

Chapter 5

Come closer.

As I suspected.

I wonder if he will try to cheat me. hehe

It was his wish to be one of you.

Therefore, his appearance and behavior begin to slowly change.

To fulfill his wish and finally make him one of you.

Wait, there will be more changes?

Oh no, these changes are enough for me, I have to finish it before it's too late.

Probably yes.

I was looking for you everywhere, I told you to wait for me in the toilet.

Nino, what is this all about?

Why does Mutsumi-chan look like you?

I guess it's better not to tell her that I made Mutsumi-chan correct the test for me.

We were doing a little experiment.

Experiment?

Hope you are not making Mutsumi-chan correct the tests for you.

hehe. Of course not.

It's good I didn't tell her that.

Instead, I will give you something.

What is this?

Ymm Let's say it's like candy to me.

What am I supposed to do with it?

You have to eat it.

What are you waiting for?

Why is she giving me candy?

Well, if it makes me avoid punishment ...

Just like I thought, it's just plain candy.

Tell me, Mutsumi-chan, did you wear women's clothes before it all started?

Ymm... yes, a few times, but that was a long time ago.

Hehe. So wearing women's clothes is nothing new to you. interesting.

What? Why did I tell you this?

What's going on?

Hehe. It always amuses me.

What I gave you was no candy.

It was pure innocence.

Now you shouldn't be able to lie anymore.

I can't lie anymore.

Wait, but you ate it too, doesn't it work on you?

Exactly.

But isn't it a problem that Mutsumi-chan can't lie?

It works, but not that strong.

You mean our little secret?

Yes.

Great, not only that I have to pretend to be a girl, but now I can't lie.

Don't worry, Innocence prevents you from lying, but it doesn't force you to speak.

But I wonder one thing why did she eat it?

So Mutsumi-chan won't tell anyone.

And why did she say it's like candy to her?

Sorry, Mutsumi-chan, I thought you were Miku.

After all, you are the same height and you even smell the same.

Really?

It's probably that shampoo.

Probably so. anyway, please give Miku the headphones back when you meet her.

Something else?

Just what?

Ymmm, no, just

I still wonder why your breasts are smaller than your sisters' breasts.

What!?

Oh no,
I can't tell her
it's because I'm
a guy.

But I can't
lie either.

I cannot lie or
tell the truth. What
should I do? I am
trapped.

Sorry, I was
just kidding.

I didn't
know she was so
sensitive about her
breasts.

I am
sure they will
grow even
more. hehe

confused

During the day ...

Miku, you know where the math teacher went?

No, I don't know, and besides, I'm not Miku.

Sorry, Ichika. hehe

I'm not Miku.

Nope.

Say, Miku ...

Nino?

Does everyone do it on purpose?

After all, I am not like them.

It's great to see you, Miku. The headmaster said the math lady's gone today, and we can go home early.

Some time later...

Thank you for finding my headphones, I'm looking for them everywhere.

Through these headphones, everyone thought I was you.

Some even thought I was Nino or Ichika.

Really?

Yes, but they were probably just joking.

After all, I don't even look like you. hehe.

Or maybe they weren't joking at all.

Maybe to everyone, you are like us.

It would be a disaster.

Why, what's so wrong with being like us?

Nothing, but I feel a little weird when someone confuses me with you.

After all, I'm not even a girl.

So you just want to be different from us?

That's all?

Actually yes.

Then I can help you.

In the evening in Fututaro's room ...

When Miku said she would help me, I was expecting something other than a hair ornament.

But if that is to help everyone distinguish me from girls ...

But now I'm starting to worry about what this abnormal angel was saying.

She said that my wish has not yet been fully fulfilled and there will be more changes.

Hmm...

Fortunately, I don't see any yet.

Who knows, maybe before there are any changes, it will be over.

I hope.

Because my chest is starting to feel strange.

But it's probably just my imagination.

Besides, I have a worse worry now.

How am I gonna get this something off my nails?

Maybe it will wash off by itself over time?

