"Ah.. She looks enjoyable with it.."

"What a great plan
that you could think of.."

S-So..

Won't you mind if
I ask you right now?

About Marie,
of course..

Marie.. She was an
ex-military.. She been in
hell before..

People said.. No
one could return
from it.. Yet, Marie did.

Marie always keep the past to herself. She never share it to anyone.

Even when became a maid in this house, everyone keep talking about her.

That woman.. it was
a shame that we had
a coward..

She must have left
her friend to die at
the frontline..

Coward.. This is not your place!

Where's my son!?
Give me back my precious boy!

Sent a woman to the battlefield? Were they crazy!? Look at this coward!

She should have sacrificed for the country!

All those gossips,
Marie basically don't
care. Like she used to it.

The only person that Marie cared, was Jannie, our Lady in the house.

I tried to get on well with her, but it was hard.

And Marie herself never let anyone to see her body when changing clothes.

I don't know why
you wanted to
know about her..

んんん

Aren't you going to be Jannie's fiancee?

Seem like.. she
didn't love me so much..

Pfft..

Ahaha.. Lady always
like that.. a bit stubborn.

"Still better than her old man, who used maid for fun, a bastard."

Hey, I suggest you shouldn't work here. Find another place.

I can't, really.
At least.. he paid
me well each month..

