

Christmas Cupcakes

Thank you, Brian, for inviting me. I never thought that despite our differences of opinions at the workplace, you would approach me with a friendly gesture.

Haha, still got that sense of humour! Sad that it didn't help you get the promotion!

Oh, c'mon, Nick. Differences of opinion would be an understatement. We were practically trying to cut each other's throats for that promotion!

I didn't know you were married. Or did you bake these cupcakes yourself?

Why wouldn't I believe you?

I wish, and no, I didn't bake them. And you won't believe me if I told you who gave them to me.

Because these cupcakes are magical!

Alright, maybe not getting that promotion took a toll on you.

Oh yeah? Then I am definitely eating one! Haha!

I am not delusional, Brian. Believe it or not, Santa is real! And he gave me these cupcakes. They make your dreams come true!

Please, have them as many as you want!

Are you sure these cupcakes you bought are not edibles? It sounds like you ate more than one of these. They are delicious, can't blame you.

... And there he was, eating the cookies on the plate!

So, as I was saying, I walked down the stairs, one foot at a time. Here, have more.

No way! Just like that?!
Well, no wonder they're
so tasty and addictive,
can't have enough of it!

At first I felt scared,
but then he turned around
and greeted me with a smile!

I thought Santa was
going to punish me or
something, but he gave
me these cupcakes instead!

I don't know man,
I kinda feel bloated.
But it's so delicious,
I just keep having
another. Why are
you not eating?

You look starved, Nicholas.
You work so much at the office.
You should eat more.

Oh, I had enough of
them last night. Should I
bring the vanilla or
the strawberry?

Uh, I don't think
I can have another.
I already ate like... gosh,
I don't even remember.

Well... it looks delicious

Here, this one
is my favorite!

C'mon, just one more!
You won't regret it!

Mmm... I feel so...
full... I should be going...

What did you...
put in this cupcake?

Oh, you're not going
anywhere, hehe...

Nothing, but I can't
vouch for Santa, or
should I say, his evil
twin, Krampus!

Stop with the jokes,
man... Oh... It feels so
hot in here! Oh!

What did you do, Brian?!
Oh, God, I am sweating
so much!

You won't be thinking
it's a joke when I
get my revenge!

Wow, those are quite
a handful! And they
keep growing!

Agh! These cramps in my belly hurt! What the hell?! When did I grow so big?!

Oh my God!
I have breasts!

Damn, Krampus has a knack for big, beautiful women!

Yeah, you didn't notice?! Haha...

AAAGHHH!!!

You have been always so full of shit, Nick. Now, you are full of tiddies and booties that are of some real value!