At least it's good that I don't have to dress up like any of the girls anymore.

By the way, I wonder what are the consequences she was talking about?

Next time, I'll ask her about it.

At least one thing this girl helped me with.

I also forgot to ask about these wishes.

But I already know how to make girls withdraw my wish.

It will also be a great opportunity to take revenge on Nino and Itsuki for what they did to me. hehe

Some time later...

You really have to teach us again, after all you don't work as our tutor anymore?

Of course I have to.

Your grades have deteriorated so much lately that I don't see any other choice.

I was already glad that he would not bother us with teaching for some time.

It's probably his way of getting back at us for what we've done to him.

Mutsumi-chan
is probably doing it to
get back at us for what
we did to him.

But the
problem is, it's true,
our grades really
got worse.

So this
time we
have to obey
him.

And
the worst
part is that we
can't protest
because it's
true ~

Nothing.

Is something
wrong, girls?

Absolutely
nothing.

Everything according to the plan. hehe

What are you going to do now, Nino? It looks like I won.

He probably thinks he won.

But I won't give up that easily.

Nice nails, Mutsumi-chan.

Is it Nino's work because they look the same as hers?

What, what are you talking about?

I can't let the other girls see that my nails are painted.

So that's why you started wearing this hairpin?

Mutsumi-chan. hehe

No, it's because for some reason everyone started to confuse me with you.

You're kidding, you don't look like us at all.

Just say you are starting to like these things.

I confirm. It's true what Mutsumi-chan says.

Yes, that's why I gave him that hair clip.

Really, they start confusing him with us?

I feel strange now. I'm not sure if I should keep laughing or starting to get angry.

In the night...

Mutsumi-chan.

I've been
looking for you
everywhere.

You can't walk away
so suddenly without
telling anyone, mom
will yell at you again.

In addition,
you've got your dress dirty
again, now mom will yell
at you for sure.

This is
that girl.

What? What dress,
I don't wear dresses?

Wait, why is my voice sounding different again?

What is this ?!

Is this some kind of punishment again?

What? Was it just a nightmare?

And I was already scared. *Sigh*

What a strange dream this was.

I guess I need to find a way to end it all as soon as possible.

The only problem is there is nothing I can do.

Maybe I should just apologize to this girl?

But would that be enough for her?

Wouldn't that have angered her even more?

Eventually she may think I'm just doing this to get rid of the problem.

I guess my only hope for now is Itsuki. *Sigh*

But for now I have to go to sleep again, after all, tomorrow is an important day.

The next day in
the studio ...

Ichika, do
I really need to
wear high heels?

Of course,
Risa made you
wear them.

By the way,
what are these
clothes?

These?
I found them
in my
wardrobe,
don't I look
stupid
in them?

Er, thanks ~

No, you
look great in
them.

It looks like you
needlessly borrowed
this money from me
back then. hehe

Then you are not staying with me today?

Sure.

But unfortunately it's time for me. Call me when you're done.

Do you miss me already? That's cute. hehe.

I'm sorry, but today I can't. Don't forget that I also have a job.

After work, call me and I'll pick you up, then I'll tell you what the surprise is.

We, too, are already going to work, we finally have a lot of it today.

But first, the formalities.

A moment later...

During the
interrogation ...

Okay,
Mutsumi-chan,
are you ready?

Yes.

Then let's
begin.

Haru-kun,
I love you
too, but it's
not possible
for us to be
together.

My father
will never agree
to that.

But
I love you.

I'm
sure your
father will
understand.

I love you
too, Haru-kun, but
I can't go against my
father's will.

Besides, there
is one important
thing I wanted to
tell you about.

I'm
getting
married
soon.

So
please don't
come to me
anymore.

What is going on here?

I would like to know it myself?

I wonder if she can sing too.

We have to check it later.

Hard to say.

It's amazing what progress she has made in just three weeks.

At first I wasn't sure if she was really a girl and now ...

She seems so innocent.

As if someone had given her this innocence.

At this rate, we'll finish recording everything in three days.