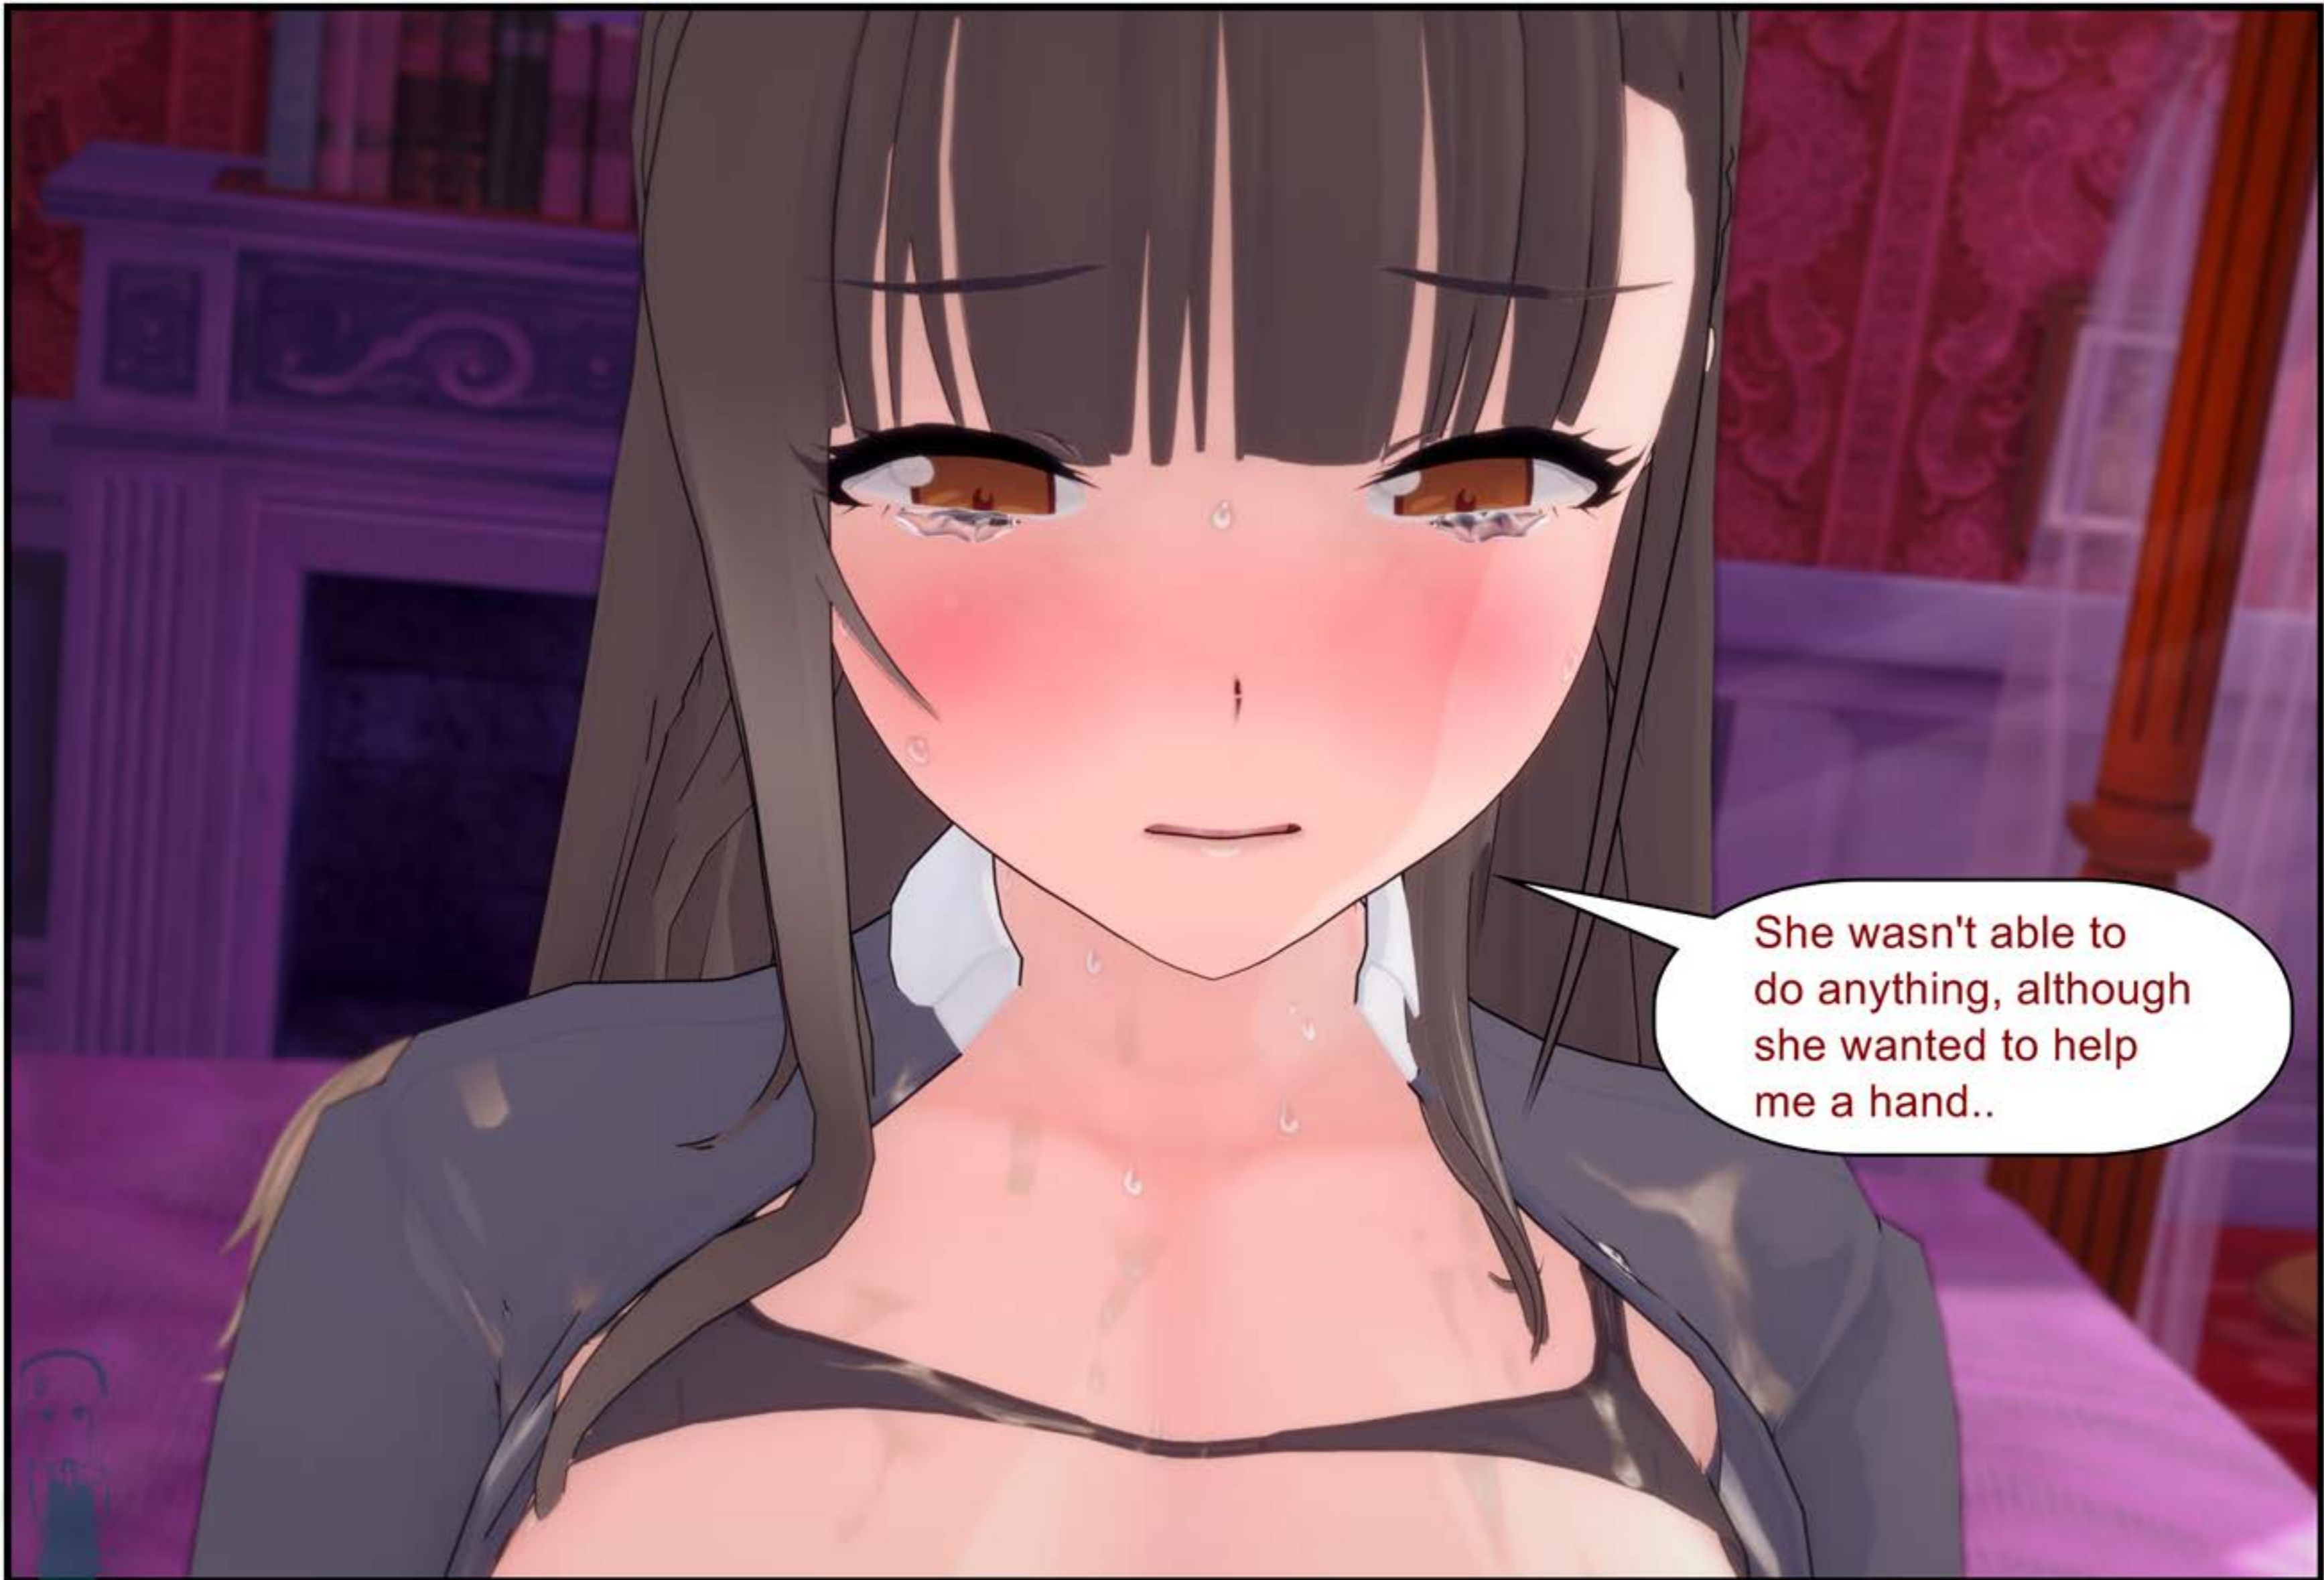

You just done with
me, seem like you
had experience before?

A pregnant woman with long dark hair, wearing a dark grey or black suit jacket over a white collared shirt, is shown from the chest up. She is looking down at her large, glowing belly. The background is dark and indistinct.

I wasn't like you,
handsome man. I'm
the low-life one.

My Father died in war years ago.. My Mother was sick..

She wasn't able to do anything, although she wanted to help me a hand..

I'm sorry, my duty
was not allowed to
talk to you..

Wait!!

I understand that you were in the hard spot. But you also were a good person.

M-Mister.. Aren't you going to..

I would like to meet your Mother after I finished my work here.

If you ever heard
about the Vampire
that giving out wished..

Then I think, she
already put you into
her list of helping.

U-Um.. This is..
a bit all of sudden..

But thank you, for
your word of encouragement.

Well, I have to get
back to work..

There's one
more thing..

..that I need you
to help me.

W-What do you
want me to do?

Um.. Slurp.. Uck..
Un.. Slurp.. Um..

Slurp.. Un.. Gulp..
Slurp.. Um.. Mm..

Gulp.. Slurp.. Um..
Slurp.. Slurp..

Un.. Um.. Slurp..
Uck.. Gulp..

Hah...!! Her blood tatsed so sweet!

A close-up illustration of a character with short, layered blonde hair and large, expressive red eyes with green pupils. The character has a slight, thoughtful smile. The background is a blurred purple and white pattern, possibly a window or a decorative wall. A speech bubble is positioned to the left of the character's face.

"Now then, thing
to do left.."

I will use her for diguise a while..

"I may know more about Marie, but something still concern me."

"What is she
hiding under that
maid outfit?"

"There's only one way.. no more than to meet the tiger in its cave."

"Dear Goddess,
if you are hearing.."

"Please.. I'm begging
you.. end this war.. I
want to see the one
I truly love back.."

Max.. What are you
doing right now..?

