Excuse me.

What?

You can't leave until
you make everyone in the
men's bath cum!

This is
Arisu Tachibana,
the idol in
charge of
this event.

Seriously,
an elementary
school idol
in a men's
bath?

I've seen
this girl
on TV...

So small...
so cute...

Noisily...

Tongue kiss, blowjobs, pussy and anal sex, and any number of people can have sex at the same time!

You can call me "toilet bowl schoolgirl", "travelling masturbator", "sex idol" or whatever you like♥

Undressing♥

I like it best when people call me by my name♥

Arisu-chan... are you sure you don't mind if we have sex?

Yes, it's okay because this is a project where elementary school idols shoot pornography in a men's bath.

You don't mind if I call you by your name...
Maximum intimacy!

I don't know if you'll be satisfied with a child like me, but as a professional idol, I'll do my best so that you can cum!

Do you think it's better, for men to put mosaic on their faces? It might get you caught.

Please do not put mosaic on my face or pussy.

You can also take photos and videos. Please feel free to upload them to adult sites.

You can participate during the event, so please advertise it on social media.

Rustle..

Rustle..

She's really taking off hers clothes!

Oh man... seriously?

Let's take another bath!
