

## Man Candy

On Halloween the time for candy and treats is always a key thing. After visiting a strange candy shop Johnny ends up with the weirdest treat ever.

-X-

Johnny Tamber, age 20, he has short chestnut hair, he's tall, and well built; from the soccer team to basket ball. He was a kid at heart, he loved trick or treating when he was a kid. Nothing he enjoyed more than getting a bag of candy and watching some scary movies.

Sadly between school and sports, he was late buying candy. It was Halloween and every store he went to was sold out. "Oh man, no candy on Halloween totally lame!" he ran his fingers through his hair.

A brush of air caressed his neck. He shivered and turned, green eyes widening as he was in front of a candy shop he'd never seen before. "What the heck?"

It had no windows only a door, he peered inside and saw there was candy in there. "Well better than nothing." He went inside.

"Greetings!" the shop owner came out. The shop keeper was an odd one, he was tall with brown hair, it was long tied back in a braid. He wore large glasses that framed his face well.

"This is a candy store right?"

“Indeed, we have a very special candy. It's all we have, and the first choice is free.”

“Hmm,” he looked around. “Ehh, Man Candy?”

“Oh yes, we have a variety of flavors. Strawberry-Banana, Cherry-Apple, Blueberry-Bubblegum, and Chocolate-Caramel.” he showed the boy the candy balls.

'What's with the weird flavors?' he reached for one. “How much?”

“The first one is free, usually people can only handle one.”

He took the blue and pink swirled ball. “I guess I'll try the blueberry-bubblegum.”

“Excellent choice sir, just remember a lick is all it takes.” he left and went home. He stopped only to turn his eyes widened a the shop was gone.

“Oh man, oh man, oh man!” he chanted over and over as he went. His mind was racing, he ran his fingers through his chestnut hair.

He looked down at the gumball. 'Man Candy?' he licked his lips. “Well why not?” he opened the candy and held the ball of candy in his hand. Taking one final deep breath he popped the candy ball into his mouth and began to suck on it.

The effects were instant, the taste hitting Johnny like a hurricane, the perfect flavor of the blue berry mixed with delicious bubble gum, he rolled the ball on his tongue. 'There is something else...what is it?' he blushed.

He went to move to get his horror movie stash, but on the first step the candy ball sparked in his mouth. 'Fuck!' for a second he thought he had bought one of those trick candies, the kind that burn your mouth or turn your tongue black.

Spitting out the candy seemed to be the only choice. The candy ball shot from his mouth and hit the floor. It crackled and cracked.

“Lick me one time ahhh”

Johnny heard a voice, as blue smoke released from the cracks of the ball.

“Lick me twice ohhh!”

More cracks formed over the candy ball, it almost looked like an egg hatching.

“Ohh Ahh OHHHHHHHHHHHHH!” the sexy moans came from the ball, as it exploded. Johnny blushed harder, as a figure formed in the smoke. He was tall and ripped and...and...blue!

A blue skinned figure stood in all his naked glory. He had wild pink hair, pink perky nipples, pink pubes, and pink cock tip. Outside of those he was a glorious shade of blue, big feet, long legs, his 12 inch cock was standing erect, letting his hefty balls be seen.

Johnny's eyes traveled up him, licking his lips, rock hard abs and nice big pecs, smooth pits and strong arms, he was handsome, with swirled eyes a mix of blue and pink. Johnny

had never seen such a perfect creature, even guys in magazines would look at this man...candy...with joyous envy. 'Man Candy nothing he's pure eye candy.'

“Hey there cutie, what a welcome you gave me.”

“Huh?” he blinked, the sexy voice drawing him back to earth.

“One little lick is all it takes to awaken some man candy, but you...” he hummed, his penis twitching, he rocked his hips forward. “Popped me in your mouth, and sucked me! Oh baby what a welcome!” he rolled his hips some more, his hard dick bobbing.

Johnny gulped watching the huge tool. He licked his lips, his own manhood strained against his pants. “My name's Johnny what's yours?” he was at a loss for words.

“Blueberry-Bubblegum is my name, but you may call me Blue.” he took Johnny's hand and kissed it. Johnny was too stunned for words, and Blue got to work. He pulled off Johnny's top, exposing his own toned body.

“Wahh what are you doing?” he quickly covered his chest, hiding his perky nipples.

Blue smiled. “Returning the favor.” he undid Johnny's pants and helped free his hard dick. His hard 8 incher sprang up, he was uncut, his foreskin hugging the head of his penis.