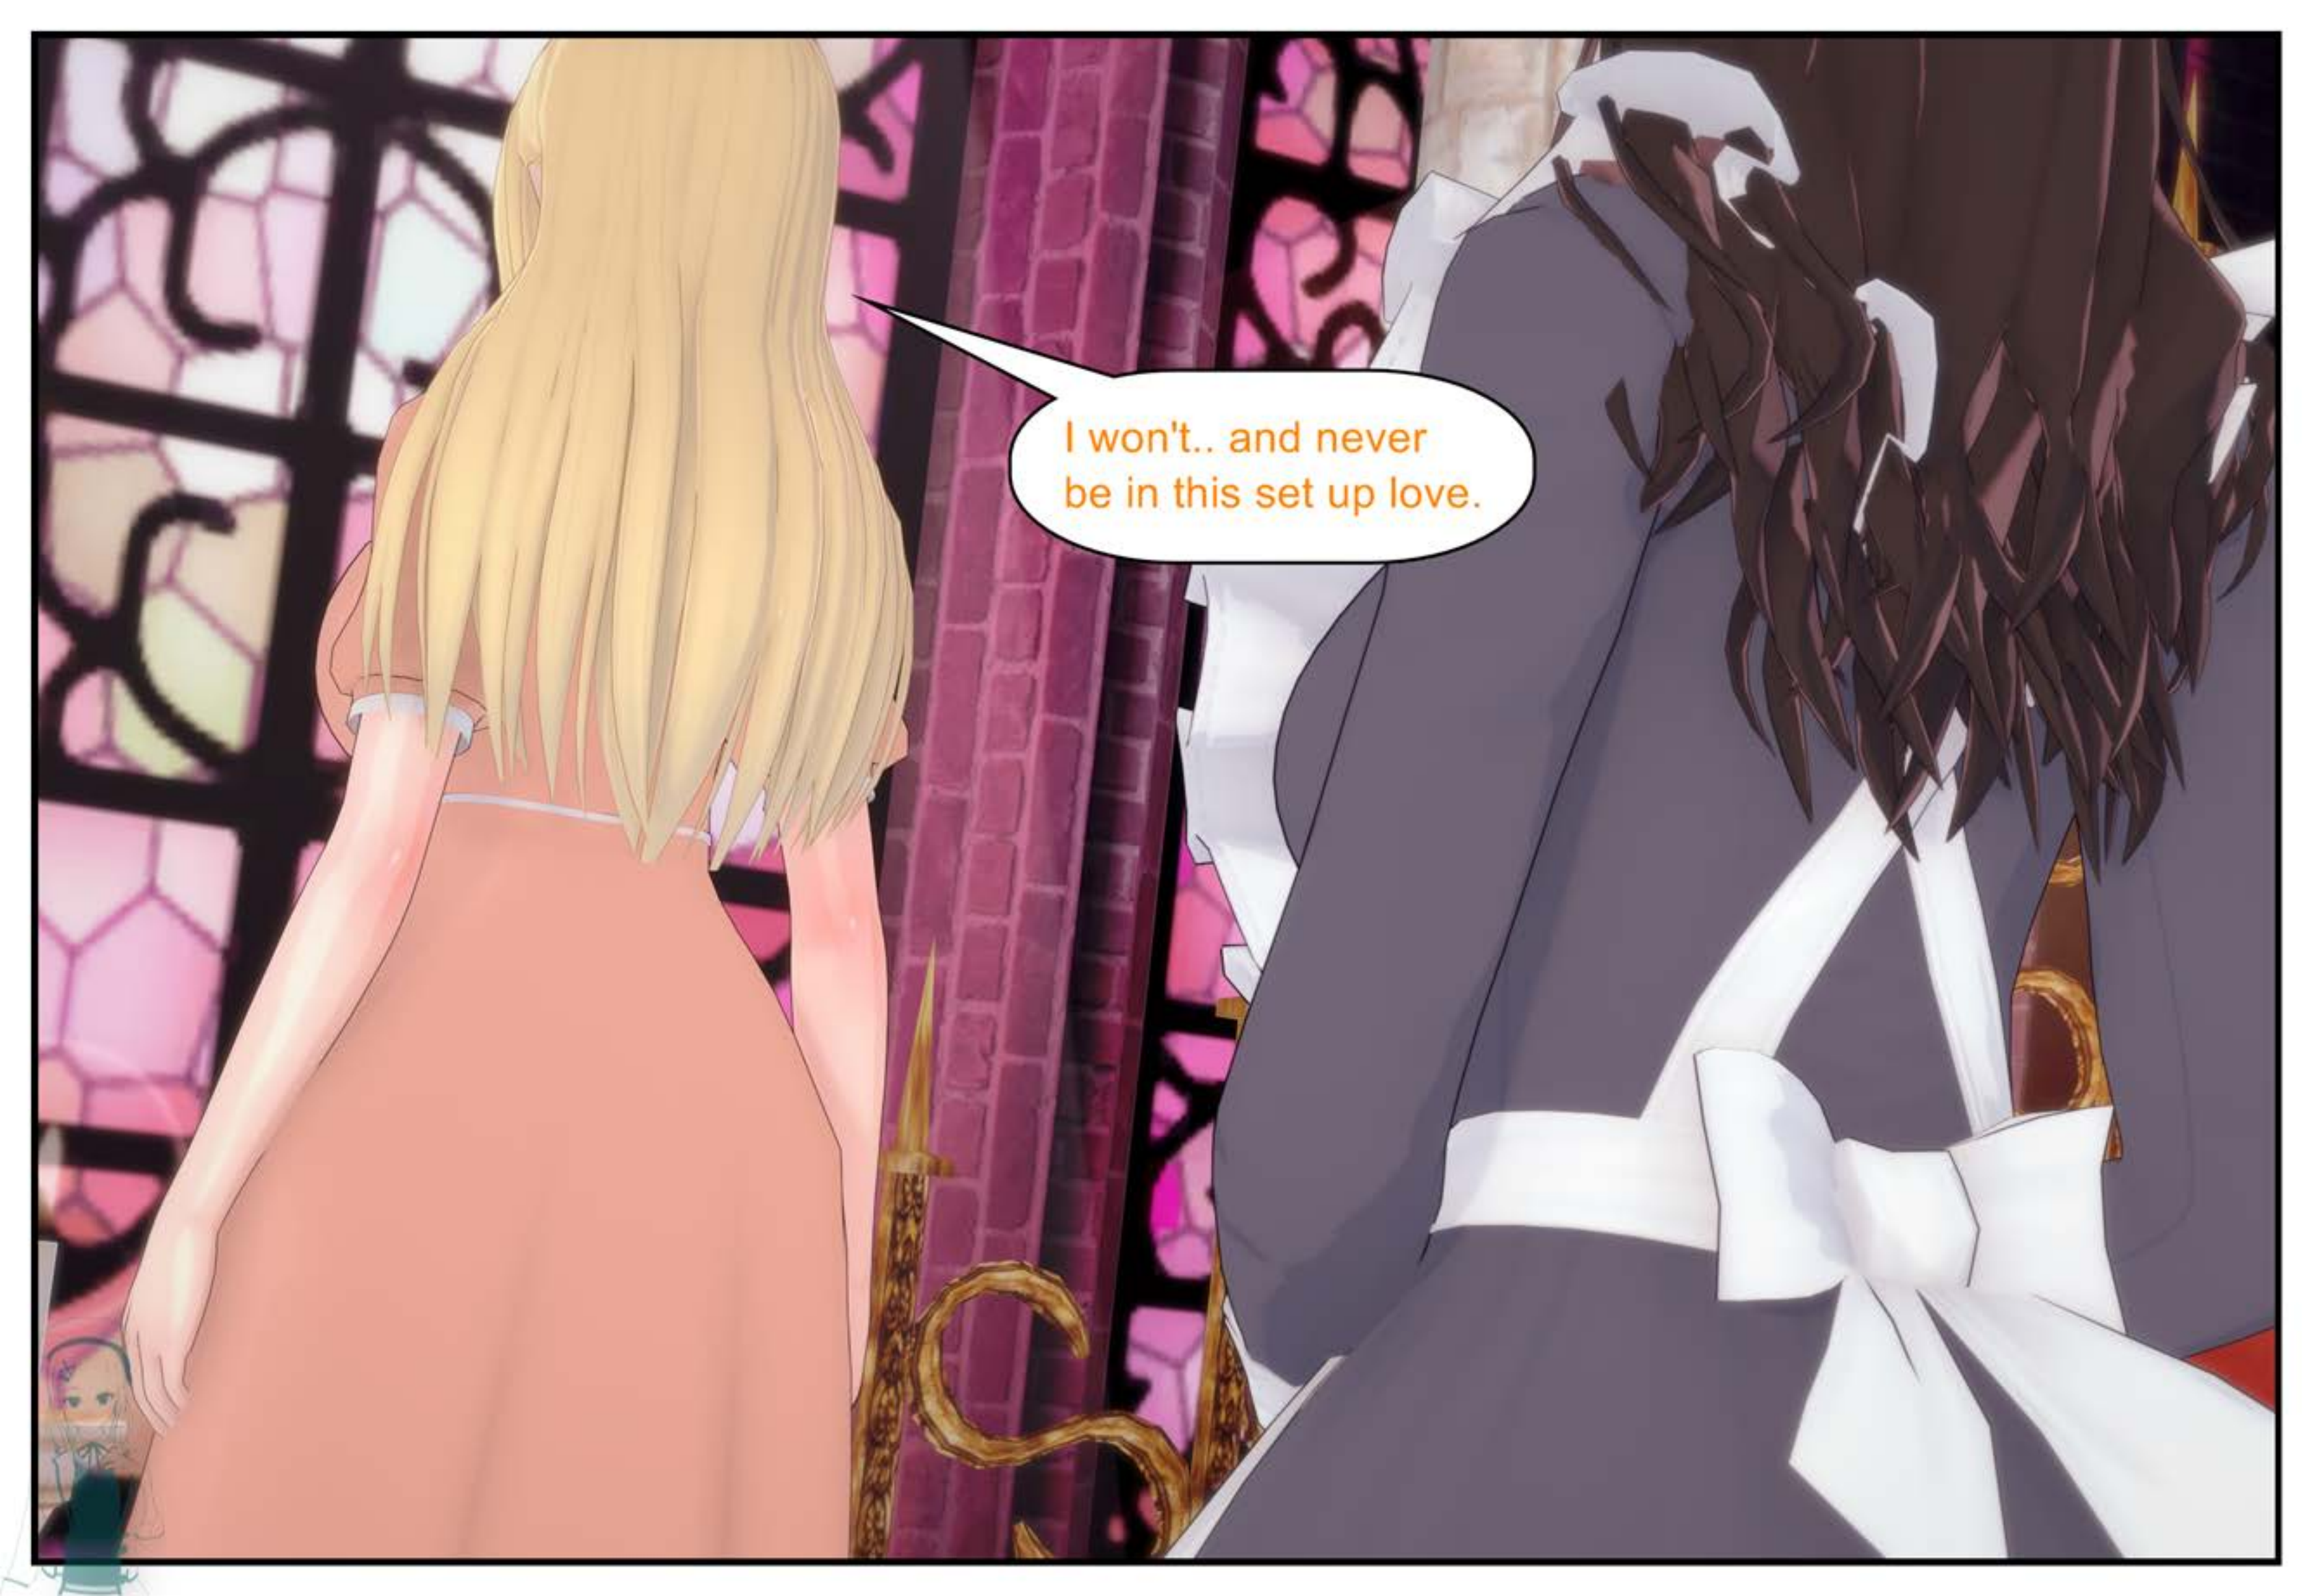

Lady Jannie, your Father
told me to give you
his note..

He wanted you to agree the man's proposal..

Tell him.. that..

I won't.. and never
be in this set up love.

