<p>DECKHAND'S DANCE ITEM 5</p> <p><small>INVESTED MAGICAL</small></p> <p>Price 130 gp Usage worn shoes; Bulk L</p> <hr/> <p>Watching the machinations of a well run ship can almost be like watching a well choreographed dance as deckhands flit about up and down their rigging. The rocking and swaying of the ocean waves seemingly is not a problem for their well seasoned sea legs. It's not all experience though as some of them have a trick up their sleeve, and on their feet, in the form of magicked boots that have been altered with retractable spikes on the soles for just the right amount of grip when you need it.</p> <p>Activate ♦ Interact; Effect You either extend or retract the spikes on the soles of these boots. While the spikes are retracted, these act as normal boots. While the spikes are extended you gain the following benefits. Your normal land speed lowers by 5 feet, but you gain a +1 item bonus to your DC against attempts to Trip or Shove you. Unarmed attacks that you make involving your feet deal 1 additional piercing damage. You ignore difficult terrain caused by non magical sources such as ice.</p> <p style="text-align: center;"><small>AB</small></p>	 <p>DECKHAND'S DANCE</p> <p style="text-align: center;"><small>AB</small></p>