Johnny's head was spinning as Blue sank to his knees, coming face to face with his erect penis. “Hello there,” he runs a finger along his shaft, loving how it twitched. Placing a kiss

on the tip, was all the warning Johnny got.

If his head was spinning before, he tossed it back as his whole cock was swallowed down to the root. Blue swallowed him, humming round his whole length. "Oh fuck!" his mouth fell open.

Pleasure, sweet hot heat enveloping his cock, sizzling vibrations rushing over his shaft. Blue bobbed his head back and forth, mouth and throat working his dick like no tomorrow. Suction, oh sweet sweet suction, back and forth.

His foreskin sliding back and forth across the head, the candy tongue playing with it and slipping underneath. Swirling round and round the head, flicking the tip and collecting any dew drops of manly essence that spilled.

Johnny shuddered, toes curling and fingers flexing as his penis was sucked by the Adonis. 'This can't be happening, I'm dreaming,' he looked down, and Blue was working his sexy mouth back and forth, the sight of his penis appearing and disappearing into that mouth, coming back glistening in saliva.

To top it off, the down right icing on the cake, Blue took that moment to look up. Their eyes met, a spark rushing through Johnny and he was finished. His seed erupted into the candy being's mouth, who happily slurped it down.

Not a single drop could be wasted, his essence making the pink haired man's body tingle. He gulped down with joyous vigor. Johnny shuddered as his dick was licked and sucked

clean.

“Wow!” Blue pulled off his cock.

“Yummy!” He licked his lips.

Johnny eyed the hard thing between the pink haired male's legs. 'Turn about is fair play.' He pushed the man candy on his back, Blue eying him in surprise.

The boy takes his cock, feeling it's weight in his hand. He gulped and licked his own lips. He wasn't that experienced about giving head, but he felt he had to try. Tossing away his top, he went to town.

Caressing his dick with his hand, his lips coming down onto the pink head. His eyes widened at the taste. He moaned and sucked on the head, licking at the tip. 'So good...'

Blue moaned as Johnny was licking him like crazy, his tongue flicking back and forth along the head. His hand sliding back and forth along the blue length. 'Blueberry and bubblegum, he really tastes amazing, I can't stop!' pre began to spill over his tongue, his essence was sweet.

Johnny kept lapping and stroking, trying to coax more out. More he got, his free hand cupped the male's hefty balls, massaging the round orbs. Blue arched his back, his climax hitting him like a tidal wave. His thick man milk poured into Johnny's mouth, the goo was super sweet, Johnny was quick to stroke him through his orgasm, his actions milking him of 5 more spurts.

Not a single drop was wasted, and after drinking the Man Candy's cum Johnny found himself rock hard again. Blue looked so damn sexy, his body flushed, the cutest purple blush staining his cheeks. His manly aroma was mixed with the smell of arousal, blueberries, and manly musk. His muscled form lay spread out, and his legs spread wide, exposing his pink hole.

Johnny pumped his cock, as his left hand came down to inspect his man hole. He pushed his finger in and both males gasped. Johnny couldn't believe it, his hole was stretchy like bubblegum, a second finger was added and it stretched so easily as he scissored him.

Blue looked so happy, his tongue hung out as the boy stretched his hole about, not a ounce of pain was felt. A third finger was added and his still erect cock leaked.

Johnny felt a surge of lust charge through him and he began to finger fuck Blue hard and fast, turning up his insides. His large blue cock leaked all over his gorgeous abs. "Please fuck me!"

He didn't need to be told twice, how many chance would you get to fuck a stud like this. He removed his fingers, earning a whine from the man candy, and watching as his gaping hole twitch as it slowly tried to close, his insides were pink to.

Johnny lined up his wanting cock and buried his length all 8 inches in one go. "Yes!" Blue moaned.

"Tight!" Johnny moaned, the pink inner walls hugged his

penis, fit so snug like a glove. He pulled back and it was almost like they sucked on him. Only to relax as he thrust back in. “Oh fuck just fuck!” he began to move, his balls slapping blue cheeks.

Long blue legs wrapped around his waist, as his big feet flexed, toes curling with each glorious thrust. “I'm happy you like my ass, your cock feels so good!” he pulled the boy closer.

Johnny couldn't take anymore, he latched his mouth onto one of his pink nipples and sucked on it, tasting the yummy bubblegum. His tongue flicked back and forth along the perky bud, before sinking his teeth into the nip. “Ohhhh!” Blue bucked, his massive rod sliding along Johnny's belly.