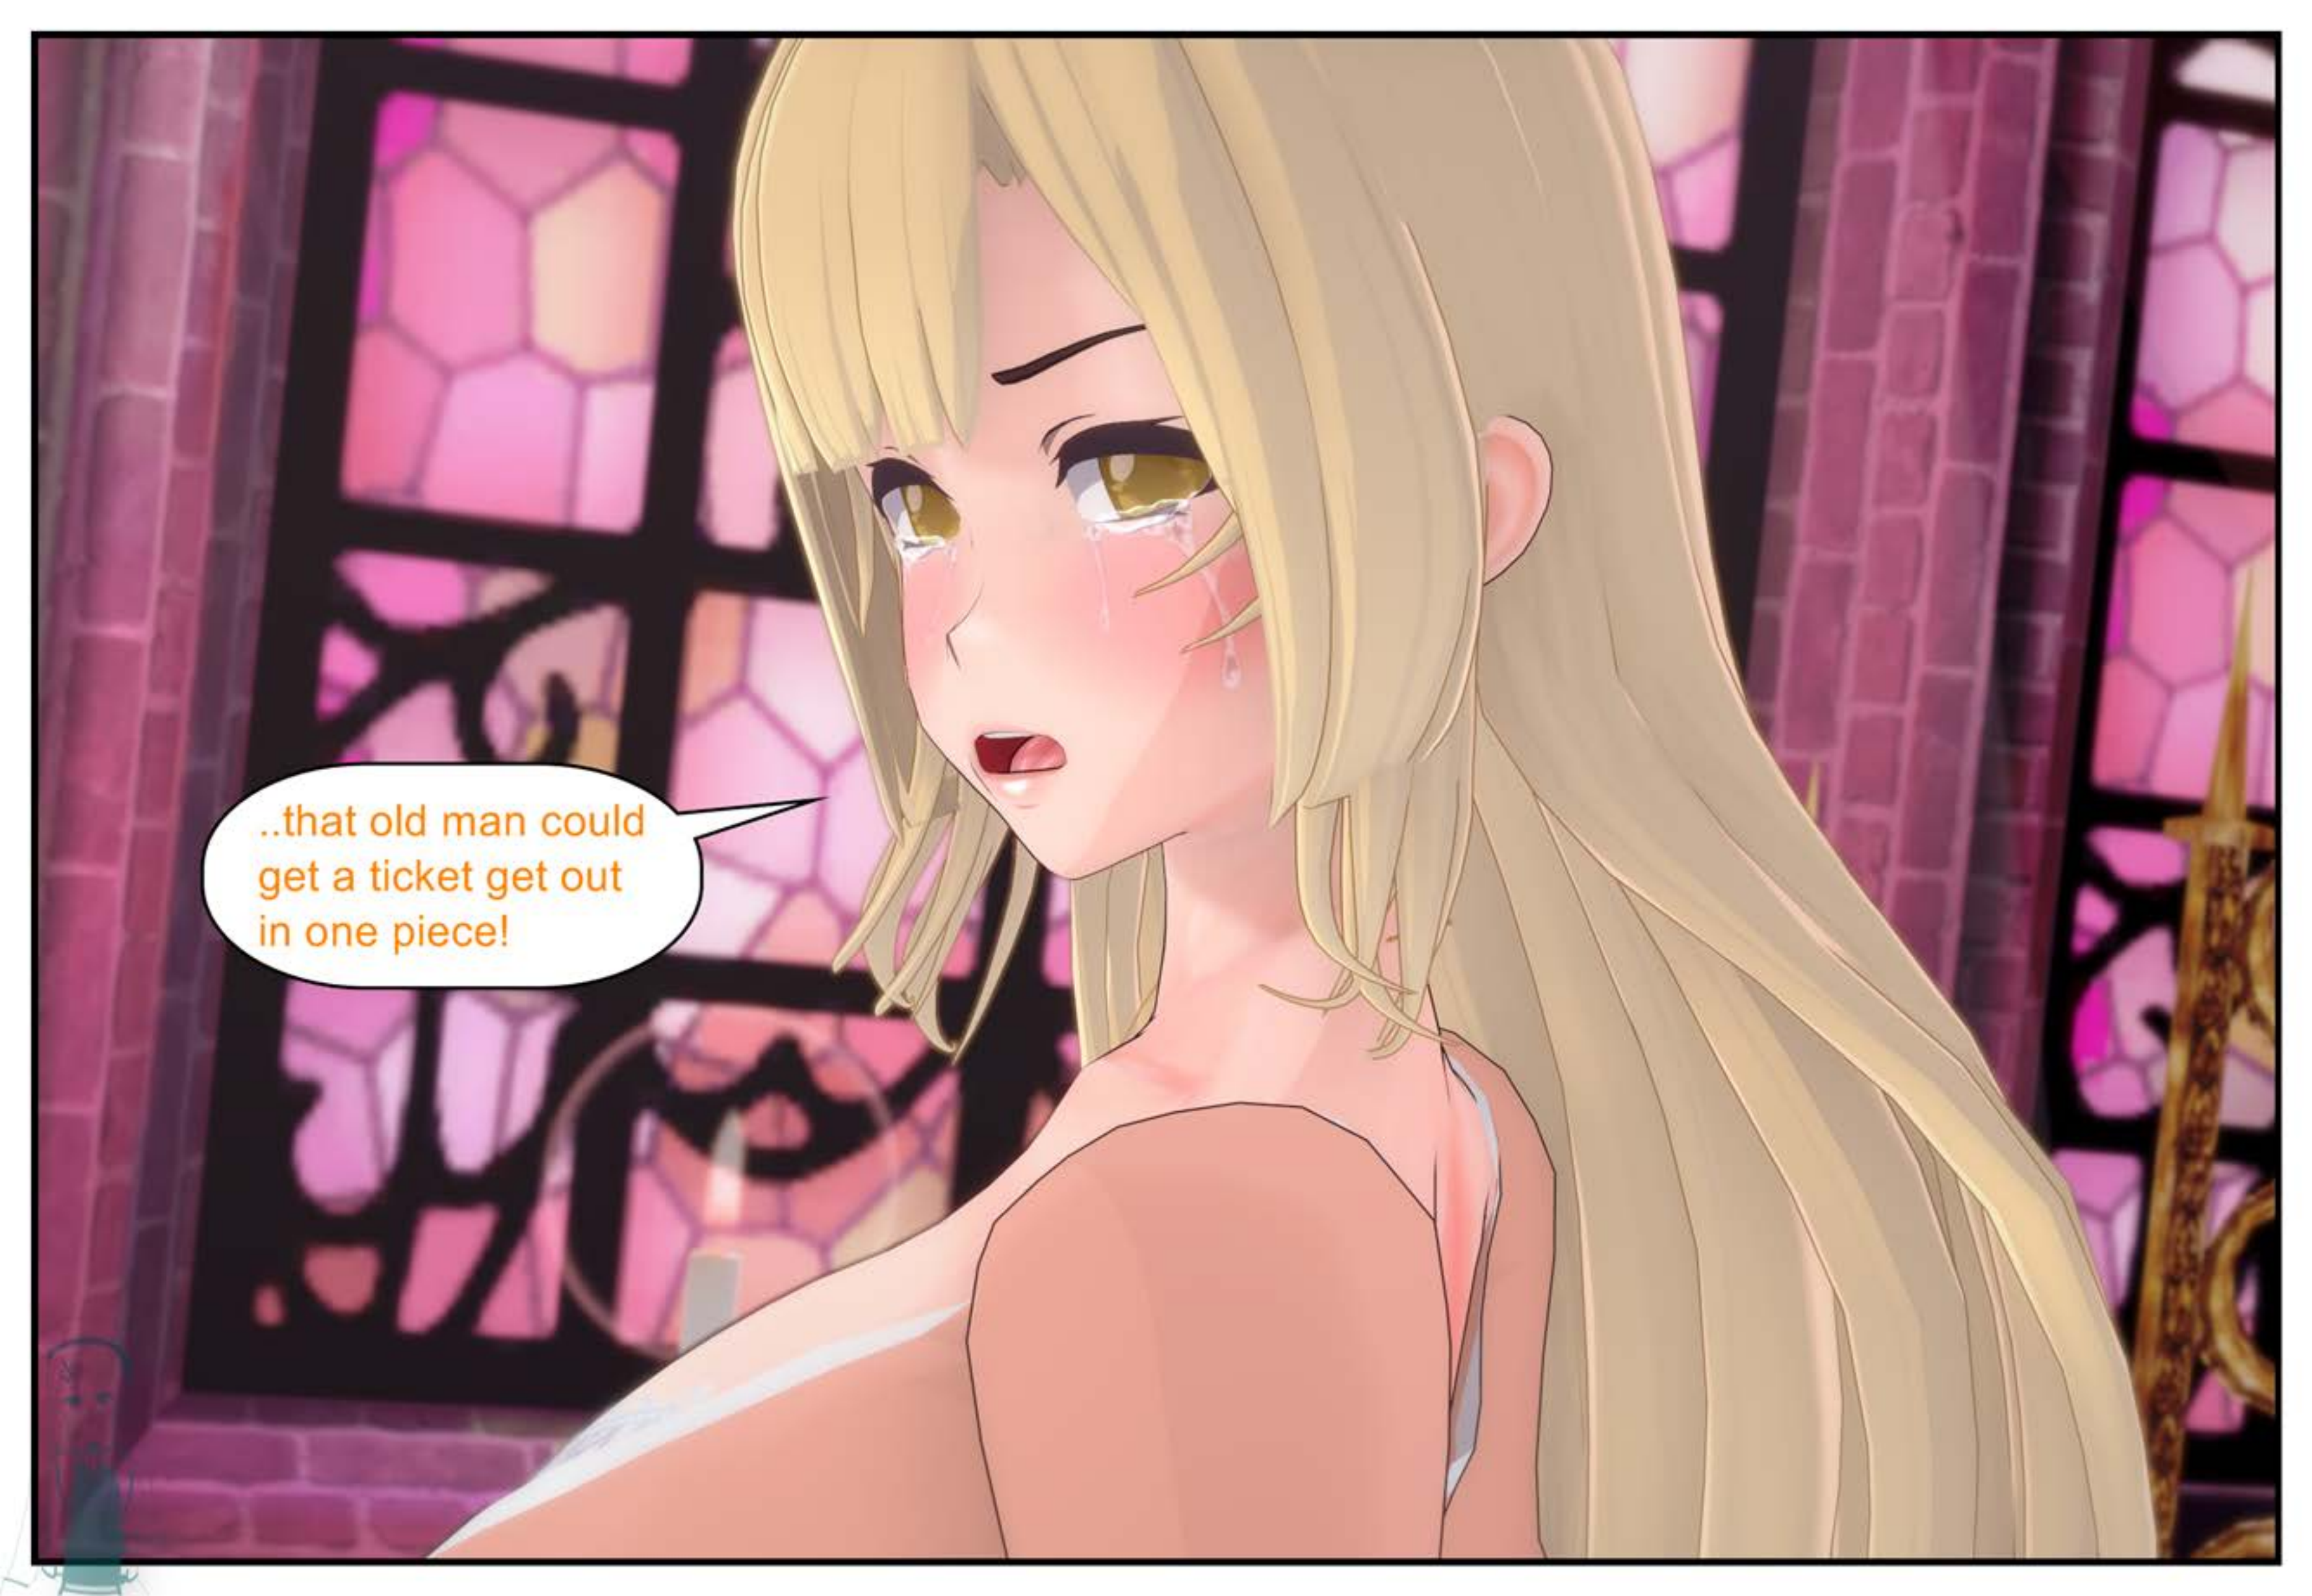

Lady Jannie.. I think
it's the best for you..

I know what kind
of person my Father
was.. ever since Mom
passed away..

A manga-style illustration. On the left, a large, glowing orange figure, possibly a giant or a large object, is shown from the chest down. It has a white ribbon with a small white bow around its neck. On the right, a woman with dark hair and blue eyes, wearing a white maid uniform with a ruffled collar and a white headpiece, stands with her hands clasped in front of her. She is looking towards the orange figure. A speech bubble is positioned above her, containing text.

He wanted to married me to that house, so that when the war come..

..that old man could
get a ticket get out
in one piece!

I'm very grateful
that you always
cared for me, Marie..

But I can't stand this anymore! Manipulated his own daughter!

The only person
that I loved, was Max!
Not that man!

"Woah.. Seem like
I came at the wrong time."

Please help me,
Marie!

Let get out of this
cursed house! I
want to find my
lover myself!

