

**They,  
your ungrateful biological  
parents, deliberately  
crashed into her**

Had it not been  
For Yoonhee unnie's  
kindness,

Do you think  
you can still live in  
that luxurious  
house?

Do you think...

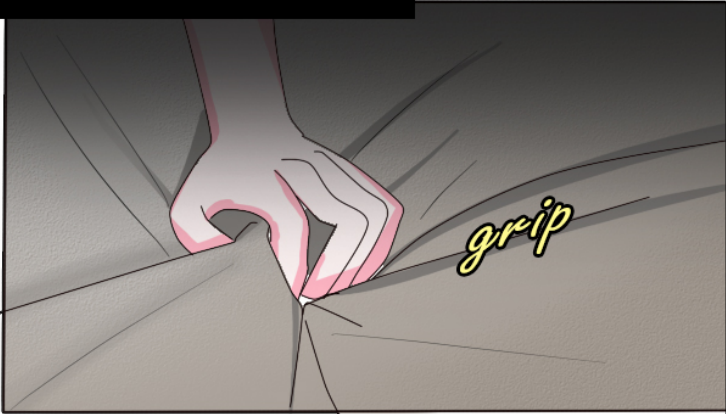

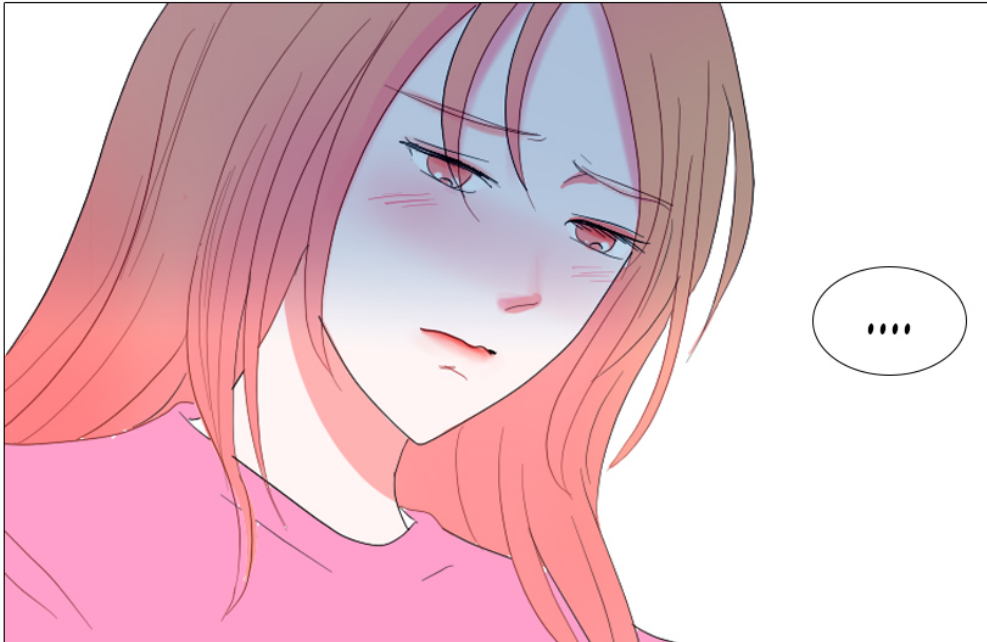

**BLOODY HELL**

What was it?

Why was I dreaming  
about her?

