Thank you Tiffany,
for being part of our new
TV Show "BIG BIMBO". See
you tomorrow in this room.
Have a great day.

Are you guys
serious out there? This is
typical for the patriarchal society
out there! But without me.
I am here to win, not to become
another airhead for the old
white guys of this world!

Hi there Tiffany,
how do YOU feel today?
Had an amazing day so far?
You look good
today.

Thanks.
I feel good...but...
still aroused. You
surprised me
yesterday.

It is part of the
show Tiff. You want to
win and the people voted
for you, so you won
yesterday with all
five votes.

I won? But
you changed me! Will
I change everytime I
got votes?

That is the
voters choice. But...
you should know
that Tiff...

Yea yea
what ever. I see
that there a lot of
old white guys
who watch this
shit.