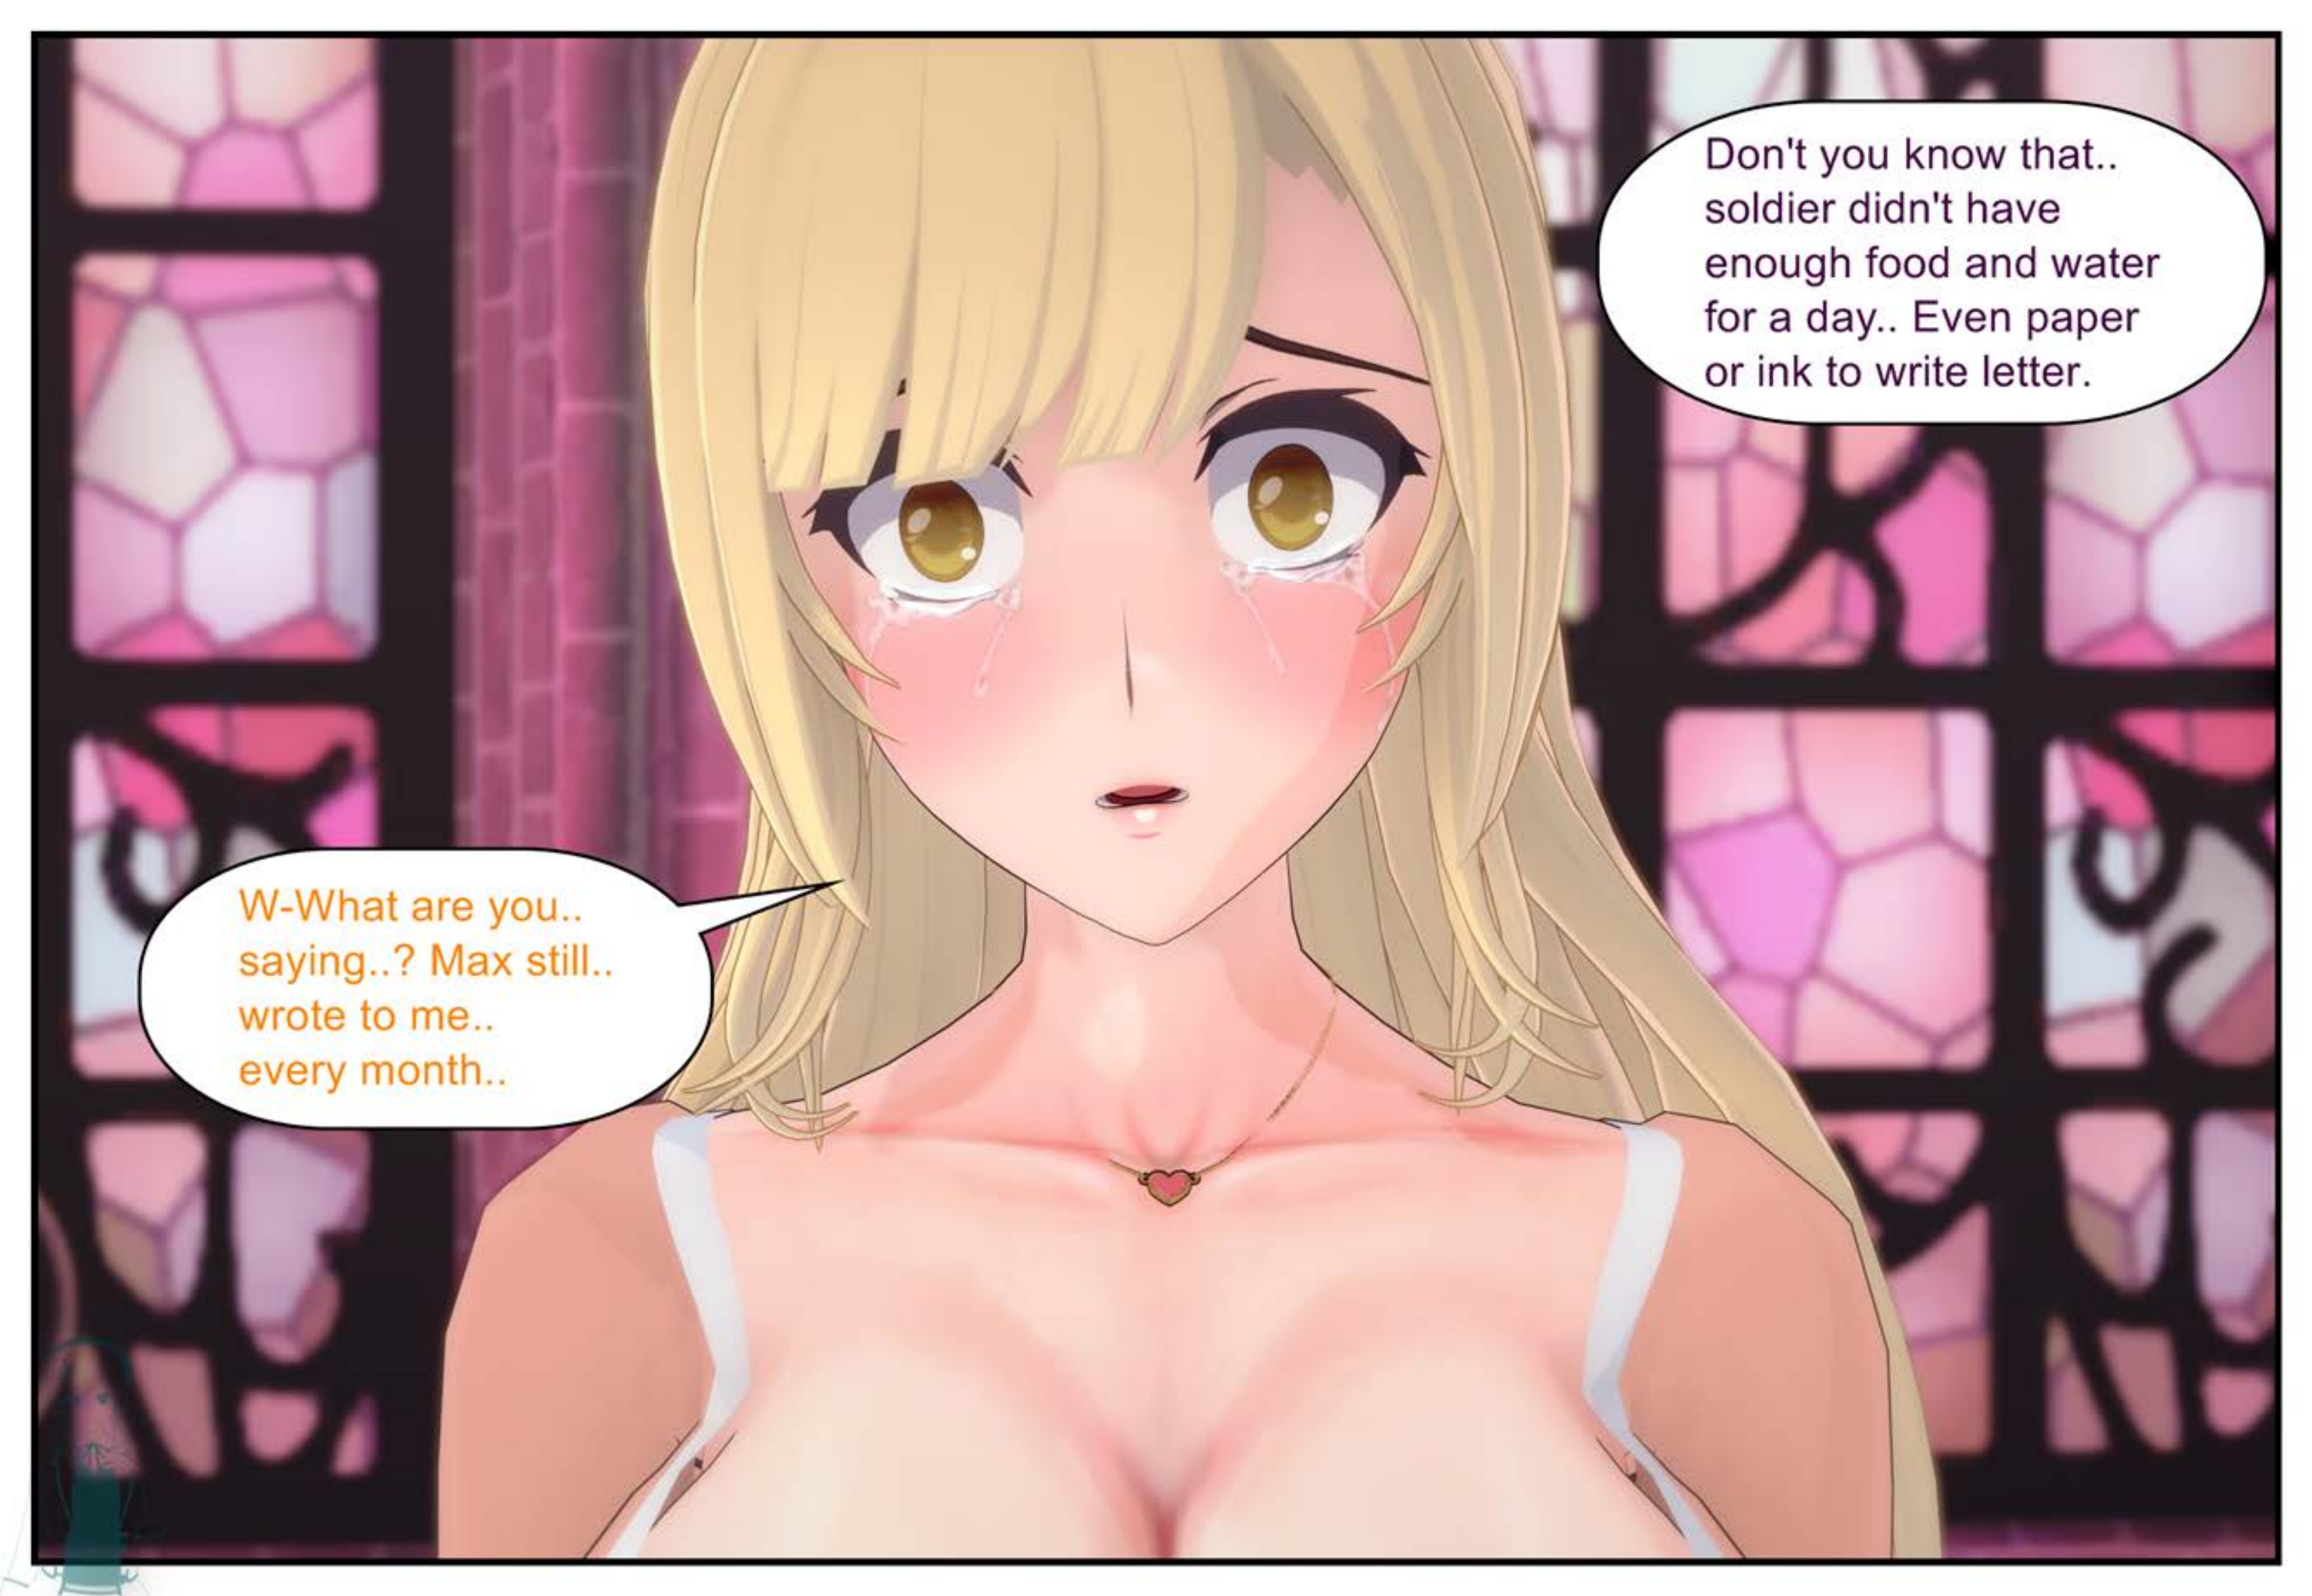

Are you sure,
Lady Jannie?

..go to that hell.. the place
has nothing but death..
looking for your lover..

Don't you know that..
soldier didn't have
enough food and water
for a day.. Even paper
or ink to write letter.

W-What are you..
saying..? Max still..
wrote to me..
every month..

That's right.. Lady Jannie, those letters weren't from him.

Now you realized
it, I was the one
who made it up.

The point was slowly let you forget about him..

..Look like it didn't
turn out as I planned.

N-No.. It can't be..
Max.. He..

As I said before,
no one could return
from that hell..

Then.. why
could you..