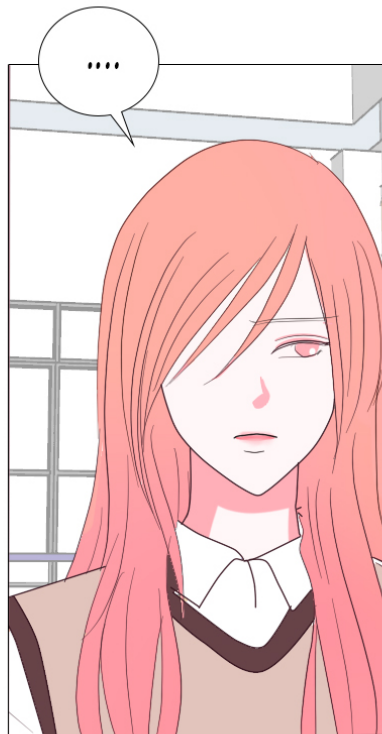

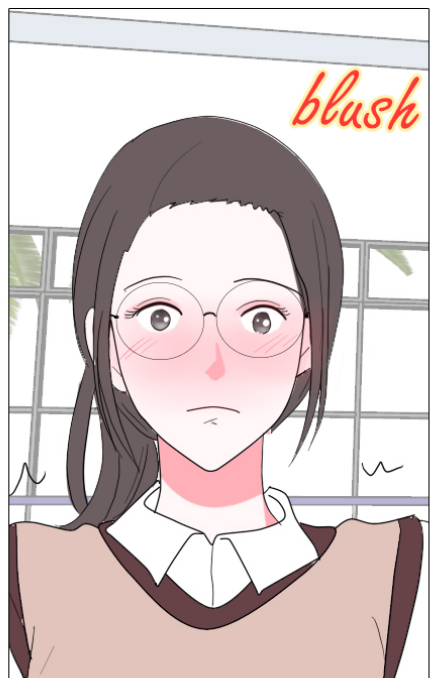

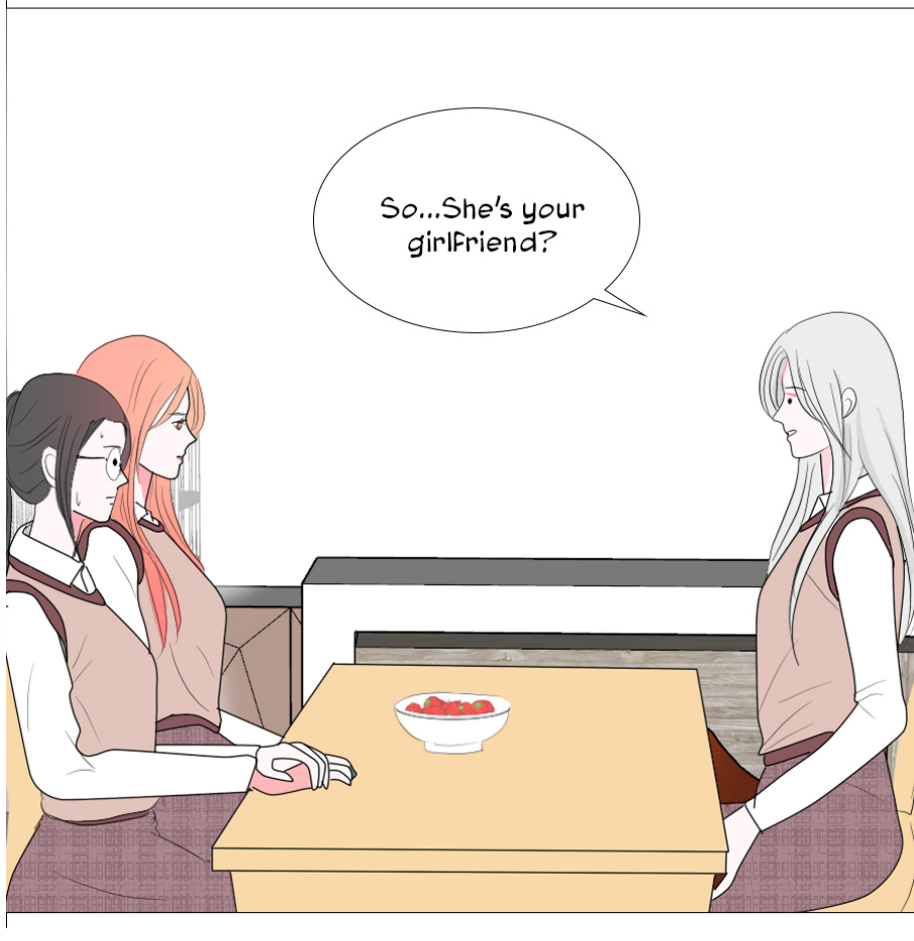

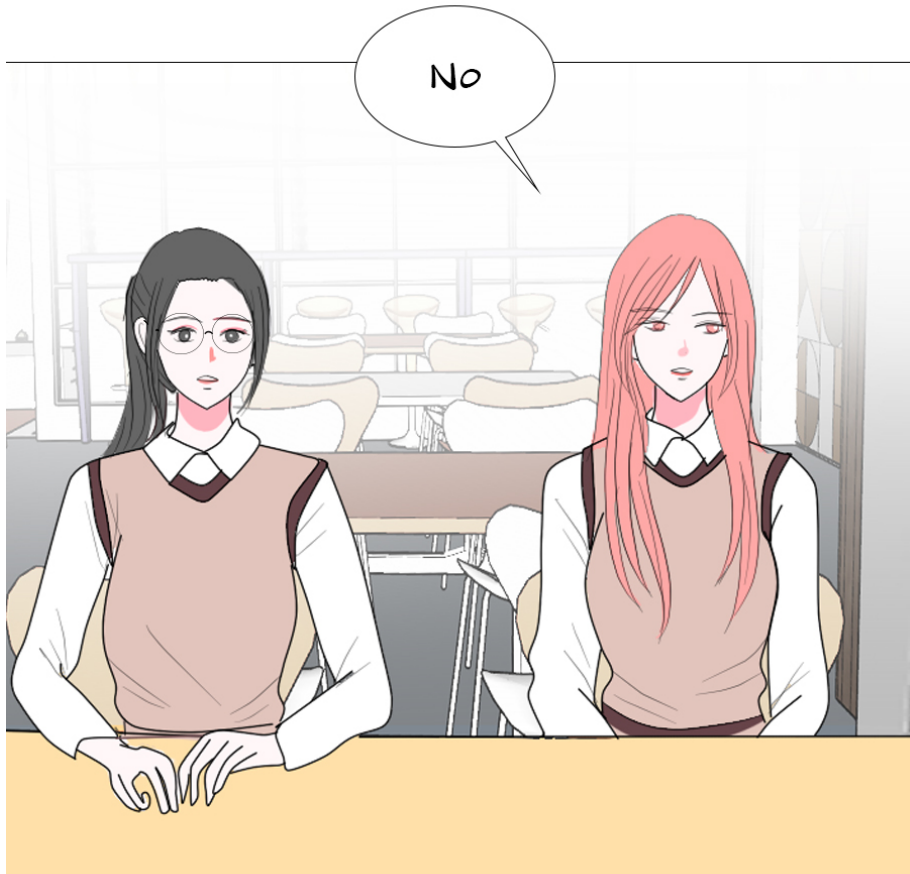

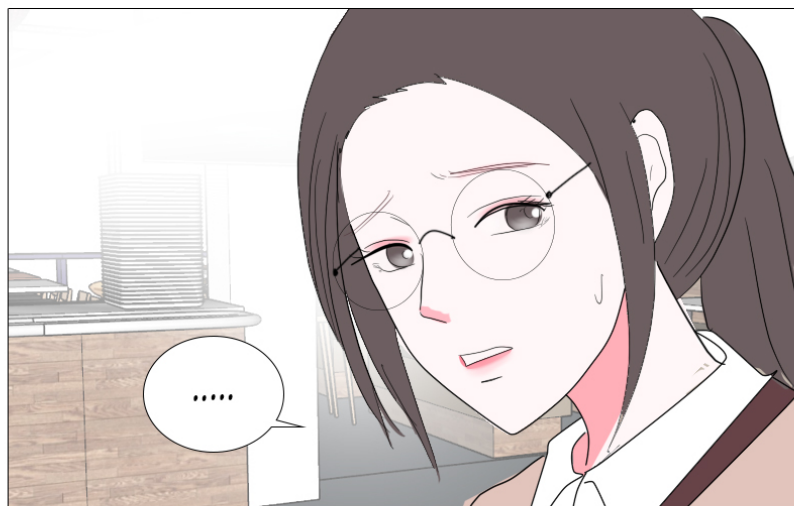

**NEXT MORNING**

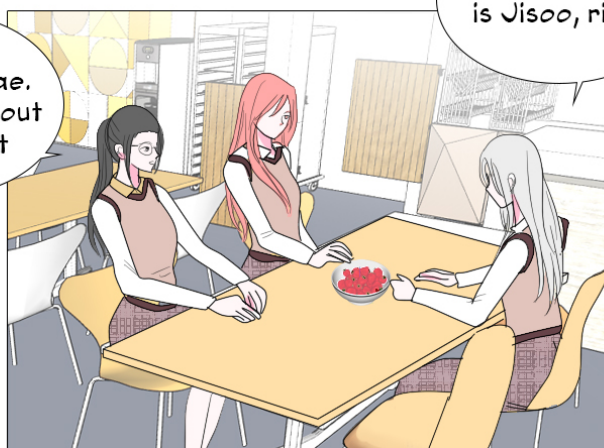

Ah..I see.  
It is the first time  
I've seen Aerin with  
a new friend so  
I'm just a bit  
curious.

Your name  
is Jisoo, right?