The boy switched it up to sucking on the perky bud, drawing another throaty moan from Blue. His thrusts grew wild and erratic, if Blue was a normal human it'd hurt but his soft insides could take everything he had to dish out.

It was Johnny who came first, the tightness around his dick too much for the virgin...well former virgin. He came hard, hit thick seed pouring into Blue's ass. The man candy shivered, toes curling at the sensation.

“Sorry...” he panted into the man's chest.

“No need, I'm happy you enjoyed my ass so much, may I try yours?” Johnny blushed.

“S-S-Sure,” he was nervous, but he pulled his cock out and got on all fours. Blue got up, Johnny's cum spilling from his

hole and running down his blue legs, it made quite the contrast. He knelt behind the male, spreading the boy's cheeks and seeing his tight man hole. Blue went to town, kissing the pucker and giving it a lick. "Ohhhh!"

Blue kept it up, his wet muscle working into his hole, the inner muscles giving in. Johnny panted as the tongue fucking began, his tongue thrusting in and out, Blue throwing in a wiggle to make it feel better.

He didn't stop at just a tongue fucking, his hands fondled Johnny's ass, fingers digging into toned muscles. The poor boy had never used his ass, now he was getting the loving of a life time, that tongue working his hole open.

Using his thumbs he spread the hole open, and Blue spat into his gaping entrance, watching his saliva bubble up before sinking deep into his ass. He dove back in, thrusting his tongue deep into his ass, curling it and rolling it inside him.

"Ohh fuck me!" he cried out. Blue pulled his tongue out, and smirked. He lined up his huge rod and began to push in. Johnny moaned as his man hole stretched wide, thankfully the man candy understood he was human so he went slow.

This was a double edged sword for Johnny as he felt each glorious inch fill him up, painfully slow almost. With each new inch he felt there was more to come, and more he got. Deeper and deeper, and Johnny thought he would go mad. "We halfway there." Blue whispered into his ear, and Johnny gasped his inner walls tightening around his cock.

'Half way?!' he shivered and his rod rose back up to full mast. He didn't know if his body could take anymore, but more he got as Blue filled his ass with more of his dick. Fullness, stretching, a little bit of pain, but it faded fast as pleasure mounded his form.

Blue reached around, one hand teasing one of his nipples the other coming around to pump his shaft. "Oh god!" Johnny moaned and bucked into his grip. Blue responded by stroking his leaking shaft while stuffing him with two more inches. His man hole was wrecked, it was official. When he felt the male's powerful hips meet his butt he was full. "So big so hard!" His inner walls massaged the full length of the man candy.

He could feel the male's pre flooding his insides, it made him feel all warm and slippery inside. "Move...Please!"

Blue obeyed, pulling out slowly, letting his pre fill the void he left behind. Soon only the tip was left, Johnny looked back and saw the huge piece, he could hardly believe that was inside him, but the void he felt inside him was true.

The man candy thrust back inside and the two moaned. Friction, hot, tingling, glorious friction, making fullness. "Faster!" Johnny cried. Blue obeyed and began to pound the boy's man hole, his hefty balls smacking into his own, sending an extra jolt of pleasure through him.

Looked like he didn't just increase the pace in his ass, but the pumping to his shaft increased. "Ah ah ah ah ah haa Ahh ohh fu-ahhh!" His once virgin ass was turning a lovely shade

of red from the smacks of the blue male's hips. "I can't it's too good I'm cumming!"

Johnny blew his load, painting the floor and his hand with jizz. His inner walls clamped down hard on the thrusting rod, increasing the friction between them. Blue kept fucking him, pounding his sweet spot with each pass.

Johnny's eyes rolled up, drooling in a orgasmic bliss, he was forced to have another orgasm, it was so powerful he nearly fainted. Finally he felt the man candy climax pouring his thick goo inside him.

The boy blacked out for a few minutes, when he came to he was in Blue's lap being held with upmost care. "Oh man, so it wasn't a dream?"

"Nope, I'm the real deal sugar." he kissed the boy's cheek. Johnny blushed as he felt some of the goo leak out of his ass.

"I thought you'd vanish."

"Nope," he handed the boy his wrapper. "I'm long lasting like gum and jaw breakers." Johnny checked the wrapper.

"Man Candy long lasting good for at least 100 years!"

"I'm all yours." Johnny smiled, he kissed Blue hungrily. "If you ever get bored?" he revealed two more bags. "I got friends, who'd love a chance for a moresome."

"Maybe next Halloween, I want to savor the flavor." he hugged the male, and kissed him hungrily. Blue smiled into the kiss and pressed back.

End