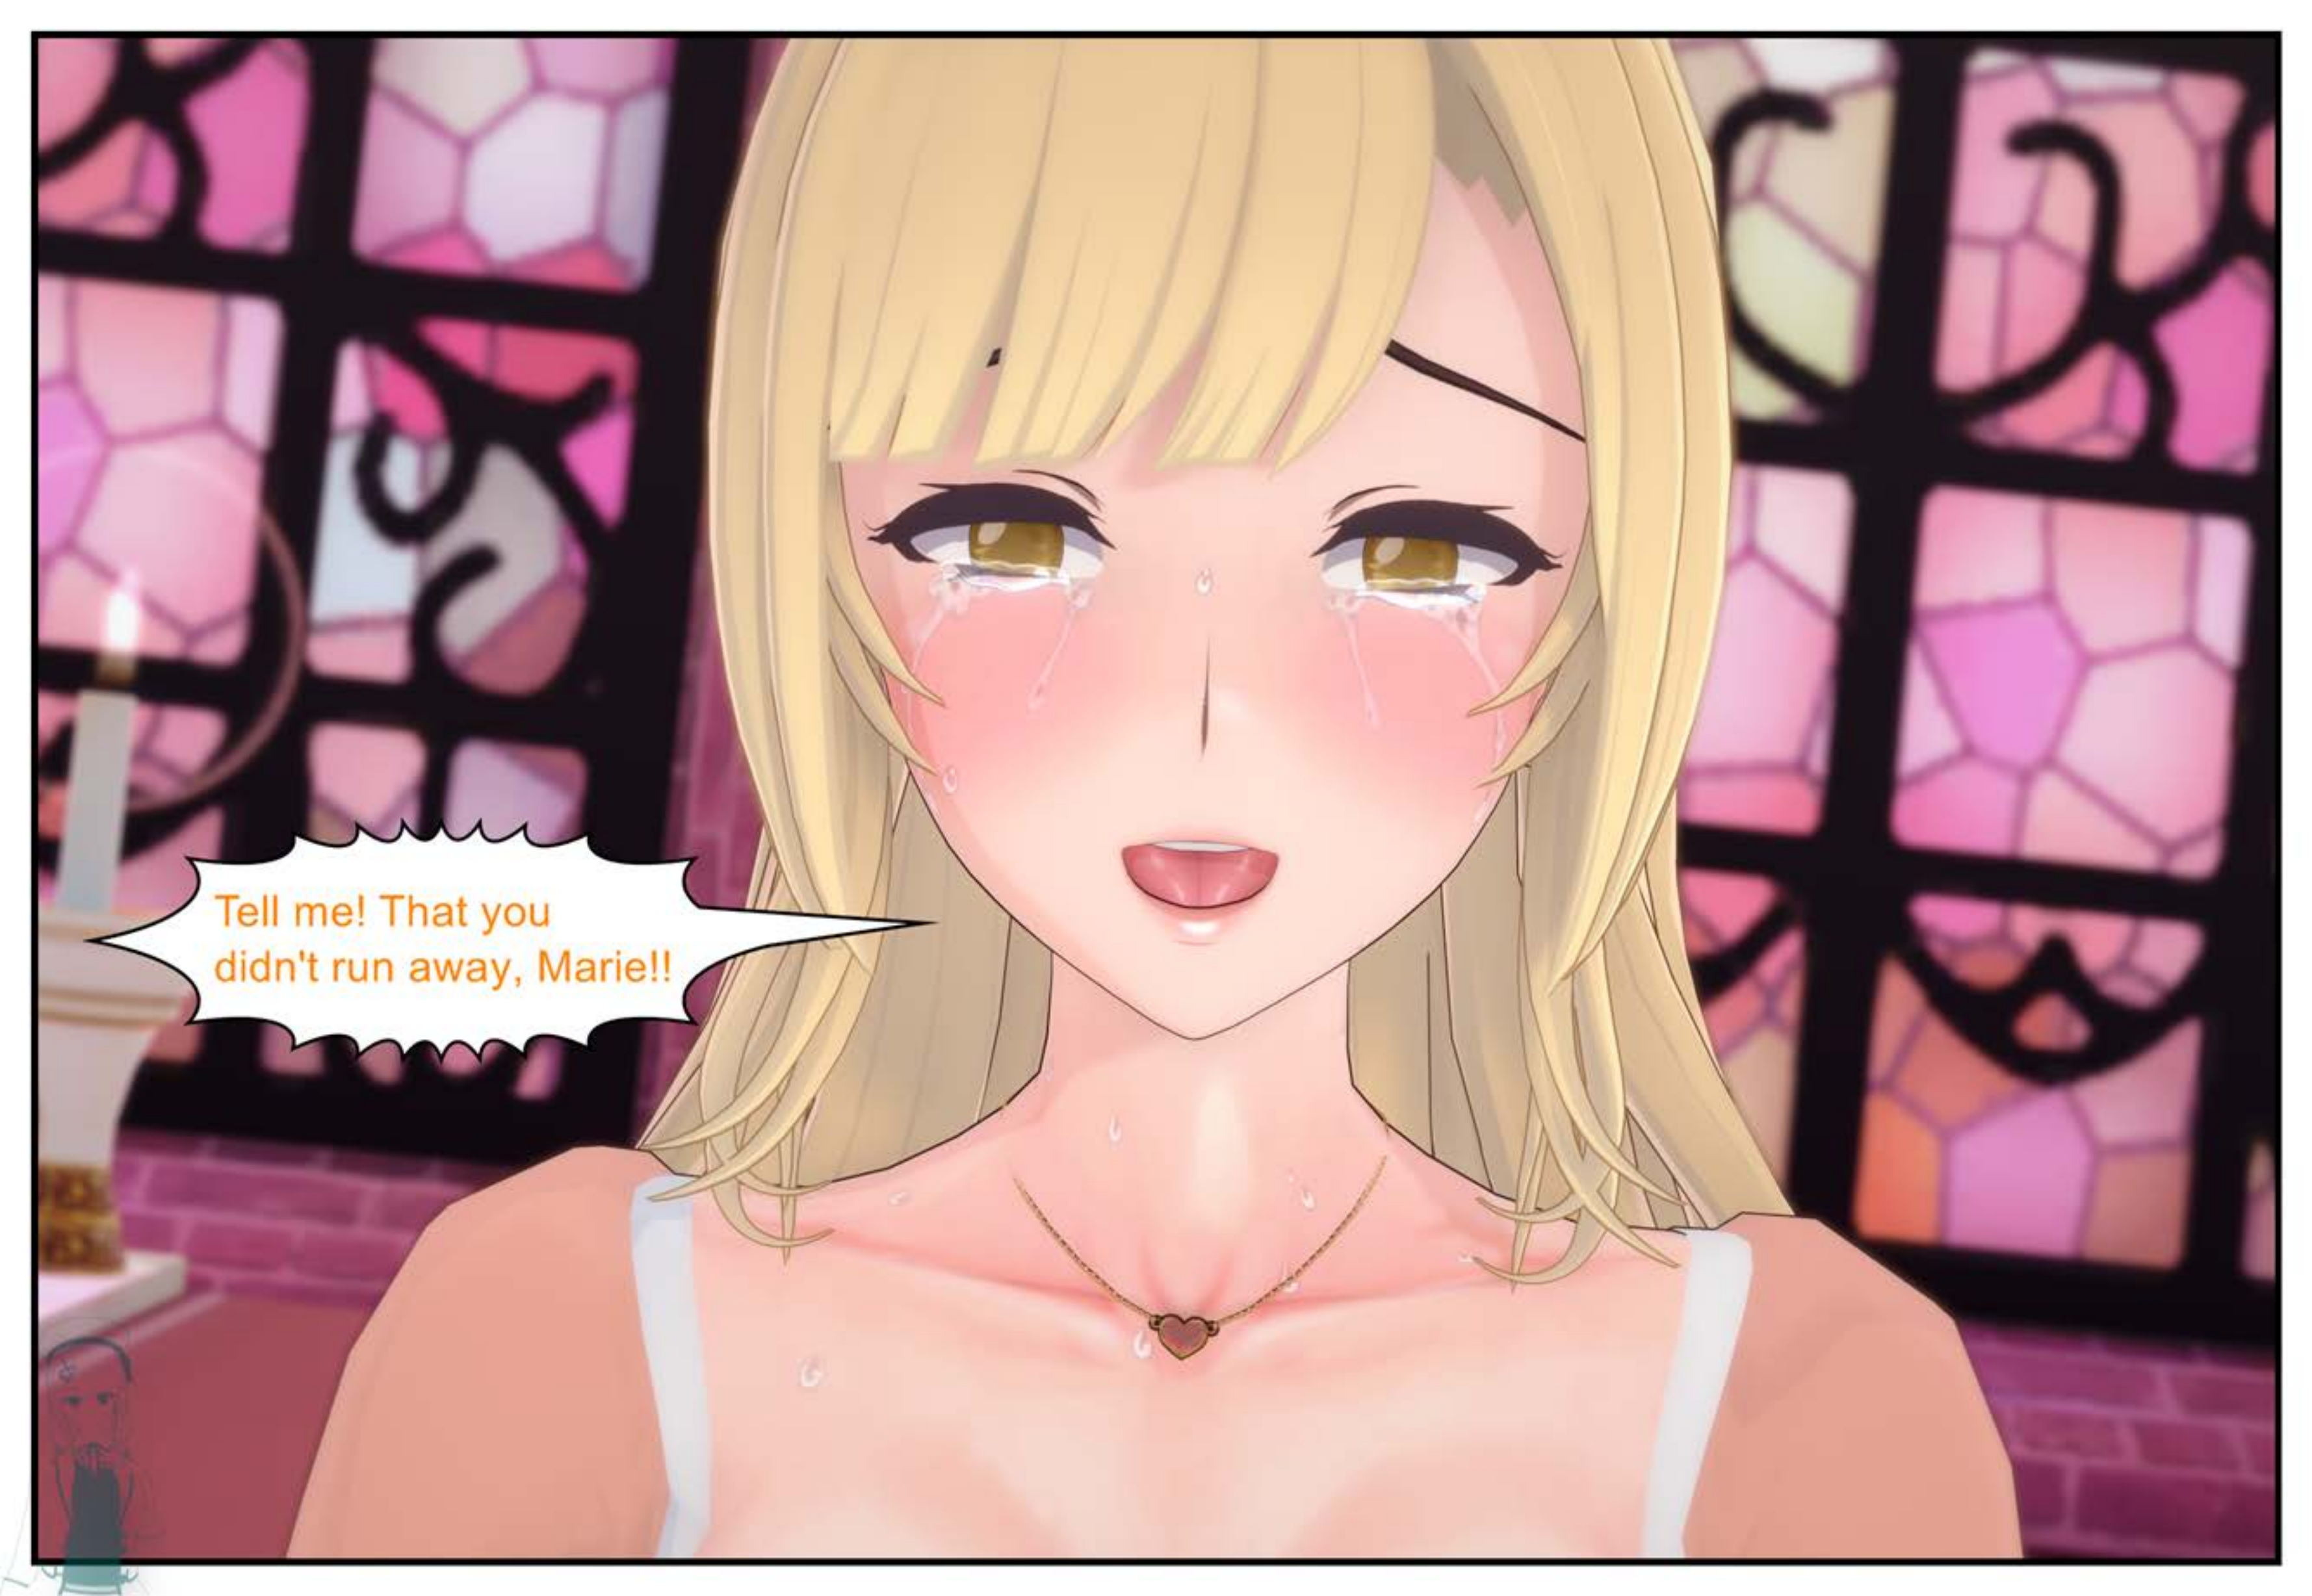

COWARD!!! WHY
WAS IT YOU!? BUT
NOT MAX!!!!???

Haha.. You must have done something.. right Marie..?

Tell me! That you
didn't run away, Marie!!

MARIE!!! DON'T KEEP
IT TO YOURSELF!!

Max.. *sob* he didn't
deserve this.. *sob*

Come back here..
and tell me..!

Are you going to
leave Jannie like that?

Her Father won't
be too happy when
he hear this..

Give me what you know, and I will keep my mouth shut.

I killed, I followed
order for this country,
for those rich and
power asshole.

The image depicts a scene from an anime or manga set in a gothic-style castle. Two female characters, dressed as maids in dark blue dresses with white aprons and ruffled collars, stand in a hallway. The walls are made of reddish-brown brick, and there are several arched windows with intricate ironwork. A chandelier with two lit lamps hangs from the ceiling. The character on the left is looking towards the character on the right, who is looking back. A speech bubble originates from the character on the left.

Why don't you come over, and find out then, Vampire?

Fine, I don't reason
with you anymore.

Come to me if you
wanted to know,
only if you alive to
hear those.

"Well, I already
compromised myself..
Guess I will put off the
disguise this time."

Are you okay
and awake, Jannie?

I wanted to talk,
but I need you to
calm down first.

Ugh.. Feel my body
too tired..

"I couldn't even remember anything at all.."

A woman with long, light-colored hair is shown from the waist down. She is wearing a white, short-sleeved crop top and grey, high-waisted pants with a dark belt. She is standing in a room with a window in the background, through which some light is visible. To her left, there is a wooden surface with a speaker on it. The speaker has a large circular driver and a smaller circular driver. The room has a purple and blue color scheme.