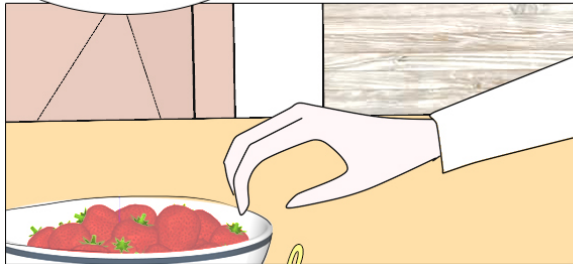

Yes, sunbae.  
I heard about  
you a lot

You're Aerin's  
friend, just  
call me unnie

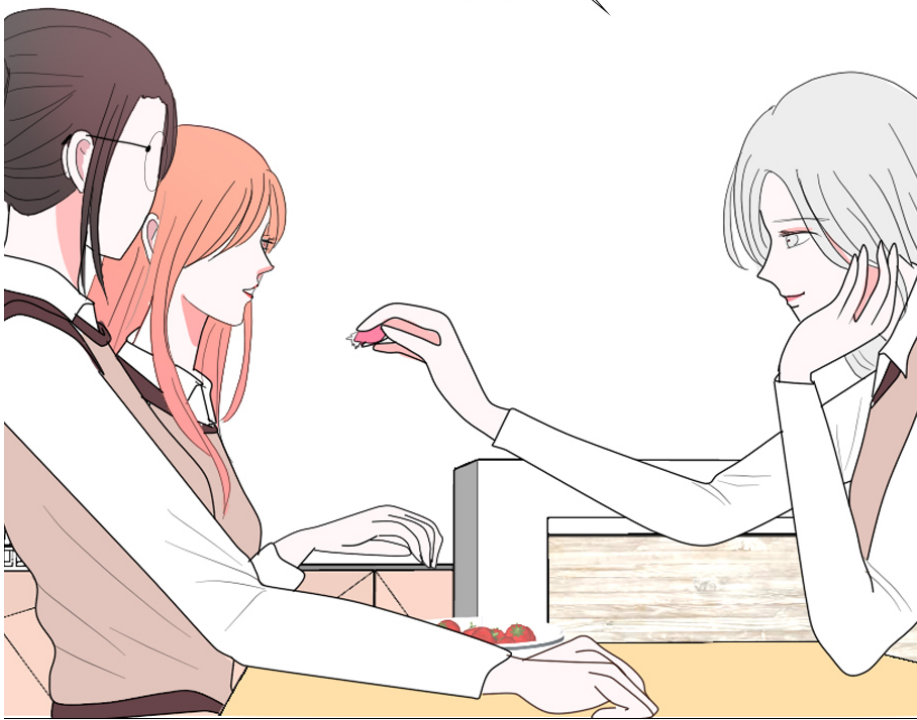

I'm sorry  
about that time,  
I thought you were  
after Aerin but  
but not with good  
intentions