In the meantime...

Sneezes

Some time later...

Okay, that's enough for now, a 15-minute break.

Finally a break.

My feet are already aching from these shoes.

This job is harder than it sounds.

Now I know what Ichika has on a daily basis.

Now I understand why she couldn't cope with her studies.

I think nothing will happen if I take them off for a moment.

* Sigh * Better right now.

Hmm?

As I thought, the bath didn't help. It didn't wash off.

Although I had no other choice.

Although it looks cute.

I still can't believe that I agreed to it then.

But did she really have to paint my toenails too?

Okay, we start in ... 3 ... 2 ... 1

Yasashii kaze
mebuku tsubomi
Machi someteku
hanaaaa-tachi

Utsukushisa wo toki to tomo ni Yume no you ni naku natte shimau

Anata no nukumori Sore to onaji de kiete shimau kana

Shocked

What?
But how? How she can sing it like that.

Good start but we'll see what happens next.

It sounds like she's trying to tell us her story.

It doesn't sound like she's singing.

As if this song was about her.

As if she was the girl in the song.

You're my everything
Wakare ga atte mo
akiramezu kao wo agete

Haruna's imagination ...

Eternal Song
Katashi wa iranai
dakishimete kanjite
hoshii

No, it's definitely Mutsumi-chan.

For a moment, I thought I saw Miyuki-chan.

Haruna's imagination ...

Reality.

Katachi
wa iranai
dakishimete
kanjite hoshii
Juunen-saki mo
hyakunen-saki mo
sennen-saki mo
ai wo utau

hehe

From
what I can see,
Mutsumi-chan
has a really great
singing talent.

If Haruna
reacts like that.

It was
beautiful ~

A moment later...

It was amazing, why didn't you say you could sing like that before?

You're exaggerating, it wasn't that good at all.

I'm not exaggerating, Haruna started crying with delight.

I wasn't crying, just something popped into my eye, that's all.

Of course. hehe

Really, she liked it that much?

Yes

Anyway, see you next week, Mutsumi-chan.

Goodbye.

In the corridor ...

Nino !?
What are you
doing here?

Ichika, you
promised not
to tell anyone
about it!

Sorry
Mutsumi-chan,
I didn't notice
that Nino was
following me.

Can you
tell me
why you are
dressed
like that
and what is
this place?

I wonder
what
Mutsumi-chan
is hiding
from me.

Okay, I'll
tell you, just
promise you
won't laugh.

embarrassed

... Okay, I
promise not to
laugh.

Some time later...

A visit to a hairdressing salon? This is the surprise?

Yes, but I'd rather not borrow money from you again.

Really?

Yes, I thought you could use a haircut.

Don't worry, I'm paying.

Yes.

I could use a haircut, but something's wrong here.

Thanks, and what would you like in return?

Should I correct a test for you?

Maybe another time. hehe

But since you are asking, I would like to choose a hairstyle for you.

And how?
Are you able to
do something
about it?

I'm counting
on you.

Of course,
leave it to me.

Don't worry,
when I'm finished
with her, you won't
recognize her.

Wait, tell
me your name
at least.

What? Why
are you in such
a hurry?

Now come with
me, we have a lot of
work and little
time.

Midori Imak,
that's enough
formality.

Cause
I can't look at what
you've done to
your hair.

Midori is a great hairdresser but he is obsessed with it sometimes.

What happened to her?

So we're going to have a lot of fun. hehe.

Yes, that's my natural color, why are you asking?

Great, but before we start, I have one question.

This is your natural hair color?

Because I use a shampoo that washes off cheap hair dyes easily.

No, don't worry, it's my natural color.

Then let's get started.

A moment later...

hmmm...

hmmm....

I see your natural color just washed off Mutsumi-chan. hehe

You could at least have used hair dye, not a color shampoo.

When she wakes up, I will tell her to use hair dye instead of coloring shampoo in the future.

But why would she lie that it was her natural hair color?

Hmmm ... I'll ask her later.

To be continued...