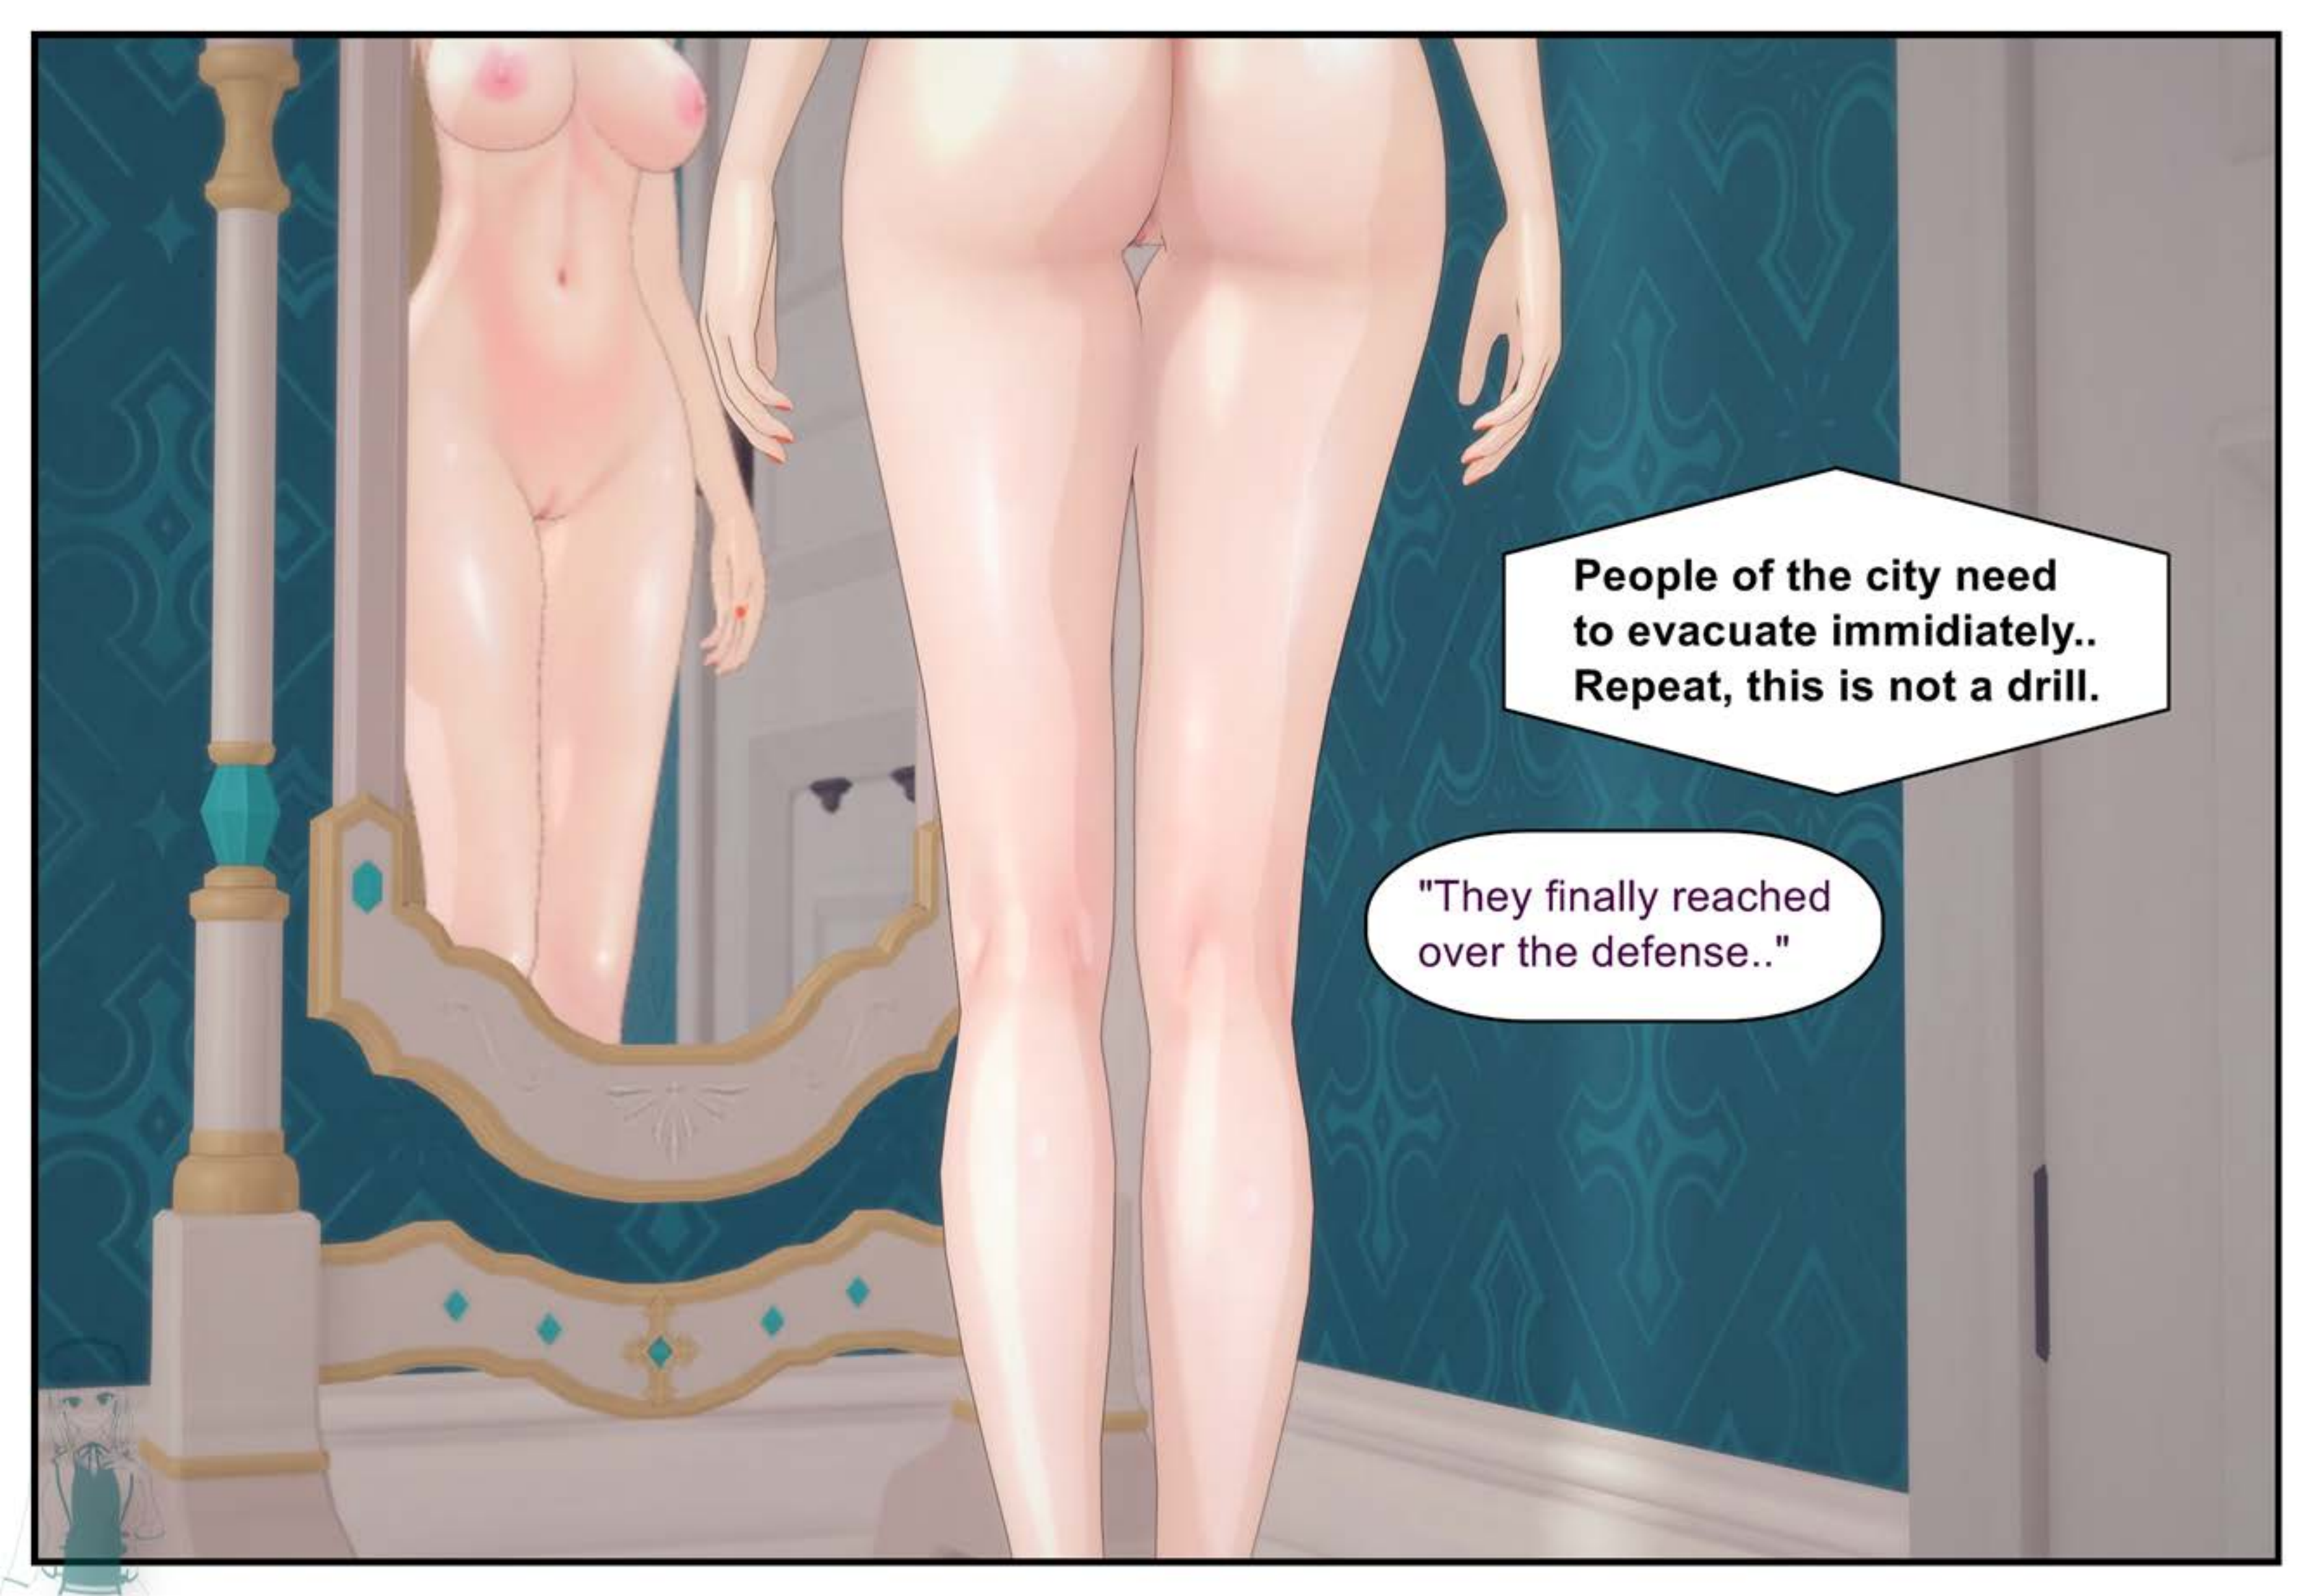

"Maybe I should invite Jannie out a bit.."

