## CLASS SKILLS

■ Territory Creation: A

■ Item Construction: EX

Only in regards to tools used and forged through alchemy does this skill become truly exceptional. In all other areas, it is equivalent to Rank A.

## PERSONAL SKILLS

■ The Alchemist: A+

The capacity to utilize the form of Alchemy specifically practiced by the Western magi of the Clock Tower and Mage's Association. As it is an "older" form, it is technically closer to its Egyptian roots than the form practiced by more modern alchemists.

■ Philosopher's Stone: A+

The creation of a "true" Philosopher's Stone that can bestow a form of limited immortality upon others.

■ Squaring the Circle: EX

A skill related to Pioneer of the Stars. Regarding specifically the study and application of magecraft, feats that are normally considered "beyond the scope of his abilities" enter the realm of possibility. Because it applies so specifically to revolutions in the field of alchemy, it cannot function in regards to other forms of challenges.

■ High Speed Incantation: A

## NOBLE PHANTASMS
