” Naruto growls.

Gaara’s face twists into a terrifying grin. “There you are!” his gourd opened and sand came out and attacked Naruto.

“Gaara!” Temari gasped. The sand coils around the blonde’s body so fast he couldn’t even use the replacement jutsu.

“Naruto!”

‘Dang it, his sand his fast.’ Naruto groans. ‘I can’t believe I have to use this jutsu.’

“I won’t let you escape, in the name of Shukaku I will defeat you!”

‘**Shukaku!**’ Kyuubi growls.

“I don’t think so!” Naruto’s chakra flared, Gaara’s hand tightened as did the sand. It looked like Naruto was crushed, but when the sand opened only Naruto’s clothes were ripped apart.

“Man, that was my sealing underwear.” Gaara and Kankuro turned to find the blonde naked, his massive cock exposed for all to see.

“Oh god!” Kankuro’s jaw dropped at the size of the blonde. ‘I’ve never seen a cock so big outside of the Kumo Pin Up Magazines, is he really from Konoha?’ Kankuro’s cock tented his pants, like all Suna men didn’t believe in wearing underwear.

Gaara on the other hand...

Gush!

The red head had a massive nosebleed. “Gaara!” Temari rushed over to him.

“His...penis...is...so big...” he muttered before passing out.

“Damn it, Kankuro help me!” her shout snapped Kankuro out of his daze, and he ran over to help lift their little brother.

“We won’t forget this!” she yells and they ran off.

Naruto is swiftly tackled by his mates, all of them so happy he was alive.