**This is the Government's
broacasting..**

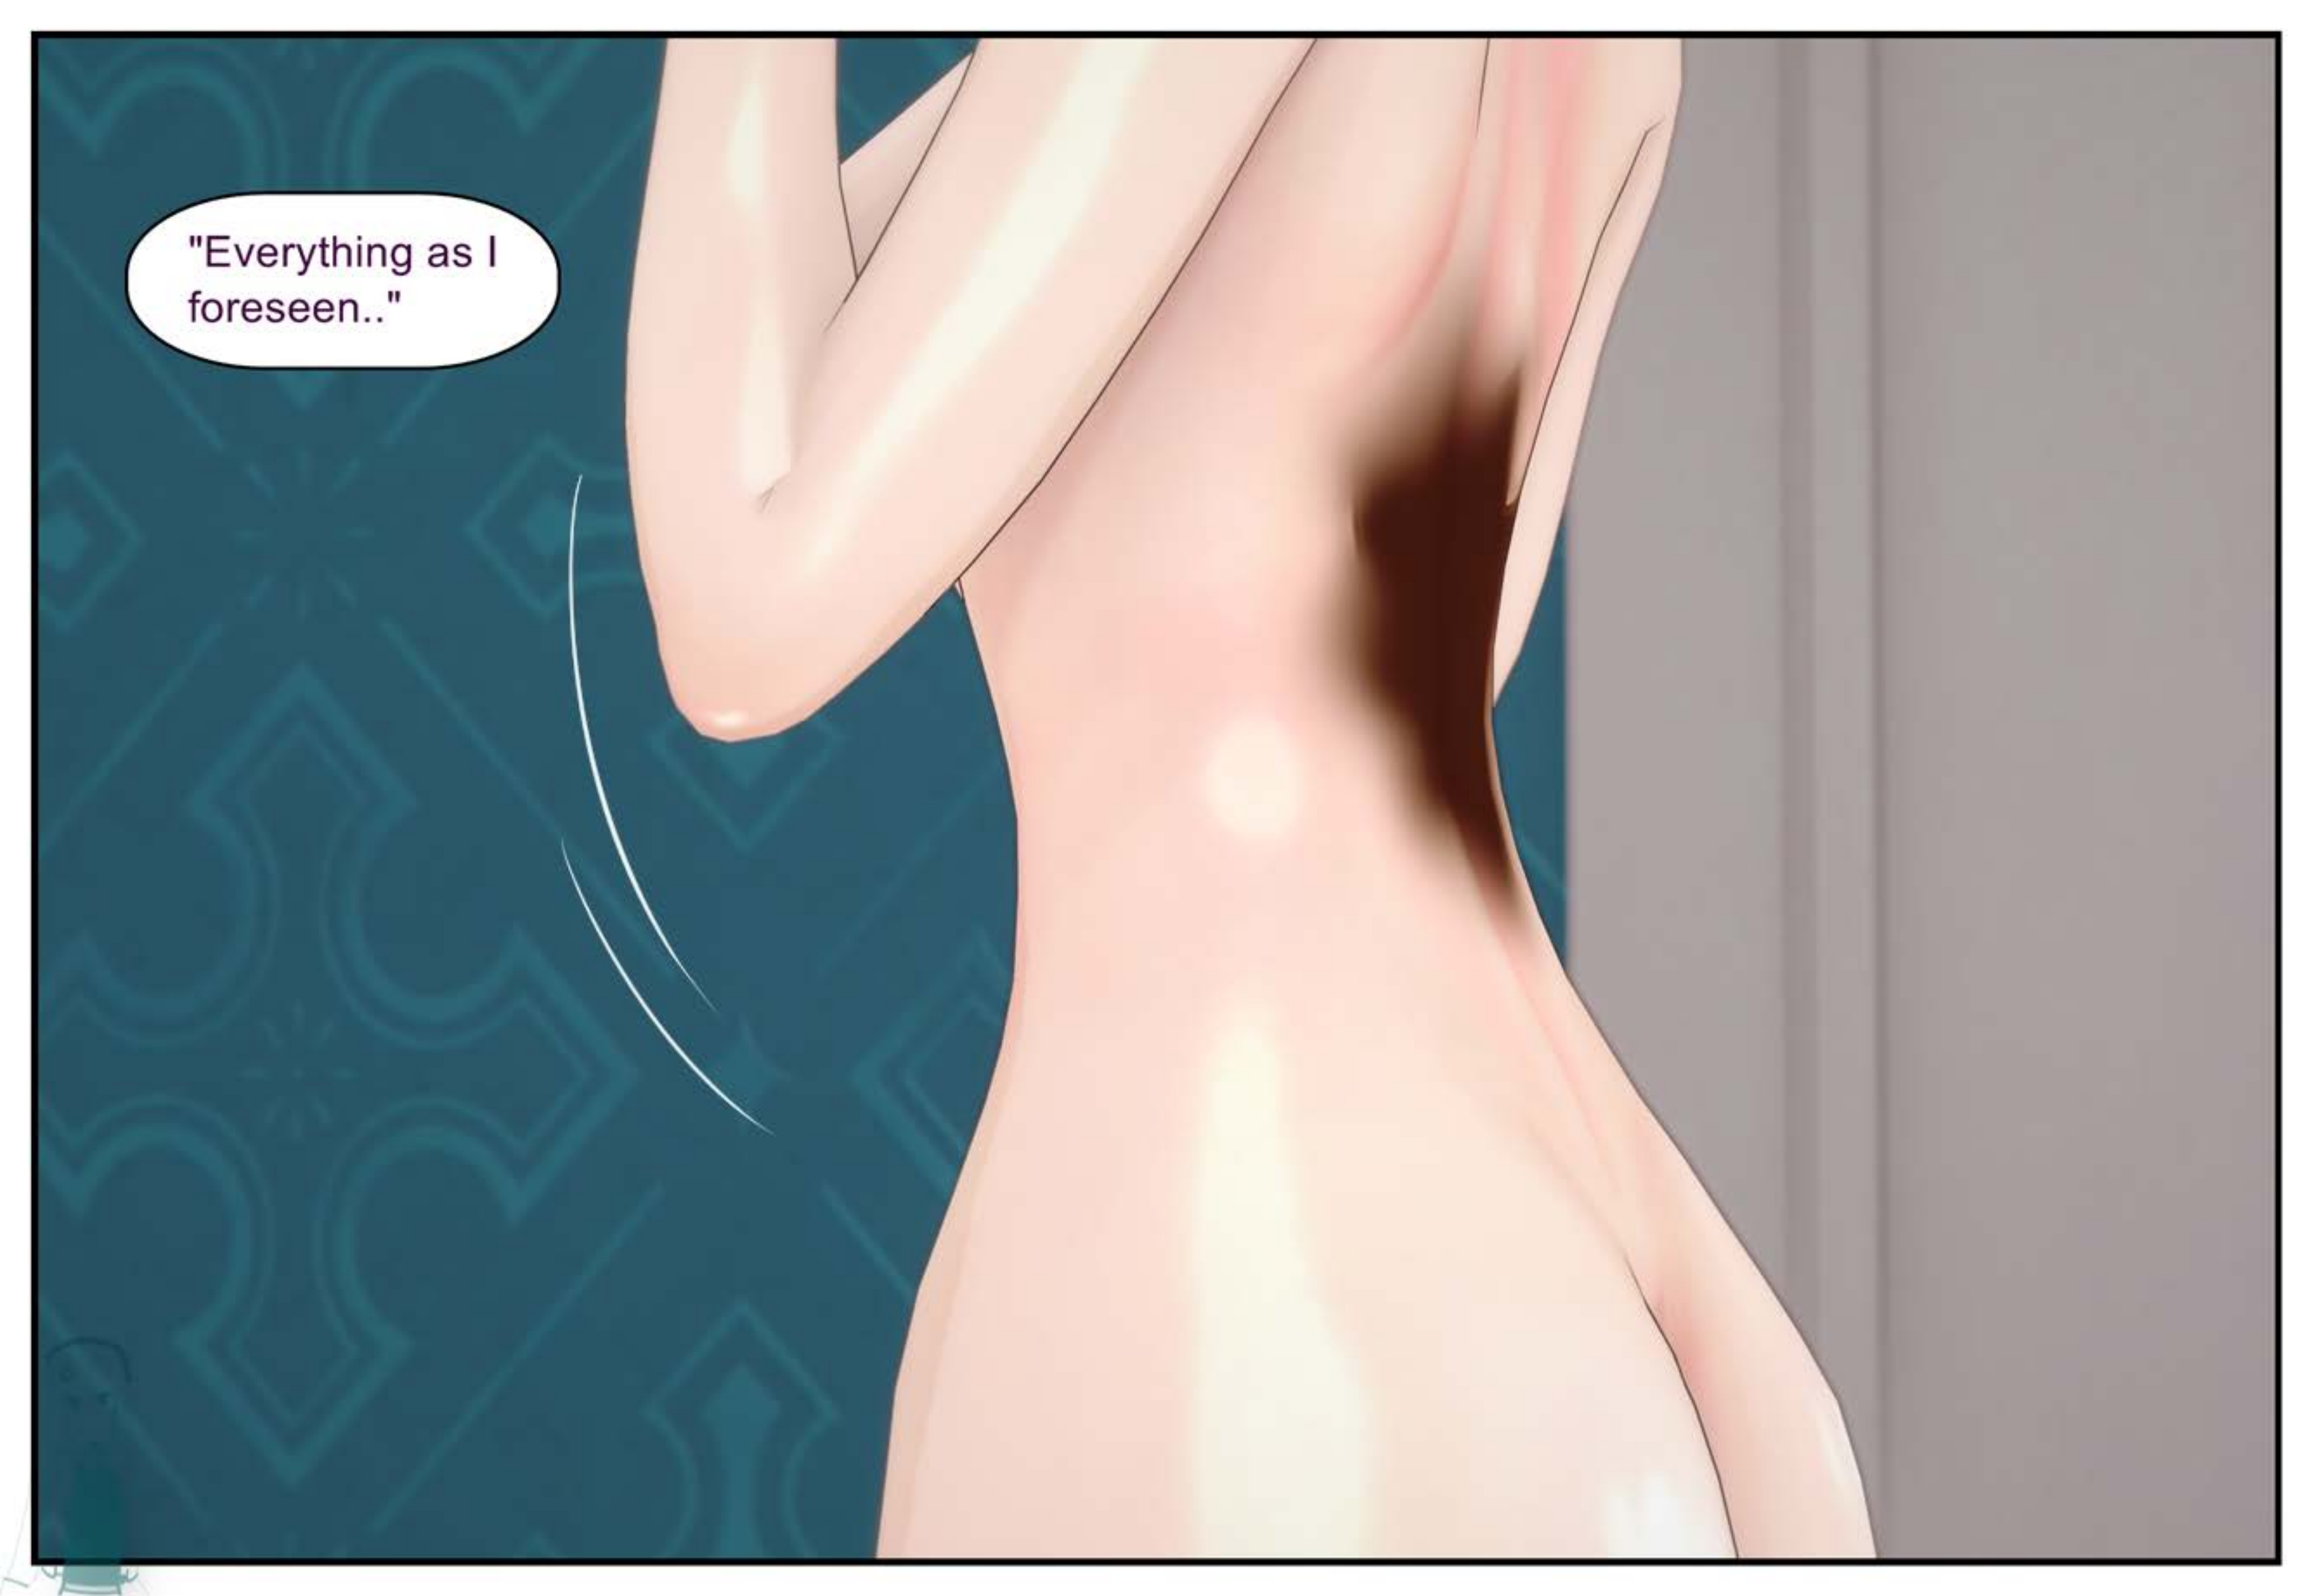

..The Alliance has taken over the battlefield completely.. Not long before our defense go down..

**People of the city need
to evacuate immediately..
Repeat, this is not a drill.**

"They finally reached
over the defense.."

"Everything as I
foreseen.."

"Also, I found my kind is here, too."

To be continued?

Out of my calculation..