Oh..haha  
You don't need to,  
sunbae. I don't  
mind that

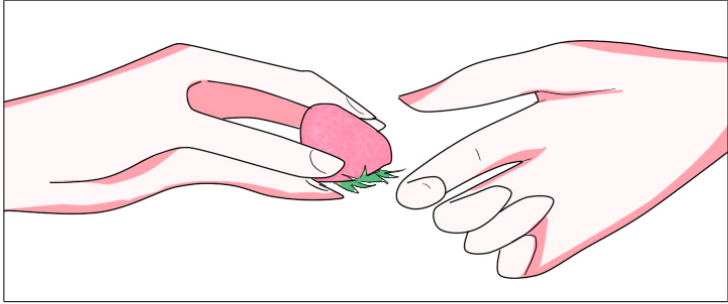

*pick*

*This one  
tastes better*

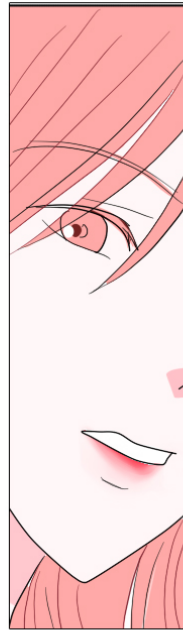

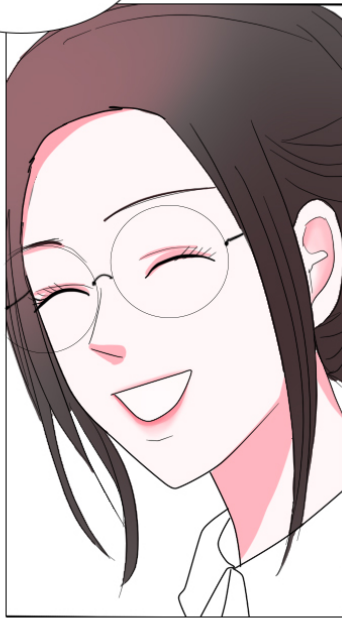

Thank you,  
unnie

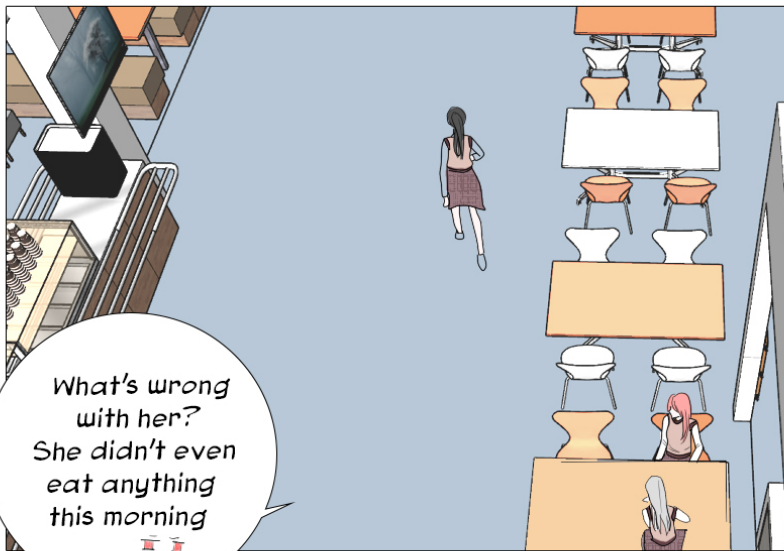

My  
pleasure

Uh...Sorry

I gotta go to the bathroom a minute

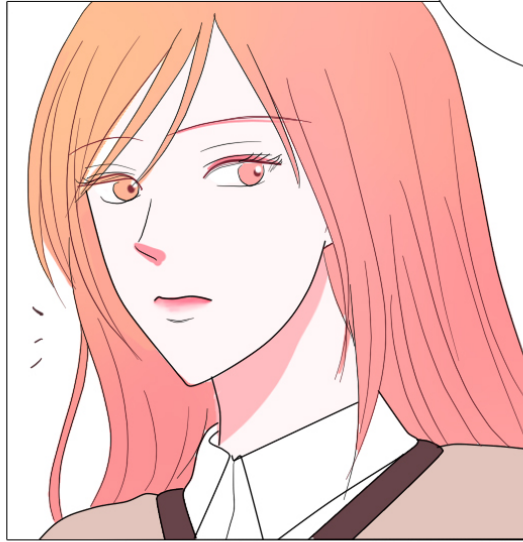

What's wrong with her?  
She didn't even eat anything this morning

....? ☺

Hey,  
Aerin.

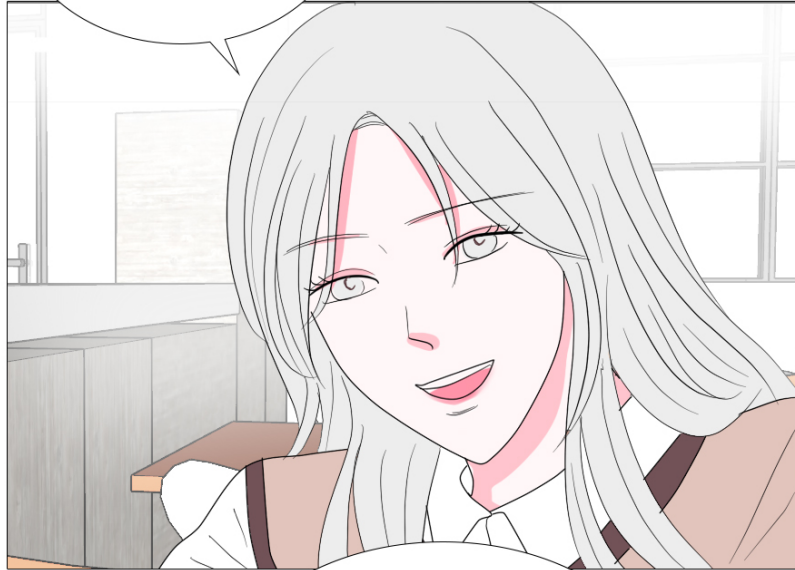

She's really  
just your friend?

Then what  
the hell are you  
expecting?!

No...No!  
I'm just asking!

Did I tell you  
I just met a new  
student council member  
who showed a strong  
attachment to nerdy  
types?

I think  
I can introduce  
Jisoo to her  
later
